

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

February 18, 1958

The February meeting of the Board of Trustees of the University of Illinois was held at the Chicago Professional Colleges, in the Chicago Illini Union Building, 715 South Wood Street, Chicago, Illinois, on Tuesday, February 18, 1958, beginning at 2:15 p.m.

The following members of the Board were present: Mr. Cushman B. Bissell, Mrs. Doris S. Holt, Mr. Wayne A. Johnston, Mr. Park Livingston, Mr. Vernon L. Nickell, Mr. Timothy W. Swain, Mr. Kenney E. Williamson, Mr. Wirt Herrick, Mr. Earl M. Hughes, Governor William G. Stratton, and Mrs. Frances B. Watkins were absent.

Also present were President David D. Henry, Vice-President and Provost Gordon N. Ray, Dr. H. E. Longenecker, Vice-President in charge of the Chicago Professional Colleges, Dean George L. Webster, Dean of the College of Pharmacy, Dean C. C. Caveny of the Chicago Undergraduate Division, Mr. C. S. Havens, Director of the Physical Plant Department, Dean Paul M. Green of the College of Commerce and Business Administration, Mr. Howard A. Hazleton, Business Manager of the Chicago Departments, Mr. C. E. Flynn, Director of Public Information; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary.

ADDRESS BY DEAN GEORGE L. WEBSTER

Preceding the Board meeting and during the luncheon recess following meetings of Board committees held in the forenoon, Dean George L. Webster of the College of Pharmacy addressed the Board reporting on the state of the College.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. FELIX T. ADLER, Visiting Professor of Physics, on one-tenth time, for the second semester of 1957-58, at a salary of \$1,200 (E10).
2. RICHARD L. BUTWELL, Assistant Professor of Political Science, beginning February 1, 1958, at an annual salary of \$6,000 (B).
3. FRANK H. DODD, Visiting Assistant Professor of Dairy Science, for seven months from February 1, 1958, at a salary of \$3,990 (G).
4. BERNARD ECANOW, Assistant Professor of Pharmacy, beginning September 1, 1958, at an annual salary of \$6,900 (B).
5. RALPH T. FISHER, JR., Associate Professor of History, beginning September 1, 1958, at an annual salary of \$7,500 (A).
6. MARY FRANCES HEERMANS, Assistant Professor of Occupational Therapy, beginning March 1, 1958, at an annual salary of \$7,000 (DY).
7. MAURICE H. HEINS, Professor of Mathematics, beginning September 1, 1958, at an annual salary of \$12,500 (A).
8. DWIGHT F. KAMPE, Associate Professor of Agricultural Engineering, beginning July 1, 1958, at an annual salary of \$9,000 (AY).
9. HEINZ W. KOPPE, Research Assistant Professor of Physics, beginning April 1, 1958, at an annual salary of \$7,200 (DY).
10. WALTER H. LEWIS, Assistant Professor of Architecture, beginning March 1, 1958, at an annual salary of \$6,200 (D).
11. THOMAS B. O'CONNELL, Assistant in Physical Education for Men, beginning February 1, 1958, at an annual salary of \$1,300 (E25), and Assistant Varsity Football Coach, at an annual salary of \$7,100 to be paid by the Athletic Association.
12. GERALD W. PECK, Coordinating Placement Officer, beginning March 1, 1958, at an annual salary of \$10,200 (BY).
13. LOUISE PEET, Visiting Professor of Home Economics, for the second semester of 1957-58, at a salary of \$1,680 (E40).
14. JOHN A. QUINN, Assistant Professor of Chemical Engineering, in the Department of Chemistry and Chemical Engineering, beginning February 1, 1958, at an annual salary of \$6,000 (B).
15. RICHARD B. SELANDER, Assistant Professor of Entomology, beginning September 1, 1958, at an annual salary of \$6,000 (D).
16. BERNARD SERIN, Visiting Research Associate Professor of Physics, beginning September 16, 1958, at an annual salary of \$7,000 (E).
17. FREDERICK P. SIEGAL, Assistant Professor of Pharmacy, beginning January 1, 1958, at an annual salary of \$6,900 (D).
18. STANLEY W. STEINKAMP, Research Assistant Professor in the Bureau of Economic and Business Research, beginning May 1, 1958, at an annual salary of \$7,500 (DY).
19. RICHARD B. STEPHENS, Professor of Law, beginning September 1, 1958, at an annual salary of \$13,200 (D).
20. ALBERT WATTENBERG, Research Professor of Physics, beginning September 1, 1958, at an annual salary of \$15,000 (AY).
21. CHARLES E. WARWICK, Assistant Dean of Men, beginning June 1, 1958, at an annual salary of \$5,000 (DY).

On motion of Mr. Johnston, these appointments were confirmed.

EXCHANGE OF PROFESSORS

(3) The University of Illinois Statutes provide that on recommendation of the head or chairman of a department and with the approval of all recommending officers and the Board of Trustees a member of the faculty of professional rank may be permitted for a period of one year or one semester to exchange his position with a professor of approximately equal rank in another university provided the exchange does not involve substantial increase in the cost of instruction.

Professor Lee S. Hultzen, Department of Speech, wishes to exchange his position with Mrs. Elizabeth T. Uldall, Lecturer in the Phonetics Department at the University of Edinburgh, Scotland, for the academic year 1958-59. Both have approximately the same background of professional training and experience and are teaching the same types of courses. The exchange will be stimulating and profitable to both individuals and to the departments concerned. It will involve no additional expense to the University.

I have authorized this exchange, with the understanding that the details will be subject to approval by the President of the University when arrangements have been completed, and request confirmation of my action.

On motion of Mr. Nickell, the action of the President was confirmed.

ARCHITECTURAL SERVICES ON UNIVERSITY BUILDINGS

(4) The Director of the Physical Plant Department and the Vice-President and Comptroller, after consultation with the University committee, recommend employment of architects on new University buildings as follows:

Addition to the Illini Union Building. Jameson and Harrison, Peoria, for all architectural and engineering services, other than the design, and including preparation of working drawings and specifications, at a fee of 4.7 per cent of actual construction costs. The Board of Trustees has previously employed the firm of Eggers and Higgins of New York, and Mr. Howard L. Cheney, Chicago, as Consulting Architect, for the design services, with the understanding that another firm would be employed on the remaining services of architectural and engineering work. Eggers and Higgins will be paid a fee of 1.3 per cent.

Health Services Building—Addition to McKinley Hospital. The firm of Smith, Kratz, and Associates of Urbana, for complete architectural services at the standard fee of 6 per cent of construction costs.

Submitted herewith is a statement concerning the qualifications of these firms and the considerations which led to their selection. A copy of it is being filed with the Secretary of the Board for record.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute contracts on the terms specified with these firms. The Committee on Buildings and Grounds has also considered these recommendations and approves.

On motion of Mr. Nickell, these contracts were awarded, as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same.

APPROPRIATION BY ATHLETIC ASSOCIATION

(5) The Board of Directors of the Athletic Association has approved an appropriation of \$3,500 for the spring baseball trip to Tempe, Arizona. This appropriation is submitted for confirmation.

On motion of Mr. Swain, this action was confirmed.

SPECIAL APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(6) The Committee on Nonrecurring Appropriations recommends assignments of funds from the General Reserve for the following purposes:

- | | |
|---|-----------------|
| 1. Department of Electrical Engineering, equipment and facilities for Bio-acoustics Laboratory..... | \$20 000 |
| 2. Department of Chemistry and Chemical Engineering, installation of fire stairs and partitions in the Chemistry Annex..... | 10 000 |
| <i>Total</i> | <u>\$30 000</u> |

I concur.

On motion of Mr. Williamson, these appropriations were made by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Hughes, Mr. Stratton, Mrs. Watkins.

APPROPRIATION FOR LEGAL SERVICES OF SPECIAL COUNSEL

(7) The Legal Counsel has requested an appropriation of funds to pay for the services of special counsel and other legal expenses as follows:

Thompson, Raymond, Mayer, Jenner, and Bloomstein, 135 South LaSalle Street, Chicago 3, Illinois

For legal services as special counsel for the University in defending three suits instituted by Mrs. Mary L. Bentley, formerly employed as a nurse in the Research and Educational Hospitals, against: (a) Dr. Donald J. Caseley, Medical Director of the Research and Educational Hospitals, and Mr. Paul Hartley, formerly Associate Director of Nonacademic Personnel; (b) Dr. Joseph B. Teton, formerly Gynecologist in the Health Service at the Chicago Professional Colleges (and still a member of the faculty as a Clinical Assistant Professor); and (c) a suit for judicial review of the action of the Merit Board of the University Civil Service System of Illinois in finding her guilty of charges preferred against her by the University in ordering her discharge from employment.....\$15 400 00

Reimbursement for advances and expenses paid by that firm on behalf of the University.....202 66

Total.....\$15 602 66

Mr. Albert E. Jenner and Mr. Prentice H. Marshall of the law firm assisted the Legal Counsel in all of this litigation and other members of the firm participated in portions of it.

The firm has submitted detailed statements of its services in this litigation covering a period of more than two years, October, 1955, to December, 1957, and an itemized statement of its expenses. These have been examined and approved by the Legal Counsel.

Chapman and Cutler, 111 West Monroe Street, Chicago

For legal services to assist the Legal Counsel in defending a suit instituted in the Superior Court of Cook County in March, 1954, which suit is still pending, by Continental Builders, Inc., seeking to recover a \$10,000 bid deposit made in connection with its bid on the construction of the Small Homes Council Housing Project in 1949 and seeking recovery of alleged damages.....\$ 2 200 00

Reimbursement for advances and expenses paid by that firm on behalf of the University.....45 05

Total.....\$ 2 245 05

Continental Builders, Inc., was the lowest bidder on construction of thirty staff houses in the area south of Florida Avenue and immediately west of Race Street and a contract was issued, but Continental Builders, Inc., was unable to furnish a satisfactory performance bond within the time required. The University was thus compelled to secure new bids, as a consequence of which the project cost more than it would have if Continental Builders, Inc., had performed. The University retained the \$10,000 bid deposit. Continental Builders, Inc., now sues to recover the amount of the deposit plus the expenses it alleges it incurred in preparing to do the work under the contract before the award was rescinded and also for the profit the plaintiff alleges would have been realized had it been permitted to go ahead with the contract. These items aggregate \$70,000, the sum sued for, plus court costs.

The firm has submitted a detailed statement of its services in this litigation and an itemized statement of its expenses. These have been examined and approved by the Legal Counsel.

I recommend that these payments be authorized and that an appropriation of \$17,847.71 be made from the General Reserve Fund for this purpose.

On motion of Mr. Swain, these payments were authorized, and an appropriation of \$17,847.71 was made from the General Reserve Fund for this purpose. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Hughes, Mr. Stratton, Mrs. Watkins.

AIRPORT ADMINISTRATION BUILDING AND CONTROL TOWER

(8) The Seventieth General Assembly of Illinois appropriated \$160,000 to the Department of Aeronautics of Illinois for the construction of an administration building, control tower, and necessary utilities at the University of Illinois Airport. The total project is estimated to cost \$336,000. The Federal Civil Aeronautics Administration will provide one-half of this on approval of an application from the University. The remaining \$8,000, which is a contingency item in the estimates of the project cost and therefore may not be needed, can be provided from the Airport Revolving Account.

The Director of the Institute of Aviation and the Vice-President and Comptroller recommend that the Board authorize the filing of an application for the federal funds and the execution of an Agency and Participation Agreement with the Department of Aeronautics which will set forth the respective responsibilities of the University and the Department and which is necessary to comply with the state and federal laws to secure allocations of funds. The University will award the contracts and supervise the construction. The Director of Aeronautics will provide the \$160,000 of state funds, will disburse the federal funds, and will have the responsibility for compliance with state and federal requirements and for general policy supervision.

As reported to the Board of Trustees (minutes of October 29, 1957, page 948), the University is providing all architectural services. The Department of Aeronautics will reimburse the University for the actual architectural costs plus overhead not to exceed 60 per cent of costs.

The Director of the Institute of Aviation and the Vice-President and Comptroller recommend that the Secretary and the Comptroller of the Board be authorized to execute a project application to the Federal Civil Aeronautics Administration, an Agency and Participation Agreement with the Department of Aeronautics of the state of Illinois, and an agreement with the Department of Aeronautics for the architectural services.

I concur.

On motion of Mrs. Holt, these recommendations were approved, and the Comptroller and the Secretary of the Board were authorized to execute the documents specified. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Livingston, Mr. Nickell, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Hughes, Mr. Stratton, Mrs. Watkins; Mr. Johnston voted "present."

**CONTRACT FOR REMODELING IN RESEARCH
AND EDUCATIONAL HOSPITALS**

(9) The Director of the Physical Plant Department and the Vice-President and Comptroller recommend award of a contract for \$295,078 to Russell Mansfield, Chicago, Illinois, for the remodeling, including all phases of the general work and the mechanical trades, of the third and fourth floors of the general building of the Research and Educational Hospitals.

The alterations will consist of rearrangement of partitions, installation of air conditioning, installation of laboratory furniture and X-ray equipment, improvements in lighting, and addition of the necessary utilities.

Funds are not presently available for all of the remodeling planned, hence bids were taken on the minimum work desired plus alternates for additional alterations, the University reserving the right to accept or reject any or all. Submitted herewith are a schedule of all bids received and a memorandum explaining the alternates; copies are being filed with the Secretary of the Board for record.

It is recommended that the work covered by the base bid of \$257,978 and two of the alternates, Nos. 1 and 5, in the amounts of \$32,750 and \$4,350 respectively, be contracted for at this time. Alternate 5 provides for alterations in a corridor which are necessary if any of the remodeling covered by alternate 1 is done. When additional funds become available, recommendations will be made for the award of a contract, or an increase in the contract now being recommended, for the work being omitted at this time. Russell Mansfield is the lowest bidder on the total project and on all phases of the work covered by this contract.

Funds are available in the state capital appropriations for 1957-59, subject to release by the Governor.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute this contract, subject to release of funds.

On motion of Mr. Nickell, this contract was awarded, as recommended, and the Comptroller and the Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Hughes, Mr. Stratton, Mrs. Watkins.

CONTRACT FOR CONSTRUCTION OF PHYSICS BUILDING

(10) The Director of the Physical Plant Department and the Vice-President and Comptroller recommend award of a contract for \$1,436,400 to Mayfair Construction Company, Chicago, Illinois, for the construction of the first unit of a new Physics Building. This contract will be for all construction work, including the mechanical trades.

In response to advertisements and other notices, nine bids were received on February 4, 1958. Instructions to bidders called for a base bid and a series of alternates, the University reserving the right to accept or reject any or all. The base bid and alternates submitted by Mayfair Construction Company recommended for acceptance are:

Base bid.....	\$1 408 800
Additive alternates	
Additional foundation piling west of the building.....	10 700
Installation of additional shelving in offices.....	4 400
Metal acoustical treatment in corridors.....	11 000
Anemostat mixing boxes for future air conditioning installation....	1 500
<i>Total</i>	<i>\$1 436 400</i>

The additional piling is recommended as a protection against damage to this first unit through driving of foundation piling for the adjoining second unit of the building when the latter is constructed. The other alternates are recommended as highly desirable accessories since the base bid allows sufficient funds for these provisions.

Funds are available in the state capital appropriations for 1957-59, subject to release by the Governor. The contract price is well within budget estimates for building construction.

A base bid, lower by \$185,600, was submitted by Hudson Construction Company, Inc., Rantoul, Illinois, but its officers promptly reported that a basic error was made in estimating and preparation of the bid and requested permission to withdraw it. The Legal Counsel has advised that when a basic, unintentional error has been committed by a bidder—which has been verified in this case—the University may properly permit the bid to be withdrawn and return the bid deposit. The Director of the Physical Plant Department and the Vice-President and Comptroller recommend that the request of the Hudson Construction Company, Inc., be granted, including return of its deposit, and that Mayfair Construction Company be declared the lowest bidder.

Submitted herewith is a schedule of all bids received, with a report on this matter from the Director of the Physical Plant Department; copies are being filed with the Secretary of the Board for record.

I concur in the above recommendations and request that the Comptroller and the Secretary of the Board be authorized to execute the contracts subject to the release of funds.

On motion of Mr. Williamson, this contract was awarded, as recommended and the Comptroller and the Secretary of the Board were authorized to execute the same. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Hughes, Mr. Stratton, Mrs. Watkins.

EASEMENT ON UNIVERSITY PROPERTY ON ILLINOIS STREET

(11) In purchasing the property on the south side of Illinois Street, between Mathews and Goodwin Avenues, the University acquired one-half of a row of twelve garages which, prior to University acquisition, had been constructed by a former owner and the owner of an adjoining property as a joint venture. It was obviously intended that the midpoint of this row of garages would be on the line between the two properties but when the sixth garage on University land was removed to clear the land for expansion and a parking area it was found that the midpoint of the row of garages was approximately twenty inches over on University-owned land. In removing the garages it was the University's obligation to close off the end of the six remaining units on the adjoining property. If the garages had been cut off exactly on the property line, the cost to the University of closing the end of the remaining units would have been greater since new doors would have been required; moreover, the garage unit affected would have been decreased in width and rendered unusable. The practical solution is to permit that part of the garage unit now on University land to remain until the owner removes the building. The University has no immediate need for this very small area of ground and its occupancy by the garage will not interfere with utilization of the adjoining area as a parking lot for the Biology Building across the street.

The Director of the Physical Plant Department, the Vice-President and Comptroller, and the Legal Counsel recommend that the University grant an easement to Rachel M. Simpson, Collett E. Woolman, Barbara Preston, Martha Taylor, and Margaret Ann Murphy, the adjoining property owners, for the portion of the University property on which the garage encroaches, such easement to automatically terminate whenever the garage building is destroyed or removed. The University shall have the right to terminate the easement upon six months' written notice after twenty years.

I concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the easement.

On motion of Mr. Bissell, this recommendation was approved, and the Comptroller and the Secretary of the Board were authorized to execute the necessary documents. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Her-rick, Mr. Hughes, Mr. Stratton, Mrs. Watkins.

CONDEMNATION OF PROPERTY AT 1010 WEST ILLINOIS STREET, URBANA, ILLINOIS

(12) The University now owns considerable property lying between Green Street and Illinois Street in the 1000 block of West Green and Illinois Streets which will be needed as the site for Single Men's Dormitory Unit No. 4. The property located at 1010 West Illinois Street is being purchased by Elizabeth I. Keener under contract of sale and is needed as an additional property to the site for Single Men's Dormitory Unit No. 4.

The property at 1010 West Illinois Street is owned by the Ada Lee Parker estate, an estate in probate in the County Court of Champaign County, Illinois. Prior to the death of Miss Parker, her conservator had sold the property on contract to Mrs. Elizabeth I. Keener, who is in possession of the property and who is paying the balance of the purchase price in monthly payments. The lot is improved with an old residence which has been converted to a student rooming house. Mrs. Keener occupies an apartment consisting of about three rooms on the first floor. The lot has a frontage of $62\frac{2}{3}$ feet on Illinois Street and has a depth of 199.64 feet. University officers have negotiated with Mrs. Keener for the purchase of this property, the negotiations having covered several months time.

The University has had careful and detailed appraisals made of the property by six well-qualified real estate appraisers and has made an offer to purchase the property based on the values indicated in these appraisals. Several conferences have been held with Mrs. Keener in an attempt to arrive at the fair amount of compensation to be paid for the property. Mrs. Keener is willing to sell only at a price which the University officers deem decidedly exorbitant and excessive.

It therefore is necessary to request that the Board of Trustees authorize the University to resort to its right of eminent domain in order to acquire title to this property at a fair and reasonable price.

Accordingly, the Comptroller, the Director of the Physical Plant Department, and the Legal Counsel recommend the adoption of the following resolution:

Resolution

It Is Hereby Resolved, Found, and Declared by the Board of Trustees of the University of Illinois that the following described real estate, situated in the City of Urbana, County of Champaign, and State of Illinois, viz.:

Beginning at the Southwest Corner of Lot Two (2) in Block Three (3) of Burpee, Curtiss & Somers' Addition of Out Lots to Urbana, thence East on the North line of Illinois Street 63 $\frac{2}{3}$ feet, thence North parallel to the West line of said Lot Two (2), 199.64 feet, thence West parallel with the South line of said Lot Two (2), 63 $\frac{2}{3}$ feet to the West line of said Lot Two (2), thence South to the place of beginning,

is needed by the University of Illinois, an educational institution established and supported by the state of Illinois, as the site for a building needed and to be constructed by said University for educational purposes and to enable said University to discharge its duties to the people of said state and for public use; that funds available for the purchase of said land have been appropriated to the Board of Trustees of the University of Illinois by the General Assembly of the State of Illinois; that this Board of Trustees has negotiated with Elizabeth I. Keener, the owner and purchaser of said land, for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but she has refused to sell and convey the land to the Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems excessive and exorbitant and is unwilling, and has refused to pay therefore; and

It is Further Hereby Resolved, Found, and Declared by said the Board of Trustees of the University of Illinois that the compensation to be paid by it for said land can not be agreed upon between this Board of Trustees and said Elizabeth I. Keener and she and it are unable to agree upon the purchase price to be paid her for the sale and conveyance by her thereof to said the Board of Trustees of the University of Illinois; and

It Is Further Hereby Resolved, Found, and Declared by this Board of Trustees of the University of Illinois that, because of said need of said University for said land for said purposes and because the compensation to be paid the said Elizabeth I. Keener as the owner and purchaser thereof herein can not be agreed upon between her and this Board of Trustees, it is necessary for the Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to said Elizabeth I. Keener and any and all other persons who may have right, title, or interest in and to said land therefor determined in the manner provided by law for the exercise of said right of eminent domain; and

It Is Further Hereby Resolved by this Board of Trustees that the necessary and appropriate action be taken for the acquisition of title to said property by said the Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction, and that the Legal Counsel of said University be, and he is hereby authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name of the Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Johnston, the foregoing resolution was adopted

by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Hughes, Mr. Stratton, Mrs. Watkins.

**CONDEMNATION OF PROPERTY AT 1102 WEST ILLINOIS STREET,
URBANA, ILLINOIS**

(13) The University now owns considerable property between Green Street and Illinois Street in the 1000 block of Illinois Street which is the site for Single Men's Dormitory Unit No. 4. The University does not own the property at 1102 West Illinois Street, Urbana, Illinois.

This property is owned by the George K. Linton estate and the Havana National Bank of Havana, Illinois, Trustee under the will of George K. Linton, deceased, and is in charge of the estate property. The lot is improved with an old residence designed for single family dwelling and is occupied by Miss Ruth Linton, the daughter of George K. Linton, deceased, as her residence. It is not used commercially at this time. Miss Ruth Linton is an elderly lady who is entitled, pursuant to the will of her father, to occupy the residence rent free for the term of her natural life. The real estate has a frontage of approximately 74½ feet on Illinois Street and a depth of approximately 175 feet. All of the surrounding properties are rooming houses or family dwellings converted to apartments. The University has made an offer to purchase this property based on careful and detailed appraisals thereof and it is possible that an agreeable price can be reached for the purchase of this property. It is doubtful, however, whether the Havana National Bank, as Trustee, is authorized to sell and convey the property as long as Miss Ruth Linton wishes to occupy it as her dwelling and, therefore, it may be necessary that condemnation proceedings be instituted and carried through in order to acquire full legal title to the property, unless Miss Ruth Linton voluntarily acquiesces in the sale of the property to the University.

It therefore is necessary to request that the Board of Trustees of the University of Illinois authorize the University to resort to its right of eminent domain in order to acquire the rights of all persons entitled to the use and occupancy of the premises, and to acquire the title to this property at a fair and reasonable price.

Accordingly, the Comptroller, the Director of the Physical Plant Department, and the Legal Counsel recommend the adoption of the following resolution:

Resolution

It Is Hereby Resolved, Found, and Declared by the Board of Trustees of the University of Illinois that the following described real estate, situated in the City of Urbana, County of Champaign, and State of Illinois, viz.:

Beginning at a point 75 feet East of the Southwest Corner of Lot Nine (9) in Wm. M. Goodwin's Addition to Urbana, Illinois, thence East on the North line of Illinois Street 74½ feet to the Southeast Corner of said Lot Nine (9), thence North on the East line of said Lot Nine (9) a distance of 175 feet, thence West 74½ feet, thence South 175 feet to the place of beginning,

is needed by the University of Illinois, an educational institution established and supported by the state of Illinois, as the site for a building needed and to be constructed by said University for educational purposes and to enable said University to discharge its duties to the people of said state and for public use; the funds available for the purchase of said land have been appropriated to the Board of Trustees of the University of Illinois by the General Assembly of the State of Illinois; that this Board of Trustees have negotiated with the Havana National Bank, Trustee under the Will of George K. Linton, deceased, the owners of said land for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but Ruth Linton, having the right to use and occupy said premises, has refused to surrender her rights to the University, and therefore the Havana National Bank, as Trustee aforesaid, can not deliver a good and merchantable title to said real estate to the Board of Trustees of the University of Illinois for the purchase price offered; and

It Is Further Hereby Resolved, Found, and Declared by said the Board of Trustees of the University of Illinois that the compensation to be paid by it for said land can not be agreed upon between this Board of Trustees and the said the Havana National Bank, as Trustee aforesaid, and Ruth Linton and they and it are unable to agree upon the purchase price to be paid them for sale and conveyance by them thereof to said the Board of Trustees of the University of Illinois; and

It Is Further Hereby Resolved, Found, and Declared by this Board of Trustees of the University of Illinois that, because of said need of said University for said land for said purposes and because the compensation to be paid the said Havana National Bank, as Trustee aforesaid, as the owners thereof herein can not be agreed upon between them and this Board of Trustees, it is necessary for the Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to said the Havana National Bank, as Trustee aforesaid, and any and all other persons who may have right, title, or interest in and to said land therefor determined in the manner provided by law for the exercise of said right of eminent domain; and

It Is Further Hereby Resolved by this Board of Trustees that the necessary and appropriate action be taken for the acquisition of title to said property by said the Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction, and that the Legal Counsel of said University, be and he is hereby authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name of the Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Johnston, the foregoing resolution was adopted by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Hughes, Mr. Stratton, Mrs. Watkins.

SETTLEMENT OF CLAIM OF DONALD IGLINSKI

(14) On or about May 25, 1955, Donald Iglinski, a student in the College of Pharmacy, suffered injuries to his left wrist and hand when a glass carboy exploded while he was extracting glycerin from it to be used by him in assigned laboratory work. The carboy was equipped with a type of pump customarily used in laboratories by which air pressure is forced into the container through one tube, expelling the contents through another tube. A piece of the glass carboy struck Iglinski's left wrist, lacerating the flesh and partially dividing the median nerve to approximately one-third of its circumference. Iglinski also suffered minor surface face injuries. All wounds have healed, but he has suffered substantial impairment in use of the little finger and ring finger, and a numbness in the middle finger, of his left hand.

As a result of these injuries, Mr. Iglinski was unable to work during the summer of 1955 and investigation shows that he suffered a loss of wages in excess of \$1,000 as an apprentice pharmacist.

Mr. Iglinski's testimony and the inferences drawn therefrom would be that the carboy cork was wired in, that students were instructed to hold the cork fast with one hand and operate the air pump with the other, that he followed instructions, that the glycerin was not extracted with sufficient speed to keep the air pressure in the carboy at a safe level, and that consequently it exploded. On the other hand, the laboratory assistant, who set up the equipment, would testify that the cork was not wired in, and that students were specifically instructed not to hold it fast so that it could work as a safety valve in case of excessive air pressure.

Mr. Iglinski will accept a firm offer of \$2,000 to settle his claim against the University.

While the University could properly refuse to accept liability, it is the opinion of Mr. Prentice H. Marshall, Counsel for the University in this case, that there is sufficient doubt as to the verdict in the event of litigation to justify settlement and

he recommends acceptance of the offer of settlement. Mr. Palmberg, Senior Assistant to the University Legal Counsel, and the Vice-President in charge of the Chicago Professional Colleges, concur.

I also concur and recommend that the Comptroller and the Secretary of the Board be authorized to execute the necessary documents to effect this settlement.

On motion of Mrs. Holt, this recommendation was approved, and the Comptroller and the Secretary of the Board were authorized to execute the necessary documents.

ILLINOIS YOUTH COMMISSION BOYS' CAMP AT DIXON SPRINGS

(15) In the consideration by the Board of Trustees at its meeting on January 16, 1958, of the agreement with the Illinois Youth Commission for the establishment and maintenance of a rehabilitation camp for boys at the Dixon Springs Experiment Station, a question was asked if there has been any evaluation of the success of this camp in rehabilitating boys sent to it by the Commission.

There is submitted herewith, and a copy is being filed with the Secretary of the Board, a letter from the Chairman of the Illinois Youth Commission, in reply to an inquiry made by the Vice-President and Comptroller, which expresses the belief of the Commission that the camp at Dixon Springs has been valuable in the program of rehabilitating boys.

This report was received for record.

PURCHASES

Purchases Authorized

(16) The following purchases were authorized by the President's Office on recommendation of the Director of Purchases and the Vice-President and Comptroller.

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
One model WF-14 Wollensak combined motion picture and oscillographic superimposed high-speed camera with reluctance pick-up, Model WF-31 timing light generator, and goose control unit for speed control	Chemistry and Chemical Engineering	Wollensak Optical Co., Rochester, N.Y.	\$5 074 00 f.o.b. Rochester, N.Y.
5,000 Western Electric type GF-45011 transistors	Digital Computer Laboratory	Western Electric Co., Inc., New York, N.Y.	102 500 00 f.o.b. Laureldale, Pa.

On motion of Mr. Swain, these purchases were approved.

Purchases Recommended

The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest bid.

I concur.

QUARTERLY REPORT OF THE COMPTROLLER

(18) The Comptroller presents his quarterly report to the Board as of December 31, 1957.

This report was received for record and a copy has been filed with the Secretary of the Board.

PURCHASE OF FURNITURE FOR MEN'S RESIDENCE HALLS SM-2

(19) Bids have been taken on 1,569 desks, 1,269 single beds, and 123 double deck beds for installation in the new Men's Residence Halls now under construction. Bidders were asked to submit bids on these bases: on University specification; on furniture of the manufacturer's standard design and construction which would provide substantially the accommodations specified; and on an alternate of omission of storage drawers in the beds.

After reviewing the bids, it is recommended that beds with storage drawers be purchased. On this basis, the bid of \$169,728 on all items by the Weger Institutional Designs, Lansing, Michigan, under the option of adapting the specifications

to the manufacturer's standard method of construction and finish, is the lowest bid. The major adaptations are an air-dried finish rather than oven-dried finish, with the elimination of the final rubbing process, and the use of white and red oak instead of all white oak.

The Director of Purchases and representatives of the Physical Plant Department have carefully studied the proposed changes and University representatives have visited the factory in which the furniture will be made. It is their opinion that the proposed modifications will not reduce the standards of material, construction, and finish expected by the University.

The Director of Purchases and the Vice-President and Comptroller recommend the award of a contract for \$169,728 to Weger Institutional Designs for this furniture.

I concur.

On motion of Mr. Swain, this recommendation was approved.

REPORT OF COMMITTEE ON GENERAL POLICY ON CHICAGO UNDERGRADUATE DIVISION SITES

Mr. Johnston, for the Committee on General Policy, reported that the Committee has under consideration all of the sites suggested in the suburban areas and within the city limits of Chicago, including the area bounded by Congress Street on the north, Sixteenth Street on the south, the Chicago River on the west, and State Street on the east, which is to be cleared when a new railroad terminal in Chicago is constructed. The Committee is working toward a date for a final decision, bearing in mind that construction of buildings for the Chicago Undergraduate Division should be started no later than 1960 and that they be available for use in 1963.

REPORT OF FINANCE COMMITTEE

Mr. Swain, for the Finance Committee, reported that at the March meeting of the Board the Committee will make a recommendation for the employment of a firm of certified public accountants to audit the accounts of the University beginning with the fiscal year 1957-58. He invited the members of the Board to submit to the Finance Committee the names of any firms they wish to have considered for this assignment.

ANNUAL MEETING OF THE BOARD OF TRUSTEES

The By-Laws of the Board state that it shall hold its annual meeting on the second Tuesday of March, unless the date of such meeting be changed by the Board; and that all meetings shall be held at the University at Urbana unless otherwise ordered by vote of the Board or by the President thereof.

Mr. Livingston called attention to the fact that this year's scheduled annual meeting will be on March 11, and that it was the consensus of the Board expressed at its meeting on December 17, 1957, that no action be taken to change the date or place of this meeting. He stated that it now appears desirable to hold this meeting in Chicago because of certain matters of business which will come before the Board.

On motion of Mr. Swain, the Board voted to hold the annual meeting on March 11, 1958, in Chicago, Illinois, at an hour and place to be fixed by the President and Secretary of the Board.

The Chairman of the Committee on Buildings and Grounds, the Committee on General Policy, and the Finance Committee authorized

the Secretary to schedule meetings of these Committees on March 11 in connection with the Board meeting.

APRIL MEETING

On motion of Mr. Johnston, the Board voted to hold its April meeting on Thursday, April 17, 1958, at the Dixon Springs Experiment Station of the University of Illinois, and the Secretary was authorized to schedule the hour of this meeting to suit the convenience of the members of the Board and to select the place for this meeting.

MAY MEETING

On motion of Mr. Swain, the Board voted to hold its May meeting on Thursday, May 29, 1958, in Urbana, Illinois, at an hour and place to be determined by the President and Secretary of the Board.

LEAVES OF ABSENCE

- BURNETT, R. WILL, Professor of Education—leave of absence, without pay, two years from September 1, 1958, in order that he may serve as a staff member at the American University in Beirut.
- JACOB, PAUL E., Professor of French—leave of absence on account of illness, with full pay, beginning February 1, 1958, and continuing through the second semester of the current academic year, or for as much of that period as may be necessary for his recovery.
- JOHNSON, B. CONNOR, Professor of Animal Biochemistry, Department of Animal Science (C and S)—leave of absence, without pay, six months from March 1, 1958, so that he may take an assignment with the International Cooperation Administration.
- KUYPERS, JOHN M., Professor of Music—leave of absence on account of illness, with full pay, for the second semester of the current academic year 1957-58.
- McKEE, MARY A., Assistant Professor of Home Economics 4-H Club Work (E)—leave of absence with full pay for four months from March 1, 1958, for the purpose of study and travel abroad.
- SAHASRABUDHE, MADHU R., Research Assistant in Food Technology (S)—leave of absence, without pay, extended from February 1 through August 31, 1958, or until such prior time as he is able to return to active service at the University.
- WILSON, FRANCIS G., Professor of Political Science—leave of absence, without pay, for the second semester of 1958-59 (March 1, 1959, through August 31, 1959), so that he may accept an invitation from the University of Notre Dame to join their staff during that period.

EXECUTIVE SESSION

At this point an executive session was requested and ordered for consideration of the following item of business.

ACQUISITION OF PROPERTY AT 1008 WEST GREEN STREET, URBANA, ILLINOIS

The Director of the Physical Plant Department and the Vice-President and Comptroller recommend the purchase of the property at 1008 West Green Street, Urbana, owned by Mr. and Mrs. William R. Hunsicker. The property consists of a lot with a frontage of approximately 67 feet on Green Street and a depth of approximately 234 feet; an old frame residence which has been converted to seven small apartments; and a new brick apartment building completed in 1957, containing eight small apartments.

The land is needed as a part of the site for a residence hall for unmarried graduate students (Stage 2 in the University's Program for Housing Students as approved by the Board January 28, 1956). The Board of Trustees on December 17, 1957, authorized the acquisition of the property through condemnation pro-

ceedings since at that time the owner was unwilling to sell except at a price which University officers deemed exorbitant and excessive. The owner has now agreed to enter into a contract to sell on these terms: price, \$92,500 of which \$50,000 shall be payable within twenty days after the agreements are executed and the balance of \$42,500 at the time of possession; the seller to retain possession, rent free, until July 1, 1958, to pay all taxes levied for 1957, taxes levied for 1958 to be pro rated, and insurance, and to maintain the buildings during the entire period of his occupancy. The Committee on Buildings and Grounds, informed that negotiations with the owners had been reopened to determine if the property can be acquired by purchase at a price and on terms acceptable to the University, approved the steps which were being taken. The price at which the property is offered for sale is within appraisals made of it, is reasonable considering the improvements on the land, and is consistent with the policy authorized by the Committee on Buildings and Grounds to govern negotiations for property acquisitions.

Funds are available in the state capital appropriations for 1957-59 for land acquisitions and have been released by the Governor.

I recommend the purchase of the property at the price and on the terms stated above, and that the Secretary and the Comptroller be authorized to execute the necessary documents for the acquisition of this property, subject to approval of the title by the Legal Counsel.

On motion of Mr. Johnston, the purchase of this property, on the terms indicated, was authorized, and the Comptroller and the Secretary of the Board were authorized to execute the necessary documents. This action was taken by the following vote: Aye, Mr. Bissell, Mrs. Holt, Mr. Johnston, Mr. Livingston, Mr. Nickell, Mr. Swain, Mr. Williamson; no, none; absent, Mr. Herrick, Mr. Hughes, Mr. Stratton, Mrs. Watkins.

On motion of Mr. Johnston, the Board adjourned.
