MEETING OF THE BOARD OF TRUSTEES

OF THE

UNIVERSITY OF ILLINOIS

July 25, 1953

The July meeting of the Board of Trustees of the University of Illinois was held in the Illini Union Building, Urbana, Illinois, on Saturday, July 25, 1953, beginning at 9:30 a.m. (C.D.S.T.).

The following members were present: Mr. Cushman B. Bissell, Mr. Harold E. Grange, Mr. Wirt Herrick, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Herbert B. Megran, Mr. Vernon L. Nickell, Mrs. Frances B. Watkins. Mr. Robert Z. Hickman and Governor William G. Stratton were absent.

Also present were: President George D. Stoddard, Provost Coleman R. Griffith, Mr. Ralph F. Lesemann, Legal Counsel, Mr. H. O. Farber, Assistant Comptroller, Mr. Arthur R. Wildhagen, Assistant Director of Public Relations, and the officers of the Board, Messrs. Lloyd Morey, Comptroller, C. W. Weldon, Treasurer, and A. J. Janata, Secretary of the Board.

MEETING OF THE COMMITTEE OF THE WHOLE JULY 24, 1953

A meeting of the Board of Trustees, sitting as a Committee of the Whole, was held in the Illini Union Building, Urbana, Illinois, on Friday evening, July 24, 1953, beginning at 8:00 p.m., for a study of the University's operating budget for 1953-1954 and to consider reports of standing and special committees.

Executive Session

When the Board of Trustees convened at 9:30 a.m. on July 25, 1953, an Executive Session was ordered to consider the following matters of business.

RESIGNATION OF DR. GEORGE D. STODDARD AS PRESIDENT OF THE UNIVERSITY

The resignation of Dr. George D. Stoddard as President of the University as of August 31, 1953, was presented.

On motion of Mr. Bissell, this resignation was accepted, effective August 31, 1953, and President Stoddard was given terminal leave of absence with full pay to February 1, 1954.

ELECTION OF LLOYD MOREY AS ACTING PRESIDENT

On motion of Mr. Grange, Mr. Lloyd Morey, Comptroller, was elected Acting President of the University to serve at the pleasure of the Board beginning September 1, 1953, at an annual salary of $23,500, including the use of the President's house and automobile for the convenience of the University.

RESIGNATION OF DR. COLEMAN R. GRIFFITH AS PROVOST OF THE UNIVERSITY

The resignation of Dr. Coleman R. Griffith as Provost of the University to take effect as of August 31, 1953, was presented.

On motion of Mr. Herrick, this resignation was accepted effective August 31, 1953, with the provision that Dr. Griffith, who is also Professor of Education on indefinite tenure, be continued in that position and at his present salary rate of $17,200 per year from September 1, 1953, until February 1, 1954, his salary thereafter to be determined by the Acting President.

EXECUTIVE COMMITTEE EMPOWERED TO ACT

On motion of Mr. Johnston, the Executive Committee was empowered to take any actions necessary to effect the changes in the University's administration resulting from the resignations of President Stoddard and Provost Griffith and the election of Comptroller Morey as Acting President, including the appointment of an Acting Comptroller of the Board of Trustees and of the University.

ADMINISTRATION OF THE CHICAGO PROFESSIONAL COLLEGES

The following report was submitted by the President of the University for consideration in connection with the Report of the Committee on the Chicago Departments presented at the meeting on June 22, 1953:

Report to the Board of Trustees on the Administration of the Chicago Professional Colleges

GEORGE D. STODDARD

July 16, 1953

I

On November 28, 1952, I made two major recommendations for the administrative reorganization of the Chicago Professional Colleges as follows:

That the position of Vice-President of the University in Charge of the Chicago Professional Colleges be abolished as of December 1, 1952. (This position was established by action of the Board of Trustees on June 27, 1946, to take effect September 1, 1946, with the concurrence of President Willard and President-elect Stoddard.)

That the Dean of the College of Medicine be designated also the Executive Dean of the Chicago Professional Colleges (this was the plan for three years prior to September 1, 1946) and that there be established the position of Associate Dean of the College of Medicine.

These recommendations, together with other items in my report of that date, were referred to the Committee on the Chicago Departments.

I have now had an opportunity to study the report of the Chicago Departments Committee, which was made available to the Board on June 22, 1953. (I had not seen the report prior to that occasion.) In the paragraphs that follow I shall refer to the Chicago Departments Committee as the Committee.

The Committee rightly emphasizes the extent and complexity of the total program of instruction, research, and public service carried on in the Professional Colleges. The Committee also properly emphasizes the important place of the University's Professional Colleges in the developing Medical Center.

The Committee then comes immediately to the conclusion that there is a "need for a full-time administrative head for the Chicago Professional Colleges," pointing out that, in addition to the duties implied above, there is the need to secure in the chief administrative officer "detachment, impartiality, and objectivity."

The Committee points out that in 1938 the Office of Vice-President in Charge of the Professional Colleges was recommended by the University's Bureau of Institutional Research.

Accordingly the Committee recommends the continuation of the Office of Vice-President, with clearly defined duties, and an additional administrator, a Medical Director of the Research and Educational Hospitals, who should be "a separate, full-time official."

. . .

It is to these considerations and to some others not mentioned by the Committee that we should give serious consideration. It is my feeling — a feeling widely shared in medical circles — that the decisions to be made now will have a long-time bearing on the success of the health professions at the University of Illinois.

II

Certainly there is no question about the significance of this great cluster of resources in the health professions. In both size and quality Illinois ranks in the top bracket of such schools in the United States. Temporarily we shall not increase in size in spite of the student demand for professional training and a general demand for professional services, but it is likely that an upward turn will take place within a few years. This is the stated policy of the Board of Trustees, and it is backed by recent building developments. The pressing problem is how to improve the quality of our academic program and to strengthen morale.

The Committee is, of course, right in asking for detachment and impartiality, but such traits can be found in one individual holding more than one office. I believe that detachment is a function of the stature and integrity of a man. When

Dr. Raymond B. Allen, now Chancellor of the University of California at Los Angeles, came to the University of Illinois in 1939 it was solely as Executive Dean of the Professional Colleges. This followed the recommendation of the Bureau referred to above, except that President Willard vetoed the proposal of a vice-presidency. It is noteworthy, however, that four years later when a vacancy occurred in the deanship of the College of Medicine, Dr. Allen was made both Executive Dean of the Professional Colleges and Dean of the College of Medicine. He continued to administer these posts in an effective and amiable fashion until he left the University in the summer of 1946 to become President of the University of Washington.

The plain truth is that, whatever the title he carries and whatever the statement of his duties, *the chief executive officer of the Professional Colleges will find that 89 per cent of his total budget is devoted to the College of Medicine and its components.* This is shown in the following table.

Chicago Professional Colleges
Statistics Based on the Budget for 1952-1953

	Staff Members (full-time equivalent)				Total Appropriations (salaries, wages, and equipment)
	Academic	Non-academic	Non-salaried	Total number	
College of Medicine and Constituent Units					
College of Medicine	198	143	730	1071	$2 197 000
Research and Educational Hospitals	7	626	..	633	4 083 000
Nursing Education	11	4	..	15	104 000
Physical Environment Laboratory	3	5	..	8	63 000
Total, Medicine	(219)	(778)	(730)	(1 727)	(6 447 000)
College of Dentistry	47	51	..	98	559 000
College of Pharmacy	32	14	..	46	258 000

The conclusion to be derived from this table is clear. *When decisions as to personnel, program, facilities, and plans have been made in the College of Medicine, they are valid and operative for most of the total enterprise at the Professional Colleges.* To a large extent, a review by a separate medical officer is a rehashing of decisions made by the Dean of Medicine. In my opinion, such a review by one medical man placed directly over another is wasteful and conducive to vagueness and to delay. A review is needed in only two respects: (a) to consider the impact of medical decisions on the Colleges of Dentistry and Pharmacy and to see that joint decisions among the Colleges are based on joint discussion and (b) through the work of the *general* officers of the University — the Comptroller, the Provost, and the President — to relate the health professions to other University programs in order to make sure that policies established by the Board of Trustees are maintained.

Conditions have changed since 1938. At that time there were three independent colleges — Medicine, Dentistry, and Pharmacy, with many of the chief administrative officers, departmental heads, and staff members on a part-time basis. It was necessary to establish a cohesive pattern in order that everyone would really regard himself as a part of the University of Illinois. This is not the main problem today. Over the years the deans, directors, and department heads have taken hold, and they have been assisted by experienced administrators in the Graduate College, the Business Office, and the Offices of Nonacademic Personnel, Student Affairs, and Public Relations.

The great need now is for imaginative leadership based upon academic and professional ability — a leadership that will inspire staff members and students. We want administrators who are proud of their men and will search widely to get the best that can be found. We have an excellent illustration of this process

in the staff and student body of the Department of Chemistry under Professor Roger Adams.

I agree with the Committee that there should be a Medical Director of the Hospitals, but I regard it as crucial that the Medical Director be placed under the Dean of Medicine, preferably as an Associate Dean of the College of Medicine. If there must be a change in medical deans — and frequent changes are to be deplored — then each new dean in turn should have jurisdiction over the focal point of his work, namely, the Research and Educational Hospitals. One of the aims I have in mind is to fix the lines of responsibility so as to stabilize the administrative set-up.

Experience in the past several months under the temporary arrangement of an Administrative Committee leads to three observations:

That much of the work that has come to the Vice-President's Office is work which, in other areas of the University, would have been done in stride by the deans or directors; since the higher office existed it was natural to await final decisions there.

That the professional faculties in their respective colleges should be encouraged to assume more academic and professional responsibilities in order that Illinois may be placed in a better competitive position in the selection of students and interns and in the procurement of staff members willing to devote a larger proportion of their time to the University.

That the only solid public relations are those based upon the devotion, achievement, and imagination of the staff and student body. Regular community channels and news agencies may be expected to carry the message to the people of the state and to the nation. A thrilling example of this professional teamwork which required no stimulation but only control in public information was the case of the Brodie twins.

Actually, since the arrangement of 1939-1943 there has not been a Vice-President or Executive Dean on a full-time basis. The present Vice-President is also a professor in Clinical Science and Head of that Department; he has been able to devote a substantial amount of his time to medical research and to public matters. The members of the Board of Trustees whose service goes back to 1946 will recall, I am sure, that the setting up of the Office of Vice-President was not based on a study of the administrative plan in the Professional Colleges.

To summarize, in view of the historical development of the Professional Colleges, together with the comparative experience under various organizational plans, I am unable to support the idea of a "floating" Vice-President without other assigned duties. It would mean the placing of one high-salaried officer directly over three other officers who are not only responsible but also in a position to solve their problems, as it were, from the ground up.

Permit me to say here, to avoid any possible misunderstanding, that I regard all the health professions as being on an equal basis, and they should be so in view of their equally valuable contributions to society. The realities I have touched upon have nothing to do with priorities among colleges and divisions, but with differences in size, complexity, and administrative function.

In the recommendations that follow I shall not attempt to outline the duties of the officers listed. The positions themselves indicate to some degree the respective areas of responsibility. Where more is needed I think a few brief statements could be developed jointly by representatives of the faculty, the administration, and the Board of Trustees.

III

Recommendations for Action

It is recommended:

1. That the position of Vice-President of the University in Charge of the Chicago Professional Colleges be abolished as of September 1, 1953.

2. That the Dean of the College of Medicine be designated also the Executive Dean of the Chicago Professional Colleges and Chairman of the Administrative Committee recommended below.

3. That an Administrative Committee for the Chicago Professional Colleges be established, to be composed of the Dean of the College of Medicine as Chairman; the Dean of the College of Dentistry; the Dean of the College of Pharmacy;

the Associate Dean of the College of Medicine and Medical Director of the Research and Educational Hospitals (see below); and the Director of the School of Nursing.

4. That there be established the combined office of Associate Dean of the College of Medicine and Medical Director of the Research and Educational Hospitals.

5. That the present temporary Administrative Committee be continued until the Dean of the College of Medicine and Executive Dean of the Professional Colleges takes office.

No action was taken on this report. (See action taken on Report of the Committee on Chicago Departments, page 739.)

Report of the Chicago Departments Committee

Mrs. Watkins presented the following report:

The Chicago Professional Colleges of the University of Illinois include the Colleges of Medicine, Dentistry, and Pharmacy, the Graduate College, the School of Nursing, the Research and Educational Hospitals, the Neuropsychiatric Institute, and the following offices, bureaus, and auxiliary or cooperative services: Illinois Eye and Ear Infirmary, Institution for Tuberculosis Research, Division of Services for Crippled Children, Aeromedical and Physical Environment Laboratory, Health Service, Public Relations Office, Business Office, Admissions and Records Office, Library, Physical Education Office, Office of Nonacademic Personnel, Physical Plant Department, Student Affairs Office, Animal Hospital, Chicago Illini Union.

The operating budget for 1952-1953 was $11,344,611, not including the separate budgets of the Institution for Tuberculosis Research and the Division of Services for Crippled Children.

The total investment in buildings, including those under construction, but excluding the steam plant and Neuropsychiatric Institute, amounts to $27,248,938.

Members of the academic staff for the past year, including part time and clinic, totaled 1,241; nonacademic, 1,468. Student enrollment was 1,540.

The completion of buildings or additions in process will increase space, equipment, services, staff, students, and budget.

The University of Illinois Professional Colleges constitute a large and important unit in the rapidly developing Medical Center, with an increasing need for guidance in leadership and cooperation with other units in the area and with the Medical Center Commission.

The foregoing facts indicate the scope, function, aims, services, investment, and personnel which the Chicago Departments Committee is convinced clearly indicates the need for a full-time administrative head for the Chicago Professional Colleges.

In addition to the need for full-time duty, the Committee is of the opinion that it is unwise to combine the chief administrative office with the deanship of the College of Medicine or any other deanship because of the need for detachment, impartiality, and objectivity.

The office of Vice-President in Charge of the Professional Colleges was recommended to the Board of Trustees in 1938 by President A. C. Willard, following a study of the colleges by the University's Bureau of Institutional Research. The Committee is convinced that there is a far greater need for the office today than there was fifteen years ago.

I. Therefore the Chicago Departments Committee recommends the continuation of the office of Vice-President in Charge of the Chicago Professional Colleges.

II. The Committee also recommends that the duties and responsibilities of the office be clearly stated in the Statutes.

The Research and Educational Hospitals have a 428 bed capacity, with 5,877 bed patients and 171,648 clinic visits at the last annual report. When the bed capacity is increased to 700, with occupation of the new addition, these hospitals will constitute one of the largest institutions in the Chicago area.

In the past, the Dean of the College of Medicine has also been Medical Director of the hospitals. Particularly in view of the expanding program, the Committee believes not only that the duties of the Dean of the College of Medicine require full time, but that the Medical Director of the hospitals should be a separate, full-time official.

Also the separation of the offices should serve to stabilize the hospitals' organization, which heretofore has been subjected to change with each change of medical deans.

III. Therefore the Chicago Departments Committee recommends the separation of the office and the appointment of a Medical Director of the Research and Educational Hospitals.

IV. The Committee also recommends that the duties and responsibilities of the Medical Director be clearly stated in the Statutes.

The Committee is giving further consideration to other recommendations on which it wishes to report at a later date.

CUSHMAN B. BISSELL
HAROLD E. GRANGE
FRANCES B. WATKINS, *Chairman*

On motion of Mrs. Watkins, this report was adopted and the recommendations of the Committee were approved by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, Mr. Johnston; absent, Mr. Hickman, Governor Stratton. Mr. Megran explained his vote stating that it was in recognition of the work the Committee has done on this matter during the past several months.

STATUS OF DR. A. C. IVY

On recommendation of the President of the University, and on motion of Mrs. Watkins, Dr. A. C. Ivy was appointed Distinguished Professor of Physiology and Head of the Department of Clinical Science in the College of Medicine on indefinite tenure, beginning September 1, 1953, at a salary of $18,500 a year.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board considered the following reports and recommendations from the President of the University.

PATENTABLE DISCOVERY

(1) Howard C. Roberts, Research Associate Professor in the Engineering Experiment Station, reports the development of a circuit to be used in an inductive-gauge for measurement of loads. The invention was conceived prior to his employment by the University and this is supported by documentary evidence. Furthermore, in the opinion of other qualified members of the staff of the Engineering Experiment Station, it is unlikely that this invention will have commercial value. Accordingly, the University Patent Committee recommends, and I concur, that the invention be released to the inventor.

On motion of Mr. Megran, this release was approved.

CLASSIFIED GOVERNMENT RESEARCH

(2) For a number of years various departments of the University have been doing research work under contracts with the Army, Navy, Air Force, and other federal agencies. Much of this research is classified and all University personnel engaged in any classified work or who have access to information concerning such projects must have security clearances.

The Munitions Board has recently issued new directives governing the position of boards of trustees of educational institutions and boards of directors of industries engaged in classified government research with respect to security clearances of such trustees and directors. The Chicago Air Regional Office of the Midcentral Air Procurement District has advised that its interpretation of this directive is quoted in part as follows:

"In order to bring the security clearances of the University up to present day requirements, it is necessary that all members of the Board of Trustees be cleared through Secret.

"An alternative to having all members of the Board cleared is that the Board, by official action and made a matter of record in the Board minutes, adopt a resolution that members who have not been cleared, and those members must be named, will not have access to classified security information, and in the conduct of the Board business classified material will not be discussed while members who are not cleared are present. A copy of the minutes or extract containing such resolution is to be filed with this office. If the Board feels that it does not need access to classified material, and they so state in their resolution, it will not be necessary to have any of them fill out Personnel Security Questionnaires and Fingerprint Cards."

The Inspector of Naval Material has explained the alternative to having all members of the Board of Trustees cleared as follows:

"The only exception to these regulations is for directors of a facility who will not have access to classified security information and are so designated by official action of the Board of Directors and made a matter of record in the corporate minutes and a copy of such minutes filed with this office."

Members of the Board of Trustees of the University of Illinois do not engage in pre-contract negotiations, do not supervise contract performance, do not have access to classified material, and classified information is not discussed at Board meetings. While it does not appear necessary for all the Trustees to secure clearances it would be desirable to have the members of the Executive Committee cleared so that they may engage in pre-contract negotiations and have access to classified materials whenever such procedure is required. Accordingly, it is recommended that the following declaration be adopted and made a part of the minutes of this meeting:

The Board of Trustees hereby declares that in its business meetings it does not engage in pre-contract negotiations, does not supervise contract performance, and that classified material is not discussed. Under the By-Laws of the Board of Trustees its Executive Committee, consisting of three members elected annually to serve for one year, possesses all the powers of the Board when in session except those powers specifically reserved to itself by the Board. The Executive Committee thus has full power to act for the Board on any contracts dealing with classified material. Accordingly, it will serve the purpose of security clearance if the members of the Executive Committee are cleared from year to year and this is so ordered.

On motion of Mr. Megran, this declaration was adopted and the Secretary of the Board was instructed to send certified copies to the governmental agencies concerned.

AUTHORITY FOR COMPROMISE SETTLEMENT OF SUIT AGAINST UNITED STATES GOVERNMENT UNDER CONTRACT NO. W-49-007-MD-388

(3) At its meeting held on February 23, 1953, the Board was informed of the institution by the University of a suit against the government in the United States Court of Claims under the above contract. The total amount for which the University has sued is $6,868.40. The government concedes that $361.90 of this amount is due the University. The dispute as to the balance of $6,506.50 hinges upon the question of whether the University is entitled to be reimbursed at the rate specified in the contract for beds set aside and held by it for the use of patients supplied by the Army Nutrition Laboratory but not actually occupied by such patients during portions of the period in which the contract was in effect. The University contends that it is entitled to such reimbursement for the unoccupied beds and those who negotiated the contract for the government admit that such was their intention when the contract was executed. The Comptroller General of the United States took the position that no payment is due for the unoccupied beds, however, and the government will defend the suit upon the basis of this contention if a settlement is not reached in it.

The attorneys who have filed the suit for the University report that, as a result of negotiations between them and the Assistant Attorney General in charge of the case for the government, they believe that they can effect a compromise settlement upon the basis of a reduction of not more than 15 per cent of the disputed portion of the University's claim. (This would constitute a reduction of

$975.98.) They have requested authority to submit an offer of settlement to the government upon this basis, if necessary, and have pointed out that the amount of the reduction of the University's claim contemplated by such a settlement would not exceed the cost to the University of trying the suit in an effort to secure the full amount of its claim. They have also stated that, if such a settlement is effected, they will reduce the amount of their contingent fee from 25 per cent to 20 per cent of the amount recovered upon the disputed portion of the University's claim.

While they and the University Legal Counsel believe that litigation of the University's claim will probably result in its allowance in full, it must be conceded that this result can not be said to be certain, and, for this reason and the foregoing considerations, the Comptroller and the Legal Counsel recommend that they be authorized to make a compromise settlement of the suit and claim, through a reduction in the latter of not more than 15 per cent of the disputed portion thereof, and to instruct the University's attorneys to attempt to so dispose of the suit.

I concur.

On motion of Mr. Bissell, this compromise settlement was authorized.

The Executive Session having been concluded, the Board recessed.

Open Session

The Board reconvened, in open session, to resume consideration of the following reports and recommendations from the President of the University and reports of Board committees.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

Name	*Address*	*State from Which They Obtained Certificates*
RICHARD SPRAGUE CHAMBERLAIN	Wellesley Hills, Massachusetts	Massachusetts
JACK A. CWAYGEL	Chicago, Illinois	District of Columbia
NORBERT JOHN GENIUSZ	Chicago, Illinois	South Dakota
CHARLES WILLIAM KNAPP, JR.	West Hartford, Connecticut	New York
ROGER ARDEN KOSLOSKE	Freeport, Illinois	Wisconsin

CHESTER HERMAN RUWE	Lincoln, Nebraska	Nebraska
EDGAR HENRY STENN	Chicago, Illinois	District of Columbia
JOSEPH ELWOOD TANSILL	Evanston, Illinois	New York
HARRY UCHITEL	Chicago, Illinois	New York
JAMES RICHARD WHITFIELD	Chicago, Illinois	North Carolina

I concur.

On motion of Mr. Grange, these certificates were awarded.

APPOINTMENT TO BOARD OF EXAMINERS IN ACCOUNTANCY

(5) The Committee on Accountancy recommends the appointment of Mr. Charles D. McDaniel, C.P.A., a partner in the firm of Arthur Andersen and Company, 120 South LaSalle Street, Chicago, to the Board of Examiners in Accountancy for a period of three years beginning July 1, 1953. Mr. George R. Catlett was previously appointed to this three-year term, but it has become necessary for him to resign as a member of the Board because he is being transferred by his firm from Chicago to St. Louis, Missouri.

I concur.

On motion of Mr. Johnston, this appointment was approved.

APPOINTMENTS OF HEADS OF DEPARTMENTS IN THE COLLEGE OF COMMERCE AND BUSINESS ADMINISTRATION

(6) The Board of Trustees has authorized the reorganization of the Department of Business Organization and Operation into five separate departments. The Dean of the College now recommends the following appointments to the headships of these departments, effective September 1, 1953:

Cecil A. Moyer as Professor and Head of the Department of Accountancy, on indefinite tenure, at a salary of $9,400.

Arnold C. Condon as Associate Professor and Head of the Department of Business Education, on indefinite tenure, at a salary of $7,700.

Essel R. Dillavou as Professor and Head of the Department of Business Law, on indefinite tenure, at a salary of $9,500.

Merten J. Mandeville as Professor and Head of the Department of Management, on indefinite tenure, at a salary of $8,600.

Paul D. Converse as Professor and Head of the Department of Marketing, on indefinite tenure, at a salary of $10,000.

In each case the members of the faculty of professorial rank who will be in the new departments have been consulted as required by the University Statutes. The Executive Committee of the College has also been consulted and concurs in the Dean's recommendations.

I recommend approval of these appointments.

On motion of Mr. Nickell, these appointments were approved.

APPOINTMENTS TO THE FACULTY

(7) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. WILLIAM A. ALLEE, Assistant Professor of Business Education, in the Department of Business Education, College of Commerce and Business Administration, beginning September 1, 1953, at an annual salary of $5,000 (B).

2. JOHN W. BARNARD, Research Professor in the Department of Electrical Engineering, Engineering Experiment Station, beginning August 1, 1953, at an annual salary of $10,000 (DY).

3. JOHN B. HALL, Clinical Assistant Professor in the Department of Pediatrics, College of Medicine, beginning September 1, 1953, without salary (DY).

4. WERNER KÄNZIG, Research Assistant Professor of Physics, beginning October 1, 1953, at an annual salary of $5,700 (DY).

5. JOSEPH L. LASKER, Associate Professor of Art, beginning September 1, 1953, at an annual salary of $6,300 (D).

6. GILBERT LING, Assistant Professor of Neurophysiology, in the Department of Psychiatry, beginning June 15, 1953, at an annual salary of $6,000 (DY).

7. DONALD P. MORRIS, Professor of Psychiatry and Mental Health, and Psychiatrist, Health Services, beginning September 7, 1953, at an annual salary of $12,000 (AY8o).

8. GEORGE A. SAXTON, JR., Director of the Respirator Unit, with the rank of Associate Professor, in the Department of Medicine, beginning July 8, 1953, at an annual salary of $10,500 (DY).

9. EDWARD W. SCHWARZ, Assistant Professor of Electrical Engineering, beginning September 1, 1953, at an annual salary of $5,000 (B).

10. DAVID WEI-CHI SHEN, Assistant Professor of Electrical Engineering, beginning December 1, 1953, at an annual salary of $5,500 (DY).

11. DONALD E. STROUT, Associate Professor of Library Science, beginning September 1, 1953, at an annual salary of $6,200 (B).

On motion of Mr. Herrick, these appointments were confirmed.

APPOINTMENTS TO PROFESSIONAL ADVISORY COMMITTEE OF THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(8) The Division of Services for Crippled Children has a Professional Advisory Committee appointed by the Board of Trustees. The present Committee was appointed to serve from January 1, 1951, through June 30, 1953, so that appointments would coincide with the fiscal biennium. The Director of the Division recommends the following reappointments and new appointments for a two-year term beginning July 1, 1953.

I concur.

Reappointments

ROBERT B. RUTHERFORD, M.D., Internist, 102 North Street, Peoria
L. D. RUTTLE, M.D., Anesthesiologist, 361 North Raynor, Joliet

On motion of Mr. Nickell, these appointments were approved.

PUBLICATION OF DOCTORAL THESES

(9) The Executive Faculty of the Graduate College recommends that publication of dissertations by candidates for the doctorate be no longer required but that all theses be microfilmed. The cost to each candidate will be $30. This will replace the present $35 fee and will also cover the publication of an abstract of six hundred words. Candidates may publish abstracts of more than six hundred words and secure additional reprints upon payment of a higher fee.

I concur in the recommendation of the Graduate College Faculty and recommend further that the fee of $30 be authorized and that the College be responsible for assessing any optional costs over and above this basic fee.

On motion of Mr. Megran, this recommendation was approved.

CONTINUATION PROGRAM IN NURSING FEES

(10) The Acting Director of the School of Nursing and the Committee on Fees and Scholarships recommend that, effective September 1, 1953, students enrolled in the Continuation Program in Nursing in the School of Nursing at the Chicago Professional Colleges be assessed fees as follows:

	Residents	*Nonresidents*
First quarter (full time)		
Tuition	$34 00	$107 00
Laboratory	10 00	10 00
Union Building	3 50	3 50
Second quarter (one-half of quarter)		
Tuition	17 00	53 50
Laboratory	5 00	5 00
Union Building	3 50	3 50

I concur.

On motion of Mr. Bissell, these fees were authorized.

TERMINATION OF FACULTY SERVICE CHARGE PAYMENTS TO THE UNION BUILDINGS

(11) Since 1943 the University has been making payments from its general funds to the Illini Union Building at Urbana and to the Chicago Illini Union Building income accounts of annual amounts equal to the income which would be paid in service charges by members of the staff if they were assessed the same charges as are students. The original plan provided for voluntary payments of the service charge by staff members. The assumption of these payments by the University was necessary because the financial situation of the buildings, and particularly the Illini Union at Urbana, was adversely affected during World War II by the decrease in enrollment.

During 1952-1953, the amounts budgeted for these payments were $96,050 at Urbana and $24,556 at Chicago.

The proposed budget for 1953-1954 includes increased appropriations to pay for the use of space in the Union Buildings by University offices, putting this payment on a business basis. With additional payment for University use of space and elimination of the debt service charges, the savings resulting from prepayment of the bonds outstanding (this is being recommended separately) and other operating adjustments, the Unions can operate on reduced income.

The proposed operating budget of the University for 1953-1954 has necessitated reductions in funds for existing programs, one of them being this payment of the service charges by the University. I recommend that these payments be discontinued and that the authority to make them granted by the Board on August 31, 1943, be terminated.

On motion of Mr. Johnston, this recommendation was approved.

PREPAYMENT OF THE ILLINI UNION BUILDING REVENUE BONDS

(12) On September 26, 1947, the Board of Trustees authorized the issuance of revenue bonds in the principal amount of $425,000 for the purpose of procuring funds necessary for the termination of the trust then existing between the University of Illinois Foundation and the Board of Trustees of the University of Illinois, and to reacquire the interest in the Illini Union Building conveyed to said Foundation pursuant to said trust.

These bonds were designated "Illini Union Building Revenue Bonds," were numbered 1 to 425, inclusive, were of the denomination of $1,000 each, were dated October 1, 1947, bonds numbered 1 to 395, inclusive, were to bear interest at the rate of one and one-half per cent per annum, and bonds numbered 396 to 425, inclusive, were to bear interest at the rate of one and three-fourths per cent per annum, with interest payable April 1, 1948, and semi-annually thereafter on the first day of April and October (including October 1, 1948) in each year, and the bonds were to become due serially, maturing on October 1 of each year, beginning with October 1, 1948, up to and including October 1, 1957.

The Resolution and the bonds provide that bonds numbered 286 to 425, inclusive, are redeemable as a whole at the option of the Board of Trustees of the University of Illinois on and after October 1, 1953, and prior to maturity, at par and accrued interest and a premium of one per cent of the principal amount thereof, and that notice of redemption shall be published once not less than thirty days prior to the date of redemption.

The principal amounts of the bonds outstanding is $185,000. Of these, the principal amount maturing on October 1, 1953, is $45,000. The principal amount subject to call and redemption upon said date is $140,000.

Funds on deposit with the depository, plus funds available in the accumulated earnings of the Illini Union Building and the Illini Union Bookstore, are adequate to prepay these bonds. This will eliminate debt service payments of approximately $50,000 each year and will effect a substantial saving in interest payments.

The Director of the Physical Plant Department and the Comptroller recommend that in addition to paying the bonds maturing on October 1, 1953, the Board exercise its option and call all the other Illini Union Building Revenue Bonds for redemption and payment in accordance with the provisions of said resolution and said bonds and that October 1, 1953, be specified as the redemption date.

I concur in this recommendation and request that the Comptroller and the Secretary of the Board be authorized to take such action on behalf of the Board as may be necessary to effectuate such call, redemption, payments, and cancellation of these bonds.

On motion of Mr. Megran, this recommendation was approved and authority was given as recommended. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

APPROPRIATIONS FOR BUILDINGS AND OTHER PERMANENT IMPROVEMENTS

(13) The Sixty-eighth General Assembly of Illinois has appropriated funds for the following buildings and permanent improvements:

In Senate Bill 433

"For construction of a Home Economics Building, with fixed equipment installed, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	$3 850 000
"For construction of a Law Building, with fixed equipment installed, including plans and specifications, extension of utilities to the building and all necessary costs and charges incident to the completion of the work	2 300 000
"For addition to Power and Heating Plant, including plans and specifications and fixed equipment	850 000
"For equipment for the Law Building and Home Economics Building	140 000
"For contingencies to cover expenditures for purposes for which the amount in any of the above items enumerated is, or becomes, insufficient	370 000"

In House Bill 469

"For constructing and equipping a Large Animal Clinic for the College of Veterinary Medicine of the University of Illinois, including plans and specifications, extension of utilities to the building, and all other necessary costs and charges incident to the completion of the work	$ 586 000"

The President of the University recommends that these funds be appropriated for the purposes indicated. Recommendations for the award of contracts to be paid from these appropriations will be submitted in accordance with the usual procedure.

On motion of Mrs. Holt, these funds were appropriated as recommended. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(14) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve as follows:

1. School of Physical Education, improvement of Student Rehabilitation Center	$ 17 600
2. University High School, improvement of lighting in the north and south attics and in the gymnasium of the University High School Building	6 530
3. University High School, remodeling and equipment in the University High School Building	13 200
4. Department of Zoology, remodeling in the Vivarium	3 500
5. College of Engineering, fire protection in the Betatron Building	8 600
6. College of Engineering, remodeling in the Electrical Engineering Annex Building to provide facilities for research in ultrasound in biology	15 000
7. Radiocarbon Laboratory, building alterations in Davenport Hall and permanent laboratory equipment	16 850
8. Institute of Aviation, purchase and erection of a Quonset building for the aircraft maintenance curriculum	16 500
9. Chicago Undergraduate Division, remodeling of quarters and equipment for the Departments of Biology and Geography	22 240
10. Physical Plant Department, painting and decorating at the Chicago Professional Colleges and the Chicago Undergraduate Division	6 817
Total	$126 837

I concur.

On motion of Mr. Grange, these appropriations were made by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

APPROPRIATION FOR MOVING OF UNIVERSITY HEALTH CENTER AND IMPROVEMENT OF FACILITIES

(15) The Director of Health Services has been making a thorough study of program and facilities of this division in Urbana-Champaign. It is desirable to make the services of the division more beneficial to both the student body and staff. To that end the Director recommends that the headquarters for the Health Services be moved from the present location in Davenport House on Wright Street to the McKinley Hospital.

The present Health Services location is poorly suited to its purpose. At the same time, McKinley Hospital is expensive to operate in view of its low daily census average. By combining the two facilities we can assure greater efficiency and considerable economy. The large volume of service performed daily by the Health Center will guarantee a fuller utilization of the hospital building.

The advantages of such a move may be summarized as follows:

1. Better physical facilities in which to work.
2. A larger and more efficient clinic for ambulatory care.
3. Referral of patients (injured or very ill) to the Hospital for admission without leaving the building. Also, X-rays, treatments, casts, etc., can be provided more readily.
4. Improvement of services in X-ray and medical therapy.
5. A better performance of mass physical examinations.
6. A reduction in the purchase of expensive equipment badly needed both at the Hospital and Health Center; the combined facility will eliminate much duplication.
7. Avoidance of duplication in personnel.

There are some disadvantages, the chief one being the reduction of bed capacity by forty-four beds on the first floor of the Hospital. However, this would leave seventy beds upstairs together with ten beds for student orderlies on the third floor. In case of epidemics at least thirty to forty beds could be added for emergency expansion. During the height of the "flu" epidemic last winter our census was only 110. We could, therefore, weather another such emergency with the beds that would be available.

The cost of moving and making adjustments is estimated at $10,877. In addition the sum of $1,777 is needed for additional technical equipment, and $1,815 for office equipment, including replacements.

I concur and recommend a special appropriation of $14,469 to cover moving and equipment.

With the concurrence of the other Trustees, the President of the Board referred these recommendations to the Committee on Student Welfare and Activities for consideration and report back to the Board.

APPROPRIATION AND CONTRACTS FOR CONSTRUCTION OF ADDITION TO HORTICULTURE FIELD LABORATORY FOR DEPARTMENT OF FOOD TECHNOLOGY

(16) The Department of Food Technology is in critical need of additional laboratory space for class and research work.

Bids have been received on a 36' x 120' one-story prefabricated steel building as an addition to the Horticulture Field Laboratory. The bids indicate that the addition can be constructed for $39,000.

This project has been reviewed and approved by the University Building Program Committee and by the Committee on Nonrecurring Expenditures. The total estimated cost is within the maximum set by this committee.

The Director of the Physical Plant and the Comptroller recommend award of the following contracts to the lowest bidders in each case:

Harshbarger Building and Supply Company, Urbana — general construction $20 401 24
Square Deal Electric Company, Urbana — electrical work 4 943 00
Paul H. McWilliams, Champaign — plumbing and heating 4 151 00

I concur and recommend that an appropriation of $39,000 be made for the construction of this addition and that the Comptroller and the Secretary of the Board be authorized to execute the contracts.

On motion of Mr. Herrick, these contracts were awarded as recommended and an appropriation of $39,000 was made from the General Reserve Fund for this construction. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

CONTRACTS FOR STREET AND GROUNDS IMPROVEMENTS IN MEN'S RESIDENCE HALLS AREA

(17) The Director of the Physical Plant and the Comptroller recommend award of the following contracts for street and grounds improvements in the Men's Residence Halls area:

Felmley-Dickerson Company, Urbana — construction of sewer, sidewalk, curb, pavement, bicycle racks, and dry wall work around a terrace....$17 600

Ralph Synnestvedt and Associates, Glenview — landscaping, including development and planting of lawn and furnishing shrubs and trees.... 10 750

Funds are available in the budget for the construction of the two additions to the Men's Residence Halls.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute these contracts.

On motion of Mr. Grange, these contracts were awarded as recommended.

STANDING CONTRACT FOR PLASTERING WORK

(18) On June 22, 1953, the Board of Trustees authorized a contract with E. G. Lindsey, Champaign, for maintenance plastering work during 1953-1954 on a cost-plus basis. Due to his death, it is necessary to award a new contract.

New bids were taken, and the Director of the Physical Plant and the Comptroller recommend award of a contract to E. T. Drewitch, Urbana, the lowest bidder. The contract will provide for payments on the basis of cost plus 19 per cent with certain specified charges for labor and material.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Bissell, this contract was awarded.

CONTRACT FOR ENGINEERING SERVICES ON ADDITION TO POWER PLANT

(19) The Director of the Physical Plant and the Comptroller recommend the employment of Sargent and Lundy, Consulting Engineers, Chicago, for the necessary engineering services on the addition of a turbine generator and appurtenances to the Abbott Power Plant. Funds were appropriated by the General Assembly for this addition, subject to release by the Governor. Terms of the proposed contract are:

(a) *Current Expense Charges.* Engineering and drafting, at actual salary and wages plus 50 per cent. Stenographic and clerical services, traveling expenses, and miscellaneous expenses at actual cost.

(b) *Fixed Fee Charge.* Two per cent of the mutually-agreed-upon estimate of the cost of the project to completion (exclusive of Sargent and Lundy's charges under (a) and (b), above, and the University's engineering, supervisory and overhead costs); 10 per cent of this fee is to be paid when services are ordered; 80 per cent in equal monthly installments thereafter, the number of installments to be in accordance with the estimate of the number of months required to complete the project and 10 per cent on the completion of the project.

(c) *Resident Field Engineer.* Services of a resident field engineer shall be on the basis of actual salary, plus 15 per cent, plus traveling and field expenses, and shall be billed and paid monthly as incurred.

These terms are the same as those specified in an agreement for previous engineering services on power plant construction and installations, dated July 28, 1949, except that the overhead charge for a resident field engineer has been increased from 10 to 15 per cent.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to the release of funds by the Governor.

On motion of Mr. Johnston, this contract was awarded.

CONTRACT FOR ENGINEERING SERVICES FOR CONSTRUCTION OF STORM SEWER

(20) The Board has a contract with Wilson and Anderson, Engineers, Champaign, for engineering services in designing a storm sewer to serve the south part of the Urbana campus. The contract terms are: (a) for design, plans, and specifications, a fee of 3½ per cent of construction costs based on an estimated total of $100,000, plus 3 per cent on that portion of construction costs in excess of $100,000; (b) for general direction of the work, a fee of 3½ per cent of actual cost if construction is undertaken; (c) in the event the services of an engineer for continuous inspection and supervision are desired, such services to be provided on the basis of net wages plus 15 per cent for overhead.

The basic engineering has been completed and paid for from funds available during the 1951-1953 biennium, total payments being $7,100. Provision for the construction of the sewer was included in the appropriation for the Law Building, and funds are available, subject to release by the Governor.

The Director of the Physical Plant and the Comptroller recommend that Wilson and Anderson be authorized to complete the contract for engineering services.

I concur and recommend that the Comptroller be authorized to execute an addition to the present contract.

On motion of Mrs. Holt, the Comptroller was authorized to execute this change in the contract.

CONSTRUCTION OF RADIO TOWER AT ROBERT ALLERTON PARK

(21) The University purchased a 550-foot steel radio tower with FM antenna, coaxial cables, and other operating parts for radio broadcasting, from Station WTMJ, Milwaukee, Wisconsin, at a price of $25,000, and engaged the BDN Steel Erecting Company, Chicago, to dismantle, transport from Milwaukee to Robert Allerton Park, reconstruct the tower, and install the accessories at a price of $12,600. This Company failed to complete the job, and on January 21, 1953, the Board of Trustees declared it in default. On February 23, 1953, the Board accepted a settlement with the American Casualty Company, surety of the BDN Company's bond, for payment of $10,600 in satisfaction of the liability, this money to be used for the completion of the tower. There is also a balance of $3,380 in the original appropriation for this project.

The Director of Purchases and the Comptroller recommend award of a contract for $24,015 to the Gardner Construction Company, Ft. Wayne, Indiana, the lowest bidder, for the completion of this work. This company has the necessary experience, a satisfactory financial rating, and has submitted insurance certificates and a satisfactory performance bond. The University will supply the necessary parts and also the supervisory engineering services. It is estimated that these expenses will amount to $6,000, making a total expense of approximately $30,000 for which $14,000 is already available. Hence an additional appropriation of $16,000 is requested. The Director of Broadcasting and the Comptroller recommend an additional appropriation of $16,000 from the General Reserve Fund for the completion of this work.

I concur in these recommendations.

On motion of Mr. Johnston, this contract was awarded and an appropriation of $16,000 was made from the General Reserve Fund for the completion of this construction. This action was taken by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

CONTRACT FOR CONSTRUCTION OF CATTLE BARN ON SOUTH CARTER-PENNELL FARM

(22) The Dean of the College of Agriculture and the Comptroller recommend award of a contract for $3,042.72 to the lowest bidder, the Cissna Park Cooperative Lumber Company, for the construction of the barn and the laying of concrete floors 40' x 40' under the barn and 20' x 40' in the feed lot on the South Carter-Pennell Farm.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

LEASES FOR DISTRICT OFFICES OF THE DIVISION OF SERVICES FOR CRIPPLED CHILDREN

(23) The Director of the Division of Services for Crippled Children and the Comptroller recommend that the University enter into leases for the quarters occupied by the district offices of the Division in Chicago and Peoria, Illinois.

The office in Chicago is in the State of Illinois Building, 160 North LaSalle Street. The proposed lease, identical with the lease which has been in effect during the past biennium, is for office space in that building at a total rental of $25,800, or $1,075 monthly for the period from July 1, 1953, through June 30, 1955. Various state agencies which use this building pay rental into a revolving fund maintained by the Department of Finance for the operational expenses of the building.

The lease for the office in Peoria is for space in the Central National Bank and Trust Company Building at a rental of $6,480, or $270 monthly for the period from July 1, 1953, through June 30, 1955, and is on the same basis as the lease for the previous biennium.

The Division of Services for Crippled Children has funds for the payment of the rentals.

I concur and request that the Comptroller and the Secretary of the Board be authorized to execute these leases.

On motion of Mr. Nickell, these leases were authorized by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

RENEWAL OF LEASES WITH CITY OF CHICAGO FOR NAVY PIER AND DRILL HALL

(24) The lease with the city of Chicago for the portion of Navy Pier used by the Chicago Undergraduate Division, authorized by the Board on January 25, 1947, expires on June 30, 1954. The lease for the adjacent Drill Hall, authorized on March 27, 1947, expires on the same date.

For several months negotiations have been carried on by University officers with officials of the city of Chicago. These discussions have resulted in an indication of willingness on the part of the city of Chicago to renew the present leases on the following conditions:

Increase in Rental:	*Present Rental*	*Requested Rental*	*Increase*
a. Navy Pier, approximately 410,000 square feet, plus use of parking lot	$117 000	$156 000	$39 000
b. Drill Hall, 75,000 square feet	18 750	25 000	6 250
	$135 750	$181 000	
Net increase per year			$45 250

Term of Lease:

a. Navy Pier. One year from July 1, 1954, with provision for extension by mutual consent for the two-year period beginning July 1, 1955, and for the two one-year periods beginning July 1, 1957, and July 1, 1958, respectively.

Notice of intention not to renew the lease for any of such periods would have to be given the University by the city at least six months in advance, and notice of intention to renew for any of said periods would have to be given the city by the University at least sixty days in advance of the termination of the preceding period. The University will also have the right to terminate this lease at any time upon six months' written notice to the city of its intention to so terminate it.

b. Drill Hall. One year from July 1, 1955, with provisions for extensions for periods of one year each thereafter until June 30, 1959. Notice of intention not to renew this lease for any of said annual periods would have to be given the University by the city six months in advance, and notice of intention to renew the lease for any such annual period would be required to be given the city by the University at least sixty days in advance of the termination of the preceding period. The University will also have the right to terminate this lease at any time upon giving the city six months' written notice of its intention to so terminate it.

c. Other conditions of the leases are to be the same as at present.

Since the increase is effective only for 1954-1955, expenditures for this rental will be increased by $45,250 during the biennium 1953-1955. The increase will be met by budgeting one-half of it in each year of the biennium, the total to be paid during the second year. A further budget increase of an equivalent amount would be necessary beginning July 1, 1955, to provide for the increase on a biennial basis.

I recommend approval of these proposals and that the Comptroller and the Secretary of the Board be authorized to conclude and execute the necessary contracts upon approval by the Legal Counsel.

On motion of Mr. Bissell, these leases were authorized by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

UNIVERSITY OF ILLINOIS LEASE OF ILLINI CENTER

(25) The Board of Trustees has under consideration a recommendation for the extension for two years ending June 30, 1955, of a lease of quarters in the LaSalle Hotel for the Illini Center at a rental of $6,900 a year.

For the further information of the Board, there is submitted herewith a memorandum prepared by the Comptroller giving the history of the Illini Center and a report on the use made of it by various University agencies. Copies of the memorandum and report were filed with the Secretary of the Board for record.

INTERNAL OPERATING BUDGET FOR 1953-1954

(28) I present the University's internal operating budget for all divisions and funds for the fiscal year beginning July 1, 1953, and for the academic and administrative appointments beginning September 1, 1953. This budget has been prepared by the Provost and the Comptroller in accordance with procedures approved by the President and in conferences with deans, directors, and other administrative officers.

I recommend that this budget, covering the allocation of the estimated operating income from all sources for the year beginning July 1, 1953, be approved; and that the President of the University be authorized, in accordance with the needs of the University and the equitable interests involved and within total income, (a) to accept resignations, (b) to make such additional appointments as are necessary, subject to the provisions of the University Statutes and the Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees, and (c) to make such changes and adjustments in items included in the budget as are needed; all such changes to be covered in the Comptroller's quarterly financial report, or in reports to the Board by its Secretary, provided that assignments for new projects or programs and for nonrecurring expenditures in excess of $2,500 shall be presented to the Board for prior approval.

On motion of Mrs. Watkins, the President of the University and the Acting President were authorized to take all actions recommended above.

On motion of Mr. Johnston, the budget was approved and the appropriations were made as recommended by the following vote: Aye, Mr. Bissell, Mr. Grange, Mr. Herrick, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Nickell, Mrs. Watkins; no, none; absent, Mr. Hickman, Mr. Stratton.

The complete budget is included as an appendix to these minutes on pages 796 to 1076.

NONSALARIED FACULTY OF THE COLLEGE OF MEDICINE, 1953-1954

(29) I recommend that the following appointments be made to the nonsalaried faculty of the College of Medicine for the academic year beginning September 1, 1953, unless otherwise indicated, and that the President of the University be authorized to make such additional appointments and other changes, and to accept resignations, as are desirable and necessary.

Appointments of Professors and Associate Professors are on indefinite tenure; all others are for one year from September 1, 1953, unless otherwise stated.

INTERNAL BUDGET OF THE ATHLETIC ASSOCIATION FOR 1953-1954

(30) The Director of Intercollegiate Athletics submits, on behalf of the Board of Directors of the Athletic Association, the budget for the Association for 1953-1954 which is summarized as follows with comparative figures for the preceding year:

	1952-1953 Budget	*1952-1953 Revised Estimate*	*1953-1954 Proposed Budget*
Income	$820 575	$893 700	$864 425
Expenditures			
Budget Appropriations	804 575	785 000	841 142
Special Appropriations	10 000	69 000	10 000
Total Expenditures	$814 575	$854 000	$857 642
Excess of income over expenditures	$ 6 000	$ 39 700	$ 13 283

On July 1, 1952, the Athletic Association had a net operating surplus of $153,565. The estimated excess of income over expenditures in 1952-1953 will increase this surplus to $193,265.

The budget has been examined and approved by the Provost and the Comptroller. Salaries paid jointly by the Athletic Association and the School of Physical Education have been approved by the Director of the School.

I recommend that this budget be approved and that the President of the University be authorized to make such changes and adjustments, including approval of new appointments and acceptances of resignations, as are necessary and recom-

mended by the Board of Directors of the Athletic Association within the total income realized.

On motion of Mr. Grange, this budget was approved.

APPROPRIATIONS BY THE ATHLETIC ASSOCIATION

(31) The Board of Directors of the Athletic Association has made the following assignments of funds which represent changes in its budget and are therefore subject to approval by the Board of Trustees:

For roofing areas over the east and west columns of Memorial Stadium	$ 4 620
To reimburse the Alumni Association for services rendered the Athletic Association during 1952-1953	3 000
For travel expenses of the University Band to Columbus, Ohio, for the Ohio State game, October 10, 1953	4 750
For the expenses of participants in the National Collegiate Athletic Association track meet in Lincoln, Nebraska, June 20, 1953, and in the Western Intercollegiate Conference — Pacific Coast Conference track meet in Ann Arbor, Michigan, June 23, 1953	2 000
Total	$14 370

On motion of Mr. Herrick, the action of the Board of Directors was confirmed.

CONTRACTS FOR COAL PURCHASES

(32) Bids on uniform specifications have been taken on the purchase of 41,000 tons of coal screenings for delivery to the Abbott Power Plant during the period of September 1, 1953, to May 31, 1954.

The lowest bidder is A. Zamberletti who has recently taken over sole ownership of the V-Day Coal Company near Danville. No bids have been received from this mine in prior years because it was not equipped to ship by rail. Plans have been completed to install a railroad siding and both the mine owner and the New York Central Railroad have assured the University that the siding will be completed by September 1, 1953. Representatives of the Physical Plant Department, the Purchasing Office, and Professor R. G. Wuerker of the Department of Mining and Metallurgical Engineering have inspected the mine and its equipment and are of the opinion that the mine can produce coal of the quality and quantity specified. The contract will provide for price adjustments and a performance bond is required.

The Director of Purchases, the Comptroller, and the Director of the Physical Plant recommend awards of contracts to the lowest bidders Arthur Zamberletti, doing business as the V-Day Coal Company, Danville, Illinois, for 30,000 tons at $3.57 per ton f.o.b. mine, freight $1.1088, delivered price $4.6788 per ton, total estimated cost $140,364; and Republic Coal and Coke Company, Danville, Illinois, for 11,000 tons at $4.10 f.o.b. mine, freight $1.1088, delivered price $5.2088, total estimated cost $57,296.

It is desirable to have a supplemental source of supply, particularly during December, January, and February, to assure delivery of coal in the quantities needed.

The lowest bids are determined by the number of British Thermal Units for one cent based on guaranteed analysis. A continuous check at the plant is provided to insure compliance with specifications.

The prices quoted are based on the present wage scale and are subject to increase or decrease in the event that wage contracts now in effect are changed. Any such change will affect the price to the extent that production costs are increased or decreased by the new contracts. The University may cancel the purchase contract if it believes that the price adjustment is not justified.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute contracts, subject to approval by the Governor as required by the state constitution.

On motion of Mr. Johnston, these contracts were awarded and authority was given as recommended.

ENGINEERING SERVICES ON NEW LAW BUILDING

(33) Professor A. M. Richardson of the Department of Architecture has prepared design studies and models of the new Law Building. These studies have been accepted.

To carry forward the architectural studies by the preparation of working drawings and specifications, it is now proposed to continue Professor Richardson's services, supplemented by the architectural staff of the Physical Plant Department. This practice was followed prior to World War II.

In addition, there is a need for consulting services on the structural engineering and electrical work.

The Director of the Physical Plant and the Comptroller recommend that the firm of Balke and Clark, Cincinnati, Ohio, be retained for this purpose on the following terms:

Services of Mr. Balke or Mr. Clark at the rate of $6.00 per hour.

Services of a designer or draftsman at regular hourly rates for the actual hours spent on the project.

To both of the above will be added 100 per cent for overhead costs and commission.

Travel expenses and long distance telephone calls will be paid for at actual cost. All other costs are included in the allowance for overhead and commission.

Total payments for such consulting services are estimated at $5,000.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Herrick, this contract was awarded and authority was given as recommended.

PAYMENTS TO CITY OF URBANA FOR STREET LIGHTING AND FIRE HYDRANT SERVICES

(34) For some time officials of the city of Urbana have been urging the Physical Plant Department to concur in a proposal that the University assume a share of the operation and maintenance costs of street lighting and fire hydrant services provided by the city on streets contiguous to the main campus of the University in Urbana. The Director of the Physical Plant Department and the Comptroller, with concurrence of the Legal Counsel, now recommend that the University assume, effective as of October 1, 1951, its share of such costs as follows:

Street Lights

1. For low-level intensity street lighting, $10 per standard per year.
2. For high-level intensity street lighting, $20 per standard per year.

The number of standards to which these rates will be applied will be calculated on the ratio of University-owned total street frontage, exclusive of that upon which the University pays taxes or makes full payment for services, except that in the case of the Student-Staff Apartments (where the University now makes payments for services in part) only one-half of the total frontage will be included. Total cost per year for present installations $834

Fire Hydrants

Six locations, at 50 per cent annual rental cost — annual payment 60

Total Per Year $894

Funds for payment prior to July 1, 1953, are included in reappropriated balances as of that date from state appropriations for 1951-1953 (available until September 30, 1953) and for 1953-1955 in the current operating budget for the Physical Plant Department.

Payments of a similar character are now being made by the University as follows:

Dates of Board Authorization		*Payments Made in 1952-1953*	
April 24, 1947	Share of operating and maintenance expense of sanitary sewers; payments to Urbana-Champaign Sanitary District	*Capital	$ 6 604
		Operating	11 804
May 19, 1950	Share of operating expense of City Dump; payments to the city of Urbana	*Capital	4 050
		Operating	5 047

*(Nonrecurring)

June 25, 1951	Share of maintenance expense of the Lincoln Avenue storm sewer; payments to the city of Urbana	This plan is not yet in effect

It seems reasonable that the University should contribute this proportionate maintenance cost of street lighting and fire hydrants for the following reasons:

1. The street lighting and fire hydrants are located on streets contiguous to the main campus.
2. University-owned property receives the same benefit from these installations as adjacent private property, and currently the entire operation and maintenance costs are financed by taxation of private property.
3. The University has its own campus lighting and fire protection system for the main campus for which it assumes the entire cost, not only for the initial installation but also for the recurring operation and maintenance expense. However:
   a. The University campus lighting system has not been extended to serve its property fronting on the streets adjacent to the campus. The installed municipal lighting system, therefore, provides benefits that relieve the University from the cost of extending its own system and of subsequent operation and maintenance costs.
   b. The University's fire protection system is not considered adequate to combat major fires in the vicinity of Busey-Evans Halls on Nevada Street, or the Lincoln Avenue Residence Hall and McKinley Hospital area on Lincoln Avenue. The six installed municipal hydrants, therefore, provide benefits that relieve the University from the cost of extending its own system and of subsequent operation and maintenance costs.
   c. The extension of such University facilities would result in an unnecessary duplication and require a major capital expenditure on the part of the University and recurring operation and maintenance costs perhaps equal to, if not in excess of, the payment now requested by the city of Urbana for proportionate share of such costs.

It is proposed that an agreement be entered into with the city which will include these provisions:

1. The city or the University may request a recalculation and redetermination of the cost to the city of the operation and maintenance of the street lighting and fire hydrants, so that if either cost increases or decreases, the amount to be paid by the University will be adjusted accordingly.
2. Adjustments will be made from time to time if changes in ownership of property by the University or extension of the University's facilities result in a reduction of the benefits the University is receiving now from either the street lighting or the fire hydrants.
3. Either party may terminate the agreement at the end of any University fiscal year by giving at least ninety days' prior written notice to the other.
4. Applicable constitutional and statutory provisions which limit the power and the authority of the Board of Trustees of the University to enter into agreements extending beyond a fiscal biennium will be recognized.
5. The fact that the University's contributions are on a voluntary basis and not a legal obligation will also be recognized.

I concur in this recommendation and request that the Comptroller and the Secretary of the Board be authorized to execute an agreement approved by the Legal Counsel.

On motion of Mrs. Holt, this recommendation was approved and authority was given as requested.

AUDIT OF UNIVERSITY ACCOUNTS

(35) The Comptroller has prepared the following statement of recent discussions concerning extension of the scope of audit of the University transactions and accounts by the Auditor of Public Accounts.

Since 1904 the Board of Trustees has regularly engaged a firm of outside independent certified public accountants to make an examination of the accounts of the University for each year. In recent years it has been the practice of the Board to make a change of such auditors every five years. On January 21, 1953, the Board, upon recommendation of the Finance Committee, authorized the en-

gagement of the firm of Haskins and Sells of Chicago to make this audit for the year ending June 30, 1953. (The previous year was the end of a five-year cycle during which George Rossetter and Company of Chicago were the auditors.)

Since 1918 all disbursements from appropriations from state tax funds have been made on individual vouchers certified by, or on behalf of, the President and the Secretary of the Board of Trustees to the Auditor of Public Accounts, and after examination paid by that officer on individual warrants directly to payees named in the vouchers. Since 1933 this method also has been followed with respect to all income of the University other than that from trust and federal funds.

In 1951 the General Assembly expanded the power of the Auditor of Public Accounts to provide that he "shall audit, or cause to be audited, the records of all agencies or authorities receiving, expending, or contracting for the receipt or expenditure of money on behalf of the state."

In connection with the consideration of Senate Bill 141 in the Sixty-eighth General Assembly (a bill to provide that certain funds may be retained in and disbursed from the treasury of the University) the General Assembly added a specific provision that "the Auditor of Public Accounts shall audit, or cause to be audited, the above items of income and all other income and expenditures of such institutions." (This bill applies to not only the University of Illinois but also the other state-supported institutions of higher education.)

In keeping with past practice, the State Auditor, Mr. Orville E. Hodge, was furnished a copy of the report of George Rossetter and Company for the year ending June 30, 1952. He also received a copy of the published report of the Comptroller for the same period. He indicated to the Comptroller his desire to have the audit of the University carried out by accountants selected by him. A brief discussion with the President of the Board followed, as a result of which there was a conference on June 12, 1953, with Auditor Hodge, participated in by the President of the Board, the Chairman of the Policy Committee, and the Comptroller. (The Chairman of the Finance Committee was unable to attend.) Mr. Hodge indicated that under the law he considers he has the authority to audit the accounts of the University. This fact is undisputed by anyone. He also stated that it is his intention to carry out his responsibility and actually make this audit. Mr. Hodge stated that the audit he desires to make would probably cost $30,000 and it is his practice to ask the agency to pay one-third of the cost. He was informed that auditors for the current year had already been engaged by the Board and an agreement entered into with them, at a maximum cost of $12,000. There was considerable discussion as to the scope of the present audit and Mr. Hodge stated that it does not give him the information he needs to have in his office concerning the University. Mr. Hodge stated that he believed an audit carried on under his direction would improve public relations and the relations of the University with the General Assembly. He indicated that he would expect to have the work performed by a firm of certified public accountants selected by him.

At this meeting it was agreed that the Comptroller would arrange a meeting between representatives of the Auditor and Haskins and Sells to work out such coordination between the two audits as would be possible and particularly to eliminate unnecessary duplication. On June 19, 1953, such a conference was held with representatives of George Rossetter and Company and Haskins and Sells and both accounting and legal representatives of the Auditor, as well as the Comptroller and Assistant Comptroller. The scope of the previous audit and the tentative scope for the prospective audit by University auditors were discussed. Questions were asked in considerable detail by representatives of the Auditor's office. It was agreed that at a later date the latter would contact the representatives of Haskins and Sells and review further the possibilities of a mutually satisfactory division of work.

The audit by Haskins and Sells was initiated in the latter part of June and is now in progress.

This report was received for record.

LAWS PASSED BY THE SIXTY-EIGHTH GENERAL ASSEMBLY OF ILLINOIS AFFECTING THE UNIVERSITY OF ILLINOIS

(36) For the information of the Board a list of all Acts of the Sixty-eighth General Assembly of Illinois in its regular session of 1953 directly affecting

the University, including those making appropriations to the University, is submitted herewith and a copy is given to the Secretary of the Board for record.

CONTRACT WITH OZARK AIR LINES FOR USE OF UNIVERSITY OF ILLINOIS AIRPORT

(37) The University's contract with Ozark Air Lines for use of University of Illinois Airport, authorized by the Board July 25, 1951, expired June 30, 1953. Discussions of a new contract have been carried on between officials of the company, the Director of the Institute of Aviation, and the Comptroller. The financial provisions of the contract are:

Landing Fees

Present — $50 per schedule. (One landing per day per month.)
Present total of 12 schedules, $600. (See later discussion.)

Rental of Office Space

Present — $75 per month, mutually satisfactory. (University will comply with request of company for some rearrangement and slight addition to space.)

Line Service

Payment of salary of additional lineman required by Ozark service at $285 per month. (Ozark has option of supplying that service and assuming cost directly. No special problem involved.)

Gasoline Sales

At cost, plus handling charge of five cents per gallon. (No change proposed.)

The only serious question that has arisen is with respect to the landing fee. Originally this was on the basis of $100 for each of the first two schedules, $50 for the next four, and $25 for the remaining. Since 1951 it has been on the basis of $50 per schedule.

The company protests this charge on the following grounds:

1. It is larger than that paid by the company at most, if not all, intermediate stations (excluding terminals) and by other local lines generally.
   Comment: This may be true, but all other airports are community-owned, whereas the University Airport was built for instructional, research, and military service entirely from federal and state funds and not primarily for community service.
2. The landing fees are a much larger proportion of passenger revenue than is true at other airports.
   Comment: This does not have a bearing on the cost of the service rendered by the University for which the University must secure reimbursement.
3. It is claimed that "the generally established practice" is to base landing fees on two per cent of the revenue generated at the community.
   Comment: While such leases have been made, this practice is not uniform. Furthermore, all of these contracts are with community-owned airports.
4. Comparisons made with certain other Illinois cities show that the landing fees at the University Airport are higher than at these cities.
   Comment: Again, these airports and their conditions of operating and financing are not comparable to the University Airport; also costs undoubtedly vary considerably.
5. Ozark claims that under previous contracts it has overpaid the University on landing fees and has requested that it be given a refund of the amount in excess of the two per cent formula, which would be $13,215.
   Comment: The landing fees charged and paid are in accordance with the contract and are not more than necessary to reimburse the University for its *direct out-of-pocket cost* occasioned by the Ozark service. The University can not give recognition to the revenue of a contractor in determining the amount of recovery necessary for it, nor have its recovery made contingent on the amount of such revenue.
6. The certificate of the company from the Civil Aeronautics Board expires September 26, 1953. Operation of the company will be closely examined by the Board as to whether the certificate, and thus the authority for service, will be extended and such a high landing fee will put the status of the service in jeopardy.

Comment: It is believed that the C.A.B. will consider all facts relating to the situation. No requested renewal has been turned down by the C.A.B. on such grounds in the past.

7. Ozark alleges that over $600,000 of "local funds" were put into this airport.
Comment: The facts are that the investment of $2,436,000 in the University of Illinois Airport was supplied: $1,555,000 from federal grant, $821,000 by state appropriation, and $59,000 from income from flight-training, government contracts, and private rentals.

University officers have made a careful study of the additional costs resulting from the use of the Airport by Ozark. These include (a) snow removal, (b) additional grass mowing, (c) additional maintenance of runways, ramps, etc., (d) runway inspection service, and (e) night lighting. On a minimum basis of calculation these amount to about $6,600 per year, or $550 per month. In this estimate no account is taken of amortization of facilities, general administrative overhead, and general services to the company and the public served by it. Unless the University is reimbursed for these costs, the excess of cost over reimbursement received would be charged against the University general income, and therefore against all the taxpayers of the state of Illinois. Such a charge is not justified unless it is based on the value of service to the University. There is such value and consequently it is proposed that in recognition of this general service there be a reduction of approximately 10 per cent from the foregoing charges.

It is therefore proposed that the University offer to renew the contract on the basis of $40 per schedule per month, which on the basis of the present twelve schedules would mean a total reimbursement of the University of $480 per month, or $5,760 per year.

I recommend approval of these proposals, that the Director of the Institute of Aviation and the Comptroller be authorized to negotiate a contract substantially in accord therewith and based on the principle of recovery of out-of-pocket costs on a no-overhead, nonprofit basis, and that the Comptroller and the Secretary of the Board be authorized to execute the contract when agreement has been reached along these lines.

On motion of Mr. Herrick, renewal of this contract was authorized with provision for full reimbursement of the University for expenses incurred.

AGREEMENT WITH NAVY FOR RESEARCH CONTRACT WORKING CAPITAL

(38) An agreement is being negotiated by the University with the Department of the Navy which will expedite reimbursement to the University of expenditures incurred on Navy cost reimbursement research and development contracts. Upon execution of this agreement, $300,000 will be deposited with the First National Bank of Chicago, in an account to be called the "University of Illinois Navy Special Pool Bank Account." These funds will be used to reimburse the University, immediately at the close of each month, for actual expenditures during such month, greatly reducing the period of such reimbursement, which, under present procedures, requires several months. It is understood that the special account will be reimbursed by the normal payments to the University, prepared in accordance with the established billing procedures now in effect, which require the audit of all disbursements before payment. This account will be drawn against by the University Business Office, by check payable to the University and signed by the Comptroller of the University and the Director, Office of Naval Research, in Chicago. Such check will then be deposited in the regular C. W. Weldon, Treasurer of the University of Illinois, account. The special account will thus operate on a revolving basis. The liability which the University will assume under this arrangement is to insure that funds will be withdrawn from the special account only for the purposes specified in the contract.

Steps have been taken to set up similar arrangements on certain Army and Air Force research contracts, which, if completed, will greatly relieve the working capital requirements resulting from the operation of cost type research contracts.

The Comptroller requests authorization to conclude these arrangements.

I concur and request authority for the Comptroller or the Secretary of the Board to execute the necessary agreements.

On motion of Mr. Nickell, this plan was approved and authority was given as recommended.

HOSPITAL-MEDICAL-SURGICAL INSURANCE FOR STUDENTS AND STAFF

(39) Bids have been received for the student and staff hospital and medical insurance program for 1953-1954 with the right reserved by the University to renew such insurance annually thereafter upon mutual agreement between the University and the insurance company.

The student program provides essentially the same benefits as in prior years except that the daily hospital room and board allowance was increased from $6.50 to $7.50, surgical benefits were decreased to the standard surgical schedule with maximum allowance of $150.00, and the number of days coverage per semester was reduced from 28 days to 21 days. Staff benefits were modified by increasing the daily hospital room and board allowance from $6.50 to $7.50, incidental hospital expense allowance from $32.50 to $75.00 per hospital admission, surgical benefits decreased to the standard $150.00 surgical schedule, and the length of hospital confinement for any one admission was decreased from 28 days to 21 days. All changes were made to adjust the present program to needs as indicated by experience and are recommended by the University Committee on Insurance.

Bids were also received as an alternate on the present benefits under the staff plan, but they are not recommended for consideration by the Insurance Committee.

The lowest over-all cost to the University would result from awarding of a contract to the Continental Casualty Company represented by George B. Franks of Champaign, present carrier and agent respectively of the two plans, rather than awarding separate contracts for the student and staff plans since the lowest bidder on the staff insurance will not accept a contract for the staff insurance alone.

It is apparent that most companies are in a better position to bid on the total program rather than on the two plans separately and that accepting the company offering the lowest total cost for the two plans represents the best buy for the University.

It is nevertheless desirable to have each plan financially independent of the other. This can be accomplished by adjusting the amount charged to the students and staff so that the proper portion of the claim and administrative cost of the staff program is borne by that group.

These bids have been reviewed by the University Committee on Insurance and by the Comptroller.

It is recommended that a contract for both the student and staff coverage be awarded to Continental Casualty Company represented by George B. Franks, Champaign, lowest bidder for both programs at $293,482, as per Board of Trustees policy on insurance, and that charges to students and staff for this insurance be for the following amounts (present rates are shown in parentheses):

Students	*Per Semester*		*Per Year*	
Student only	$ 5 00	($ 5 00)	$15 00	($15 00)
Student and family	13 00	(13 00)	39 00	(39 00)
Faculty-Staff				
Employee only			25 00	($16 20)
Employee and one dependent			50 00	(34 80)
Employee and two or more dependents			62 00	(45 00)

On the basis of these rates, both plans should operate on a self-sustaining basis. The excess over the cost of the coverage would be used by the University to defray the administrative costs of the two programs.

A schedule of all bids taken was presented at the meeting, and a copy has been filed with the Secretary of the Board for record.

On motion of Mr. Megran, this contract was awarded to the Continental Casualty Company, George B. Franks, Champaign, Illinois, representative, as recommended.

REPORT OF THE EXECUTIVE COMMITTEE

The Secretary of the Board presented the following reports of the Executive Committee:

Paul V. Galvin Scholarship Fund

Distributors of Motorola products have offered the University $13,285 to establish the Paul V. Galvin Scholarship Fund. The fund is to honor Paul V. Galvin, President of Motorola, Inc.

The fund shall be an endowment fund, the principal to be invested in accordance with the usual investment practices of the University and only the income to be expended. The income shall be used for a scholarship or scholarships for worthy, undergraduate students in the University of Illinois, each student to be selected in accordance with usual practices of the University but must be a student who is in need of financial assistance. Additional gifts to this fund will be for the purpose of increasing the number of scholarships rather than the amount of the original scholarship.

On recommendation of the President of the University, the Executive Committee of the Board of Trustees at a meeting held in Urbana, Illinois, on May 15, 1953, authorized acceptance of this offer. The action of the Committee is being reported at this time because the donors requested that no public announcement of their offer be made until after July 1, 1953.

Special Appropriations for Nonrecurring Expenditures

On recommendation of the President of the University, the Executive Committee of the Board of Trustees on July 8, 1953, authorized assignments from the General Reserve Fund for the following expenditures:

Interior painting of the Auditorium.....$13 700
This project is highly desirable because of the unsightly appearance of the interior resulting from recent construction work.

Replacement of the dry vacuum system in Noyes Chemical Laboratory.... 4 000
This system is required for laboratory and research work and has reached a precarious state.

Replace copper on roof of east arch of Armory..... 18 500
A large area of this section of the roof was blown off during a recent windstorm and requires early replacement.

The Physical Plant Department was in a position to begin work on these projects immediately and since this would permit re-employment for a period of some of the personnel the Department had been obliged to lay off, it was the judgment of your Committee that these expenditures should be authorized promptly instead of waiting until the present meeting of the Board.

REPORT OF COMMITTEE ON NONACADEMIC PERSONNEL ON LAY-OFF OF PHYSICAL PLANT DEPARTMENT EMPLOYEES

Mr. Grange presented the following report:

On June 22, 1953, the Board referred to your Committee for advice, the protest presented to the Board on that date by officers of the Twin City Federation of Labor of Champaign and Urbana of the lay-off of employees by the Physical Plant Department which was necessary to operate within its budgetary allotment for 1953-1954. All members of the Board had received prior to that meeting a letter from Senator Everett R. Peters dated June 17, 1953, in which the lay-off was also questioned.

At the meeting of June 22, the Board received an interim report from the President of the University on the 1953-1954 budget showing necessity of finding funds to the extent of $2,775,000 a year to make internal readjustments. The Physical Plant Department along with all other departments and divisions of the University was called upon to make a decrease of 5 per cent in its total budget. It was also asked to assume the deficiency resulting from increases in rates of prevailing rate groups made during the biennium of 1951-1953 which exceed the total available for that purpose during said biennium and which additional amount is required to carry these rates through the biennium of 1953-1955 if all employees were continued in service. It should be noted that while the Physical Plant Department was called on to make these adjustments, other divisions of the University were also called on to make specific decreases.

The Comptroller and the President have furnished the Committee additional information concerning the budgetary situation. The Governor has now approved a bill which will assure the University the income estimated at $200,000 a year from veterans' tuition which otherwise would not have been available. This makes possible some additional allocation to the Physical Plant Department.

A detailed analysis of the Physical Plant budget shows that decreases were required as follows:

1. For accrued deficiency in prevailing rate increases $256 566
   (Instead of $200,000 as previously estimated)
2. For uniform decreases (5 per cent) $266 150

Sub-total $522 716

In addition the Physical Plant Department found it necessary to provide various increases totaling ..... $ 82 677

Total decrease in existing Physical Plant budget $605 393

To meet these decreases the Physical Plant Department took the following steps:

1. Decreases in operating expense not related to personnel $154 669
2. Reduction in operating personnel $450 724

The reductions in personnel were distributed among locations and by number of employees as follows. All lay-offs were made in strict accordance with seniority as established by the state statutes.

	Amount	*Employees*
Urbana-Champaign	$298 306	64
Chicago Professional	$ 87 672	23
Chicago Undergraduate	$ 64 746	19
	$450 724	106

In addition the Department found it necessary to lay off about twenty-one persons due to reduction in work done by job order, including nonrecurring projects. The Department has also discontinued fifteen administrative and supervisory positions.

It is also necessary to make provision for any further increases in rates of prevailing rate groups that may go into effect subsequent to July 1, 1953, if the policy of paying the prevailing wage is continued. As of the date of this report such increases will amount to $45,504 annually. (This is in addition to the deficiency of $256,566 accrued as of July 1, 1953.) There are in process additional increases which may run $60,000 or more in Urbana-Champaign and $30,000 in Chicago. Since the funds to meet such increases must come out of the fixed total of income this means that unless internal savings can be made, additional lay-offs may have to follow during the year.

Following the Board meeting, the President considered this situation with other University officers and advised the Committee of the following actions:

1. An addition has been made to the budget allotment to the Physical Plant Department for 1953-1954 of $82,677 a year. This sum is to offset increases that the Physical Plant Department had absorbed within its budget total, and the added sum is available for reemployment.
2. There has been added to the Physical Plant allotment the amount required to meet new wage adjustments approved to date totaling $45,504. While this is not available for additional reemployment it will prevent a further lay-off of personnel. An effort will be made to provide from the General Reserve further additions as funds materialize, but no commitment can be made at this time.

These two additions total $128,381. The sum of $8,160 has also been added to the budget of the Institute of Aviation where certain lay-offs also were found necessary, making a grand total of $136,541 added to the recurring budget.

With the added sum made available to it the Institute of Aviation has reemployed two additional persons. With the added sum in the Physical Plant Department 13.8 persons will be reemployed in Urbana-Champaign, and 4.5 persons in Chicago.

The total additional funds thus applied to rehiring employees laid off in the prevailing wage rate groups represents two-thirds of the funds received from the veterans' tuition. The additional funds available from the veterans' tuition payments will be needed for urgent additions to allotments of academic departments.

In addition the President recommended to the Executive Committee, and that Committee has approved, nonrecurring appropriations of $36,200 for repair work on the Urbana-Champaign campus, and program of repair work on the Stadium Terrace family housing units, estimated at $36,000, has been initiated; also a number of nonrecurring projects are to be presented to the Board for consideration on July 25, 1953, which will involve substantial employment of labor. One of these will activate painting and decorating programs normally included in the Physical Plant budget in Chicago, but which had been deleted. Most of these projects will provide additional employment in the Physical Plant Department.

The Committee believes that the policy of paying the prevailing wage rates should be maintained. Moreover, immediate attention should be given to any cases in which employees have had long periods of service.

Every effort should be made to provide additional reemployment to the extent that further funds become available through savings or increased income, after meeting any further increases in prevailing rates.

The Committee believes that with the adjustments above reported the employment problem in the Physical Plant Department has been fairly and equitably dealt with. It is to be regretted, of course, that the services of any employees have

to be dispensed with, temporarily or permanently. However, such a result appears inevitable in the face of an operating appropriation for the coming biennium which, after allowing for certain specified increases, is no more than the appropriation for the preceding biennium, and out of which it is necessary to maintain an effective instructional and research and public service program, provide for an anticipated increase in enrollment, and provide for a minimum scale of selective salary increases. Approximately half of the budget adjustments specified for next biennium will go to the latter purposes and in these increases the nonacademic employees will receive more generally distributed increases than the selective increases possible in the academic staff.

The staff of the University, both academic and nonacademic, is to be commended for its willingness to face these financial facts and to carry on in the traditional Illinois spirit.

REPORT OF SPECIAL COMMITTEE TO STUDY PROPOSAL FOR A FOUR-YEAR UNIVERSITY OF ILLINOIS IN CHICAGO

Mr. Johnston presented the following report:

At the meeting of the Board of Trustees of the University of Illinois on May 23, 1953, the undersigned were appointed a Special Committee to study the petition and proposal from the Council of the Faculty of the Chicago Undergraduate Division for the establishment of a four-year university in Chicago, the immediate objective being to expand the present curricula at Navy Pier to four years of undergraduate work.

The Committee held a preliminary meeting at Urbana on May 23, following the Board meeting, at which it planned its study and called upon the President of the University, the Provost, the Comptroller, and the Bureau of Institutional Research for the data and other information required. The Bureau was directed to call upon the administrative officers and faculty at the Chicago Undergraduate Division for any data needed from that source. The officers of the University submitted their reports promptly and the Committee held a second meeting in Chicago, Illinois, on June 3, 1953. At this meeting the following members of the Committee were present: Mr. Cushman B. Bissell, Mr. R. Z. Hickman, Mr. Park Livingston, Mr. Herbert B. Megran, and Mr. Wayne A. Johnston, Chairman. Mr. Vernon L. Nickell was unable to attend because of illness. Also present at this meeting were President George D. Stoddard, Provost Coleman R. Griffith, Comptroller Lloyd Morey, Professor Edward F. Potthoff, Director of the Bureau of Institutional Research, Mr. Howard A. Hazleton, Business Manager of the Chicago Departments, and Mr. A. J. Janata, Secretary of the Board. A third meeting of the Committee was held in Urbana on June 22, 1953.

As the result of careful studies of (a) the materials submitted by the Council of the Faculty to the Board of Trustees on May 23 during the hearing given representatives of the Council and of other proponents of a four-year university in Chicago and (b) the data and other information supplied by University officers, and after due deliberation, your Committee submits the following report.

General Considerations

The educational needs of the state of Illinois justify giving the utmost consideration to providing facilities for four years of undergraduate study in certain fields of college work in Chicago when it is practicable and state finances permit. The fact that one-half the population of Illinois is in the Chicago area is a strong argument. The President of the University has consistently recommended such a development but he does not favor a *permanent* program of this kind at Navy Pier. The municipal authorities of Chicago thus far have definitely indicated unwillingness to commit the use of space at the Pier by the University for an indefinite period. In its eighty-five years of existence, the University of Illinois has not been able to establish a four-year college in Chicago. The Chicago Undergraduate Division at Navy Pier was directly related to the University's sudden need to provide educational opportunities for the returning veterans of World

War II. It was an emergency operation but it was so successful that it has been continued.

A fundamental question, in the judgment of your Committee, is how the state of Illinois can best provide for the higher education of its youth and to what extent duplication of facilities for such education at public expense is justified. The University of Illinois receives its support from all the state and belongs to all the people. While its main campus is at Urbana-Champaign, its educational, extension, and research programs serve all areas of Illinois.

Your Committee is greatly impressed with the sincerity of the members of the faculty and student body at Navy Pier who appeared before the Board of Trustees. Your Committee commends their ambitions. As the President of the University stated at the Board meeting on May 23, the presentations made by these representatives indicate a healthy interest in the educational program offered at Navy Pier.

The Council of the Faculty of the Chicago Undergraduate Division has submitted comparisons of costs of instruction for a four-year university in Chicago with costs of undergraduate instruction at Urbana-Champaign which would seem to indicate that the instructional costs at Navy Pier are considerably lower. On the basis of these comparisons, the Council estimates that the additional instructional cost for a four-year curriculum and for an additional 1,000 students would be no more than approximately $280,000 per year. The Council expressed the opinion that the General Assembly can be convinced that appropriation of such additional funds is fully warranted but that "If, however, the Legislature should not choose to provide the Chicago Undergraduate Division with additional funds, they could be obtained within the University budget."

On the basis of facts and figures supplied by the Bureau of Institutional Research and the Comptroller's Office, your Committee is unable to confirm the representations made regarding comparative costs of instruction and the estimated cost of the proposed expansion. The evidence before your Committee indicates that the cost of undergraduate instruction per student at Urbana-Champaign is below the cost of equivalent instruction at the Chicago Undergraduate Division.

In the field of engineering, the evidence against the Council's assumptions is overwhelming. One of the great needs of the country is for more well-trained engineers. Engineering instruction, especially at the junior and senior level, is much more expensive than in other areas of undergraduate work. It is obvious that expansion of the engineering curriculum at Navy Pier to four years could not be accomplished without large outlays of funds for laboratory and shop equipment, and for salaries of additional staff. It would be a disservice to the state, to the students, and to the profession of engineering to offer instruction below the high standard of the College of Engineering at Urbana-Champaign. It would mean a dilution of the entire educational program in engineering.

The same observations apply, but to a lesser degree, to other curricula offered at Navy Pier.

Nor does your Committee believe it would be a public service to offer junior and senior work at the expense of the freshman and sophomore programs by limiting, as has been suggested, the number of freshmen to be admitted. That would be inconsistent with the basic philosophy of serving the maximum number of qualified students within the limits of the University's resources. It should be noted that many students by choice spend only two years in college. We should not extend the program at Navy Pier at the expense of students living in Chicago whose best chance of getting a college education is to start there as freshmen.

The Illinois Budgetary Commission, the General Assembly, and the Governor have made their decisions as to the total funds the state will appropriate to the University of Illinois for the biennium of 1953-1955. The budgets for the next two years will not permit any major expansions; they will demand a shrinkage. It is futile to seek additional state funds when the University has been turned down with regard to such high priority requests as that of the Chicago Professional Colleges where it is necessary, once more, to postpone increasing the output of physicians, dentists, pharmacists, and nurses, all of whom are in short supply.

In any further consideration of the proposal for a four-year university in Chicago, the Board of Trustees must also be mindful of the import of the following Act of the Sixty-eighth General Assembly of Illinois recently passed and approved by the Governor:

"A BILL

"For an Act creating a commission in relation to the establishment of a branch of the University of Illinois in the Chicago area, defining its powers and duties, and making an appropriation therefor.

"Whereas, There is a compelling need in the Chicago area for a State-supported institution of higher learning offering a full four-year academic course leading to a baccalaureate degree; and

"Whereas, The University of Illinois has, for a number of years, maintained a two-year undergraduate division at Navy Pier in Chicago, but the facilities there available are not of such a character as to render feasible the expansion of this branch into a full four-year undergraduate institution; therefore

"Be it enacted by the People of the State of Illinois, represented in the General Assembly:

"Section 1. There is created a commission to act for liaison purposes between the General Assembly and the University of Illinois in dealing with problems relative to the establishment of a four-year undergraduate college of the University of Illinois in the Chicago area. The Commission shall consist of three members of the Senate appointed by the President pro tempore and three members of the House of Representatives appointed by the Speaker. The Commission shall select from its membership a chairman and such other officers as it deems necessary. Members of the Commission shall serve without compensation but shall be reimbursed for actual and necessary expenses incurred in the performance of their duties.

"Sec. 2. The Commission shall consult with appropriate officers of the University of Illinois and act as a liaison between the University and the General Assembly in all matters pertaining to the establishment of a four-year undergraduate college of the University in the Chicago area, including the problems of locating a site, the acquisition of land, and other matters relating to the establishment of a campus.

"Sec. 3. The Commission may, without regard to any law relating to civil service, employ and fix the compensation of necessary assistants.

"Sec. 4. The Commission shall report its findings and recommendations to the Sixty-ninth General Assembly not later than March 1, 1955.

"Sec. 5. The sum of $5,000.00, or so much thereof as may be necessary, is appropriated to the Commission for carrying out its duties under this Act."

(House Bill 1, Sixty-eighth General Assembly of Illinois)

Under this law the Board of Trustees has a responsibility to work with the Commission in studying the establishment of a four-year undergraduate program of the University of Illinois in Chicago. Obviously, the Board should not make long-range decisions and commitments hastily and in advance of the planning contemplated. To do so might be regarded as unwarranted anticipation by the University of the Commission's ultimate recommendations to the General Assembly.

The future development of the University of Illinois on all three campuses depends upon the expressed intention of the people of the state to expand public higher education and to provide the necessary funds. It would serve no useful educational purpose and would be contrary to public interest if new programs at Navy Pier were developed at the expense of long-established, on-going programs at Urbana-Champaign and at the Chicago Professional Colleges. Your Committee makes this observation with specific reference to the suggestion by the Council of the Faculty that the funds be obtained somewhere within the University budget. Apparently there are no such funds available. At the same time, your Committee would not recommend any downward adjustments in the budget of the Chicago Undergraduate Division, other than the standard adjustments to live within the budget.

Recommendations

In view of the foregoing considerations of public and University policies, your Committee makes these specific recommendations:

1. That the officers of the University study methods of cooperating with the State Commission created by the General Assembly of Illinois in dealing with the establishment of a four-year undergraduate program of the University of Illinois in the Chicago area. This cooperation would call for an early organization by the

President of the University of a representative group to study all phases of the problem on a long-range basis. The planning group should include representatives of the Chicago Undergraduate Division and the Chicago Professional Colleges as well as staff members at Urbana-Champaign.

2. That, since it appears that there will be an increase in the number of freshmen seeking admission at Navy Pier and at Urbana-Champaign, provision be made to accommodate the maximum number that can be accepted consistent with budgetary limitations and classrooms and laboratory facilities. This implies some adjustments in the budget of the Chicago Undergraduate Division.

3. That special provisions be made for the counseling of students at Navy Pier to aid in their transition to Urbana-Champaign at the end of the sophomore year. Such counseling should include not only consideration of educational programs but advice on scholarships and other financial aids which can be made available to worthy and needy students.

4. That a study be made of the faculty organization at the Chicago Undergraduate Division with the view to improving existing conditions and to integration with the faculty organization at Urbana-Champaign.

5. That all steps recommended herein be taken as expeditiously as good planning and sound administration permit.

In conclusion, your Committee would reiterate its sympathy with the desires and ambitions of the Council of the Faculty and the students of the Chicago Undergraduate Division. Your Committee hopes that they will regard the recommendations made above as positive steps in that direction. It appears at the present time not to be financially feasible to meet their immediate expectations without serious damage to the University as a whole. We do not believe that the people of Illinois would want this to happen.

WAYNE A. JOHNSTON, *Chairman*

At this point a delegation of citizens of Chicago, including representatives of the Council of the Faculty of the Chicago Undergraduate Division, requested and were given a hearing on the proposal for the establishment of a four-year university in Chicago.

Mr. John D. McNee, Jr., Chairman of the Council of the Faculty, read a prepared statement, copies of which were distributed to the Trustees and a copy of which has been filed with the Secretary of the Board for record.

Action on the report of the Special Committee of the Board of Trustees to study the proposal for a four-year University of Illinois in Chicago was deferred.

MEMORIAL TO WALTER WINSLOW WILLIAMS

Mr. Herrick offered the following resolution:

The Board of Trustees of the University of Illinois records with profound sorrow the death on July 1, 1953, of Walter Winslow Williams of Benton, Illinois, a former member of this Board.

Mr. Williams was born in Herrin, Illinois, on January 18, 1873. Upon graduating from the University of Illinois in 1903 with the degree of Bachelor of Laws, he entered the practice of law and was a member of the bar for fifty years. He also was engaged in banking and in other business enterprises. For more than fifty years he was a prominent figure in the state activities of the Democratic party. He served in the House of Representatives of the Forty-fourth General Assembly of Illinois during 1905-1907. He was a candidate for Lieutenant Governor in 1920. In 1930 he was elected a member of the Board of Trustees of the University of Illinois for a term of six years, and served as President of the Board from 1934 to 1936. Aside from these significant public services he was also active in numerous

civic affairs, including a two-year term as President of the Illinois Chamber of Commerce.

He always had a deep and abiding interest in the welfare of his Alma Mater.

The Board of Trustees directs that this memorial be included in the minutes of today's meeting as a permanent public record of tribute to a former Trustee for his many notable services, and that a copy be sent to the family of Mr. Williams.

On motion of Mr. Herrick, this resolution was unanimously adopted.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) fellows; (3) resignations and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ALPERT, NORMAN R., Assistant Professor of Physiology, in the College of Medicine, one month beginning August 1, 1953, $6000 a year (6-25-53).

APPELBACH, HENRY W., Clinical Instructor in Orthopaedic Surgery, in the College of Medicine, four months beginning May 1, 1953, without salary (6-29-53).

BALAGOT, REUBEN C., Clinical Instructor in Anesthesiology, in the College of Medicine, three months beginning June 1, 1953, without salary (6-29-53).

BELLWOOD, KATHLEEN A., Instructor and Supervisor in Occupational Therapy, in the College of Medicine, August 3-31, 1953, $4200 a year (7-8-53).

BERNARDINI, GILBERTO, Research Professor of Physics (C), three months beginning June 1, 1953, $9500 a year (7-19-53).

BERTANI, GIUSEPPE, Research Associate in Bacteriology, in the Graduate College, two months beginning July 1, 1953, $6000 a year (7-8-53).

BLATT, FRANK J., Research Associate in Physics (C), October 1, 1953-August 31, 1954, $4800 a year (6-29-53).

BLEWETT, DUNCAN B., Research Associate in Psychology, in the Graduate College, one year beginning September 1, 1953, $5000 (7-13-53).

BREEN, JAMES L., Counselor in the Student Counseling Bureau in the Summer Session of 1953, on one-half time, June 19-August 15, 1953, $474 for the period (6-18-53).

BRIGGS, GEORGE R., Research Assistant in Physics (C), two months beginning July 1, 1953, $300 a month (6-22-53).

BROGHAMER, EDWARD L., Professor of Mechanical Engineering (C), two months beginning July 1, 1953, $1422.22 for the period; this is in addition to his present appointment (7-17-53).

BROWN, GLEAH D., Instructor in Humanities, in the Chicago Undergraduate Division, in the Summer Session of 1953, June 19-August 15, 1953, $1089 for the period (7-2-53).

CAPENER, WILLIAM N., Assistant in Agricultural Economics (S), two months beginning July 1, 1953, $300 a month (7-13-53).

CHEN, CHUAN FANG, Research Assistant in Mechanical Engineering (C), June 16-September 15, 1953, $300 a month (7-15-53).

CHIADO, PAUL S., Instructor in General Engineering (C), for the academic year beginning September 1, 1953, $3650 (6-24-53).

COHEN, MILTON J., Assistant in Art, nine months beginning September 16, 1953, $2700 (6-23-53).

COMFORT, THOMAS E., Assistant in French in the Summer Session of 1953, June 19-August 15, 1953, $624 for the period, supersedes (6-29-53).

CREWS, JANICE M., Instructor in Humanities, in the Chicago Undergraduate Division, in the Summer Session of 1953, on one-third time, June 19-August 15, 1953, $363 for the period (7-20-53).

CURTIS, CHARLES G., Instructor in Social Sciences, in the Chicago Undergraduate Division, in the Summer Session of 1953, on one-half time, June 19-August 15, 1953, $475 for the period (6-23-53).

DANA, R. H., Clinical Counselor in the Student Counseling Bureau, June 15-August 31, 1953, $350 a month (6-16-53).

DARBY, JOSEPH B., JR., Research Assistant in Mining and Metallurgical Engineering (C), three months beginning June 16, 1953, $316.66 a month (7-2-53).
DOMINO, EDWARD F., Instructor in Pharmacology, in the College of Medicine, one month beginning September 1, 1953, $500 for the period (7-13-53).
DUNGAN, ROBERT H., Research Assistant in Ceramic Engineering (S), two months beginning July 1, 1953, $416.66 a month (6-18-53).
DUSTIN, MARCIA J., Instructor in Occupational Therapy, in the College of Medicine, July 10-August 31, 1953, $3869.16 a year, supersedes (7-8-53).
DUSTIN, MARCIA J., Instructor in Occupational Therapy, in the College of Medicine, September 1, 1953-June 10, 1954, $3869.16 a year (7-8-53).
EASON, ELMER E., Instructor in Education, on one-half time, for one month beginning June 16, 1953, $244.44 (7-8-53).

RESIGNATIONS AND DECLINATIONS

CARLSON, ARTHUR J., JR., Research Associate in Civil Engineering (S) — resignation effective 8-1-53.
CHEN, CHUAN FANG, Fellow in Mechanical Engineering — resignation effective 9-16-53.
DANIELS, GLADYS M., Instructor in Home Economics (C) — resignation effective 9-1-53.
FREY, MRS. UVA G., Assistant in Animal Nutrition (Animal Science) (S) — resignation effective 9-1-53.
GASTON, JAMES R., Research Associate in Civil Engineering (S) — resignation effective 7-20-53.
GILL, BAKHAHISH SINGH, Fellow in Veterinary Science — declination effective 2-1-54.
HICKENLOOPER, IRBY J., Research Associate in Civil Engineering (S) — resignation effective 8-1-53.
HOLLENBECK, HOWARD B., Assistant Professor of Social Work — resignation effective 9-1-53.
HOPKINS, DEAN F., Assistant in Agricultural Engineering (S) — resignation effective 7-1-53.
JAKOWATZ, CHARLES V., Assistant Professor of Electrical Engineering — resignation effective 9-1-53.
JANNEY, IRWIN W., Research Associate in the Control Systems Laboratory — resignation effective 6-29-53.
JOFTES, DAVID L., Research Associate in the Institution for Tuberculosis Research — resignation effective 7-7-53.
LANGFELDT, GABRIEL, Lecturer in Psychiatry with rank of Professor, in the College of Medicine — resignation effective 4-30-53.
LIN, PEI HSING, Assistant in Animal Science (S) — resignation effective 8-5-53.
LINCOLN, RICHARD B., Research Associate in Neurology and Neurological Surgery, in the College of Medicine — resignation effective 7-1-53.
MATZ, ELANE B. S., Fellow in French — resignation effective 9-16-53.
MILLER, WILLIAM J., Research Associate in Dairy Science (S) — resignation effective 7-8-53.
PATERSON, MABEL, Research Assistant in Zoology, in the Graduate College — declination effective 6-16-53.
PEDERSEN, THELMA, Research Assistant in Physical Medicine and Rehabilitation, in the College of Medicine — resignation effective 7-1-53.
RICHMOND, JULIUS B., Professor of Pediatrics, in the College of Medicine — resignation effective 9-1-53.
SCHAFFNER, CARL P., Abbott-Lilly-Upjohn Fellow in Chemistry — resignation effective 7-1-53.
SCHLAPKOHL, MILDRED G., Assistant in Agricultural Economics (S) — resignation effective 6-20-53.
SEIL, MANNING D., Associate Professor of Journalism and Communications — resignation effective 9-1-53.
SHELLEY, DOROTHY E., Assistant Professor of Hygiene and Medical Adviser in the Health Service — resignation effective 8-1-53.
SMITH, ERMA A., Assistant Professor of Physical Medicine and Rehabilitation, in the College of Medicine, and Assistant Chief of Physical Medicine and Rehabilitation, in the Research and Education Hospitals — declination effective 9-1-53.
STOCKDALE, GEORGE F., Research Associate Professor of Ceramic Engineering (S) — resignation effective 9-1-53.

SUDAR, PATRICIA G., Assistant in Chemistry, in the College of Pharmacy — resignation effective 7-1-53.
VEALE, PAUL T., Assistant Professor of Soil Physics (Agronomy) (S) — resignation effective 7-1-53.
VELETSOS, ANESTIS S., Research Associate in Civil Engineering (S) — resignation effective 7-1-53.
VERMEULEN, CORNELIUS W., Associate Professor of Surgery, in the College of Medicine — resignation effective 7-1-53.
VICK, MARY E., Instructor in Institution Management (Home Economics) (C) — resignation effective 9-1-53.
WHITFIELD, GEORGE B., JR., Abbott-Lilly-Upjohn Fellow in Chemistry — resignation effective 7-1-53.
YOUNG, MRS. FAY G., Commerce and Sociology Library Assistant — resignation effective 9-1-53.

GRADUATE FELLOWS

(The following appointments were made by the Dean of the Graduate College on the dates indicated in parenthesis.)

ADE, RALPH D., Pfizer and Company Research Fellow in Bacteriology, in the College of Medicine, July 1-September 20, 1953, $500 (7-8-53).
BORKE, MITCHELL L., Fellow in the Chicago Professional Colleges, two months beginning July 1, 1953, $150 a month (6-25-53).
BUSCH, EDWARD L., National Fund Research Fellow in Biological Chemistry, in the College of Medicine, July 1-September 20, 1953, $500 (6-25-53).
DAVIS, JACK H., Fellow in the Chicago Professional Colleges, three months beginning July 1, 1953, $150 a month (6-25-53).
DAY, WILLIAM J., Fellow in the Chicago Professional Colleges, three months beginning July 1, 1953, $150 a month (6-25-53).
FRANK, MORTON H., Fellow in the Chicago Professional Colleges, three months beginning July 1, 1953, $150 a month (6-25-53).
GORDON, ALAN L., National Fund Research Fellow in Biological Chemistry, in the College of Medicine, July 1-September 20, 1953, $500 (6-25-53).
HEMPHILL, VIRGINIA, Fellow in Business Organization and Operation, February 1-June 15, 1954, $450, supersedes (7-1-53).
JAUCH, KARL E., National Fund Research Fellow in Pathology, in the College of Medicine, July 1-September 18, 1953, $500 (6-29-53).
JORDAN, WENDELL E., Fellow in the Chicago Professional Colleges, two months beginning July 1, 1953, $150 a month (6-25-53).
KERANEN, GEORGE M., Fellow in the Chicago Professional Colleges, three months beginning July 1, 1953, $150 a month (6-25-53).
KOUCKY, CHARLES J., National Fund Research Fellow in Pathology, in the College of Medicine, three months beginning October 1, 1953, $500 (6-18-53).

APPENDIX

THE UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1953-1954

(Approved by the Board of Trustees July 25, 1953, page 757)

EXPLANATORY NOTES

This budget consists of three volumes:

I. Summaries of all divisions; Urbana-Champaign divisions and General University Administration — Academic and Administrative Salaries, Wages, Expense and Equipment.

II. Chicago Professional Colleges, Division of Services for Crippled Children, and Chicago Undergraduate Division — Academic and Administrative Salaries, Wages, Expense and Equipment.

III. Nonacademic Salaries, all divisions.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1953.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may, pending the appointment of someone to the position, be drawn against by time cards submitted to the Business Office for services of employees temporarily engaged to do the work contemplated by the position. Such temporary charges *may not exceed the amount of time provided* by the position unless indicated herein or otherwise approved by the President.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries," "Wages," and "Expense and Equipment." No transfers may be made between "Salaries" and "Expense and Equipment" except with the approval of the President of the University. Requests for such changes should be submitted through the Comptroller. Adjustments may be requested between "Salaries" and "Wages" or between "Wages" and "Expense and Equipment" upon notice to the Comptroller, stating the reason for such transfer.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1953, and ending June 30, 1954. Balances up to 5 per cent, or total encumbrances, whichever is larger, will automatically be carried forward to 1954-1955.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds and budgets indicated as "from receipts" are on an estimated basis. Unless otherwise indicated, appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity. Salary appointments may be cancelled if the funds for cooperative investigations are withdrawn.

The services required for members of the academic and administrative staff are in accordance with "Terms of Employment" adopted by the Board of Trustees on January 8, 1948.

a. For positions or portion of positions indicated as "Y," services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as "Y."

b. For positions or portion of positions not indicated as "Y," services are required only during the academic year of two semesters (three terms in Chicago Professional Colleges). Summer Session teaching, if required, will be covered by an additional appointment with salary.

Services of the nonacademic staff are for twelve months, less vacation, in accordance with civil service regulations.

Tenure Symbols (a number following indicates percentage of time)

A — Indefinite tenure, payable in twelve monthly installments.

B — Two years from September 1, 1953, payable in twelve installments.

D — One year from September 1, 1953, payable in twelve installments.
E — The academic year 1953-1954, payable during nine months from September 16.
G — Special tenure as described.
N — In accordance with civil service regulations, effective July 1, 1953, at the annual salary indicated.
NS — Same as N, except work week is five and one-half days.
H — In accordance with civil service regulations on an hourly basis.
P — At prevailing rates. Amount indicated is estimated annual salary based on normal number of hours.
Y — Indicates that services are required throughout the year, except for allowable vacation, without additional compensation.
X — Partly Y, partly non-Y.
Z — In Urbana academic, indicates person's name appears in two or more budgets and the total salary is listed in the supplement.
R — On retirement annuity from University Retirement System.
RA — Receiving retiring allowance from the University (old system).

Perquisite Symbols (for the convenience of the employee unless otherwise indicated)

M — Furnished one meal a day while on duty valued at $10 a month in Chicago and $7 a month in Urbana.
MM — Furnished two meals a day valued at twice the above amounts.
R — Furnished room valued at $35 a month in Chicago; $10 a month in Urbana Residence Halls; $7 a month in McKinley Hospital.
RB — Furnished room and board while on duty valued at $65 a month in Chicago; $31 a month in Urbana Residence Halls; $28 a month in McKinley Hospital.
BL — Furnished board and laundry valued at $480.
U — For the convenience of the University rather than the employee.
