

MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 25, 1951

The July meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Wednesday, July 25, 1951, beginning at 11:00 a.m. (C.D.S.T.).

The following members were present: President Livingston, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Megrain, Mr. Nickell, and Mrs. Watkins.

Also present were President George D. Stoddard, Provost Coleman R. Griffith, Mr. Ralph F. Lesemann, Legal Counsel, Mr. J. F. Wright, Director of Public Information, Mr. Lloyd Morey, Comptroller, and Mr. A. J. Janata, Secretary of the Board.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of May 18, 1951, press proof copies of which had been sent to all members of the Board in advance of this meeting.

On motion of Mr. Fornof, these minutes were approved as printed on pages 687 to 734, inclusive.

REPORT OF THE EXECUTIVE COMMITTEE

The Secretary presented the following report of the Executive Committee.

MEETING OF THE EXECUTIVE COMMITTEE**JULY 5, 1951**

On call of the Chairman, the Executive Committee of the Board of Trustees of the University of Illinois met in the University Club, 76 East Monroe Street, Chicago, Illinois, at 12:30 p.m. (C.D.S.T.) on Thursday, July 5, 1951.

The following, constituting all members of the Executive Committee, were present: Chairman Park Livingston, Mr. Herbert B. Megrain, and Mrs. Frances B. Watkins. Also present were Messrs. Lloyd Morey, Comptroller, and A. J. Janata, Secretary of the Board. Messrs. John R. Fornof and Wayne A. Johnston of the Finance Committee (Mrs. Watkins being the third member) were present during the first part of the meeting.

REPORTS OF THE FINANCE COMMITTEE**Depository for George A. Miller Fund**

The Finance Committee has considered the matter of safekeeping of securities and advice as to investments of the proceeds of the bequest of the late Professor George A. Miller and recommends that the Trust Department of the Continental Illinois National Bank and Trust Company of Chicago be selected for these services. The bank offers to handle this account during the first year for a fee of \$2,000 on the understanding that the total assets of the fund are estimated at \$750,000 and that the services will consist of investment of cash (rather than servicing of securities presently held by the estate) and safekeeping and continuous supervision of the account.

The Finance Committee recommends that this arrangement be approved and that the Comptroller be authorized to execute an appropriate memorandum of understanding with the Continental Illinois National Bank and Trust Company. This recommendation is being made to the Executive Committee since it was empowered by the Board of Trustees to represent the interests of the University and to take any actions necessary in connection with this bequest.

On motion of Mrs. Watkins, this recommendation was approved and the Comptroller was authorized to execute the necessary documents to implement this arrangement.

Sale and Purchases of Securities Representing Investments of Endowment Funds

The Finance Committee reported that it has reviewed the investments of permanent endowment funds with representatives of the Trust Department of the First National Bank of Chicago, the University's investment counsel, and recommends the following changes in such investments:

On motion of Mrs. Watkins, these recommendations were approved, and the following resolution was adopted:

Resolution of Executive Committee Pertaining to Sales of Securities

WHEREAS, the Board of Trustees of the University of Illinois, a public corporation, incorporated under the laws of the state of Illinois, owns the following securities, which are investments of permanent endowment funds:

Preferred Stocks: 150 shares Heyden Chemical Corporation 3½%; 200 shares Jewel Tea 3¾%; 45 shares Southern California Edison 4.48%.

Common Stocks: 170 shares General Electric; 200 shares Underwood Corporation; 264 shares Abbott Laboratories; 45 shares American Tobacco; 200 shares General Foods; 150 shares J. C. Penney; 200 shares F. W. Woolworth Company; 425 shares Commonwealth Edison; 220 shares Pacific Gas and Electric; 120 shares Illinois Power Company.

Bonds: \$2,000 U. S. Treasury 2%, 9/15/53-51; \$100 U. S. Treasury 2½%, 3/15/54-52; \$1,000 U. S. Treasury 2½%, 3/15/71-66; \$32,000 U. S. Savings Series G, 2½% (\$22,000 due 1/1/62, \$2,000 due 3/1/62, \$8,000 due 6/1/62); \$2,000 U. S. Treasury, various issues.

AND WHEREAS Article IV (Committees of the Board) of the By-Laws of the Board of Trustees of the University of Illinois (1941) reads as follows:

"At the annual meeting in March of each year, the Board shall elect two members of an 'Executive Committee,' consisting of three members, the President of the Board to be Chairman ex-officio, which members shall hold office for one year, or until their successors have been elected.

"Said Committee shall possess all the powers of the Board when in session, provided that it shall not overrule, revise, or change the previous acts of the Board, or take from regular or special committees any business referred to them by the Board.

[July 25]

"It shall not have power to lease, sell, or purchase real estate unless previously authorized by the Board in session or a majority of the members individually in writing."

AND WHEREAS the Finance Committee of the Board of Trustees has recommended to the Executive Committee that it is to the best interest of the University to dispose of the above listed securities at this time, and the Executive Committee of the Board of Trustees has approved such sale,

Now therefore be it resolved by the Executive Committee of the Board of Trustees of the University of Illinois in a duly constituted meeting on July 5, 1951, at Chicago, Illinois, that the securities listed above be sold at this time at the best price obtainable, and that Lloyd Morey, Comptroller, and A. J. Janata, Secretary, be authorized to execute any and all documents necessary to complete such sale.

At this point, Messrs. Fornof and Johnston withdrew.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Executive Committee considered the following recommendations and reports from the President of the University submitted for him by the Secretary of the Board,

PURCHASE OF RESIDENCE PROPERTY FOR FACULTY HOUSING

(1) The Board of Trustees has authorized the Executive Committee to purchase an additional residence property as part of the special program of residence property acquisitions for faculty housing.

The purchase of the property at 706 West Indiana Avenue, Urbana, at a price of \$25,000 is recommended. There is submitted with this recommendation a description of the property and a real estate appraisal. The property was on the market at \$26,000, but the owner has agreed to sell it at the appraisal figure of \$25,000.

A special appropriation of \$25,000 from the General Reserve for the purchase of this property is also recommended.

On motion of Mrs. Watkins, the purchase of this property was authorized and an appropriation of \$25,000 was made for this purpose from the General Reserve by the following vote: Aye, Mr. Livingston, Mr. Megrain, Mrs. Watkins; no, none; absent, none.

CONTRACT FOR ENGINEERING SERVICES

(2) The Director of the Physical Plant and the Comptroller recommend a contract with E. C. Manthei, Champaign, to provide for the necessary mechanical drawings, specifications, and contractual documents for the electrical, plumbing, heating, ventilating, and refrigeration work required for the following projects:

1. West addition to the Stock Pavilion.
2. Modernization of the present transformer vault facilities at the Stock Pavilion.
3. Agricultural Engineering Addition.

The contract will provide for payment of five per cent of the low bids for the mechanical work.

Funds are available in the state appropriation for capital improvements for this contract.

The President concurs and recommends that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Megrain, this contract was authorized.

PURCHASE OF FEEDER CATTLE

(3) It is difficult to predict in advance and secure approval for the purchase of cattle in the feeding programs at the University. The availability of cattle and feed and the relative prices for the different grades of feeder cattle make any program subject to many changes. Advanced approval is necessary since the

purchase of such cattle must be completed at market prices immediately. Next year there will be greater than the usual variations because of the rulings of the Office of Price Stabilization.

It is recommended that the Comptroller be authorized to complete the purchase of cattle at market prices upon recommendation of the Dean of the College of Agriculture and when funds are available for such purchases.

On motion of Mrs. Watkins, authority was granted as recommended.

PURCHASES

Purchases Authorized

(4) The following purchases were authorized by the President's Office on the recommendations of the Director of Purchases and the Comptroller.

Item	Department	Vendor	Cost
One vacuum coating unit, bell jar type, 14 $\frac{1}{4}$ " x 24" x 13 $\frac{3}{4}$ ", four electrode system (for work and source heating), complete with pumping vacuum system, gauges and accessories for operation on 115-120 volt a.c., 60 cycle	Electrical Engineering	Distillation Products Industries, Rochester, N.Y.	\$3,075.00 f.o.b. On motion of Mr. Megrain, these purchases were authorized.

UNIVERSITY OF ILLINOIS AIRPORT IMPROVEMENTS

(5) On March 13, 1951, the Board of Trustees approved a program of improvements at the Airport in cooperation with the Civil Aeronautics Administration and the State Department of Aeronautics on a fund-matching basis. The improvements include the resurfacing of the entrance road, drainage improvements, parking areas, resurfacing roads to airplane hangars, sewage disposal plant, and utility extensions and connections. Original allocations of funds for these improvements were: \$60,000 from the Civil Aeronautics Administration, \$45,000 from the State Department of Aeronautics, and \$45,000 from the University. The Board authorized the State Department of Aeronautics to act as its agent in preparing plans, advertising for bids, receiving bids, and supervising and conducting the letting and awarding of contracts upon the approval of the University Board of Trustees.

The State Department of Aeronautics sent invitations to bid to more than three hundred contractors in Illinois and advertised twice in Champaign-Urbana newspapers. The only bids received are from the General Paving Company, Champaign, on the resurfacing of the access road connecting the Airport with U. S. Highway 45, including certain drainage improvements, resurfacing part of the parking areas, and resurfacing drives leading to hangars. The bids are \$130,527.12 if the access road is resurfaced with concrete and \$107,242.69 if with

asphalt. The sewage disposal plant is not included in these bids. The engineers of all participating agencies recommend the acceptance of the bid on the concrete road.

By changes in the improvements of certain parking areas and drainage, the total bid for a concrete entrance road and other improvements excluding the sewer disposal unit has been reduced to \$105,000. The project has been revised whereby the Civil Aeronautics Administration will contribute \$52,000 and the State Department of Aeronautics will contribute \$62,500. This is adequate to pay for the reduced contract with the General Paving Company. The University will complete the sewage disposal improvements within the funds appropriated by the Board of Trustees for the University's share of the project.

Since the University is the sponsor of the project, it was required by the Civil Aeronautics Administration to authorize the State Department of Aeronautics to execute the contract with the General Paving Company even though no University funds are involved in this phase of the work. This authorization has been given.

The Sixty-seventh General Assembly has enacted a law authorizing publicly supported institutions of higher education to acquire by agreement with highway officials jurisdiction over public streets and roads which adjoin or which may be used as access roads to the Airport owned by such institutions. Local highway authorities will enter into an agreement with the University giving such jurisdiction and control of the access road to the Airport.

The Director of the Institute of Aviation and the Comptroller recommend

(a) Authorization of the grant agreement and all representations and covenants contained therein as outlined above and authorization of the State Department of Aeronautics, as Agent of the University, to execute a contract for \$105,000 with the General Paving Company, Champaign, for the Airport improvements.

(b) Authorization of an agreement between the University and local highway officials under which the University of Illinois will assume jurisdiction, control, and responsibility for maintenance of the access road to the Airport.

It is recommended that the Comptroller and the Secretary of the Board be authorized to execute all necessary implementing documents.

On motion of Mrs. Watkins, authority was granted as recommended.

CONTRACT FOR INSTALLATION OF GAS REGULATORS IN HOUSING UNITS

(6) Most of the temporary family housing units serviced by gas for heating and cooking were provided with constant pressure gas regulators at the time the buildings were moved to the campus, but ninety-two of these buildings in the Stadium Terrace area were not so equipped. At present gas pressure varies so much that a flame in a burner not equipped with a regulator is sometimes extinguished, thus creating a hazard.

The Director of the Physical Plant and the Comptroller recommend award of a contract for \$2,473 to the Champaign Plumbing and Heating Company, Champaign, the lowest bidder, for the installation of gas pressure regulators in these ninety-two buildings. Funds are available in the income from operations of these buildings.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Megrain, this contract was authorized.

REMODELING OF ENGINEERING RESEARCH LABORATORY

(7) The Board of Trustees has authorized the interior remodeling of the Engineering Research Laboratory (the former Physical Plant Service Building) to provide suitable quarters for research. Contracts were awarded and an assignment of \$320,000 was made for this remodeling at the meeting of the Board on May 20, 1950.

The original contracts did not include completion of the third and fourth floors which had been eliminated in order to reduce the remodeling cost. On

[July 25]

February 15, 1951, the Board authorized further work on the third and fourth floors and made a supplementary assignment of \$40,000 for this construction, including extensions of the necessary utilities.

The Control Systems Laboratory, a classified research project of great importance to national security, has now been assigned all four floors of the building. The Electronic Digital Computer will be an integral part of the Control Systems Laboratory, occupying the second floor. Research in physics of the solid state will also be carried on in this building. A liquid nitrogen plant serving the entire University will be housed in the basement.

These activities require a return to the original plans for the remodeling of the building which had been altered to reduce the cost. The nature of some of these experimental programs requires air conditioning of the second, third, and one-half of the fourth floor, and the installation of a freight elevator. Alteration of the basement area is also necessary to provide space for equipment. Additional work on the third and fourth floors is needed to provide suitable laboratories and offices. It is estimated that approximately \$200,000 of additional funds will be required to complete the remodeling according to original plans and to provide adequate facilities for research projects to which the University is committed. As a result, the University will have an excellent research building which will be available for research in several areas of physics and engineering.

The Provost, acting in the absence of the President, recommends that this additional construction be authorized.

The Physical Plant Department estimates that the program of remodeling heretofore authorized can be completed, with the exception of changes from incandescent to fluorescent lighting to conserve power, by September 1, 1951. The additional construction now recommended can be substantially completed by January 1, 1952, with the exceptions that the basement area and the first and second floors will be without ventilation and that the air conditioning will not be in operation because of the lack of power and fan coils. To meet these deadlines, immediate authorization of the additional construction work and installations is indicated. Utilization of approximately \$100,000 of government funds for the purchase of equipment and, in fact, retention of the Control Systems Laboratory at the University of Illinois are major considerations. Accordingly, the Provost, with the advice of the Physical Plant Department, recommends that

(a) Authority be given to negotiate with the present contractors for change orders for the removal of existing ventilating ducts on the second floor and the installation of other ducts in order to provide for the air conditioning of this floor.

(b) Authority be given to negotiate with the present contractors for the completion of all additional construction except for the installation of an elevator on which competitive bids will be taken.

(c) Authority be given to purchase critical materials and to execute construction change orders on an emergency basis.

On motion of Mrs. Watkins, the Executive Committee

(a) Authorized the additional construction and remodeling.

(b) Authorized the Comptroller and the Director of the Physical Plant to negotiate with the present contractors for the additional construction and remodeling work.

(c) Authorized the President of the University to approve purchases of critical materials and equipment and the execution of construction change orders.

(d) Authorized the securing of competitive bids on the installation of a freight elevator.

(e) Made an appropriation of \$200,000 of which \$100,000 is to be assigned from the state appropriation for 1951-1953 "For remodeling, modernization, and improvement of existing buildings at Urbana-

Champaign," and \$100,000 is to be assigned from United States government contract funds.

These actions were taken by the following vote: Aye, Mr. Livingston, Mr. Megrana, and Mrs. Watkins; no, none; absent, none.

**SERVICES OF DR. CARROLL L. BIRCH TO THE
DEPARTMENT OF STATE**

(8) The United States Department of State has requested the services of Dr. Carroll L. Birch, Professor of Medicine, whereby she will be loaned to the Technical Cooperation Administration of the Department to serve as Principal of the Lady Hardinge Medical School in New Delhi, India, for one year. The Department has proposed a formal agreement between the University of Illinois and the United States of America under which the government will give the University sufficient funds to pay Dr. Birch's salary, transportation to and from India, and other expenses incidental to this service.

The Dean of the College of Medicine and the Vice-President in charge of the Chicago Professional Colleges recommend release of Dr. Birch for this assignment and approval of the proposed arrangements.

The Provost, acting for the President, concurs.

On motion of Mrs. Watkins, this recommendation was approved.

The Committee adjourned.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. PAUL ADAMS BECK, Research Professor of Physical Metallurgy, in the Department of Mining and Metallurgical Engineering, beginning September 1, 1951, at an annual salary of \$10,000 (AY).

2. DAVID Y. CURTIN, Assistant Professor of Chemistry, beginning September 1, 1951, at an annual salary of \$5,500 (B).

3. EUNICE DOWSE, Assistant Dean of Women, beginning September 1, 1951, at an annual salary of \$4,800 (DY).

4. MARGARET H. KEENEY, Clinical Director and Assistant Professor of Occupational Therapy, College of Medicine, beginning September 1, 1951, at an annual salary of \$5,000 (DY).

5. FREDERIC MEYERS, Associate Professor of Labor and Industrial Relations, beginning September 1, 1951, at an annual salary of \$6,300 (DY).

6. GENEVA E. MILLER, Assistant to Coordinator of Nursing Education, with rank of Assistant Professor, beginning June 1, 1951, at an annual salary of \$5,100 (DY).

7. JAMES THOMAS MOORE, JR., Assistant Professor of Education, beginning September 1, 1951, at an annual salary of \$4,500 (B).

8. JOHN HOWARD PAZUR, Assistant Professor of Biological Chemistry, College of Medicine, beginning September 1, 1951, at an annual salary of \$4,500 (B).

9. MAX STONE PETERS, Assistant Professor of Chemistry, beginning September 1, 1951, at an annual salary of \$4,800 (B).

10. HJALMAR ROSEN, Assistant Professor of Psychology, Institute of Labor and Industrial Relations, beginning September 1, 1951, at an annual salary of \$4,900 (BY).

11. CHARLES KENNETH WHITEHAIR, Associate Professor of Veterinary Physiology and Pharmacology, College of Veterinary Medicine and Agricultural Experiment Station, beginning February 1, 1952, at an annual salary of \$6,700 (AY).

On motion of Mr. Johnston, these appointments were confirmed.

DIRECTORSHIP OF THE SMALL HOMES COUNCIL

(3) Professor William H. Scheick of the Department of Architecture and Director of the Small Homes Council has submitted his resignation effective September 1, 1951. He has been on leave of absence without pay since September 1, 1949, serving as Director of the Building Research Advisory Board of the National Research Council. He was released by the University for this service for the year 1949-1950 during which he organized the Building Research Advisory Board and initiated research projects. At the urgent request of the National Research Council, he was given leave of absence for another year. Now the officers of the Council and of the National Academy of Sciences have asked him to continue in this assignment indefinitely, and he has decided to stay with the Board.

I have accepted his resignation and request confirmation of my action.

I recommend also that Professor James T. Lendrum of the Department of Architecture and Associate Director of the Small Homes Council, who has been serving as Acting Director during Professor Scheick's absence, be appointed Director effective September 1, 1951, at a salary of \$9,000 a year (Y basis).

On motion of Mr. Nickell, the action of the President was confirmed and the appointment of Professor Lendrum was approved.

SCHOLARSHIPS IN LAW

(4) The Dean of the College of Law recommends that there be established ten scholarships at \$250 each plus exemption from tuition, to be made available each year to beginning law students selected on the basis of scholarship and promise of achievement and renewable as the holders progress through the years of their attendance. The renewal in each case would be conditioned upon the student having made (1) at least a B average in his first year to be eligible for a scholarship in his second year and (2) at least a B average in his law work for two years to be eligible for a scholarship in his third year.

These scholarships will be awarded by a committee of the faculty of the College of Law. Provision for the scholarships has been made in the budget for 1951-1952.

I concur.

This proposal was referred to the Committee on General Policy for consideration and advice.

UNIVERSITY CIVIL SERVICE SYSTEM OF ILLINOIS

(5) The Sixty-seventh General Assembly has passed and the Governor has approved a bill for an Act which creates a classified civil service system to be known as the "University Civil Service System of Illinois," the purpose of which is to

establish a sound program of personnel administration for the six state-supported institutions of higher education and the University Retirement System of Illinois. All certifications, appointments, and promotions to positions in these agencies and institutions shall be made solely on merit and fitness to be ascertained on examination except those specifically exempted. All University of Illinois employees heretofore under the University's Civil Service System will come under the new state-wide system. This Act becomes effective January 1, 1952.

The Act creating the University Civil Service System is to be administered by a Merit Board consisting of three members of the Board of Trustees of the University of Illinois, one member of the Teachers College Board, and one member of the Board of Trustees of Southern Illinois University.

The Director of Nonacademic Personnel recommends that the three members from the University of Illinois Board of Trustees be elected now so that the Merit Board can get organized and much of the preliminary work can be done prior to the date when the new system will begin to function.

I concur.

On nomination of Mr. Johnston, Messrs. Grange and Hickman and Mrs. Holt were elected representatives of the Board of Trustees of the University of Illinois on the Merit Board of the University Civil Service System of Illinois.

SCHOOL OF SOCIAL WORK

(6) The Division of Social Welfare Administration is an independent educational and administrative unit not attached to any college or school within the University's organization. The Director of the Division reports directly to the President of the University. The faculty of the Division recommends that its name be changed to the School of Social Work. This is in conformity with the practice in most other institutions.

I concur in this recommendation, this change to become effective as of July 1, 1951.

On motion of Mrs. Watkins, this recommendation was approved.

UNIVERSITY OF ILLINOIS LEGISLATION

(7) The Secretary of the Board reports, as a matter of official information and record, that he has received a certified copy of House Bill 613, Sixty-seventh General Assembly of Illinois, for "An Act making certain appropriations to the University of Illinois":

For remodeling, modernization, and improvement of existing buildings at Urbana-Champaign, including water reclamations installations, plans and specifications and fixed equipment installed relating thereto.....	\$1 047 000
For improvements to University grounds at Urbana-Champaign and of adjacent city streets.....	180 000
For architectural studies of proposed new Home Economics building.....	43 000
For contingencies to cover expenditures for purposes for which the amount appropriated in the above items enumerated is, or becomes, insufficient.....	65 000

These funds are subject to release by the Governor.

The President of the University recommends that the funds be appropriated for the purposes indicated.

On motion of Mr. Nickell, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Nonrecurring Appropriations recommends assignments of funds as follows:

Chicago Professional Colleges

1. Remodeling of quarters and installation of air conditioning for the Department of Physical Education.....	\$32 500
2. Equipment for the College of Pharmacy.....	1 000
3. Construction of parking area at the Chicago Professional Colleges.....	7 500

Urbana-Champaign Campus

4. Equipment for the Department of Entomology.....	4 500
5. Equipment (ten practice pianos) for the School of Music.....	6 000
6. Rehabilitation of refrigerating equipment in Ice Skating Rink.....	<u>10 000</u>
<i>Total</i>	\$61 500

I recommend that these appropriations be made from the General Reserve Fund.

On motion of Mr. Johnston, these funds were appropriated, as recommended, by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megrann, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

**AGREEMENT WITH THE CITY OF URBANA FOR MAINTENANCE
OF LINCOLN AVENUE STORM SEWER**

(9) On April 19, 1951, the Board of Trustees authorized the employment of engineers for the services and designing of a storm sewer along the road north and immediately in front of the Floriculture and Vegetable Greenhouses to connect with the Lincoln Avenue storm sewer in Urbana. These plans will provide for the ultimate draining of the area in the immediate vicinity of the greenhouses and a larger area extending west as far as the site of the proposed new residence hall for men on Fourth Street.

While the actual construction of this drainage system is scheduled for the future, it is desirable that the University come to an understanding with the city of Urbana as to the cost to be assumed by the University when the improvement is made and the connection completed with the Lincoln Avenue storm sewer. With this improvement, the University will be using approximately 71 per cent of the sewer capacity of the Lincoln Avenue storm sewer. It is proposed that the University pay 71 per cent of the cost of the maintenance of this storm drain beginning when the University starts to use the outlet and continuing as long as the sewer shall be used by the University. The area to be drained is described as follows:

Commencing at the center line of Fourth Street at a point West of the North line of Roselawn Cemetery, thence North to the South line of Gregory Drive, thence East to Wright Street extended, thence North to the North line of Gregory Drive, thence East to a point two hundred fifty feet (250') West of the center line of Mathews Avenue, thence North to the East-West center line of Sec. 18, T. 19N., R. 9E. of the 3rd P.M., thence East to the West line of Goodwin Avenue, thence North along the West line of Goodwin Avenue to the center line of Nevada Street, thence East along the center line of Nevada Street to Lincoln Avenue, thence South along the center line of Lincoln Avenue to the center line of Florida Avenue, thence West along the center line of Florida Avenue to the East line of Mount Hope Cemetery, thence North along the East line of Mount Hope Cemetery to the North boundary of said cemetery, thence West along the North boundaries of Mount Hope Cemetery and Roselawn Cemetery to the point of beginning.

The Director of the Physical Plant and the Comptroller recommend that this agreement with the city of Urbana be executed.

I concur.

On motion of Mrs. Holt, this agreement was authorized.

[July 25]

**CONTRACT WITH OZARK AIR LINES FOR USE OF
UNIVERSITY OF ILLINOIS AIRPORT**

(10) The University has had a contract with Ozark Air Lines for the period January 1 to June 30, 1951, for use of the Airport. The schedule of charges is \$600 a month for general services furnished by the University and landing fees of \$100 for each of the first two schedules, \$50 each for the next four, and \$25 each for remaining schedules. The present schedule of six flights per day has produced an income from landing fees of \$400 per month.

The Director of the Institute of Aviation and the Comptroller have negotiated a contract with Ozark Air Lines for a two-year period from July 1, 1951, which does not require as much general service by the University as heretofore (Ozark will perform this with its own personnel). It provides for the following charges:

- (a) Landing fees of \$50 per schedule (a monthly income of \$300 based on present schedules).
- (b) \$75 per month for the rental of space occupied at the Airport.
- (c) Payment of \$220 per month for line service by University personnel as requested by Ozark but not to exceed ten schedules a day.
- (d) The University will sell gasoline to Ozark at cost plus a handling charge of five cents per gallon.

The contract may be terminated by either party upon thirty days' notice.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.

**CONTRACTS FOR CONSTRUCTION OF AN ADDITION
TO THE STOCK PAVILION**

(11) The Director of the Physical Plant and the Comptroller recommend award of contracts as follows for the construction of an addition to the Stock Pavilion to house an abattoir and a chilling room and construction of holding pens, subject to the receipt of authority to begin construction from the National Production Authority:

General work — C. A. Petry and Sons, Champaign.....	\$57 100
Plumbing, heating, and ventilating work — F. R. Inskip and Company, Champaign.....	38 700
Electrical work — Brunkow Electric Company, Champaign.....	5 050
Refrigerating installation — Punzak Air Conditioning and Sales Company, Springfield.....	2 857

These are the lowest bidders.

The total budget for this project is \$131,000. Funds are available for this project in (a) an appropriation of \$10,000 from the General Reserve Fund made by the Board of Trustees on April 10, 1951, for the construction of a chilling room; (b) \$61,000 from the state appropriations for 1951-1953 for remodeling and modernization of existing buildings which funds are subject to release by the Governor; (c) \$44,000 from the state appropriations for the construction of agricultural buildings made for 1949-1951, the unexpended balances in which were reappropriated for 1951-1953; (d) a proposed appropriation of \$16,000 from receipts from sales of agricultural products (this being excess of receipts over estimated income budgeted from this source).

Subsequent to receipt of bids, C. A. Petry and Sons submitted a proposal to change the construction of the cinder drives adjacent to this Stock Pavilion addition to stabilized 6 in. crushed stone with concrete curbs at a cost of \$4,944. This addition is recommended because of the lower maintenance cost of such a drive as compared with a cinder drive which was originally specified.

I concur and recommend that (a) an appropriation of \$16,000 be made for accumulated agricultural receipts for this project; (b) the Comptroller and the Secretary of the Board be authorized to execute contracts as recommended; (c) an addition of \$4,944 for the construction of crushed stone drives with concrete curbs be authorized in the general contract.

On motion of Mr. Nickell, this appropriation was made and the contracts authorized, as recommended, by the following vote: Aye, Mr.

Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megrana, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

CONTRACTS FOR CONSTRUCTION OF AGRICULTURAL ENGINEERING ANNEX

(12) The Director of the Physical Plant and the Comptroller recommend award of contracts as follows for the construction of an annex to the Agricultural Engineering Building, subject to the receipt of authority to begin construction from the National Production Authority:

General work — C. A. Petry and Sons, Champaign.....	\$132 400
Electrical work — Brunkow Electric Company, Champaign.....	18 566
Plumbing, heating, ventilating, and temperature control work — Reliable Plumbing and Heating Company, Champaign.....	42 500
These are the lowest bidders.	

The total budget for this project is \$225,000. Funds are available in the state appropriations for 1949-1951 for the construction of agricultural buildings, the unexpended balances in which have been reappropriated for 1951-1953.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mrs. Watkins, these contracts were authorized by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megrana, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

CONTRACT FOR ARCHITECTURAL SERVICES FOR HOME ECONOMICS BUILDING

(13) The appropriations made to the University for 1951-1953 for capital improvements include \$43,000 (plus an allowance of \$2,000 for contingencies) for architectural studies of a proposed new home economics building.

The Dean of the College of Fine and Applied Arts, the Head of the Department of Architecture, the University Architect, and the Chairman of the Building Program Committee recommend employment of Naess and Murphy, Chicago, as architects for this building on the basis of a fee of 6 per cent of the construction cost for complete architectural services. For the present this firm would be employed to prepare complete preliminary studies only. It proposes to furnish such services at not to exceed 1.2 per cent of the estimated construction cost. No extra charge will be made for any time of the principals.

I recommend that a contract for the professional services of Naess and Murphy on this basis be authorized.

On motion of Mrs. Watkins, this contract was authorized.

CONTRACT FOR CONSTRUCTION OF PARKING LOT

(14) The Director of the Physical Plant and the Comptroller recommend award of contract for \$18,260 to the Champaign Asphalt Company, Champaign, the lowest bidder, for the construction of a parking area with concrete curbs and asphalt surfacing at 1108 West Green Street, Urbana, to be used by the occupants of the Student and Staff Apartment Buildings at Green Street and Goodwin Avenue.

Funds are available in the budget for the construction of the Student and Staff Apartment Buildings.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.

CONTRACTS FOR MINOR ALTERATIONS

(15) In the past, the Board of Trustees has awarded contracts on a cost-plus basis for minor alterations and remodeling at Urbana-Champaign. These contracts have been awarded on a year-to-year basis. Work under these contracts is initiated

[July 25]

on individual order by the Physical Plant Department and is subject to approval by the Comptroller and to the availability of funds appropriated by the Board. The contractors are employed on jobs which are so small or of such a character as to make competitive bidding impractical, and not exceeding \$5,000 for any one authorization. This procedure has the advantage of permitting immediate starting of work after the Board has approved an appropriation and it eliminates the expense of preparing drawings and specifications required in securing competitive bids.

The Director of the Physical Plant and the Comptroller recommend award of the following cost-plus contracts based on competitive bids for the fiscal year beginning July 1, 1951, with the understanding that no orders will be placed under such contracts after June 30, 1952, and that all work will be handled in accordance with the procedure established.

Over \$3,000.....	20	22	10		15

To determine the lowest bidders, all bids were weighed by applying the percentages in accordance with the probable type of work to be done under these contracts. The recommendations for awards are based upon those bids which in the judgment of Physical Plant Department officials will result in the lowest cost to the University. In plumbing and heating, electrical work, and sheet metal work, the materials required are usually in such small quantities that they are taken from contractors' stocks and, hence, a merchandising overhead percentage is added to the material costs percentage. If material is purchased by a contractor for delivery directly to the job, the merchandising overhead is not added.

I recommend that these contracts be awarded in accordance with the terms and conditions stated, the Comptroller to report to the Board periodically on all contracts initiated.

On motion of Mr. Fornof, these contracts were authorized, as recommended.

**CONTRACT FOR ADDITION TO ELECTRICAL DISTRIBUTION SYSTEM
AT CHICAGO PROFESSIONAL COLLEGES**

(16) The University has an agreement with the Commonwealth Edison Company of Chicago which provides for a "multiple service and combined billing" plan for

the extension of the electrical distribution system at the Chicago Professional Colleges. Under this plan the University secured a reduction in the rates based on consumption of power delivered to all points on the Chicago campus. However, with the addition of each new station in the system, the University is required to enter into an "excess facilities agreement" with the Commonwealth Edison Company for the installation of the necessary distribution lines to deliver power to the new point.

The Director of the Physical Plant and the Comptroller recommend an additional payment of \$8,450 under this plan to the Commonwealth Edison Company for extension of distribution lines to provide electrical service for the student residence hall.

Funds are available for this contract in the budget for the construction of this building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents.

On motion of Mrs. Watkins, this contract was authorized.

CONTRACT FOR ALTERATIONS IN VENTILATING SYSTEM IN THE DEPARTMENT OF PHYSICAL MEDICINE QUARTERS

(17) The Director of the Physical Plant and the Comptroller recommend award of a contract for \$24,847 to the Narowetz Heating and Ventilating Company, Chicago, the lowest bidder, for changes in the ventilating system in the quarters of the Department of Physical Medicine. The work will consist of air conditioning the Hydrotherapy Pool Area, the Electromyographic Room, and additional ventilation for the receptionist's office, departmental waiting room, student demonstration and classroom, examining room, and staff conference rooms. An appropriation for this and other remodeling work for the Department of Physical Medicine is being recommended separately.

I recommend that this contract be authorized, subject to the appropriation of funds.

On motion of Mr. Nickell, this contract was authorized.

IMPROVEMENTS IN PRESIDENT'S HOUSE KITCHEN

(18) Bids have been received for the furnishing and installation of improvements in the kitchen at the President's House to provide additional facilities as follows:

Darrell E. Waechter, Pekin.....	\$3 736 00
Swain and Myers, Inc., Decatur.....	2 788 50
Harry F. Munds, Urbana.....	2 360 00

The bid of Mr. Waechter is based on steel construction, the other two on wood, all custom built.

Other general, electrical, and mechanical work incidental to these improvements is estimated at \$2,400, or a total estimated cost of the project of \$5,000.

The Director of the Physical Plant and the Comptroller recommend the award of a contract for \$2,360 to Harry F. Munds.

I recommend an appropriation of \$5,000 be made from the General Reserve Fund, and request that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was authorized and an appropriation of \$5,000 was made from the General Reserve Fund by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

ENGINEERING SERVICES IN DESIGNING ADDITION TO TALBOT LABORATORY

(19) The University has a contract with E. C. Manthei, Champaign, for engineering services in designing and preparing specifications for electrical, plumbing, heating, and ventilating installations on minor projects. The fee is 6 per cent of the bids on the mechanical work for these trades on any project.

The Director of the Physical Plant and the Comptroller recommend that Mr. Manthei be employed at the same fee to develop the mechanical drawings, specifications, and contractual documents for the electrical, plumbing, heating, and ventilating installations required for an addition to the Talbot Laboratory.

I recommend that the Comptroller be authorized to execute an addition to the contract with E. C. Manthei covering this project.

On motion of Mr. Johnston, authority was given, as recommended.

ADDITION TO VENTILATING CONTRACT FOR CONSTRUCTION OF ANIMAL SCIENCES LABORATORY

(20) The Director of the Physical Plant and the Comptroller recommend an increase of \$5,741 in the contract with the Bloomer Heating and Ventilating Company, Chicago, for ventilating and air-conditioning installations in the construction of the Animal Sciences Laboratory for

Special ventilation of twenty air changes per hour in three rooms.....	\$3 754
Changes in ventilation required by rearrangement of rooms and equipment on the fourth floor.....	<u>1 987</u>
	\$5 741

These room changes were made to increase utilization of space to be assigned to the Department of Dairy Science.

The cost of this additional work has been checked by the architects, Naess and Murphy, and by the Physical Plant Department, who consider the charges reasonable.

Funds are available in the state appropriation for the construction of this building.

I concur and recommend that the Comptroller be authorized to execute this contract change.

On motion of Mr. Megrann, authority was given, as recommended.

CONTRACTS FOR COMPRESSED AIR EQUIPMENT

(21) The Director of the Physical Plant and the Comptroller recommend award of a contract for \$8,203 to the Pennsylvania Pump and Compressor Company, Easton, Pennsylvania, the lowest bidder, for an air compressor with accessories, \$6,077, and electric motor and controls, \$2,126, subject to an escalation of not to exceed 10 per cent of the price quoted on the motor. This compressor is needed for general services at the Abbott Power Plant.

Funds are available in the state appropriation to the University for "Construction of Extensions to Utility Distribution Systems."

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was authorized.

CONTRACT FOR PURCHASE OF COAL FOR URBANA-CHAMPAIGN DEPARTMENTS

(22) Bids have been received on uniform specifications for the purchase of 41,000 tons of coal screenings to be delivered to the Abbott Power Plant as required during the period from September 1, 1951, to May 31, 1952.

The Director of Purchases and the Comptroller recommend award of a contract to the Republic Coal and Coke Company, Chicago, the lowest bidder, for 1½ in. screenings coal to be furnished from their mine at a cost of \$3.85 f.o.b. mine, freight \$.99, total \$4.84; total estimated cost, \$198,440. This price is based on the present wage scale and is subject to increase or decrease in the event that wage contracts now in effect are changed. Any such change will affect the price to the extent that production costs are increased or decreased by the new contracts. The University has the right of approval of any such increase in price.

The lowest bid is determined by the number of British Thermal Units for one cent based on guaranteed analyses. A continuous check at the power plant is provided to insure compliance with specifications.

The contract is subject to approval by the Governor.

The Director of Purchases and the Comptroller also recommend purchase of approximately 2,600 tons of 1½ in. screenings coal, to be delivered to the Abbott Power Plant during August, 1951, from the Republic Coal and Coke Company, Chicago, the lowest bidder, at the same price of \$3.85 per ton, f.o.b. mine, plus freight at \$.99, total, \$4.84; total estimated cost, \$12,584. This is a firm price.

I concur in these recommendations.

On motion of Mrs. Holt, this contract and purchase were authorized.

AUTHORIZATION OF PURCHASES

(23) The University of Illinois Statutes include the following provision governing purchases which has been in effect for approximately seventeen years:

"Purchases shall be made on the basis of competitive prices wherever practicable, quality, suitability, and service considered. Purchases amounting to \$1,000 or more made from general funds or non-itemized appropriations shall be submitted to the Board of Trustees or to the Executive Committee, unless, in the opinion of the President of the University, urgent necessity exists that requires immediate action, in which case the President shall act and report promptly to the Board."

Materials and equipment needed for research are in short supply. In the case of research work for the Armed Forces, it is not always feasible to defer action on recommendations for purchases until a Board meeting.

Accordingly, to expedite purchasing procedure, I request a ruling by the Board of Trustees that the provision in the Statutes shall not apply to purchases under \$3,000 on government research contracts.

On motion of Mr. Johnston, the provision in the University of Illinois Statutes relating to purchases was amended to provide that all purchases amounting to \$2,500 or more shall be submitted to the Board of Trustees or to the Executive Committee for approval unless an emergency exists in which case the President of the University is authorized to act and to report his action to the Board.

RELEASE OF DISCOVERY OF CERAMIC COATING MATERIALS

(25) Professor Dwight G. Bennett of the Department of Ceramic Engineering reports the development by him and Associate Professor William J. Plankenhorn of new ceramic coating materials while working on research under a contract with the United States Air Force. These coatings have been found to protect alloy metal from high temperatures for long periods of time. The United States Air Force requests that appropriate patent coverage be obtained to protect the public interest. The Air Force will assume the full expense of securing a patent.

Since this discovery is a result of research work done under a contract with the United States Air Force and since the Air Force will use the results for the public good, the University Research Board recommends that the rights to this discovery be released to the Air Force. Two previous discoveries in the same field have been released by the University to the United States Government.

I concur in the recommendation that this discovery be released to the United States Air Force.

On motion of Mr. Grange, this discovery was released to the United States Air Force.

INTERNAL OPERATING BUDGET FOR 1951-1952

(26) I present the University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1951, and for the academic and administrative appointments beginning September 1, 1951. This budget has been prepared by the Provost and the Comptroller in accordance with policies approved by the President and in conference with deans, directors, and other administrative officers.

I recommend that:

1. This budget, covering the allocation of the University's operating income from all sources for the year beginning July 1, 1951, be approved.

2. The President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, to (a) make such changes and adjustments as are needed, (b) make such additional appointments as are necessary, subject to the provisions of the University Statutes, and (c) accept resignations. All such changes will be covered in the Comptroller's quarterly financial reports, or in reports to the Board by its Secretary.

On motion of Mr. Johnston this budget was approved as amended by increasing the salary of the President of the University to \$23,500 a year, effective July 1, 1951, the appropriations of funds as recommended were made, and authority was given as requested. These actions were taken by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

The complete budget as approved is printed in full in the appendix, page 880.

INTERNAL BUDGET OF THE ATHLETIC ASSOCIATION FOR 1951-1952

(27) The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget of the Association for 1951-1952 which is summarized as follows with comparative figures for the preceding year:

	<i>1950-1951</i> <i>Budget</i>	<i>Actual Income and Expense</i>	<i>1951-1952 Proposed</i>
Income.....	\$807 607	\$821 759	\$764 075
Expenditures:			
Budget Appropriations.....	772 225	809 339	746 850
Special Appropriations.....	18 900	14 422	10 000
Total Expenditures.....	<u>(791 125)</u>	<u>(823 761)</u>	<u>(756 850)</u>
Excess of Income Over Expenditures.....	\$ 16 482	\$ 2 002 ¹	\$ 7 225

On July 1, 1950, the Athletic Association had a net operating surplus of \$47,360. The excess of expenditures over income of \$2,002 in 1950-1951 will decrease this surplus to \$45,358 on June 30, 1951.

The budget has been examined and approved by the Provost and the Comptroller. Salaries paid jointly by the Athletic Association and the School of Physical Education have been approved by the Director of the School.

The budget includes \$10,000 to be allocated by the Board of Directors for contingent expenditures, not to exceed \$1,000 for any one item. Estimated income exceeds the appropriations by \$7,225.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary and recommended by the Board of Directors of the Athletic Association within the total income realized.

¹ Excess of expenditures over income.

Copies of this budget have been filed with the Secretary and the Comptroller of the Board.

On motion of Mr. Hickman, this budget was approved.

APPROPRIATIONS FOR THE COLLEGE OF AGRICULTURE

(28) The Dean of the College of Agriculture and the Comptroller recommend additional appropriations of \$43,964 from agricultural income of the College of Agriculture. For the year ended June 30, 1951, both receipts and expenditures have exceeded estimates because of the rising prices. It is recommended that the excess receipts be appropriated to the departments realizing the income as follows:

Agricultural Engineering.....	\$ 1 014
Agronomy.....	1 431
Animal Science.....	30 148
Dairy Science.....	3 500
Dixon Springs.....	1 500
Horticulture.....	6 147
Veterinary Research.....	224
<i>Total</i>	\$43 964

I concur.

On motion of Mr. Nickell, these appropriations were made by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

ACTING DIRECTOR OF INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS

(29) I recommend that Professor Milton Derber be appointed Acting Director of the Institute of Labor and Industrial Relations for one year from September 1, 1951, replacing Director W. Ellison Chalmers who is on leave of absence without pay for government service. Professor Derber's status to be Professor of Economics in the Institute of Labor and Industrial Relations on indefinite tenure at a salary of \$8,850 a year (AY) and Acting Director (DY) at a salary of \$650, total for the year, \$9,500.

On motion of Mrs. Watkins, this appointment was approved.

CHANGE IN HOSPITAL AND MEDICAL SERVICE FEE

(30) Since September 1, 1943, all students at Urbana-Champaign, with certain exceptions as explained below, have been assessed a hospital and medical service fee of \$5 per semester or a prorated amount for shorter terms (e.g., \$2.50 for an eight-week summer session) which assures them of payments for specified hospital and medical expenses in cases of illness. This plan was adopted by the Board of Trustees on April 29, 1943. Shortly after it went into operation, exemptions from payment of the fee were approved by the Board (October 29, 1943), in cases of (a) extramural students; (b) correspondence students; (c) persons on appointment on the University staff or on the staffs of the allied surveys or laboratories on the Urbana campus; (d) those registered as visitors in classes; (e) students taking not more than one unit of graduate work or more than five hours of undergraduate work in a semester, or students taking not more than one-half unit of graduate work or more than three hours of undergraduate work in the eight-week summer session.

There is a loophole in these arrangements. It lies at the point of definition of a member of the staff. A person who has an appointment of any kind can claim to be a member of the staff and thus secure exemption from the hospital and medical insurance plan. It is precisely this group of persons, however, who fail to take advantage of the voluntary insurance plan for staff members. During recent years an increasing number of these persons have had illnesses or accidents, the bills for which they could not pay. The Office of the Dean of Students has had repeated requests for *ex post facto* admission to the insurance plan or for substantial aid from the student loan funds.

The Committee on Fees and Scholarships has reviewed the whole situation and now recommends that all resident students, including persons with part-time appointments to the staff, who are registered for more than one unit of graduate work or for more than five hours of undergraduate work be required to become members of the hospital and medical service plan for students.

I concur.

On motion of Mrs. Holt, this recommendation was approved.

DEPOSITORY FOR GEORGE A. MILLER FUND

(31) The Executive Committee on July 5, 1951, selected the Continental Illinois National Bank and Trust Company of Chicago, through its Trust Department, for safekeeping of securities and advice as to investments of the George A. Miller Fund. In connection therewith, the following resolution is required. It has been approved by the Legal Counsel and its adoption is recommended by the Comptroller.

Resolution

WHEREAS, under the will of the late Professor George A. Miller the Board of Trustees of the University of Illinois (hereinafter designated as The University) is to receive a certain bequest of cash and securities, and

WHEREAS, it is the present intention of The University that said bequest be held intact as an endowment fund, to be invested in stocks, bonds, or other income producing securities and the income accruing thereon disbursed for certain educational purposes as provided in said will, and

WHEREAS, it is deemed desirable that said securities be kept in a safe place, with the income collected by the safekeeping agency,

Now Therefore Be It Resolved, that the Continental Illinois National Bank and Trust Company of Chicago be and it hereby is designated as the depositary and safekeeping agency, in which bonds, stocks, securities, and other properties acquired from the estate of the said George A. Miller, or purchased or otherwise acquired from funds received from said estate which are the property of The University, may be deposited by its officers, agents, and employees, and

Be It Further Resolved, that Lloyd Morey, Comptroller, and A. J. Janata, Secretary of the Board of Trustees, acting jointly, be authorized, as approved by this Board or its committees acting under due authority, and upon such terms and conditions as to them shall seem proper:

1. To deliver to and deposit with the Continental Illinois National Bank and Trust Company of Chicago for safekeeping, custody, or other purposes any funds, bonds, stocks, securities, or other property owned or otherwise held by The University received from said estate of George A. Miller, and in connection therewith to open and maintain with said Continental Illinois National Bank and Trust Company of Chicago a safekeeping or custody account or accounts and to make the initial deposit therein and from time to time to make other and additional deposits and to sign orders and issue instructions to said Continental Illinois National Bank and Trust Company of Chicago for the conduct of said account or accounts, and

2. To cause to be withdrawn on the responsibility of, and at the risk of The University, and to sign orders and issue instructions for the handling, transfer, registration, sale, substitution, exchange and delivery of, any such funds, bonds, stocks, securities, and other property and the proceeds thereof, delivered to, deposited with, or otherwise held by said Continental Illinois National Bank and Trust Company of Chicago for the account of The University. Such withdrawals, substitutions, exchanges, and deliveries, whether subject to payment or not and whether pursuant to sale, exchange, or other transaction, may also be made by the bearer of any order, receipt, or request so signed, and

3. To purchase with such funds bonds, stocks, securities, and other property and to sign orders and issue instructions in connection with the purchase, payment, and registration thereof, and

4. To sell, pledge, transfer, assign, exchange, deposit with any reorganization committee, bondholders protective, or other committee or otherwise dispose of any such bonds, stocks, securities, and other property belonging to or standing in the name of The University or its nominee or held by The University for the account of others, and to sign orders and issue instructions regarding the handling of any matters connected with such transactions, and

5. To identify and guarantee assignments, transfers, and endorsements for transfer on such bonds, stock certificates, interim, participation, and other certificates and to identify and guarantee signatures on bond and stock powers of attorney pertaining thereto, and

6. To waive presentment, demand, protest, and notice of dishonor or protest and to give instructions in regard to the handling or delivery of any negotiable or non-negotiable documents received from said estate or deposited in said account, and

7. To sign reconcilements and certify to the correctness of statements pertaining to said account and approve and authorize adjustments therein, and

8. To act for The University in the transaction of business pertaining to said account and to sign orders and issue instructions to the Continental Illinois National Bank and Trust Company of Chicago in connection with funds received from the estate of said George A. Miller, and

Be It Further Resolved, that the Continental Illinois National Bank and Trust Company of Chicago shall receive customary and reasonable compensation for the services specified herein, and

Be It Further Resolved, that A. J. Janata, Secretary of the Board of Trustees, be authorized to delegate to Everett G. Smith, Executive Clerk in the President's Office, and Maude Archdeacon, Chief Clerk in the Board of Trustees' Office, authority to sign his name to orders for the purchase, sale, or transfer of securities held in the herein provided depositary and safekeeping agency, as approved by this Board or its committees acting under due authority; and that Lloyd Morey, Comptroller, be authorized to delegate to C. C. DeLong, Bursar, and H. O. Farber, Assistant Comptroller, authority to sign his name to such orders under the same circumstances, and

Be It Further Resolved, that the officers named pursuant to this resolution are authorized to take all such actions as may be necessary to carry out the intent hereof, and

Be It Further Resolved, that the Secretary of the Board of Trustees of the University of Illinois be and he hereby is authorized to certify to said Bank a copy of these resolutions and the names and signatures of the Board's said officers and their said deputies hereby authorized to act in the premises, and said Bank is hereby authorized to rely upon said certificate until formally advised by a subsequent and like certificate of any changes therein, and is also authorized to rely on any such additional or subsequent certificates.

On motion of Mr. Megran, this resolution was adopted by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

ACCEPTANCE OF GRANT OFFER OF THE ADMINISTRATOR OF CIVIL AERONAUTICS

(32) The University has undertaken to make certain improvements at its airport under a plan of cooperation with the Civil Aeronautics Administration and the State Department of Aeronautics whereby those two agencies and the University will provide funds for the improvements. Although the Board of Trustees has already authorized this program, and the Executive Committee of the Board has taken supplementary action approving certain modifications in this plan, the federal authorities now require adoption of the following formal resolution:

*Resolution Accepting, Adopting, and Authorizing Execution of Acceptance of
Grant Offer of the Administrator of Civil Aeronautics, Constituting
Grant Agreement Between the Board of Trustees, University of
Illinois, and the State of Illinois, Department of Aero-
nautics, Co-Sponsors, and the United States*

WHEREAS, the Administrator of Civil Aeronautics, for and in behalf of the United States, has extended to the Board of Trustees, University of Illinois and the State of Illinois, Department of Aeronautics, Co-Sponsors, a formal Grant Offer, dated March 17, 1951, pursuant to the Project Application of the Board of Trustees, University of Illinois and the State of Illinois, Department of Aero-

nautics, Co-Sponsors, submitted to the Civil Aeronautics Administration, dated March 19, 1951, all as hereinbelow set forth, and all relating to the development of the University of Illinois Airport, the same bearing F. A. A. Project No. 9-11-026-101; and

WHEREAS, pursuant to and for the purposes of carrying out the provisions of the Federal Airport Act (60 Stat. 170; Public Law 377, 79th Congress) it is necessary that said Grant Offer be duly and formally accepted by the Board of Trustees, University of Illinois and the State of Illinois, Department of Aeronautics, Co-Sponsors; and WHEREAS, such Grant Offer and such Acceptance thereof, duly executed, together shall constitute the Grant Agreement between the Board of Trustees, University of Illinois and the State of Illinois, Department of Aeronautics, Co-Sponsors, and the United States relating to said airport development project; and

WHEREAS, the said Grant Offer is in the words, figures and form following:

[At this point there are inserted as integral parts of the Resolution copies of the Grant Agreement with the Civil Aeronautics Administration, the Project Application made by the University of Illinois, a property line map of the University of Illinois Airport labeled "Exhibit A" and an "Agency and Participation Agreement" with the State Department of Aeronautics. A certified copy of the Resolution in the records of the Secretary of the Board contains all of these documents.]

and

WHEREAS, pursuant to authority conferred by motion passed and adopted at a regular meeting of the Board of Trustees of the University of Illinois held on March 13, 1951, as set forth in the following true and correct copy of an extract from the minutes of said meeting, to wit:

[At this point in the Resolution there is inserted the above described extract from the Minutes of the Board of Trustees meeting of March 13, 1951, as printed on pages 640-641.]

the Comptroller and the Secretary of the Board did on the 28th day of June, A.D., 1951, execute for and in behalf of the Board of Trustees, University of Illinois the Acceptance of said Grant Offer.

Now, Therefore, upon consideration of said Grant Offer and all the terms, provisions, conditions and exhibits therein and thereto, Be It, and It Is Herby Resolved by the Board of Trustees, University of Illinois, Acting by and Through Its Executive Committee in Regular Meeting Assembled, as follows:

1. That the Board of Trustees, University of Illinois accept, and it does by these presents accept the Grant Offer extended to it by the Administrator of Civil Aeronautics, for and in behalf of the United States, in the words, figures and form as hereinabove set forth; and that it ratify and confirm, and it does by these presents, ratify and confirm the action of the Comptroller and the Secretary of the Board in causing the Acceptance of such Grant Offer, in the words, figures and form as hereinabove set forth, to be duly executed by them in the name of, and for and in behalf of the Board of Trustees, University of Illinois, on to-wit, the 28th day of June, A.D., 1951, be and the same is hereby ratified, confirmed and adopted, such Grant Offer and such Acceptance thereof, duly executed as above set forth, to constitute a binding Grant Agreement with the United States.

2. That the Project Application, dated March 17, A.D., 1951, executed and submitted to the Civil Aeronautics Administration relating to Federal Aid Airport Project No. 9-11-026-101, including all the statements, representations, warranties, covenants, assurances, and agreements contained therein, be and the same is hereby ratified, confirmed and adopted.

3. That the Agency and Participation Agreement attached thereto and by reference made a part thereof, entered into on the 17th day of March, A.D., 1951, by the Board of Trustees, University of Illinois, and on the 8th day of May, A.D., 1951, by the State of Illinois, Department of Aeronautics be, and the same is hereby confirmed and ratified, reserving, however, the right, conditional upon approval by the Civil Aeronautics Administration, to enter into a Supplemental Agency and Participation Agreement with the State of Illinois, Department of

Aeronautics, as will accurately speak the fact of certain changes and modifications in the scope of work involved in said project and the respective responsibilities of the parties hereto as respects the accomplishment and payment of the costs and expenses of such work.

On motion of Mr. Hickman, this resolution was adopted by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Livingston, Mr. Megrain, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson; not voting, Mr. Johnston.

AGREEMENT WITH STATE DEPARTMENT OF PUBLIC WELFARE

(33) The University has an agreement with the State Department of Public Welfare covering the joint operations of certain medical institutions and services in connection with the Chicago Professional Colleges and the Research and Educational Hospitals.

This plan of operation includes the Illinois Neuropsychiatric Institute. The Department provides a hospital building, laboratory and scientific equipment and supplies; the University furnishes the professional staff. The University also provides the physical plant service, food service, laundry, drugs, and medicines, for which it is reimbursed by the Department. This requires dual appropriations in the state budget, one from state revenues to the Department from which it reimburses the University and a corresponding estimate must be included in the appropriation from the University Income Fund in which payments made to the University by the Department are deposited.

The Commission to Study State Government recommended that the Institute be transferred to the University, and a bill authorizing this was introduced in the Sixty-seventh General Assembly. The Department of Public Welfare and the University supported this bill. It included an appropriation to the University of \$1,405,700, the amount agreed upon by the two agencies. This bill passed and has been approved by the Governor.

There is also the Illinois State Psychopathic Institute in the Department of Public Welfare, housed in the Illinois Neuropsychiatric Institute building. With the consent of the University, Dr. Percival Bailey, Professor of Neurology, has been appointed Director of the Institute on part time. Representatives of the Department and the University have agreed upon the following statement to govern relations between the Illinois Psychopathic Institute and the University and the obligations to be assumed by each party:

The purpose of the Institute shall be to act as liaison between the State Mental Health Service and the University of Illinois in a cooperative effort to improve the quality of the medical personnel dealing with patients committed to their care and to seek new and improved methods of treatment and/or cure for the afflictions from which they suffer. In the promotion of these purposes the Institute shall furnish consultative services to the Mental Health Services of the Department of Public Welfare of the State of Illinois and to its institutions and divisions, shall carry on and promote research into the causes and possible means of treatment and/or cure of mental disorders and shall initiate and/or cooperate in programs for the training and improvement of the residents and medical personnel of the institutions and divisions of the Mental Health Service.

In support of this purpose, it is recommended that the following statement of understanding be acknowledged by the Department of Public Welfare and the University of Illinois:

1. The Department and the University mutually agree to promote in every way possible the purposes for which the Illinois State Psychopathic Institute was founded.

2. The Department obligates itself to pay the salaries of the personnel of the Institute and furnish funds for its work, both investigative and educational.

3. The Department will free the Institute of all obligations for routine service to the state hospitals and other state institutions except for consultative, research, and educational services.

4. The University agrees to furnish, free of rental, to the Illinois State Psychopathic Institute, space in the building previously known as the Illinois Neuropsychiatric Institute, at 912 South Wood Street, Chicago, Illinois, together with

janitor service and other maintenance. This space shall be adequate for the purposes of the Institute as agreed upon from time to time by its Director and the University authorities. At the present time, it consists of the following rooms: second floor south—rooms 207, 208, 209, 210, 211, 225; third floor south—rooms 307, 308; fifth floor north—rooms 555, 560, 562, 563, 564, 565, 566, 567; basement—rooms 27A, 28, 29, 30, 67.

5. The Director of the Illinois State Psychopathic Institute shall be appointed by the Department on nomination by the University and shall be removed on written request of either party. He must have qualifications which will entitle him to appointment on indefinite tenure in the Department of Psychiatry or the Department of Neurology and Neurological Surgery of the University.

6. The personnel of the Institute, apart from the Director, shall be chosen by its Director after consultation with the Department of Public Welfare.

7. The University agrees to cooperate with the Director of the Illinois State Psychopathic Institute in making the resources of the University available to the educational, consultative, and investigative program of the Institute. As a corollary to this, the Department and the University agree to continue their friendly relationships of many years' standing, in that requests for reference and transfer back and forth between the University Hospital and Institutes and the Welfare institutions, shall be freely made and carefully considered in a spirit of mutual helpfulness and cooperation.

8. Amendment or extension of this understanding can be effected by discussion and agreement between the proper authorities representing the Department of Public Welfare and the University together with the Director of the Illinois State Psychopathic Institute.

The Vice-President in charge of the Chicago Professional Colleges and the Comptroller recommend that this statement of policy and procedure be approved, with the understanding that it will be incorporated in a formal contract to be executed by both parties.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such a contract upon approval of the same by the Vice-President in charge of the Chicago Professional Colleges and the Legal Counsel.

On motion of Mr. Hickman, this statement of policy and procedure was approved and the execution of a contract based on the same was authorized by the following vote: Aye, Mr. Fornof, Mr. Grange, Mr. Hickman, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megrain, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Herrick, Mr. Stevenson.

CONTRACT BETWEEN THE UNIVERSITY OF ILLINOIS AND PRESBYTERIAN HOSPITAL OF CHICAGO

(34) On July 1, 1941, the Board of Trustees entered into an agreement of affiliation with the Presbyterian Hospital of the city of Chicago under which certain facilities in Presbyterian Hospital were made available to the University for teaching purposes. The University, in return, appoints to its faculty, certain members of the Presbyterian Hospital staff, designated as Rush Presbyterian Hospital Staff, and pays them salaries for part-time services. This plan has created a problem, for the staff participates in the University Retirement System of Illinois and the University deducts from their salaries five per cent for contributions to the System. Presbyterian Hospital has no retirement system.

A contract has been negotiated with the Presbyterian Hospital making available to the University nine beds for teaching purposes and the services of the necessary teaching and clerical personnel, laboratory facilities, and such other facilities as are required to maintain the beds for the University's use.

The contract provides that the University shall pay Presbyterian Hospital \$60,775 a year, which is the approximate amount that would be paid by the University in salaries under the present arrangement. The University will discontinue payment of salaries to Rush Presbyterian staff and the Hospital will assume this obligation. Funds are available in the proposed 1951-1952 budget of the College of Medicine to meet these contract payments for hospital facilities.

The contract with the Presbyterian Hospital provides that:

(a) The University will pay \$60,775 annually for which the Hospital will furnish nine beds, teaching staff, and other services necessary to maintain such beds.

(b) Renewal is automatic from year to year unless terminated by either party by written notice prior to June 30 of any year.

(c) The amount to be paid is subject to revision upon a written request of either party to the other prior to the first day of any year.

(d) Any adjustment in payments will be based upon the actual cost to the Hospital of maintaining the beds.

The Vice-President in charge of the Chicago Professional Colleges, the Dean of the College of Medicine, and the Comptroller recommend approval.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such a contract with the Presbyterian Hospital of the city of Chicago.

On motion of Mr. Nickell, this contract was authorized.

LICENSE OF ALLIS-CHALMERS MANUFACTURING COMPANY UNDER KERST PATENT

(35) The Allis-Chalmers Manufacturing Company, West Allis, Wisconsin, has been negotiating with the University for a license to manufacture betatrons embodying the improvement covered by U. S. Patent 2,545,958 which is held by the University. This is a patent covering a new and useful improvement in "induction accelerators" granted on application of Professor Donald W. Kerst, who assigned it to the University. Professor Kerst and the Department of Physics recommend that the Allis-Chalmers Manufacturing Company be granted a royalty-free nonexclusive license because (a) the apparatus will be used for research purposes for the benefit of mankind and no large-scale production is anticipated; and (b) Allis-Chalmers has been very cooperative with the University in the design and manufacture of equipment for research work. The University Research Board agrees with the royalty-free provision but is of the opinion that such a license should be granted for a period of five years, subject to renewal depending upon the extent to which the patent is used and the number of requests which might be received from other companies. The Research Board, therefore, recommends that Allis-Chalmers Manufacturing Company be granted a royalty-free nonexclusive license "to make, have others make for it, use and sell apparatus for which orders were accepted by Allis-Chalmers Manufacturing Company prior to March 21, 1956, embodying the invention claimed in U. S. Patent 2,545,958, Kerst, March 20, 1951."

I concur.

On motion of Mrs. Holt, a license on the terms recommended was authorized.

PROFESSIONAL SERVICES IN WATER RATES LITIGATION

(36) The Northern Illinois Water Corporation which operates the Champaign-Urbana water supply system, and with which the University has a contract for its water supply, has requested the Illinois Commerce Commission to approve an increase in rates. Officers of the University and of the local city governments are seeking information on the Corporation's financial operations to aid them in deciding whether or not higher rates are justified.

It is necessary to employ special auditors and legal counsel in securing such information and in representing the interests of Champaign and Urbana and the University before the Illinois Commerce Commission. The accounting firm of George Rossetter and Company, Chicago, which is currently employed by the Board of Trustees to audit University of Illinois accounts, is especially experienced in investigations of this kind. With the concurrence of local city officials, the Comptroller of the University invited representatives of this company to discuss the matter and they are now engaged in a preliminary study representing the three parties. The Comptroller recommends that the University join with the cities of Champaign and Urbana in employing this firm.

The University Legal Counsel recommends that the University join with Champaign and Urbana in employing special counsel to represent the interests

of these parties before the Illinois Commerce Commission. It would not be feasible for the Legal Counsel to undertake this assignment because the amount of time required would make it impossible for him to look after other University legal business. Also, for work of this kind it is advantageous to have counsel with special experience in rate litigation.

It is estimated that the total costs of these professional services, accounting and legal, will be approximately \$5,000. It is recommended that the University assume 30 per cent of the cost. The city of Champaign will assume 40 per cent and Urbana will assume 30 per cent.

I recommend that the Board of Trustees authorize the employment of George Rossetter and Company and an attorney to be selected by the cities of Champaign and Urbana and the University under this joint arrangement.

On motion of Mr. Johnston, authority was given as recommended, the selection of special counsel to be subject to approval by the President of the University.

ENGINEERING SERVICES FOR ABBOTT POWER PLANT

(37) There have been three additions to the Abbott Power Plant since it was first constructed in 1940. There are now four sets of drawings which must be analyzed to trace each individual circuit in order to diagnose and correct the cause of any operational troubles. This is not only time-consuming but increases likelihood of costly errors.

The capacity of the present generating equipment is barely sufficient to meet demands. In view of a potential deficiency in power production, it is important to have consolidated wiring diagrams of each control circuit in order to locate and correct promptly the cause of any trouble.

The Director of the Physical Plant and the Comptroller recommend employment of Sargent and Lundy, Chicago, consulting engineers on the design of the Abbott Power Plant and additions thereto, to prepare consolidated drawings. The firm offers to accept the assignment on the basis of the following charges: (a) engineering and drafting services, the actual salaries and wages of personnel employed, plus 100 per cent; (b) stenographic and clerical services, travel, and miscellaneous expense, at cost.

The estimated cost is \$2,000. Funds are available in the Physical Plant Operating Budget for this contract.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute such an agreement.

On motion of Mrs. Watkins, this recommendation was approved.

CONTRACT FOR SMALL HOMES COUNCIL CONSTRUCTION PROJECT

(38) The Acting Director of the Small Homes Council, the Dean of the College of Fine and Applied Arts, and the Comptroller recommend award of a contract for \$15,241.52 to Oran L. Shoemaker and Company, Champaign, the lowest bidder, for the construction of a flexible laboratory dwelling to be used in a study of "Design Criteria for Space in Dwellings" by the Small Homes Council.

Funds are available under a contract for a cooperative investigation between the Housing and Home Finance Agency and the University.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Fornof, this contract was authorized.

CONTRACT FOR PUMP VAULT

(39) The Director of the Physical Plant and the Comptroller recommend the award of a contract for \$6,995 to Clyde E. Gates, Champaign, the lowest bidder, for construction of a pump vault at the northwest corner of the Administration Building for the vacuum return heating system on the campus.

Funds are available in the Physical Plant Renewal and Replacement budget.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Grange, this contract was authorized.

**CONTRACT FOR ROAD AND WALK IMPROVEMENTS
IN HOUSING AREAS**

(40) The Director of the Physical Plant and the Comptroller recommend award of a contract for \$20,908 to the Champaign Asphalt Company, Champaign, the lowest bidder, for asphalt surfacing of roads and walks in the Stadium Terrace and Illini Village housing areas.

Funds are available in the income from the operations of Stadium Terrace and Illini Village for this maintenance work.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Megrain, this contract was authorized.

**ADDITIONS TO CONTRACTS FOR VETERINARY
MEDICINE BUILDING**

(41) The specifications for construction of the Veterinary Medicine Building did not include general site development. Estimates of cost of this phase of the work have been secured from the contractors who now have contracts for the construction of this building as follows:

Rough and finishing grading—John Felmley, Bloomington, General Contractor	\$9 567 00
Draining trench and grading at parking court—General Paving Company, Champaign, Parking Area Contractor.....	2 450 00
Yard and driveway drains and sewer lines connecting them—W. T. Mahoney and Sons, Chicago, Plumbing Contractor.....	4 536 74

All estimates have been checked by the architects and the Physical Plant Department and found to be reasonable. The Director of the Physical Plant and the Comptroller recommend the award of the contract additions.

Funds are available in the state appropriation for the construction of this building.

I concur and request that the Comptroller be authorized to execute these contract additions.

On motion of Mrs. Watkins, these changes in contracts were authorized.

**ADDITION TO CONTRACT FOR REMODELING OF QUARTERS
FOR DEPARTMENT OF BACTERIOLOGY**

(42) The Director of the Physical Plant and the Comptroller recommend an increase in the contract with Reliable Plumbing and Heating Company, Champaign, for remodeling in Noyes Laboratory for the Department of Bacteriology. This change will cover miscellaneous work in various rooms used by the Department, including additional radiators, water and air outlets. The estimated cost is \$1,310.

Funds are available in the appropriation for remodeling Noyes Laboratory.

I concur and request that the Comptroller be authorized to execute this contract addition.

On motion of Mr. Johnston, this contract change was authorized.

LEASE FOR THE CHICAGO OFFICES OF THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(44) The Chicago offices of the Division of Services for Crippled Children are in the Franklin-Adams Building at 222 West Adams Street, Chicago. An annual rental of approximately \$3.00 per square foot for 4,000 square feet of space occupied is paid from state appropriations made to the Division.

More space is needed. A proposal has been made by the State Department of Finance that the Division move into the State of Illinois Building (formerly the Burnham Building), 160 North LaSalle Street, recently purchased by the state of Illinois to provide offices for various state agencies. The Department of Finance operates the building on a revolving account basis, all state agencies housed in the building paying rent which is used to operate and maintain the building.

It is proposed that the University lease 4,600 square feet of space in this building at a rental of \$12,800 per year or approximately \$2.70 per square foot.

The space in the State of Illinois Building is much more adaptable to the needs of the Division of Services for Crippled Children and there is also the advantage of being closer to other state agencies with which the Division deals.

The Comptroller recommends that such a lease be approved. I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this lease for the period from August 1, 1951, through June 30, 1953.

On motion of Mr. Nickell, this lease was authorized.

COMMITTEE ON GENERAL POLICY

Mr. Johnston, for the Committee on General Policy, presented the following report:

MR. PARK LIVINGSTON
President, Board of Trustees
University of Illinois
Urbana, Illinois

CHICAGO, JULY 16, 1951

DEAR MR. PRESIDENT:

At the June meeting of the Board of Trustees you referred to and directed that the Policy Committee consider the following subjects:

- 1. Letter from Mr. J. H. Lyle, dated June 11, with an inclosure, relating to radio broadcasts made by Quincy Howe;
- 2. Letter from Mr. Lyle, dated June 6, having to do with President Stoddard's activities in connection with the UNESCO;
- 3. Letter dated June 8 from Professor Kemerer, with which he inclosed copy of letter same date which he addressed to President Stoddard regarding the College of Commerce controversy.

Your committee obtained through the Secretary of the Board copy of the manuscript used by Quincy Howe in his broadcasts beginning April 2 and continuing through June 9. This period was selected for the reason that it was that specifically referred to in the letter from Mr. J. H. Lyle, although the entire

period of the broadcasts was from September 17, 1950, to June 9, 1951. During this period of time Quincy Howe, visiting professor of Journalism and Communications, broadcast on 44 days. On 10 of the days Donald Brown, assistant professor of Journalism and Communications and news director of Station WILL, broadcast. On 2 days Gilbert Steiner, research associate of the Institute of Government and Public Affairs, broadcast. On one day Arthur Bestor, associate professor of History, broadcast, and on one day Harold Salzman, radio programmer assistant of Station WILL, broadcast. On two dates during this period there were no broadcasts. These broadcasts were of 5 minutes duration and were news analyses given each morning at 7:40 AM and repeated at 11:55 AM from Monday through Friday.

Mr. Howe was brought to the University of Illinois as visiting professor of Journalism and Communications for the academic year beginning September 1950 and ending June 1951. He has been recommended for a permanent appointment beginning next September. He is a distinguished journalist, one time member of the editorial staff of *The Atlantic Monthly*, is a former editor of *Living Age* and, in more recent years, was a news analyst for the Columbia Broadcasting System. Minute analysis made of the manuscript by your committee indicates that while Professor Howe dealt with very controversial subjects, we do not consider that the analyses of the subjects discussed by Professor Howe are detrimental to the best interest of the University; further, that inasmuch as Station WILL is endeavoring to provide the kind and type of program that will manifest interest of their listeners and equal to the programs provided by other radio stations, it is the view of your committee that as long as the position taken by this or any other commentator is not prejudicial to free enterprise or the American way of life, there is not any justification for the Board of Trustees to censor, condemn or criticize the commentator, station or the administrative officers of the University of Illinois for broadcasts of this type and character.

The letter of June 6 from Mr. Lyle deals with the activities of President Stoddard in connection with the UNESCO. Your committee has also considered the content of the criticism in this communication. There are many important factors, as we view it, that have prompted President Stoddard to take an active part in this work. What can or will be accomplished by this program perhaps can be indicated as problematical so far as the rank and file of American people are concerned, but like all other programs that are launched it is necessary for the leaders in their fields to not only initiate the ideas but to foster and nurture them. In view of this premise the committee can see no reason that it can advance for criticizing the activity in this program on the part of President Stoddard, particularly appreciating as we do his qualifications. We do not believe there has been an adverse effect upon the activities of the University because of the interest which he has taken in the UNESCO. Obviously, it is necessary for President Stoddard to be absent from the campus and in fact the country in order to be effective in this work. This viewpoint of your committee has been considered in light of the need for Doctor Stoddard's attention to the administration of the affairs of the University. It is our understanding that the President's term on this committee will soon expire and that he can not succeed himself to another term.

The third subject, that having to do with a letter of June 8 from Professor Kemmerer regarding the controversy in the College of Commerce, has also been reviewed by your committee, including the recent report of the Advisory Committee. It is our view that considerable damage has been done to the University thru this controversy and the delay in its disposition. Your committee has a very strong view that it is highly desirable in disposing of this controversy to first dispose of the selection of the Dean for the College of Commerce, and that with promptness. It is your committee's belief that this selection can be made without delay and that the proper selection would go a long way in overcoming the present unsatisfactory condition. This we feel is the first step, following which the new Dean should be afforded an opportunity to review all reports and recommendations, thereafter submitting his recommendations to the President of the University as to what further steps should be taken. In the meantime, the committee suggests that the Board receive any reports of progress in the College as submitted by the President of the University.

The communications which you handed to us were returned to you June 14.

[July 25]

For the information and perusal of the Board, we are attaching transcript of the manuscript used by Professor Howe in his broadcasts April 2 to June 9.

Sincerely yours,

HERBERT B. MEGRAN

ROBERT Z. HICKMAN

WAYNE A. JOHNSTON, *Chairman*

On motion of Mr. Nickell, this report was adopted.

BOND OF UNIVERSITY TREASURER

Mr. Fornof, for the Finance Committee, presented the following report:

In electing Mr. C. W. Weldon on March 13, 1951, for a term of two years, the Board fixed the bond at \$5,000,000 and instructed the Finance Committee to examine the bond and report on the same to the Board.

Mr. Weldon has offered a bond signed by himself as principal, with Edward E. Brown, James B. Forgan, and Homer J. Livingston as sureties for the required amount, providing for a full accounting for bonds and securities coming into the Treasurer's hands during his term of office and until his successor is elected and qualified. The Committee has examined this bond and recommends its approval.

On motion of Mr. Fornof, the recommendation of the Finance Committee was approved.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board resumed consideration of the following recommendations and reports presented by President Stoddard.

CHAIRMANSHIP OF DEPARTMENT OF ECONOMICS

(45) President Stoddard reported that Professor Everett E. Hagen, Chairman of the Department of Economics, has announced his resignation effective August 31, 1951, and has asked to be relieved of his administrative duties as Chairman for the rest of the academic year. The President stated that he had accepted Professor Hagen's proposal to be relieved as Chairman effective July 25, 1951, and had asked Acting Dean Robert R. Hudelson of the College of Commerce and Business Administration to serve also as Acting Chairman of the Department of Economics.

On motion of Mrs. Watkins, the action of the President in relieving Professor Hagen of the chairmanship of the Department was confirmed and the appointment of Dean Hudelson as Acting Chairman was approved.

LEGISLATION BEFORE THE SIXTY-SEVENTH GENERAL ASSEMBLY OF ILLINOIS AFFECTING THE UNIVERSITY

(46) The President of the University presented, for the information of the Board, a digest of the bills introduced in the Sixty-seventh General Assembly of Illinois affecting the University. A copy of this report is filed with the Secretary of the Board as a matter of record.

SEPTEMBER MEETING OF THE BOARD

On motion of Mr. Johnston, the Board voted to dispense with a regular meeting in August and to hold its next meeting in Chicago, Illinois, on September 19, 1951, the hour and place to be determined by the President of the Board.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) fellows; (3) graduate fellows; (4) resignations, declinations, and cancellations; (5) leaves of absence.

APPENDIX

THE UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1951-1952

(Approved by the Board of Trustees July 25, 1951, page 855)

EXPLANATORY NOTES

This budget consists of three divisions:

- I. Summaries of all divisions; Urbana-Champaign divisions and General University Administration—Academic and Administrative Salaries, Wages, Expense, and Equipment.
- II. Chicago Professional Colleges, Division of Services for Crippled Children, and Chicago Undergraduate Division—Academic and Administrative Salaries, Wages, Expense, and Equipment.
- III. Nonacademic Salaries, all divisions.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1951.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may, pending the appointment of someone to the position, be drawn against by time cards submitted to the Business Office for services of employees temporarily engaged to do the work contemplated by the position. Such temporary charges *may not exceed the amount of time provided* by the position unless indicated herein or otherwise approved by the President.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries," "Wages," and "Expense and Equipment." No transfers may be made between "Salaries" and "Expense and Equipment" except with the approval of the President of the University. Requests for such changes should be submitted through the Comptroller. Adjustments may be requested between "Salaries" and "Wages" or between "Wages" and "Expense and Equipment" upon notice to the Comptroller, stating the reason for such transfer.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1951, and ending June 30, 1952. All unexpended balances lapse June 30, 1952. The reappropriation of funds will be considered only in special situations.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds and budgets indicated as "from receipts" are on an estimated basis. Unless otherwise indicated, appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity.

The services required for members of the academic and administrative staff are in accordance with "Terms of Employment" adopted by the Board of Trustees on January 8, 1948.

a. For those positions or portion of positions indicated as "Y", services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as "Y".

b. For those positions or portion of positions not indicated as "Y", services are required only during the regular academic year of two semesters (three terms in Chicago Professional Colleges). If teaching is required during the Summer Session, it will be covered by an additional appointment with salary.

The services required for members of the nonacademic staff are for a full year of twelve months, with allowance for vacation, in accordance with civil service regulations.

Tenure Symbols (a number following a tenure symbol indicates percentage of time)

A — Indefinite tenure, payable in twelve monthly installments.

B — Two years from September 1, 1951, payable in twelve installments.

D — One year from September 1, 1951, payable in twelve installments.

- E — The academic year 1951-1952, payable in ten installments of which the first and last shall be half installments and the other eight full installments equal to one-ninth of the annual salary.
- G — Special tenure as described.
- N — In accordance with civil service regulations, effective July 1, 1951, at the annual salary indicated.
- P — In accordance with civil service regulations on an hourly basis in accordance with prevailing rate contracts. Amount indicated is estimated annual salary based on normal number of hours.
- H — In accordance with civil service regulations on an hourly basis.
- Y — When following A, B, D, and G, indicates that services are required throughout the year, except for allowable vacation, without additional compensation.

Perquisite Symbols (for the convenience of the employee unless otherwise indicated)

- M — Furnished one meal a day valued at \$8 a month in Chicago and \$7 a month in Urbana.
- MM — Furnished two meals a day valued at \$16 a month in Chicago and \$14 a month in Urbana.
- R — Furnished room valued at \$16 a month in Chicago; \$10 a month in Urbana Residence Halls; \$7 a month in McKinley Hospital.
- RB — Furnished room and board valued at \$40 a month in Chicago and \$31 a month in Urbana Residence Halls; \$28 a month in McKinley Hospital.
- U — For the convenience of the University rather than the employee.

¹ Expenditures may not exceed actual receipts if less than estimate.
² Agricultural Income realized over estimate and reserved for the use of the College of Agriculture may be assigned, upon recommendation of the Dean of the College of Agriculture, to the department earning such income in a total amount not exceeding \$10,000 in any one fiscal year or \$1,000 for any one item. If income of \$220,000 is not realized, appropriations to departments will be reduced accordingly.

Note: The distribution between college (C) and station (S) from state funds in the following budgets is based upon the estimated amount of time to be devoted to each activity during the full twelve-month period and does not restrict the amount of teaching in any semester or for the year as a whole to the percentage of time shown for college.

Explanations of Symbols in Titles:
C = College; S = Station; E = Extension
