

**MEETING OF THE BOARD OF TRUSTEES**  
**OF THE**  
**UNIVERSITY OF ILLINOIS**

---

**February 14, 1942**

The February meeting of the Board of Trustees of the University of Illinois was held at the Illini Union Building, in Urbana, at 12:30 p.m. on Saturday, February 14, 1942. The following members were present: President Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston, Dr. Meyer.

President Willard was present; also Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Mr. Lloyd Morey, Comptroller, Judge Sveinbjorn Johnson, Counsel, Mr. C. S. Havens, Director of the Physical Plant Department, and Mr. J. F. Wright, Director of Public Information.

**MATTERS PRESENTED BY PRESIDENT WILLARD**

The Board considered the following matters presented by the President of the University.

**CANCELLATION OF SABBATICAL LEAVE GRANTED  
PROFESSOR M. H. HUNTER**

(1) Professor M. H. Hunter, Head of the Department of Economics, was granted a sabbatical leave of absence for the second semester of the current academic year. In view of present conditions and the uncertainties of the future, he has requested that this leave be cancelled. I recommend that this leave be cancelled without prejudice as to a future request for a sabbatical leave.

On motion of Dr. Meyer, this leave was cancelled.

**LEAVES OF ABSENCE**

(2) A recommendation that the following leaves of absence be granted members of the staff for the reasons and periods and under the conditions indicated in each case:

John F. Bell, Professor of Economics, leave without pay from March 1 through August 31, 1942, so that he may return to the position in the Office of Price Administration, Washington, D.C., which he held before coming to the University.

A. H. Sutton, Associate Professor of Geology, leave without pay for the academic year 1942-1943 so that he may accept a position in a defense industry.

Mrs. Katherine H. Peer, Stenographer in the Department of English, leave with pay from January 31 to March 13, 1942, inclusive, and leave without pay from March 14 through August 31, 1942, on account of illness.

Leslie D. Nelson, Groundsman in the Physical Plant Department, sick leave with pay for a period of eleven weeks and three days from January 17, 1942, or as much thereof as may be necessary.

A. E. Votaw, Laborer in the Animal Husbandry Department, leave without pay for a period of four months from December 11, 1941, on account of health.

*Leaves of Absence for Military Service*

(The leave in each case is without salary.)

John T. Dixon, Laborer in the Department of Horticulture, from January 22, 1942, through August 31, 1942.

George Milles, Assistant Professor of Pathology, from February 1 through August 31, 1942.

Thomas E. Ratcliffe, Assistant in the Agriculture Library, from February 6, 1942, through August 31, 1942.

O. Frazelle Edwards, Instructor in Bacteriology, from February 1 through June 30, 1942.

Thomas H. Malloy, an employee in the Illini Union Bookstore, from January 17 through August 31, 1942.

*Extension of Leave of Absence for Military Service*

K. C. Shrader, Research Assistant in the Bureau of Institutional Research, from February 21, 1942, through August 31, 1942.

On motion of Mr. Jensen, these leaves were granted.

**STATUS OF PERQUISITES OF CERTAIN MEMBERS OF THE STAFF**

(3) The federal income tax law requires that the total compensation of each employee be reported by every employer, this compensation to include items furnished in lieu of money and which are a part of an employee's compensation. Facilities and other items furnished for the convenience of the employer need not be reported as part of the compensation.

The new retirement law also makes similar provisions. The Board of Trustees of the University Retirement System of Illinois has ruled that it will follow the federal income tax law and regulations of the Bureau of Internal Revenue in determining the status of an employee's compensation with respect to contributions to the retirement fund.

The last report on perquisites of members of the staff was made to the Board in April, 1940. Since then the University has placed in operation the Illini Union Buildings at Urbana and in Chicago and has taken over the Research and Educational Hospitals, which has added a number of members to the staff who are affected by the requirements of the federal law.

Accordingly I submit a new list<sup>1</sup> of employees receiving perquisites of one kind or another, the status of which should be officially determined. This list has been compiled by the Comptroller on the basis of certifications from the heads of the divisions concerned. It includes only those individuals whose names appear in the itemized operating budget. There are numerous other positions for which provision is made in the budget, but the names of the incumbents do not appear therein because they are employed on an hourly, weekly, or monthly basis and not under annual contracts. Authorization for determining the status of the compensation received by all individuals in such positions is also requested. The following resolution is submitted:

*Be it resolved*, by the Board of Trustees of the University of Illinois, that the accommodations, services, or perquisites received by persons holding during the academic year 1941-1942 positions listed in the exhibit hereto attached<sup>2</sup> under the heading of "For Convenience of Employer" shall be regarded as for the convenience of the University and not as a part of the compensation received by the employee for the services rendered to the extent indicated in that schedule.

The persons holding the positions referred to in the first paragraph of this motion and performing substantially the services connected with such position shall, until further action by the Board, be regarded as receiving the accommodations, services, or perquisites referred to for the convenience of the University and not as a part of the compensation received by them for the services they render. In all other cases where perquisites are furnished, such perquisites shall be considered a part of compensation.

The President of the University is authorized to approve for the Board the allocation of similar perquisites which may be involved in the employment of persons in wage positions not itemized in the internal budget.

Mr. Morey presented this matter.

On motion of Mr. Davis, the resolution was adopted.

#### **APPOINTMENT OF RAYMOND ELIOT AS ASSISTANT PROFESSOR OF PHYSICAL EDUCATION FOR MEN AND HEAD FOOTBALL COACH**

(4) The Board of Directors of the Athletic Association recommends that Mr. Raymond Eliot, Assistant Professor of Physical Education for Men, Assistant Football Coach, and Freshman Baseball Coach, be appointed Head Football Coach effective February 1, 1942, at an annual salary of \$4,500 to be paid by the Athletic Association.

The Director of the School of Physical Education recommends that Mr. Eliot be appointed Assistant Professor of Physical Education for Men effective February 1, 1942, at an annual salary of \$1,500 to be paid by the University.

Both appointments are effective February 1, 1942, and are to continue until the end of the current biennium (August 31, 1943). The total salary will be \$6,000.

I concur in these recommendations. They were previously transmitted to the President of the Board of Trustees, who referred them to the Committee on Athletic Activities. This Committee likewise has concurred in the recommendation for this appointment in accordance with the terms indicated.

On motion of Dr. Meyer, this appointment was made as recommended.

#### **ENGINEERING, SCIENCE, AND MANAGEMENT DEFENSE TRAINING**

(5) At the request of the United States Office of Education the University, through its Division of Extension, offers courses in engineering and other applied sciences and in industrial management in various areas of Illinois. These

<sup>1</sup>This list is filed with the Secretary of the Board for record.

courses are designed for national defense training and are particularly for individuals now employed who desire part-time study to fit themselves for more responsible work, or to help unemployed individuals to qualify for jobs. At present there are 24 different courses offered to 148 separate classes in 18 Illinois communities,<sup>1</sup> and the total number of individuals enrolled is 3,598. This number will increase as new courses and new communities are added, and it is estimated that by July 1 the enrollment may reach 5,000.

These courses are available wherever there is a demand for them and facilities (such as school buildings or industrial plants) are available for the instruction. Some of these courses are taught, or the instruction is supervised, by members of the University staff in addition to their regular teaching work, and a large part of the instructional program is carried on by industrial and business executives who are employed on a part-time basis by the Division of Extension. All expenses are paid by the Federal Government through the United States Office of Education.

I recommend that the President of the University be authorized to approve allocations of Federal funds received for this program for the purposes recommended by the Director of University Extension, including (1) the necessary changes in status of members of the University staff whose services are required to carry on this program, and (2) payment to members of the staff of additional compensation (from Federal funds) for services performed outside of the time required of them under their University appointments.

On motion of Mr. Livingston, this recommendation was adopted.

#### **AGREEMENTS FOR COOPERATIVE RESEARCH INVESTIGATIONS**

(6) The Board of Trustees at its meeting on January 24 (Minutes, page 759) approved a recommendation from the Committee on Patents changing in certain respects the policies of the University of Illinois governing agreements for cooperative research investigations including provisions relating to patentable discoveries and use of the University's name in advertisements.

With respect to the latter the recommendation of the Committee reads as follows: "It is agreed by the sponsor that it will not under any circumstances use the name of the University in any advertisement, whether with reference to the cooperative agreement or any other matter, without the prior approval of the University."

I should like to ask the Board to reconsider this change, and I recommend that the clause "without the prior approval of the University" be eliminated. In my judgment, it opens the way to innumerable requests from all sponsors of cooperative investigations and donors of funds for permission to use the University's name in advertisements, and this I think is contrary to sound institutional and public policy.

On motion of Mr. Jensen, this revision was approved as recommended by the President.

#### **APPOINTMENT OF ANTHONY BLAZINE AS ASSISTANT VARSITY FOOTBALL COACH**

(7) The Director of Athletics and the Board of Directors of the Athletic Association recommend the appointment of Anthony Blazine as Assistant Varsity Football Coach effective March 1, 1942, at an annual salary rate of \$2,300 until September 1, 1942, and thereafter at an annual salary of \$3,000, to be paid partly by the Athletic Association and partly by the School of Physical Education. It is proposed with the concurrence of the Director of the School of Physical Education that beginning with the next academic year Mr. Blazine will also be appointed to the staff of the Department of Physical Education for Men.

I recommend approval.

<sup>1</sup>The Illinois communities in which classes are now being conducted are as follows: Alton, Granite City, Decatur, Springfield, Champaign-Urbana, Kankakee, LaSalle, Elgin, Aurora, Rockford, Dixon, Beardstown, Danville, Chicago Heights, Chicago, Evanston, East St. Louis, and Moline.

At this point, Mr. Eliot was introduced. He supported this recommendation and addressed the Board on the general outlook in football. On motion of Mr. Davis, this recommendation was adopted.

#### WAR WORK IN PHYSICS

On request of the President of the Board, the President of the University introduced Dr. P. Gerald Kruger, Professor of Physics. Professor Kruger addressed the Board on research in physics as related to the war effort.

#### CONTRACT FOR STEEL LIBRARY STACKS IN NATURAL HISTORY LIBRARY

(8) The Physical Plant Department submitted drawings and specifications for furnishing and installing steel library stacks in the Natural History Library for which improvement funds have been provided in the current budget. In general, prospective bidders stated that they would not be in a position to furnish quotations because materials are almost wholly on a priority list. However, the following bid was received from the Art Metal Construction Company:

Base Bid, covering complete stacks.....	\$5 080
Alternate Bid No. 1, based on shelving being adapted from present existing shelving, now stored in the main library—Deduct.....	340
Alternate Bid No. 2, based on use of glass floor instead of steel and concrete—Add.....	1 900
Separate Bid No. 1, covering furnishing of steel portable shelving for Delivery Room.....	720
Cash or check.....	400

This is within the amount budgeted for the work. Inasmuch as conditions affecting the use of priority materials are changing rapidly the bid was subject to immediate acceptance. Accordingly I authorized the execution of the contract with the Art Metal Construction Company on its base bid of \$5,080 for this work and request confirmation of this action. (Both alternates were rejected, but Separate Bid No. 1 will be considered later.)

On motion of Mrs. Grigsby, the action of the President of the University in authorizing this contract was approved and confirmed.

#### PURCHASES RECOMMENDED

(9) A recommendation that the following purchases be authorized:

1. One circuit breaker switchboard for rewiring of the Union Arcade Building, from William Wurdack Electric Manufacturing Company, St. Louis, Missouri, the lowest bidder, at a price of \$1,180 f.o.b. St. Louis, freight allowed.

2. 100 per cent rag bond, white, watermarked with the University Seal, for the Office Supply Store as follows:

100 reams 22 x 34—40 pound  
32 reams 22 x 34—32 pound  
30 reams 22 x 34—26 pound

from the Graham Paper Company, the lowest bidder, at a cost of approximately \$1,615.

On motion of Mr. Adams, these purchases were authorized.

#### PURCHASES AUTHORIZED

(10) A report of the following purchases authorized by the President of the University in accordance with the University Statutes:

1. Cottage cheese, milk, cream, skim milk, and buttermilk as required by the Dietary Department of the Research and Educational Hospitals for the month of February, from the Scholl Dairy, the lowest bidder, at a total cost of \$1,607.46.

2. 30 items of fresh smoked meat and poultry to be used during the month of February by the Dietary Department of the Research and Educational Hospitals, from the lowest bidders on the respective items as follows:

Armour & Company, 2 items.....	\$ 14 77
Swift & Company, 15 items.....	1 398 04
New City Packing & Provision Company, 6 items.....	627 55
Reliable Packing Company, 3 items.....	528 00
Cudney & Company, 4 items.....	516 70
<i>Total</i> .....	<u>\$3 085 06</u>

3. Ten tons of all purpose white lead and oil, from the National Lead Company, Chicago, the lowest bidder, at a total cost of \$1,862 f.o.b. Urbana.

4. Approximately 66 tons of No. 4 sulphite bond and mimeograph bond in various sizes and colors, from the Dwight Bros. Paper Company, the lowest bidder, at an approximate cost of \$11,050 delivered.

This report was received for record.

#### REHOUSING THE RADIO STATION

(11) The Board of Trustees has authorized the rehousing of the studios and offices of Station WILL in the Lower Gymnasium of the Woman's Building. Because of the war it will be impossible to secure the required materials to proceed with the extensive remodeling necessary to carry out this rehousing program. Consequently the Director of the Radio Station and the Director of the Physical Plant Department have proposed housing the studios and offices of Station WILL in Gregory Hall until permanent quarters can be provided. Due to the decrease in enrollment it is possible to take over certain areas in this building for the use of the Radio Station. The estimated cost of the remodeling necessary to convert them to such use is not more than \$10,000. It is less extensive than the program for housing the Station in the Woman's Building and does not involve the use of restricted materials.

I recommend that this program be authorized and that the expense be charged against the State appropriation for building remodeling.

On motion of Mrs. Grigsby, these recommendations were adopted.

#### CONTRACTS EXECUTED BY THE COMPTROLLER JANUARY 14 TO FEBRUARY 4, 1942

(12) The Comptroller's report of a lease executed under general regulations of the Board of Trustees:

<i>With Whom</i>	<i>Property</i>	<i>Amount to be paid by the University</i>	<i>Date</i>
Fred Percival	Lease of one acre of land on Percival farm for Agricultural Engineering Department	\$20 for year 1941-1942	January 17, 1942

This report was received for record.

#### GIFTS TO THE UNIVERSITY AND GRANTS OF FUNDS FOR VARIOUS PURPOSES

(13) A report of the following gifts and grants of funds for various purposes received by the University since the last report:

##### *Gifts*

1. Mr. Frederick Green, Professor of Law, *Emeritus*, \$1,500 additional to be added to the Lois Shepherd Green Scholarship Fund.

2. Pyle-National Company of Chicago, 14 Type M.V.A.-24 Multivent panels, valued at \$441, to be used in introducing air into the cold laboratory at the College of Medicine. It is understood by the donor that there will be no advertisement use made of the gift or of the results obtained from the tests made with this equipment.

3. Mr. Felix Gehrmann, \$300 to be added to the Gehrmann Historical Book Fund which was established in 1939 for the purpose of purchasing old medical books and for their care.

4. Students' Mutual Hospital Association, 50 standard blankets for McKinley Hospital as reserve bedding in case of an emergency.

5. Chicago Art Institute, a loan to the University of Illinois for a period of five years of the following valuable paintings of the seventeenth, eighteenth, and nineteenth centuries: William Beechey, "Thomas Kite"; John Faed, "The Young Duchess"; Adriaen van de Velde, "Figures and Cattle"; Benjamin West, "A Gentleman's Portrait," and "He That Is Without Sin."

6. Mr. Robert Allerton, \$800 for the 1942 Allerton American Traveling Scholarship.

#### *Grants for Research*

1. General Foods Corporation, \$1,200 for the continuation of the study on the development of high yielding white corn hybrids or strains suitable for the manufacture of hominy or flaking grits, to be carried on by the Agricultural Experiment Station.

2. E. I. du Pont de Nemours & Company, \$2,000 for the salary of a research assistant to Professor C. S. Marvel in his work on vinyl derivatives, for the year 1941-1942.

#### *Comptroller's Report of Gifts and Grants*

1. American Council of Learned Societies, \$500 for a graduate fellowship in the Department of French.

2. American Dry Milk Institute, Inc., \$1,000 for the continuation of research work in the Department of Animal Husbandry on enriched bread.

3. Arthur Andersen Research and Educational Fund, \$500 for the renewal of a graduate scholarship in Accountancy for the year 1941-1942.

4. American Legion Auxiliary, Department of Illinois, \$50 for the Student Colonel Award.

5. Anonymous, \$1,025.87 for gifts for physically handicapped children.

6. Dow Chemical Company, Midland, Michigan, \$15 additional for the study of the effect of different grain fumigants on the germinating quality of various strains of hybrid corn, which was carried on during the year 1940-1941.

7. Federal Cartridge Corporation, \$500 to defray expenses connected with the Seventh State 4-H Conservation Short Course which was held at the University December 9-13, 1941.

8. Ferro-Enamel Corporation, Cleveland, Ohio, \$1,000 for the continuation of the graduate fellowship in Ceramic Engineering under the direction of Professor A. I. Andrews for the year 1941-1942.

9. The Middle West Soil Improvement Committee of the National Fertilizer Association, \$50 additional to supplement the research project on the fertilization of soybeans, to be used in taking photographs of the plots.

10. The New York Community Trust, on behalf of an anonymous client, \$210 additional (\$750 graduate fellowship in Chemistry was reported in June) to cover all laboratory fees, tuition, and other expenses.

11. Parke, Davis, and Company, Detroit, Michigan, \$2,000 for the extension of research on renal hypertension carried on at the College of Medicine, covering a period of six months from October 15, 1941.

12. University of Illinois Foundation, \$3,710 for Illini Union Building furnishings.

13. Sears, Roebuck, and Company, \$3,575 for the renewal of scholarships in Agriculture for the year 1941-1942.

14. Sears, Roebuck, and Company, \$500 for the renewal of a graduate scholarship or fellowship in Commerce for the year 1941-1942.

15. United States Spanish War Veterans, Department of Illinois, \$50 for a military prize.

16. Mothers' Association, \$119.58 additional for a silver service for the Illini Union Building.

On motion of Mr. Fornof, this report was received for record.

#### **SUMMER QUARTER**

(14) The University Senate recommends that, as a part of the general plan of providing for present and prospective students opportunities for accelerating their educational programs, the University establish in place of the eight-week summer session offered heretofore a summer quarter of twelve weeks con-

sisting of two six-week terms running consecutively, the dates to be determined by the University Calendar Committee and the Director of the Summer Session. The Committee and the Director have approved the dates of June 8 to August 29, 1942.

Professor A. B. Coble was introduced. He discussed this and the three following related items.

On motion of Mr. Jensen, the recommendation for the introduction of a summer quarter of twelve weeks was approved as a step towards the adoption of a four-quarter system, and the President of the University and the University Senate were requested to study this matter and report their recommendations to the Board.

#### STATEMENT CONCERNING ACCELERATED PROGRAMS ENABLING STUDENTS TO GRADUATE IN LESS THAN FOUR YEARS

##### *Types of Programs*

Institutions, such as the University of Illinois, now operating on a two-semester basis of sixteen weeks each, have a choice of three programs:

1. A quarter system of four twelve-week quarters under which the faculty teach three quarters and have one quarter off. This involves a complete revision of all instruction materials in present laboratory and in many lecture courses.
2. Three-term system of sixteen weeks each in which the faculty receive additional compensation if they teach three terms in one year. This involves no change in instruction materials as used in the present two-semester system.
3. A longer, intensive summer quarter of twelve weeks divided into two periods of six weeks, instead of a summer session of eight weeks as now given at the University of Illinois. The faculty receive additional compensation if they teach in the summer quarter as well as in the two regular semesters in the same year. This does not require as much revision of semester-course material as the quarter system since the summer courses are condensed and given more intensively.

##### *General Comments on All Accelerated Systems*

1. Since such systems are never made compulsory, it is impossible to predict how many students *will actually continue to attend* any all-year program for three successive years and get their degrees in less time than four years.
2. At the University of Illinois we can only guess at how many students, especially juniors, will attend *even the first* full year of such a program.
3. Since a great many students must depend on earning funds in the summer time in order to go to college the rest of the year, they can not enroll in any kind of an all-year program no matter how good it is. This condition is a serious factor at the University of Illinois.
4. A slightly different condition may exist in the field of the medical sciences, but we have no assurance that all our students in medicine will attend all four quarters for three consecutive years.

##### *Special Comments on Summer Quarter of Twelve Weeks*

The action of the University Senate recommending a summer quarter of twelve weeks consisting of two six-week periods running consecutively is based on the following considerations:

1. The Senate believes an accelerated program is desirable.
2. For reasons given above and others, the Senate does not believe it is desirable to change *at this time* to a four-quarter or to a three-term system.
3. Advantages of the summer quarter plan are:
  - (a) It permits an undergraduate to complete his course in three years. More rapid acceleration would probably result in a lowering of standards.
  - (b) No practicable plan can meet the specific needs of all students, but adjustments to a twelve-week summer term are relatively easy. Graduate students might take a six-week course for three-quarters' credit or offer supplementary work to secure the usual unit credit for eight weeks of work. In the case of

undergraduate students who are sufficiently close to graduation to utilize only one summer quarter, this quarter might be regarded as equivalent to a semester.

(c) It would also be relatively easy for the faculty to carry the teaching involved particularly if all the courses which run for only six weeks were confined to the first term. Then the registration for the entire quarter would be determined on the opening day and arrangements could be made to handle it. There might be a fair amount of service volunteered for the heavier first term by members of the staff who are not accustomed to depending on summer earnings.

(d) There would be time for three-week vacations before and after such a summer quarter—an important point in view of the rigors of our summer climate.

(e) The summer quarters could be utilized by students to take their cultural electives. These are ordinarily taken at early academic levels and the necessary courses are normally offered in the summer.

(f) The plan would provide an experimental approach to the four-quarter problem. The great majority of our faculty has never had experience with a quarter system.

(g) Other institutions, as diverse as Harvard and Iowa, have adopted this plan. Harvard freshmen are being urged by their advisers to stay for the summer term.

#### VALUE OF CREDIT FOR WORK IN SUMMER QUARTERS

(15) The University Senate recommends that "an hour of course work, as ordinarily estimated, which is pursued weekly through the twelve weeks of the summer quarters of 1942 or 1943 may be counted by an undergraduate toward graduation as a semester hour."

I concur.

On motion of Mrs. Grigsby, this recommendation was adopted.

#### ADMISSION OF NON-HIGH SCHOOL GRADUATES

(16) The University Senate recommends that the Registrar be authorized to admit to the University of Illinois any high-school senior enrolled in his last semester and within a month of his graduation from an accredited school which closes its semester or term after the opening date of a University term even though he has not received a diploma of graduation, provided that evidence is submitted by the high school showing that the senior would have been graduated if he had remained in school until the end of the semester.

I recommend approval.

On motion of Dr. Meyer, this authority was granted as recommended. Mr. Jensen asked to be recorded as voting in the negative on this motion.

#### TUITION FEES FOR SUMMER QUARTER

(17) The Faculty Committee on Fees and Scholarships recommends the following schedule of fees for the summer quarter:

I. For undergraduate and professional work in the colleges and schools in Urbana:

- |  |         |
|--|---------|
| (a) Tuition fee for six weeks of instruction:    |         |
| Residents .....                                  | \$20 00 |
| Non-residents .....                              | 40 00   |
| (b) Tuition fee for twelve weeks of instruction: |         |
| Residents .....                                  | \$40 00 |
| Non-residents .....                              | 80 00   |

II. For graduate work at Urbana, whether partial or full schedule:

- |                               |         |
|-------------------------------|---------|
| Residents, per unit .....     | \$12 00 |
| Non-residents, per unit ..... | 24 00   |

III. Special fees for music:

- |                                   |         |
|-----------------------------------|---------|
| Twelve weeks of instruction ..... | \$25 00 |
| Six weeks of instruction .....    | 12 50   |

## Instrument rental fees:

Upright piano (1 hour a day for 12 weeks).....	\$ 2 00
Grand piano (1 hour a day for 12 weeks).....	3 00
Small practice organ (1 hour a day for 12 weeks).....	7 00
Large practice organ (1 hour a day for 12 weeks).....	10 00
Organ in recital hall for 1 hour a week.....	3 50

For partial schedules in undergraduate and professional work see below, item (a).

## FEES FOR PARTIAL SCHEDULES AND FOR GRADUATE FIELD WORK

After reconsidering its action of October 14 on fees for partial schedules and for graduate field work, the Committee recommends that the following schedule of fees be adopted:

- (a) For undergraduate and professional work in the colleges and schools at Urbana, provided registration is for not more than eight credit hours in one semester or a summer quarter, or for not more than four hours in half of a summer quarter:
  - Residents, per credit hour..... \$ 3 00
  - Non-residents, per credit hour..... 6 00
- (b) For graduate work at Urbana, provided registration is for not more than two units in one semester:
  - Residents, per unit..... \$12 00
  - Non-residents, per unit..... 24 00
- (c) For graduate field research work off the campus, by students registered exclusively for such work, other than that done in regular extramural courses:
  - Residents, per unit..... \$12 00
  - Non-residents, per unit..... 24 00

I recommend approval.

On motion of Dr. Meyer, this schedule of fees was approved as recommended.

#### CHANGE IN ACADEMIC CALENDAR IN COLLEGES OF MEDICINE, DENTISTRY, AND PHARMACY

(18) On recommendation of the faculties of the Colleges of Medicine, Dentistry, and Pharmacy the University Senate recommends that the academic calendar of these divisions be placed on a four-quarter basis to go into full effect in September, 1942, and that a Summer Session (1942) be offered for the two upper classes in the College of Medicine. Beginning with the fall term all remaining classes in the three colleges will enter on an uninterrupted schedule of studies until graduation.

I concur in these recommendations.

On motion of Mr. Adams, these recommendations were adopted.

#### REQUIREMENTS FOR ADMISSION TO THE COLLEGE OF PHARMACY

(19) On recommendation of the faculty of the College of Pharmacy the University Senate recommends the following changes in the requirements for admission to that division, effective September 1, 1942:

1. That the general requirements for admission to the University in effect for the undergraduate colleges at Urbana shall apply to applicants for admission to the College of Pharmacy.
2. That one unit of algebra, one unit of plane geometry, and three units of English be required of all applicants.
3. That an Admissions Committee of the College of Pharmacy be created similar to the Committees on Admissions now functioning for the Colleges of Medicine and Dentistry.
4. That because the number of applicants for admission to the College of Pharmacy is greater than the facilities will accommodate, only those students who rank in the upper 50 per cent of their high-school classes may be admitted.

I concur in these recommendations.

On motion of Mr. Karraker, these recommendations were adopted.

**FEE FOR CORRESPONDENCE COURSES IN EDUCATION**

(20) On recommendation of the officers concerned I have authorized a fee of \$5 each for two new correspondence courses:

1. Educational Planning—Local, State, and National—for the War and Postwar Period
2. The School Board Member: His Responsibilities and Opportunities.

While the Division of University Extension has authority to assess fees for correspondence courses on the basis of the semester hours of credit, these two courses do not carry credit and therefore a departure from our usual procedure is required.

On motion of Mr. Adams, the action of the President of the University in authorizing these fees was approved and confirmed.

**DEGREES CONFERRED IN FEBRUARY, 1942**

(21) The University Senate recommends the conferring of degrees on the following candidates who have completed the requirements therefor.

On motion of Mr. Jensen, these degrees were authorized.

**SUMMARY OF DEGREES, FEBRUARY, 1942**

Degrees in the Graduate School, conferred at Urbana:

Doctor of Philosophy.....	20
Master of Arts.....	31
Master of Science.....	46
Master of Education.....	1
<i>Total, Graduate School, Urbana.....</i>	<i>98</i>

Degrees in Law, conferred at Urbana:

Bachelor of Laws.....	8
Doctor of Law.....	1
<i>Total, Law.....</i>	<i>9</i>

Baccalaureate Degrees, conferred at Urbana:

Bachelor of Social Administration, College of Liberal Arts and Sciences.....	1

### *Degrees Conferred at Urbana*

#### GRADUATE SCHOOL

#### **Degree of Doctor of Philosophy**

##### *In Accountancy*

RALPH LESTER BOYD, B.Ed., Illinois State Normal University, 1930; M.S., 1932

##### *In Agronomy*

LOWELL EDWARD ALLISON, B.S., Purdue University, 1930; M.S., 1933

##### *In Chemistry*

ROBERT JOSEPH CORRUCINI, A.B., Reed College, 1938; A.M., Oregon State College, 1940

BERNARD FRED DUDENBOSTEL, JR., B.S., 1938

EDWARD CLARENCE DUNLOP, A.B., Westminster College, 1936; M.S., 1938

MORTON BATLAN EPSTEIN, B.S., New York University, 1937

CHESTER MORA HIMEL, B.S., University of Chicago, 1938; M.S., 1939

JESSE BERNARD PATBERG, A.B., Evansville College, 1938

ROBERT LAMAR PIGFORD, B.S., Mississippi State College, 1938; M.S., 1940

GERALD WILLIAM SEARS, B.S., 1938

CARL MAYN SMITH, B.S., University of California, 1936

LYNN BURRITT WAKEFIELD, A.B., Reed College, 1936; M.S., 1939

FRANK JAMES WOLF, A.B., Miami University, 1938

##### *In Classics*

CLARENCE BENJAMIN HALE, A.B., Wheaton College, 1928; A.M., 1929

##### *In Economics*

DUNBAR SIMMS McLAURIN, A.B., Southwestern College, 1937; A.M., University of Kansas, 1938

##### *In Engineering*

ALBERT EBY HERSHEY, B.S., Carnegie Institute of Technology, 1922; M.S., 1926

##### *In Entomology*

ARNI PALL ARNASON, B.S., M.S., University of Saskatchewan, 1929, 1931

##### *In German*

WILLARD EVANS SKIDMORE, A.B., A.M., 1935, 1938

##### *In Mathematics*

DONALD EUGENE KIBBEY, A.B., A.M., 1935, 1936

##### *In Zoology*

CHARLES LYNN HAYWARD, B.S., M.S., Brigham Young University, 1927, 1931

GRADUATE SCHOOL  
**Degree of Master of Science**  
*In Bacteriology*

MARVIN MUDD HIRSCH, B.S., Lewis Institute, 1940

**LEAVES OF ABSENCE—SUPPLEMENTARY**

(22) A recommendation that the following leaves of absence for military service be granted members of the staff. The leave in each case is without salary.

Upson S. Garrigus, Assistant in Animal Husbandry, from March 4 through August 31, 1942.

Bernt O. Larson, Instructor in General Engineering Drawing, from February 1 through August 31, 1942.

On motion of Mrs. Grigsby, these leaves were granted as recommended.

**PURCHASES RECOMMENDED—SUPPLEMENTARY**

(23) A recommendation that the following purchases be authorized:

1. One portable air compressor, gasoline engine driven, to replace a Schramm compressor purchased in 1935 and now beyond economical repair, from the Ingersoll-Rand Company, the lowest bidder, at a price of \$1,732.12 before allowing for salvage value of the old compressor. This equipment is for the Physical Plant Department and funds are available for the purchase.

2. 3,000 feet 12.75" diameter double thick insulation with 8 oz. canvas jacket, 32 oz. asbestos paper, and 16 gauge galvanized tie wires, from Paul J. Krez Company the lowest bidder, for Owens-Corning "Fiberglas" at their price of \$6,060.

On motion of Mr. Adams, these purchases were authorized.

**CHANGE IN HEADSHIP OF DEPARTMENT OF BOTANY**

(24) Professor John T. Buchholz, Head of the Department of Botany, has submitted his resignation as Head of the Department to take effect immediately. He has asked to be relieved of this administrative responsibility so that he may devote all of his time to teaching and research.

The Dean of the College of Liberal Arts and Sciences recommends:

1. That the resignation of Professor Buchholz as Head of the Department of Botany be accepted and that he be continued as Professor of Botany on indefinite tenure effective March 1, 1942, at an annual salary of \$6,000.

2. That Professor Neil E. Stevens be appointed Head of the Department of Botany on indefinite tenure effective March 1, 1942, at an annual salary of \$6,500.

After consulting with members of the department of professorial rank and with the Dean of the College, I concur in the above recommendations.

On motion of Mr. Jensen, these changes were approved as recommended.

#### **SABOTAGE PROTECTION**

(25) The Board, at its last meeting, made an appropriation to the Physical Plant Department for additional watchmen and other safeguards against sabotage to University plant facilities. The Director of the Physical Plant Department advises that this additional protection was placed in effect on February 2, 1942.

This report was received for record.

#### **TRIBUTE TO FRANCIS GRANT BLAIR**

Mr. Karraker presented the following:

The Board of Trustees of the University of Illinois has learned with deep regret of the death of Francis Grant Blair, a former member of this Board, who passed away on January 26, 1942, aged 78 years.

Mr. Blair was Superintendent of Public Instruction of the State of Illinois from 1907 to 1935, and during that time was by virtue of his office a member of this Board, a length of service surpassed by only two Trustees in the history of the University. He frequently attended the meetings of the Board and took part in its deliberations.

Superintendent Blair served on many state and national boards and commissions. He was President of the National Education Association in 1926, and of the National Council of State Superintendents and Commissioners of Education in 1925. Indeed few men had greater opportunities for broad service in the field of public education.

In recording this tribute to the memory of a former colleague, the Board directs its Secretary to send a copy of this resolution of appreciation to the family of Superintendent Blair as a token of the Board's deep sympathy with them in their bereavement.

On motion of Mr. Karraker, this resolution was adopted, by unanimous rising vote.

#### **WAGES OF EMPLOYEES IN PHYSICAL PLANT DEPARTMENT**

Mr. Adams reported that the Committee on Buildings and Grounds had met at the University on February 14 and had heard delegations from certain classes of employees in the Physical Plant Department, with representatives of their labor organizations, and that the Committee recommended that hourly rates be established in certain crafts as follows, subject to the usual adjustments in the case of persons employed on full-time basis:

	<i>Hourly Rate</i>
Heat, light, and power employees.....	\$ .85 to .99
Machinists .....	.97
Painters .....	1.25
Brickmasons and Plasterers.....	1.62½

On motion of Mr. Adams, these rates were established, effective February 1, 1942, and \$6,000 was appropriated to take care of the additional expense until the end of the present fiscal year, by the following vote: Aye, President Cleary, Mr. Adams, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Jensen, Mr. Karraker, Mr. Livingston; no, none; absent, Mr. Green, Dr. Meyer, Mr. Wieland.

**LAND FOR AIRPORT**

President Willard made a statement concerning the proposal to secure an appropriation of \$200,000 for the purchase of land, and other funds for the construction of an airport for educational training and research, and recommended that every effort be made to accomplish this result.

This matter was referred to the President of the University with power to act.

**COMMITTEE ON PATENTS—LESPEDEZA HULLER**

Mr. Davis, for the Committee on Patents, reported a recommendation of the faculty committee on patents that a preliminary search be made in the Patent Office, with a view to a patent application, if the prior act justifies that course, on a discovery of Mr. C. W. Veach of a machine called the lespedeza huller.

Professor E. W. Lehmann, Head of the Department of Agricultural Engineering, explained the uses of this machine.

On motion of Mr. Davis, this recommendation was adopted.

**DISCHARGE OF MISS AGNES McEACHERON**

Mr. H. E. Cunningham, Secretary of the University Civil Service Hearing Committee, presented the following report and recommendation of the Committee, with the statement that copies of the charges, transcript of hearing, and motion of the attorney for the defendant to quash the indictment, had been filed with him as Secretary of the Board of Trustees, and the matter was now before the Board for its consideration.

January 12, 1942

The undersigned Hearing Committee, appointed by the Board of Trustees at the December meeting, heard the evidence in the case of Agnes McEacheron at the Illini Union Building in Chicago on January 2, 1942, at 10 a.m. A copy of the transcript is appended hereto. The Committee finds that the evidence amply supports the charge with respect to the date of September 21, 1941, and therefore recommends that the employee be discharged.

Respectfully submitted,

RUSSELL N. SULLIVAN

W. C. ROBB

H. W. BAILEY

*University Hearing Committee*

On motion of Mr. Jensen, after consideration of the testimony and proceedings had before the committee, the findings and recommendation of the Committee were approved and adopted, and Mr. Lloyd Morey, Appointing Officer for the University Civil Service, was authorized and instructed to make the discharge of this employee effective as of September 22, 1941, the date of suspension from work.

**CONTRACT SIGNED BY PRESIDENT AND SECRETARY**

The Secretary presented for record the receipt of an agreement, signed by the President and the Secretary of the Board, dated January 20, 1942, with the University of Illinois Foundation, to reconvey properties held in trust for the University of Illinois on discharge of indebtedness.

**APPOINTMENTS MADE BY THE PRESIDENT**

The Secretary presented for record a list of appointments made by the President of the University.

ANDERSON, ELIZABETH, Assistant in Zoology, on one-half time, beginning February 5, 1942, and continuing through June 30, 1942, at a salary at the rate of sixty dollars (\$60) a month (this supersedes her previous appointment). (February 12, 1942)<sup>1</sup>

ARNETT, HENRY DILGARDT, Assistant in Physics, in the College of Engineering, on one-half time, for five months beginning February 1, 1942, at a salary at the rate of seventy dollars (\$70) a month (this supersedes his previous appointment). (February 7, 1942)

BAYLOR, EDWARD RANDALL, Assistant in Zoology, on one-half time, beginning February 5, 1942, and continuing through June 30, 1942, at a salary at the rate of sixty dollars (\$60) a month (this supersedes his previous appointment). (February 12, 1942)

BOCKOVEN, HAROLD D., Assistant and First Year Resident in Ophthalmology, in the College of Medicine, beginning January 1, 1942, and continuing through June 30, 1942, with a vacation allowance on the basis of two weeks a year, at a salary at the rate of fifty dollars (\$50) a month; for the convenience of the University he will also be provided with maintenance (including room, board, and laundry) (this supersedes his previous appointment). (February 6, 1942)

BRADLEY, EUGENE F., Assistant in Spanish, on one-fourth time, for five months beginning February 1, 1942, at a salary at the rate of thirty dollars (\$30) a month. (January 23, 1942)

#### RESIGNATIONS

The Secretary presented also for record the following list of resignations.

AUGSPURGER, GLEN E., Scholar in English—resignation effective February 1, 1942.

BORCHERT, JOHN ROBERT, Assistant in Geology—resignation effective February 1, 1942.

COX, EDNA ELIZABETH, Stenographer in the Office of the Dean of the College of Education—resignation effective February 1, 1942.

DACOSTA, GORDON A., Junior Accountant in the Accounting Division of the Business Office—resignation effective March 1, 1942.

DICKMAN, SHERMAN RUSSELL, Assistant in Soil Survey Analysis, in the Department of Agronomy, in the Agricultural Experiment Station—resignation effective February 16, 1942.

DIXON, DIAMOND, Key Punch Operator in the Accounting Division of the Business Office—resignation effective February 8, 1942.

FORT, DONALD, Assistant in Economics—resignation effective February 1, 1942.

FUNKHOUSER, MARJORIE ALICE, Clerk in the Department of Agronomy, in the Agricultural Experiment Station—resignation effective at the close of business February 7, 1942.

GARRET, MAXWELL ROBERT, Assistant in Physical Education for Men—resignation effective February 8, 1942.

HIMEL, CHESTER MORA, Assistant in Chemistry—resignation effective February 1, 1942.

HONE, HOWARD RUSSELL, Fellow in Anatomy—resignation effective February 1, 1942.

KETCHUM, Mrs. HELEN MILLER, Assistant in Orthopaedics, in the College of Medicine—resignation effective February 15, 1942.

KLINGNER, MARY ELIZABETH, Assistant in French—resignation effective February 1, 1942.

KLUZA, EDWARD J., Graduate Assistant in the Hospital Pharmacy, in the College of Pharmacy—resignation effective February 1, 1942.

KNEILING, JOHN GILBERT, Special Research Graduate Assistant in Civil Engineering, in the Engineering Experiment Station—resignation effective February 1, 1942.

KUHN, EDWIN DEWITT, Assistant in Physical Education for Men—resignation effective February 7, 1942.

LEE, WOODROW GRANT, Assistant in Agricultural Economics, in the Agricultural Experiment Station—resignation effective January 12, 1942.

LETOURNEAU, ROBERT LOUIS, Assistant in Chemistry—resignation effective February 1, 1942.

MAPES, GEORGE STERLING, Assistant in Mathematics—resignation effective February 1, 1942.

MCINTOSH, ROBERT J., Junior Accountant in the Auditing Division of the Business Office—resignation effective February 7, 1942.

MCMANUS, Mrs. ANNE S., Stenographer in the Department of Agricultural Economics, in the Agricultural Experiment Station—resignation effective February 1, 1942.

MITCHELL, CHARLES EDWARD, Associate in Vegetable Crops, in the Department of Horticulture, in the Agricultural Experiment Station—resignation effective at the close of business February 7, 1942.

MONCREIFF, BRUSE, Assistant in Philosophy—resignation effective February 1, 1942.

PLONSKY, ALLENBY, Fellow in Agricultural Economics—resignation effective February 1, 1942.

PULLEN, M. WILLIAM, JR., Assistant in Geology—resignation effective February 1, 1942.

RICHARDS, RUSSELL FAYETTE, Assistant in Crop Production, in the Department of Agronomy, in the College of Agriculture—resignation effective March 1, 1942.

ROBERTS, CARROLL NORTON, Assistant in Geology—resignation effective February 1, 1942.

SCHWARK, Mrs. ARLENE HIGHBARGER, Stenographer in the Department of Agricultural Economics, in the Agricultural Experiment Station—resignation effective March 1, 1942.

SHANKS, E. BAYLIS, Assistant in Mathematics—resignation effective February 1, 1942.

SIMS, PAUL KIBLER, Assistant in Geology—resignation effective February 1, 1942.

SMITH, Mrs. DOROTHY BELL, Stenographer for the High School Testing Service, in the Registrar's Office—resignation effective February 7, 1942.

SPARKS, MEREDITH MORGAN, Special Research Assistant in Chemistry—resignation effective February 1, 1942.

STEELE, ESTELLE, Stenographer in the Department of Agricultural Economics, in the Extension Service in Agriculture and Home Economics—resignation effective February 16, 1942.

TALLMADGE, FRANCIS KASPER, Research Graduate Assistant in Physics, in the Engineering Experiment Station—resignation effective February 1, 1942.

WHITTAKER, EDMUND, Associate Professor of Economics—resignation effective March 1, 1942.

WILLIAMS, CHARLES OWEN, Assistant in Zoology—resignation effective February 5, 1942.

WILLIAMS, ROBERT DOWNES, Associate in Mechanical Engineering, in the College of Engineering—resignation effective February 1, 1942.

WOOLSEY, JOHN LANGDON, Assistant in Chemistry—resignation effective February 1, 1942.

ZELDES, MARY, Assistant in Pediatrics—resignation effective February 1, 1942.

The Board adjourned, to meet on call of the President.

H. E. CUNNINGHAM
