APPOINTMENT OF DIRECTOR OF PUBLIC INFORMATION

(4) I recommend that the position of Director of Public Relations be changed to Director of Public Information. The latter title more accurately reflects the projected responsibilities of the office, since "Public Relations" as a term has come to have a broad application in institutional life and is the concern of many University officers.

I further recommend that Charles E. Flynn, presently University of Illinois Athletic Association Publicity Supervisor, be appointed Director of Public Information effective October 1, 1956, at an annual salary of \$13,000, on "Y" basis.

This appointment is to replace Mr. Josef F. Wright who has asked to be relieved of his duties at the beginning of the academic year 1956-57. However, he will be administratively responsible for the office until October 1, instead of September 1, 1956, as previously reported.

On motion of Mr. Swain, this appointment was approved.

ADMINISTRATIVE APPOINTMENTS

(5) In order to more clearly mark the responsibilities of the officers concerned and to expedite the business of the President's Office, I recommend the following changes in status, effective September 1, 1956:

- HENNING LARSEN, from Provost to Vice-President and Provost, at a salary of \$21,000, on "Y" basis. Mr. Larsen is also Professor of English.
 H. O. FARBER, from Comptroller to Vice-President and Comptroller, at a salary of \$16,000, on "Y" basis. Mr. Farber is also Comptroller of the Board of Trustees and Comptroller of the University Retirement System of Illinois.
 A. J. JANATA, from Assistant to the President on one-half time to Executive Assistant to the President on one-half time, in addition to his appointment as Secretary of the Board of Trustees on one-half time, at a salary of \$16,500, on "Y" basis.

On motion of Mr. Livingston, these appointments were approved.

ADVISORY COMMITTEES FOR COLLEGE OF AGRICULTURE

(6) The Dean of the College of Agriculture recommends the following appointments and reappointments to advisory committees for the College of Agriculture and the Agricultural Experiment Station effective September 1, 1956, for the terms indicated.

Agricultural Economics

EARL M. HUGHES, Rural Route, Woodstock (three years)
 WILBERT STEVENSON, Rural Route 4, Streator (three years)

Agricultural Engineering

HOBART V. DEFFENBAUGH, Farm and Trust Manager, Citizens Bank, Paris (three years)
 F. GUY WHITE, Bob White Farms, Girard (three years)

Agronomy

A. G. HARMS, Cisco (three years)
 MELVIN E. SIMS, Rural Route 1, Adams (three years)

Animal Science

JOHN W. LEHMANN, Pleasant Plains (three years)
 MYRON C. MUELLER, Taylor Ridge (three years)

Dairy Science

C. LESLIE JAMES, Maple Meade Farm,
Mansfield (three years)

Forestry

A. C. HART, First National Bank
Building, Arenzville (three years)

I concur.

On motion of Mrs. Holt, these appointments were approved.

*Horticulture (Vegetables, Fruits,
Ornamentals)*

JOHN TURES, Matt Tures and Sons
Nursery, 1500 Lee Street, Des Plaines
(three years)

JOHN A. NEMANICH, Manhattan (Presi-
dent, Illinois State Vegetable Growers'
Association) (three years)

ADVISORY COMMITTEE FOR THE COLLEGE OF VETERINARY MEDICINE

(7) The Dean of the College of Veterinary Medicine recommends the following appointments to the Advisory Committee for the College of Veterinary Medicine for terms of three years beginning September 1, 1956: Dr. Clifford A. Lemen, Warrensburg; Dr. Warren Amling, Pana; and Dr. Frank Fox Adams, Mt. Carmel.

I concur.

On motion of Mrs. Watkins, these appointments were approved.

CENTER FOR HANDICAPPED CHILDREN

(8) On recommendation of the Executive Committee of the Research and Educational Hospitals, the Executive Committee of the College of Medicine, and the Vice-President in Charge of the Chicago Professional Colleges, I have authorized the establishment of a Center for Handicapped Children in the Research and Educational Hospitals. A report submitted jointly by the Dean of the College of Medicine and the Medical Director of the Research and Educational Hospitals presenting the full text of this proposal, the function of the Center, plan of organization, and budget is hereby filed with the Secretary of the Board for record.

Since this project is primarily a reorganization and consolidation of existing services, funds are available in the budgets of the College of Medicine and the Research and Educational Hospitals and in the Division of Services for Crippled Children. In addition, grants from the United States Public Health Service and the United States Children's Bureau may be available for future development of the program.

I have also approved the appointment of Dr. Edward F. Lis, presently Associate Professor of Pediatrics in the College of Medicine, as Director of the Center for Handicapped Children in the Department of Pediatrics of the Research and Educational Hospitals and in the Division of Services for Crippled Children, in addition to his appointment as Associate Professor of Pediatrics in the College.

Confirmation of these actions is requested.

On motion of Mrs. Holt, the President's actions were confirmed.

LAUNDRY FACILITIES FOR CHICAGO PROFESSIONAL COLLEGES CAMPUS

(9) The laundry operated by the University at the Chicago Professional Colleges campus was started in 1925 by the State Department of Public Welfare. It is in the basement of the Research and Educational Hospitals and was transferred to the University in 1941. Some of the original equipment is still in service. The University has expanded the laundry by assigning a section in the basement of the south wing of the Hospitals building which is some distance from the main laundry, but even this additional space and facilities are not now adequate to serve present laundry requirements of the Chicago Professional Colleges and approximately 20 per cent of the University's laundry work is done by commercial laundries.

The laundry service requirements will increase, and the University has been requested by the Department of Public Welfare to provide laundry service, if possible, for the new Psychiatric Institute State Hospital to be constructed in the near future. Such a service would allow consolidation of laundry facilities

for servicing both institutions, and if the University acquired a new laundry it could serve the Psychiatric Institute State Hospital, if found to be legally possible.

The estimated requirement for a new University Laundry is 2,740,000 pounds a year. The requirements of the Psychiatric Institute State Hospital will amount to approximately 650,000 pounds a year. The total requirements, if the University were to furnish laundry service to the Psychiatric Institute State Hospital, would be 3,390,000 pounds a year. A new laundry should be designed for a potential capacity sufficient to handle the laundry needs for approximately 1,200 hospital beds.

The capital cost of a new laundry is estimated at \$745,000, including equipment owned by the University and land in the Medical Center District valued at \$85,000. The remainder of the cost, \$660,000, would have to be borrowed or provided by a state appropriation.

The present annual operating cost of laundry service, including that done by commercial laundries, is \$183,000. If all of the laundry were done by a commercial laundry, it is estimated that the annual cost would be \$193,200. If a new laundry is constructed, the same volume of laundry could be processed at an estimated annual cost of \$143,200, or a saving of \$50,000.

The laundry operations must be discontinued in the present location, since this space is not only inadequate for this purpose but is needed for hospital use. In view of the savings possible through the operation of a University-owned laundry, possibilities of financing its construction, probably through the cooperation of the University of Illinois Foundation, should be explored.

In addition to savings in costs, there would be operating advantages in having such a facility: smaller inventory of linens, greater flexibility in methods of distributing linens to hospital floors, less storage space required, and an estimated longer life for linens.

The Medical Director of the Hospitals, the Vice-President in Charge of the Chicago Professional Colleges, the Director of the Physical Plant, and the Comptroller recommend approval in principle of the construction of a laundry at the Chicago Professional Colleges campus and that further studies be made of the possibility of financing such a facility.

I concur and recommend that the Comptroller be authorized to investigate the possibility of securing the necessary financing and to employ the law firm of Chapman and Cutler, Chicago, as special counsel.

On motion of Mrs. Watkins, this recommendation was approved.

INCREASE IN PETTY CASH FUND AT CHICAGO UNDERGRADUATE DIVISION

(10) The Comptroller recommends that the petty cash fund available for the use of the Business Manager at the Chicago Undergraduate Division be increased from the present maximum of \$12,000 to \$15,000, by assignment of an additional \$3,000 from the balances of indirect cost funds now held by the University Treasurer. The petty cash fund at the Chicago Undergraduate Division was authorized by the Board of Trustees on April 24, 1952, and \$12,000 is not now adequate to service the Undergraduate Division.

I concur.

On motion of Mr. Livingston, this recommendation was approved by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

APPROPRIATION FOR LEGAL SERVICES

(11) Mr. Albert E. Jenner, Jr., of the firm of Johnston, Thompson, Raymond, and Mayer, Chicago, was engaged as special counsel in the mandamus proceedings instituted against the University by Miss Patricia Bluett.

The Appellate Court for the First District recently affirmed the order dismissing Miss Bluett's mandamus suit against the University.

Mr. Jenner has presented a statement showing that there is due his firm a fee for its services to the University in this matter from May 13, 1955, to date in the sum of \$2,500 plus advancements made by it in behalf of the Univer-

sity during that period totaling \$123, or a total of \$2,623. This is in addition to the \$2,600 paid Mr. Jenner's firm by way of compensation for its services and reimbursement for its advances while the case was pending in the Circuit Court of Cook County.

The Legal Counsel and the Comptroller recommend an appropriation of \$2,623 from the General Reserve Fund and authorization of payment for these services and expenses incidental thereto.

I concur.

On motion of Mr. Swain, this appropriation was made and the payment was authorized by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(12) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve Fund as follows:

12. Chicago Undergraduate Division, remodeling and equipment for expansion of the offices of Liberal Arts and Sciences and Commerce.. 9 200

Total.....\$95 997

I concur.

On motion of Mr. Livingston, these appropriations were made by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

REASSIGNMENT OF FUNDS FOR THE OPERATION OF THE RESEARCH AND EDUCATIONAL HOSPITALS

(13) The University biennial operating budget for 1955-57 includes a provision of \$73,916 a year for the activation of the twelfth floor of the addition to the Research and Educational Hospitals. Prior to the activation of the twelfth floor, the National Foundation for Infantile Paralysis negotiated with the University for the installation and operation of a Respiratory Center on this floor and for which the Foundation provided the funds. The funds for the first year of the biennium were held in reserve and were used for nonrecurring expenditures within the Hospitals.

The Hospitals are in need of additional positions in ancillary services. These positions will be included in the biennial budget estimates for 1957-59, but in view of the availability of funds for the operation of the twelfth floor, it is proposed to use them to provide salaries for the new positions needed now. Such transfer is appropriate under the Act making the biennial appropriations to the University. This has been discussed with representatives of the State Department of Finance who concur in this proposed transfer.

The Vice-President in Charge of the Chicago Professional Colleges and the Comptroller recommend that funds be transferred from the reserve held for the activation of the twelfth floor of the Research and Educational Hospitals and be allocated as follows, and I concur.

College of Medicine

1. Pathology, salaries.....	\$ 2 900
2. Surgery, salaries.....	12 000
3. Radiology, salaries.....	12 000

Research and Educational Hospitals

1. Central Supply, salaries.....	2 580
2. Clinics, salaries.....	7 380
3. Clinical Laboratories, salaries.....	6 900
4. Medical Records	
Salaries.....	3 600
Wages.....	420
5. Medicine, salaries.....	3 330
6. Neurology	
Salaries.....	11 640
Wages.....	246
Expense and equipment.....	2 000
7. Pathology, salaries.....	3 300
8. Radiology, wages.....	5 620

On motion of Mr. Johnston, these reassignments of funds were approved by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megrn, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

ARCHITECTURAL SERVICES ON UNIVERSITY BUILDINGS

(14) Professor A. M. Richardson of the Department of Architecture, who was Consulting Architect for the new Law Building and who has done extensive design work on student residence halls, has resigned from the University to go into private practice. His work for the University has been so satisfactory that it is desired that his services be continued.

The Director of the Physical Plant recommends employment of Professor Richardson and his new firm for (a) the design of a new residence hall for 1,000 undergraduate women students; (b) the completion of the design for a new residence hall for men; (c) the design of a new Fine and Applied Arts Building; (d) campus plan studies at Urbana-Champaign; (e) consultation as requested by the University on the designs of a new Plant Sciences Building, the addition to the Illini Union Building, a Central Food Storage Building, and family housing construction.

It is proposed that compensation for these services on items (a) and (c) be at the rate of one-half of one per cent of the estimated construction cost of these buildings; and that compensation for services on the other projects be on the basis of actual salaries and wages paid to personnel while employed on them plus 75 per cent thereof for indirect costs.

The estimated cost of these services under the arrangement proposed is approximately \$37,000. These expenditures will be charges against the funds which become available for construction, but an advance from general University funds is necessary.

The Comptroller and the Provost join with the Director of the Physical Plant in recommending a contract with Mr. Richardson and his associates as outlined above.

I concur and recommend that the Comptroller and the Secretary of the

Board be authorized to execute a contract with Mr. Richardson and his firm for services in accordance with the terms listed above, and that an appropriation of \$37,000 be made from the General Reserve Fund for this purpose, with the understanding that this fund will be reimbursed when construction funds for the projects included in this arrangement become available.

On motion of Mrs. Watkins, this recommendation and the assignment of funds required were approved by the following vote: Aye, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Megran, Mr. Swain, Mrs. Watkins; no, none; absent, Mr. Bissell, Mr. Herrick, Mr. Nickell, Mr. Stratton, Mr. Williamson.

**CONTRACT FOR ALTERATIONS IN FIRST UNIT OF
DENTISTRY-MEDICINE-PHARMACY BUILDING**

(15) The Director of the Physical Plant and the Comptroller recommend award of a contract for \$20,876 to the Mutual Contracting Company, Chicago, the lowest bidder, for alterations of quarters for the Department of Pharmacology in the first unit of the Dentistry-Medicine-Pharmacy Building.

The work will consist of rearrangement of partitions, improvement of lighting and ventilation, and installation of new laboratory furniture. The work is part of the program which has been under way for the past two years to rehabilitate facilities and to provide additional space for the increase in enrollment.

Funds are available in the state appropriations for 1955-57 for buildings and other permanent improvements.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mr. Swain, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

**CONTRACT FOR LANDSCAPING OF HOME
ECONOMICS BUILDING AREA**

(16) The Director of the Physical Plant and the Comptroller recommend award of a contract for \$11,497 to Irving L. Peterson, Champaign, Illinois, the lowest bidder, for landscaping of the Bevier Hall—Home Economics area.

The funds are available in the state appropriation for the construction of this building.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Holt, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

**CONTRACT FOR LAWN SPRINKLING SYSTEMS AT STAFF APARTMENT
BUILDING AND STUDENT RESIDENCE HALL AT THE
CHICAGO PROFESSIONAL COLLEGES**

(17) The Director of the Physical Plant and the Comptroller recommend award of a contract for \$3,928 to the Muellermist Irrigation Company, Maywood, Illinois, the lowest bidder, for installation of lawn sprinkling systems at the Staff Apartment Building and the Student Residence Hall at the Chicago Professional Colleges.

The work will consist of installing underground piping and sprinkling heads. This improvement will reduce the amount of labor required and will provide more uniform sprinkling.

Funds are available in the 1951 Revenue Bond Construction Account.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract.

On motion of Mrs. Watkins, this contract was awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

CONTRACT FOR FUEL FOR MEDICAL CENTER STEAM PLANT

(18) The Director of the Physical Plant, the Business Manager of the Chicago Colleges, and the Comptroller recommend award of a contract to the Crerar

Clinch Coal Company, 28 East Jackson Boulevard, Chicago, the lowest bidder, for 17,000 tons of screenings coal to be delivered to the Medical Center Steam Plant, operated by the University, as required during the period August 1, 1956, to June 30, 1957, at a per ton cost of \$4.00, plus transportation of \$1.30, plus \$1.25 for handling, storage, and delivery, or a total estimated cost of \$111,350. This price is based on the present wage scale and is subject to increase or decrease in the event that wage contracts now in effect are changed, and any such change will affect the price to the extent that the production costs are increased or decreased by the new contracts. The University has the right of approval of any such increase in price.

The lowest bid is determined by the number of British Thermal Units per one cent of cost based on guaranteed analysis. A continuous check is provided at the Steam Plant to insure compliance with the specifications.

The above named officers also recommend the purchase of a minimum of 8,000 gallons of No. 6 fuel oil, with the option of purchasing as much more as may be required for emergency use but not to exceed 450,000 gallons, from the Michael Oil Company, 2446 South Western Avenue, Chicago, the lowest bidder, at a price of \$.081 per gallon subject to adjustment in accordance with the posted price variations published in the Wall Street Journal. On the basis of the quoted unit price, the total cost of 8,000 gallons would be \$648 and of 450,000 gallons, \$36,450.

The Medical Center Steam Company Plant is equipped to burn either coal, gas, or oil. Winter operation has been with coal and summer operation has been with gas. The purchase of fuel oil is recommended for standby service. If used for emergency operations instead of gas or coal, there will be a corresponding reduction in expenditures for these two fuels.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the contracts for these purchases subject to approval by the Governor as required by the state constitution.

On motion of Mr. Swain, these contracts were awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

CONTRACTS FOR COAL PURCHASES

(19) The Director of Purchases, the Comptroller, and the Director of the Physical Plant recommend award of the following contracts for 50,300 tons of coal screenings to be delivered to the Abbott Power Plant between the period September 1, 1956, through June 30, 1957:

	<i>F.o.b. Mine</i>	<i>Freight</i>	<i>Total Cost</i>
United Electric Coal Co., Chicago			
5,000 tons at \$4.10.....	\$ 20 500	\$ 6 250	\$ 26 750
Bell & Zoller Coal Co., Terre Haute, Indiana			
10,000 tons at \$4.45.....	44 500	11 800	56 300
Republic Coal & Coke Co., Peoria			
35,300 tons at \$4.35.....	153 555	41 654	195 209

Sealed bids on uniform specifications were opened on July 13, 1956. Invitations were sent to twenty-four producers and sales agencies and advertisements were published in three daily papers.

It is advantageous to have contracts with three sources of supply to be assured of delivery of coal at all times. The prices quoted are based on present wage scales and are subject to increase or decrease in event that wage contracts now in effect are changed. Any such change will affect the price to the extent that production costs are increased or decreased by the new contracts. The University may cancel the purchase contract if it believes that any price adjustment is not justified.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute contracts as recommended, subject to approval by the Governor as required by the state constitution.

On motion of Mr. Johnston, these contracts were awarded, and the Comptroller and Secretary of the Board were authorized to execute the same.

**REJECTION OF BIDS ON ALTERATIONS IN STUDENT RESIDENCE
HALL AT CHICAGO PROFESSIONAL COLLEGES**

(20) Bids were taken on remodeling of the third floor of the Student Residence Hall at the Chicago Professional Colleges to convert that area from occupancy by men to occupancy by women students. The work would include installation of separate stairs for the use of women only.

It has been concluded that the cost of the additional stairs is not justified and can not be recommended. Since this would constitute the major portion of the work on which the bids were taken, the Vice-President in Charge of the Chicago Professional Colleges, the Director of the Physical Plant, and the Comptroller recommend that all bids be rejected. The University reserved the right to do so in the invitations issued to bidders.

I concur.

On motion of Mr. Swain, these bids were rejected.

GRANT FROM W. K. KELLOGG FOUNDATION

(21) The W. K. Kellogg Foundation of Battle Creek, Michigan, has approved a grant of \$141,000 for the National Association of Educational Broadcasters, payable to the University of Illinois in annual installments of \$47,000 for a period of three years. This grant is in essence an extension of a five-year grant made by the Kellogg Foundation to the University, on behalf of the NAEB, effective July 1, 1951, in support of educational broadcasting. University and NAEB officials are gratified that the record of accomplishment of the Kellogg Project has merited a renewal of the grant. The present grant, however, is a terminal one.

The National Association of Educational Broadcasters, whose headquarters are at the University of Illinois, is the professional association of educational broadcasters in the United States for both radio and television. Its functions include operation of a national central educational employment service and other consultant, professional, research, and publication services, some of which are or have been supported also by the Fund for Adult Education, the Ford Foundation, the Rockefeller Foundation, and other organizations. Active membership includes nearly all the educational radio and television stations in the United States; affiliated memberships are also held by educational representatives of the broadcasting systems of other nations.

I have accepted this grant and request confirmation of my action.

On motion of Mrs. Watkins, the President's action was confirmed.

**GRANTS FROM HASKINS AND SELLS FOUNDATION, INC.,
OF NEW YORK CITY**

(22) The Haskins and Sells Foundation, Inc., of New York City has established two educational programs, one for students and one for teachers, at several colleges and universities throughout the United States, beginning with the academic year 1956-57.

The Foundation has offered the University of Illinois

1. A \$500 award to be made annually to outstanding students in accounting who have completed their junior year. The purpose of this award is to stimulate higher academic achievement on the part of students majoring in accounting and to encourage promising students to major in this field. The award is available to students whose primary interest is in accounting, but it is not required that the student plan to enter public accounting.
2. A grant of \$1,000 a year for five years to assist qualified instructors in accounting while they are pursuing higher academic degrees for careers in teaching accounting. This grant is designed to minimize the initial sacrifices incurred by a teacher in the early stages of his career. Payment of the faculty grants will be made directly to the recipients selected.

I have accepted these grants and request confirmation of my action.

On motion of Mr. Livingston, the President's action was approved.

EXTENSION OF FLORIDA AND KIRBY AVENUES

(25) Public officials of Champaign-Urbana have proposed to the State Department of Public Works and Buildings, Division of Highways, the improvement and extension of Florida Avenue and the construction of a subway under the Illinois Central Railroad to connect Florida Avenue with Kirby Avenue in Champaign. This improvement will require land owned by the University between the east line of the Illinois Central Railroad right-of-way and First Street in Champaign, plus additional land south of the present Florida Avenue right-of-way between First Street and Lincoln Avenue.

This extension would provide an additional major east-west traffic artery through the entire community and would greatly help the flow of traffic. As far as the University operations are concerned, it would add another route for employees to reach the campus, reduce traffic on existing streets crossing the campus, and improve the handling of automobile traffic during the football season. The only cost the University is asked to assume is the required right-of-way, which will involve relocating the Physical Plant Nursery. Both local and state officials have agreed that belt route truck traffic will be restricted from using this street.

This improvement was proposed in the community development plan approved by the Board of Trustees on April 19, 1951 (minutes, page 661). It has recently

¹ Deduct.

been considered by the Building Program Committee which recommends its approval.

The Director of the Physical Plant and the Comptroller recommend that this project and the University's participation in it, in such manner and to such extent as may be found legal and practicable, be approved in principle, and that said Director, the Comptroller, and the Legal Counsel be authorized to conduct negotiations with the representatives of the interested communities, the state, and the other interested public agencies and bodies for the purpose of reaching an agreement as to the extent and manner in which the University can and should participate in the project and to then present their recommendations and requests for further authority with respect to the same to the Board of Trustees.

I concur.

On motion of Mr. Swain, this recommendation was approved, and authority was given as requested.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: (1) appointments made by the President; (2) fellows; (3) resignations and declinations; (4) leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ALBLINGER, WILLIAM E., Instructor in the Institute of Aviation, two months from June 16, 1956, \$400 a month (7-6-56).

ALLHANDS, TYLER, Instructor in Mathematics, academic year beginning September 1, 1956, \$4800 (7-12-56).

ALTON, DONALD E., Research Assistant in Civil Engineering (S), June 16-August 31, 1956, \$333.33 a month (6-18-56).

ALVES, LAFAYETTE W., Instructor in the Institute of Aviation, $\frac{3}{4}$ time, two months from June 16, 1956, \$350 a month (7-3-56).

ANDERSON, TRUMAN O., Research Associate in Medicine (Medicine), $\frac{3}{4}$ time, one year from September 1, 1956, \$4875 (7-6-56).

BAKES, ROBERT E., Assistant in Law, nine months from September 16, 1956, \$4500 (7-3-56).

BARTHEL, HAROLD O., Research Associate in Aeronautical Engineering (C), $\frac{1}{2}$ time, June 16-August 31, 1956, \$277.78 a month; this is in addition to his present appointment (6-22-56).

BEBERMAN, MAX, Associate Professor of Education, in the University High School, June 18-August 11, 1956, \$1422 (7-2-56).

SEPTEMBER AND OCTOBER MEETINGS

On motion of Mr. Swain, the Board voted to hold its next regular meeting in Chicago on Tuesday, September 18, 1956, beginning at 2:30 p.m., Central Daylight Saving Time, at a place to be selected by the President and Secretary of the Board.

On motion of Mrs. Holt, the Board voted to hold a regular meeting in October on Monday, October 22, 1956, in the Illini Union Building, Urbana-Champaign, Illinois, beginning at 11:00 a.m., Central Daylight Saving Time.

COMMUNICATION FROM DR. LLOYD MOREY

President Megran read a letter from Dr. Lloyd Morey expressing appreciation of a message he had received from Mr. Megran concerning his recent appointment as Auditor of Public Accounts of Illinois, and extending his greetings to the members of the Board of Trustees.

COMMUNICATIONS RECEIVED CONCERNING MILLER MEADOW

The Secretary presented a number of letters received at his office, addressed to the Board of Trustees of the University of Illinois, from citizens of Cook County protesting the selection of Miller Meadow as the site for Chicago Undergraduate Division on the ground that this would be taking over land needed for the future development of the Forest Preserve District and urging the Board to reconsider its decision. The Secretary has acknowledged these letters, stating that they would be brought to the attention of the Board, and he has sent the writers the report and recommendation made to the Board of Trustees by the President of the University on this matter so that they will understand the reasons for the Board's decision.

On motion of Mr. Johnston, the Board adjourned.
