MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

August 5, 1947

The August meeting of the Board of Trustees of the University of Illinois was held at the Blackstone Hotel, in Chicago, on Tuesday, August 5, 1947, according to the following schedule:

4 p.m. — Executive session as in Committee of the Whole.

8:30 p.m. — Open session.

The following members were present: President Livingston, General Davis, Mr. Fornof, Mrs. Holt, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson.

President Stoddard was present; also Dr. A. C. Ivy, Vice-President in Charge of the Chicago Professional Colleges, Professor C. R. Griffith, Provost, Mr. A. J. Janata, Assistant to the President, Mr. H. E. Cunningham, Secretary, Mr. Lloyd Morey, Comptroller, Professor W. E. Britton, Legal Counsel, and, during part of the day, Mr. J. F. Wright, Director of Public Information.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of June 23, 1947.

On motion of Mr. Nickell, the minutes were approved as printed on pages 387 to 484 above.

ACTIONS OF EXECUTIVE COMMITTEE

The Secretary reported for record that the Executive Committee had taken action approving the following recommendations of the President of the University.

1. *Award of contract for reroofing cattle feeding plant barn and feeding shed.* Bids have been received on reroofing the cattle feeding plant barn and feeding shed, one of the projects on the University's remodeling and rehabilitation schedule:

The Raymond Development Company, Inc., bid $7,612.50 for reroofing with wood shingles, with an alternate of $100 for installation of new metal valleys. They also bid $7,500 for reroofing with asphalt shingles.

The Industrial Roofing Company bid $14,497 for reroofing with asphalt shingles.

The Director of the Physical Plant Department and the Comptroller recommend the award of the contract to the lowest bidder, the Raymond Development Company, Inc., at a total cost of $7,712.50. The President concurs.

2. *Addition to contract for construction of piping in steam distribution tunnels to Temporary Cafeteria Building and new Fine Arts Building.* The Physical Plant Department has recommended an increase of $16,291 in the contract with W. A. Pope Company for construction of piping in the steam distribution tunnels to the Temporary Cafeteria Building which is being set up west and north of the College of Fine and Applied Arts Building. Of this amount $3,291 is to be charged to the Illini Union Building operation budget and $13,000 to the State appropriation for 1945-1947 for the Fine Arts Building which will be available until September 30, 1947. A part of this cost is a proper charge against this State appropriation because the tunnel is being constructed large enough to accommodate the new Fine Arts Building when the latter is built. The original contract was for the main distribution tunnels and was approved by the Board on January 25, 1947. The addition to the contract now proposed is for the branch line to the buildings. This work can be completed by September 1, and funds are available.

3. *Award of a contract, in the amount of $14,020, to the Connery Construction Company, Philadelphia, Pennsylvania, the lowest bidder, for flues, ducts, coal valves, and spreaders for the Addition to the Power Plant.*

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board discussed in executive session several matters included in the agenda, and took action on the following matters presented by the President of the University.

APPOINTMENT OF DR. FRANCIS CORNELL AS PROFESSOR AND DIRECTOR OF THE BUREAU OF RESEARCH AND SERVICE

(1) I recommend the appointment of Dr. Francis Cornell, formerly a member of the staff of the United States Office of Education and more recently Education Expert for the United States Senate Committee on Labor and Public Welfare, as Professor of Education and Director of the Bureau of Research and Service in the College of Education, on indefinite tenure, beginning September 1, 1947, at an annual salary of $10,500. This Bureau is the reorganization of the former Bureau of Educational Research.

On motion of Mr. Nickell, the President of the University was authorized to conclude negotiations and make this appointment.

APPOINTMENT OF DR. ALLAN G. BRODIE AS DEAN OF THE COLLEGE OF DENTISTRY

(2) The Vice-President in charge of the Chicago Professional Colleges recommends the appointment of Dr. Allan G. Brodie as Dean of the College of Dentistry and as Professor and Head of the Department of Orthodontia, on part time, at an annual salary of $10,000 beginning September 1, 1947. The appointment as Professor and Head of the Department of Orthodontia is on indefinite tenure. The appointment as Dean is for two years from September 1, 1947, conforming to the statutory provision relating to the tenure of deans.

Doctor Brodie has been serving as Acting Dean of the College of Dentistry since September 1, 1944. A special committee of the faculty, appointed by the Vice-President to study the qualifications of candidates who might be considered for the deanship of the College of Dentistry, has unanimously recommended the appointment of Doctor Brodie. I concur in this recommendation.

On motion of Mr. McLaughlin, this appointment was made as recommended.

MAJOR APPOINTMENTS AUTHORIZED

(3) I request authority to appoint heads of the departments of Geography, Food Technology, and Dairy Husbandry. Negotiations are now under way with desirable candidates.

On motion of Mr. Fornof, the President of the University was authorized to make these appointments.

BOARD MEMBERS NOT TO SERVE ON COLLEGE COMMITTEES

After discussion of matters connected with the appointment of college and departmental advisory committees, the Board, on motion of General Davis, voted that the appointment of members of the Board to serve on such committees was not consistent with the best public policy.

DISCHARGE OF OTIS TAYLOR

Mr. McLaughlin presented the following report.

The Committee on Civil Service and Employees, having reviewed the Charges against Otis Taylor, an employee of the University of Illinois, preferred against him by the Appointing Officer of the University, the Answer thereto, the evidence and exhibits introduced at the Hearing on the Charges before the Hearing Committee duly appointed by the Board of Trustees, the Report of the Hearing Committee, the Objections thereto by the Respondent and the Reply thereto by the Appointing Officer, and the entire Record in the case, (1) concurs in the Findings of fact, conclusions of law and Recommendations of the Hearing Committee, and (2) recommends to the Board of Trustees the adoption of the following resolution:

Be it resolved that Otis Taylor be and he is hereby discharged from his employment by the University of Illinois as of the date of his suspension therefrom and that the Appointing and other Officers of the University are hereby directed to take such steps as may be necessary to carry this Resolution into effect.

WALTER W. MCLAUGHLIN, *Chairman*
FRANK H. MCKELVEY
JOHN R. FORNOF

On motion of Mr. McLaughlin, this resolution was adopted.

DISCHARGE OF R. C. ELLIOTT

Mr. McLaughlin, as Chairman of the Committee on Civil Service and Employees, reported to the Board that on June 27, 1947, Ronald C. Elliott, a janitor employed by the University, was suspended for a period of thirty days on a charge of converting to his own use certain property owned by third parties then lawfully on the premises of the University of Illinois; that on the same date there was filed with the Secretary of the Board by Donald E. Dickason, Director of Nonacademic Personnel and the Appointing Officer of Ronald C. Elliott, an application for the discharge of Ronald C. Elliott; that an investigation showed that Mr. Elliott was guilty of the charges and confessed thereto; that Ronald C. Elliott did not demand a hearing on said application for discharge; that the time for filing such demand has expired.

Mr. McLaughlin further reported that his Committee has studied

the documents in the file and they find thereon that the charges have been established, and accordingly, recommend that the Board of Trustees ratify the extended suspension from July 28, 1947, and that Mr. Ronald C. Elliott be discharged from the service of the University of Illinois as of the date of his original suspension.

On motion of Mr. McLaughlin, these recommendations were approved and adopted.

RIGHT OF WAY ON NAVY PIER

The Legal Counsel presented the following resolution and recommended its adoption.

Whereas, there is included in the lease of space on the Navy Pier from the City of Chicago to the Board of Trustees of the University of Illinois, the area designated as Bay No. 115, which area is now occupied by the University as a boiler room, and

Whereas, the City of Chicago desires to lease to the Detroit and Cleveland Navigation Company for dock and berthing space on the south side of Navy Pier opposite Bay No. 115 with use of passage and gangway through said Bay No. 115 from dock to the center line of the pier, and

Whereas, permission of the University is necessary to make possible the execution of this lease from the City of Chicago to the Detroit and Cleveland Navigation Company, and

Whereas, the use of such passageway from the south side of the Navy Pier opposite Bay No. 115 by the Navigation Company, its employees, agents, and patrons may increase the risk of accidental injury and death to persons and the risk of damage and loss of property;

Therefore be it resolved by the Board of Trustees of the University of Illinois that its duly authorized officers are hereby authorized to consent to the use of this passageway through Bay No. 115 in accordance with the terms of the lease between the City of Chicago as Lessor and the Detroit and Cleveland Navigation Company, on the condition that the Detroit and Cleveland Navigation Company shall execute releases satisfactory to the University from liability on the part of the University of Illinois, its officers, staff, agents, and students and shall furnish evidence of such indemnification satisfactory to the Comptroller of the University against such liabilities and risks as such officers deem it expedient in the interest of the University should be covered.

On motion of Mr. Williamson, this resolution was adopted.

OPEN SESSION

MEMORIAL TO JAMES W. ARMSTRONG

Mr. McKelvey presented the following:

The Board of Trustees of the University of Illinois records with profound sorrow the death on May 30, 1947, of Mr. James W. Armstrong, a former member of this Board.

Mr. Armstrong was an alumnus of the University of Illinois, Class of 1893. Throughout his lifetime he was devoted to his Alma Mater. To him Illinois Loyalty meant service to the University.

He served as a member of the Board of Trustees of the University of Illinois two full terms from 1923 to 1935. There were many other services he performed throughout his lifetime which are not of public record but which were significant contributions to the welfare of his University.

Be it resolved by the Board of Trustees of the University of Illinois that this memorial be published in its records and a copy be sent by the Secretary to Mr. Armstrong's family, with an expression of the Board's sympathy in the great loss they have suffered.

On motion of Mr. McKelvey, this resolution was unanimously adopted.

MATTERS PRESENTED BY PRESIDENT STODDARD

The Board considered in open session the following matters presented by the President of the University.

INTERNAL OPERATING BUDGET FOR 1947-1948

(1) I present the University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1947, and for academic and administrative appointments beginning September 1, 1947. This budget has been prepared by the Provost and the Comptroller in accordance with policies approved by the President and in conference with deans, directors, and other administrative officers.

I recommend that:

(1) This budget, covering the allocation of the University's operating income from all sources for the year beginning July 1, 1947, be approved (see Appendix, page 522).

(2) The President of the University be authorized to (a) make such changes and adjustments as are needed, (b) make such additional appointments as are necessary, subject to the provisions of the University Statutes, and (c) accept resignations as are offered, all in accordance with the needs of the University and the equitable interests involved, and within the total income. All such changes will be covered in the Comptroller's quarterly reports.

Professor Griffith, Dr. Ivy, and Mr. Morey commented on the extensions of programs and other matters covered by this budget.

On motion of Mr. Fornof, the budget was authorized as recommended, and authority was given to the President as requested, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken, Dr. Meyer.

APPROPRIATIONS FOR EQUIPMENT — 1947-1948

(2) The biennial budget for 1947-1949 includes provisions for equipment and other nonrecurring items for the purpose of "catching up" on replacements and additions which were impossible during the war period. Many departments submitted items of that kind with their regular internal budget requests for 1947-1948. In some instances these equipment items in the regular budget requests were reduced with the intention of providing nonrecurring appropriations.

All such requests have been reviewed in detail by the Provost and the Comptroller in conjunction with the review of the regular internal budget. They submit the following summary of recommendations for nonrecurring appropriations in the total amount of $100,465.

Library (Urbana)	$10 000
Journalism	5 000
University Press	2 500
College of Education:	
General	20 000
High School	7 860
Military Bands	6 500
Social Welfare Administration	905
Student Personnel Bureau (Urbana)	1 500
Bureau of Institutional Research	1 300
University Examiner	850
Radio Station	1 750
Chicago Professional Colleges:	
Animal Hospital	8 000
Ophthalmology	5 600
Chicago Undergraduate Division	9 800
Galesburg Undergraduate Division:	
Natural Sciences	6 500
Engineering Sciences	6 750
Physical Education	5 000
Veterans' Benefits	650
Total	$100 465

I concur.

The Comptroller commented on this item.

On motion of Mr. Williamson, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken, Dr. Meyer.

BUDGET FOR DIVISION OF SERVICES FOR CRIPPLED CHILDREN, 1947-1948

(3) The budget of the Division of Services for Crippled Children for the fiscal year beginning July 1, 1947, has been prepared by the Director of the Division, Dr. Herbert R. Kobes, and is endorsed by Vice-President A. C. Ivy. It is summarized as follows:

	Salaries and Wages	*Expense and Equipment*	*Total*
State appropriations	$126 671	$554 540	$681 211
United States funds	163 132	56 612	219 744
Total	$289 803	$611 152	$900 955

I recommend that:

1. This budget, covering the allocation of the Division's income from State appropriations and Federal grants for the fiscal year beginning July 1, 1947, be approved.

2. The President of the University be authorized to (a) make such changes and adjustments as are necessary, (b) make such additional appointments as are necessary, and (c) accept resignations as offered in accordance with needs of the Division within its total income.

On motion of Mr. Nickell, this budget was approved as recommended, and authority was given to the President of the University as requested, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken, Dr. Meyer.

BUDGET OF ATHLETIC ASSOCIATION

(4) The Director of Intercollegiate Athletics submits on behalf of the Board of Directors of the Athletic Association the proposed budget of the Association for 1947-1948, which is summarized as follows with comparative figures for the preceding year:

	1946-1947		
	Original Estimate	*Revised Estimate*	*1947-1948 Proposed*
Income	$366 850	$549 100	$529 800
Expenditures:			
Budget appropriations	362 580	380 030	528 301
Special appropriations	.....	132 910	.....
Total	(362 580)	(512 940)	(528 301)
Excess of income over expenditures	$ 4 270	$ 36 160	$ 1 499

On July 1, 1946, the Association had a net operating surplus of $169,185, a reserve of $50,955 for maintenance and replacement of plant, and a reserve of $45,621 for equipment replacement. It is estimated that on June 30, 1947, the operating surplus will be $205,345, the reserve for plant maintenance and replacement will be $50,955, and the reserve for equipment replacement will be $39,951.

The budget has been examined by the Comptroller, and all salaries have been reviewed by the President; those salaries paid jointly by the Athletic Association and the School of Physical Education are concurred in by the Director of the School of Physical Education.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments as are necessary, including new appointments and acceptances of resignations as are recommended by the Board of Directors of the Athletic Association within the total estimated income.

On motion of Mr. Davis, this budget was approved as recommended, and authority was given to the President as requested.

APPOINTMENT OF DR. CHAUNCEY McKINLEY LOUTTIT AS PROFESSOR OF PSYCHOLOGY AND DEAN OF THE GALESBURG UNDERGRADUATE DIVISION

(5) In announcing the retirement of Dean Frederick R. Hamilton I wish to express appreciation of his faithful performance of the many arduous tasks associated with this unique undertaking. The Undergraduate Division at Galesburg has met every test; it is a branch of the University of which we may well be proud.

I recommend the appointment of Chauncey McKinley Louttit, recently Dean of the Faculty at Sampson College, one of the Associated Colleges of Upper New York, as Professor of Psychology on indefinite tenure and Dean of the Galesburg Undergraduate Division for two years beginning September 1, 1947, at an annual salary of $9,000.

On motion of Mr. Williamson, this appointment was made as recommended.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(6) The Committee on Special Appropriations and Nonrecurring Expenditures recommends assignments from the General Reserve Fund for the following purposes:

Remodeling Rooms 105 and 309 Gregory Hall for College of Education..	$ 7 850
Remodeling and equipping 606 South Mathews Avenue, Urbana, for use by the School of Music	5 000
Remodeling in Chicago Professional Colleges	28 675
Automobile for Chicago Nonacademic Personnel Office	1 500
Remodeling in Natural History Building	12 000
Improved lighting in Architecture Building	15 000
Temporary Research Laboratory for College of Veterinary Medicine...	80 000
Remodeling of Armory for Naval Science facilities	15 000
Temporary veterans' recreation building	40 000
Installation of decompression chamber	15 500
Remodeling in Smith Music Hall	8 700
Supplementary funds for addition to Agronomy Greenhouse	58 420
Total	$287 645

I recommend that these appropriations be made.

On motion of Mrs. Holt, these appropriations were made as recommended, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken, Dr. Meyer.

PURCHASE OF PROPERTIES AS SITE FOR WATER SURVEY BUILDING

(7) On June 23, 1947, the Board authorized the purchase of properties fronting on the south side of Springfield Avenue between Wright and Sixth streets, Champaign, at an estimated cost of $75,000, as a site for the Water Survey Building. The purchase of two properties at 603 and 607 East Springfield Avenue will provide an area of land 105 feet by 132 feet, which is sufficient for the first unit of the Water Survey Building.

The following purchases and other expenditures incidental to the acquisition of this land and for the extension of utilities to the site are recommended:

607 East Springfield Avenue, Champaign	$30 000
603 East Springfield Avenue, Champaign	18 000
Reimbursement to tenant at 603 East Springfield Avenue to secure possession by September	260
Extension of utilities service to the site	11 740
Total	$60 000

The comparatively higher price of the property at 607 East Springfield Avenue is based on its present rental income of $400 a month and was the lowest price the owner would consider.

Since the Board had authorized this land acquisition program, options were secured on these properties which expired August 1, and required the payment of $1,000 on signing of the contracts, the balance to be paid on September 1 when possession of properties is given. The Executive Committee of the Board authorized the acceptance of these options, the execution of contracts for purchases, and the payment of $1,000 on each contract.

I recommend that these actions be confirmed and that an appropriation of $60,000 from the General Reserve Fund be made for this property acquisition program, including the extension of utilities to the site.

On motion of Mr. Nickell, these actions were confirmed and the appropriation was made, by the following vote: Aye, Mr. Davis, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Green, Dr. Luken, Dr. Meyer.

PROGRESSIVE ADMISSIONS PLAN

(8) Reports from the Registrar and from the Deans and Directors of the undergraduate colleges and schools indicate that the Progressive Admissions Plan authorized by the Board of Trustees on April 24, 1947 (Minutes, page 349), to govern the admission of new students to all undergraduate divisions for the first semester, 1947-1948, is working well.

It was the understanding that the plan would be studied on the basis of experience during the summer and modified if it appeared necessary to do so in order to carry out effectively the University's policy to admit, within the limits of its resources and capacities, all qualified students desiring to enroll. As of July 16, the beginning of the third period of admission, it appeared that it would be possible to admit to certain curricula a number of students who are now barred because of their previous scholastic records. It seemed logical that any relaxation should favor residents of Illinois, who desire to transfer to the University and who are required to have a scholastic average of 3.5 (between B and C) in previous college work. It will be recalled that beginning on July 16, Illinois high school graduates are admitted regardless of rank in class, but there is no such relaxation for transfer students who are residents of the State.

Consequently, as an administrative action I have authorized the Registrar of the University to admit to the University, beginning with the third period on July 16, transfer students, residents of Illinois, whose scholastic standing in previous college work meets the minimum standards of the University of Illinois curricula in which they desire to enroll. This authorization, of course, can be effective only to the extent that the capacities in the various divisions will permit the admission of students whose applications are pending, and who can be admitted under a general ruling applicable to all such cases.

This report was received for record.

REPORT ON THE TRAINING OF TEACHERS IN VOCATIONAL AGRICULTURE

(9) In accordance with the action of the Board of Trustees on the training of teachers in vocational agriculture (Minutes, June 23, 1947, page 388) I sent a letter summarizing the University's position to Governor Dwight H. Green, Superintendent Vernon L. Nickell, the members of the Teachers College Board,

the members of the State Board for Vocational Education, and the presidents of state normal universities and teachers colleges.

Under date of July 15, 1947, the Provost was instructed to represent and be spokesman for the University of Illinois at a special meeting of the Board for Vocational Education called by the Honorable Frank G. Thompson, Director of the Department of Registration and Education, and Chairman of the State Board for Vocational Education. One of the purposes of the special meeting was to hear one representative from the University of Illinois, as briefly as possible, at 1:30 p.m. on July 23 in Room 112 Capitol Building, Springfield, Illinois. The Provost did represent and speak for the University of Illinois at this meeting. He was accompanied by Dean H. P. Rusk of the College of Agriculture, Dean W. B. Spalding of the College of Education, Associate Dean R. R. Hudelson of the College of Agriculture, and Professor H. M. Hamlin of the College of Education. During the same session the State Board for Vocational Education heard Mr. Charles B. Shuman, President of the Illinois Agricultural Association. Mr. Shuman joined the University of Illinois in protesting against the proposed action of the State Board for Vocational Education in recognizing Illinois State Normal University as qualified to offer a four-year program in the training of teachers of vocational agriculture.

Should the State Board for Vocational Education reaffirm its previous action, the effect will be to continue the standards which prevailed during the five-year period from 1942 to 1947 and to make it possible for Illinois State Normal University to qualify for the training of teachers of vocational agriculture at or near the minimum set forth by the standards.

On motion of Mr. Fornof, and after discussion, this matter was referred to the President of the University and the Committee on Agriculture for study and recommendation to the Board.

APPOINTMENT OF PROFESSOR HENNING LARSEN AS DEAN OF THE COLLEGE OF LIBERAL ARTS AND SCIENCES

(10) On June 30, I presented to the Executive Committee of the Board of Trustees a recommendation for the appointment of Professor Henning Larsen, now Head of the Department of English, as Dean of the College of Liberal Arts and Sciences for two years from September 1, 1947, at an annual salary of $12,000.

Professor Larsen has been a member of the University of Illinois faculty since September 1, 1939. He became Acting Head of the Department of English in April, 1945, and permanent Head on September 1, 1946. He will continue to serve as Head of the Department of English for the time being.

The Committee approved this appointment, and its action is hereby reported for record.

This report was received for record.

INSTITUTE OF GOVERNMENT AND PUBLIC AFFAIRS

(11) The increasing complexity of social life, resulting in greater demands on government at all levels for more expert services to the public, and the leadership of the United States in world affairs imposes on all branches of government greater and more difficult responsibilities than ever before in history. The University of Illinois through its professional colleges and schools provides training which is a valuable background to a student who later elects to enter public service, but the University has no organized program directed specifically to train students for public careers. Information and guidance has been provided for a number of years to students through an Advisory Council on University Training for the Public Service and through a bulletin on University Training for the Public Service, but this is a limited service and is inadequate for present needs.

The State of Illinois officially recognized the need for adequately trained personnel in government service by the adoption of House Joint Resolution No. 17, 65th General Assembly, creating a commission to study the appropriateness of establishing at the University of Illinois a "Curriculum in Government." The report of this commission, submitted May 28, 1947, recommends that the University proceed as rapidly as possible to develop a broad program of teaching, research, and extension in government and public affairs. It is therefore proposed

that there be established an Institute of Government and Public Affairs along the following lines, and I so recommend.

A. FUNCTIONS

1. *Teaching*

(a) General instruction in government for all students, at the junior college level.

(b) Specialized professional training, at the senior college level, for students desiring to prepare for government service.

(c) Graduate training, both research and professional, for especially qualified students who desire to prepare themselves for higher administrative and research positions in various types of public service.

2. *Research*

To investigate specific, practical problems that arise at all levels of government — local, state, federal, international — and to make the results of such studies freely available to all governmental agencies and public officials who may need such information.

3. *Extension*

(a) To provide general instruction in government for those whose circumstances make it impossible for them to study on the campus.

(b) To provide technical, on-the-job training for those engaged in government service with a view toward improving their professional competence.

(c) To make available to all agencies of government technical information and counsel to assist them in the solution of problems with which they are confronted.

B. ORGANIZATION

The Institute shall be an autonomous body under a Director responsible to the President, as provided in the statement of Policy adopted by the Board of Trustees on December 11, 1945 (Minutes, page 950). It shall have broad powers in respect to staff, educational program and budget, and shall not be subject to veto by departments, schools, or colleges.

There shall be an Advisory Committee, appointed by the President after consultation with the Director, composed of faculty members who are active participants in the program. Funds for the support of the Institute shall be budgeted separately and the Director shall be responsible for the budget.

The Institute shall be responsible for the development of an adequate educational and research program and for the administration of that program. While every effort should be made to utilize as fully as possible existing courses and personnel, and to bring about the maximum degree of interdepartmental cooperation, the Institute should not be dependent on departmental resources or be limited in its operations by departmental interests.

I further recommend that Professor H. M. Gray of the Department of Economics and Associate Dean of the Graduate School be appointed Director of the Institute of Government and Public Affairs. His combined position and salary will be Professor of Economics on indefinite tenure, Associate Dean of the Graduate School, and Director of the Institute of Government and Public Affairs for two years from September 1, 1947, at a total annual salary of $10,000.

On motion of Mr. Williamson, these recommendations were approved and adopted.

APPOINTMENT OF HEAD OF DEPARTMENT OF ANIMAL SCIENCE

(12) The Dean of the College of Agriculture recommends that the name of the Department of Animal Husbandry be changed to the Department of Animal Science and that Dr. Leslie E. Card, Professor of Poultry Husbandry in the College and Chief of Poultry Husbandry in the Agricultural Experiment Station, be appointed head of the department on indefinite tenure beginning September 1, 1947, at an annual salary of $8,500. Dr. William E. Carroll, former head of the department, has been appointed Associate Director of the Agricultural Experiment Station.

I concur in these recommendations.

On motion of Mr. McLaughlin, these recommendations were approved and adopted.

APPOINTMENT OF DIRECTOR OF DIVISION OF SPECIAL SERVICES FOR WAR VETERANS

(13) Professor H. W. Hannah, Director of the Division of Special Services for War Veterans, has asked that he be relieved of this service and be permitted to return to his former position of Associate Professor of Agricultural Economics on a full-time basis effective September 1, 1947. I recommend approval.

I also recommend the appointment of Dr. Robert G. Bone, Associate Professor of History, to the combined position of Director of the Division of General Studies in the College of Liberal Arts and Sciences and Director of the Division of Special Services for War Veterans for two years, effective September 1, 1947, at an annual salary of $7,500. Doctor Bone has been serving as Director of the Division of General Studies on one-half time since September 1, 1946.

On motion of Mr. McKelvey, these recommendations were approved and adopted.

APPOINTMENT OF DR. WILLIAM F. HUGHES, JR., AS PROFESSOR AND HEAD OF THE DEPARTMENT OF OPHTHALMOLOGY

(14) I request confirmation of the appointment of Dr. William F. Hughes, Jr., as Professor and Head of the Department of Ophthalmology, on indefinite tenure, beginning July 1, 1947, at a salary of $10,000 a year.

On motion of Mr. Nickell, this appointment was confirmed as recommended.

SABBATICAL LEAVE OF ABSENCE FOR PROFESSOR JOHN T. BUCHHOLZ

(15) On April 18, 1946 (Minutes, page 1075), the Board of Trustees approved a sabbatical leave of absence for Professor John T. Buchholz of the Department of Botany for the first semester of 1947-1948 on full pay. Professor Buchholz has requested that in lieu of this he be given a leave of absence for the full academic year 1947-1948 on one-half pay.

I recommend approval.

On motion of Mr. Williamson, this recommendation was adopted.

DIRECTOR OF ADMISSIONS AND RECORDS

(16) The University of Illinois Statutes provide for the appointment of a Registrar and specify in general his functions. This officer is more than a Registrar, since much of his work has to do with the admission of students and the administration of entrance requirements. I therefore recommend that the title of the Registrar's Office and of the Registrar be changed to "Office of Admissions and Records" and "Director of Admissions and Records." This will require the following changes in the Statutes:

21. (a) The *Director of Admissions and Records* shall be appointed by the Board of Trustees on the recommendation of the President.

(b) He shall conduct general correspondence with prospective students, pass upon the credentials of students entering the colleges and schools, supervise their entrance examinations, and have charge of their matriculation, registration, and their academic records.

(c) The *Director of Admissions and Records* shall assess all term fees, tuition, and other fees of students imposed by their attendance on the University and shall report the same to the Comptroller for collection. He shall keep detailed records of all such fees assessed and shall submit these original records for audit at the time the accounts of the Comptroller and the Treasurer are audited.

On motion of Mr. Nickell, this recommendation was adopted and the Statutes were amended as recommended.

AWARD OF CERTIFICATES OF CERTIFIED PUBLIC ACCOUNTANT

(17) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded the following who have made applications therefor under Section 5 of the Accountancy Act of 1943 and who have submitted satis-

factory evidence that they hold valid and unrevoked C.P.A. certificates issued by other states on the basis of their having passed the regular written examinations:

EDGAR GEORGE FJELDE (Iowa)
ORVILLE EDWARD HELMICH (Mo.)
JEROME J. KERN (N.Y.)
ERNEST EMANUEL LETT (Ohio)
GEORGE WILLIAM MOORE (Tenn.)
WIRT L. PETERS (Okla.)
EDWIN ENGELBERT STEINBRECHER (Ohio)
ANN ELIZABETH TAYLOR (Mo.)
AUGUST JOHN WIETZKE (Wis.)

I concur.

On motion of Mr. Williamson, these certificates were awarded as recommended.

AMENDMENT OF ATHLETIC ASSOCIATION BY-LAWS

(18) The Board of Directors of the Athletic Association has voted that Article VI, Section 6, of the By-Laws of the Athletic Association be amended as follows:

Section 6. Working Fund. The Business Manager may be allotted a working fund of not more than $10,000, the amount of which shall be determined by the Board of Directors. Its purpose shall be the payment of petty and emergency items for which it shall be reimbursed from time to time by regular voucher and check for the Association.

With the increased operations of the Athletic Association it has been found that the working fund is inadequate to take care of needs in a satisfactory manner. For this reason, an increase in the fund is needed. The Comptroller recommends approval of the change and I concur. The By-Laws of the Association provide that amendments shall be submitted to the Board of Trustees for consideration before taking effect.

On motion of Mr. McKelvey, these amendments were authorized.

SPECIAL APPROPRIATIONS AND AWARD OF CONTRACTS FOR THE ATHLETIC ASSOCIATION

(19) The Board of Directors of the University of Illinois Athletic Association requests approval of special appropriations from the unappropriated surplus of the Athletic Association for the following purposes:

1. For remodeling office space to be used by the Director of Publicity and the Director of Athletics, $1,025.

2. For the purchase of 150 dozen ribbed No. 798 Cannon towels from the Pleetox Products Company, St. Louis, Mo., $1,057. These towels are to be name woven and the manufacturer has guaranteed delivery not later than August 15, 1947, which is well in advance of the opening of the football season.

3. A donation of $500 to the Military Bands for the purchase of special football music and the repair of instruments for use during the football season.

The Comptroller recommends approval and I concur.

On motion of Mr. Nickell, these appropriations were approved as recommended.

ADJUSTMENTS IN ATHLETIC ASSOCIATION BUDGET TO JUNE 30, 1947

(20) In approving the Athletic Association budget for the current year (Minutes, June 27, 1946, page 1172), the Board of Trustees authorized the President to make changes and adjustments as recommended by the Association Board of Directors within the total estimated income.

Following is a statement of the adjustments thus made to June 30, 1947, not previously reported:

Special Appropriations

For lightning rods at Stadium	$1 500 00
For postage metering and sealing machine	573 95
For band music	500 00
Total	$2 573 95

Additions to 1946-1947 Operating Budget

For additional coach for spring football.....$ 150 00

On motion of Mr. McKelvey, the action of the President of the University in authorizing these changes was approved and confirmed.

REMODELING PHYSICS LIBRARY

(21) On February 24, 1945, the Board of Trustees authorized the remodeling of the Physics Library, but no appropriation was made. The work could not be undertaken at that time until priorities on materials and equipment were secured, and these did not materialize. The project is one of long standing and has been recommended by the Committee on Special Appropriations and Nonrecurring Expenditures.

The following bids have been received for the general construction work: E. N. DeAtley, $6,600; C. H. Siems, $8,690.

Following is a recommended budget for this project giving the estimates of the total cost:

Movable equipment	$ 2 300
General construction work	6 600
Fluorescent lighting fixtures	350
Rubber tile floor for new area	600
Rubber tile floor replacing present linoleum	1 200
Moving costs	150
Architectural engineering expense	600
Contingencies	1 200
Total	$13 000

The Director of the Physical Plant Department and the Comptroller recommend award of the contract for the construction work to E. N. DeAtley in the amount of $6,600, and an appropriation in the amount of $13,000 for the improvements outlined above.

I concur and recommend approval.

On motion of Mr. Williamson, these recommendations were adopted, and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer.

REMODELING AND FURNISHING OF UNIVERSITY CENTER IN CHICAGO

(22) On April 24, 1947, the Board authorized a lease with the LaSalle Hotel, Chicago, for space to be used as a University Center and to house offices of various University activities in Chicago. This approval was with the understanding that later a request for a nonrecurring appropriation for furnishings and other expense would be submitted.

Estimates have been made of the costs necessary for this work as follows:

General Work	$15 000
Electrical Work	2 000
Public Area Furnishings	2 000
Total	$19 000

These estimates are preliminary and not based on bids. It is expected that the management of the hotel will assume a part of this expense although the exact amount has not yet been determined.

I recommend an appropriation of $15,000 at this time and request that the President of the University be authorized to supplement this appropriation by such an amount, not in excess of $4,000, as may be necessary to meet the University's share of this expense.

This matter was referred to the Executive Committee with power to act when complete estimates are received.

APPROPRIATION FOR BOOKLET ON ROBERT ALLERTON PARK

(23) An illustrated brochure on Robert Allerton Park was published and distributed to guests at the garden party at the Park on May 16, one of the events of the Installation of the President. The cost of this printing was charged against the appropriation for the installation.

The supply of this brochure is nearly exhausted. The type is still standing and another edition of 5,000 copies can be printed for $1,000. This brochure is needed for public distribution, particularly when Robert Allerton Park is opened to the public. I recommend that the University assume the cost as a general public service and that an appropriation of $1,000 be made from the General Reserve Fund.

On motion of Mr. Williamson, these recommendations were adopted, and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer.

WORKING CASH FUND AT CHICAGO UNDERGRADUATE DIVISION

(24) Operations at the Chicago Undergraduate Division at the Navy Pier have become of such a nature that a separate working cash fund appears essential. During the past year such operations have been handled through the $15,000 working cash fund at the Chicago Professional Colleges. This fund is inadequate to take care of the combined operations, and it is inconvenient to handle the transactions through a single fund for both places.

The Business Manager of the Chicago Divisions requests a working cash fund of $5,000 for the Undergraduate Division to be established under the rules for working cash funds in the University Statutes. The Comptroller endorses this and recommends that the First National Bank of Chicago be approved as the depository for this fund. It will be drawn against by the Assistant to the Business Manager at the Chicago Undergraduate Division. The present fund now designated for "Chicago Departments" and also deposited in the First National Bank of Chicago will henceforth be designated as "University of Illinois Medical Center Working Cash Fund."

I concur in and recommend approval of these rccommendations and the transfer of the sum involved from the General Reserve Fund.

On motion of Mr. Fornof, these recommendations were approved, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer.

INCREASE IN WORKING CASH FUND FOR GALESBURG UNDERGRADUATE DIVISION

(25) On September 24, 1946, the Board approved a working cash fund of $25,000 for the Galesburg Undergraduate Division. Experience has proved that this sum is insufficient to take care of the needs of that division, including service to veterans in cashing their government warrants. The Comptroller requests authority to increase this fund to $35,000. I recommend approval of this request.

On motion of Mr. McKelvey, these recommendations were approved, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer.

REPORT ON UNIVERSITY OF ILLINOIS LEGISLATION

(26) As a matter of official information and record, I report the passage by the 65th General Assembly, and the approval by the Governor, of the following legislation which affects the University of Illinois:

Appropriation Bills

SENATE BILL 17. An Act appropriating $9,903,146 ($5,933,996 from State tax revenues and $3,969,150 from University income) for the biennium of 1945-1947.

This was an emergency bill passed early in the session to make a supplementary appropriation to the University for the current biennium and was reported to the Board on February 27.

SENATE BILL 130. An Act establishing an institution for tuberculosis research for the production, distribution, and application of the bacillus Calmette-Guerin (BCG) and other methods and materials for the prevention of tuberculosis and for conducting research in tuberculosis. The Act appropriates $32,000 for the biennium of 1947-1949 to the State Department of Public Health for operation and maintenance expenses. The Act directs the University to acquire land for the use of the Institution in the City of Chicago, erect a building, equip, maintain, and operate it. Senate Bill 662 appropriates to the State Department of Finance $21,250 for the purchase of land for the Institution and $340,000 to the State Department of Public Health for the construction of the building.

Because of the distribution of responsibilities and of the funds for this enterprise, negotiation and agreement with the various departments concerned will be necessary to carry out the objectives of the legislation. The State Auditor of Public Accounts has already credited the appropriation of $32,000 for operation to the University.

SENATE BILL 360. An Act appropriating $60,083,818 ($43,083,818 from State tax revenues and $17,000,000 from University income) to the University of Illinois for the biennium of 1947-1949. This is the biennial operating appropriation for the following purposes:

	General Revenue	*University Income*	*Total*
Personal services	$34 945 620	$8 500 000	$43 445 620
Office expense	400 000	.....	400 000
Travel	350 000	.....	350 000
Contractual services	1 500 000	700 000	2 200 000
Commodities	3 000 000	3 500 000	6 500 000
Equipment	1 700 000	1 000 000	2 700 000
Contributions to University Retirement System	788 198	.....	788 198
Permanent improvements	400 000	.....	400 000
Refunds	.....	300 000	300 000
Contingencies	.....	3 000 000	3 000 000
Total	$43 083 818	$17 000 000	$60 083 818

SENATE BILL 361. An Act appropriating $1,362,422 to the University of Illinois for the Division of Services for Crippled Children for the biennium of 1947-1949.

SENATE BILL 363. An Act appropriating $292,438 to the University Retirement System of Illinois for matching Federal funds accruing to the Retirement System and for certain Retirement System expenses.

SENATE BILL 466. An Act appropriating $50,000 to the University of Illinois for research on livestock and poultry diseases.

SENATE BILL 662. An Act appropriating $12,994,732 to the University of Illinois for the following purposes:

Permanent Improvements at Urbana-Champaign:

Construction of a new Chemistry Building	$2 500 000
Construction of a new Electrical Engineering Building	1 100 000
Construction of a new Mechanical Engineering Building	1 150 000
Construction of temporary student housing, including all necessary costs and charges incident to the completion thereof	250 000
Construction of student residence halls	2 000 000
Construction of student and staff apartments	400 000
Enlargement of Power Plant by constructing an addition thereto	775 000
Construction for the enlargement and extension of the existing Utilities Distribution Systems	1 550 000
Construction of Water Station improvements	110 000
Construction of fire protection facilities	71 162
Completion of the construction of Physics Research Laboratory	65 000
Completing construction of the Betatron and associated equipment	984 000

Equipment:	
For buildings constructed at Urbana-Champaign and Chicago as enumerated above	438 000
For purchase of fire ladder truck	24 725
Permanent Improvements at Chicago:	
Construction of addition to present Hospital Building for Research in Physical Environment	323 000
Construction for enlargement and extension of existing Utilities Distribution System	279 000
Land acquisition for extension of campus in Chicago	150 000
Plans and specifications for future capital building projects for both Chicago and Urbana-Champaign	206 000
Contingencies to cover expenditures for purposes for which the amount appropriated in any item above enumerated is or becomes insufficient	618 845
Total	$12 994 732

HOUSE BILL 240. An Act appropriating $250,000 to the University of Illinois to provide through purchase, construction, or otherwise, housing facilities for staff members. This was reported to the Board of Trustees on April 24.

Other Legislation

SENATE BILL 196. An Act authorizing the Board of Trustees of the University of Illinois to acquire by purchase or otherwise, construct, equip, complete, operate, control, and manage any student residence hall, staff housing facility, dormitory, health and physical education building, or other revenue producing building or buildings, and providing for and authorizing the issue of bonds for the purpose of defraying the cost of construction, acquisition, or equipment of any such building or buildings, payable solely from the revenues derived from the operation thereof, and providing for and authorizing the refunding of any such bonds.

SENATE BILL 238. An Act amending the Civil Service law to exempt student employee positions and removing professional and scientific positions from exemption as a class, and providing for credit for seniority acquired under the State Civil Service System. The Civil Service law relates only to nonacademic positions.

SENATE BILL 603. An Act amending the Civil Service law by repealing present provisions authorizing the Board of Trustees to prescribe rules for promotions, and stating the basis on which promotions are to be made, which basis is the same as now being followed.

SENATE BILL 604. An Act increasing from $200,000 to $300,000 the Working Cash Fund which the University is authorized to withhold from its receipts and to retain in its treasury for use as a revolving fund.

HOUSE BILL 567. An Act amending the General Assembly scholarship law making further provisions for appointments to vacant scholarships. Previously the law provided that only the member of the General Assembly who made the original appointment may fill a vacancy and only while he is still a member of the General Assembly. The amendment provides that vacancies may be filled by his successor or successors.

HOUSE BILL 579. An Act to provide annually one scholarship in the University for each county of the State for the benefit of the children of persons who served in the Armed Forces of the United States during the Civil War, World War I, or any time between September 16, 1940, and the termination of World War II, preference to be given to children of deceased or disabled veterans. This is an extension of an old scholarship law making its benefits applicable to children of veterans of World War II.

HOUSE BILL 764. An Act providing for reciprocal allowance of credit for retirement, death, and disability benefits between the State Employees' Retirement System of Illinois, the University Retirement System of Illinois, and the Teachers' Retirement System of the State of Illinois, making it possible for an employee who transfers from one system to another to retain equity earned prior to transfer.

This report was received for record.

RELEASES OF FUNDS FOR BUILDINGS

(27) The 65th General Assembly, in Senate Bill 662, has made appropriations totaling $12,994,732 to the University of Illinois for buildings and other capital improvements. This is a reallocation of funds appropriated for the biennium, 1945-1947, only a small part of which could be used before they will lapse. It is in accordance with the plan and schedule of projects totaling $15,287,920 reported to and approved by the Board of Trustees on April 24, 1947, except that by action of the State Senate (as reported to the Board on June 23, 1947) this building program was reduced by 15 per cent which resulted in the elimination of the Fine Arts Building and reductions in other items.

The appropriations were made with the provision that "No contract shall be entered into or obligation incurred for any expenditure from any appropriation herein made until after the purpose and amount of such expenditure has been approved in writing by the Governor." The Governor has approved the release of funds appropriated for the following projects:

Construction of a new Chemistry Building	$ 2 500 000
Construction of a new Electrical Engineering Building	1 100 000
Construction of a new Mechanical Engineering Building	1 150 000
Construction of temporary student housing, including all necessary costs and charges incident to the completion thereof	250 000
Construction of student residence halls	2 000 000
Enlargement of Power Plant by constructing an addition thereto	775 000
Construction for the enlargement and extension of the existing Utilities Distribution Systems	1 550 000
Construction of Water Station improvements	110 000
Construction of fire protection facilities	71 162
For purchase of fire ladder truck	24 725
Completion of the construction of Physics Research Laboratory	65 000
Completing construction of the Betatron and associated equipment	984 000
Construction of addition to present Hospital Building for Research in Physical Environment (Chicago)	323 000
Construction for enlargement and extension of existing Utilities Distribution System (Chicago)	279 000
Acquisition of land for extension of campus in Chicago	150 000
For plans and specifications for future capital building projects	206 000
Total Released	$11 537 887

I recommend that the Board authorize the appropriation of said funds for the projects specified.

On motion of Mrs. Holt, these funds were appropriated as recommended, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer.

BIDS ON NEW CHEMISTRY BUILDING

(28) Bids were received on July 15 and July 22 for the new building for chemistry and chemical engineering for which funds totaling $2,776,000 are included in the building appropriations for 1947-1949, of which $2,500,000 has been released by the Governor. A tabulation of bids is given below.

The Physical Plant Department has reviewed its estimate of total cost of the building and finds that the bids submitted, allowing for other necessary costs estimated, will exceed available funds by approximately $75,000. In addition, approximately $50,000 will be needed for movable equipment, not included in the building budget but requested by the Chemistry Department. The University Architect states that $25,000 of construction work can be omitted or deferred, leaving a net deficiency of about $100,000, including provision for equipment.

Since 1940 the Department of Chemistry has done a great deal of research work on military problems for the United States Government. The contracts with the Government provided for payments in excess of direct costs of the research work to cover administrative and other overhead expenses. The total payments for indirect costs accumulated under such contracts for research work in

chemistry approximate $482,000, of which $56,327 has been expended and $150,000 has been transferred to the General Reserve Fund, leaving a balance of about $275,000 which is held in trust. A part of this may be claimed by the Government as a result of additional audits but in the opinion of the Comptroller it would be feasible and entirely appropriate to assign up to $100,000 from this source toward the construction and equipment of the new Chemistry Building.

The Physical Plant Department and the Comptroller recommended that contracts be awarded to the lowest bidders in each of the respective categories, as follows, subject to reductions of $25,000 in construction work to be effected through change orders after contracts are drawn:

John Felmley Co.	General contract work	$982 400
W. T. Mahoney & Sons	Plumbing work	375 683
The Carson-Payson Co.	Heating work	407 839
Hans Zack Co.	Ventilating and air conditioning work	220 000
Elevator Manufacturing Co. of America	Elevator and dumbwaiter	23 640
Leverenz Electric Co.	Electrical work	179 980

The Comptroller further recommends that $100,000 of the funds accumulated under contracts with the United States Government for research work in chemistry be applied toward construction costs and equipment purchases for the new Chemistry Building, as above indicated.

I concur.

On motion of Mr. McKelvey, these recommendations were approved and the appropriation was made, by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer.

EMPLOYERS' LIABILITY INSURANCE

(29) Under a contract with the Research Division of the Navy Department, the University is required to maintain employers' liability insurance. The University now carries such insurance with the Liberty Mutual Insurance Company. A year ago this firm's bid was lower than any of the few bids then received. This year, however, no company except Liberty Mutual has bid for the insurance.

The Director of Purchases recommends the purchase of an employers' liability (occupational disease coverage included) and a scheduled general liability and property damage policy providing maximum coverage of $50,000 for one individual and up to $100,000 for two or more, effective August 7, 1947, for one year, to protect the operations necessary in research work under a contract (No. 60RI-71) with the Office of Research and Inventions of the United States Navy Department, from Liberty Mutual Insurance Company at an estimated gross premium of $1,918.58. This company meets our rating requirements.

This recommendation was submitted by the Comptroller to the Finance Committee and approved by all members.

I concur and recommend approval.

On motion of Mr. Williamson, these recommendations were approved.

BOILER AND MACHINERY INSURANCE

(30) On June 22, 1944, the Board approved the purchase of boiler and machinery insurance from the Lumbermen's Mutual Casualty Company, which policy expires July 31, 1947. This insurance covers boiler and machinery located on University premises, owned, operated, or controlled by the University, subject to certain location insurance limits and sequence of indemnity payments. Requests for bids were sent to a number of insurance firms and 12 bids were received.

The Director of Purchases, the Director of the Physical Plant Department, and the Comptroller recommend acceptance of the offer of the Lumbermen's Mutual Insurance Company, the low bidder meeting rating requirements, on the basis of a gross premium of $10,200, subject to an estimated 20% dividend at policy period termination, or a net premium of $8,160. This premium will be paid from the Physical Plant Operation and Maintenance appropriation.

I concur and recommend approval.

On motion of Mr. McLaughlin, this award was authorized as recommended.

CONTRACT FOR LIBRARY BINDING

(31) The contract for library binding for the past biennium with Ernst Hertzberg and Sons terminated June 30, 1947.

The following binderies were invited to submit proposals on our specifications for binding work for the two-year period beginning July 1, 1947, covering all requirements for Urbana, the Chicago Professional Colleges, the Chicago Undergraduate Division, and the Galesburg Undergraduate Division:

Ernst Hertzberg & Sons, Chicago	Bid on all binding.
Edwin Allen Company, Chicago	Bid on Chicago Professional Colleges and Chicago Undergraduate Division only.
Burgmeier Book Bindery, Inc., Chicago	Bid on Chicago Professional Colleges and Chicago Undergraduate Division only.
Pfisterer's Bindery, Galesburg	Bid on Galesburg Undergraduate Division only.
New Method Book Bindery, Inc.	No bid.

A careful analysis of the bids received has been made and the bid submitted by Ernst Hertzberg & Sons is low except for the binding for the Galesburg Undergraduate Division. The Director of Purchases recommends, therefore,

that a contract be awarded to Ernst Hertzberg & Sons for all binding except for the Galesburg Undergraduate Division. The total expenditure involved for the two-year period is approximately $100,000. This company has been doing most of the binding for University of Illinois libraries for a great many years and has always provided good service and quality work.

The Director of Purchases also recommends that a contract for binding of books for the Galesburg Undergraduate Division be awarded to Pfisterer's Bindery, Galesburg. The total expenditure on this contract will be approximately $1,500. The location of this bindery will result in good service and their price on this group is low.

The Director of the Library and the Comptroller concur in this recommendation and I recommend approval.

On motion of Mr. Fornof, these recommendations were approved.

PURCHASES

(32) There are submitted herewith: A. Recommendations for purchases for approval by the Board; B. Purchases authorized by the President of the University.

A. Purchases Recommended

The Director of Purchases has proposed and the Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid, or because the item is noncompetitive, or to obtain earliest delivery. I concur in the recommendations.

AUTHORIZATION OF PLAN OF OPERATION OF DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(33) The Children's Bureau of the United States Department of Labor makes grants to the Division of Services for Crippled Children. As a basis for these grants, it requires a certificate by an executive officer of the University. Responsibility and general oversight of the Division has been placed in Vice-President A. C. Ivy, who therefore may appropriately sign such certificates. The Children's Bureau requires that the Attorney General of the State certify as to the legality of the plan of operation of the Division. The Attorney General asks that the Board of Trustees, by resolution, designate the officer to certify documents on its behalf. Approval of the following resolution therefore is requested:

Whereas the General Assembly of the State of Illinois, by making appropriations to the University of Illinois for the Division of Services for Crippled Children, has placed the responsibility for operation of that Division on the University, and

Whereas it is necessary that the Board of Trustees designate an officer of the University to act as executive officer in supervising the work of the agency and in executing documents required, particularly for the purpose of securing Federal grants;

Therefore, be it resolved by the Board of Trustees of the University of Illinois that A. C. Ivy, Vice-President of the Professional Colleges of the University, be and hereby is, authorized to act as executive officer of the Division of Services for Crippled Children and to sign any and all documents required in connection with securing funds for that Division.

On motion of Mr. Nickell, this resolution was adopted as recommended.

PARTIAL DISTRIBUTION OF BEQUEST OF EDWARD C. EARL

(34) On May 26, 1945 (Minutes, page 485), Comptroller Lloyd Morey was authorized to serve as Executor of the Estate of Edward C. Earl. On February 27, 1947, a partial distribution of assets received by the Executor was made to the University.

One of the assets of the Estate was a house and lot in Mt. Ranier, Maryland. This property has now been sold and the proceeds amounting to $5,633.86 have been received from the attorney. The check, in favor of the Board of Trustees, was not handled through the accounts of the Executor but was deposited directly with the Treasurer of the University and credited to the principal of the Earl endowment.

This has been invested in securities approved by the Finance Committee for investment.

This report was received for record.

GIFTS AND GRANTS OF FUNDS FOR RESEARCH AND OTHER PURPOSES

(35) A report of the following gifts and grants of funds for research and other purposes received by the University since the last report (December 28, 1946):

Gifts

1. Illinois Federation of Women's Clubs, $1,600 for scholarships in Occupational Therapy. This represents the final payment on the contribution of $10,000 for this purpose.

2. From the estate of the late Dr. William Allen Pusey, Professor of Dermatology, $1,200 to the Library of the College of Medicine for the purchase of special books, periodicals, and visual education aids in the field of dermatology, or for research in that field. This fund is to be set up as "The William Allen Pusey Fund" to be expended by the Library Committee with the approval of the Head of the Department of Dermatology, the Dean of the College of Medicine, and the Vice-President in charge of the Chicago Professional Colleges.

3. Niagara Sprayer and Chemical Company, Gasport, New York, a liquid duster valued at $1,150.

4. Anonymous, $1,100 additional funds to be added to the "James M. White Memorial Fund," bringing the total to $4,100. The income is to be used for awards and prizes to students in the Department of Architecture.

5. Miss Helen M. Russell, Champaign, through the University of Illinois Foundation, $1,000 for two $500 scholarships, one in music and the other in medicine to be awarded for the year 1947-1948.

6. The Women of the Rotary Club of Chicago, $600 to be used as an orthopaedic gift fund for children, to be expended at the direction of Dr. Fremont A. Chandler, Director of the Illinois Surgical Institute for Children.

7. Illinois Congress of Parents and Teachers, $600 in continued support of its scholarship for the year 1947-1948.

8. Anonymous donor, $535 to be used at the discretion of Dr. Paul Greeley of the Department of Surgery in plastic surgery service.

9. Mr. Martin L. Straus, President of Eversharp, Inc., $500 to be added to the emergency loan fund for deserving and worthy students in the College of Medicine.

10. Mr. and Mrs. Edward Clamage, Chicago, $500 to be used for loans to students who are on the staff of the "Daily Illini." This is a memorial to their son, Lieutenant Raymond Clamage, who lost his life in World War II. He had asked that this contribution be made to the University from the proceeds of his insurance.

11. Miss Grace White, Urbana, $500 a year, for two years, in support of a scholarship in Economics in memory of Florence L. White.

12. Mrs. Kitty Pierce Harrington, LaGrange, $500 in continuation of the Phyllis Pierce Ruettinger Scholarship for the year 1947-1948.

13. Dr. Leo Miller of the Department of Orthopaedics, $150 for whatever use may be designated by the Head of that Department.

14. The Berkelhamer family, Chicago, $100 for the continuation of the "Dr. Ralph C. Berkelhamer Scholarship" in the College of Medicine.

15. Illinois Press Association, $100 in support of an undergraduate scholarship in the School of Journalism during 1947-1948.

16. Mr. Robert G. Morey, Brook Hill Farms, Inc., $100 in continued support of two scholarships for aiding worthy students in the field of Dairy Manufactures.

17. Mrs. Henry Baldwin Ward and her two daughters, Urbana, a special reprint collection which belonged to the late Professor Henry Baldwin Ward.

18. Caterpillar Tractor Company, Peoria, a gear-testing machine, including the transportation charges, valued at $12,000.

19. Faculty colleagues, alumni, and friends of Dr. Frank W. DeWolf, Professor of Geology, *Emeritus*, his portrait.

20. Mrs. Everett G. Young, Urbana, a collection of books which belonged to her late husband, Professor Everett G. Young.

21. Ladies Auxiliary of the Spanish American War Veterans, Department of Illinois, $50 for the woman student who has the highest scholarship standing in her first year of work in Home Economics.

22. Mr. James Harrington, Jr., Cherry Street, Wenham, Massachusetts, $50 for a scholarship to be named the "David Harrington Memorial Scholarship," to be awarded to a young man in his senior year. David Harrington was a younger brother of James Harrington, and died while attending the University of Illinois.

Grants for Research

1. Swift & Company, Chicago, $5,000 to be added to the research grant of that Company for the investigation of "Chemical Composition of Forage Crops as Influenced by Environmental Factors," which is being carried on under the direction and supervision of Professor E. E. DeTurk of the Department of Agronomy.

2. Illinois Farm Supply Company, Chicago, $2,000 for research in the Department of Dairy Husbandry, and in the swine division, the poultry division, and the division of animal nutrition in the Department of Animal Science ($500 for each).

3. National Research Council, $2,000 for a joint research project by the Department of Animal Science at the University of Illinois and the Department of Zoology at the University of Wisconsin.

4. Mrs. C. Phillip Miller, Chicago, $1,000 in support of a forestry project, the fund to be set up as the "Sinnissippi Forest Trust Fund."

5. Middle West Soil Improvement Committee, $600 in support of experiments on fertilizers best suited to Illinois agriculture.

6. Illinois Agricultural Association, $600 in support of studies by Professor R. W. Bartlett of the Department of Agricultural Economics, of factors affecting milk prices.

7. Wilson & Company, Inc., $400 for the continuation of research on the use of pure food gelatin in the manufacture of dairy products.

8. Tennessee Corporation, $400 in support of spray research, the fund to be entitled "Trust Tennessee Corporation — Spray Research."

9. Abbott Laboratories, Eli Lilly and Company, Parke, Davis, and Company, and the Upjohn Company, $25,000 in continuation of research on the "Chemistry of Antibiotic Substances" during the year 1947-1948.

10. Rockefeller Foundation, New York City, $20,000 for the continuation of research on the biochemistry of amino acids under the direction of Professor W. C. Rose of the Department of Chemistry (for a period of two years from September 1, 1945).

11. The Nutrition Foundation, Inc., New York City, $15,000 in continued support of research work on "the amino acid requirements of man," by Professor W. C. Rose of the Department of Chemistry.

12. The Nutrition Foundation, Inc., New York City, $2,400 in support of research on "factors which may alter the calcium utilization by the adult man," to

be carried on during the academic year 1947-1948 under the direction of Professors F. R. Steggerda (Physiology) and H. H. Mitchell (Animal Nutrition).

13. The Nutrition Foundation, Inc., New York City, $3,000 for research on free amino acids in body fluids and tissues, being carried on in the Department of Biological Chemistry of the College of Medicine under the direction of Dr. Olaf Bergeim.

14. Graham, Crowley, and Associates, Inc., Chicago, $4,500 in support of three research assistantships in the Department of Chemistry, for one year beginning February 1, 1947, under the direction of Professors John C. Bailar, Jr., Sherlock Swann, Jr., and H. A. Laitinen. The character of the research will be electrochemical reactions of complexes.

15. Eli Lilly and Company, Indianapolis, Indiana, $2,500 for research in the Department of Chemistry, under the direction of Dr. Carl S. Vestling, on the oxidative enzyme system of leukemic and normal mouse liver tissue.

16. Eli Lilly and Company, Indianapolis, Indiana, $1,800 for the continuation of clavacin research in the Department of Horticulture, under the direction of Professor H. W. Anderson, for a period of nine months from December 1, 1946.

17. Allied Chemical & Dye Corporation, New York City, $2,400 for the continuation of two fellowships in chemistry during the year 1946-1947, the amount of each fellowship to be $1,200. In addition to these stipends the tuition fees of the fellows will be paid by the Corporation.

18. E. I. du Pont de Nemours & Company, Wilmington, Delaware, $2,200 in continued support of the du Pont Postgraduate Fellowship in Chemistry during the academic year 1947-1948.

19. Socony-Vacuum Oil Company, New York City, $2,000 in support of a fellowship in the Department of Chemistry during the academic year 1947-1948.

20. The William S. Merrell Company, Cincinnati, Ohio, $2,000 in support of a fellowship in organic chemistry under the direction of Professor H. R. Snyder.

21. S. B. Penick & Company, New York City, $1,800 in support of a fellowship in the Department of Chemistry to be known as the "S. B. Penick & Company Fellowship," under the supervision of Professor Roger Adams, for a period of one year from September 1, 1947; $1,500 to be used as a stipend and $300 to cover costs of chemicals and equipment required in the research program.

22. Smith, Kline, & French Laboratories, Philadelphia, Pennsylvania, $1,500 in continued support of a fellowship in organic chemistry during the academic year 1947-1948, the fellowship to be known as the "Walter G. Karr Fellowship."

23. Smith, Kline, & French Laboratories, Philadelphia, Pennsylvania, $2,000 in support of research on appetite to be carried on during 1947 at the College of Medicine.

24. Minnesota Mining & Manufacturing Company, St. Paul, Minnesota, $1,500 in support of a fellowship in chemistry during the academic year 1947-1948; $1,200 to be used as a stipend and $300 for tuition fees and for the purchase of scientific equipment.

25. Standard Oil Company (Indiana), Chicago, $1,265 for a fellowship in chemistry and $1,265 for a fellowship in chemical engineering during the academic year 1947-1948; $1,000 in each case to be used as the stipend and the balance for expenses, including tuition, laboratory fees, supplies, and equipment incurred in connection with the research.

26. General Aniline & Film Corporation, Easton, Pennsylvania, $1,395.63 for the continuation of a research assistantship in chemistry during the academic year 1947-1948. This grant will include payments of $125 a month to the assistant for eleven months, the balance to cover disability insurance premium.

27. The Upjohn Company, Kalamazoo, Michigan, $1,218 in support of a fellowship in chemistry for one year beginning July 1, 1947.

28. Pittsburgh Consolidation Coal Company, Pittsburgh, Pennsylvania, $2,250 in support of a fellowship in chemical engineering during the academic year 1947-1948; $1,250 to be used as the stipend and $1,000 to pay actual tuition and fees required of the student and to cover expenses related to the research project.

29. Eastman Kodak Company, $1,200 in support of a postgraduate fellowship for doctorate work in organic chemistry for the year 1946-1947.

30. Galvin Manufacturing Corporation, Chicago, $750 in support of a graduate fellowship in electrical engineering.

31. Abbott Laboratories, $1,000 in support of research work on the "Effects of Reduced Pressure on Stomach and Intestines," being carried on by Professor F. R. Steggerda of the Department of Zoology and Physiology.

32. In connection with the publication of the "Illinois Cancer Bulletin," of which Vice-President A. C. Ivy is Editor, the following contributions have been received: American Cancer Society, Inc., Illinois Division, $9,000; Anonymous, $5,000; the Wander Company, Chicago, $1,000.

33. National Foundation for Infantile Paralysis, Inc., $3,500 for research with poliomyelitis patients using the electromyograph, under the direction of Vice-President A. C. Ivy, for one year beginning July 1, 1947.

34. The Wander Company, Chicago, $1,000 in support of research work in nutrition during 1947, under the direction of Vice-President A. C. Ivy.

35. Dr. Arthur J. Atkinson, Chicago, $500 to be added to "The Atkinson Fund" for research on the alimentary tract under the supervision of Vice-President A. C. Ivy in the College of Medicine.

36. Merck & Company, $500 for a study of antihistamine compounds under the supervision of Vice-President A. C. Ivy.

37. Mrs. Peter Miller, Chicago, $7,000 in support of research on epilepsy by Dr. Frederic A. Gibbs, Professor of Psychiatry.

38. Illinois Federation of Women's Clubs, $2,000 in support of a cancer research fellowship in the College of Medicine.

39. Armour and Company, $3,200 for research on hematology by Dr. R. W. Keeton, Professor and Head of the Department of Medicine, for one year from November 1, 1945. This is an extension of previous research, the grant for which was $2,500.

40. Armour Laboratories, Chicago, $2,650 in support of studies on protein hydrolysates by Dr. W. H. Cole, Professor and Head of the Department of Surgery.

41. Hoffman-La Roche, Inc., Nutley, New Jersey, with offices in Chicago, $2,500 a year, for a period of two years beginning July 1, 1946, in support of a fellowship in the Department of Pharmacology under the direction of Dr. C. C. Pfeiffer; $1,800 to be used as a stipend for the fellow and $700 for equipment, supplies, and miscellaneous expenditures in connection with the research program.

42. Bristol Laboratories, Syracuse, New York, $2,000 additional to complete the study of insoluble penicillin derivatives under the direction of Professor C. C. Pfeiffer, Department of Pharmacology.

43. Mallinckrodt Chemical Works, St. Louis, Missouri, $2,000 in support of research on the pharmacological action of alkyl carbonates and various other complex organic derivatives which it is felt may have activity as general analgesic compounds, which was carried on under the direction of Dr. C. C. Pfeiffer, Professor of Pharmacology, during the period July 1 through December 31, 1946.

44. Ridge Service Guild, Chicago, $500 to be added to the Orthopaedic Gift Fund for Children for the purchase of equipment and for research studies.

45. War Memorial Committee of the Drama Club of Evanston, $500 in support of research in the Department of Orthopaedic Surgery under the direction of Professor F. A. Chandler.

46. Josiah Macy, Jr., Foundation, New York City, $5,500 for the continuation of research in the Department of Psychiatry for one year from October 1, 1945, by Dr. W. S. McCulloch.

47. Life Insurance Medical Research Fund, $300 for special laboratory expenses in connection with their Grant No. SF-47-4 to Mr. John M. Marshall, Jr., who is working under the supervision of Dr. George E. Wakerlin, Professor and Head of the Department of Physiology, College of Medicine.

48. Grants for research in allergy antigens (research program of Dr. B. Z. Rappaport, Assistant Professor of Medicine, and Dr. William H. Welker, Professor and Head of the Department of Biological Chemistry, College of Medicine) from: Mr. Philip S. Bloom in continued support of the Philip and May Bloom Allergy Research Fellowship, $1,800; Mr. Alfred D. Hornstein, for the continuation of the Hornstein Research Fellowship, $900; Mr. William Meyer, $300; Dr. M. G. Lapham, Dean of Tulane University School of Medicine, in memory of Mrs. Anne Senear, $10.

This report was received for record.

BIDS ON FURNISHING MAIN SWITCH-GEAR FOR ELECTRICAL DISTRIBUTION SYSTEM, CHICAGO PROFESSIONAL COLLEGES

(36) The following bids have been received for furnishing the main switch-gear for the 4,000-volt initial electrical distribution system to be installed on the Chicago Professional Colleges Campus:

Bidder	*Bid price*	*Shipping date*
Allis-Chalmers Manufacturing Company	$38 498	20 months
General Electric Company	38 593	15 months
Westinghouse Electric Corporation	38 641	16 months

The Allis-Chalmers' detailed proposal includes an extra charge of $315 to meet the specifications for enclosed terminal boxes for the current transformer leads. The other bidders included this cost in their bids. The Allis-Chalmers' proposal increases their bid to $38,813, changing their bidding position from low to high.

The time of delivery of the switch-gear is also important, as the installation will be necessary before power can be supplied to the new Physical Environment Addition to the Hospital. The Physical Plant Department recommends the contract award to the General Electric Company, the lowest bidder and the firm giving the shortest delivery time, based on their bid price of $38,593, f.o.b. Chicago Campus.

In the General Electric Company's transmitting letter of July 14, 1947, they have taken exception to the bid documents involving the guarantee and supervision clauses and the performance bond. The Physical Plant Department recommends that the contract be awarded with the stipulation that the contract terms would be similar to those incorporated in the turbine-generator contract for Unit 3 of Abbott Power Plant, since in that contract they were willing to accept the clauses and bond as originally submitted.

Funds are available in the 1947-1949 appropriation for the Electrical Distribution System, Chicago, to cover the above contract.

I recommend approval of the foregoing recommendations and authorization to the Comptroller and the Secretary of the Board to execute the contract.

On motion of Mr. McKelvey, these recommendations were approved and authority granted as recommended.

ILLINI UNION BUILDING REFUNDING LOAN

(37) As authorized by the Board of Trustees on June 23 (Minutes, page 403) and in accordance with invitations approved by the Finance Committee, the following bids were received on July 30, 1947, on $425,000 revenue bonds of the Illini Union Building, Urbana, to be dated October 1, 1947, due serially through October 1, 1957.

Bidder	*Range of Interest Rates*	*Interest Cost*	*Premium*	*Net Cost*	*Effective Rate*
Julien Collins & Company White, Weld, & Company	1½%-1¾%	$32 925 00	$ 313	$32 612 00	1.5204
The Milwaukee Company Farwell Chapman & Company Martin Burns & Corbett, Inc. Hurd-Clegg & Co.	1½%-2%	35 900 00	222	35 678 00	1.66331
John Nuveen & Company	1¾%	37 537 50	1 207	36 330 50	1.69372

The low bid is offered by Julien Collins & Company and White, Weld, & Co., both of Chicago, as a joint bid, at an effective interest rate of 1.5204 for all bonds; bonds maturing 1948 through 1956 to bear interest at 1½% and for 1957 at 1¾%; entire issue to be purchased at par plus a premium of $313.00.

The Finance Committee has reviewed the bids and finds that the one offered by the low bidders meets all requirements. The Finance Committee recommends that the award be made to the lowest bidders.

The bidders have proposed that the bonds, principal, and interest be payable at the Northern Trust Company of Chicago, and the Finance Committee recommends approval of that proposal.

The offering was made with the provision that the bonds will be delivered with the approving opinion of Chapman & Cutler, attorneys, of Chicago. The Finance

Committee recommends that the employment of this firm for all necessary services in connection with this issue be authorized.

The new issue will result in a saving over the remaining life of the obligation estimated at $75,200 on interest cost under that of the present loan.

On motion of Mr. Williamson, the award was made as recommended, subject to a confirming opinion to be secured from Chapman and Cutler.

RELEASE OF PATENTABLE DISCOVERIES

(38) The Faculty Committee on Patents submits the following recommendations on patentable discoveries by members of the University staff which have been reported to and considered by the Committee.

1. Low reactance shunt, a device which permits a recording instrument to record only a fraction of the total current; thyratron controlled automatic positioner, a device for the accurate control of arc voltage (used in arc welding) by "positioning" the welding head in general situations in which high speed "positioning" is necessary. These are joint discoveries by Gilbert H. Fett, Associate Professor, and Robert J. LaPlante, Special Research Assistant, in the Department of Electrical Engineering, and are the result of research work under contract No. N6ORI-71-EE with the Bureau of Ships of the Navy Department. In the opinion of the discoverers, these devices do not offer sufficient possibilities of commercial exploitation to warrant the University in expending funds to secure patents. The Committee recommends that these discoveries be released to the Navy Department.

2. High speed counter, a joint discovery by Gilbert H. Fett, Associate Professor, and Nathan Rynkowsky, Special Research Assistant, in Electrical Engineering. This discovery resulted from research work under Contract No. W28-099-AD-132 with the Air Materiel Command of the United States Army Air Forces. This is a restricted contract covering research work of a highly confidential nature, and it provides that any patentable discoveries shall become the property of the United States. The Committee therefore recommends that this discovery be released to the Army.

3. Colonel George W. Gardes, Judge Advocate, General Division, Chief, Patents Group, presented through the office of the President of the University, a request that the University of Illinois release its right to file an application for a patent on a discovery described as a "Water Purification Process and Apparatus" which was made by Mr. H. E. Hudson, Jr., in the performance of the work contracted for by the University of Illinois with the Government of the United States in Contract No. OEMsr-593. It is recommended that this discovery be released, and that the Government be authorized to file an application for patent in the name of the discoverer, and that the discoverer be directed to execute the necessary assignments to the Government. The Government is to sustain all of the costs incident to the application for patent.

On motion of Mrs. Holt, these patents were released as recommended.

PRINCIPLES GOVERNING RESEARCH CONTRACTS

(39) It is recommended that the following principles governing research contracts be submitted to the Board of Trustees to supersede Section VI of the policy relating to research contracts approved by the Board of Trustees October 18, 1945.

All research contracts are to be classified by the Director of the University research agency involved or by the Chairman of the University Research Board after consultation with those directly concerned and with the dean of the college involved. In the case of contracts involving the Chicago Professional Colleges only, the Vice-President in charge of the Chicago Professional Colleges will make this classification. Considering the direct value that accrues to the donor and in accordance with the scientific benefits resulting to the University and to the public, each contract should be classified as follows:

I. Those mainly for the benefit of outside donors with little or no research objectives involved from the standpoint of the University.

II. Those which fit University research objectives but from which the sponsor derives some benefit.

III. Those which are supplemental to University research programs and provide funds for desirable expenditures which the University otherwise would not be able to make or, in some instances, would relieve the University of expenditures that it might otherwise make and thus release University funds for other or additional research expenditures.

Notwithstanding the classification of any particular contract, the accrual of indirect costs will be recognized and the University officers involved should suggest to the grantor that all or a portion of such costs be met from contract funds. Projects in Group I should be charged with an amount that will compensate the University as fully as possible for all indirect costs to which it has been put in carrying out the project.

The rate and amount of indirect costs, if any, to be paid to the University on projects in Groups II and III will be determined by the administrative officer of the research agency involved after consultation with the Business Office. Such consultation will not be required in the case of research investigations involving total payments of less than $5,000.

Subject to the principles stated above, any University staff member who has been authorized by the proper administrative officer to negotiate with a prospective sponsor of an investigation shall prepare a budget for all estimated direct costs and to this amount shall be added the provision, if any, for indirect costs. Indirect costs include general, college, and departmental administrative costs, physical plant operating costs, and use of departmental, college, and general University facilities.

The following distribution of funds collected on account of indirect costs is to be made:

Thirty per cent will be made available to the University department conducting the investigation, for use as approved by the administrative officer of the college. Costs of research investigations, not charged thereto as direct costs, and property purchased from contract funds for use on investigations, title to which remains with the donor, which is acquired by the University at the termination of the contract by purchase, will be charged to this allocation.

Thirty per cent will be transferred to a general research fund to be allocated by the University Research Board for research purposes to any individual or department of the University.

Balances remaining in the above allocations at the close of each fiscal year will be subject to reappropriation by the Board of Trustees.

Forty per cent will periodically lapse to general University income. Any administrative or physical plant costs which result from such research activities may be charged directly to these funds.

Certain contracts are negotiated, particularly with Federal agencies, in which a provisional rate of reimbursement for indirect costs is stated, to be subject to later review. Any amounts allocated in accordance with the above will be subject to such review and renegotiation of rates, if applicable.

Employer contributions to the University Retirement System of Illinois for retirement annuities and disability and death benefits, covering the salaries of participants in the System paid from contract funds, are to be considered as direct costs of all research contracts with outside sponsors.

To provide for possible losses under the Workmen's Compensation Act, 1½% of all payments for personal services from contract funds will be assessed against such funds as direct costs. Such charge will not be made if the research contract provides indemnity to the University for any losses incurred under such Act, or if the interests of the University do not appear to require it. Such rate may be reduced if justified by experience, or if in the individual projects the probability of loss is small. The sums thus accumulated will be carried in a reserve account from which such claims will be paid.

These principles will be effective July 1, 1947.

This matter was referred to the President of the University and the Finance Committee for consideration and report.

PURCHASE OF PROPERTY AT 805 WEST PENNSYLVANIA AVENUE

(40) The 65th General Assembly of Illinois has failed to make any appropriation to the University of Illinois for the biennium of 1947-1949 for the construction of a Veterinary Science Building. This was the top priority item on the Urbana

Campus in the $20,472,000 building program requested by the University for the biennium of 1947-1949. An appropriation of $750,000 was made by the 64th General Assembly for a veterinary building and equipment, but it was not possible to construct a building during the biennium of 1945-1947 and the appropriation was insufficient to construct a complete usable unit. This appropriation will lapse except for funds which have been expended for architectural services.

It is necessary for the College of Veterinary Medicine to have some facilities for a research laboratory for its staff and for advanced students. I therefore recommend that the Board authorize the purchase of the property at 805 West Pennsylvania Avenue, Urbana, at a price of $57,500 for use as a temporary research laboratory by the College of Veterinary Medicine.

This is a three-story and basement brick building on a lot 120 feet wide and 140 feet deep. The building was formerly a sorority house. In the basement are a large dining room, kitchen, chapter room, and a heating plant, with coal storage space. On the main floor are a living room, reception room, two bedrooms, and a bath. On the second floor are fourteen studies (or bedrooms), baths, showers, and toilets. On the third floor are five studies (or bedrooms) and a large dormitory or bedroom area. The house is equipped to accommodate about 40 students. The building is modern and in reasonably good condition and is unoccupied at the present time. It has been appraised by Mr. Newton C. Farr, Chicago Realtor, who reports that the price is substantially less than the replacement cost less depreciation based on age and condition, and he recommends its purchase.

When a new veterinary building has been provided, the building at 805 West Pennsylvania Avenue can be used for student housing.

In a preceding memorandum I have recommended an appropriation of $80,000 for the purchase of this building and for the remodeling necessary to adapt it for use as a College of Veterinary Medicine Research Laboratory.

On motion of Mrs. Holt, this report was received for record.

APPRAISAL OF NOYES CHEMISTRY LABORATORY

Mr. McKelvey presented the following report.

In connection with the problem of insurance on the Noyes Chemistry Laboratory, approved by the Board on March 27, 1947 (Minutes, page 322), the need of an appraisal of the building has become apparent. The Director of Purchases and the Comptroller have suggested the firm of Marshall & Stevens, valuation engineers, of Chicago. The cost would be $692 plus nominal expenses.

Marshall & Stevens state that, after a thorough survey of the structure is made by their engineers at the property, they would supply us with a building report and contents report, both of which would be in complete detail and furnish a sound evaluation of the structure and its contents.

Such an appraisal should furnish complete information for the proper placement of insurance, assure us that we are complying with the coinsurance requirements of our insurance contracts, and would provide valuable descriptive and inventory data in the event of a partial or complete loss of the structure and its contents.

The Buildings and Grounds Committee has considered this proposal and recommends that Marshall & Stevens be retained to appraise the Noyes Chemistry Laboratory and its contents, and a special appropriation of $800 for this purpose.

On motion of Mr. McKelvey, this appraisal was authorized and the appropriation was made by the following vote: Aye, Mr. Fornof, Mrs. Holt, Mr. Livingston, Mr. McKelvey, Mr. McLaughlin, Mr. Nickell, Mr. Williamson; no, none; absent, Mr. Davis, Mr. Green, Dr. Luken, Dr. Meyer.

The Board adjourned.

APPENDIX

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parenthesis is the date on which the appointment was made by the President of the University. Part-time appointments are shown by fractions after the name of the department. C = College; S = Station; E = Extension.)

AISAWA, SHIRO, Special Research Assistant, Civil Engineering (S) (½), June 1, 1947, until further notice, $120 a month (6-17-47).

ARNOLD, MRS. ELIZABETH A., Instructor, Foods and Nutrition Extension (Home Economics) (E), August 1, 1947-August 31, 1948, $3000 a year (7-2-47).

ARROWOOD, C. F., Education, Summer Session, 1947, eight weeks beginning June 9, 1947, $1200, supersedes (7-3-47).

AUSTIN, W. J., Special Research Associate, Civil Engineering (S), full time, two months beginning June 1, 1947, $300 a month, and (⅔), September 1, 1947, until further notice, $200 a month (6-23-47).

BAIN, J. A., Research Associate, Pharmacology (Medicine), two months beginning July 1, 1947, without salary (6-23-47).

BARON, THOMAS, Special Research Assistant, Chemical Engineering (S) (½), three months beginning June 1, 1947, $120 a month (6-16-47).

BAUMANN, E. R., Special Research Assistant, Civil Engineering (S) (⅓), June 9-September 27, 1947, $453, in addition to his Summer Session appointment (7-8-47).

BAWER, ROBERT, Motorola, Incorporated, Fellow, Electrical Engineering, eight months beginning October 1, 1947, $750 (6-28-47).

BECKER, E. L., Hornstein Research Assistant, Allergy Unit (Biological Chemistry) (Medicine), one year beginning September 1, 1946, $2200, supersedes (7-22-47).

BLISS, G. B., Special Research Graduate Assistant, Electrical Engineering (S) (½), June 1, 1947, until further notice, $118.75 a month (6-16-47).

BOLAND, J. J., Special Research Assistant, Mechanical Engineering (S) (¼), June 9-September 30, 1947, $60 a month (6-18-47).

BORTH, DANIEL, Professor, Accountancy, indefinite tenure beginning September 1, 1947, $7000 a year (7-7-47).

BOULET, J. L. L., Special Research Assistant, Electrical Engineering (S) (½), three months beginning June 1, 1947, $150 a month, supersedes (6-17-47).

BROADBENT, D. A., Assistant, Agricultural Economics (C&S) (½), two months beginning July 1, 1947, $125 a month (7-7-47).

BROMLEY, ANN, Instructor, Mathematics (½), Secretary, Department of Mathematics (½) during academic year and full time during summer period (Undergraduate Division in Galesburg), July 1, 1947-June 30, 1948, $3600 (7-2-47).

BROOKS, R. G., English, Summer Session, 1947 (⅚), sixteen weeks beginning June 9, 1947, $918, supersedes (7-3-47).

BROWN, MRS. LUCILLE, Research Assistant, Institute of Labor and Industrial Relations, two months beginning July 1, 1947, $200 a month (7-2-47).

BRUNNER, C. D., Edward Orton, Jr., Fellow, Ceramic Engineering, nine months beginning October 1, 1947, $1000, supersedes (6-28-47).

CABE, CARL, Research Assistant, Institute of Labor and Industrial Relations (¾), two months beginning July 1, 1947, $187.50 a month (7-2-47).

CHARNES, ABRAHAM, Research Assistant, Mathematics, ten months beginning September 1, 1947, $3000 (7-22-47).

CHASE, M. N., Special Research Associate, Electrical Engineering (S) (¾), June 1, 1947, until further notice, $250 a month, supersedes (7-22-47).

CHEO, NEIL HAI-FAN, Fellow, Dentistry, one year beginning September 1, 1947, $1800 (7-2-47).

CLARKE, G. W., Fellow, English, eight months beginning October 1, 1947, $750 (7-2-47).

CONROY, E. H., Research Assistant, Chemistry (½), eight months beginning June 1, 1947, $1200 (5-29-47).

COTTRELL, LOIS M., Research Assistant, Allergy Unit (Biological Chemistry) (Medicine), one year beginning September 1, 1946, $2200, supersedes (7-22-47).

COULTAS, T. A., Assistant, Mechanical Engineering (C) (½), eight weeks beginning August 4, 1947, $275 (7-22-47).

CRAIG, W. J., Special Research Associate, Theoretical and Applied Mechanics (S), August 1, 1947, until further notice, $350 a month (7-22-47).

CRIBBET, J. E., Assistant Professor, Law, one year beginning September 1, 1947, $4500 (6-28-47).

CROSSLAND, MARJORIE J., Home Economics, Summer Session, 1947 (½), eight weeks beginning June 9, 1947, $275 (7-3-47).

D'APPOLONIA, ELIO, Special Research Associate, Civil Engineering (S), full time, three months beginning June 1, 1947, $300 a month, and (⅔), September 1, 1947, until further notice, $200 a month, supersedes (6-23-47).

DAVENPORT, J. S., Journalism, Summer Session, 1947 (¼), sixteen weeks beginning June 9, 1947, $275 (7-15-47).

DAY, ELIZABETH A., Assistant, Geography, ten months beginning September 1, 1947, $2400 (6-26-47).

DEBOER, J. J., Professor, Education, indefinite tenure beginning September 1, 1947, $6000 a year (7-15-47).

DOAK, BEATRICE W., Research Fellow, Pathology (Medicine), one year beginning September 1, 1947, $1500 (7-22-47).

DRICKAMER, H. G., Chemistry, Summer Session, 1947, sixteen weeks beginning June 9, 1947, $1334, supersedes (7-15-47).

DRUGAS, T. G., Research Assistant, Pharmacology (Medicine) (½), three months beginning July 1, 1947, $125 a month (7-16-47).

EARLEY, W. L., Psychiatric Consultant, Health Service (Medicine, Dentistry, Pharmacy) (½), three months beginning June 1, 1947, $300 a month (7-9-47).

EDEN, W. G., Research Assistant, Entomology (½), June 1, 1947-May 31, 1948, $1320 (6-5-47).

ETLER, A. D., Associate Professor, Music (School of Music) (¾) (University Extension Division) (¼), indefinite tenure beginning September 1, 1947, $5000 a year (6-19-47).

FERGUSON, T. L., Journalism, Summer Session, 1947 (¾), eight weeks beginning August 4, 1947, $500 (7-15-47).

FESLER, MRS. HELEN, Instructor, Humanities (Undergraduate Division in Galesburg), ten months beginning September 1, 1947, $3200 (7-2-47).

FINNEY, MRS. MILDRED S., Social Sciences (Undergraduate Division in Chicago), Summer Session, 1947, eight weeks beginning July 14, 1947, $600 (7-15-47).

FOX, THELMA, Research Assistant, Institute of Labor and Industrial Relations, two months beginning July 1, 1947, $250 a month (7-16-47).

FREEMAN, LAWRENCE, English, Summer Session, 1947, eight weeks beginning June 9, 1947, $700 (7-15-47).

THE UNIVERSITY BUDGET FOR 1947-1948

(Approved by the Board of Trustees August 5, 1947, page 489)

EXPLANATORY NOTES

This budget consists of: Summaries of all divisions; General University Administration; Urbana-Champaign Academic and Administrative Salaries, Wages, Expense, and Equipment; Urbana-Champaign Nonacademic Salaries; Chicago Professional Colleges and Schools; Chicago Undergraduate Division; and Galesburg Undergraduate Division.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1947.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may, pending regular appointments, be drawn against by voucher to the Business Office for services of employees temporarily engaged to do the work contemplated by the position. Such temporary charges *may not exceed the amount of time provided* by the position unless indicated herein or otherwise approved by the President.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries," "Wages," and "Expense and Equipment." No transfers may be made between "Salaries" and "Expense and Equipment" except with the approval of the President of the University. Requests for such changes should be submitted to the Comptroller. Adjustments may be requested between "Salaries" and "Wages" and between "Wages" and "Expense and Equipment" upon notice to the Comptroller.

Appropriations for Expense and Equipment and for Wages are available for one year beginning July 1, 1947, and ending June 30, 1948. All unexpended balances in Wages appropriations lapse June 30, 1948, and *unencumbered* balances in Expense and Equipment appropriations lapse on that date. The only allowable encumbrances for which funds will be carried forward on June 30, 1948, are those for the purchase of equipment and other capital items.

Unless otherwise indicated in the budget:

1. The service required under appointments in this budget to positions on the teaching faculty covers the academic year of the University, not including the Summer Session. Salaries of such positions of the rank of Associate and above are paid in twelve equal monthly installments; salaries of other ranks, in ten equal monthly installments.

2. The service required in all positions in experiment stations and bureaus of research, and in research positions in other departments, is for a full year of twelve months, with allowance of one month for vacations, and salaries are paid in twelve equal monthly installments. In these positions the letter "Y" follows the tenure symbol.

3. The service required in all other positions, unless otherwise indicated — administrative, clerical, and service positions — is for a full year of twelve months, with allowance for vacations, and salaries are paid in twelve equal monthly installments. All such positions in the academic budget are indicated by the letter "Y" following the tenure symbol.

Symbols:

A — Indefinite tenure.
B — Two years from September 1, 1947.
D — One year from September 1, 1947.
E — Ten months from September 1, 1947
G — Special tenure.
H — July 1, 1947, to June 30, 1948.
I — Present salary sub-total includes 1946-1947 positions discontinued.
Y — Indicates that services are required throughout the year except for allowable vacation, without additional compensation.

Part-time:

When any of the above symbols is combined with a number, the number indicates the fraction of time in per cent covered by the position.
