

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

September 24, 1946
With Executive Committee Meeting of
September 20, 1946

The September meeting of the Board of Trustees of the University of Illinois was held on Tuesday, September 24, 1946, at the University Club, 76 East Monroe Street, Chicago, according to the following schedule:

Executive session, as in Committee of the Whole, 11 a.m.

Open session, 1 p.m.

The following members were present: President Livingston, Mr. Davis, Mr. Forno, Mrs. Grigsby, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson.

President Stoddard was present; also Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Mr. Lloyd Morey, Comptroller, Mr. I. L. Porter, Treasurer, Mr. W. E. Britton, Legal Counsel, Professor C. R. Griffith, Provost, Mr. J. F. Wright, Director of Public Information, and, during part of the day, Dr. A. C. Ivy, Vice-President in charge of the Chicago Departments, and Mr. Todd Wheeler, Architect.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of June 15 and 27 and July 30, 1946.

On motion of Mr. Williamson, the minutes were approved as printed on pages 1149 to 1402 and 1 to 36 above.

**REPORT OF EXECUTIVE COMMITTEE MEETING
OF SEPTEMBER 20, 1946**

The Secretary presented for record the minutes of a meeting of the Executive Committee.

A meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held at 2 p.m. on Friday, September 20, 1946, at the University Club, 76 East Monroe Street, Chicago.

Mr. Park Livingston, Chairman, General Chester R. Davis, and Dr. Karl A. Meyer, members of the Executive Committee, were present; also Mr. Lloyd Morey, Comptroller, and Mr. H. E. Cunningham, Secretary.

Matters Presented by Mr. Morey

The Executive Committee considered the following matters presented by the Comptroller.

**Use of Mayo General Hospital for Proposed
Undergraduate Branch at Galesburg**

(1) On July 30, 1946 (Minutes, page 17), the President of the University was authorized to explore the possibilities of securing from the government the Mayo General Hospital at Galesburg for use as an additional undergraduate branch of the University for a temporary period to aid in taking care of demands for admission to the University, especially by veterans, which exceed existing facilities.

The President reports that, in accordance with this instruction, he contacted the appropriate federal authorities and found that the Hospital had been assigned to the State of Illinois in response to its request for use by the Department of Public Welfare as a hospital. The President of the University and the President of the Board then conferred with Governor Green, who, after thorough consideration, released the Hospital to the University for a temporary period estimated at three to five years.

President Stoddard reports that he and other University officers have secured the necessary action by the federal agencies involved to turn over to the University on or about September 20, 1946, the land, buildings, equipment, and supplies constituting the Hospital, under conditions which University officers consider satisfactory.

Be it resolved, by the Executive Committee of the Board of Trustees of the University, that the actions of the President of the Board of Trustees and the President of the University in securing the allocation of the Mayo General Hospital at Galesburg to the University are hereby ratified and confirmed, and

Be it further resolved, that Park Livingston, President, and Lloyd Morey, Comptroller, of the Board of Trustees, be and are hereby authorized to execute any and all receipts, contracts, and other documents that may be required to complete the transfer to the University of the land, buildings, equipment, and supplies constituting the Mayo General Hospital at Galesburg.

The President of the University is further authorized, if the arrangements for the transfer of the Mayo General Hospital to the University are concluded, to approve and authorize the execution of contracts for reconstruction and remodeling, to authorize the purchase of equipment and supplies that may be necessary, and to authorize the appointment or employment of necessary personnel for instruction, administration, and operation of the Undergraduate Division at Galesburg, subject to the presentation of a complete budget to the Board of Trustees as soon as practicable.

The Comptroller is authorized to make payment on account of such contracts and other obligations, from existing funds of the University, with the understanding that a special additional emergency appropriation for this project will be requested of the General Assembly when it next convenes.

On motion of Dr. Meyer, these resolutions were adopted.

Engineering and Construction at Mayo General Hospital

(2) Proposals from the C-S Engineering Company, of Springfield, and from Ostrom and Maguire Construction Company, for engineering and construction,

respectively, necessary to adapt the Mayo General Hospital for University purposes. The Physical Plant Department requests authority to execute these contracts on the basis of proposals which it considers acceptable, at fixed fees in addition to the direct construction costs.

On motion of General Davis, the appropriate officers of the Board were authorized to execute these contracts.

The Executive Committee adjourned.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered the following matters presented by the President of the University.

GIFT OF ROBERT ALLERTON AND PURCHASE OF RUGS

(1) The University will soon receive from Mr. Robert Allerton his estate near Monticello, Illinois. This has been considered by the Board on a number of occasions, and the offer was formally accepted at the meeting on June 27, 1946. The estate consists of a large Georgian mansion which may be used for any purpose the University desires; a garden, forest, and prairie area of approximately 1,685 acres to be used for educational and research purposes, as a forest wildlife and plant reserve, as an example of landscape architectural gardening, and as a public park; approximately 4,500 acres of farm lands will endow the maintenance and operation of the estate.

For several weeks Mr. Allerton has been considering revisions in his proposed deed of gift, which will make it even more attractive than when his offer was accepted by the Board of Trustees. The original proposal provided that the income from the farms may be used only for the operation and maintenance of the park area. He is now providing that part of the income from the farms may be used for the operation and maintenance of the house, which is very important to the University. He is also making changes in the deed of gift which will eliminate the contingent interest of parties other than the University and the general public.

As a part of the acquisition of these splendid facilities for the promotion of educational, scientific, and general cultural interests, the University has been offered the opportunity of purchasing from the Chicago Art Institute an unusual collection of thirty-six oriental rugs. These rugs were originally purchased for the Allerton House but are now the property of the Art Institute. They are for the most part antique rugs of great value and have been offered to the University for the nominal sum of \$5,000, which is a small fraction of their original cost and of their present market value. They belong and are needed in the Allerton House, and if they were not acquired now, ultimately some other, and perhaps less suitable, floor coverings will have to be purchased at probably greater cost.

I recommend that the purchase of these rugs be authorized and that an appropriation of \$5,000 be made from the General Reserve Fund for this purpose. The University will receive during the current farm-year income from the endowment farms which will offset by several times the cost of these rugs.

Professor Britton outlined the terms of the draft of the deed as modified during conferences with Mr. Allerton and his attorney, all changes being favorable to the University, and stated that he expected to receive the final draft of the deed within the next few days.

On motion of Mr. Williamson, the terms outlined were approved.

On motion of Mrs. Grigsby, the purchase of rugs was approved, and the appropriation was made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken, Mr. Nickell.

AWARD OF CONTRACT FOR REMODELING OF NAVY PIER

(2) The Executive Committee of the Board of Trustees on August 22, 1946, authorized a contract with Michael J. McDermott and Company, Chicago, for the remodeling of that part of Navy Pier leased by the University for use as the "Division of Undergraduate Studies of the University of Illinois in Chicago."

Michael J. McDermott and Company are completely familiar with the Pier, having done much of the work of remodeling for the United States Navy. There was no opportunity nor time enough to secure competitive bids on this remodeling job if the Pier were to be ready for use on or about October 15. No other construction company could be chosen from among those who might be willing to accept the assignment, because the preparation of new drawings and specifications would consume a great deal of time, whereas Michael J. McDermott and Company could start the job immediately with their own previously prepared drawings.

In view of these considerations, the President of the University recommended and the Executive Committee approved a contract for the remodeling of Navy Pier with Michael J. McDermott and Company on the basis of cost plus fixed fee. The fee will be based on the estimated cost of the project as agreed upon by the contractor and the University. The University will pay the fixed fee plus the actual cost of the work which may ultimately be above or below the estimate.

On motion of Mr. Williamson, the Board concurred in the action of the Executive Committee.

CLINICAL FACULTY OF THE COLLEGE OF MEDICINE 1946-1947

(3) A recommendation that appointments be made (as printed in the Appendix, page 78) to the nonsalaried or clinical faculty of the College of Medicine for the academic year beginning September 1, 1946; and that the President of the University be authorized to make such additional appointments and other changes as are desirable and necessary.

On motion of Dr. Meyer, these appointments were made and authority was given as recommended.

APPOINTMENTS TO BOARDS OF EXAMINERS IN ACCOUNTANCY

(4) There are two vacancies on the Boards of Examiners in Accountancy to be filled. The term of Mr. Frank Ahlforth of the permanent Board has expired, and Mr. John W. Queenan of the Special Board has resigned. The faculty Committee on Accountancy recommends the following appointments:

WILLIAM F. G. ROSS, of the firm of Peat, Marwick, Mitchell, and Company, as a member of the permanent Board for three years from July 1, 1946, succeeding Mr. Frank Ahlforth.

ROY ANDREAE, resident-partner of the firm of Price, Waterhouse, and Company, to fill the unexpired period of Mr. John W. Queenan on the Special Board of Examiners.

The Director of the Department of Registration and Education has approved the appointment of Mr. Andrae.

I concur in these recommendations.

On motion of Mr. Fornof, these appointments were made as recommended.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(5) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under the Accountancy Act of 1943 and who have presented evidence to the Committee that they are properly qualified:

GEORGE LEONARD MAW (Tex.)
CLARENCE ELRICK PACKMAN (Ind.)
THOMAS JOSEPH SMITH (Mo.)
VANCE A. WADHAMS (Kans.)
CLIFFORD YEWDALL (N.Y.)

I concur.

On motion of Mr. Williamson, these certificates were awarded as recommended.

ADVISORY COMMITTEES, COLLEGE OF AGRICULTURE

(6) The Dean of the College of Agriculture and Director of the Agricultural Experiment Station recommends the following appointments to Advisory Committees of the College of Agriculture for the year 1946-1947. There is a committee for each department of the College and a general committee. The total number of appointments is forty-two, of whom seven are new (indicated by an asterisk), one is an honorary member, and the others are reappointments.

I concur.

On motion of Mrs. Grigsby, these appointments were made as recommended.

ENGLISH REQUIREMENT FOR FOREIGN STUDENTS

(7) The University Senate recommends adoption by the Board of Trustees of the following policy requiring proficiency in English of foreign students:

1. A foreign student shall attain the proficiency in English necessary for adequate work in his other academic courses. The judgment of this proficiency shall be under the jurisdiction of the Senate Committee on Student English in conjunction with the college in which the student is registered. Such proficiency may on recommendation of the Committee on Student English be accepted in lieu of Rhetoric I and 2.

2. No student shall be allowed to register for a full academic program in other fields before attaining such proficiency.

3. The University is under no obligation to give special training for foreign students inadequately trained in English. Yet it is good university policy to do so,

for it is most important that the foreign students gain an appreciation of the language, culture, and the social ideals of our country.

4. The Department of English shall, therefore, be instructed to set up such course, or courses, as seem necessary for adequate training of foreign students.

5. On a student's completion of such courses, appropriate elective credit shall be assigned him by whatever college has jurisdiction.

6. It is further recommended that the University authorities on admission study the possibility of checking in advance the proficiency in English of foreign applicants and of limiting admission to such students as are sufficiently trained to profit by study in America.

7. Any adequate intensive language program is costly. Therefore, it is further recommended that the University administration consider the assessment of special fees for courses in English for foreigners.

I concur in this recommendation.

On motion of Mr. McKelvey, these recommendations were approved.

ADDITIONAL APPOINTMENTS TO MAJOR POSITIONS IN THE DIVISION OF UNDERGRADUATE STUDIES IN CHICAGO

(8) Pursuant to the authorization of the Board of Trustees, the President of the University has made the following appointments to major positions in the Division of Undergraduate Studies in Chicago:

H. W. BAILEY, former Director of the Student Personnel Bureau and Associate Professor of Mathematics, to the position of Associate Dean of Liberal Arts and Sciences and Associate Professor of Mathematics, beginning August 1, 1946, and continuing through August 31, 1947, at an annual salary rate of \$7,500.

J. O. JONES, former Instructor in Physical Education for Men, to the position of Director of Physical Education and Associate Professor of Physical Education for Men, beginning September 1, 1946, and continuing through August 31, 1947, at an annual salary rate of \$4,400.

H. E. TEMMER, former Assistant Director of the Division of Special Services for War Veterans, assigned to the Registrar's Office, to the position of Examiner and Recorder, beginning July 22, 1946, and continuing through August 31, 1947, at an annual salary rate of \$4,500.

D. K. MAXFIELD, to the position of Librarian, beginning September 1, 1946, and continuing through August 31, 1947, at an annual salary rate of \$4,500.

On motion of Mr. McLaughlin, the action of the President of the University in making these appointments was approved and confirmed.

BUDGET FOR UNDERGRADUATE DIVISION AT CHICAGO (NAVY PIER) FOR THE FISCAL YEAR 1946-1947

(9) The internal budget for the new Undergraduate Division of the University at the Navy Pier in Chicago for the fiscal year beginning July 1, 1946, and covering appointments for the academic year 1946-1947, is submitted herewith (see Appendix, page 90). The budget has been compiled by Dean Caveny with the assistance of Business Manager Hazleton on estimates supplied by the various educational officers at the branch and the general University offices represented there. It is summarized as follows:

Recurring budget for regular operating expenses:

Salaries and wages.....	\$1 512 366
Expense and equipment.....	588 360

Total.....	\$2 100 726
------------	-------------

Nonrecurring expenditures for remodeling and equipment (this year only).....	1 453 452
--	-----------

Grand Total.....	\$3 554 178
------------------	-------------

Estimated resources for this budget are as follows:

Estimated income from student fees and compensation from U. S. Veterans Administration for veteran students.....	750 000
--	---------

Special additional emergency appropriation from tax funds to be requested of the next General Assembly.....	\$2 804 178
---	-------------

This budget is considerably greater than the preliminary estimate of \$2,000,000 submitted to the Budgetary Commission on June 26 and to the Board of Trustees on June 27 (pages 1168-1169). Reasons for this increase may be summarized as follows:

1. The preliminary budget was compiled on very incomplete information and before any detailed review of the program had been completed.
2. The amount of space required for the division is considerably greater than that originally contemplated, thus requiring a considerable increase in rent.
3. The cost of remodeling and equipping the area is much greater than originally expected, due to the fact that many facilities were removed by the Navy which it was earlier thought would be available to the University.
4. Detailed studies have indicated that the original estimates for academic, administrative, and physical plant services were much too low.

I recommend:

1. That this budget be approved.
2. That the President of the University be authorized to (a) make such changes or adjustments as are needed, (b) make such additional appointments as may become necessary, and (c) accept such resignations as are offered, as the needs of the division may indicate from time to time, all within the total of the budget as submitted.
3. That the Comptroller be authorized to pay out of funds presently appropriated by the General Assembly, expenditures against this budget in anticipation of the additional income and special appropriations above indicated.

The Comptroller commented on this budget.

On motion of Dr. Meyer, this budget was approved, and authority was granted to the President of the University and the Comptroller as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken, Mr. Nickell.

PETTY CASH FUND FOR GALESBURG BRANCH

(10) In connection with the proposed undergraduate division of the University at Galesburg, Illinois, a petty cash fund and local depository bank will be necessary. The University Statutes (Article 50-E) provide that the Board must approve each such fund of more than \$1,000 and designate the bank in which it is to be deposited.

It is difficult to anticipate the exact amount of fund that may be required, as the exact conditions of operation are yet subject to development. The Comptroller requests authority to establish a fund to such an amount as may be found necessary, not to exceed \$25,000, and requests an assignment from the General Reserve Fund for this purpose. He also recommends, on advice of Treasurer I. L. Porter, that the First Galesburg National Bank and Trust Company be designated as the depository for this fund.

Approval of these recommendations is requested.

On motion of Mr. Williamson, these recommendations were approved, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Grigsby, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken, Mr. Nickell.

ADMISSION TO THE UNDERGRADUATE DIVISIONS OF THE UNIVERSITY OF ILLINOIS

(11) The Provost of the University recommends the adoption of the following policy governing undergraduate divisions of the University of Illinois:

Priority of admission to the Undergraduate Divisions of the University of Illinois in Chicago and Galesburg will be given to former students of the University and to those who previously have been issued permits to enter in September, 1946, at Urbana. Other applicants who are nonresidents of Illinois will be admitted only if facilities are available after provision has been made for qualified residents of the State.

I concur in this recommendation.

On motion of Mr. Williamson, this policy was adopted as recommended.

HOSPITAL AND MEDICAL SERVICE FEE AND INSURANCE AT CHICAGO UNDERGRADUATE DIVISION

(12) In 1943 (Minutes, April 29, 1943, page 325), the Board of Trustees approved a recommendation for an assessment of a uniform hospital and medical service fee of \$5 a semester against all students in the Urbana departments. Exempted are certain groups of part-time and nonresident students, students who are also on the staff, and others who present evidence that they have insurance providing the same benefits as those provided by the University plan. On July 30, 1946 (Minutes, page 18), the Board approved an insurance contract for this service with the Liberty Mutual Insurance Company.

The Dean of Students has recommended that this fee and the service which it covers be extended to all students in the Undergraduate Division at Navy Pier in Chicago under the same conditions as those applying in the Urbana departments. The Dean of the Division and the Provost concur in this recommendation. The Liberty Mutual Insurance Company is willing to extend this policy for 1946-1947 to include this added division (as well as the Galesburg Division if established) at the same rates as previously quoted for Urbana. The Comptroller recommends that this offer be accepted.

I concur in these proposals and recommend that hospital and medical services and the uniform fee assessed for this purpose be extended to any undergraduate divisions of the University established at locations other than Urbana.

On motion of Dr. Meyer, these recommendations were adopted.

INSURANCE ON NOYES LABORATORY

(13) One policy of fire and extended insurance on the Noyes Laboratory requires renewal on October 1, 1946, covering the building for \$59,648 and contents for \$30,727. In addition there is other insurance on the building amounting to \$258,352 and on contents amounting to \$133,273. The policy is for five years on an 80 per cent co-insurance basis. The insurance is on a 75/25 per cent ratio between stock and mutual insurance companies, in accordance with the rules of the Board. Renewal of this insurance in a stock company is necessary to preserve this ratio.

All agencies quoted a uniform premium of \$1,092.02. The Purchasing Agent's office recommends that the insurance be placed with the Westchester Fire Insurance Company through the DeLong Insurance Company of Champaign, in order to maintain an equitable distribution among agencies and companies.

The Comptroller requests approval of this recommendation.

On motion of Mr. McLaughlin, this recommendation was adopted.

CONTRACT FOR COAL FOR TEMPORARY HOUSES

(14) The Purchasing Agent reports that he has secured bids on 1,750 tons of 3 x 2 lump coal required for the operation of temporary student houses for the current school year through June 30, 1947. Southern Illinois coal was specified as being needed for this purpose. The following quotations were received, all of which were subject to future price adjustments except those of the Acme Coal Company:

	<i>Delivered price per ton</i>	<i>Amount</i>
Acme Coal Company.....	\$7 55	\$13 212 50
Alpha Coal Company.....	7 25	12 687 50
LeBaugh Coal Company.....	7 00	12 250 00

The Purchasing Agent recommends, and the Director of the Physical Plant and the Comptroller concur, that the contract be placed with the lowest bidder, the LeBaugh Coal Company. Approval of this recommendation is requested.

After approval by the Board, the contract will be submitted to the Governor for approval in accordance with the requirements of the State constitution.

On motion of Mrs. Grigsby, this recommendation was approved.

**CONTRACT FOR INSTALLATION OF UNDERGROUND STEAM SERVICE
FOR PHYSICS RESEARCH LABORATORY (BETATRON BUILDING)**

(15) Bids were received on July 9, 1946, for the installation of underground steam service and return in woodlog for the Physics Research Laboratory (Betatron Building). Specifications were prepared by Sargent and Lundy, engineers for this work, who also reviewed the bids received, which were as follows: Robert Gordon, Inc., \$18,892; Carson-Payson Company, \$26,269.

The lower bid is a firm bid without an escalation clause.

The Director of the Physical Plant and the Comptroller recommend acceptance of the bid from Robert Gordon, Inc.

In order to expedite the work on this contract, the matter was submitted to the Executive Committee of the Board, which approved the award to the lower bidder as recommended.

On motion of Mr. Williamson, this award was approved.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(16) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes, these appropriations to be available until January 1, 1947:

Speech Clinic—Equipment for research and training for testing and demonstration of hearing aids.....	\$2 500
College of Commerce—Calculating machines for use in the statistics laboratory in the Economics Department.....	2 700
College of Veterinary Medicine—Remodeling of classroom (for instruction in gross anatomy until new Veterinary Building has been constructed).....	3 000
<i>Total</i>	\$8 200

I concur.

On motion of Mr. McKelvey, these appropriations were made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Grigsby, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Mr. Nickell.

**SPECIAL APPROPRIATIONS OF ATHLETIC ASSOCIATION
APPROVED BY PRESIDENT TO JUNE 30, 1946**

(17) In approving the Athletic Association budget for the previous year (Minutes, August 29, 1945, page 633), the Board of Trustees authorized the President to make changes and adjustments as recommended by the Association's Board of Directors within the total estimated income.

Following is a statement of the adjustments thus made to June 30, 1946, not previously reported:

Special Appropriations

Summer personnel work for veterans.....	\$ 400
<i>Additions to 1945-1946 Operating Budget</i>	
Summer recreational program for intramural and recreation.....	1 000
Increase in travel budget for track.....	1 200
<i>Total</i>	\$2 200

The following contracts were approved by the Executive Committee of the Athletic Association and emergency action was requested in order to complete the work prior to the opening of the football season. The Comptroller has approved these contracts:

1. Contract for the construction of a concrete driveway east of Memorial Stadium. Contract awarded to Mr. Lynne Meyer in the amount of \$13,123.75.
 2. Contract for the re-paving of the tennis courts east of Memorial Stadium. Contract awarded to the General Paving Company in the amount of \$29,224.
- Contracts were awarded in both cases to the lowest bidder.

On motion of Mr. Williamson, these adjustments and awards were confirmed.

RELEASES OF FUNDS FROM STATE-WIDE PUBLIC WORKS PROJECTS APPROPRIATION

(18) A report that Governor Dwight H. Green has authorized the release of funds from the appropriation made to the University of Illinois by the 64th General Assembly in the "Act making appropriations for a State-wide system of public works projects, including all ordinary and contingent expenses relating thereto," as follows:

Release No. 243

"For construction of Chemical Laboratories and equipment.....\$ 996 000"
Amount released..... 951 180
To be used as designated in the title for this item.

Release No. 244

"For construction of Chemical Engineering Building and equipment..\$ 580 000"
Amount released..... 553 900
To be used as designated in the title for this item.

Release No. 245

"For construction of students' residence halls and equipment.....\$1 500 000"
Amount cancelled..... 103 400

This is based on the action of the Board of Trustees of July 30 reviewing plans for providing emergency housing facilities and increasing the amount to be expended for temporary housing. The Governor has approved the cancellation of \$103,400 from Item 3 of Release No. 221, "For construction of permanent students' residence halls . . . \$356,275," leaving a balance of \$252,875 approved for expenditure in Item 3 of the above-mentioned release.

Release No. 246

"For construction of students' residence halls and equipment.....\$1 500 000"
Amount released..... 37 000

This is to be used to augment Item No. 1 in Release No. 221, "For remodeling West Hall of Stadium and the Ice Rink, and equipment, converting them into dormitories for men students . . . \$120,000," making a total of \$157,000 available for this project.

Release No. 247

"For construction of students' residence halls and equipment.....\$1 500 000"
Amount released..... 66 400

This is to be used to augment Item No. 2 in Release No. 221, "For installation and equipment of temporary housing to be secured from the Federal Public Housing Authority . . . \$459,600," making a total of \$526,000 available for this project.

I recommend that these funds be appropriated by the Board for the expenditures specified in the releases.

On motion of Dr. Meyer, these appropriations were made as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Grigsby, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Mr. Nickell.

RESOLUTION FOR SECURING EDUCATIONAL FACILITIES FOR VETERANS FROM THE FEDERAL GOVERNMENT

(19) Public Law 697, approved by Congress on August 8, 1946, amended Title V of the Lanham Act to provide for assistance to educational institutions in relieving acute shortages of educational facilities required for persons who are being educated under the provisions of the Servicemen's Readjustment Act of 1944. The law provides that the required assistance will be in the form of structures or facilities including lands, improvements, equipment, materials, or furnishings, and the disassembling, transporting, and re-erecting of buildings. These buildings and facilities must be under the jurisdiction or control of any federal agency and no longer required by such agency. Administration of this part of the Lanham Act has been placed under the Federal Works Administration.

The extent to which such assistance can be secured for the University is problematical. The length of time required to secure certain facilities would make it impracticable to attempt to secure them under the authority of this bill. The Federal Works Administration has encountered some difficulty in securing surplus equipment to distribute since veterans have a higher priority in obtaining possession of surplus equipment.

Even though the extent to which assistance can be obtained is so uncertain, the University has filed with the Federal Works Administration documents indicating their needs. If these are approved it will be necessary for the University to file a formal application for the desired facilities. As a part of this application, it is necessary that the Board of Trustees adopt the attached resolution.

I recommend that this resolution be adopted.

RESOLUTION FOR VETERANS' EDUCATIONAL FACILITIES PROGRAM

Authorizing the Filing of an Application with the United States of America for Provision of Veterans' Educational Facilities, and Designating and Authorising a Representative

Whereas, the University of Illinois (herein called the "Applicant"), acting by and through its governing body, upon the basis of available data, has found that there exists or impends an acute shortage of educational facilities required for persons engaged in the pursuit of courses of training or education under Title II of the Servicemen's Readjustment Act of 1944, as amended, and to relieve such shortage proposes to request the United States of America through the Bureau of Community Facilities, Federal Works Agency (herein called the "Government"), to provide educational facilities, pursuant to Public Law 697, 79th Congress (Section 504 of the Lanham Act, as amended), and in connection therewith, has examined and considered such law, the Regulations, the Information for Applicants, the form of application and the form of proposed agreement;

Now, therefore, be it resolved by the Board of Trustees of the Applicant (herein called the "Governing Body") that a justification of need and that an application or applications be filed, in such form as may be required by the Government, to provide such educational facilities as are required to alleviate such acute shortage, and that the Applicant will comply with the various requirements and conditions necessary to enable the Government to provide such facilities; and

Be it further resolved that Lloyd Morey, Comptroller, is hereby designated as the Applicant's Representative and is authorized in his capacity as such Representative to file with the Government a justification of need and an application or applications to negotiate, execute, and enter into an agreement or agreements with the Government in substantially the form of agreement considered by the Governing Body, to negotiate, execute and enter into such other agreements and instruments and to perform and do any and all acts as may be necessary to provide a suitable site and site preparation, streets or roadways, sidewalks, landscaping, utility mains, technical or engineering data, architectural or engineering services, necessary rights of entry and rights of way for Government operations, to accept on behalf of the Applicant ownership and possession of such facilities, to assure the Government that such facilities will be utilized by the Applicant to carry out the purposes of such law, and to do or perform any and all other acts that are necessary to accomplish the purposes of the Applicant's application, to perform the Applicant's obligations under its agreement with the Government, and to obtain the provision of such facilities.

On motion of Mrs. Grigsby, this resolution was unanimously adopted.

FINAL SETTLEMENT OF THE LYDIA E. BATES BEQUEST

(20) As previously reported to the Board (Minutes, April 28, 1941, page 271), the late Lydia E. Parker Bates bequeathed to the University the bulk of her estate to establish a fund to be known as "The Lydia E. Parker Bates Fund for the Advancement of Fine Arts." The trust estate which she established pro-

vided that the trustees should convert into cash all assets, and after all taxes, insurance, repairs, and other expenses and certain minor legacies had been paid, the bulk should be transferred to the Board of Trustees of the University of Illinois. The trustees have completed this liquidation and have submitted their final report.

The total receipts of the University from this trust amount to \$178,277.86. The sum of \$164,156.77 of this amount comes from the liquidation of the principal, and \$14,121.09 from the realization of income by the trust during this liquidation.

Since funds have been transmitted to the University of Illinois at various times during the life of the trust, the University has been able to invest, and since 1941, has realized endowment income of \$18,459.19. During this same period, scholarships have been paid in the total amount of \$6,845.00, leaving on hand a total of \$11,614.19. Of this balance \$10,000 is temporarily invested.

This report was received for record.

PURCHASES AUTHORIZED

(21) The following purchases were recommended by the Purchasing Agent and authorized by the Comptroller. Unless otherwise specified the purchases were made on the basis of lowest bids, ceiling prices, or because the items are non-competitive. CHANGE IN NAME OF COMMERCE BUILDING TO DAVID KINLEY HALL

(24) At the meeting of the Board on March 9, 1946 (Minutes, pages 1034-1035), the Board authorized the naming of the Commerce Building "Kinley Hall" as a memorial to the late Dr. David Kinley, former President of the University.

It is now recommended that this name be changed to "David Kinley Hall." A number of buildings in Champaign-Urbana have been constructed through the benevolences of the late Senator William B. McKinley and have been named for him, viz., the University Y.W.C.A. in Champaign which is also known as McKinley Hall, the McKinley Y.M.C.A. in Champaign, the McKinley Memorial Presbyterian Church in Champaign, and the McKinley Foundation. This has resulted in a confusion in names between these various buildings, and adding Kinley Hall might increase difficulties. However, "David Kinley Hall" would be quite distinctive.

On motion of Dr. Meyer, this change in name was authorized as recommended.

STATEMENT ON THE RESPONSIBILITY OF THE UNIVERSITY FOR THE HOUSING OF RACIAL MINORITIES

(25) The Board of Trustees of the University of Illinois has already expressed its general policy on the question of equal and fair treatment for all citizens of this country irrespective of race, creed, or color. In carrying out this policy the University fully appreciates the fact that it has certain responsibilities for action. In addition to the many specific actions it can take and does take as the need may arise, there are four large programs which would substantially modify the circumstances which now give rise to race tensions on and near the campus and to actions which might appear to be discriminatory.

1. It has been, and will continue to be, the obligation of the University to provide facilities for higher education for all qualified young people who may choose these facilities rather than the facilities of other colleges and universities.

2. The University will provide as many educational facilities on the Urbana campus as possible, especially in the professional fields of higher education which could not be offered elsewhere without duplication of buildings, equipment, specialized staff, and services at unnecessary expense to the taxpayer.

3. The University will expect to expand the use of its present facilities and of any new facilities it may secure by the addition of University owned and operated housing to which its own standards of health and of social and moral conduct can be applied.

4. The officers of the University will continue a policy of long standing which will favor and strengthen those attitudes and social philosophies which are necessary to create a community atmosphere in which race prejudice can not thrive.

On motion of Dr. Meyer, this statement of policy was approved.

PETITION FOR BUS SERVICE TO NAVY PIER

(26) A petition for bus service to Navy Pier.

On motion of Dr. Meyer, this petition was approved.

AGREEMENT WITH STATE DEPARTMENT OF REGISTRATION AND EDUCATION FOR CONSTRUCTION OF WATER SURVEY BUILDING

(27) The appropriations made by the 64th General Assembly of Illinois for the biennium of 1945-1947 for a "State-wide system of public works projects" include appropriations to the Department of Registration and Education for additions to the Natural Resources Building at the University of Illinois (which houses the State Natural History and State Geological Surveys), to the Geological Survey

Laboratory for applied research, and for the construction of a new office building and laboratory for the State Water Survey. By State law these three scientific surveys are administered by the State Department of Registration and Education and a Board of Natural Resources and Conservation, but are housed in University of Illinois buildings. In 1939-1940 a new Natural Resources Building was constructed at the University by the State of Illinois for which an appropriation, separate from University appropriations, was made, supplemented by a Federal grant. The construction work was directed by the State Department of Public Works and Buildings (which has charge of all State construction projects except those of the University of Illinois). Once constructed, that building became the property of the University, and the maintenance and servicing are the University's responsibility. Therefore, an agreement was entered into by the Board of Trustees of the University of Illinois and the Department of Registration and Education which, in addition to other conditions protecting the interests of both parties, provided that the plans, specifications, and contracts were subject to approval by the University.

A similar agreement has been prepared in relation to the construction of the State Water Survey building. The agreement has been approved by the Director of the Department of Registration and Education and is now submitted to the Board of Trustees. In the meantime, the Physical Plant Department has been working with the architects employed by the State to provide the architectural services for this building. A final understanding as to details covering the general work, drawings, and specifications subject to minor changes has been reached. The Physical Plant Department recommends approval of drawings for the general work and elevator installations; recommendations regarding plumbing, heating, ventilating, and electrical drawings and specifications will be submitted later.

I recommend that the Board of Trustees authorize its officers to execute an agreement with the State Department of Registration and Education relating to the construction of the State Water Survey building subject to the approval of that agreement by the Physical Plant Department and the Legal Counsel.

I further recommend approval of the drawings and specifications for the general work.

On motion of Dr. Meyer, these recommendations were approved and authority was granted as recommended.

HOUSING NEEDS FOR CHICAGO DEPARTMENTS

(28) Dr. A. C. Ivy, Vice-President in charge of the Chicago Colleges, has requested consideration of plans for meeting the urgent housing needs of the Chicago departments.

Dr. Ivy, being introduced, presented this matter and Mr. Todd Wheeler discussed possible locations.

The President of the University was requested to study the over-all needs of all departments of the University, and to present his recommendations to the Board.

President Livingston appointed as special committee to work with President Stoddard on this matter: Dr. Meyer, Chairman, Mr. Fornof, and Dr. Luken.

EXECUTIVE SESSION

The Board in executive session considered the following matters presented by the President of the University.

Date of the Lease

When signed, the lease is to be dated August 1, 1946. The lease will be ready for signature as soon as the Navy releases the space. 'This document has

been drafted and submitted to Captain Ransford of Great Lakes, and orally agreed to.

Term

Until June 30, 1947, with the privilege to the University to renew for successive biennial periods until June 30, 1951, and for successive annual periods until June 30, 1954.

Space

The North Transit Shed, west of Frame 108; the frame building known as the New Mess Hall; office spaces in the head houses; loft space in south passenger building; boiler room at east end of South Transit Shed; the boiler shop; refrigeration and cold storage rooms at east end of North Transit Shed; passageway along east end of Pier roadway; the Recreation Section; the Escort House underneath the approach ramp, and parking space northeast of North Head House.

	<i>Sq. ft.</i>
Original space selected.....	253,615
Additional space.....	<u>99,735</u>
<i>Total space on the Pier.....</i>	<i>353,350</i>
Plus parking space.....	<u>20,000</u>
<i>Total space leased.....</i>	<i>373,350</i>

Rental

The original agreement was 35¢ per square foot for the 253,615 square feet on the Pier, making a rental of \$88,765.25, plus 20,000 square feet for parking at \$5,000.00, making a total of \$93,765.25.

When the University acquired the 99,735 square feet of additional space, at the suggestion of the City it was agreed to state the rent, not in terms of a price per square foot, but as an annual rental. At 35¢ per square foot, 353,350 square feet would have been \$123,662.50. This sum, plus the rental for parking space of \$5,000.00 would be \$128,662.50.

The present agreed annual rental is \$117,000.00 per year. For the period ending June 30, 1947, the rental is \$115,000.00.

Additional Payments

Electricity: Current rates plus an additional charge of 5% on demand meter readings, and 3.5% on net energy readings, to cover pro rata share of line and transformer losses.

Gas: Current rates. (The University may contract direct with the Commonwealth Edison Company and the Peoples Gas Light and Coke Company.)

Water: Current rates.

Heat: Office spaces—\$100.00 per month. The University is to heat the City shop space.

Insurance

The University is to pay \$1,120.00 per year (30¢ per lineal foot) in lieu of insurance against loss to the City from fire, tornado, or other casualty on the Pier.

The University may carry its own Workmens' Compensation Insurance.

The University is required to take out Public Liability insurance for the protection of the City—\$100,000.00 for property damage, \$250,000.00 for personal injuries and death in any one accident, and \$50,000.00 for bodily injury.

Insurance companies are to be approved by the joint action of the Comp-trollers of the City and of the University.

Termination

The University may terminate on six (6) months' notice. After four years, the City may terminate on any June 30, on six (6) months' prior notice.

Navy Property

The City agrees to leave on the Pier for use by the University, any property left there by the Navy, the University to be deemed a lessee thereof from the City, and to pay as rent therefor over a period of four (4) years, the amount that the Navy charges for such property.

Restoration

The University agrees to restore the Pier to the condition it was in when the Navy took possession. The University agrees to deposit in escrow with the First National Bank of Chicago \$100,000.00 on the signing of the lease and an additional \$100,000.00 on or before August 1, 1947, to guarantee restoration.

On motion of Dr. Meyer, the terms of this lease were unanimously approved.

PURCHASE OF ILLINOIS TERMINAL RIGHT-OF-WAY

(30) For a number of years the Illinois Terminal Railway Company has had a spur track extending through the business and residential part of Urbana to the University service area on North Mathews and North Goodwin Avenues, Urbana. Formerly the right-of-way extended to a section between Wright Street and Sixth Street in Champaign. When that was abandoned a few years ago, the University acquired the portion within its campus.

The owners of this right-of-way have asked whether the University wishes to acquire the right-of-way. The Physical Plant Department and representatives of the University Planning Committee agree on the desirability of owning this right-of-way which lies between two parts of University property. The property is needed for the service area of this locality. The recommendation is concurred in by the Purchasing Agent and the Comptroller. If the University does not acquire this property, undoubtedly it will promptly fall into other hands, which would be a distinct disadvantage to us.

I recommend that the officers of the University be authorized to negotiate for the purchase of this property and that an appropriation of \$2,500, or as much thereof as may be found to be required, be made for this purchase.

On motion of Mr. Williamson, this purchase was authorized and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mrs. Grigsby, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Dr. Meyer, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Mr. Nickell.

SALE OF ROSELAWN CEMETERY LOTS

The Secretary presented for record the following report of sale of lots in Roselawn Cemetery since the last report of such sales:

To Henry E. and Henry Carroll Schmalhausen, NW¼ Lot 115 Section G, at \$105 (November 23, 1945).

SECRETARY'S REPORTS

The Secretary presented also the following lists for record, as printed in the Appendix:

1. Appointments made by the President of the University (page 58).
2. Resignations, declinations, and cancellations (page 76).
3. School teachers and administrators cooperating with the College of Education for the first eight weeks of the Summer Semester of 1946 (page 89).
4. Graduate scholars and fellows (page 90).
5. Degrees conferred at Urbana, August 17, 1946 (page 107).

The Board adjourned, to meet in Chicago on October 21 and 22.

APPENDIX

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. Part-time appointments are shown by fractions after the name of the department. C = College; S = Station; E = Extension.)

- ABEL, W. T., Assistant, Chemistry ($\frac{1}{2}$), ten months beginning September 1, 1946, \$800 (8-23-46).
- ABRAMSON, D. I., Clinical Assistant Professor, Medicine (Medicine), July 15, 1946-August 31, 1947, without salary (8-28-46).
- ADAMS, R. M., Assistant, Chemistry ($\frac{1}{2}$), ten months beginning September 1, 1946, \$800 (8-28-46).
- ADAMS, W. W., Assistant, Speech ($\frac{3}{4}$), ten months beginning September 1, 1946, \$1350 (8-30-46).
- AIKEN, H. H., Special Research Assistant, Mechanical Engineering (S), September 1, 1946, until further notice, \$208.33 a month (7-26-46).
- ALBRIGHT, MRS. MARRI N., Cataloger, Library ($\frac{3}{4}$), one year beginning September 1, 1946, \$1440 (9-9-46).
- ALBRIGHT, W. G., Assistant, Electrical Engineering (C) ($\frac{1}{2}$), nine months beginning September 1, 1946, \$900 (9-13-46).
- ALEXANDER, M. H., Associate, Dairy Husbandry (S), one year beginning September 1, 1946, \$3200, supersedes (8-6-46).
- ALEXANDER, WYVONA, Chemistry ($\frac{1}{2}$), Summer Semester, 1946, June 22-August 17, 1946, \$200 (6-29-46).
- ALLEN, J. H. D., JR., Assistant Professor, Spanish and Portuguese, one year beginning September 1, 1946, \$3000, supersedes (8-16-46).
- ALLEN, R. M., Teacher, University High School, ten months beginning September 1, 1946, \$2800 (7-31-46).
- ALTENBERN, ROBERT, Assistant, Bacteriology ($\frac{1}{2}$), ten months beginning September 1, 1946, \$800 (9-13-46).
- ANDERSON, MRS. FRANCES, Instructor, Spanish ($\frac{1}{2}$), ten months beginning September 1, 1946, \$1200 (8-29-46).
- ANDERSON, MRS. JEANETTE S., Assistant, English, September 1, 1946-January 31, 1947, \$900 (9-13-46).
- ANDERSON, MARGARET, Assistant, Spanish ($\frac{3}{4}$), ten months beginning September 1, 1946, \$1350, supersedes (9-13-46).
- ANDREW, F. W., Assistant, Agricultural Engineering (C), one year beginning September 1, 1946, \$3200 (9-13-46).
- ANGELL, CLARENCE, Instructor, Speech, ten months beginning September 1, 1946, \$2400, supersedes (8-23-46).
- ANNIS, R. W., Special Research Assistant, Electrical Engineering (S) ($\frac{1}{2}$), September 1, 1946, until further notice, \$166.66 a month (9-9-46).
- ARVAN, P. G., Special Research Assistant, Chemistry ($\frac{1}{2}$), ten months beginning September 1, 1946, \$1000 (9-13-46).
- AXEL, PETER, Assistant, Physics (C) ($\frac{1}{4}$), ten months beginning September 1, 1946, \$500, supersedes (8-2-46).
- BAIETTI, A. L., Assistant, Physics (C) ($\frac{1}{2}$), ten months beginning September 1, 1946, \$1000 (8-23-46).
- BAILEY, H. R., Assistant, Electrical Engineering (C) ($\frac{1}{2}$), nine months beginning September 1, 1946, \$900 (9-18-46).
- BAILEY, H. W., Associate Professor, Mathematics, indefinite tenure, Associate Dean for Liberal Arts and Sciences, the Division of Undergraduate Studies in Chicago, August 1, 1946-August 31, 1947, \$7500 a year, supersedes (8-10-46).
- BAINBRIDGE, F. W., II, Assistant, Education ($\frac{1}{3}$), ten months beginning September 1, 1946, \$650 (8-14-46).
- BALDWIN, S. JOAN, Assistant, Chemistry ($\frac{1}{2}$), ten months beginning September 1, 1946, \$800 (8-3-46).
- BANTZ, ELIZABETH R., Cataloger, rank of Instructor, Library, one year beginning September 1, 1946, \$2400 (8-13-46).
- BARTLETT, R. W., Professor, Agricultural Economics (C), Chief, Agricultural Economics (S), ($\frac{5}{6}$), one year beginning September 1, 1946, \$4167, supersedes (8-13-46).

- BAUMAN, P. A., Instructor, Electrical Engineering (C), ten months beginning September 1, 1946, \$2700 (9-19-46).
- BAUMANN, E. R., Assistant, Civil Engineering (C) ($\frac{1}{2}$), ten months beginning September 1, 1946, \$1200 (8-2-46).
- BECK, MAXIMILIAN, Visiting Professor, Philosophy ($\frac{1}{2}$), one year beginning September 1, 1946, \$2500 (8-6-46).
- BERDAHL, MRS. EVELYN T., English, Summer Semester, 1946, June 22-September 14, 1946, \$550, supersedes (7-30-46).
- BERG, I. A., Assistant Professor, Psychology, one year beginning September 1, 1946, \$3300, supersedes (8-3-46).
- BERG, VIRGINIA A., Journalism Library Assistant ($\frac{3}{4}$), one year beginning September 1, 1946, \$1350 (8-20-46).

BUDGET FOR THE CHICAGO UNDERGRADUATE DIVISION 1946-1947

Explanatory Notes

Appropriations for salaries are available for the term indicated in each case but not for more than one year from September 1, 1946.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance lapses at that time.

Funds appropriated for positions in the salary budget which are not yet filled may, pending regular appointments, be drawn against by voucher to the Business Office for services of employees temporarily engaged to do the work contemplated by the position. Such temporary charges *may not exceed the amount of time provided* by the position unless indicated herein or otherwise approved by the President.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered.

Departmental appropriations are made under the captions "Salaries," "Wages," and "Expense and Equipment." No transfers may be made between "Salaries" and other captions except with the approval of the President of the University. *Requests for such changes should be submitted to the Comptroller.* Adjustments may be made between "Wages" and "Expense and Equipment" upon written request to the Comptroller.

Appropriations for Expense and Equipment, Wages, and Nonrecurring Items are available for one year beginning July 1, 1946, and ending June 30, 1947. All unexpended balances in Wages appropriations lapse June 30, 1947, and *unencumbered* balances in Expense and Equipment appropriations lapse on that date. Allowable encumbrances for which funds will be carried forward on June 30, 1947, are only those for the purchase of equipment and other capital items.

All new positions classified as permanent and continuous should be included in the salary budget and must not be charged to any wages appropriation except in those departments submitting supplemental budgets detailing such wage appropriations.

Unless otherwise indicated in the Budget:

1. The service required under appointments in this budget to positions on the teaching faculty covers the academic year of the University, not including the Summer Semester. Salaries of such positions of the rank of Assistant Professor and above are paid in eleven equal monthly installments; salaries of other ranks, in ten equal monthly installments.

2. The service required in administrative, clerical, and service positions is for a full year of twelve months, with allowance for vacations, and salaries are paid in twelve equal monthly installments. All such positions in the academic budget are indicated by the letter "Y" following the tenure symbol.

Symbols:

- A — Indefinite tenure.
 D — One year from September 1, 1946.
 F — Ten months from October 1, 1946.
 G — Special tenure.
 H — July 1, 1946, to June 30, 1947.
 J — Eleven months from October 1, 1946.
- Y — Indicates that services are required throughout the year, except for allowable vacation, without additional compensation.

Part-time:

When any of the above symbols is combined with a number, the number indicates the fraction of time in per cent covered by the position.
