THE UNIVERSITY SENATES, 1963-64

A Senate is constituted at each campus of the University known, respectively, as the Urbana-Champaign Senate, the Medical Center Senate, and the Chicago Undergraduate Division Senate.

Each Senate consists of the full professors, the deans of colleges, the directors or deans of schools and institutes, and the heads and chairmen of departments (or persons acting in the foregoing positions) at the campus represented by that Senate; and, on the recommendation of the Committee on Educational Policy of that Senate, of persons of other academic rank or administrative status, as each Senate may determine by resolution. In no case, however, is any person, irrespective of academic rank or administrative status, a member of a Senate, or eligible for membership, unless he holds at least a half-time appointment and receives salary from the University for such services, as specified in his contract. Senate members of the teaching and research staffs are, upon retirement, entitled to the privileges of the floor at all meetings of their Senate. Membership on any standing committee of a Senate is open to the general faculty, and carries with it the privileges of the floor of the Senate, including that of voting, so long as such membership continues.

The President, the Executive Vice-President and Provost, the Vice-President and Comptroller, the Legal Counsel, the Dean of Admissions and Records, the Vice-President for the Medical Center, and the Vice-President for the Chicago Undergraduate Division are ex officio members of each of the Senates. The President is the presiding officer of each Senate, but, in his absence or inability to preside, this function is exercised in the Urbana-Champaign Senate by the Executive Vice-President and Provost, in the Medical Center Senate by its Vice-President, and in the Chicago Undergraduate Division Senate by its Vice-President. Each ex officio member may designate a representative to act in his behalf at any Senate meeting.

Weldon, Treasurer, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees on December 19, 1961, and January 11, 1962, press proof copies of which had previously been sent to the Board.

On motion of Mrs. Watkins, the minutes were approved as printed on pages 1215 to 1274, inclusive.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT ON SELECTED TOPICS

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
ALFRED WILLIAM BRIEL	Evansville, Indiana	Indiana
RUFUS CARSON COX, JR.	Wilmette, Illinois	Ohio
JOSEPH J. GREENBERG	Skokie, Illinois	District of Columbia
FRANCIS XAVIER KUHN	Elk Grove Village, Illinois	District of Columbia

On motion of Mr. Hughes, these appointments were confirmed.

SABBATICAL LEAVE OF ABSENCE

(4) The Head of the Department of Physiology and the Dean of the College of Medicine recommend, and I concur, that Dr. Ruven Greenberg, Associate Professor in that Department, be granted sabbatical leave of absence on full pay from January 15 to July 15, 1963. Application for this leave was received some time ago but administrative action was deferred pending receipt of additional information needed for adequate appraisal of his program of study and research.

On motion of Mr. Pogue, this leave was approved.

APPOINTMENTS TO THE STAFF OF THE CENTER FOR ZOONOSIS RESEARCH

(5) The Dean of the College of Veterinary Medicine and Director of the Illinois Center for Zoonoses Research recommends the following appointments to the staff of the Center:

Senior Member

MARK H. LEPPER, M.D., Professor of Preventive Medicine, and Head of the Department, College of Medicine, indefinite tenure.

The Dean of the College of Medicine concurs.

Associate Member

RICHARD WARWICK ARMSTRONG, Research Assistant in Physiology, University of Illinois, two years. Mr. Armstrong has been employed as a Research Assistant under a grant from the National Cancer Institute for work on the ecology of cancer under the supervision of Dr. Frederick Sargent II, a Senior Member of the Center for Zoonoses Research. Mr. Armstrong is also doing graduate work and will receive the Doctor of Philosophy degree in August, 1963. His appointment is approved by the Dean of the College of Liberal Arts and Sciences.

Consultants

BERNARD B. BERGER, Chief, Research Branch, Division of Water Supply and Pollution Control, Public Health Service, Department of Health, Education, and Welfare, Cincinnati, Ohio, two years.

LEIGHTON EGGERTSEN CLUFF, Associate Professor, Johns Hopkins University College of Medicine, two years.

I concur.

On motion of Mr. Hughes, these appointments were approved.

ADVISORY COUNCIL OF LIBRARIANS

(6) The Dean of Library Administration recommends establishment of an Advisory Council of Librarians for the Graduate School of Library Science. The Council would be made up of leaders in the profession in the state of Illinois and representatives of major types of libraries. Membership would include representatives of each of the four major types of libraries (college and university, school, public, and specialized libraries) with two ex-officio members, including the Assistant State Librarian and the President of the Illinois Library Association. Representatives of libraries would serve for varying terms.

The faculty of the School supports this recommendation. The following nominations are submitted, effective September 1, 1962:

Public Libraries

WILLIAM W. BRYAN, Librarian, Peoria Public Library, Peoria, three years

GRACE W. GILMAN, Librarian, Lincoln Library, Springfield, two years

College and University Libraries

VICTORIA HARGRAVE, Librarian, MacMurray College, Jacksonville, two years

DR. ROBERT R. HERTEL, Director of Libraries, Illinois State Normal University, three years

School Libraries

MRS. IMOGENE BOOK, Librarian, High School and Junior College, Mt. Vernon, two years

ELEANOR YOUNGMIRE, Supervisor, Oak Park Elementary Schools, three years

Special Libraries

WILLIAM S. BUDINGTON, Assistant Librarian, John Crerar Library, Chicago, two years

AGNES C. HENEERY, Librarian, *Decatur Herald and Review*, three years

Ex-Officio Members

DE LAFAYETTE REID, Assistant State Librarian, Springfield

WILLIAM W. BRYAN, Librarian, Peoria Public Library, Peoria

President-elect, Illinois Library Association (while Mr. Bryan is being named in two capacities, his term as President of the Illinois Library Association will be for one year).

I concur.

On motion of Mr. Dilliard, these appointments were approved.

ADVISORY COMMITTEES FOR COLLEGE OF AGRICULTURE

(7) The Dean of the College of Agriculture recommends the following appointments and reappointments to advisory committees for the College of Agriculture and the Agricultural Experiment Station effective September 1, 1962, for three-year terms:

Agricultural Economics

HAROLD COUNCIL, Princeton

VICTOR ECKMAN, 3600 Fairmont Avenue, Collinsville

WAYNE ROBBINS, Campbell Soup Company, West Chicago

Horticulture (Floriculture, Ornamentals)

JOHN C. FIORE, Charles Fiore Nurseries, Route 22, Prairie View

The Dean of the College of Agriculture further recommends the following reappointments to the general committee for two years as members at large:

JOSEPH ACKERMAN, Managing Director, Farm Foundation, 600 South Michigan Avenue, Chicago 5

PAUL C. JOHNSON, Editor, *Prairie Farmer*, 1230 West Washington Boulevard, Chicago 7

I concur.

On motion of Mr. Hughes, these appointments were approved.

DR. HARTWELL C. HOWARD SCHOLARSHIPS

(8) As reported to the Board of Trustees on February 21, 1962, the University has received a bequest from the late Dr. Charles P. Howard of Champaign of approximately \$194,000 as an endowment to establish the Dr. Hartwell C. Howard Memorial Fund, the income to be used to aid premedical and predoctoral students. The amount of income now available for such student aid during the academic year 1962-63 is approximately \$2,000; and it is estimated that the endowment will produce at least \$5,000 each year thereafter.

It is recommended that the following rules be established for the administration of awards:

1. All the available income shall be used for undergraduate scholarships for premedical and predoctoral students.
2. Such scholarships shall be awarded by the University Committee on Undergraduate Scholarships on nomination of the premedical committees advisory to premedical and predoctoral students at Urbana-Champaign and at the Chicago Undergraduate Division.

3. The award shall be on the basis of financial aid and scholastic standing and following the same criteria applicable to awards of other undergraduate scholarships.

On motion of Mr. Johnston, these regulations were adopted.

ADMISSIONS REQUIREMENTS AND PROCEDURES

- (9) The three University Senates have approved the following recommendations from the All-University Committee on Admissions.

Admission of High School Seniors in the Top Quarter of Their Classes

The Dean of Admissions and Records is authorized to consider for admission high school seniors in the top quarter of their classes who apply for admission to sessions beginning in June, 1964, and thereafter, on the basis of official documents from their high schools and other secondary schools, viz: a statement of six semesters of completed high school work, a statement of the courses to be taken in the last two semesters, the date of probable graduation, and an estimate of the applicant's scholastic rank in his class.

Admission of Foreign Students

The Office of Admissions and Records is authorized to decide which student shall be classified as "foreign" according to the following definition:

A person who is a citizen or permanent resident alien of a country or political area other than the United States and has a residence outside the United States to which he expects to return and either is, or proposes to be, a temporary alien in the United States for educational purposes shall be classified as a foreign student.

An alien who has permanent resident (immigrant) status in the United States and has received such classification for convenience only and maintains a residence outside the United States which he has no intention of abandoning shall be classified as a foreign student upon receipt of valid evidence (notarized certificate) from the permanent resident alien attesting to these facts.

The test given by the English Language Institute, Testing and Certification Division, Ann Arbor, Michigan, shall be required of all foreign students, including transfers, who file applications for admission after September 1, 1962, except foreign students who are citizens of a country where the native language is English, or who have degrees from colleges or universities in countries where English is the native language and where all instruction was in English. A score on that examination will be received by the University of Illinois before action is taken on the student's request for admission. All prospective foreign students who receive a score below the minimum score of acceptance on the test will not be admitted to the University. The Dean of Admissions and Records may, however, upon recommendation of the college concerned, waive the requirement of test if evidence presented by the applicant clearly justifies such action.

The Senate Coordinating Council has considered these actions and has advised that they are ready for presentation to the Board of Trustees.

I concur in the recommendations.

On motion of Mr. Wilkins, these recommendations were approved.

REVISIONS IN CURRICULA

College of Agriculture

- (10) The Urbana-Champaign Senate has recommended revisions in the core curriculum in agriculture and the various majors related thereto, and in the agricultural science curriculum, effective September, 1962.

Core Curriculum

The core curriculum provides for a common program for the first two years of the undergraduate curricula in agriculture, with the exception of certain specialized curricula. All students in agriculture, except those in agricultural science, dairy technology, floriculture and ornamental horticulture, food technology, forestry, home economics, horticultural food crops, and restaurant management, pursue the same general core program for the first two years.

1. Addition of Agronomy 101, Introductory Soils, four hours, to the list of

Group I courses in agriculture from which all students in the core curriculum must complete fifteen hours.

2. Reduction of minimum required hours of agricultural courses from fifty to forty hours for all majors in the core curriculum except the major in general agriculture. The fifty-hour agriculture requirement for this major remains in effect because of its broad general nature. The reduction of ten hours in agriculture courses in the other majors will permit greater flexibility for the student and his adviser in designing programs to fit individual needs. The ten hours may be used for additional work in general education, supporting basic sciences, or other open electives.
3. Minor revisions in the majors in dairy science and agricultural mechanization:

MAJOR IN DAIRY SCIENCE

Instead of requiring specific courses in agriculture, the revised major requires fifteen hours selected from Group I courses in agriculture, fifteen hours selected from a group of advanced-level (200 or 300) courses in agriculture, and ten hours of additional advanced-level elective courses in agriculture. This choice of courses is desirable to provide an opportunity for the student to emphasize subject-matter areas of dairy science, such as nutrition, physiology, genetics, or management.

The requirement in science and supporting courses, in addition to the core requirement, is increased from six to nine hours.

The minimum requirement in agricultural hours is reduced from fifty to forty hours. See 2 above.

MAJOR IN AGRICULTURAL MECHANIZATION

A reduction of the minimum requirement of agriculture courses from fifty to forty hours. See 2 above.

An increase in the physical science requirement by seven hours. Mathematics 114, Trigonometry, and Physics 101, General Physics, have been added as requirements. An option is also provided for the student to take Chemistry 132 or 133, Elementary Organic Chemistry, or Physics 102, General Physics. This increased emphasis in the physical sciences will enable agricultural mechanization majors to better meet future changes in agriculture through stronger basic training.

An increase in the requirement of courses in the areas of business and communications from fifteen hours to eighteen hours. The majority of the graduates of this major enter businesses that are closely allied to agriculture. Therefore, training in business organization, operation, management, marketing and communications is essential.

Agricultural Science Curriculum

The required hours of agricultural courses for graduation in this curriculum is reduced from thirty-five to thirty with a minimum of fifteen of the thirty hours in courses at the junior-senior level.

This curriculum is designed for students who plan to do graduate work in certain fields or engage in professional work requiring more science, mathematics, or engineering than included in the core curriculum. The curriculum provides an opportunity for individually planned programs of study under the supervision of faculty advisers. The reduction of five hours in required agricultural courses will allow an increase of five hours in open electives, giving the student the opportunity to use these electives to strengthen his program of basic science or supporting courses.

Adding the requirement of a minimum of fifteen hours of advanced level courses in agriculture will strengthen the program.

Entering freshmen must rank in the upper half of their high school graduating classes; and must maintain a 3.5 scholastic average to remain in and graduate from the curriculum.

College of Commerce and Business Administration

The Urbana-Champaign Senate recommends two major changes in the general curriculum in the College of Commerce and Business Administration required of all students in the college, except those majoring in teacher education. The changes

include an increase in the amount of time spent on general education and an increase in the number of hours required for graduation from 126 to 132 hours, excluding the general University requirements of military training and physical education. The new requirements will become effective for students enrolling after June 1, 1964.

College of Education

The Urbana-Champaign Senate has recommended revisions in the industrial education curricula and in the curriculum preparatory to teaching mentally handicapped children, effective September 1, 1962.

Industrial Education Curricula

There are three optional curricula available to students interested in majoring in industrial education.

OPTION I—designed primarily to prepare instructors of industrial arts.

1. Delete Mathematics 117, Combined Freshman Mathematics (Algebra and Trigonometry); substitute Mathematics 112, College Algebra, and Mathematics 114, Trigonometry, wherever they do not already appear as an alternate choice. This involves no change in the semester-hour requirement in mathematics.
2. Substitute Education 240, Principles of American Secondary Education, two hours, for the more specialized course, Industrial Education 381, Principles of Vocational Education, three hours, and increase the free electives by one hour. Total hours required for graduation remain the same.
3. Delete Agricultural Engineering 142, Gas Engines and Tractors, from the suggested electives.

OPTION II—designed to prepare vocational-industrial instructors.

1. Same as No. 1 in Option I.
2. Delete Journalism 204, Typography, two hours, as a requirement; add Industrial Education 384, General Shop Program, four hours, as a requirement, and decrease the number of electives required by two hours. Total hours for graduation remain the same.
3. Delete Industrial Education 186, Automotive Maintenance, three hours, and add Industrial Education 383, Development, Organization, and Principles of Industrial Education, three hours.

OPTION III—designed to prepare personnel for employment in training departments maintained by industrial plants.

1. Same as No. 1 in Options I and II.
2. Substitute Sociology 218, Technology and Social Change, three hours, for Sociology 318, Human Relations in Industry, three hours.

3. Delete the requirements of three hours of electives and add Industrial Education 383, Development, Organization, and Principles of Industrial Education, three hours.

Curriculum Preparatory to Teaching Mentally Handicapped Children

FIRST YEAR

Increase the range of alternatives which students can choose, i.e., if a student does not take Division of General Studies 131, Biological Science, he may take any two of the following: Physiology 103, 104, 105, 106; Botany 100; or Zoology 104 — all of these being elementary courses in these fields.

Psychology 100, Introduction of Psychology, moved to the second semester of the first year in order to provide more time in the second semester of the curriculum.

SECOND YEAR

Education 117, Exceptional Children, moved from third year to the second year.

Education 201, Foundations of American Education, added to meet the requirement of the elementary education curriculum and is a substitute for Education 101, The Nature of the Teaching Profession.

THIRD YEAR

Add Music 240, Music for Elementary Teachers.

Substitute Education 233, Classroom Programs in Childhood Education, for Education 230, Principles of Elementary Education.

Add Mathematics 202, Mathematics for Elementary Teachers.

Substitute Psychology 250, Psychology of Personality, for Education 237, Child Development for Elementary Teachers.

Add Psychology 216, Child Psychology, as an alternative to Education 236, Child Development for Elementary Teachers.

Delete Education 218, Remedial Reading in the Elementary School.

Move Education 324, Mental and Educational Measurement of Exceptional Children, from the third year to the fourth year.

With the revisions recommended the curriculum will qualify graduates to teach in classes for normal children in elementary schools and in classes for educable mentally retarded children in elementary and secondary schools. The revisions do not affect the number of hours required for graduation.

The Senate Coordinating Council indicates that no other Senate jurisdiction is involved.

College of Fine and Applied Arts

The Urbana-Champaign Senate has recommended revisions in the crafts option curriculum in the Department of Art and in the music composition curriculum, effective September 1, 1962.

Crafts Option in the Department of Art

Substitute Art 290, Ceramic Raw Materials, and Art 291, Glaze Calculation, in the third-year requirements in the ceramic emphasis of the curriculum for Ceramic Engineering 101, Introduction, and Ceramic Engineering 102, Processes.

Substitute Art 125-126, Life Drawing, Art 141-142, Still Life Painting, and Division of General Studies 142, Physical Science, in the second-year requirements in the ceramic emphasis of the curriculum for Mathematics 111 or 112, Algebra, Mathematics 114, Trigonometry, and Chemistry 101, General Chemistry.

Eliminate in both the ceramic and metal emphasis of the curriculum the third-year requirements of Art 190 and 191, Recreational Crafts, and incorporate changes to permit the election of Home Economics 337, Textile Design, or additional art electives.

Increase the humanities requirement from five to six hours and reduce the total art electives by one hour in the metal emphasis of the curriculum.

Music Composition Curriculum

Reduce Music 106, Composition, from four to two hours each semester. Music 106 is required each semester for the first two years.

Reduce Music 102, 103, and 104, Theory, from four-hour courses to three-hour courses; Music 101, Theory, is now a three-hour course. Add Music 107,

108, and 109, Ear Training and Sight Singing, one hour each. Composition majors will take Music 101 in the first semester, 102 and 107 in the second semester, 103 and 108 in the third semester, and 104 and 109 in the fourth semester.

Reduce applied music requirement from twenty-four to sixteen hours.

Reduce music history requirement in the junior and senior years from twelve to six hours by selecting six hours from Music 310, 311, 312, and 313 rather than requiring all four of them as is now the case.

Add Music 315, Contemporary Music, two hours, to the requirements for graduation.

These changes increase the number of electives by five hours, from 20-22 to 25-27.

The electives must include at least sixteen hours in humanities, social sciences, or natural sciences, in addition to the prescribed curriculum.

The Senate Coordinating Council indicates that no other Senate jurisdiction is involved.

College of Liberal Arts and Sciences

Curriculum Preparatory to the Teaching of English

The Urbana-Champaign Senate recommends revisions in the curriculum leading to the Degree of Master of Arts in the Teaching of English and recommends an optional curriculum for graduate students whose undergraduate work was not in a teacher-preparation program but who wish to do graduate work in the teaching of English at the secondary school level.

REVISIONS IN CURRICULUM FOR STUDENTS WITH TEACHER'S CERTIFICATES

First Semester

Units

Delete one unit of electives.

Specify the following courses:

English 445, Introduction to Advanced Graduate Study.....	1/4
English 387, The Structure of English, or, Rhetoric 480, The Theory and Practice of English Composition.....	1/2 to 3/4

Second Semester

Delete one unit of electives.

Specify the following courses:

English 446, Introduction to Advanced Graduate Study.....	1/4
English 447, Background Materials for High School Teachers of English, or, Education 456, Curriculum Problems and Trends in Specialized Fields of Secondary Education	1

At least one course in English must be selected from courses numbered 450 to 490, problems courses for advanced graduate students..... 2

Candidates for the degree of Master of Arts in the Teaching of English are required to pass a final examination in the field of English and deposit a special term paper with the Executive Secretary of the Department.

OPTION FOR STUDENTS WITHOUT TEACHER'S CERTIFICATES

Each candidate for this degree should apply for admission to advanced standing in teacher education with the adviser of the program at the time of his first registration.

Total.....	at least 8

Education 241, Technic of Teaching in the Secondary School (to be taken without graduate credit)

Education 242, Educational Practice in Secondary Education (to be taken without graduate credit)

Candidates for the degree of Master of Arts in the Teaching of English must also pass a final examination required of all master's candidates in the field of English and deposit a special term paper with the Executive Secretary of the Department.

The Senate has advised that the changes have been approved by the University Council on Teacher Education, the Policy Committee of the College of Education, and the Executive Committee of the Graduate College. The Senate Coordinating Council has advised that no other Senate jurisdiction is involved.

Prelaw Curriculum

The Urbana-Champaign Senate recommends that the statement of graduation requirements from the prelaw curriculum be revised to read:

Students preparing for the study of law ordinarily complete the first three years of the general curriculum in liberal arts and sciences before entering the College of Law.

A student who has completed ninety hours (excluding basic military training and physical education) and who has been in residence either the first two years or the last year of his prelegal work¹ may count toward the Bachelor of Arts degree a maximum of thirty-two hours in the University of Illinois College of Law, subject to the restrictions on courses taken in colleges other than Liberal Arts and Sciences.

A student who has completed his first ninety hours (excluding basic military training and physical education) in residence¹ at the University of Illinois and who transfers to an accredited college of law other than that of the University of Illinois may count a maximum of thirty-two hours of law toward the Bachelor of Arts degree, subject to the restrictions on courses taken in colleges other than Liberal Arts and Sciences.

The applicant for the degree should petition the Dean of the College of Liberal Arts and Sciences, who may approve the granting of the degree if all the college and University requirements have been met.

The present requirements include a 3.5 average for graduation. Since the College of Law will admit students with scholastic averages below 3.5, provided that they have made acceptable scores in the Law School Admission Test, the change in the grade-point average is recommended to make the requirements in the curriculum consistent with those of the College of Law.

The other change relates to quality of work in the fourth year and is recommended so that the prelaw curriculum requirements will be consistent with those of other curricula in Liberal Arts and Sciences.

The Senate Coordinating Council advises that no other Senate jurisdiction is involved.

College of Veterinary Medicine

The Urbana-Champaign Senate has recommended a major revision in the veterinary medical curriculum, effective September 1, 1962. The changes are a result of the re-evaluation of the present curriculum, the objective of which is to offer better preparation of veterinary medical students to meet professional needs and demands following graduation. Significant changes have occurred during the past few years and are still occurring in medical and health sciences and their application. The proposed curriculum provides improved continuity of course sequences and permits consolidation and integration of subject matter materials of related areas.

The Senate Coordinating Council indicates that no other Senate jurisdiction is involved.

I concur in all the foregoing recommendations.

On motion of Mr. Hughes, these recommendations were approved.

DEPARTMENT OF PHYSIOLOGY AND BIOPHYSICS

(11) The Director of the School of Life Sciences and the Dean of the College of Liberal Arts and Sciences recommend that the name of the Department of Physiology be changed to the Department of Physiology and Biophysics. I have approved this change administratively and report it for record.

This report was received for record.

NATIONAL SCIENCE FOUNDATION GRANTS AND MATCHING FUNDS

(12) The National Science Foundation has made grants to the University for remodeling of research space in the Animal Genetics Laboratory, \$14,800, and renovation and equipping laboratory facilities for research in Physiology and Biochemistry, \$10,600, on condition that they are matched by funds from non-federal sources to the extent of at least 50 per cent of the direct costs of the projects.

These grants have been accepted and it is recommended that assignments of the required matching funds be made from the following sources.

For Remodeling of Research Space in Animal Genetics Laboratory from:

Animal Science (Indirect Costs).....	\$ 4 500
Graduate Research Unassigned Funds (Indirect Costs).....	4 500
General Indirect Costs.....	6 000
Total.....	\$15 000

¹ Elective courses V.P.H. 345 and 347 are to be offered the second semester of the fourth year. The student is to be limited to only one elective course. V.P.P. 346 is an elective course to be offered the first semester of the fourth year.

For Renovation and Equipping Laboratory Facilities for Research in Physiology and Biochemistry from Indirect Costs (General)..... \$10 600
I concur.

On motion of Mrs. Watkins, these assignments of funds were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(13) The Committee on Nonrecurring Appropriations recommends the following appropriations and assignments of funds from the University General Reserve:

1. College of Agriculture	
Dairy Science, fluorescent lights in Animal Sciences Laboratory.....	\$ 7 304
Forestry, pressure-vacuum cylinder.....	10 000
2. College of Education, remodeling basement in Lincoln Hall for research space	16 000
3. College of Engineering	
Electrical Engineering, equipment.....	50 000
Engineering Experiment Station, multi-channel analyzer for nuclear engineering.....	20 000
4. College of Liberal Arts and Sciences	
Botany, research facilities.....	4 650
Chemistry	
Remodeling and rehabilitation of laboratory and other areas used by the analytical, biochemistry, inorganic, organic, and physical divisions	30 000
Undergraduate laboratory equipment.....	21 361
Geology, equipment and remodeling.....	7 615
Zoology, revamping water supply for Vivarium.....	4 317
5. Library Administration, 2,000 books for library at Pennsylvania Avenue Residence Halls.....	10 000
6. College of Physical Education, renovation of deck space at the English Building swimming pool for office quarters and showers.....	8 500
7. Office of Public Information, multigraph duplicating equipment.....	3 396
8. Physical Plant	
Skating Rink, roof repairs.....	3 200
Remodeling in the English Building to provide two additional classrooms.....	5 865
9. University Press, inserting machine for Mailing Center.....	15 000
10. Chicago Medical Center	
Medical Research Laboratory, installation of electronic air cleaners..	4 800
Research and Educational Hospitals, equipment (magnascanner)	9 600
Total.....	\$231 608

I concur.

On motion of Mrs. Watkins, these appropriations were made, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

CONTRACT FOR CAMPUS BUS SERVICE

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of a contract with the Champaign-Urbana City Lines, Inc., for a campus bus service for students and staff along the lines of the bus service operated under a University contract last year. Specific recommendations are that:

Authority be granted to continue the Illi Bus operation during the 1962-63 academic year starting September 11, 1962.

The five-cent fare per passenger be continued except that those students living in Orchard Downs will be issued passes to ride free from the Downs to any point on the route; however, the passes will be honored only for a return trip

to the Downs from the corner of Nevada Street and Goodwin Avenue, or at any regular bus stop between that corner and Orchard Downs.

The University be authorized to enter into an agreement with the Champaign-Urbana City Lines, Inc., for the 1962-63 academic year based on a rate of \$5.15 per bus hour of operation (this includes use of the equipment and employment of necessary personnel to provide the desired bus service, and sufficient insurance to protect both the company and the University against liability for personal injuries or property damages arising out of the operation of this service).

The cost of operating this service will be financed as follows: fares collected from students and staff members, and \$30,000 from Housing Division Funds.

Further experimentation be authorized to improve and extend the service to all parts of the campus area and to determine the extent to which the Illi Bus service can assist in the solution of the campus parking problem.

The service be discontinued effective June 8, 1963, with the close of second semester examinations.

A report on the trial operation of Illi Bus during 1961-62 is submitted in support of the proposed continuation of the service.

I concur in these recommendations.

On motion of Mr. Johnston, these recommendations were approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

CONTRACTS FOR REMODELING DENTISTRY-MEDICINE-PHARMACY BUILDING

(15) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for remodeling in the first unit of the Dentistry-Medicine-Pharmacy Building for the Department of Biochemistry in the College of Medicine, the award in each case being to the lowest bidder:

General— Mutual Contracting Company, Chicago.....	\$ 35 184	
Base bid	\$22 782	
Additive alternates		
Service charge for supervision of other contracts assigned to general contractor.....	1 500	
Additional laboratory section.....	10 902	
Plumbing— H. P. Reger and Company, Chicago.....		11 020
Base bid	\$ 6 940	
Additive alternate for additional laboratory section.....	4 080	
Heating and Refrigeration— Utility Air Conditioning and Heating Company, Oak Park.....		12 455
Base bid	\$ 8 485	
Additive alternate for additional laboratory section.....	3 970	
Ventilating— The Robert Irsay Company, Skokie.....		22 838
Base bid	\$16 150	
Additive alternate for additional laboratory section.....	6 688	
Pipe Covering— Brand Insulations, Inc., Chicago.....		1 310
Base bid	\$ 1 195	
Additive alternate for additional laboratory section.....	115	
Electrical— Wadeford Electric Company, Chicago.....		9 386
Base bid	\$ 8 100	
Additive alternate for additional laboratory section.....	1 286	
Laboratory Equipment— Browne-Morse Company, Muskegon, Michigan		45 405
Base bid	\$34 578	
Additive alternate for additional laboratory section.....	10 827	
Total Contracts	\$137 598	

The work will include the first phase of the rehabilitation of the Department of Biochemistry laboratory, part of the 1961-63 building program at the Medical Center; the remainder of the remodeling, approximately one-half of the labora-

tory area, will be done in the 1963-65 biennium. This phasing is necessary since all of the laboratory area can not be closed for remodeling at one time.

It is further recommended that all contracts other than the general contract be assigned to the contractor for the general work, making the total of his contract price \$137,598.

It is further recommended that an agreement be entered into with Mutual Contracting Company for the assignment of these other contracts for \$1,500, which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

CONTRACTS FOR DIESEL GENERATOR AND DISTRIBUTION SYSTEM AT MEDICAL CENTER CAMPUS

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for the construction of a small building and installation of an emergency generator set and distribution system at the Medical Center, the award in each case being to the lowest bidder:

Building — R. V. Monahan, Chicago.....\$19 474
Installation of Emergency Diesel Generator Set and Distribution System

— Fries-Walters Co., Chicago..... 80 618

The emergency electrical system, when completed, will serve critical areas in the hospitals in case of failure of the electric power supply. The project is a part of the 1961-63 building program at the Medical Center.

Funds are available in the state capital appropriations for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Johnston, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

CONTRACT FOR MODIFICATIONS OF COLDWATER SYSTEM IN DENTISTRY-MEDICINE-PHARMACY BUILDING

(17) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$22,332 to the Ashland Plumbing and Heating Company, Chicago, the lowest bidder, for modifications of the coldwater system in the second unit of the Dentistry-Medicine-Pharmacy Building.

The work will consist of the installation of new house pumps and associated equipment which will approximately double the capacity of the system in the building, and will eliminate difficulty in supplying water at the required pressure to the upper floors of this fourteen-story building which has been experienced with increased building usage.

Funds are available in the state capital appropriations for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mrs. Watkins, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

CONTRACTS FOR CONSTRUCTION OF ADDITION TO THE LIBRARY

(18) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for construction of the seventh addition to the Library, the award in each case being to the lowest bidder:

General — Pathman Construction Co., Chicago.....	\$496 880
Base bid	\$440 880
Additive alternate to relocate Library tennis courts.....	47 500
Additive alternate for service charge for supervision of other prime contracts assigned to general contractor.....	8 500
Electrical — Square Deal Electrical Contracting, Inc., Urbana.....	\$ 81 140
Base bid	\$ 67 663
Additive alternate to relocate Library tennis courts.....	13 477
Plumbing — George S. Walker Plumbing and Heating, Inc., Decatur....	55 660
Base bid	\$ 47 360
Additive alternate to relocate Library tennis courts.....	8 300
Heating, Refrigeration, and Temperature Control — R. H. Bishop Com- pany, Champaign	84 743
Ventilating — F. R. Inskip and Company, Champaign.....	69 940
Elevator — Otis Elevator Company, Chicago.....	24 469
<i>Total Contracts</i>	<u>\$812 832</u>

It is further recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of his contract price \$812,832.

It is further recommended that an agreement be entered into with the Pathman Construction Company for the assignment of these other contracts for \$8,500, which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available from state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

Submitted herewith is a report from the Physical Plant Department on this project, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Johnston, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

**CONTRACT FOR CONSTRUCTION OF ADDITIONAL SPACE
IN THE ARMORY**

(19) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of the following contracts, subject to the release of funds, for the construction of a four-story addition at the west end and a balcony on the north and south sides of the interior of the Armory, the award in each case being to the lowest bidder:

General — Pathman Construction Co., Chicago.....	\$421 992
Base bid	\$418 539

<i>Total Contracts</i>	<u>\$748 855</u>

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, subject to release.

Submitted herewith is a supporting memorandum from the Physical Plant Department on this project, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Pogue, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

CONTRACT FOR POWER PLANT PIPING SYSTEM AND MISCELLANEOUS EQUIPMENT

(20) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contract for \$178,950 to Blaw-Knox Company, Power Piping Division, Pittsburgh, Pennsylvania, for piping system and miscellaneous equipment, and the furnishing and installation of an ash conveyor air washer to remove steam jet exhaust from Stack Number 2, for an addition to the Abbott Power Plant (Boiler No. 7).

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

Submitted herewith is a report from the Physical Plant Department on this project, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Johnston, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

CONTRACT FOR REROOFING EVANS HALL

(21) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$51,706 to the Petry Roofing and Sheet Metal Company, Champaign, for reroofing Evans Hall.

Funds are available in the Housing Division Maintenance Reserve.

I concur.

On motion of Mr. Williamson, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

CONTRACTS FOR LANDSCAPE WORK AT THE ILLINI UNION ADDITION, STUDENT SERVICES BUILDING, LABOR AND INDUSTRIAL RELATIONS BUILDING, AND PENNSYLVANIA AVENUE RESIDENCE HALLS

(22) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for landscape construction work, the award in each case being to the lowest bidder:

Twin City Landscape Service, Inc., Urbana	
Illini Union Addition.....	\$ 8 904 82
Student Services Building.....	3 086 15
Pennsylvania Avenue Residence Halls.....	16 870 74
Henry Nurseries, Henry, Illinois—Labor and Industrial Relations Building.....	2 676 21

Funds are available in the construction budgets for these projects.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Johnston, these contracts were awarded, as rec-

ommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

**CONTRACT FOR LONG-RANGE PLANNING FOR THE UNIVERSITY
BUSINESS DISTRICT IN CHAMPAIGN**

(23) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the University be authorized to enter into an agreement with the city of Champaign for the employment of Harland Bartholomew and Associates for the preparation of a long-range development plan for the area bounded by University property on the south and east, the Illinois Central Railroad right-of-way on the west, and University Avenue on the north. The University will share equally in the cost of the preparation of this plan with the city of Champaign and the Campus Businessmen's Association. The University's share of the cost will not exceed \$3,000.

The plan will provide an orderly development of the commercial and surrounding residential areas and should provide coordination between the University's expansion and commercial improvements (both service and residential investments).

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Pogue, this agreement was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

**EMPLOYMENT OF HARLAND BARTHOLOMEW AND ASSOCIATES
FOR LONG-RANGE PARKING PROGRAM**

(24) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of the employment of Harland Bartholomew and Associates, St. Louis, Missouri, for development of a long-range parking program for the Urbana-Champaign Campus.

Due to losses of on-street parking spaces and of parking facilities for University staff resulting from new building construction, and an anticipated enrollment expansion which concurrently adds to the staff, it is proposed that a program be developed for construction of additional facilities which will be realistic in terms of need and which can be financed by the University.

As the Physical Plant Department does not have personnel for this type of planning, it is necessary to retain outside professional services. Based on recent studies completed in this area by the firm of Harland Bartholomew and Associates, the firm should be able to complete the work at a cost below that of other firms.

The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of Harland Bartholomew and Associates on the basis of cost plus 150 per cent for overhead and fees. The firm will also be reimbursed for out-of-pocket expenses, other than normal operating overhead, including travel, subsistence, printing, and other such charges directly related to this specific work. The total cost to the University will be limited to a maximum of \$11,650.

Funds are available in the Physical Plant Department budget for 1962-63.

I concur.

On motion of Mrs. Watkins, authority was given as requested.

**LEASE OF PROPERTY AT 26 EAST SPRINGFIELD
AVENUE, CHAMPAIGN**

(25) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the second floor area (approximately 7,800 square feet) of the building at 26 East Springfield Avenue, Champaign, be leased by the University for use by the Department of Art.

The proposed rental rate is \$565 per month. The University will assume the

cost of power and water, interior maintenance (excluding existing air-conditioners, which the owner will maintain), janitor service, and any needed alterations for University use. The owner is willing to lease to the University until the end of the current biennium with the University having the option to renew at the same rate on a biennial basis for three additional biennia, i.e., through June 30, 1969.

I recommend that the lease be authorized and that assignments of funds be made as follows:

From the General Reserve for remodeling (nonrecurring).....\$ 4 600
Addition to the operating budget of the Physical Plant Department for
annual rental (\$6,780) and operations and maintenance (\$6,345)..... 13 125

On motion of Mr. Johnston, this lease was authorized, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain.

ADDITION TO CONTRACT FOR CONSTRUCTION OF ILLINI UNION ADDITION

(26) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$3,286.85 in the contract with Felmley-Dickerson Company, Inc., for construction of the Illini Union Addition to include construction of facilities for 250 bicycles.

Funds are available in the construction budget for the Illini Union Addition.

I concur.

On motion of Mr. Williamson, this change in contract was authorized.

ADDITION TO CONTRACT FOR CONSTRUCTION OF PENNSYLVANIA AVENUE RESIDENCE HALLS

(27) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase in the contract with Kuhne-Simmons Company, Inc., for the construction of Pennsylvania Avenue Residence Halls to include motor starters for supply and exhaust fans, \$4,074.34, and an additional water supply line for emergency purposes, \$4,875.60.

Funds are available in the construction budget for these halls.

I concur.

On motion of Mr. Williamson, these changes in contract were authorized.

ADDITION TO CONTRACT FOR ENGINEERING SERVICES FOR ILLINOIS STREET RESIDENCE HALL

(28) The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of Sargent and Lundy, Consulting Engineers, Chicago, for engineering services to design extension of steam and electric utilities to the Illinois Street Residence Hall.

Plans and specifications for the building construction will be released for bids in August, 1962, with completion of construction scheduled for September, 1964, and design of the utility services for the buildings should be authorized now.

Sargent and Lundy have designed the utilities from which the extensions will be made. Continuation of their services is recommended under the terms of the existing contract.

The cost of the engineering services is estimated at approximately \$30,000.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Pogue, this addition to the contract was authorized.

CONTRACT FOR CONSULTING ARCHITECTURAL SERVICES

(29) The present contract with the architectural firm of Richardson, Severns, Scheeler, and Associates, Champaign, for consulting and architectural services expires August 1, 1962. The Director of the Physical Plant and the Vice-President

and Comptroller recommend continuation of the employment of this firm on a cost-plus basis for one year from August 1, 1962, on the following assignments as directed by the Physical Plant Department:

Urbana-Champaign

Continuation of studies on the general campus development plan.

Studies of peripheral areas to coordinate campus development with studies developed by other agencies.

Site selection studies for new building projects.

Consultation on architectural design for new building projects.

Participation in weekly planning meetings.

Estimated cost of services.....\$25 000

Medical Center

Continuation of studies on the campus development plan.

Further development of detailed programs and studies for various colleges and departments.

Continuation of studies on projects financed from other than state funds.

Estimated cost of services.....\$10 000

Estimated total cost.....\$35 000

The terms of employment will be the same as those under the present contract, i.e., on the basis of itemized payrolls, plus 100 per cent for the firm's overhead costs and fees.

Funds are available in the state appropriation for 1961-63 (for plans and specifications) from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Johnston, extension of this contract was authorized as recommended.

EMPLOYMENT OF ENGINEERS

(30) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of Wilson and Anderson, Champaign, for engineering services to design the reconstruction of the Men's Old Gymnasium swimming pool and alterations and improvements to the English Building and Huff Gymnasium swimming pools.

The services will include complete plans, specifications, preparation of contract documents, and office supervision. Payment will be on a cost-plus contract basis: \$5.00 per hour for services of principals of the firm for time actually spent by them on the project, plus salaries and wages of other employees at the regular rate paid by the firm for time actually put into the work; plus 100 per cent of these total costs for overhead expenses of the firm and its commission.

The Committee on Buildings and Grounds has been consulted and recommends approval.

I concur.

On motion of Mr. Pogue, this recommendation was approved.

EMPLOYMENT OF ENGINEERS FOR ANTI-TRUST INVESTIGATION

(31) The Board of Trustees has authorized employment of special counsel to represent the University in connection with a suit filed February 5, 1962, in the Federal District Court for the Northern District of Illinois (Case 62 C 362) against eighteen electrical manufacturers who were involved in an electrical equipment price-fixing conspiracy which was the subject of federal anti-trust action in 1960 and 1961. The complaint seeks recovery of treble damages under the Sherman and Clayton Anti-trust Laws, for overcharges on purchases of electrical equipment by and for the University during the period of the conspiracy.

The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of the engineering firm of Brown, Manthei, Davis, and Mullins, Champaign, for investigative engineering services to prepare the necessary technical data needed by the special counsel in developing the University's case. Payment will be on the basis of actual costs of services of personnel used by the firm and office expenses, plus 100 per cent for overhead and fee; travel expenses and living costs of personnel while away from Champaign-Urbana will

be reimbursed on a cost basis without overhead allowance. The estimated cost of these services is \$20,000 which will be charged to Physical Plant Department funds budgeted for architectural services, this account to be reimbursed from damages when recovered.

I concur.

On motion of Mr. Williamson, this recommendation was approved. Mr. Johnston was recorded as not voting.

PURCHASES

(33) The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

I concur.

Chicago Colleges and Divisions

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
One gas chromatograph consisting of beta ionization system, recorder, microcypette sample injection, and flow controller	Aeromedical Laboratory	Research Specialties Co., Des Plaines	\$4 385 00 delivered
One photomicroscope and accessories	Anatomy	W. H. Kessel & Co., Chicago	4 747 48 net, delivered
One lot of laboratory supplies including assorted glassware, clamps, filter paper, rubber stoppers, and chemicals	Chemistry, College of Pharmacy	Chicago Apparatus Co., Chicago	4 641 79 net, delivered
Three binocular microscopes with condensers and transformer	Dental Orthodontics	W. H. Kessel & Co., Chicago	4 342 20 net, delivered
One stereoscopic microscope with lamp and transformer			
40,000 tolbutamide tablets 0.5 gm., representing a six-month supply, to be used in the treatment and control of diabetes	Pharmacy Stores	The Upjohn Co., Chicago	3 168 00 delivered
20,000 tetracycline V capsules, 250 mg.; this product is a broad spectrum antibiotic used in the treatment of bacterial and viral infections, and represents a three-month supply	Pharmacy	E. R. Squibb & Sons, Franklin Park	2 940 00 delivered
One lot of hospital furniture and equipment consisting of 18 examining tables, two formaldehyde generators, one instrument cabinet, nine stools, and four examining lights	Research and Educational Hospitals, Clinics	V. Mueller & Co., Chicago	3 310 00 f.o.b. delivered
Stainless steel flatware consisting of 424 dozen knives, 451 dozen forks, 850 dozen teaspoons, 326 dozen soup spoons, 260 dozen ice tea spoons, and 102 dozen bouillon spoons, to be used by the various food service and dietary departments at the Medical Center	Medical Center Stores	Oneida, Ltd., Chicago	5 591 43 net, delivered
Eighty-five dozen unbleached duck laundry hamper bags	Physical Plant	Ideen Manufacturing Co., Inc., Chicago	4 029 00 delivered
One automatic ultraviolet analyzer for the detection of protein fractions	Biological Chemistry	Vanguard Instrument Co., La Grange	2 800 00 delivered

Urbana-Champaign Departments

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
One amino acid analyzer with preparative columns and stream divider accessory, special peptide elution accessory, and resin supply	Animal Science	Beckman Instruments, Inc., Beckman/Spinco Division, Lincolnwood	\$15 198 80 f.o.b. delivered and installed
110 drafting tables, 68 in. long by 35 in. deep by 35½ in. high	Architecture	Brodhead-Garrett Co., Cleveland, Ohio	8 789 00 f.o.b. delivered
One centrifuge, refrigerated, with one six and one eight-place head, trunion rings, alloy cups, and stainless steel shield	Botany	Scientific Products Division, American Hospital Supply Corp., Evanston	2 812 40 f.o.b. delivered
One metallurgical and ceramic polishing apparatus with eight-inch back panels, two twelve-inch wash bowls with complete wiring and plumbing	Ceramic Engineering	E. H. Sargent & Co., Chicago	2 769 50 f.o.b. delivered
Two low-speed polishers with eight-inch wheels with bowl and drain, with 48 and 72 R.P.M. speeds			
One polishing machine with eight-inch wheel with bowl and drain with 100 to 1200 R.P.M. speeds			
Three polishing attachments to fit eight-inch polisher			
This equipment is to be used to polish specimens for the microscopy laboratory			
One pump, diffusion, mercury, nine-inch	Chemistry and Chemical Engineering	Edwards High Vacuum, Inc., Grand Island, N.Y.	4 960 00 f.o.b. Grand Island, N.Y.
Four pumps, diffusion, mercury, six-inch			
One baffle, water cooled, chevron, nine-inch			
One liquid nitrogen trap, nine-inch			
Four liquid nitrogen traps, six-inch			
One mass spectrometer, range to 1500 (m/e), with electron multiplier measurement of mass peaks, rapid scan, double collector instrument, and provisions for positive and negative ion mass spectra	Chemistry and Chemical Engineering	Atlas Mess-und Analysen Technik GmbH, Bremen 10, Germany	91 467 22 f.o.b. delivered and installed
One lot of laboratory apparatus, including laboratory glassware, porcelainware, filter papers, heating mantles, to be used in setting up a new teaching laboratory for the fall semester	General Chemical Stores	Wilkins-Anderson Co., Chicago	11 485 75 f.o.b. delivered
Three each paper tape data preparation equipment to provide the primary source of input data for the computers located in the Coordinated Science Laboratory	Coordinated Science Laboratory	Friden, Inc., Peoria Heights	8 985 00 delivered
One pulser, rise time of 0.1 microsecond, 20 amp DC filament transformer 500 watt, designed to pulse any number of loads requiring 1 megawatt peak power, peak pulse voltage 35 KV, repetition rate 20 pps maximum	Coordinated Science Laboratory	Burmac Electronics Co., Inc., Rockville Center, N.Y.	4 495 00 f.o.b. delivered
Vacuum tubes as replacements for use in Illiac Computer, approximately one-year supply, as follows: 200 Type 6A65 400 Type 6J6 400 Type 5687 400 Type 5844 100 Type 6136 100 Type 815	Digital Computer Laboratory	Baptist Electronic Supply, Jacksonville	4 106 70 f.o.b. delivered
One gas chromatograph, automatic with recorder and signal switch for use in separating organic mixtures into their component parts and in the purification of radioactive mixtures in the Radiocarbon Laboratory	Graduate College, Radiocarbon Laboratory	Wilkins Instrument & Research, Inc., Walnut Creek, Calif.	3 727 65 f.o.b. delivered
12,150 feet grounding mats, wire, copper, nine-inch mesh	Electrical Engineering	Copperweld Steel Co., Glassport, Pa.	22 222 37 f.o.b. delivered
163 feet grounding mats, wire, copper			
21,000 connectors, thermite process	Electrical Engineering	Erico Products, Inc., Cleveland, Ohio	3 150 00 f.o.b. delivered

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
Six oscilloscopes, rack mount, passband DC-450KC, vertical sensitivity 1 mv/cm to 20 V/cm in 14 calibrated steps, sweep range 1 microsecond/cm to 5 seconds/cm, 21 calibrated sweep rates, sweep magnification 2,5,10,20, and 50 times	Electrical Engineering Research Laboratories	Tektronix, Inc., Park Ridge	\$3 930 00 f.o.b. Beaverton, Oregon
Two high stability quartz oscillators, long-term stability of 5 parts in 10 ¹⁰ ; output frequencies 1 MC, 100 KC, 22-30 volts input	Electrical Engineering	Hewlett-Packard Co., c/o Crossley Associates, Inc., Chicago	20 800 00 f.o.b. Palo Alto, Calif.
Four frequency dividers and clock, frequency 100 KC; input voltage 0.5 to 5 volts			
Four time comparators, 0.999 micro-seconds in 1 microsecond steps			
Two readers, photoelectric, paper tape, unidirectional 300 characters per second with stop on character, handles 11/16 in. and 1 in. tape	Electrical Engineering	Digitronics Corp., c/o Loren F. Green & Associates, Chicago	2 919 60 f.o.b. delivered
Two rack mount adapter plates			
Two spooler assemblies, unidirectional, for above readers			
One data processing system, on-line type, consisting of a computer with data input and output accessories, complete with maintenance agreement, for one year renewable	Electrical Engineering	Bendix Corp., Computer Division, Los Angeles, Calif.	428 098 00 f.o.b. delivered and installed
Option to buy:			
One data input/output accessory, paper tape eight-channel type plus one year maintenance agreement			
One data output accessory — printer, plus one-year maintenance agreement			
One tensile testing machine with recorder, five tension cells, one set of 10,000 lb. wedge grips, and one set of jaw faces $\frac{1}{8}$ to $\frac{3}{16}$ inch diameter for the study of mechanical properties of solids and the factors which affect these properties	Mining, Metallurgy, and Petroleum Engineering	Instron Engineering Corp., Park Ridge	19 224 00 f.o.b. delivered
One liquid scintillation counting system, fully transistorized with automatic loading device for 200—20ml sample vials, including freezer with temperature control of $\pm 0.5^\circ$ C over range -20 to $+5^\circ$ C, and counting efficiency of 90 per cent for carbon, and 40 per cent for tritium	Physiology and Biophysics	Packard Instrument Co., Inc., La Grange	12 550 00 f.o.b. delivered and installed
One recorder dual chart system with both heat sensitive recording, and alternate ink-curveilinear recording, enclosed in portable cabinet, drive assembly 1, 5, 25, and 125 mm/second; four rolls chart paper	Physiology and Biophysics	Offner Division, Beckman Instruments, Inc., Lincolnwood	2 553 00 f.o.b. delivered
One Dewar vessel, liquid helium five liter capacity, for use in low-temperature materials research to maintain samples of solids formed from condensed gases at temperatures in the range of 2 to 80 degrees Kelvin (temperatures measured from absolute zero — -273.18 degrees C)	Physics	Linde Co., Chicago	3 116 00 f.o.b. delivered
One crystal growing furnace, capable of operating at inert gas atmosphere or in a vacuum with a crucible lifting mechanism and temperature programmer and controller for growing single crystals of controlled purity for solid state research in Physics	Physics	NRC Equipment Corp., Newton, Mass.	14 150 00 f.o.b. delivered
Two special aluminum-silver alloy bars, 50 cm by 1.27 cm by 1.27 cm, base material to be 99.999 per cent aluminum; produced according to the specifications of the Physics Department staff; the material is to be used to measure equilibrium concentration of vacancies in aluminum-silver alloys	Physics	Materials Research Corp., Orangeburg, N.Y.	3 000 00 f.o.b. delivered
One continuous electrophoresis apparatus for use in the research studies of antibody formations in swine and anaplasmosis of cattle	Veterinary Medicine	Fisher Scientific Co., Chicago	4 100 00 f.o.b. delivered

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
Print and bind 1,500 copies of <i>Approaches to the Study of Aphasia</i> , by Charles E. Osgood and Murray Miron, trim size 6 in. by 9 in., approximately 224 pages per copy	University Press	North Central Publishing Co., St. Paul, Minn.	\$2 679 60 f.o.b. delivered
Scoring service for approximately 65,000 special answer sheets used in conjunction with the testing program of the Bureau of Educational Research	Office of Educational Testing	Measurement Research Center, Inc., Iowa City, Iowa	7 800 00 f.o.b. Iowa City, Iowa
Television equipment including: camera, control chassis, deflection chassis, remote control panel, television tube, 50 ft. cable, power supply, centering chassis, optical multiplexer for two 16 mm. projectors and one slide projector, 1 in. lens f/1.9, video switcher, and rack mount adapter for monitor	Instructional Television	RCA Broadcast and Communications Products Division, Camden, N.J.	8 523 25 f.o.b. delivered
One duplicator, offset, with 9½ in. by 13 in. image area, equipped with auxiliary vibrator roller, centrifugal clutch, mechanical jogger, oscillating repelex rider roller, chrome plated master cylinder and impression cylinder, double sheet eliminator, light fixture, and work organizer	Stenographic Service	Addressograph-Multigraph Corp., Peoria	3 368 15 f.o.b. delivered
Wood office furniture including desks, cabinets, and table, walnut finish, for use in the Health Service Addition to McKinley Hospital. Items to be furnished: six typewriter desks, 19 flat-top desks, one conference desk, four credenzas, and one pedestal table	Office Supply Storeroom	Jack Sheean, Bloomington	3 652 32 f.o.b. delivered
One special feed elevator, 12 in. wide by 90 in. discharge at center line of head pulley	Housing Division	Food Machinery & Chemical Corp., Hoopeston	10 294 65 f.o.b. delivered
One special grade rotary blancher			
One blancher control system

ACQUISITION BY CONDEMNATION OF PROPERTY AT 1009 WEST GREEN STREET, URBANA

(34) At its February, 1962, meeting, the Board of Trustees adopted a resolution declaring that the property at 1009 West Green Street, Urbana, Illinois, and owned by Edith Pearl Sidell, was needed by the University for a site for residence hall buildings and related educational purposes, that the compensation to be paid for the property could not be agreed upon with the owner, and that title to the land should be acquired by the exercise of the right of eminent domain through the institution and prosecution of condemnation proceedings.

The condemnation suit was tried in the Circuit Court of Champaign County, Illinois, before a jury on July 9, 10, and 11, 1962, culminating in an award by the jury of \$83,250 as the fair cash market value of the property for its highest and best use on March 29, 1962 (the date the condemnation petition was filed), and judgment was entered on the verdict. The jury's award was within the range

of the testimony adduced from expert witnesses at the trial, and is between the valuations placed upon the property by the witnesses who testified for the University and those who testified for the defendant. For a period of thirty days from and after July 11, 1962, either side may file a motion for a new trial. If no such motion is filed, the court will thereafter enter a final order specifying the time within which the University must pay the amount of the verdict if it still desires to acquire title to the property.

The Legal Counsel states that certain rulings of the court during the trial of the case could support the filing of a motion for a new trial. However, since the jury's verdict was within the range of the testimony as to value, and since construction on the site is scheduled to commence later this year, the Legal Counsel, the Director of the Physical Plant, and the Vice-President and Comptroller recommend that the University abide by the judgment entered upon the verdict, that no post-trial motion be filed by the University, and that, when the final order is entered, the property be acquired by the payment to the defendant of the amount awarded her by the jury in its verdict.

I concur.

On motion of Mr. Pogue, this recommendation was approved.

**REPORT AND RECOMMENDATION OF THE COMMITTEE
ON BUILDINGS AND GROUNDS ON RELOCATION
OF THE ALMA MATER STATUARY**

Mr. Pogue, for the Committee on Buildings and Grounds, submitted the following report.

A request from the Board of Directors of the University of Illinois Alumni Association that the Lorado Taft Alumni statuary group be moved from south of the University Auditorium to the area in front of Altgeld Hall and the Illini Union, facing the intersection of Wright and Green Streets, was formally presented to the Board of Trustees on June 20, 1962, and was referred to the Committee on Buildings and Grounds.

The Committee has previously had this matter under consideration pursuant to an informal report submitted by the Physical Plant Department. At a meeting of the Committee held on July 17, Mr. Paul K. Bresee, Treasurer of the Alumni Association and a member of its Board of Directors, appeared before the Committee in support of the Association's request. He stated that the Alumni Association Board has been discussing this matter for three or four years, and finally requested the Physical Plant Department to study all possible and appropriate sites where the statuary would be on the periphery of the campus, and preferably at some entrance point. At a meeting of the Board of Directors of the Alumni Association held on June 2, the Board endorsed the site recommended by the Physical Plant Department as meeting the desired criteria, and voted to provide the funds for the cost of moving the statuary and the construction of a suitable base on the new site.

Following public announcement of the Alumni Association's request, a number of letters were received from students objecting to the proposed relocation of the statuary, and some letters were received from alumni and others in support of the change. Copies of these letters had previously been sent to all members of the Committee on Buildings and Grounds and other Trustees, and were presented for record at the meeting on July 17.

The Committee recommends the relocation of the Alma Mater statuary in the area in front of Altgeld Hall and the Illini Union as proposed to the Board of Trustees on June 20, 1962.

On motion of Mr. Pogue, this recommendation was approved.

MEMORIAL TO JOHN STELLE

Mr. Dilliard offered the following memorial and moved its adoption:

The Board of Trustees of the University of Illinois records with sorrow the passing on July 5, 1962, of John Stelle, former Governor of Illinois and a former ex officio member of this Board.

Born in McLeansboro, Illinois, August 10, 1891, he received his education in the public schools of that city, at Western Military Academy, and at Washington

University Law School at St. Louis. At the beginning of World War I in 1917, he enlisted in the United States Army. As a First Lieutenant, he commanded Company B, 115th Machine Gun Battalion, 30th Division, and after seventeen months of service in France he returned home a Captain. While overseas, he was wounded and severely gassed in combat.

In 1931 he entered public service at the state level, having been appointed Assistant State Treasurer, which post he held until 1933 then he was appointed Assistant State Auditor. He served in that post until 1935 when he took office as State Treasurer, having been elected in November, 1934. In 1936 he was elected Lieutenant Governor of Illinois and was President of the State Senate for two sessions of the General Assembly of Illinois. He served as Acting Governor for several months in 1939 and, upon the death of Governor Henry Horner on October 6, 1940, he became Governor, serving as the state's Chief Executive until expiration of that term of office on January 12, 1941.

He was one of the organizers of the American Legion and served as its National Commander during 1945 and 1946.

He was a frequent visitor to the University of Illinois during his years of public service and took a special interest in the affairs of the University while serving as Acting Governor and Governor of the state of Illinois.

Although his service in public office, and as an attorney and industrialist in private life, will be duly reported in the histories of Illinois, the Board of Trustees of the University wishes to record in today's meeting a tribute to the late Governor John Stelle, a former colleague and a friend of the University; and the Board directs that this memorial be included in the minutes of today's meeting and that suitable copies be sent to members of his family as an expression of sympathy in their loss.

The memorial was unanimously adopted.

AUGUST, SEPTEMBER, AND OCTOBER MEETINGS

The Board has voted to omit the August meeting, but a number of construction contracts will need to be awarded so that work can be started promptly to take advantage of favorable weather conditions, and other business which can not be deferred until the September meeting of the Board will need to be transacted in August. President Clement stated that he will call a meeting of the Executive Committee for this purpose and that all the Trustees will be invited to attend and participate in these discussions.

Under the By-Laws of the Board, the September meeting will be held on Wednesday, September 19, 1962, unless changed by vote of the Board or by order of its President.

On motion of Mr. Johnston, the Board voted to hold the meeting on this date and at Robert Allerton Park, according to a schedule to be determined by the President and Secretary of the Board.

On motion of Mr. Johnston, the Board voted to hold the October meeting on Wednesday, October 17, 1962 (the date specified in the By-Laws), in Chicago.

ASSOCIATION OF GOVERNING BOARDS OF STATE UNIVERSITIES AND ALLIED INSTITUTIONS

President Clement announced that the annual fall meeting of the Association of Governing Boards of State Universities and Allied Institutions will be held at the University of Michigan in Ann Arbor, on October 9-13, and that he is designating Mrs. Frances B. Watkins as an official representative of the Board for this meeting.

RECESS AND EXECUTIVE SESSION

President Clement stated that an executive session has been requested,

and was being ordered, for consideration of property acquisitions and a copyright matter, and that this session will be held immediately after luncheon.

On motion of Mr. Williamson, the Board recessed.

When the Board reconvened in executive session, the same members of the Board, officers of the Board, and officers of the University were present as recorded at the beginning of these minutes, with the exception of Mr. Wilkins.

The Board considered the following items of business.

RELEASE OF BOTANICAL CHARTS TO ARTIST FOR PUBLICATION

(1) Miss Natalie H. Davis, Scientific Artist in the Department of Botany, has prepared a series of charts during the past ten years for use in botany classes. She now has the opportunity to publish eleven of these charts, nine of which were completed before 1958, plus five new charts still to be prepared. Since Miss Davis has been specifically commissioned to prepare the charts as part of her regular University duties, they belong to the University under the provision of the Statutes governing copyrights.

Professor Wilson N. Stewart, Chairman of the Department of Botany, recommends that the University relinquish its publication rights in these charts to Miss Davis, including any royalties that might result from the sale of the charts. It is Professor Stewart's opinion that the royalties would be small in any case.

The Executive Vice-President and Provost and the Vice-President and Comptroller endorse Professor Stewart's recommendation.

I concur.

On motion of Mrs. Watkins, this recommendation was approved.

ACQUISITION OF THE PROPERTY AT 1109 WEST ILLINOIS STREET, URBANA

(36) The Director of the Physical Plant and the Vice-President and Comptroller recommend purchase of the property at 1109 West Illinois Street, Urbana, Illinois, at a price of \$32,000. The property consists of a lot 65 feet wide and 150 feet deep with a two-story and basement frame residence. The building will be removed and the land will be part of an area to be developed for parking facilities replacing those lost when construction is started on the Illinois Street Residence Hall. The price is within appraisals.

Possession will be delivered not later than October 1, 1962, and taxes will be prorated.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Pogue, purchase of this property, at the price and on the terms indicated, was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Harewood, Mr. Kerner, Mr. Swain, Mr. Wilkins.

- RAFF, LIONEL M., Research Associate in Chemistry, two months from June 16, 1962, \$1,000 (6-18-62).
- RAJAN, N. S. SUNDARA, Research Associate in the Radiocarbon Laboratory, two months from June 16, 1962, \$600 a month (6-11-62).
- RAO, CHIVUKULA R., Research Assistant in Mathematics, two months from June 16, 1962, \$890 (6-18-62).
- REINER, IRVING, Professor of Mathematics, June 16-August 31, 1962, \$4,056; this is in addition to his present appointment (5-31-62).
- ROBERTS, DONALD M., Assistant Professor of Mathematics, June 16-August 31, 1962, \$811.11 a month; this is in addition to his present appointment (5-31-62).
- ROBINSON, ARTHUR R., Associate Professor of Civil Engineering (S), $\frac{1}{2}$ time, two months from June 16, 1962, \$1,077.78; this is in addition to his present appointment and to his Summer Session appointment on $\frac{1}{4}$ time (6-8-62).
- RODWAN, ALBERT S., Research Assistant in Psychology, June 16-August 31, 1962, \$444.44 a month (6-11-62).
- ROE, LOUIS, Assistant in Anesthesiology (Surgery) (Medicine), three months from April 1, 1962, without salary (6-11-62).
- ROEDER, ROBERT C., Assistant in Astronomy, two months from June 16, 1962, \$889 (6-14-62).
- RUCKER, WALTER, Assistant in Education (University High School), June 18-August 11, 1962, \$890 (6-18-62).
- RUNDUS, ROBERT E., Research Associate in Education (University High School), two months from July 1, 1962, \$1,800; and for the academic year beginning September 1, 1962, \$8,100 (6-27-62).
- RUSSO, ALEXANDER J., Assistant in the Radiocarbon Laboratory, June 1-August 15, 1962, \$444.44 a month (6-8-62).
- SARD, ROBERT D., Professor of Physics (C), June 16-July 31, 1962, and September 1-15, 1962, \$1,555.55 a month; this is in addition to his present appointment (5-31-62).
- SARGENT, FREDERICK, II, Professor of Physiology, two months from June 16, 1962, \$2,233.32; this is in addition to his present appointment (6-8-62).
- SCHEYER, FREDERICK D., Assistant in the Institute of Aviation, June 16-August 31, 1962, \$465 a month (5-31-62).
- SCHILL, WILLIAM J., Assistant Professor of Education, Summer Session of 1962, June 18-August 11, 1962, \$1,889 for the period (6-28-62).
- SCHULZ, ARTHUR R., Visiting Lecturer in Chemistry, Summer Session of 1962, June 18-August 11, 1962, \$1,867 for the period (6-14-62).
- SHANNON, DONALD T., Assistant Professor of Psychology, two months from June 16, 1962, \$1,800; this is in addition to his present appointment (6-8-62).
- SHAW, GAYLORD E., Assistant in Veterinary Pathology and Hygiene (Veterinary Medicine), full time, June 16-September 15, 1962, \$408.33 a month; and $\frac{2}{3}$ time, September 16, 1962-August 31, 1963, \$275 a month (6-4-62).
- SIBINOVIC, STEVAN M., Research Assistant in Veterinary Pathology and Hygiene (Veterinary Medicine), July 1, 1962-August 31, 1963, \$4,900 a year (7-2-62).
- SIEGFRIED, ROBERT, Research Associate Professor in the Division of General Studies, June 16-August 31, 1962, \$955.56 a month; this is in addition to his present appointment (6-11-62).
- SIESS, CHESTER P., Professor of Civil Engineering (S), two months from June 16, 1962, \$3,077.78; this is in addition to his present appointment (6-8-62).
- SIMMONS, HOWARD J., Research Assistant in Physiology, two months from June 16, 1962, \$888.88 (6-11-62).
- SIMMONS, RALPH O., Associate Professor of Physics (C), two months from June 16, 1962, \$966.67 a month; this is in addition to his present appointment (6-8-62).

- SIMONSEN, ELAINE, Assistant in Education (University High School), June 18-August 11, 1962, \$888.88 (6-8-62).
- SINCLAIR, GEORGE M., Professor of Theoretical and Applied Mechanics (C), one month from June 16, 1962, and one month from August 1, 1962, \$1,400 a month; this is in addition to his present appointment (6-4-62).
- SINGH, H. DEVENDRA, Research Associate in Animal Science (S), May 17, 1962-April 30, 1963, \$5,850 a year, supersedes (6-22-62).
- SINNAMON, GEORGE K., Professor of Civil Engineering (S), two months from June 16, 1962, \$2,222.24; this is in addition to his present appointment (6-8-62).
- SIRKIS, MURRAY D., Associate Professor of Electrical Engineering (C), two months from June 16, 1962, \$1,188.89 a month; this is in addition to his present appointment (6-8-62).
- SLICHTER, CHARLES P., Professor of Physics (C), June 16-July 15, 1962, and August 16-September 15, 1962, \$1,888.88 a month; this is in addition to his present appointment (6-8-62).
- SLOTNICK, BURTON, Research Assistant in Physiology, two months from June 16, 1962, \$888.88, supersedes (6-18-62).
- SMITH, JAMES H., Professor of Physics (C), one month from August 1, 1962, \$1,133.33; this is in addition to his present appointment (6-8-62).
- SMITH, JULIUS, Instructor in Mathematics, Summer Session of 1962, June 18-August 11, 1962, \$1,512 for the period (6-18-62).
- SMITH, LEONE M., Instructor in Education, Summer Session of 1962, June 18-August 11, 1962, \$1,400 for the period (6-18-62).
- SMITH, RICHARD R., Assistant in Plant Breeding (Agronomy) (S), June 11-August 31, 1962, \$416.67 a month (6-18-62).
- SMITH, ROBERT M., Research Assistant in the Institute for Research on Exceptional Children, June 18-August 11, 1962, \$477.78 a month (6-11-62).
- SMITH, WALTER L., Research Assistant in the Office of Instructional Research (Provost's Office), June 16, 1962-August 31, 1963, \$7,200 a year (6-27-62).
- SNYDER, HAROLD R., Associate Dean of the Graduate College and Research Professor of Organic Chemistry (Liberal Arts and Sciences), two months from June 16, 1962, \$3,645; additional and superseding (5-31-62).
- SOZEN, METE A., Associate Professor of Civil Engineering (S), $\frac{1}{2}$ time, two months from June 16, 1962, \$1,055.56; this is in addition to his present appointment and to his Summer Session appointment on $\frac{1}{2}$ time (6-8-62).
- STALLMEYER, JAMES E., Professor of Civil Engineering (S), $\frac{1}{2}$ time, two months from June 16, 1962, \$1,222.22; this is in addition to his present appointment and to his Summer Session appointment on $\frac{1}{2}$ time (6-8-62).
- STAPLETON, HARVEY J., Assistant Professor of Physics (C), two months from June 16, 1962, \$800 a month; this is in addition to his present appointment (6-8-62).
- STEFFENSEN, DALE M., Associate Professor of Botany, two months from June 16, 1962, \$2,666.66; this is in addition to his present appointment (6-8-62).
- STEGGERDA, FREDERIC R., Professor of Physiology, $\frac{4}{5}$ time, two months from June 16, 1962, \$2,138.88; this is in addition to his present appointment (6-14-62).
- STEINER, IVAN D., Professor of Psychology, $\frac{1}{2}$ time, June 16-August 15, 1962, \$1,200; this is in addition to his present appointment (6-8-62).
- STIPPES, MARVIN C., Professor of Theoretical and Applied Mechanics (C), $\frac{1}{2}$ time, June 16-August 9, 1962, and September 10-September 15, 1962, \$600 a month; this is in addition to his present appointment and to his Summer Session appointment on $\frac{1}{2}$ time (6-5-62).
- STOLUROW, LAWRENCE M., Professor of Psychology, one month from June 16, 1962, \$1,177.78; this is in addition to his present appointment (6-27-62).
- STORCH, RICHARD H., Research Assistant in Entomology, two months from June 16, 1962, \$888.88 (6-8-62).
- STURMTHAL, ADOLF F., Professor of Labor and Industrial Relations, one month from June 16, 1962, \$1,650; this is in addition to his present appointment (6-4-62).
- SUH, DAVID K., Research Assistant in Psychology, one month from June 16, 1962, \$444.44 (6-27-62).
- SUZUKI, MICHIO, Professor of Mathematics, June 16-August 31, 1962, \$2,000 a month; this is in addition to his present appointment (6-11-62).

- SWENSON, GEORGE, Professor of Electrical Engineering and of Astronomy (Engineering), two months from June 16, 1962, \$1,444.44 a month; this is in addition to his present appointment (6-18-62).
- SYKES, JOHN, Research Associate in Chemistry, two months from June 16, 1962, \$1,667; this is in addition to his present appointment (6-18-62).
- SZABO, STEVEN, Research Associate in Education (University High School), June 16-August 11, 1962, \$1,800; and for the academic year beginning September 1, 1962, \$8,100 (6-27-62).
- TANG, CHIEN-HUI, Research Assistant in Electrical Engineering (S), June 16-August 31, 1962, \$500 a month, supersedes (6-18-62).
- THURMON, JOHN C., Instructor in Veterinary Clinical Medicine (Veterinary Medicine), 7/10 time, and in Veterinary Research (Agricultural Experiment Station), 3/10 time, July 1, 1962-August 31, 1963, \$7,000 a year (6-27-62).
- TICHENOR, DUANE, Instructor in Education, Summer Session of 1962, June 18-August 11, 1962, \$1,334 for the period (6-8-62).
- TOBE, MARTIN L., Visiting Lecturer in Chemistry and Chemical Engineering, Summer Session of 1962, June 18-August 11, 1962, \$1,700 for the period (6-8-62).
- TOMCZYK, JOHN R., Assistant (Reading) in the Student Counseling Service, 1/2 time, June 18-August 11, 1962, \$533 (6-22-62).
- TRAFTON, CLINTON L., Research Assistant in Psychology, two months from July 1, 1962, \$888.88 (6-27-62).
- TRJITZINSKY, WALDEMAR J., Professor of Mathematics, two months from July 1, 1962, \$3,290; this is in addition to his present appointment (6-5-62).
- TROTT, BEVERLY D., Research Associate in Metallurgy (C), two months from July 1, 1962, \$600; this is in addition to his present appointment (6-5-62).
- TSUDA, MASUMI, Visiting Research Assistant in Labor and Industrial Relations, one year from July 1, 1962, \$4,900 (6-4-62).
- TUCKWOOD, DWIGHT O., Undergraduate Librarian in the Library, with rank of Instructor, two months from July 1, 1962, \$7,400 a year, and one year from September 1, 1962, \$8,200 (6-27-62).
- TUMAN, VLADIMIR S., Associate Professor of Petroleum Engineering (C), June 16-August 8, 1962, \$1,066.66 a month; this is in addition to his present appointment (6-8-62).
- VAN HOLDE, KENSAL E., Research Associate Professor of Chemistry, two months from June 16, 1962, \$2,089; this is in addition to his present appointment (6-11-62).
- VELETOS, ANESTIS S., Professor of Civil Engineering (S), two months from June 16, 1962, \$2,666.66; this is in addition to his present appointment (6-8-62).
- VERDEYEN, JOSEPH T., Assistant Professor of Electrical Engineering (C), June 16-August 31, 1962, \$833.33 a month, supersedes (6-29-62).
- WALLACE, DONALD M., Assistant in Mechanical and Industrial Engineering, Summer Session of 1962, June 18-August 11, 1962, \$934 for the period, supersedes previous Summer Session appointment (6-8-62).
- WALLACE, WILLIAM H., Assistant in Finance, two months from June 16, 1962, \$444.44 a month (6-8-62).
- WARE, EDWARD E., Research Assistant Professor in the Institute of Communications Research, two months from June 16, 1962, \$833.33 a month (6-18-62).
- WATANABE, SHOSUKE, Research Associate in Psychiatry (Medicine), May 16-August 31, 1962, \$541.67 a month (6-8-62).
- WAX, NELSON, Research Professor in the Coordinated Science Laboratory (C), one month from June 16, 1962, \$1,722.22; this is in addition to his present appointment (6-18-62).
- WAYMAN, CLARENCE M., Associate Professor of Metallurgical Engineering (C), June 16-August 31, 1962, \$911.11 a month, additional and superseding (6-27-62).
- WEBB, HAROLD D., Professor of Electrical Engineering (C), two months from June 16, 1962, \$1,222.22 a month; this is in addition to his present appointment (6-18-62).
- WEIDERT, JOHN F., Assistant Extension Editor, with rank of Instructor (E), July 1, 1962-August 31, 1963, \$6,400 a year (6-27-62).
- WEIR, MORTON W., Assistant Professor of Psychology, June 16-August 31, 1962, \$2,083.33; this is in addition to his present appointment (6-8-62).

- WHEATLEY, JOHN C., Professor of Physics (C), August 16-September 15, 1962, \$1,277.77; this is in addition to his present appointment (5-31-62).
- WHITE, PETER B., Research Assistant in Metallurgy (C), two months from July 1, 1962, \$488.88 a month (6-8-62).
- WIJSMAN, ROBERT A., Associate Professor of Mathematics, June 16-August 31, 1962, \$2,722; this is in addition to his present appointment (5-31-62).
- WILF, HERBERT S., Research Assistant Professor of Mathematics, June 16-August 31, 1962, \$944.44 a month; this is in addition to his present appointment (6-11-62).
- WILLIAMS, KENNETH, Research Assistant in Zoology, two months from June 16, 1962, \$889 (6-14-62).
- WILLIS, EDWARD, Assistant in Animal Science (S), June 8, 1962-August 31, 1963, \$5,000 a year (6-27-62).
- WINDSOR, DONALD A., Research Assistant in Zoology, two months from June 16, 1962, \$889 (6-18-62).
- WISEMAN, DOUGLAS, Research Assistant in the Institute for Research on Exceptional Children, June 18-August 11, 1962, \$477.78 a month (6-11-62).
- YEN, YAO-TUNG, Research Assistant in the Digital Computer Laboratory, two months from June 16, 1962, \$933.32 (6-11-62).

GRADUATE FELLOWS

(The following appointments made by the Dean of the Graduate College were approved on the date indicated in parentheses.)

- AKITT, DONALD P., General Telephone and Electronics Laboratories Fellow in Electrical Engineering, nine months from September 16, 1962, \$2,500 (5-31-62).
- ALCALDE, VICTOR M., United States Public Health Service Fellow (Trainee) in Pediatrics, one year from July 1, 1962, \$6,000 (6-11-62).
- ALLERHAND, ADAM, Postdoctoral Fellow in Chemistry, one year from October 1, 1962, \$5,500 (6-11-62).
- ARNOFF, WILLIAM H., United States Public Health Service Fellow (Trainee) in Psychiatry, one year from July 1, 1962, \$12,000 (6-20-62).
- ARONSON, NEIL G., Medical Student Summer Quarter Fellow in Pediatrics, three months from June 16, 1962, \$600 (6-5-62).
- ARUGUETE, JOSE, Medical Student Alternative Quarter Fellow, June 16-August 31, 1962, \$200 (5-21-62).
- BAGBY, ROLAND M., United States Public Health Service Fellow (Trainee) in Physiology, one year from June 16, 1962, \$2,666, supersedes (6-8-62).
- BAILEY, THOMAS E., Summer Quarter Fellow in Chemistry (Pharmaceutical), three months from June 16, 1962, \$600 (5-28-62).
- BALDWIN, FLETCHER N., JR., Fellow in Law, Summer Session of 1962, June 18-August 11, 1962, \$375 for the period (6-7-62).
- BARRIS, ROBERT G., Fellow (Intern) in Government and Public Affairs, one year from July 1, 1962, \$2,700 (6-12-62).
- BATCHELDER, DAVID N., Sprague Electric Company Teaching Fellow in Physics, nine months from September 16, 1962, \$2,000 (6-19-62).
- BROOKER, ELMER W., Engineering Faculty Development Fellow in Civil Engineering, one year from September 1, 1962, \$1,360 (6-12-62).
- BUEHL, WALTER M., Monsanto Chemical Company Summer Fellow in Chemical Engineering, two months from June 16, 1962, \$500 (6-6-62).
- BURROUS, STANLEY E., Postdoctoral Fellow (Trainee) in Microbiology, three months from June 16, 1962, \$1,650 (6-27-62).
- CAMPBELL, MRS. WILLIE M., National Science Foundation Cooperative Fellow in Zoology, one year from September 1, 1962, \$2,400 (6-20-62).
- CASTELLANO, CHARLES R., Fellow (Teaching Intern) in Mechanical Engineering, nine months from September 16, 1962, \$2,000 (6-19-62).
- CHERRINGTON, BLAKE E., Fellow (Teaching Intern) in Electrical Engineering, nine months from September 16, 1962, \$3,000 (6-14-62).
- CLARKE, RICHARD B., United States Public Health Service Fellow (Trainee) in Chemistry, two months from June 16, 1962, \$600 (6-4-62).
- COATES, DAVID E., Engineering Faculty Development Teaching Fellow in Nuclear Engineering, one year from September 1, 1962, \$1,900 (6-12-62).
- CORNET, JOANN M., United States Public Health Service Fellow (Trainee) in Pediatrics, one year from July 1, 1962, \$6,200 (6-11-62).

- CUTLER, JANET A., Office of Vocational Rehabilitation Fellow (Trainee) in Education, two months from June 16, 1962, \$500 (6-13-62).
- DEAL, WILLIAM C., Postdoctoral Fellow (Trainee) in Chemistry, one month from July 1, 1962, \$540 (6-14-62).
- DODD, GEORGE G., Television Shares Management Teaching Fellow in Electrical Engineering, nine months from September 16, 1962, \$1,989 (5-31-62).
- DOROSZ, LEON C., United States Public Health Service Fellow (Trainee) in Psychology, nine months from September 16, 1962, \$2,400 (6-8-62).
- DRAPER, MILTON, United States Public Health Service Fellow (Trainee) in Physiology, July 1-September 16, 1962, \$375 (6-14-62).
- EDWARDS, JOHN R., United States Public Health Service Fellow (Trainee) in Biological Chemistry, one year from July 1, 1962, \$2,300 (6-11-62).
- ELZINGA, MARSHALL G., United States Public Health Service Fellow (Trainee) in Physiology, one year from June 16, 1962, \$2,666 (6-8-62).
- FISCHINGER, PETER J., Medical Student Alternative Quarter Fellow, June 16-August 31, 1962, \$200 (5-21-62).
- FITZGERALD, JAMES E., United States Public Health Service Fellow (Trainee) in Veterinary Medical Science, one year from June 1, 1962, \$5,200 (6-4-62).
- GANTT, RALPH R., United States Public Health Service Fellow (Trainee) in Biological Chemistry, one year from July 1, 1962, \$2,300 (6-11-62).
- GENSKOW, JACK K., Office of Vocational Rehabilitation Fellow (Trainee) in Education, two months from June 16, 1962, \$500 (6-13-62).
- GLADER, BERTIL E., United States Public Health Service Fellow (Trainee) in Physiology, one year from July 1, 1962, \$2,600 (6-14-62).
- GOODE, JOHN W., Medical Student Summer Quarter Fellow in Pharmacology, three months from June 16, 1962, \$600 (6-2-62).
- GRADY, LEE T., Summer Quarter Fellow in Chemistry (Pharmaceutical), three months from June 16, 1962, \$600 (5-28-62).
- GRALLER, JACK L., United States Public Health Service Fellow (Trainee) in Psychiatry, one year from July 1, 1962, \$2,400 (6-20-62).
- GREEN, MELVIN H., National Institutes of Health Postdoctoral Fellow (Trainee) in Chemistry, two months from June 16, 1962, \$1,040 (6-27-62).
- GRIFFIN, PATRICIA A., Office of Vocational Rehabilitation Fellow (Trainee) in Education, two months from June 16, 1962, \$500 (6-13-62).
- GROESCHEL, EDWARD C., JR., Campbell Soup Company Fellow in Food Technology, two months from June 16, 1962, \$533.34 (6-14-62).
- HABAS, LINDA B., United States Public Health Service Fellow (Trainee) in Physiology, one year from June 16, 1962, \$2,666, supersedes (6-8-62).
- HARDY, CAROLINE E., Summer Quarter Fellow in Biological Chemistry, three months from June 16, 1962, \$600 (5-28-62).
- HIGHTON, RONALD, Dental Student Summer Quarter Fellow in Pedodontics, three months from June 16, 1962, \$600 (6-15-62).
- HOFFMAN, EDWARD L., United States Public Health Service Fellow (Trainee) in Psychology, nine months from September 16, 1962, \$2,400 (6-8-62).
- HOFFMAN, JOAN C., Summer Quarter Fellow in Physiology, three months from June 16, 1962, \$600 (5-28-62).
- HOLMES, PETER K., United States Public Health Service Fellow (Trainee) in Microbiology, June 16-June 30, 1962, \$116.67, and one year from July 1, 1962, \$3,200 (5-31-62).
- HOUCHENS, ALBERT F., Fellow (Teaching Intern) in Mechanical Engineering, nine months from September 16, 1962, \$2,000 (6-14-62).
- HUFFAKER, DONALD C., Engineering Faculty Development Teaching Fellow in Theoretical and Applied Mechanics, one year from September 1, 1962, \$2,000 (6-12-62).
- HUNT, SUSAN D., Summer Quarter Fellow in Microbiology, three months from June 16, 1962, \$600 (5-28-62).
- HUNTER, JOHN E., United States Public Health Service Fellow (Trainee) in Psychology, nine months from September 16, 1962, \$2,000 (6-8-62).
- JOHNSON, JOYCE H., University Fellow at the Medical Center, one year from September 1, 1962, \$2,300, supersedes (6-16-62).
- JONES, ROBERT M., Fellow in Theoretical and Applied Mechanics, nine months from September 16, 1962, \$1,500, supersedes (6-1-62).

- KATAGUE, DAVID B., Summer Quarter Fellow in Chemistry (Pharmaceutical), three months from June 16, 1962, \$600 (5-28-62).
- KENNY, JOHN W., United States Public Health Service Fellow (Trainee) in Psychology, nine months from September 16, 1962, \$2,000 (6-8-62).
- KIM, SUN CHUN, Wright Fellow in Agriculture, nine months from September 16, 1962, \$1,500 (6-19-62).
- LEE, DONG WOO, Fellow in Civil Engineering, nine months from September 16, 1962, \$1,500, and two months from June 16, 1963, \$375 (6-4-62).
- LEE, KEUN SHIL, United States Public Health Service Fellow (Trainee) in Physiology, one year from June 16, 1962, \$2,666, supersedes (6-8-62).
- LENER, ALAN E., United States Public Health Service Fellow (Trainee) in Psychiatry, one year from July 1, 1962, \$2,400 (6-20-62).
- LENER, LEON M., Summer Quarter Fellow in Biological Chemistry, three months from June 16, 1962, \$600 (5-28-62).
- LOEVY-TASCHINI, HANNELORE, United States Public Health Service Fellow (Trainee) in Pharmacology, one year from July 1, 1962, \$5,500 (6-11-62).
- MAGLIONE, FRANK D., Office of Vocational Rehabilitation Fellow (Trainee) in Education, two months from June 16, 1962, \$700 (6-13-62).
- MAILMAN, DAVID, United States Public Health Service Fellow (Trainee) in Physiology, one year from July 1, 1962, \$3,000 (6-14-62).
- MANDY, WILLIAM J., United States Public Health Service Fellow (Trainee) in Microbiology, June 16-June 30, 1962, \$116.67, and one year from July 1, 1962, \$3,200 (5-31-62).
- MEDENIS, RUTE, United States Public Health Service Fellow (Trainee) in Pediatrics, one year from July 1, 1962, \$6,200 (6-11-62).
- MILLER, FRANKLIN C., United States Public Health Service Fellow (Trainee) in Psychiatry, one year from July 1, 1962, \$2,400 (6-20-62).
- MIZUKAMI, HIROSHI, United States Public Health Service Fellow (Trainee) in Biophysics, six months from July 1, 1962, \$1,333 (6-8-62).
- MONROE, BRUCE M., Teaching Fellow in Chemistry, nine months from September 16, 1962, \$1,800, and two months from June 16, 1963, \$600 (3-30-62).

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

September 19, 1962

The September meeting of the Board of Trustees of the University of Illinois was held at Robert Allerton Park, Monticello, Illinois, September 19, 1962, beginning at 9:30 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. George T. Wilkins, Mr. Kenney E. Williamson. Governor Otto Kerner was absent. Mr. Richard A. Harewood resigned as a member of the Board of Trustees of the University of Illinois effective at the close of business August 31, 1962, and his resignation was accepted by the Governor.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Professor Norman A. Parker, Vice-President, Chicago Undergraduate Division, Dr. Joseph S. Be-gando, Vice-President, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. Donald C. Neville, Assistant to the Director of the Physical Plant; and the officers of the Board, Mr. C. W. Weldon, Treasurer, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees on February 21, March 17, April 18, and May 24, 1962, press proof copies of which had previously been sent to the Board.

On motion of Mr. Johnston, the minutes were approved as printed on pages 1275 to 1497, inclusive.

REPORT OF THE EXECUTIVE COMMITTEE

The Secretary submitted the following report from the Executive Committee of its actions at a duly called meeting held on August 16, 1962.

MEETING OF THE EXECUTIVE COMMITTEE

On call of the Chairman, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Illini Center, LaSalle Hotel, Chicago, Illinois, on Thursday, August 16, 1962, beginning at 2:30 p.m.

The following members of the Committee were present: Mr. Howard W. Clement, Chairman, Mr. Wayne A. Johnston, Mrs. Frances B. Watkins. Also present were President David D. Henry, Director C. S. Havens of the Physical Plant, Mr. James J. Costello, Legal Counsel, Mr. Morris S. Kessler, Assistant Comptroller, and Mr. A. J. Janata, Secretary of the Board.

The Committee considered the following reports and recommendations submitted by the President of the University, and took the actions indicated.

**DEANSHIP OF COLLEGE OF FINE AND APPLIED ARTS
AT CHICAGO UNDERGRADUATE DIVISION**

(1) The Vice-President for the Chicago Undergraduate Division recommends the appointment of Leonard J. Currie, presently Professor and Head of the Department of Architecture at Virginia Polytechnic Institute, as Professor of Architecture on indefinite tenure and Dean of the College of Fine and Applied Arts at the Chicago Undergraduate Division for one year beginning September 1, 1962, at an annual salary of \$20,000, on twelve months' service basis.

This appointment has been recommended after consultation with the senior staff of the Department of Architecture and other officers of the Chicago Undergraduate Division, and with representatives of departments in the College of Fine and Applied Arts at Urbana, and has been endorsed by the Dean of the Graduate College and the Executive Vice-President and Provost.

The Board of Trustees in January and February, 1961, approved recommendations relating to educational policies and plans for the organization of educational programs involved in the expansion of the Chicago Undergraduate Division into a degree-granting branch of the University, consistent with prior legislative authorization of the same. The initial educational program as approved by the Board at that time provides for the reorganization of the existing colleges and divisions into major administrative units for the new Congress Circle campus: Colleges of Liberal Arts and Sciences, Engineering, Commerce and Business Administration, Fine and Applied Arts; and Divisions of Education and Physical Education. Hence the appointment of Professor Currie as Dean is in line with implementation of an authorized program.

I recommend approval of the appointment.

On motion of Mrs. Watkins, this appointment was approved.

**CONTRACT WITH AGENCY FOR INTERNATIONAL DEVELOPMENT
FOR UNIVERSITY OF ILLINOIS — FACULTY OF MEDICINE,
CHIENGMAI HOSPITAL PROJECT**

(2) At its April 18, 1962, meeting, the Board of Trustees approved the above project and authorized development of a contract with regard thereto.

A contract with the United States of America, represented by the Agency

for International Development, and the University of Medical Sciences, of Bangkok, Thailand, covering the above project, has been negotiated as authorized and was executed on condition that it be specifically ratified by this Executive Committee of the Board of Trustees.

The Dean of the College of Medicine, the Vice-President at the Medical Center, Chicago, and the Legal Counsel recommend that the Executive Committee ratify the execution of the above-mentioned contract by the University.

I concur.

On motion of Mr. Johnston, this contract was ratified.

LEASE OF PROPERTY AT 1014 LINCOLNSHIRE DRIVE, CHAMPAIGN

(3) The National Warm Air Heating and Air Conditioning Association owns a residence at 1014 Lincolnshire Drive, Champaign, which has been used for research by the Department of Mechanical and Industrial Engineering on a project now completed. The Small Homes Council-Building Research Council desires to use this property for a study of electric heating, to be financed by the Edison Electric Institute. The National Warm Air Heating and Air Conditioning Association will lease this property and the research equipment installed in the building to the University at a rental of \$250 a month. The owner will pay taxes and insurance, and the University will pay for utilities and operating expenses.

The Dean of the College of Fine and Applied Arts and the Vice-President and Comptroller recommend lease of this property until June 30, 1963, with option of renewal until August 31, 1964, and a further option of renewal until June 30, 1965.

I concur.

The Executive Committee was authorized by a majority of the members of the Board, whose consent was secured individually in writing, to act on this recommendation, in accordance with the By-Laws of the Board.

On motion of Mrs. Watkins, this lease was authorized.

CONTRACT FOR WALK CONSTRUCTION

(4) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$13,132.60 in an existing contract with General Paving Company, Inc., Champaign, Illinois, for paving and improvement of campus streets and drives and construction of walks to include additional walk construction from the intersection of Green and Wright Streets, to connect to the walk improvements being constructed as part of the Illini Union addition.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Johnston, this change in contract was authorized.

CONTRACTS FOR CONSTRUCTION OF ANTENNA LABORATORY ADDITION TO ELECTRICAL ENGINEERING BUILDING

(5) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for the construction of an antenna laboratory as a penthouse on the addition to the Electrical Engineering Building, now under construction, to provide special laboratory facilities, and for housing mechanical equipment for the building, the award in each case being to the lowest bidder:

General—Pathman Construction Co., Chicago.....	\$132 430
Base bid	\$ 98 880
Additive alternates	5 000
Service charge for supervision of other prime contracts assigned to general contractor	
Construction of eccosorb anechoic chamber (echo chamber).....	28 550
Electrical—G. L. Wilsky Downtown Electric, Urbana.....	12 155
Base bid	12 675
Less deductive alternate for work to be omitted due to construction of eccosorb anechoic chamber.....	—520
Plumbing—Nu-Way Plumbing Service, Inc., Chicago.....	6 986

Heating, Refrigeration, and Temperature Control—Ideal Heating Company, Chicago.....	14 444
Ventilating—Anderson and Litwack Company, Hillside.....	16 750
<i>Total</i>	<u>\$182 765</u>

It is further recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of his contract price \$182,765.

It is further recommended that an agreement be entered into with Pathman Construction Company for the assignment of these other contracts for \$5,000, which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor. (The general contractor has agreed to reduce this service charge to \$1,300, approximately 2½ per cent of the amount of the contracts assigned to him for supervision. However, the action awarding the contract should include the amount of the service charge as \$5,000, this being the bid submitted, with the understanding that a credit change order for \$3,700 will be issued simultaneously with the execution of the contract to reduce the actual service charge to \$1,300.)

A National Science Foundation grant of \$110,000 has been received for the construction of the antenna laboratory under the condition that it be matched by University funds of at least the same amount. Funds are available for the University's \$110,000 share of the cost from the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released by the Governor.

Submitted herewith is a report from the Physical Plant Department on this project, including a schedule of bids received, copies of which are being filed with the Secretary of the Board for record.

I concur.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; No, none; absent, none.

ADDITION TO CONTRACT FOR CONSTRUCTION OF PENNSYLVANIA AVENUE RESIDENCE HALLS

(6) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$4,025.35 in the contract with Kuhne-Simmons Company, Inc., for the construction of the Pennsylvania Avenue Residence Halls to include steam and electrical connections to serve clothes dryers and extractors to be installed in the laundry rooms.

Funds are available in the project budget.

I concur.

On motion of Mr. Johnston, this change in contract was authorized.

ADDITION TO CONTRACT FOR CENTRAL FOOD STORES

(7) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$2,986.20 in the contract with the Felmley-Dickerson Company for changes and additions to the refrigeration system in the Central Food Stores Building.

Funds are available in the Maintenance Reserve of the Housing Division.

I concur.

On motion of Mr. Johnston, this change in contract was authorized.

I concur.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

CHANGE IN CONTRACTS FOR CONGRESS CIRCLE CAMPUS

(12) At its meetings of May 24 and June 20, 1962, the Board of Trustees authorized the Executive Committee to act for the Board in negotiations with contractors for high temperature water boilers, hot water pumps and erection, for refrigeration equipment, for condenser water and chilled water circulating pumps, for cooling tower, and for switchgear and electrical equipment for the heating plant, at the Congress Circle Campus, for extensions of the periods within which their contracts may be terminated. All contractors have now agreed to extensions of said periods from September 15 to December 15, 1962, provided that shipping dates and other terms and conditions of the contracts remain unchanged.

The Vice-President and Comptroller, the Director of the Physical Plant, and the Legal Counsel recommend that the Executive Committee, acting for the Board, approve these changes in the awards and contracts, and, in consideration therefor and in fairness to the contractors, authorize the substitution of bid bonds for the certified checks from these contractors, now being held as bid deposits.

I concur.

On motion of Mr. Johnston, this change in the contracts was authorized.

EXECUTIVE SESSION

The regular order of business before the Committee having been concluded, an executive session was requested, and was ordered by the Chairman, for consideration of an informal report from the Director of the Physical Plant on the current status of negotiations for certain property acquisitions.

The report was for information and consultation. No action was requested or taken.

On motion of Mr. Johnston, the Committee adjourned.

NONSALARIED FACULTY OF THE COLLEGE OF MEDICINE, 1962-1963

(3) I present the following list of appointments to the nonsalaried faculty of the College of Medicine for the academic year beginning September 1, 1962.

The designation "Rush" in a title is used to identify former members of the Rush Medical College faculty who were taken over by the University in 1941 as part of the affiliation with the former Presbyterian Hospital, now Presbyterian-St. Luke's Hospital, by authority of the Board of Trustees.

The list includes new appointments and reappointments. Professors and Associate Professors who have been on indefinite tenure in the past are being continued in that status. However, all new appointments at, or promotions to, the rank of Associate Professor are for one year (indicated by the symbol "DY"), and subsequent reappointments of such staff members will be on an annual basis.

On motion of Mr. Williamson, these appointments were approved as listed below.

EASEMENT TO ILLINOIS BELL TELEPHONE COMPANY

(5) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Illinois Bell Telephone Company be granted permission to install a buried cable through University parking lots in the 800 block on South Sixth Street, Champaign, provided that the Company reimburses the University for its direct expenses in granting the easement and restores the property to its present condition. This cable will serve business establishments on Daniel Street just east of Sixth Street.

I concur and recommend the adoption of the following resolution.

Resolution

Be It, and It Hereby Is Resolved by this Board of Trustees of the Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of this Board of Trustees be, and they hereby are, authorized to execute, acknowledge, and deliver in the name and on behalf of this Corporation such instruments of conveyance, contract, or other document or documents as to them may seem necessary or desirable in order to

grant to Illinois Bell Telephone Company, an Illinois Corporation, hereinafter referred to as "Grantee," its successors and assigns, the right and easement to lay, operate, and maintain a communications cable for the transmission of telephonic signals under and through the land hereinafter described and the right of ingress to and egress therefrom. Grantee shall agree to repair any damage to property of this Corporation by the laying, construction, reconstruction, operation maintenance, renewal, or removal of said cable, and Grantee shall further agree to relocate said cable at its expense if and when said cable would interfere with any construction undertaken by this Corporation during the term of the right-of-way easement to be hereunder granted. The right-of-way easement shall terminate ninety (90) days after Grantee ceases to use said transmission line for rendition of service. The right-of-way easement shall be over the following-described property:

Situated in the State of Illinois, the County of Champaign, the City of Champaign and in parts of Block 13 of J. S. Wright's Addition to the City of Champaign; and being more fully bounded and described as follows:

1. Being the East 6.0 feet of the South 5.0 feet of the NW $\frac{1}{4}$ of said Block 13; and

2. A strip of land 6.0 feet in width, the centerline of which is described as follows:

Beginning at a point 171.25 feet distant East of and 169.33 feet distant South of the NW corner of said Block 13, said corner being also the SE corner of John and Sixth Streets in the City of Champaign; thence southerly along a line parallel to the East line of Sixth Street, a distance of 84.67 feet; all of the foregoing described strip being in the N $\frac{1}{2}$ of the SW $\frac{1}{4}$ of said Block 13.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner. Mr. Hughes asked to be recorded as not voting.

CONTRACT FOR REROUTING ILLINOIS BELL TELEPHONE CABLE AT CONGRESS CIRCLE CAMPUS

(6) The campus plan for Congress Circle anticipates the construction of buildings at the intersection of Blue Island Avenue and Polk Street, which will be vacated.

Any construction over utilities to be retained must provide for continuation of these services even during the period of construction. The Illinois Bell Telephone Company proposed that the existing cable be rerouted along Roosevelt and Halsted Streets and that the University pay the Company the amount budgeted by the University for the protection of this service during construction. Under this proposal, the Illinois Bell Telephone Company will perform the work and the University will not be obligated for payment until thirty days after the University receives conveyance of substantially all the land in this area from the Chicago Land Clearance Commission.

Accordingly, the Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of this contract subject to the release of funds.

I concur.

On motion of Mr. Johnston, this contract was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner. Mr. Hughes asked to be recorded as not voting.

CLOSED CIRCUIT TELEVISION DISTRIBUTION SYSTEM AT CONGRESS CIRCLE CAMPUS

(7) The Board of Trustees has authorized agreements with the Illinois Bell Telephone Company for the rental of cable and related facilities for a television distribution system on the Urbana-Champaign campus.

A similar program is planned for the Congress Circle campus. Its television programs will originate from the Library building, or will be programs taken off

the air at the Library, and during the first phase of the University's operations at Congress Circle will be distributed to one of the classroom buildings, to the Lecture Center, and to the Union Building.

Comparative cost studies on rental versus construction by the University of the distribution facilities indicate that for several years it will be more economical to rent the facilities. Rental will provide flexibility for future program changes and changes in technology, an arrangement which may be contracted for a one-year, renewable basis.

The total annual rental charge for three distribution channels between these buildings is \$6,252.

The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of the necessary agreements at the appropriate time with the Illinois Bell Telephone Company for closed circuit television facilities.

Funds for the rental payments will be provided in future operating budgets.

I concur.

On motion of Mr. Swain, this contract was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner. Mr. Hughes asked to be recorded as not voting.

CONTRACTS FOR AIR CONDITIONING IN SECOND UNIT OF DENTISTRY-MEDICINE-PHARMACY BUILDING

(8) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for air conditioning the first floor, second unit, of the Dentistry-Medicine-Pharmacy Building, the award in each case being to the lowest bidder:

Heating, Refrigeration, and Temperature Controls — Dearborn Plumbing and Heating Service, Inc., Chicago.....	\$18 075
Base bid	\$18 075
Additive alternates	
Service charge for supervision of other contracts assigned to this contractor.....	00
480 volt vs. 208 volt.....	00
Ventilating — T. F. Hanley Corporation, Chicago.....	37 506
Base bid	\$37 482
Additive alternate for 480 volt vs. 208 volt.....	24
Plumbing — Dearborn Plumbing and Heating Service, Inc., Chicago....	810
Electrical — Henry Newgard and Company, Chicago.....	1 650
Base bid	\$ 2 290
Deductive alternate for 480 volt vs. 208 volt.....	— 640
General — Mutual Contracting Company, Chicago.....	12 991
Total.....	\$71 032

The work will consist of furnishing and installing equipment and supply systems to air condition the administrative offices of the Colleges of Dentistry and Nursing and the Office of Nonacademic Personnel and is a part of the 1961-63 building program at the Medical Center.

It is further recommended that all contracts other than the contract for heating, refrigeration, and temperature controls be assigned to the contractor for that work, making the total of his contract price \$71,032; and that an agreement be entered into with Dearborn Plumbing and Heating Service, Inc. for the assignment of these other contracts for supervision.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A schedule of the bids received is submitted herewith and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR REMODELING IN DENTISTRY-MEDICINE- PHARMACY BUILDING

(9) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$9,175 to the Mutual Contracting Company, Chicago, the lowest bidder, for remodeling of administration space housing the Office of Admissions and Records in the first unit of the Dentistry-Medicine-Pharmacy Building.

The work will consist of rearranging partitions and improving of lighting to gain more usable space and increase the efficiency of use of this suite of offices.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, and have been released.

I concur.

On motion of Mr. Hughes, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACTS FOR REMODELING AND INSTALLATION OF FUME HOODS IN DENTISTRY-MEDICINE-PHARMACY BUILDING

(10) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for the installation of fume hoods and the required remodeling for the Departments of Biochemistry and Physiology, in the Dentistry-Medicine-Pharmacy Building first unit, the award in each case being to the lowest bidder:

General—Mutual Contracting Company, Chicago.....	\$16 740
Base bid	\$14 909
Additive alternate for service charge for supervision of other contracts assigned to this contractor.....	1 831
Plumbing—H. P. Reger and Company, Chicago.....	3 420
Steam Fitting and Process Piping—Peter H. Smith Company.....	2 967
Ventilating—T. F. Hanley Corporation, Chicago.....	32 990
Pipe Covering and Insulation—Culberg Asbestos and Cork Company, Chicago.....	850
Electrical—Cole Electric Company, Inc., Chicago.....	2 196
Laboratory Equipment—Kewaunee Manufacturing Company, Evanston.....	10 995
Total.....	\$70 158

The work will include furnishing and installation of fume hoods throughout the laboratories of two of the departments in the College of Medicine, namely, Biochemistry and Physiology, as a part of the 1961-63 building program at the Medical Center.

It is further recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of his contract price \$70,158.

It is further recommended that an agreement be entered into with the Mutual Contracting Company for the assignment of these other contracts for \$1,831.00 which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in a grant of \$25,750 from the National Institutes of Health (USPH RC-1062, Biochemistry-Physiology Fume Hoods) and in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, and have been released.

A schedule of the bids received is submitted herewith and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACTS FOR ALTERATIONS IN THE RESEARCH AND EDUCATIONAL HOSPITALS ADDITION

(11) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for alterations on the eighth floor of the Research and Educational Hospitals Addition, the award in each case being to the lowest bidder:

General — Consumers Construction Company, Chicago.....	\$ 75 900
Base bid	\$74 400
Additive alternate for service charge for supervision of other contracts assigned to this contractor.....	1 500
Plumbing — O'Callaghan Brothers, Inc., Chicago.....	16 450
Heating — T. F. Hanley Corporation, Chicago.....	39 149
Ventilating — Byness, Inc., Chicago.....	14 910
Electrical — Wadeford Electric Company, Chicago.....	21 686
Laboratory Furniture — Browne-Morse Company, Chicago.....	21 281
<i>Total</i>	<u>\$189 376</u>

The work will consist of extensive remodeling of the eighth floor of the Hospitals Addition for a clinical research center to be operated by the Department of Medicine with funds supplied by the U.S. Public Health Service.

It is further recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of his contract price \$189,376.

It is further recommended that an agreement be entered into with Consumers Construction Company for the assignment of these other contracts for \$1,500 which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

Funds for this work are available from U.S. Public Health Service Grant OG-21.

Submitted herewith is a schedule of the bids received and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Pogue, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR MAINTENANCE WORK ON RESEARCH AND EDUCATIONAL HOSPITALS

(12) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$3,162 to E. H. Chicoine Contractors, Inc., Chicago, the lowest bidder, for maintenance work on drip joints and lintels on the Research and Educational Hospitals buildings.

The work will consist of grinding the mortar out of drip joints at the head of all windows and the painting of exposed portions of steel lintels. The repairs are necessary due to the rust build-up on the lintels which is causing spauling of the stonework.

Funds are available in the Physical Plant Department budget.

I concur.

On motion of Mr. Williamson, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR CAULKING WORK ON STAFF APARTMENT BUILDING AT THE MEDICAL CENTER

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$7,965 to the Structural Waterproofing Corporation, Barrington, Illinois, the lowest bidder, for the caulking of all exterior

windows, doors, and louvers on all elevations of the Staff Apartment Building at 809 South Marshfield Avenue, Chicago.

This work is necessary to prevent deterioration of brickwork and interior plaster from moisture where the original caulking has loosened, cracked, or fallen out and to give protection to metal shelf angles where exposed to the weather.

Funds are available in the income from Staff Apartment operations.

I concur.

On motion of Mr. Swain, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR TUCKPOINTING ON ILLINOIS NEUROPSYCHIATRIC INSTITUTE BUILDING

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$5,600 to Herman E. Iverson Tuckpointing, Chicago, the lowest bidder, for the tuckpointing of the Illinois Neuropsychiatric Institute building.

The work will consist of tuckpointing the major portion of this building where the mortar is loose, cracked, or otherwise defective. These repairs are regular maintenance, necessary to prevent deterioration of the building structure.

Funds are available in the Physical Plant Department budget.

I concur.

On motion of Mrs. Watkins, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

AGREEMENT WITH COMMONWEALTH EDISON COMPANY FOR ELECTRICAL SERVICES

(15) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of an agreement with Commonwealth Edison Company, Chicago, to include the Laundry Building and the Chicago Board of Education Warehouse, which is being leased by the University for use as a Physical Plant service building, in the combined billing for electrical service in the Medical Center. The cost of this would be \$4,286, and funds are available in the Physical Plant Department budget and Laundry Revolving Fund.

The combined billing will allow an estimated annual savings of \$3,158 in electrical services for these two buildings.

The basic plan for a "Multiple Service and Combined Billing" was authorized by the Board of Trustees on July 25, 1950. Until recently the University could not get combined billing for these two buildings because they are on land which was not contiguous to property on which the original point of entry of Commonwealth Edison service is located. Recently, the Medical Center Commission conveyed to the University several parcels of land which qualifies the two buildings for combined billing.

I concur.

On motion of Mr. Johnston, this agreement was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACTS FOR REMODELING SECOND FLOOR OF 704 SOUTH SIXTH STREET, CHAMPAIGN

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of contracts for remodeling of the second floor of the leased quarters at 704 South Sixth Street, Champaign, formerly used by the Institute of Labor and Industrial Relations, for the relocation of the Physical Plant Department, Architectural Division, Superintendent's Section, and for the Visual Aids Section of the Division of University Extension, to the following contractors with

whom the University has standing, cost-plus contracts for the fiscal year 1962-63 for such work:

C. A. Petry and Sons, Inc., Champaign.....	\$16 750 00
Potter Electric Service, Inc., Urbana.....	9 018 00
David W. Reichard, Urbana.....	2 900 00
Reliable Plumbing and Heating Company, Champaign.....	1 568 26
Thomas Plumbing and Heating Company, Urbana.....	1 700 00
<i>Total</i>	<u>\$31 936 26</u>

An assignment of funds from the University's General Reserve (nonrecurring) is also recommended.

I concur.

On motion of Mr. Hughes, these contracts were authorized, as recommended, and the funds for this purpose were assigned from the University's General Reserve; this action was taken by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACTS FOR ADDITION TO ABBOTT POWER PLANT

(17) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for furnishing and installation of electrical equipment (Division "9-J") and for furnishing and applying thermal insulation (Division "9-K") in the addition to the Abbott Power Plant (Boiler No. 7) now under construction, the award in each case being to the lowest bidder: Furnishing and Installation of Electrical Equipment—

Square Deal Electrical Contracting, Inc., Urbana.....	\$61 924
Furnishing and Applying Thermal Insulation—	
Sprinkmann Sons Corporation of Illinois, Peoria.....	21 492

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, and have been released.

Submitted herewith is a report from the Physical Plant Department on this project, including a summary of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Johnston, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR CAMPUS TREE PLANTING PROGRAM, SECOND PHASE

(18) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$15,030 to Irving L. Peterson, Champaign, the lowest bidder, for the second phase of the campus tree-planting program in accordance with the plan approved by the Board of Trustees on January 11, 1962, for replacement of trees lost due to diseases.

This contract is for planting trees as specified in the following areas: First Street from Stadium Drive to St. Mary's Road, and Fourth Street from Peabody Drive to St. Mary's Road.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, and have been released.

I concur.

On motion of Mr. Wilkins, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR WATER SUPPLY SYSTEM ON THE PELL FARM

(19) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$11,834 to Leonard C. Lust, Hammond, Illinois, the lowest bidder, for installation of a water supply system on the Pell Farm for the Department of Horticulture.

The cost will be paid from the proceeds of the revenue bonds issued for the Orchard Downs housing since land formerly assigned to the Department of Horticulture was taken over for the housing project.

Submitted herewith is a report from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR PLASTERING, PLASTER PATCHING AND REPAIRING, AND ACOUSTICAL WORK

(20) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a cost-plus contract to Harry F. Fisher, Urbana, Illinois, the lowest bidder, for plastering, plaster patching and repairing, and acoustical work during the fiscal year ending June 30, 1963, on the basis of a contractor's fee of 14 per cent of all actual job costs, as determined by itemized billing.

I concur.

On motion of Mr. Swain, this contract was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

ADDITION TO CONTRACT FOR REMODELING THE PROPERTY AT 1112-1114 WEST MAIN STREET, URBANA

(21) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$3,500 in the contract with Shapland Construction Company for additional remodeling in the property to be used for television studios and offices at 1112-1114 West Main Street, Urbana.

The contract was based on the minimum remodeling required to provide adequate quarters. The recommended addition is to replace the existing ceiling with acoustical material and related improvements in the roof structure in the west section.

It is further recommended that an assignment of \$3,500 be made from the General Reserve (nonrecurring) for this additional remodeling.

I concur.

On motion of Mrs. Watkins, this increase in the contract was authorized, and an assignment of \$3,500 was made, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

ADDITION TO CONTRACT FOR CONSTRUCTION OF THE ASSEMBLY HALL

(22) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$6,500 in the contract with Felmley-Dickerson Company for construction of the Assembly Hall for installation of a removable acoustical shell for the overhead grid system.

Funds are available from the proceeds of the sale of revenue bonds to finance the construction of the Assembly Hall.

I concur.

On motion of Mr. Swain, this change in contract was authorized.

EMPLOYMENT OF ENGINEERS FOR PARKING FACILITIES

(23) Construction of the Illinois Street Residence Halls will remove approximately 310 temporary parking spaces, primarily used by occupants of the Graduate Student Residence Halls and Student-Staff Apartments on Green Street and Goodwin Avenue, Urbana. The lots are also available to other members of the staff and to University visitors.

To replace this parking (currently used to near capacity), a program has been developed to improve various University properties in the vicinity, converting the land areas into temporary parking lots similar to those being discontinued.

Due to the present load of work in the University Architect's Office, it was recommended that the firm of Clark, Daily, Dietz, and Associates, Urbana, be employed to prepare topographic surveys and maps of the properties, grading plans, and plans and specifications for demolition of present improvements and construction of parking spaces. Emergency action authorizing these engineering services was requested to secure plans for construction work so that some 250 parking spaces will be available shortly after the use of the present lots is discontinued.

The Director of the Physical Plant and the Vice-President and Comptroller request confirmation of the employment of Clark, Daily, Dietz, and Associates, Urbana, for these services on the basis of actual payroll costs plus 100 per cent for overhead and commission, and reimbursement for out-of-pocket expenses incurred by the firm. Payroll costs are defined to include all payments made to or on behalf of employees directly engaged in the work, including social security, workmen's compensation, unemployment taxes, and employee insurance. The cost to the University will not exceed \$3,500.

Funds are available in the Physical Plant Department budget.

I concur.

On motion of Mr. Johnston, this action was confirmed.

**EMPLOYMENT OF ARCHITECT FOR DIXON SPRINGS
SUPERINTENDENT'S HOUSE**

(24) The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of Thomas A. Graman, Architect and Engineer, Metropolis, Illinois, for architectural services, including the preparation of plans and specifications and supervision of construction, for a new house for the Superintendent of the Dixon Springs Experiment Station at a fee of 6½ per cent of construction costs.

I concur.

Mr. Hughes moved approval of the recommendation.

Mr. Pogue questioned the necessity of employing an architect, suggesting that plans for this type of house can be secured from lumber dealers at a nominal cost, or that the Physical Plant Department could design the house. Director Havens stated that the services of an architect would include supervision of construction and that assigning a staff member from the Physical Plant Department for such supervision might involve greater cost than to have the supervision performed by an architect and engineer in the Dixon Springs area.

Mr. Johnston moved that the Physical Plant Department be authorized to employ the architect and engineer recommended, or to develop the design and plans itself and provide the supervision of construction by a member of its staff, or to use stock plans available from lumber dealers—whichever method is found to be the most feasible and economical and permits taking of competitive bids as required by law.

This substitute motion was accepted by Mr. Hughes and was adopted without dissent.

EMPLOYMENT OF ENGINEERS FOR CONCRETE TESTING SERVICES AT CONGRESS CIRCLE

(25) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of the employment of Walter H. Flood and Company, Chicago, for concrete design, testing, and inspection work for all fifteen buildings included in the first phase of construction of the Congress Circle Campus.

This work is fundamental in obtaining a unified architectural effect, since thirteen of these building will have exposed concrete structural frames with varying finishes.

A firm quotation on the total cost of the work is not feasible since the exact number of tests, visits, and so forth can not be determined in advance. However, proposals were received from four firms which have had extensive experience in the concrete testing field, particularly in the execution of large and complicated projects. Based on the unit prices quoted and the architects' estimate of the number of units in each category, the proposal of Walter H. Flood and Company will result in the lowest cost, based on the following unit charges:

Test Cylinders	\$ 3 20 per test
Batch Plant Inspection.....	12 00 per visit
Cement Tests	25 00 per test
Aggregate Tests	40 00 per test
Radiographic Tests	10 00 per test
Welding Inspection	6 00 per test
Design Mix	25 00 per design
Rebar Test	3 00 per test
Engineering Service	10 00 per hour

It is anticipated that the total cost of the work for all buildings will be approximately \$59,200.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, and have been released.

Submitted herewith is a supporting memorandum from the Physical Plant Department on this service, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, authority was given as requested by voice vote. Mr. Dilliard was recorded as not voting.

CONTRACT FOR CAMPUS DEVELOPMENT CONSULTING SERVICES

(26) The present contract with the firm of Sasaki, Walker, and Associates, Watertown, Massachusetts, for consulting services in the area of long-range campus and landscape development expired June 30, 1962. The Director of the Physical Plant and the Vice-President and Comptroller recommend renewal of the employment of this firm for consulting services until June 30, 1963 to:

Review landscape and site design work on specific projects included in the University's building program for which funds are available in various project budgets. Estimated cost.....\$9 000

Advise and make recommendations on long-range campus planting plans and general campus, landscape, and grounds improvements for which funds are available in the Service-Campus Planning and Development account in the Physical Plant budget. Estimated cost..... 2 000

I concur.

On motion of Mr. Williamson, this recommendation was approved.

ADDITION TO CONTRACT FOR ARCHITECTURAL AND ENGINEERING SERVICES FOR ORCHARD DOWNS ADDITION

(27) The Board of Trustees authorized the employment of Lundeen and Hilfinger, Bloomington, as architects for the Orchard Downs Addition. The fee for the site work is $5\frac{1}{4}$ per cent of the construction costs. On the first Orchard Downs construction, the engineering work on design and layout of streets, sewers, and utilities was done for the architects by a firm of consulting engineers at the basic minimum fee schedule of the Illinois Society of Professional Engineers, and the University paid the additional costs. This arrangement was intended in the contract for the

addition to Orchard Downs, but through oversight was not included in the terms recommended to the Board.

The Director of the Physical Plant and the Vice-President and Comptroller recommend a change in the contract to provide for the basic minimum fee payments for that part of the site work done by the consulting engineers. Based upon bids which have been received, the additional cost is \$3,474.25. Funds are available in the proceeds of the revenue bond issue to finance construction of the Orchard Downs housing project.

I concur.

On motion of Mrs. Watkins, this change in contract was authorized.

PAYMENT FOR ARCHITECTURAL SERVICES

(28) The Board of Trustees on September 21, 1960, authorized the employment of Richardson, Severns, Scheeler, and Associates, Champaign, and L. Lattin Smith and Associates (formerly Mielke and Smith), Chicago, for architectural services on the third phase of the residence halls for graduate students, at a fee not to exceed 6 per cent of the construction contracts, less previous payments to Richardson, Severns, Scheeler, and Associates for preliminary work.

When this employment was authorized, the building for the third phase of the residence halls for graduate students was to be constructed at the southwest corner of Sixth and Chalmers Streets, Champaign; subsequently approval was given to changing to the site at the northwest corner of Fifth and Chalmers Streets. Prior to this site change, Richardson, Severns, Scheeler, and Associates had made preliminary studies and designs for the original location at a total cost of \$3,953.

The studies and design work for the original site will ultimately be used when construction proceeds on that site and the contract with the architects will be adjusted to allow credit for such work. In the meantime, payments made for this work should not be deducted from the fee paid the firm for the project to be located on the Fifth Street site, and it is requested that payment to the architects be on the basis of the rates authorized by the Board without deduction for the payments made for work on the site at Sixth and Chalmers Streets.

The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of this change in the contract.

I concur.

On motion of Mr. Johnston, this change in contract was authorized.

PURCHASES

Purchases Authorized

(29) The following purchases were authorized by the President's Office on the recommendation of the Director of Purchases and the Vice-President and Comptroller. Unless otherwise specified, the purchase in each case was recommended on the basis of the lowest acceptable bid.

NONACADEMIC

1. *Effective Date of Prevailing Rate Changes*

Wage rates established in accordance with the University policy of paying prevailing rates will become effective: (1) on the date they are put into effect locally, or (2) on the first day of the month following the date official notice in writing from the Union involved that a specific rate will be in effect or is in effect locally is received by the University's Labor Relations Officer in the Office of Nonacademic Personnel—whichever is later. (Section III, paragraph 1, page 5, of the University Policy and Rules Relating to Compensation and Working Conditions of Nonacademic Employees must be corrected.)

2. *Negotiated Agreements*

Rates established by negotiated agreements may become effective not earlier than the first day of the month following the date on which all parties involved have indicated their willingness to accept the rates or rate schedules which become a part of the agreement.

3. *Departmental Recommendations for Nonacademic Salary or Wage Amounts Determined by Other Than Prevailing Rate or Negotiated Group Agreements*

Such salary or wage amounts may become effective not earlier than the first day of the payroll period next following the date on which they are approved by the Office of Nonacademic Personnel.

ACADEMIC

Recommendations for adjustments in academic salary rates will be effective at the beginning of the first payroll period following the date of approval by the University.

President Henry stated that he concurs in the recommended changes.

On motion of Mr. Swain, these changes in policies and procedures were approved.

ILLINOIS CITIZENS EDUCATION COMMITTEE

Mrs. Watkins reported on a conference on the Junior College Development in Illinois held in Springfield, on August 28, 1962, which she attended as a representative of the Board of Trustees. The conference was organized by the Continuing Education Committee of the Illinois Citizens Education Committee. She distributed copies of the proceedings of the conference.

NOVEMBER MEETING

President Henry stated that the University's capital budget and building program for 1963-65 will not be ready for official action thereon by the Board of Trustees at the October meeting of the Board. State law requires filing budget estimates no later than November 15. Since the regular November meeting of the Board is presently scheduled for November 21, consideration should be given to a special meeting of the Board prior to November 15, or changing the date of the regular meeting.

President Henry also stated that plans are now being made for a ceremony in November dedicating the Radio and Telescope constructed by the University near Danville, Illinois, with funds provided by the United States Navy through its Office of Naval Research. The participation of members of the Board of Trustees and other University officials is desired.

Officers of the Danville Chamber of Commerce wish to assist in sponsoring the dedication with a public luncheon and program with the Chamber as host to the Trustees and other participants in the ceremony by way of expressing the appreciation of the Danville community for the installation of the Radio Telescope in that area.

On motion of Mr. Williamson, the Board voted to change the date of the November meeting from November 21 to November 9, to be held in Danville, Illinois, at a place and according to a schedule to be determined by the President and Secretary of the Board.

Mr. Clement presented the following resolution:

GREETING TO MR. ROBERT ALLERTON

Eighteen years ago this month, Mr. Robert Allerton offered to deed to the University his estate "The Farms" for educational and research purposes to be used as a forest, wildlife, and plant life preserve, as an example of landscape architecture, and as a public park. The offer was accepted by the Board of Trustees and the gift was formalized two years later by two indentures between Mr. Allerton and the Board of Trustees, one conveying to the University the "Woodland Property" including the homestead in which we are now meeting, and the approximately 1,685 acres of surrounding forest and garden land which is "The Robert Allerton Park," a public park, including a deed of 4,500 acres of farm land in Piatt County as an endowment for the maintenance and operation of the Park; and the other indenture conveying to the University land for use as a 4-H Club camp for 4-H Club activities.

Through the years, the Park has served the public. Allerton House, after extensive remodeling to adapt it for institutional use, has been an off-campus University extension center for short courses, seminars, other educational programs, and for meetings which are in areas of University service to the state outside of classrooms and laboratories on the campuses.

Mr. Allerton created this beautiful estate and built this mansion at the turn of the century. This house was his home for more than forty years, although he traveled extensively and lived elsewhere part of each year. When he decided that he wanted to live permanently in Hawaii, where he built another famous garden estate, he very generously gave "The Farms" to the University; and in

order that the "Woodland Property"—Robert Allerton Park, so named by the Board—would be operated at no expense to the public, he endowed it with farm lands, the income from which is used for the operation and maintenance of the Park and to some extent the House.

It is very fitting that on the occasion of today's meeting of the Board of Trustees at Allerton House, the Board again record its deep appreciation on behalf of the University of Illinois and the people of the state for what Mr. Robert Allerton and his adopted son, Mr. John Gregg, have done for them and that this resolution be sent to Mr. Allerton as a greeting from the Board of Trustees.

The resolution was unanimously adopted.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: appointments made by the President; graduate fellows; resignations, declinations, and terminations; leaves of absence; retirement.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

- ADES, HARLOW W., Consultant in Electrical Engineering (S), one year from September 1, 1962, \$3,000 (8-21-62).
- ADKINS, RICHARD W., Assistant in Mechanical Engineering (C), nine months from September 16, 1962, \$5,700 (7-3-62).
- ADUSS, HOWARD, Research Associate in Dental Administration (Dentistry), $\frac{3}{4}$ time, one year from September 1, 1962, \$4,800 (7-30-62).
- ALDERSON, C. ROLAND, Administrative Assistant in the College of Commerce and Business Administration, one year from September 1, 1962, \$9,000 (8-1-62).
- ALEXANDER, RICHARD W., Assistant in English, nine months from September 16, 1962, \$4,000 (8-8-62).
- ALFELD, WILLIAM W., Instructor in Journalism, academic year beginning September 1, 1962, \$6,400 (7-9-62).
- ALLEN, ALFRED W., Professor of Ceramic Engineering (C), one month from July 16, 1962, \$1,333; this is in addition to his present appointment (7-9-62).
- ALLHANDS, JESSIE, Instructor in Mathematics, academic year beginning September 1, 1962, \$5,400 (8-29-62).
- AMON, ALBERT H., Assistant Professor of Psychology, Digital Computer Laboratory and Department of Psychology, academic year beginning September 1, 1962, \$6,500 (7-3-62).
- ANDERSEN, SAYRE D., Assistant in English, nine months from September 16, 1962, \$4,200, supersedes (8-8-62).
- ANDERSON, EDNA L., Assistant Professor of Nursing and Administrative Assistant to the Dean of the College of Nursing, two years from September 1, 1962, \$10,300 a year, supersedes (7-30-62).
- ANDERSON, MRS. MARY P., Research Assistant in Chemistry, one year from September 1, 1962, \$6,000 (8-29-62).
- ANDERSON, WILLIAM L., Project Assistant in the State Natural History Survey, two months from July 1, 1962, \$490 a month, supersedes (7-9-62).
- ANDREWS, ROLLIN D., III, Project Assistant in Aquatic Biology, and in the Illinois Natural History Survey, two months from July 1, 1962, \$430 a month, supersedes (8-14-62); and on full time, September 1-15, 1962, and June 1-August 31, 1963, \$5,160 a year, and on $\frac{1}{2}$ time, September 16, 1962-May 31, 1963, \$2,580 a year, supersedes (8-14-62).
- ANTENEN, WAYNE W., Research Associate in Education, to render service during the first semester of the academic year, September 1, 1962-February 28, 1963, \$5,400 a year (8-1-62).
- ANZALONE, CHARLENE, Instructor in Physical Education for Women (Chicago Undergraduate Division), academic year beginning September 1, 1962, \$5,500 (8-3-62).
- ARNOLD, MARJORIE L., Research Associate in Chemistry, one year from September 1, 1962, \$6,500 (8-8-62).
- ATLAS, AMOS, Research Associate in Theoretical and Applied Mechanics (C), $\frac{1}{2}$ time, academic year beginning September 1, 1962, \$2,700, supersedes (8-21-62).

- AXEL, PETER, Professor of Physics (C), August 1-15, 1962, \$616.66; this is in addition to his present appointment (8-14-62).
- BABCOCK, MURRAY L., Research Assistant Professor of Electrical Engineering (S), one year from September 1, 1962, \$9,200, supersedes (8-29-62).
- BADER, ROBERT S., Associate Professor of Zoology, June 16-August 31, 1962, \$2,417; this is in addition to his present appointment (7-9-62).
- BAIN, ROBERT A., Assistant in English, nine months from September 16, 1962, \$4,200, supersedes (8-8-62).
- BAIRD, JACK R., Research Assistant in Electrical Engineering (S), one year from September 1, 1962, \$6,000, supersedes (8-14-62).
- BAKER, ROBERT A., Research Associate in Music, nine months from September 16, 1962, \$5,200 (7-3-62).
- BALDWIN, JOHN E., Instructor in Organic Chemistry, academic year beginning September 1, 1962, \$6,500 (7-3-62).
- BARKER, MARVIN W., Research Associate in Chemistry, one year from September 1, 1962, \$5,850 (7-30-62).
- BARKER, TWILEY W., JR., Associate Professor of Political Science (Chicago Undergraduate Division), indefinite tenure from September 1, 1962, to render service during each academic year, \$9,000 a year (7-9-62).
- BARLOW, GEORGE W., Assistant Professor of Zoology, June 16-August 31, 1962, \$1,945; this is in addition to his present appointment (7-9-62).
- BARTHA, TAMAS I., Instructor in Mathematics (Chicago Undergraduate Division), academic year beginning September 1, 1962, \$5,000 (7-9-62).
- BARTKY, SANDRA S., Instructor in Philosophy (Chicago Undergraduate Division), $\frac{1}{2}$ time, ten months from September 1, 1962, \$2,700 (7-30-62).
- BARTON, FURMAN W., Assistant Professor of Civil Engineering (C and S), academic year beginning September 1, 1962, \$7,600, supersedes (8-16-62).
- BARTRAM, HARLAN G. H., Assistant Professor of Mathematics, academic year beginning September 1, 1962, \$8,500 (8-6-62).
- BATEMAN, BARBARA D., Research Associate in the Institute for Research on Exceptional Children, July 1, 1962-August 31, 1963, \$8,000 a year (7-16-62).
- BATEMAN, FELICE D., Assistant Professor of Mathematics, $\frac{1}{2}$ time, academic year beginning September 1, 1962, \$4,000 (8-29-62).
- BAUMAN, STEVEN, Research Assistant in Mathematics, $\frac{1}{2}$ time, June 16-July 1, 1962, and July 15-August 31, 1962, \$222.22 a month, and on full time from July 1-15, 1962, \$444.44 a month (7-16-62).

EXECUTIVE SESSION

On motion of Mr. Dilliard, an executive session was ordered for consideration of the following reports and recommendations on land acquisitions and other business relating thereto.

**PURCHASE OF PROPERTY AT 406 EAST CHALMERS STREET,
CHAMPAIGN**

(1) The Director of the Physical Plant and the Vice-President and Comptroller recommend purchase of the property at 406 East Chalmers Street, Champaign, Illinois, at a price of \$27,000.

The property consists of a lot 51.5 feet by 116.24 feet and is improved with a three-story and basement rooming house and garage. The improvements will eventually be removed and the property will be part of the site for construction of the next residence hall for single graduate students, scheduled to begin in the fall of 1963.

The sale price is within the appraisals and has been reviewed with the Buildings and Grounds Committee.

Possession will not be later than September 1, 1963, and taxes will be prorated.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, and have been released.

I concur.

On motion of Mr. Swain, the purchase of this property was approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

PURCHASE OF PROPERTIES

(2) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the following properties at the prices and on the terms indicated in each case:

204 North Romine Street, Urbana.....\$16 000

The property consists of a lot 52 feet on Romine Street and 82 feet deep and is improved with a two-story and basement frame dwelling. The dwelling will eventually be removed and the land will be part of an area for a new Civil Engineering Building. Possession will be delivered not later than October 1, 1962, and taxes will be prorated.

The sale price is within the appraisals received by the University.

1105 West Illinois Street, Urbana..... 35 000

The property consists of a lot 65 feet on Illinois Street by 150 feet deep and has a two-story and basement frame residence and a remodeled garage used as apartments.

107 South Gregory Street, Urbana..... 28 000

The property consists of a lot 60.10 feet on Gregory Street by 143.88 feet deep and is improved with a two-story frame residence and garage.

109 South Gregory Street, Urbana..... 24 250

The property consists of a lot 60.10 feet on Gregory Street by 143.88 feet deep and is improved with a two-story and basement frame dwelling.

The improvements on the above three properties will be removed and the land will be used to replace parking facilities which will be discontinued when construction of the Illinois Street Residence Halls is started. Possession will be delivered not later than October 5, 1962, and taxes will be prorated.

While the sale prices of these three properties are in excess of appraisals secured by the University, it is believed that they can not be reduced through further negotiations. However, because of the cost of condemnation proceedings, the loss of time in litigating such cases and the uncertainty as to decisions which might be reached, it has been concluded that such procedure would not be warranted in acquiring these properties.

Funds for the purchase of the properties at 107 and 109 South Gregory Street, Urbana, are available from the proceeds of sale of Housing Revenue Bonds or from Housing Division Reserves. Funds for the purchase of the properties at 1105 West Illinois Street and 204 North Romine Street are available in the state appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

Actions on the foregoing recommendations were taken separately as to the property at 204 North Romine Street, Urbana, and the three properties on West Illinois Street and South Gregory.

On motion of Mr. Pogue, purchase of the property at 204 North Romine Street, Urbana, at a price of \$16,000 was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

On motion of Mr. Pogue, purchase of the properties at 1105 West Illinois Street, Urbana, 107 and 109 South Gregory Street, Urbana, at the prices indicated was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONSTRUCTION OF PARKING LOTS IN THE VICINITY OF THE ILLINOIS STREET RESIDENCE HALLS

(3) With construction of the Illinois Street Residence Halls in the area between Illinois Street, Lincoln Avenue, Green Street, and Goodwin Avenue, Urbana, automobile parking facilities in that general area now providing approximately 310 spaces, designated as temporary, will be discontinued. These spaces are primarily used by residents of the Single Graduate Student Residence Halls on Green Street and of the Student-Staff Apartments on Green Street and Goodwin Avenue, with some use by academic staff and University visitors.

As the result of studies made, the following replacement program is recommended:

	<i>Number of Spaces</i>
1. Improve lots at 107 and 109 South Gregory Street and at 907 West Green Street for rental at a rate of \$5.00 per month to occupants of the Graduate Student Residence Halls (56 and 46 spaces, respectively).....	102
2. Retain in the existing lot approximately 140 spaces and rent these spaces at a rate of \$5.00 per month to occupants of the Student-Staff Apartments....	(140)
3. Improve for rental at a rate of \$5.00 per month to occupants of the Student-Staff Apartments, until the start of construction of the Faculty Club, the present property at 1110 West Illinois Street (25 spaces).....	25
4. Improve and install parking meters on two lots at 1109 and 1111 West Illinois Street (capacity, 62 spaces) for rental at a rate comparable to charges in municipal parking lots to academic staff, and if these spaces are not fully occupied, open them to visitors.....	62
5. Improve the two lots at 1103 and 1105 West Illinois Street for academic staff use on a free basis, and retain approximately 62 spaces in existing permanent lots in the immediate area for rent to academic staff at the annual rental rate of \$60.00 per year.....	62
<i>Total</i>	251

The above program will leave a net loss of sixty parking spaces.

It is estimated that the total cost of improvements to provide these parking facilities will be approximately \$41,000.

Funds are available for the construction from the proceeds of sale of Housing Revenue Bonds or from Housing Division Reserves. Income from the parking meters and rentals will be used to retire the cost of capital improvements to remove existing houses, garages, etc., and construction.

Bids for the recommended improvements will be received on October 3, 1962, and in order to complete the work prior to the time construction starts on the Illinois Street Residence Halls, it is necessary to start construction of the new parking areas as soon as possible thereafter.

Accordingly, it is requested that the Executive Committee of the Board meet as soon as feasible after opening the bids to act on recommendations for awards

of these contracts. (Subsequently, it was agreed by all members of the Executive Committee that October 5 would be a convenient date for this meeting.)

I concur in the foregoing recommendations.

On motion of Mr. Swain, these recommendations were approved, and the Physical Plant Department was authorized to proceed with the implementation of this program of improvements.

The Board reconvened in public session. There being no further business, a recess was taken for luncheon and an informal speaking program.

POST LUNCHEON SPEAKERS

Dean Stanley C. Robinson of the Division of University Extension addressed the Board on the operations of Allerton House and the programs of the Division which are carried on there.

Mr. Walter M. Keith, Professor of Landscape Architecture and Director of Allerton Park, reported on the operation of the Park.

Professor Donald G. Smith of the Department of Agricultural Economics also addressed the Board, reporting on the operations of the Allerton Farms, which are under the management of the Department and under his immediate supervision, and the income from which is used for the maintenance of Robert Allerton Park.

Dean Robinson introduced other members of the staff of the Division of University Extension and of Allerton House: Professor Norman W. Johnston, Director of Allerton House, Eugene H. Schroth, Assistant Director of Allerton House, and Mr. Hugh Davison, Extension Specialist in Charge of Short Courses and Conferences.

MEETINGS OF BOARD COMMITTEES

Meetings of the Committees on General Policy and on Buildings and Grounds were held beginning at 1:30 p.m., following adjournment of the Board.

On motion of Mr. Pogue, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

October 17, 1962

The October meeting of The Board of Trustees of the University of Illinois was held in the LaSalle Hotel, Chicago, Illinois, October 17, 1962, beginning at 10:30 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Governor Otto Kerner and Mr. George T. Wilkins were absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Professor Norman A. Parker, Vice-President, Chicago Undergraduate Division, Dr. Joseph S. Begando, Vice-President, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. C. Caveny, Assistant to the President, Chicago Office, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel; and the officers of the Board, Mr. C. W. Weldon, Treasurer, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.

REPORT OF THE EXECUTIVE COMMITTEE

The Secretary submitted a report of the Executive Committee of its actions at a duly called meeting held on October 5, 1962.

MEETING OF THE EXECUTIVE COMMITTEE

On call of the Chairman, a meeting of the Executive Committee of the Board of Trustees of the University of Illinois was held in the Illini Center, LaSalle Hotel, Chicago, Illinois, on Friday, October 5, 1962, beginning at 2:00 p.m.

The following members of the Committee were present: Mr. Howard W. Clement, Chairman, Mr. Wayne A. Johnston, Mrs. Frances B. Watkins. Also present were Mr. Timothy W. Swain, Member of the Board, Comptroller H. O. Farber, Director C. S. Havens of the Physical Plant, Mr. James J. Costello, Legal Counsel, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, and Mr. A. J. Janata, Secretary of the Board.

The Committee considered the following reports and recommendations submitted on behalf of the President of the University, and took the actions indicated.

CONTRACTS FOR CONSTRUCTION OF PARKING FACILITIES

(1) The Board of Trustees has approved a program for the construction of automobile parking facilities on properties either now owned by the University, or which the University is acquiring, in the vicinity of the Graduate Student Residence Halls on Green Street, and the Student-Staff Apartments on Green Street and Goodwin Avenue in Urbana, to replace parking facilities on the site of the Illinois Street Residence Halls.

Bids on the construction of the new parking facilities, according to the program approved by the Board, including demolition of structures on ten properties, were received on October 3. Submitted herewith is a report from the Physical Plant Department on the bidding, and a copy is being filed with the Secretary of the Board for record.

As reported to the Board, funds are available in Housing Division reserves which will be advanced to finance this project, and will be repaid from the income from the rentals of parking spaces.

It is therefore recommended that a contract be awarded to the Champaign Asphalt Company, Champaign, in accordance with its total firm lump sum price of \$48,972.45, with the right reserved to delete any division to which the University is not given possession within the required time, or is not vested with title satisfactory to the University Legal Counsel.

On motion of Mr. Johnston, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

LITIGATION INSTITUTED BY DONALD VREULS

(2) The University has recently been named as an additional defendant in a suit originally filed against the city of Champaign in the Circuit Court of Champaign County (No. 61 L 347) by Donald Vreuls and his wife. The complaint alleges that Mr. Vreuls sustained injuries on May 30, 1961, during the progress of a water fight between numerous students of the University of Illinois and seeks recovery therefor from both the City and the University. The Legal Counsel states that in his opinion the University should resist the claim and the jurisdiction of the Circuit Court over the University in this proceeding. He requests that the Board of Trustees authorize him to take appropriate action to oppose and defend the claim in all respects, and to employ such special legal counsel as he may deem necessary or desirable to assist him in connection therewith.

The President of the University concurs.

On motion of Mrs. Watkins, authority was given as requested.

PURCHASES

(3) The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

The President of the University concurs.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

During this presentation, Mr. Ajit Prasad Jain, Member of Parliament of India and Chairman of the Board of Management of the Uttar Pradesh Agricultural University in India, who is an official guest of the University of Illinois this week, was introduced and invited to stay for the Board meeting. He was accompanied by Dr. Royden Dangerfield, Dean of Administration and Director of International Programs at the University.

BIENNIAL OPERATING BUDGET FOR 1963-65

(1) The estimates of state appropriations required for operations for the University during the biennium of 1963-65 are submitted herewith. These budget estimates have been prepared by the Executive Vice-President and Provost in consultation with the University's budget Committee¹ of which he is Chairman, and with the deans, directors, and other administrative officers. The estimates prepared by the colleges and institutes and other departments of the University have been carefully studied, revised, and in most cases substantially reduced. The University Council has also been consulted.

I recommend that these budget estimates be approved for filing with the State Department of Finance and for presentation to the state administration and all other state agencies involved in budget procedures.

President Henry then discussed the recommendations in the several categories of the budget estimates. Supporting statements were made by Executive Vice-President and Provost Lanier and Vice-President and Comptroller Farber.

Mr. Williamson reported that the Finance Committee and several of the other Trustees in a special work session had previously studied the budget recommendations in consultation with the President and other University officials and that the Committee was prepared to support the recommendations as submitted.

Following the presentations by the President and other University officials, and further discussion, on motion of Mr. Williamson the following budget was approved, and the President of the University was authorized to file it with the State Department of Finance and for presentation to the state administration and all other state agencies involved in budget procedures; and the President of the Board, the Chairman of the Finance Committee, and the President of the University were authorized to represent the Board in conferences with state officials concerning the budget.

This action was taken by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

BIENNIAL BUDGET FOR OPERATIONS. 1963-65

Present Budget

The biennial budget of the University of Illinois includes only those funds that are appropriated by the General Assembly. These legislative appropriations are called "General Funds," and for the current biennium they will account for approximately 62 per cent of the University's expenditures for all purposes. The following is a breakdown of the 1961-63 biennial budget, showing the two sources of General Funds and their allocation over the two years of the biennium:

<i>Source of Funds</i>	<i>1961-62</i>	<i>1962-63</i>	<i>1961-63 Total</i>
General Revenue (Tax) Fund.....	\$63 500 000	\$66 200 000	\$129 700 000
University Income Fund.....	7 528 000	7 528 000	15 056 000
<i>Total</i>	<i>\$71 028 000</i>	<i>\$73 728 000</i>	<i>\$144 756 000¹</i>

In addition to these General Funds, the University receives financial support in the form of gifts, grants, and contracts from many outside sources, including the federal government, private foundations, industry, and individual donors. Furthermore, the University operates various auxiliary enterprises that are largely self-supporting, such as residence halls, the union building, and bookstores. The income from these various sources represents about 38 per cent of the funds expended annually by the University. Since the use of such funds is limited to designated purposes, they are called "Restricted Funds" and do not require appropriation by the General Assembly.

The following table presents a comparison of expenditures of the two types of funds, for the two fiscal years of the present biennium:

	<i>1961-62</i>	<i>Per</i>	<i>1962-63</i>	<i>Per</i>
	<i>Amount</i>	<i>cent</i>	<i>Amount</i>	<i>cent</i>
General Funds.....	\$ 71 028 000	63	\$ 73 728 000	62
Restricted Funds.....	42 063 231	37	44 989 410	38
<i>Total</i>	<i>\$113 091 231</i>	<i>100</i>	<i>\$118 717 410</i>	<i>100</i>

From the two foregoing tables it can be seen that *state-tax funds* account for only about 56 per cent (\$66,200,000) of the total of expenditures anticipated by the University in 1962-63. University income provides an additional 6 per cent (\$7,528,000), to bring the appropriation of General Funds to 62 per cent (\$73,728,000) of the over-all total.

Based upon figures for 1961-62, annual expenditures for the main types of University operations are approximately as follows, in terms of percentages:

- 39 per cent for instruction (mostly General Funds)
- 29 per cent for research (mainly Restricted Funds)
- 11 per cent for extension and public service, exclusive of Research and Educational Hospitals (about equally divided between General and Restricted Funds)
- 8 per cent for Research and Educational Hospitals (mainly General Funds)
- 13 per cent for self-supporting auxiliary enterprises and student aid (Restricted Funds)

These percentages reflect both the direct and the indirect costs of the indicated functions. That is to say, the expenses of administration, retirement benefits, library, and physical plant have been allocated to the several classes of operations, approximately in proportion to their respective direct costs.

The average cost of *undergraduate* instruction in 1961-62 was \$1,162 per student for the Urbana-Champaign campus and \$1,068 for the Chicago Undergraduate Division (two-year program only). The unit costs of graduate and professional education are considerably higher, but these students constitute less than 25 per cent of the total enrollment. It is estimated that the average over-all

¹ All figures in this statement include funds for the Police Training Institute, for which a separate appropriation was received in 1961-63. Since the budget for the Institute will be included in the University's regular operating appropriation for 1963-65, the Institute's budget for 1961-63 has been consolidated here with that of the University in order to facilitate comparisons of the two sets of biennial figures.

cost per student for *all types* of on-campus instruction in 1961-62 was slightly more than \$1,400.

Special attention is called to the fact that the Research and Educational Hospitals in Chicago require about 8 per cent of the University's income for operations. Only an eighth of these costs is offset by fees collected from patients—a situation quite different from that in certain other major universities whose hospitals are entirely self-supporting. A similar item is the provision of funds for the Division of Services for Crippled Children—\$1,778,180 for 1962-63—within the University's regular budget for operations. It is important to recognize these components of the University's budget, since the latter is sometimes compared with those of other institutions, without knowledge or recognition of the differences due to the inclusion of heavy items for public-service activities in its legislative appropriations.

Preparation of the Biennial Budget Requests for 1963-65

The biennial budget requested for 1963-65 is based upon recommendations made by the University Budget Committee, an all-University committee appointed by the President. The Executive Vice-President and Provost serves as chairman and the other members include the Vice-President and Comptroller, the Vice-President for the University of Illinois at the Medical Center, the Vice-President for the Chicago Undergraduate Division, the Dean of the Graduate College, the chairmen of the budget committees of the Senates on the three campuses, and three members-at-large.

The preparation of the biennial budget covered a period of approximately six months, beginning in the spring of 1962. The work began with a general request from the Chairman of the University Budget Committee addressed to deans, directors, and general administrative officers concerning the general conditions to be faced by the University during the biennium 1963-65. Estimates of enrollment were provided to all instructional departments and administrative officers, together with information concerning existing instructional loads and trends since 1954. All departments and divisions were requested to submit estimates of funds needed to handle increased enrollment, to meet the costs of operating new buildings, to overcome deficiencies in staff and expense budgets for current levels of operation, and to provide funds for essential improvements in academic programs.

The analysis of needs and the development of budget estimates for 1963-65 presented unusual difficulties and uncertainties. Principally, these related to the expected opening of the new campus at Congress Circle in September, 1964—an opening date that has been assumed in the preparation of the 1963-65 budget request. One set of problems concerned the estimation of the dates of completion of the new buildings and of the time required to get them into condition for occupancy by the scheduled opening date. More difficult, however, was the prediction of enrollment at the new campus where students in the Chicago Undergraduate Division will be able for the first time to complete their work for baccalaureate degrees. There was also the related uncertainty as to what concurrent changes in enrollment might occur at the Urbana-Champaign campus, since no definitive basis existed for estimates of how the Urbana-Champaign enrollment would be affected by the opening of the new campus. Enrollment predictions were nevertheless made by the Bureau of Institutional Research, and the figures adjusted by the Budget Committee in the light of departmental estimates and of the availability of office, laboratory, and classroom space. The latter was calculated by the Central Office on the Use of Space and the Space Planning Office of the Physical Plant Department. It was assumed that the new campus at Congress Circle would have adequate facilities for the expected enrollment if construction could be completed by September, 1964.

The Budget Committee gave careful attention to various proposals for salary increases, and attempted to estimate the extent of salary improvement that would be necessary to maintain the position of the University of Illinois among comparable universities in the United States. The increasing competition from other universities and that from industry in certain fields were important considerations in this study.

When the University Budget Committee had completed its budget recommendations, they were submitted to the President of the University. After review by the President, the proposed biennial budget was presented for ap-

praisal to the University Council, consisting of the deans and directors of all administrative units. In the light of the Council's advice, the President submitted his recommendations to the Board of Trustees for action.

Summary of Biennial Budget Requests for 1963-65

Including increases required by law and those required to maintain the present level of expenditure, the requests for additional funds submitted by the deans and directors, plus the increases for salary adjustments recommended by the Budget Committee, totaled \$40,286,808 for the biennium. This figure is slightly lower than the over-all increase requested for 1961-63 (\$41,144,325). Considering that less than 50 per cent of the latter amount was finally appropriated for 1961-63, and the fact that an extraordinary increase will be required for the Congress Circle campus in 1964-65, the total of increases requested by the deans and directors for the biennium 1963-65 is a relatively moderate one.

Nevertheless, in the effort to hold the 1963-65 budget to a level required to meet urgent needs, the biennial increase finally proposed to the General Assembly is some 20 per cent below the figure representing the original college and departmental requests. As shown in Schedule A (below), an increase of \$31,044,000 above the appropriations for 1961-63 (an average of \$15,522,000 per year) is requested by the University for the biennium of 1963-65. This represents an increase of 21 per cent over the amount appropriated for the current biennium. The total is \$175,800,000 in General Funds for 1963-65, \$15,500,000 of which would come from University income and the remainder of \$160,300,000 from the tax revenues of the state.

Special attention is called to the sharp increase in operating costs for the second year of the biennium (1964-65), mainly due to the opening of the new campus at Congress Circle. The increases for the latter are shown separately in Schedule A, and it can be seen that it will be necessary to add \$3,590,000 in 1964-65 for that purpose alone. In addition, the sum of \$3,000,000 is requested for further salary adjustments for the staff on all three campuses in 1964-65, and \$360,000 additional for the operation of new buildings completed at Urbana-Champaign for use in 1964-65. Thus the requested biennial budget of \$175,800,000 would be divided between the two years of the biennium as follows: \$84,425,000 for 1963-64; \$91,375,000 for 1964-65. It is important for future planning to record that the difference of \$6,950,000 would have to be added to the total appropriated for the biennium 1965-67 in order to continue in that biennium the level of operations reached during the second year of the biennium 1963-65.

In the following pages, detailed explanations are given for the increases requested under each of the major sections in Schedule A (below). Later sections present analyses of the funds requested in accordance with the object classifications required under the State Finance Act, including the special breakdowns required by action of the Seventy-second General Assembly.

Schedule A. Increases Requested in the 1963-65 Biennial Budget

(All amounts are for two years except as noted.)

	<i>Recommended Increases</i>
I. Contributions to University Retirement System.....	\$ 742 900
II. To Continue for a Full Biennium Funds Required for One Year Only in the 1961-63 Biennium.....	2 700 000
III. Salary Adjustments for All Staff:	
A. 1963-64 (for two years).....	9 000 000
B. 1964-65 (for one year).....	3 000 000
IV. To Provide for Increased Enrollment in 1963-64 (for two years):	
A. Instructional Staff (Urbana-Champaign and Medical Center)	2 740 000
B. Nonteaching Staff, Expense, and Equipment	
1. Urbana-Champaign and Medical Center.....	2 060 000
2. Congress Circle.....	1 000 000
V. To Provide for Increased Enrollment in 1964-65 (for one year):	
A. Instructional Staff (Congress Circle).....	1 770 000
B. Nonteaching Staff, Expense, and Equipment (Congress Circle).....	1 230 000

	<i>Recommended Increases</i>
VI. To Meet Increased Cost of Operation:	
A. Operating Costs of New Buildings in 1963-64 (for two years) (Schedule B, page 176)	
1. Urbana-Champaign and Medical Center.....	\$ 1 571 100
2. Congress Circle.....	1 000 000
B. Operating Costs of New Buildings in 1964-65 (for one year) (Schedule B, page 176)	
1. Urbana-Champaign and Medical Center.....	360 000
2. Congress Circle.....	590 000
C. Increases to Maintain Present Level of Services	
1. Increases in Expense and Equipment to Meet Rising Costs and Accumulated Deficiencies.....	1 500 000
2. Increases in Auxiliary Staff to Meet Accumulated Deficiencies (Schedule C, page 177).....	1 073 000
VII. Improvements in Educational Programs.....	707 000

Explanation of Increases Requested

I. CONTRIBUTIONS TO UNIVERSITY RETIREMENT SYSTEM.....\$ 742 900

The University Retirement System provides disability and retirement benefits to all permanent staff members and employees of the University, of all other state institutions of higher education, and of related organizations. The University of Illinois' share of the cost of the System is included regularly in its appropriations. An increase of \$742,900 for the biennium is required to continue the benefits provided under the law, mainly because of the larger number of persons who will be on retirement.

II. TO CONTINUE FOR A FULL BIENNIUM FUNDS REQUIRED FOR ONE

YEAR ONLY IN THE 1961-63 BIENNIUM.....\$ 2 700 000

For the current year of the biennium 1961-63 the University's budget as appropriated by the General Assembly included \$2,700,000 for increases in 1962-63 above the level for 1961-62. This is shown on page 165 where the budget from General Revenue funds for 1961-62 is given as \$63,500,000 while that for 1962-63 is \$66,200,000. More money was required in the second year of the biennium due to increased enrollment and to further salary adjustments. This is the kind of difference discussed above concerning the larger budget requested for 1964-65 due to the occupancy of the new campus at Congress Circle and to further salary adjustments for the second year of the biennium.

The increase of \$2,700,000 is necessary to enable the University to continue throughout the biennium 1963-65 the level of expenditures reached during the second year of the current biennium.

III. SALARY ADJUSTMENTS FOR ALL STAFF

A. 1963-64.....\$9 000 000

B. 1964-65.....\$3 000 000

Academic Staff. The University's original request for salary increases in the last biennium (1961-63) totaled \$14,600,000, an amount judged to be necessary to enable the University to retain its present staff and to recruit additional faculty in the face of the increasing heavy competition from other universities and from industry. The total finally appropriated, \$8,650,000, was only 59 per cent of the amount requested. Although considerable improvement in salaries was made possible by the increased appropriation, it was barely sufficient to enable the

University to hold its own in the face of increasingly sharp competition for high-quality academic personnel.

The overriding condition that faces the University of Illinois, as well as other institutions of higher education, is a sharp increase in enrollment at a time when the supply of adequately-trained college teachers has shown a relative decline. In part, this has been due to increasing competition from noneducational occupations; but it has been due also to the fact that the 1930's and the following war years had a relatively low birth rate. This has meant a relative deficiency of candidates for the teaching profession at a time when college enrollments have been steadily rising and when they soon will begin to accelerate at an even sharper rate due to the postwar jump in the birth rate. In addition, a steadily-rising proportion of high school graduates is seeking admission to college.

The situation at the University of Illinois in the competition for faculty will be unusually difficult because of the large increase in staff required for the new campus at Congress Circle. In addition, substantial increases in graduate enrollment at Urbana-Champaign will cause increased demand for instructors in advanced courses, especially in the physical sciences and engineering. It would be especially unfortunate in these circumstances if the University were not in position to compete successfully for faculty of high quality. The increases requested for salary improvement should enable the University to hold its own among other comparable institutions; it will probably not permit any gain in standing, and certainly little if any improvement relative to other professions.

Nonacademic Staff. The Director of Nonacademic Personnel has urged strongly that funds be provided to enable the University to meet the continuing increase in prevailing rates as established by collective bargaining within the community, and also to maintain the University's competitive position as regards other categories of nonacademic personnel. So far as possible, an equitable relationship must be maintained between the wages that are determined through negotiation and the salaries and wages for other groups.

Of special importance are the salaries of administrative and managerial personnel, as well as those in certain technical categories, where competitive forces outside the local community influence salary scales. The University must maintain its competitive position or else lose highly-skilled personnel to other universities and to industry.

The opening of the new campus at Congress Circle in Chicago will result in a sharp expansion of nonacademic divisions, which in turn will require that the University keep pace with prevailing wage and salary scales if its recruitment is to be successful.

IV. TO PROVIDE FOR INCREASED ENROLLMENT IN 1963-64

A. Teaching Staff \$ 2 740 000

As in the biennium 1959-61, enrollment at the University of Illinois for the biennium 1961-63 exceeded considerably the estimates on which the biennial appropriations for increased enrollment were based. There was an excess of 500 students in 1960-61 over the expected enrollment, which was absorbed without additional appropriation. In 1961-62, an increase of 1,000 students had been predicted whereas the actual increase was 1,247—some 247 students above the number provided for in the budget. In 1962-63, an increase of 800 students had been anticipated in the biennial budget, but the estimated increase above 1961-62 is approximately 1,100 students—300 above the figure used in budget estimates. For the biennium 1961-63, this means that enrollment increased by about 550 students beyond the estimated total provided for in the biennial budget. Although these increases have been absorbed without budget increases for staff and other costs, this has not been done without creating deficiencies in certain areas, especially in the provision for laboratory expense and equipment in the natural sciences and engineering.

A slight increase in enrollment is expected at the Medical Center campus in 1963-64, mainly in the Colleges of Nursing and Pharmacy. No increase is anticipated at the Chicago Undergraduate Division, since enrollment is now at capacity in the temporary quarters at Navy Pier. A net increase of 1,183 students has been predicted for Urbana-Champaign, distributed as follows: a decline of 255 at the freshman-sophomore level, partly offsetting the surplus noted

for the preceding biennium; an increase of 1,010 at junior-senior level; an increase of 428 at the graduate-professional level.

The estimate of total funds needed has been based on the following standards: freshman-sophomore level, fifteen full-time-equivalent (FTE) students per full-time-equivalent instructor; junior-senior level, twelve full-time-equivalent students per full-time-equivalent instructor; graduate-professional level, seven full-time-equivalent students per full-time-equivalent instructor. Average salaries of \$8,000, \$9,000, and \$10,000 have been assumed for these three levels, respectively, in calculating the salary funds needed. (Since a slight decrease in enrollment is predicted at the freshman-sophomore level, a corresponding deduction was made in arriving at the amount needed.)

B. Nonteaching Staff, Expense, and Equipment

1. Urbana-Champaign and Medical Center.....	\$ 2 060 000
2. Congress Circle	\$ 1 000 000

It seems desirable to separate the estimate for Congress Circle from that for the other two campuses, in accordance with the breakdown shown in Schedule A (page 167). For 1963-64, the need at Congress Circle is for administrative, technical, and clerical staff that will be needed to plan for the move to the new campus. Heads of departments, for example, will be needed to recruit staff for the increased enrollment expected in 1964-65. Administrative and clerical staff must be added in the Office of Admissions and Records, the Business Office, the Library, and the Physical Plant Department. The total of \$500,000 per year for the two years of the biennium is considerably below the amounts requested by the administrative officers in the various units concerned.

The increased enrollment expected at Urbana-Champaign and at the Medical Center will require substantial increases in nonteaching staff and in expense and equipment budgets. The total requested will cover all kinds of "indirect costs" associated with instruction and with student services. After a careful analysis of the existing relationship between teaching and nonteaching (indirect) costs, it was determined that the latter would be approximately 75 per cent of the former if adequate provision is to be made in the budget for enrollment increases. This figure will be too low if the enrollment at advanced (especially graduate) levels increases disproportionately in the laboratory sciences.

V. TO PROVIDE FOR INCREASED ENROLLMENT IN 1964-65 OVER THE 1963-64 LEVEL

A. Teaching Staff (Congress Circle only)..... \$ 1 770 000

With the opening of the Congress Circle campus in September, 1964, it has been assumed that there will be a drop in *undergraduate* enrollment at Urbana-Champaign, most heavily in the freshman class but also in the junior class which in the past has received a substantial number of transfer students from the Chicago Undergraduate Division. Although lacking relevant data for making definitive predictions in the new situation, the Bureau of Institutional Research estimated tentatively that the over-all decline in undergraduate enrollment at Urbana might be as high as 1,800 students. To offset this drop, however, the Bureau predicted a sharp increase in graduate enrollment that might run to more than 1,400 students. After lengthy study of both sets of predictions, and of the various conditions that might well combine to upset them, it was decided to assume that the two conflicting trends would virtually cancel each other in terms of their net impact upon budgetary requirements. So no additional funds are requested for increased enrollment at Urbana-Champaign in 1964-65. An increase of 100 students was predicted for the Medical Center, but here, too, it was decided not to request increased funds on the assumption that the increases requested for 1963-64 could be utilized so as to meet the needs for the following year.

Admittedly, these assumptions and calculations might turn out to be quite inaccurate, and substantial increases in applications for undergraduate admission might occur at Urbana-Champaign in 1964-65. In that event, the budgetary provision will be seriously inadequate and some limitation upon enrollment might be necessary.

With respect to Congress Circle, it is assumed that there will be an increase of 3,035 students in 1964-65, bringing the total for the new campus to approxi-

mately 7,635 students. It is estimated that 2,335 would be at freshman-sophomore level while 700 would be at junior-senior level. The latter estimate in particular might turn out to be too low, since the offering of degree programs at the Chicago Undergraduate Division might induce many students who now drop out to continue in college until graduation. Furthermore, the number of transfer students might be substantial—a possibility given little weight in the estimates of the Bureau of Institutional Research.

The instructional staff required was determined by the standards indicated above to be 156 full-time-equivalent teachers for freshman-sophomore instruction and 58 for junior-senior instruction. At the assumed average salaries of \$8,000 and \$9,000, respectively, the sum of \$1,770,000 would be needed to provide these salaries for a single year (1964-65).

B. Nonteaching Staff, Expense, and Equipment (Congress Circle) \$1 230 000

The amount needed for the nonteaching costs of instruction at Congress Circle in 1964-65 was assumed to be 75 per cent of the instructional-salary costs as determined above—in addition to the physical-plant costs, which are represented by items in section VI of Schedule A (page 168) and are discussed in a following section. The physical-plant costs for the new campus will be substantially higher per student than the present inadequate facilities at Navy Pier. Furthermore the operating costs related more directly to instruction will be higher, when expansion of organization and programs takes place. It has been assumed, therefore, that all three types of budget increases shown for Congress Circle in Schedule A will be necessary to (a) transfer the existing staff and student body to that campus, and (b) to accommodate an enrollment increase of 3,035 students. (The three types of increases relate to teaching staff, nonteaching staff and expenses, and physical-plant costs.) A check on the validity of this assumption is provided partly by a determination of the estimated cost per student under the budgetary and enrollment conditions stipulated for the Congress Circle campus for 1964-65.

The total budget for the Chicago Undergraduate Division in 1962-63 is \$4,900,000. This includes all direct and indirect costs of operations at Navy Pier, but does not include whatever indirect costs might be attributable to the general administrative offices at Urbana-Champaign. With an enrollment of approximately 4,600 students for the current year, the average cost per student is \$1,065.

From the figures shown in Schedule A, a total of \$4,590,000 would be added to the 1962-63 budget for the Chicago Undergraduate Division by 1964-65—to bring the total figure for that year to \$9,490,000. This would include direct costs of instruction, physical-plant costs, and other indirect costs of instruction. With an estimated enrollment of 7,635 students, the average cost per student in 1964-65 would be \$1,243. This is only \$178 per student more than the present per capita cost at Navy Pier. This figure would be somewhat increased by salary increases that might be granted to the existing staff at Navy Pier by 1964-65. Even so, the estimated average cost per student seems quite moderate for the city of Chicago in 1964-65, considering the very substantial expansion in the facilities available and the great improvement in their quality. Furthermore, the facilities to be completed in Phase I at Congress Circle can accommodate an increase possibly to 9,000 students without appreciable increases in physical-plant costs. This would tend to lower the per capita cost, as an offset to salary and other increases in cost of operation.

VI. TO MEET INCREASED COSTS OF OPERATION

A. Operating Costs of New Buildings in 1963-64

1. Urbana-Champaign and Medical Center.....\$1 571 100

The Seventy-first General Assembly appropriated \$48,500,000 for the construction of new buildings and other capital improvements at Urbana-Champaign and the Medical Center campus. Most of these buildings will be completed and occupied in 1963. The costs of operation and maintenance (janitor service, utilities and maintenance, but not the educational programs carried out in the buildings) based upon experience with similar buildings, is estimated to be \$785,550 for 1963-64 or \$1,571,100 for the biennium. The amounts for each building are shown in Schedule B (page 176).

2. Congress Circle\$1 000 000

The budget request for the operation and maintenance of the new buildings at the Congress Circle campus is based upon the completion and acceptance of the buildings by the University as follows:

Heating Plant — starting up operations during December, 1963
 Physical Plant Building — February, 1964
 Library — February, 1964
 Classroom Clusters — April, 1964
 Engineering and Sciences Laboratories — April, 1964
 Lecture Center — June, 1964
 Staff and Administration — July, 1964

At least thirty days prior to acceptance, University operating personnel will run acceptance tests on the building equipment under the supervision of the architect's staff. This will require that the buildings be supplied with high-temperature hot water, electricity, etc., prior to acceptance, and hence operating personnel for the heating plant must be employed. As soon as the buildings are accepted by the University, moving into the buildings will commence and this will require operating and maintenance personnel, including police service. Heat, light, and power will be the principal item of increase, since starting operations of the heating plant will require electricity, and the entire 12,000-volt University distribution system will have to be tested and put into operation at that time in order to supply the buildings that are approaching completion. The period from December on is the greatest portion of the heating season, requiring maximum use of fuel.

The costs to be incurred at Congress Circle in 1963-64 are estimated to total \$500,000, or approximately one-fourth the annual operating cost of \$2,105,000.

B. Operating Costs of New Buildings in 1964-65

1. Urbana-Champaign and Medical Center.....\$360 000

The remainder of the buildings provided from the capital appropriation will be completed by July, 1964, and will require operating expenditure of \$360,000, as detailed in Schedule B (page 176).

2. Congress Circle\$590 000

The estimated cost of physical-plant operations at the Congress Circle campus, plus the Navy Pier drill hall, which will continue to be used for physical education instruction, is \$2,105,000 a year. After deducting the present budget for the operation and maintenance of the Navy Pier campus (\$1,015,000) and the funds requested for 1963-64 (\$500,000), the additional cost for 1964-65 amounts to \$590,000.

C. Increases to Maintain Present Level of Services

The deans and directors requested increases totaling slightly more than \$7,000,000 for the biennium to be used to overcome accumulated deficiencies and to meet the rising costs of existing programs. Enrollment increases in excess of budgetary provision, growing complexity and an increasing rate of obsolescence of scientific equipment, rising costs of modern hospital care, growing demand for technical personnel in science and engineering laboratories — all these factors, as well as the gradual upward drift in prices and miscellaneous wages, have combined to produce acute deficiencies and pressing needs throughout the University.

1. Increases in Expense¹ and Equipment Funds.....\$1 500 000

The index in commodity prices, prepared by the National Association of Purchasing Agents, has increased approximately 4 per cent in the past two years. While the prices of some commodities have remained fairly stable, others have increased more than this amount. In the 1961-63 biennial budget, the University requested \$2,700,000 to meet accumulated deficiencies in expense and equipment budgets, but only about one-third of this amount was made available. The present asking, therefore, represents a deficiency existing two years ago which has not been met. As noted earlier, the University has absorbed an enrollment increase of about 550 more students than was provided for in the 1961-63 budget. In the meantime, prices have continued to rise and the postal increase effective in

¹ Examples of expense items are office supplies, travel, postage, chemicals and glassware for laboratories, contractual services (i.e., telephones, IBM rentals), repairs to equipment, fuel (coal and oil), water, supplies used in plant maintenance, rentals.

January, 1963, will require approximately \$150,000 in additional funds for the biennium.

The University's equipment appropriation of \$3,200,000 is adequate to replace the existing equipment inventory only once in about every twenty to twenty-five years, while the most expensive type of equipment for scientific laboratories becomes obsolete in less than half of that time. The requested increase will help to meet the needs resulting from unanticipated increases in enrollment and also to improve the replacement-schedule for equipment.

The present level of appropriations to the Physical Plant Department will permit painting of interior walls only once in eighteen years, with two wall washings in the interim.

Two areas of special need are the Research and Educational Hospitals and the Division of Services for Crippled Children. Even after enforcing rigid economies, the Research and Educational Hospitals are unable to operate within the funds presently budgeted for them. They have requested an increase of \$644,000 in expense and equipment budgets, of which \$437,000 represent urgent and long-standing deficiencies. A major portion of the Division of Services for Crippled Children budget goes for hospital care of patients who are approved for treatment. Hospital costs have been increasing by approximately 10 per cent each year. It is estimated that \$268,000 will be needed for increased costs of hospital care alone. Failure to receive this increase will mean that fewer children can be treated for physical handicaps.

Requests from deans and directors totaled \$3,475,930 for increases to correct deficiencies in expense and equipment budgets. The Budget Committee, after careful consideration, concluded that \$1,500,000 was the minimum amount needed for this purpose.

2. Increases for Auxiliary Staff to Offset Accumulated

Deficiencies\$1 073 000

The deans and directors reported an increasing deficiency in auxiliary personnel throughout the University, and several stressed this need as being more important than any other facing them. A biennial total of \$3,691,262 was requested to provide administrative, technical, and clerical personnel in support of instruction, research, and public-service activities.

Inadequate staff provision related to increased enrollment has been most acutely felt in the Office of Admissions and Records, the Library, the Business Office, and the various offices for student services. Many departments are also understaffed in clerical personnel due to increasing work loads without commensurate staff additions.

The hospitals and clinics need more nursing and technical personnel to try to keep pace with the growing manpower requirements of modern diagnostic and therapeutic techniques in medicine. The Research and Educational Hospitals are hard-pressed to measure up to acceptable standards of present-day medical education and research—so severe is the shortage of hospital personnel in all major categories. The Director has estimated that a total of 54 full-time-equivalent additional staff members are needed to overcome these deficiencies.

The teaching and research laboratories in many science and engineering departments require more technical assistance in order to be most effectively used. The extensive and complex instrumentation required by modern science and technology can not be effectively utilized without adequate technical staff. The funds available in recent years have been seriously insufficient to permit these departments to expand their staffs in these areas on the scale demanded by technological development and increased enrollment.

A careful study of departmental requests was made, and a list of the individual positions that seemed to be most urgently needed was compiled. A summary of the funds required to support these positions is presented in Schedule C (page 177), grouped by colleges and other divisions. The total is \$536,500 on an annual basis or \$1,073,000 for the biennium.

VII. INCREASES FOR IMPROVEMENTS IN EDUCATIONAL PROGRAMS.....(\$707 000)

In recent years, the University's legislative appropriations have provided little support for new educational programs or for substantial improvements of existing programs. It has been necessary repeatedly to delete such items from biennial budget requests, in order to bring the totals within the limit of available

funds. As a result, the instructional departments have found it increasingly difficult to keep abreast of new developments in their fields. The extent of the University's failure to meet such needs is indicated by the magnitude of the askings in this category from all colleges for 1963-65: \$3,640,146.

The majority of these requests represent programs that should be undertaken by an institution such as the University of Illinois. But partly in view of the extraordinary costs involved in the move to the Congress Circle campus, the Budget Committee and the other administrative officers concerned with budget preparation decided that funds would be requested for only a few programs judged to be of very high priority. So the eight programs described in the following paragraphs are proposed for initiation or substantial improvement in 1963-65.

A. College of Engineering

1. Physics of the Upper Atmosphere (biennial amount).....\$80 000

To strengthen the University's graduate training and research in the space and atmospheric sciences. In addition to the work in other departments—heavily supported by Federal funds—2.0 full-time-equivalent physicists are needed to provide graduate instruction and research in this central area where the University has no staff at present. The salary of a clerical employee (1.0 full-time-equivalent) and funds for expense and equipment would comprise the remainder of the budget. Outside funds in at least an equal amount would be expected for the support of research in this area, including research assistantships for graduate students.

2. Molecular Electronics (biennial amount).....\$60 000

To provide staff for graduate instruction in solid-state devices and integrated electronics (including minitization of circuits). This would permit the Department of Electrical Engineering to take fuller advantage, in its graduate training, of the new Materials Research Laboratory. Most of the cost would be met from federal funds, but the latter can not be used for instruction in regular courses. The budget item would permit the addition of 1.0 full-time-equivalent professor and 1.0 full-time-equivalent associate professor plus funds for expense and equipment.

3. Nuclear Engineering (biennial amount).....\$40 000

The interdepartmental program in nuclear engineering should be strengthened to take advantage of recent advances in the relatively new field of "Plasma Physics," which makes it possible to conduct fundamental studies related to the development of thermonuclear systems outside the large National Laboratories supported by the Atomic Energy Commission. The budget item would provide for the salary of a senior professor plus funds for expense and equipment needed in instruction. The greater part of the cost of the program (the laboratory facilities) would be provided from federal funds granted to the Departments of Physics and Electrical Engineering and to the Coordinated Science Laboratory.

B. College of Liberal Arts and Sciences

1. Department of Linguistics (biennial amount).....\$121 000

The University has a relatively strong graduate program in linguistics, presently administered by an interdepartmental committee. Since there is no Department of Linguistics as such, the staff consists of faculty members from the cooperating departments (Anthropology, English, the modern languages, Psychology, Speech). It is proposed to establish a small department with a core of faculty members interested in linguistics as a fundamental discipline and also responsible for service courses in certain non-Western languages. These would include elementary instruction in Hindi, Chinese, Japanese, and Arabic for the support of language and area studies, mainly in the program described below. The personnel requirement would be: 1.0 full-time-equivalent professor; 3.0 full-time-equivalent assistant professors in 1963-64; 2.0 full-time-equivalent assistant professors in 1964-65; 1.0 full-time-equivalent clerk stenographer III; \$1,000 for expense and equipment.

In addition to the graduate program in linguistics and research in the fundamental discipline of linguistics, this department would conduct experimentation in language instruction in connection with its conduct of instruction in non-Western languages. There would be no intention to develop instructional programs in these languages beyond the elementary level. The purpose of this

instruction would be to provide the tools necessary for the study of non-Western culture, not to train experts in foreign languages and literature.

2. A Program of Asian Studies (biennial amount)\$158 000

For more than two years the faculty and the administration have been considering the University's responsibilities for expanding work in non-Western studies. As a result of this extensive review, including the work of various committees and conferences, there is general agreement that the University should expand its relatively meager programs in the broad field of international studies. India, Southeast Asia, China, and Japan are possible areas of study—or some combination of these four. The choice would depend partly upon the offerings at other universities in this region, partly upon the availability of distinguished scholars, and partly upon national need.

Aside from the director of the program (1.0 full-time-equivalent professor), the staff would consist of 4.0 full-time-equivalent assistant professors (assigned to supporting departments in the social sciences) and a half-time secretary. A total of \$30,000 would need to be added to the budget of the Library, including funds for approximately 3.0 technical library personnel (acquisitions and cataloging). It should be noted that the teaching staff would help to provide instruction for the increased number of students in 1963-65.

C. *College of Medicine*

1. Continuing Medical Education (biennial amount)\$85 000

The broad purpose of this program is to furnish physicians from Illinois and elsewhere with opportunities to acquire the most modern medical knowledge and to improve their skills and thus enable them to render the best possible medical care to their patients. To achieve this objective it will be necessary for the College of Medicine to continue to support unstintingly the many existing non-University postgraduate programs, to enhance and expand existing University programs, and to establish new intramural and extramural programs of several kinds as rapidly as circumstances will permit.

The intramural programs should include (a) new courses for specialists in highly technical fields, i.e., surgery and specialties of surgery, obstetrics, ophthalmology (these programs should be patterned after the successful courses in otolaryngology and bronchoesophagology now being offered annually); (b) new short-course programs describing "new developments" for practitioners of general medicine; and (c) patient-centered programs for small numbers of physicians working on the wards and in the clinics of the University's teaching hospitals.

Extramural programs would center initially around short-course offerings scheduled at appropriate intervals in strategically-located centers within the State. Such programs would include the subject matter of the sciences basic to medicine as well as the subject matter of clinical medicine.

A subsidiary but no less important aim of the program of postgraduate or continuing education of the physician is to improve the climate for medical practice in the outlying regions of Illinois and thus provide added inducements to medical graduates to choose these areas as locations in which to practice. The full achievement of this objective will take time and great effort and may involve sharp departures from the University's present program of resident training. New elective offerings to undergraduate medical students may be indicated also. These possibilities are now under consideration by appropriate administrative units and faculty committees, and the implementation of the programs agreed upon will take place as soon as funds can be provided.

The staff requirements for 1963-65 would be as follows: 1.0 full-time-equivalent coordinator; .33 full-time-equivalent professional staff (part-time salaries and stipends for guest participants); 1.0 full-time-equivalent clerk-stenographer III. The remainder of the budget would consist in funds for office expense, travel, and other miscellaneous expenses.

2. A School of Associated Medical Sciences (biennial amount) ..\$102 000

The hospitals and other agencies in Illinois concerned with health problems are in acute need of medical technicians, medical librarians, and other technical personnel for the support of medical practice and research.

This problem has been studied intensively for some time, both in the College of Medicine and in the College of Liberal Arts and Sciences. It has been agreed that cooperative baccalaureate programs in several areas are desirable and that

they should be centered administratively in a "School of Associated Medical Sciences" within the College of Medicine. Generally speaking, students would begin their work in the College of Liberal Arts and Sciences (either at Urbana or at the Chicago Undergraduate Division), with the terminal year or years spent in the College of Medicine. The existing program in occupational therapy would be assigned to the School for administrative purposes. Initially, two new programs are proposed: (a) a curriculum in medical technology, and (b) a curriculum in medical-records library science. Future curricula probably would include physiotherapy and x-ray technology.

The annual proposed budget of \$51,000 would provide salaries for the following personnel: 1.0 full-time-equivalent director; 1.5 full-time-equivalent assistant professors; 1.0 full-time-equivalent instructor; 2.0 full-time-equivalent clerk-stenographers II.

D. College of Nursing

A Graduate Program (M.S.) in Nursing Education (biennial amount)\$61 000

No university in the state of Illinois now offers graduate training for teachers of nursing. The need is acute, and a program can be initiated in the College of Nursing at relatively low cost. The additional personnel budget would include 2.0 full-time-equivalent associate professors (one in pediatric nursing and the other in obstetrics) and 1.0 full-time-equivalent clerk-typist III.

**INSTITUTION FOR TUBERCULOSIS RESEARCH BIENNIAL
OPERATING BUDGET FOR 1963-65**

(2) The Institution for Tuberculosis Research was created by the General Assembly for the "production, distribution, and application of the bacillus Calmett-Guerin (BCG), and other methods and materials for the prevention of tuberculosis and for conducting research in tuberculosis." The responsibility for the professional operation and all other management and control of the Institution is vested in the University.

The Executive Vice-President and Provost recommends a budget amounting to \$194,000 for the 1963-65 biennium, an increase of \$21,000 over the present biennial appropriation. The increase is requested for the following purposes:

One Technician for Extending the Research in Vaccination by the Aerosol Route (without injection).....	\$ 8 000
Increase in Equipment.....	2 000
Salary Adjustments	11 000
<i>Total</i>	\$21 000

I recommend that this budget be approved for filing with the State Department of Finance and presentation to the Illinois Budgetary Commission.

On motion of Mr. Swain, this budget was approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. STANLEY F. BLOUNT, Assistant Professor of Geography, Department of Social Sciences, Chicago Undergraduate Division, beginning September 1, 1962, at an annual salary of \$7,200 (D).
2. ANNE L. CORBITT, Associate Professor of Library Science, beginning September 1, 1962, at an annual salary of \$10,000 (D).

¹ Applies to all funds and is included only in the total column.

3. DONALD L. DAY, Assistant Professor of Agricultural Engineering, beginning September 1, 1962, at an annual salary of \$8,700 (DY).
4. CECILIA M. FENNESSY, Assistant Professor of Nursing, beginning September 1, 1962, at an annual salary of \$8,000 (DY).
5. JOHN E. GEDO, Clinical Assistant Professor of Psychiatry, College of Medicine, beginning September 1, 1962, on one-fourth time, at an annual salary of \$3,500 (DY25).
6. JEAN PAGE GILBERT, Visiting Assistant Professor of Education, for the academic year 1962-63, at a salary of \$7,200 (E).
7. HANS-DIETER HENATSCH, Lecturer in the Department of Pharmacology, with rank of Associate Professor, College of Medicine, for six and one-half months from October 15, 1962, at a salary of \$6,500 (G).
8. MARTIN R. HURTIG, Assistant Professor of Architecture and Art, Chicago Undergraduate Division, beginning September 1, 1962, at an annual salary of \$7,200 (D).
9. H. VICTORIA IVERSON, Assistant Professor of Hygiene and Medical Adviser for Women, Health Service, Chicago Undergraduate Division, beginning September 15, 1962, on one-half time, at an annual salary of \$6,000 (DY50).

13. JAMES MCGARRELL, Visiting Professor of Art, for one month from September 17, 1962, at a salary of \$1,200 (G).
14. ARNOLD L. MILLER, Assistant Professor of Psychology, beginning September 1, 1962, on one-third time, at an annual salary of \$2,600 (D33).
15. JEAN PHILLIPS, Visiting Assistant Professor of Education, for the academic year 1962-63, at a salary of \$7,200 (E).
16. HAROLD S. SHULMAN, Assistant Professor of Psychology, beginning September 1, 1962, on one-third time, at an annual salary of \$3,300 (D33).
17. JERRY S. WIGGINS, Associate Professor of Psychology, beginning September 1, 1962, at an annual salary of \$9,500 (A).

On motion of Mr. Dilliard, these appointments were confirmed.

ADMISSIONS PROCEDURES — DATES FOR ACCEPTING APPLICATIONS FOR ADMISSION

(4) The All-University Committee on Admissions, the Dean of Admissions and Records, and the Executive Vice-President and Provost recommend authorization of the following policy and procedures governing acceptance of applications for admission to the University.

- A. Specific final (deadline) dates for acceptance of applications for admission and readmission in a given term may be established by the President, upon recommendation of the Dean of Admissions and Records and after consultation with other administrative officers concerned. These dates may vary among the three campuses as special conditions warrant.

"Applications for admission and readmission" shall mean that the complete file of credentials necessary for action on the application shall have been submitted.

- B. The Dean of Admissions and Records may accept applications after final (deadline) dates under exceptional circumstances which patently justify special consideration.
- C. Beginning in September, 1963, the following deadline dates on applications for admission and readmission will be established for fall registration at Urbana-Champaign:

In the case of foreign students, six weeks prior to the first day of the registration period for the first semester for the fall term of each year.

In the case of domestic students, two weeks prior to the first day of the registration period of the fall term of each year.

In the case of foreign students seeking readmission, or foreign applicants

who hold a baccalaureate degree from a college or university in the United States, the regulation covering domestic students will apply.

Adoption of such procedures is deemed necessary in the interests of orderly and systematic consideration of applications. Heretofore, many prospective students who have not previously submitted applications appear during the registration period or even later, hurriedly complete applications, and receive provisional permits which enable them to proceed with registration. Provisional permits are necessary because in most cases the applicants can not present official credentials. Following the registration period, the Office of Admissions and Records determines whether or not such applicants meet the requirements. Such special handling requires additional staff time and results in added expense. Furthermore, the effort to process new applications immediately preceding or during registration interferes with the registration of the large majority of students, old and new, whose credentials have been evaluated and approved.

At the same time there should always be provision for considering the applications of prospective students who have legitimate reasons for delay in filing their applications beyond the deadline, but there would be relatively few such cases. These late applicants could reasonably be required to defer registration until after the regular registration period, if this seemed desirable in order to avoid the difficulties just mentioned. Special procedures would be established for the registration of those late applicants for admission to the Graduate College who had been selected for assistantships or other University appointments.

I concur.

On motion of Mr. Pogue, these recommendations were approved.

REORGANIZATION OF COLLEGE OF EDUCATION

(5) The educational, research, and public service programs of the College of Education have heretofore been administered under nine divisions, which have had informal status, and five other administrative units—the University High School, the Bureau of Educational Research, an Evaluation Unit attached to the Bureau, the Institute for Research on Exceptional Children, and the Teacher Placement Office which also serves the University Council on Teacher Education.

The Dean and the Executive Committee of the College have recommended the reorganization of the College of Education by the establishment of seven departments, each with an Executive Committee and a Chairman:

<i>Department</i>	<i>Chairman</i>
Administration and Supervision	Associate Professor L. E. McCleary
Educational Psychology	Professor R. Stewart Jones
Elementary Education	Professor John E. McGill
History and Philosophy of Education	Professor William O. Stanley
Secondary and Continuing Education	Professor R. Will Burnett
Special Education	Professor Samuel A. Kirk
Vocational and Technical Education	Professor M. Ray Karnes

The University High School, the Bureau of Educational Research, and the Institute for Research on Exceptional Children will be continued as separate administrative units. By administrative approval, the Evaluation Unit has been separated from the Bureau of Educational Research and is now the Office of Educational Testing; and the name of the Teacher Placement Office has been changed to Educational Placement Office.

The University Statutes provide that a new department may be created by the Board of Trustees on vote of the faculty of the college in which the department is to be located and on recommendation of the college and with the approval of the appropriate Senate and of the President. In the present case, the seven departments proposed are not new, in the sense that they will encompass new programs or units of instruction, research, or public service, but will constitute a formal reorganization, administratively, of existing programs which will be the equivalent of the prior informal divisions or units. Hence, action on the recommendation by the Urbana Senate is not indicated; nor does it appear necessary to submit these changes to the State Board of Higher Education for approval since that Board requires only that the State universities report "the establishment of a college, school, division, institute, department or other unit in any field of instruction, research, or public service *not theretofore included in the program of the institution.* . . ."

With the approval of the Executive Vice-President and Provost, acting for the President, the seven departments have been functioning on an informal and unofficial trial basis, under the general administration of the Dean and the Executive Committee of the College. The Dean was requested to provide for elections of executive committees for the new departments, and these committees have been consulted regarding the nominations of chairmen.

The executive officers of the other units have been serving in those capacities for a number of years, and their reappointments were included in the budget for the current academic year when it was approved by the Board of Trustees: David M. Jackson, Principal of University High School; William P. McLure, Director of the Bureau of Educational Research; Samuel A. Kirk, Director of the Institute for Research on Exceptional Children; and J. Marlowe Slater, Head of the Educational Placement Office.

I recommend approval of the foregoing recommendations, including the appointments of the chairmen of the departments for one year from September 1, 1962.

On motion of Mrs. Watkins, these recommendations were approved.

CHANGES IN NAMES OF ADMINISTRATIVE UNITS

(6) The Vice-President for the Chicago Undergraduate Division has recommended that the name of its College of Fine and Applied Arts be changed to "College of Architecture and Art."

The Dean of the College of Physical Education has recommended that the Student Rehabilitation Center and the Program of Intramural Activities be renamed the "Division of Rehabilitation—Education Services" and the "Division of Intramural Activities," and that the executive officer of each be designated as Director.

I concur in these recommendations.

On motion of Mr. Johnston, these changes were approved.

JUSTIN SMITH MORRILL HALL

(7) It is recommended that the new laboratories building south of Burrill Hall, construction of which was financed by grants from the National Institutes of Health, the National Science Foundation, and matching state funds, be named Justin Smith Morrill Hall for Congressman and later Senator from Vermont, Justin Smith Morrill, sponsor of the Land-Grant Act. This name has been approved by the Executive Committee of the School of Life Sciences and the Executive Committee of the University Council.

The University has named the Plant Sciences Building, now under construction, for Jonathan Baldwin Turner, early pioneer in the development of the concepts which underlay the initiation and growth of Land-Grant universities. The state of Illinois, which contributed greatly to the impetus for the Land-Grant movement, should also honor the sponsor of the national legislation under which the University of Illinois was founded. It is especially appropriate to take such action this year, the Centennial of the Land-Grant Act.

The new building will house the Department of Entomology and will also be used by other departments in biology. The building use thus reflects the University's broad interest in research and instruction, the early emphasis upon science, and the cooperative arrangements between the state and federal governments in the encouragement of the program of Land-Grant universities.

On motion of Mr. Dilliard, this recommendation was approved.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(8) The Committee on Nonrecurring Appropriations recommends the following appropriations and assignments of funds from the University General Reserve:

Statistical Service Unit, Urbana, equipment.....	\$ 4 885
Chicago Undergraduate Division, rental and option to purchase IBM 1620 computer system.....	18 866
Physical Plant	
Horticulture Field Laboratory, improvement of lighting.....	5 100
Child Development Laboratory, air conditioning.....	5 500

The Vice-President and Comptroller recommends the following appropriation:

Repair of fire damage to University building at 1208 West Springfield Avenue, Urbana..... \$ 9 300

A fire of undetermined origin caused extensive damage to the University three-story, frame building at 1208 West Springfield Avenue, Urbana, which provided offices for the school mathematics project under the direction of Professor Max Beberman of the College of Education. The estimated cost of repairs is \$9,300. The building has 3,058 square feet of usable space so that the repairs result in an average cost of \$3.40 per square foot. Since other space could not be made available for the estimated cost of the repairs proposed, the Director of the Physical Plant and the Vice-President and Comptroller have recommended an appropriation for this purpose.

Total..... \$43 651
I concur.

On motion of Mr. Williamson, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

AGREEMENT WITH COMMONWEALTH EDISON COMPANY FOR ELECTRICAL SERVICES

(9) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of an "excess facilities" agreement with Commonwealth Edison Company, Chicago, for work in connection with improvements to the electrical service at the Medical Center at a cost of \$54,132.

During the 1959-61 biennium, the University began a change over of the electrical services to the Research and Educational Hospitals buildings from 4,000-volt service to a more reliable 12,000-volt service. All the work has been designed and a considerable portion completed. A final phase consists of electrical vault improvements and bringing into the campus additional feeders from the Commonwealth Edison system. The work to be done by Commonwealth Edison and paid for by the University includes only that part of the cost of Edison's work necessary for service to the University and includes changing of the transformers in vaults requiring increased capacity, furnishing and installing conduit and cables for two additional 12,000-volt feeders into the campus, rearrangement of switching equipment in four vaults, and cable rearrangement in the Edison system. When this work is completed, the possibility of an electrical outage will have been reduced to the minimum.

The proposed work by the Commonwealth Edison Company will implement in part recommendations in the "Report on Electrical Distribution System, Chicago Professional Colleges Campus," dated May 3, 1950, and is consistent with the long-range plan of improvements previously approved by the Board of Trustees.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Johnston, this agreement was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

CONTRACTS FOR EXTENSION OF UTILITIES DISTRIBUTION SYSTEM

(10) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of the following contracts for extension of the utilities distribution system, the award in each case being to the lowest bidder:

Construction of Underground Steam Tunnel (Division "FF") from Gregory Hall north on the east side of Wright Street to the service drive north of the Administration Building — Dean Evans Company, Champaign \$278 839

Installation of Plumbing for Underground Steam Tunnel (Division "GG") — George S. Walker Plumbing and Heating, Inc., Decatur	18 000
Installation of Piping in Underground Steam Tunnel and Underground Cast Iron Conduit Piping (Division "HH") — M. J. Holleran, Inc., Chicago	105 860
Base bid	\$88 260
Additive alternate for installation of a six-inch high pressure steam main from the University Library north through the new steam tunnel and east to Harker Hall	17 600
(The tunnel from Wright Street east to Harker Hall has already been constructed.)	
Furnishing and Applying of Thermal Insulation for Piping in Underground Steam Tunnel (Division "II") — Inland Insulation Company, Chicago	26 500
Base bid	\$17 625
Additive alternate for insulation of six-inch high pressure steam main	8 875
Furnishing and Installation of Electrical Materials, including Tunnel Lighting and Power to Miscellaneous Pumps (Division "JJ") — Square Deal Electrical Contracting, Inc., Urbana	17 411
<i>Total</i>	<u>\$446 610</u>

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

Submitted herewith is a report from the Physical Plant Department on this project, including a schedule of the bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

CONTRACT FOR STEAM SERVICE TO ILLINOIS EYE AND EAR INFIRMARY

(11) The Department of Mental Health has requested that the University furnish steam service to the new Illinois Eye and Ear Infirmary being constructed south of Taylor Street between Wood Street and Wolcott Avenue.

The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of a contract on the same basis as the University's contracts with other consumers of steam in the Medical Center District supplied by the Medical Center Steam Company. The requirements of the Infirmary will not exceed 12,000 pounds per year maximum demand which is well within the capacity of the present Medical Center Steam Plant.

I concur.

On motion of Mrs. Watkins, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

CONTRACT FOR POWER SUPPLIES FOR THE MEDICAL CENTER CAMPUS

(12) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$304,180 to the C and H Electrical Company, Chicago, Illinois, the lowest bidder, for new power supplies for the Research Laboratory and Library Building, Dentistry-Medicine-Pharmacy Building, Second Unit of the Dentistry-Medicine-Pharmacy Building, and the west section of the Research and Educational Hospitals, and network ties between vaults on the Medical Center Campus.

These installations are a phase of the 1961-63 improvements changing the electrical supply from an obsolete and overloaded 4,000-volt system to a new

and more reliable 12,000-volt system and include new duct work, cabling, and switchgear for the buildings listed.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

EMPLOYMENT OF ARCHITECTS AND ENGINEERS

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of architects and engineers for the following assignments and on the terms indicated:

Civil Engineering Building, Urbana-Champaign — A. Epstein and Sons, Inc., Chicago, with the firm of Richardson, Severns, Scheeler, and Associates, Champaign, as associate architect, for building planning and design, on the basis of a fee of 6 per cent of the construction contract costs, fee to cover building design, preparation of plans, working drawings, specifications, contract documents, and supervision of construction.

Addition to Smith Music Hall, Urbana-Champaign — Lundeen and Hilfinger, Bloomington, on the basis of a fee of 6 per cent of the construction contract costs, fee to cover building design, preparation of plans, working drawings, specifications, contract documents, and supervision of construction.

Life Sciences — East Unit, Urbana-Champaign — Fugard, Burt, Wilkinson, and Orth, Chicago, on the basis of a fee of 5½ per cent of the construction contract costs, fee to cover building design, preparation of plans, working drawings, specifications, and supervision of construction.

East Dentistry-Medicine-Pharmacy Addition, Medical Center — Perkins and Will, Chicago, on the basis of a fee of 6 per cent of the construction contract costs, fee to cover building design, preparation of plans, working drawings, specifications, and supervision of construction.

These firms have been recommended for the specific assignments by the Advisory Committee on the Selection of Architects and Engineers. The Committee on Buildings and Grounds has also been consulted and recommends approval.

I concur in these recommendations.

On motion of Mr. Pogue, these recommendations were approved.

ADDITION TO CONTRACT FOR ENGINEERING SERVICES ON PLANS FOR COORDINATED SCIENCE LABORATORY

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$4,000 in the contract with Brown, Manthei, Davis, and Mullins, Champaign, Illinois, for additional engineering services in the preparation and revision of working drawings and specifications for mechanical and electrical work in the construction of the Coordinated Science Laboratory.

Funds are available in assignments to the Coordinated Science Laboratory from indirect costs recovered under research contracts.

I concur.

On motion of Mrs. Watkins, this change in contract was authorized.

AMENDMENT OF GRANT AGREEMENT WITH FEDERAL AVIATION AGENCY

(15) The Federal Aviation Agency has requested a resolution authorizing acceptance and execution of "First Amendment to Grant Agreement, Project No. 9-11-026-6003, University of Illinois Willard Airport" (Contract Serial No. FA3-586) pertaining to certain improvements at the University of Illinois-Willard Airport for which the Federal Aviation Agency agreed to provide one-half the funds with the state of Illinois, through its Department of Aeronautics, providing substantially the other half, except for the cost of engineering services, which were paid by the University. The purpose of the amendment is to provide for an increase in the federal grant from \$97,523 to \$98,636.14 (or

\$1,113.14) to cover the Federal Aviation Agency's share of the additional and allowable project costs.

Accordingly, I recommend adoption by the Board of the Resolution submitted herewith, and that the Board authorize its execution as indicated therein.

**Resolution Authorizing Acceptance and Execution of First Amendment
to Grant Agreement Between the United States and the Board
of Trustees of the University of Illinois, Champaign-
Urbana, Illinois**

WHEREAS, the Administrator of the Federal Aviation Agency, pursuant to a request from the University of Illinois, and in order to advance the interests of the United States in civil aviation, has tendered a First Amendment to the Grant Agreement executed between the Administrator of the Federal Aviation Agency, acting for and on behalf of the United States, and The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, with its principal office in the City of Urbana, Illinois, and the State of Illinois, acting by and through its Department of Aeronautics, on December 18, 1959, and December 21, 1959, respectively, covering a project on the University of Illinois Airport, Project No. 9-11-026-6003; and

WHEREAS, it is necessary that the said Amendment to the Grant Agreement be duly and formally accepted by The Board of Trustees of the University of Illinois, Urbana, Illinois; and

WHEREAS, the said Amendment to the Grant Agreement is in the words, figures, and form following:

FIRST AMENDMENT TO GRANT AGREEMENT

University of Illinois Willard Airport
Champaign-Urbana, Illinois
Project No. 9-11-026-6003
Contract Serial No. FA3-586

WHEREAS, the amount of final eligible and allowable and allowed project costs relating to the above-identified project has been determined to be \$197,272.28, the Federal share of which is \$98,636.14, and said Federal share exceeds the amount of the maximum obligation of the United States under the project Grant Agreement by the amount of \$1,113.14; and

WHEREAS, it is determined to be in the interest of the United States that the said Grant Agreement be amended, as authorized by Public Law 183, 81st Congress in the manner and particulars hereinafter set forth.

NOW, THEREFORE, WITNESSETH:

For and in consideration of the benefits which will respectively accrue to the parties hereto, it is hereby mutually agreed by and between the Federal Aviation Agency, for and on behalf of the United States, as Party of the First Part and The Board of Trustees of the University of Illinois and the Department of Aeronautics, State of Illinois, as Parties of the Second Part, that the Grant Agreement on Project No. 9-11-026-6003, be and the same is hereby amended by deletion of the monetary amount "\$97,523.00" appearing in numbered Paragraph 1 on Page 2 of Part I-Grant Offer, and by substitution therefore of the monetary amount of \$98,636.14."

IN WITNESS WHEREOF, the Parties hereto have caused this First Amendment to be executed as of the day of, 1962.

On motion of Mr. Swain, the resolution was adopted and execution of the same was authorized; Mr. Johnston was recorded as not voting.

PURCHASES FOR FACULTY OF MEDICINE, CHIENGMAI HOSPITAL IN THAILAND

- (16) The Executive Vice-President and Provost has been authorized by the

President of the University and the Board of Trustees to act on recommendations for purchases of equipment and supplies for higher education institutions in India, which the University is servicing under contracts with the Agency for International Development and for which funds are supplied by the United States Government, to expedite placement of orders and deliveries.

It is recommended that this authorization be extended to include purchases under the AID contract for services to the Faculty of Medicine, Chiangmai Hospital in Thailand.

On motion of Mrs. Watkins, this recommendation was approved.

PURCHASES

(17) The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

I concur.

RELEASE OF LANGUAGE-STUDY MATERIALS PREPARED UNDER CONTRACT WITH THE PEACE CORPS

(19) Certain instructional materials in the Gujrati language were prepared last summer under the University's contract with the Peace Corps, principally by Mr. Purushottam J. Mistry. These consisted of ten written lesson-units with coordinated magnetic tapes. Under University regulations, and in accordance with the contract with the Peace Corps, this material belongs to the University of Illinois, but the Peace Corps and other agencies of the federal government would be granted license-free use of them.

It is understood that the Peace Corps is contracting directly with Mr. Mistry for the production of some seven additional lesson-units for further training in India of the Peace Corps volunteers trained in Gujarati on this campus. Furthermore, Professor Page, the project director under the Peace Corps contract, indicates that the materials prepared last summer need substantial revision before they can be considered to be in satisfactory final form. Both he and Dean Dangerfield, Director of International Programs, state that the materials in their present form have little or no commercial value. Mr. Mistry has requested that the University of Illinois release to him the materials developed under the Peace Corps contract in order that he might improve and extend the instructional program in Gujarati, with the right to copyright and publish the materials if this seems desirable. Both Professor Page and Dean Dangerfield recommend approval of this request, with the stipulation that both the University and the Peace Corps and other agencies of the federal government would have the right to use the materials developed under the University's contract in their present form without payment of royalties or license fees.

The Executive Vice-President and Provost, the Vice-President and Comptroller, and the Legal Counsel endorse this recommendation.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

GIFT OF ELECTRONIC CARILLON

(20) Mr. A. R. Staley, a member of the Class of 1931, has agreed to give the University of Illinois Foundation for the University at Urbana-Champaign a "Carillon Americana" having 305 bells, the largest carillon made by Schulmerich Carillons, Inc. of Sellersville, Pennsylvania. The playing console will be installed on the second floor of the University Auditorium and the stentors will be located on the northeast tower of Memorial Stadium. Mr. Staley has made this gift as a contribution to the program of the School of Music and to the cultural life of the campus. The Carillon will be played from time to time by mechanical means and by members of the staff of the School of Music.

The gift has been accepted by the Foundation and the President and is reported for record. I have already expressed appreciation on behalf of the University but the Board will also wish to record its appreciation.

The Carillon is being installed and it is anticipated that the work will be completed so that the first concert can be played on Saturday, November 24, on which day a brief dedicatory ceremony will also be held in the forenoon.

On motion of Mr. Pogue, acceptance of this gift by the University of Illinois Foundation and the President of the University was confirmed.

On motion of Mrs. Watkins, the Board recorded its appreciation of this gift, and the Secretary was instructed to send Mr. Staley an appropriate message on behalf of the Trustees.

REPORTS TO THE BOARD OF HIGHER EDUCATION OF ILLINOIS

(21) The University of Illinois has submitted to the State Board of Higher Education reports on new public service activities undertaken, new courses added, and new research and public service contracts negotiated, during the period August 22, 1961, through June 30, 1962.

The Board of Higher Education has requested such reports periodically, the first of these being for the period indicated which began when the Act creating that Board became effective and continuing through the end of the fiscal year 1961-62.

The University has also submitted to the State Board of Higher Education a statement of the procedures it follows in the initiation, review, and approval of new units of instruction, research, and public service.

Copies of these reports and statement are being submitted herewith for the information of the Board and copies are being filed with the Secretary of the Board for record.

These reports were received for record.

MEMORIAL TO MRS. NELLIE VOIGHT FREEMAN

Mr. Pogue offered the following resolution.

The Board of Trustees records with deep sorrow the death on October 14, 1962, of Mrs. Nellie Voight Freeman of Mattoon, a former member of this Board.

Mrs. Freeman (Nellie Voight) was born in Mattoon March 12, 1873. She married Dr. T. O. Freeman of that city in December, 1898, who died in October, 1932.

Mrs. Freeman devoted much of her life to education and to civic affairs — as a teacher in the public schools of Mattoon, prior to her marriage, as an officer at the local and state levels in parent-teacher associations, as an officer of the Women's Auxiliary of the Illinois State Medical Society, in the Business and Professional Women's Club of her community, and as a worker for her church.

Mrs. Freeman served as a member of the Board of Trustees of the University of Illinois from 1933-39, and on its Committees on Buildings and Grounds, Agriculture, Chicago Departments, and Student Welfare and Activities, being Chairman of the latter Committee for five years. In all these assignments she discharged her responsibilities faithfully and effectively.

The Board of Trustees desires to pay tribute to the memory of a former colleague who served her community and the state of Illinois, by incorporating this resolution in the official minutes of today's meeting and by sending copies to the surviving members of Mrs. Freeman's family as an expression of the Board's sympathy.

This resolution was unanimously adopted.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: appointments made by the President; graduate fellows; resignations, declinations, and cancellations; leaves of absence; retirements.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ADAMS, ROBERT K., Instructor in Architecture (Chicago Undergraduate Division), academic year beginning September 1, 1962, \$6,500 (10-3-62).

ALEXOPOULOS, GEORGE G., Instructor in Physics (Chicago Undergraduate Division), $\frac{1}{2}$ time, to render service during the first semester of the academic year, September 1, 1962-January 31, 1963, \$1,200 (10-2-62).

ANDERSON, RACHEL E., Assistant Editor in the University Press, $\frac{1}{2}$ time, one year from September 1, 1962, \$3,125, supersedes (9-14-62).

ANDREWS, JAMES A., Instructor in Accountancy (Chicago Undergraduate Division), academic year beginning September 1, 1962, \$5,200 (9-7-62).

ARO, AURELIA M., Instructor in Pharmacognosy and Pharmacology (Pharmacy), $\frac{1}{2}$ time, academic year beginning September 1, 1962, \$2,800, supersedes (10-1-62).

ARONSON, ALAN R., Clinical Instructor in Medicine (Medicine), $\frac{1}{5}$ time, one year from September 1, 1962, \$1,500 (8-29-62).

AZUMA, YASUO, Research Associate in Food Technology (S), one year from September 1, 1962, \$5,850 (9-7-62).

BAKER, JAMES L. L., Research Assistant and Assistant in Mechanical Engineering (C), nine months from September 16, 1962, \$5,000 (9-14-62).

BALES, RETTA E., Assistant Director of Admissions and of Clinics (Research and Educational Hospitals), one year from September 1, 1962, \$9,450, supersedes (9-7-62).

BARD, BEVERLY S., Research Assistant in the Institute for Research on Exceptional Children, nine months from September 16, 1962, \$4,900 (9-13-62).

BEERS, RAY F., JR., Clinical Assistant Professor of Medicine (Medicine), $\frac{3}{4}$ time, one year from September 1, 1962, \$3,600 (8-29-62).

BEEVERS, LEONARD, Research Associate in Plant Physiology (Agronomy) (S), one year from September 1, 1962, \$6,500 (9-7-62).

BENZEL, JAMES F., Research Associate in Ceramic Engineering (S), $\frac{1}{2}$ time, September 15, 1962-August 31, 1963, \$3,300 a year, supersedes (10-3-62).

- BERGERON, CLIFTON G., Research Assistant Professor of Ceramic Engineering (C and S), full time from September 1-15, 1962, and June 16-August 31, 1963, \$6,795 a year, and $\frac{1}{2}$ time from September 16, 1962-June 15, 1963, \$4,705 a year, supersedes (9-11-62).
- BLAHA, GORDON C., Instructor in Anatomy (Medicine), one year from September 1, 1962, \$6,000 (8-29-62).
- BOCKMAN, DALE E., Instructor in Anatomy (Medicine), one year from September 1, 1962, \$7,000 (9-12-62).

RESIGNATIONS, DECLINATIONS, AND CANCELLATIONS

- AMON, ALBERT H., Assistant Professor of Psychology (Digital Computer Laboratory and College of Liberal Arts and Sciences) — declination effective September 1, 1962.
BERESKIN, BEN, Research Associate in Dairy Science — cancellation effective September 1, 1962.
BIRGE, WESLEY J., Assistant Professor of Zoology — resignation effective September 1, 1962.
BOSWORTH, R. C. L., Visiting Professor of Chemical Engineering — declination effective February 1, 1963.
BOUC, CHARLES A., Instructor in Theoretical and Applied Mechanics — resignation effective September 1, 1962.
BRIMHALL, PAULINE N., Associate Professor of Health Education (Home Economics) — resignation effective September 1, 1962.
BRUCE, ELEANOR A., Assistant in Home Economics — resignation effective November 1, 1962.
CELLI, VITTORIO, Assistant Professor of Metallurgical Engineering — resignation effective September 16, 1962.
DAOUD, HANNA N., Fellow in Food Technology — resignation effective September 16, 1962.
DECKER, LOREN E., Administrative Officer in Air Force Science — resignation effective September 1, 1962.
DEMBSKI, WILLIAM J., Instructor in Biological Sciences — resignation effective September 1, 1962.
DEPEYSTER, FREDERIC, Clinical Associate Professor of Surgery (Medicine) — declination effective September 1, 1962.
DICKERSON, VINCENT M., Professor of Naval Science and Head of the Department — resignation effective September 1, 1962.
DIVILBISS, JAMES L., Research Associate in the Coordinated Science Laboratory — declination effective September 1, 1962.
FEUCHTWANG, THOMAS E., Research Associate in the Coordinated Science Laboratory — resignation effective September 15, 1962.
FRITZ, THOMAS E., Instructor in Veterinary Research and in Veterinary Pathology and Hygiene — resignation effective September 1, 1962.
GLISSENDORF, OWEN F., Assistant Editor with rank of Assistant Professor of Agriculture — resignation effective August 20, 1962.
GLUCKLICH, JOSEPH, Visiting Research Assistant Professor of Theoretical and Applied Mechanics — resignation effective September 1, 1962.
GORDON, WALTER R., Fellow in Geology — resignation effective September 16, 1962.
GUPTA, BRAJENDRA K., Fellow in Civil Engineering — resignation effective September 16, 1962.
HAGGLUND, RAY R., Instructor in Theoretical and Applied Mechanics — resignation effective September 1, 1962.
HEATH, MRS. KATHLEEN F. S., Fellow in Physical Education — resignation effective September 16, 1962.
HEDISH, NORMAN D., Instructor in Accountancy (Chicago Undergraduate Division) — declination effective September 1, 1962.
ISOLINE, CHARLES J., Assistant Extension Editor with rank of Assistant Professor of Agriculture — resignation effective September 15, 1962.
JANOWSKI, TADEUSZ M., Instructor in Architecture — resignation effective September 1, 1962.
JORDAN, DAVID M., Consultant in Psychology, with rank of Associate Professor — resignation effective September 1, 1962.
KEMP, EMORY L., Instructor in Theoretical and Applied Mechanics — resignation effective September 1, 1962.

- KINGSOLVER, JOHN M., Research Associate in the State Natural History Survey — resignation effective October 11, 1962.
- LEE, SHUN-KU, Research Associate in Theoretical and Applied Mechanics — resignation effective September 1, 1962.
- LERNER, RICHARD H., Instructor in English (Chicago Undergraduate Division) — resignation effective September 1, 1962.
- MACHNE, XENIA, Assistant Professor of Pharmacology (Medicine) — resignation effective September 1, 1962.
- MADDEN, DIANA M., Research Assistant in Chemistry — resignation effective September 1, 1962.
- MANN, DENNIS K., Research Associate in Veterinary Pathology and Hygiene (College of Veterinary Medicine) — resignation effective October 1, 1962.
- MEYERS, BARBARA E., Fellow in Music — resignation effective September 16, 1962.
- MOLTENI, AGOSTINO, Research Associate in Pathology (Medicine) — resignation effective October 1, 1962.
- MORGAN, LEZLIE A., Research Assistant in the Coordinated Science Laboratory — declination effective September 1, 1962.
- NEILL, DAVID M., Research Assistant in Electrical Engineering — resignation effective September 1, 1962.
- NEVEL, DONALD E., Instructor in Theoretical and Applied Mechanics — resignation effective September 1, 1962.
- PANTONE, ANTON M., Clinical Associate Professor of Radiology (Medicine) — resignation effective October 1, 1962.
- PATTERSON, MURRAY N., Research Assistant in Mechanical Engineering — resignation effective September 1, 1962.
- PATTON, WILLARD T., Instructor in Electrical Engineering — resignation effective September 1, 1962.
- RAJAN, N. S., Research Associate in the Radiocarbon Laboratory — resignation effective July 27, 1962.
- REYNOLDS, HARRY A., United States Public Health Service Fellow (Trainee) in Veterinary Medicine — resignation effective September 1, 1962.
- ROBINSON, IRWIN B., Clinical Associate Professor of Surgery and Associate Professor of Oral and Maxillofacial Surgery — declination effective September 1, 1962.
- RONNOW, HENRY K., Special Fellow in Social Work — resignation effective September 16, 1962.
- SHENOI, B. ANANTHA, Assistant Professor of Electrical Engineering — resignation effective September 1, 1962.
- SINGAL, MAHENDAR K., Visiting Professor of Mathematics — declination effective September 16, 1962.
- SNOKE, MYRON D., Adjutant, R.O.T.C. — resignation effective September 1, 1962.
- STEIER, WILLIAM H., Assistant Professor of Electrical Engineering — resignation effective September 1, 1962.
- STREHL, FRANCIS W., Clinical Assistant Professor of Surgery (Medicine) — declination effective September 1, 1962.
- STROMFELD, ROBERT M., United States Public Health Service Fellow (Trainee) in Anatomy (Medicine) — resignation effective July 1, 1962.
- SUSINA, STANLEY V., Associate Professor of Pharmacy (Pharmacy) — resignation effective September 1, 1962.
- TUNG, MRS. SANDRA L., Fellow in Linguistics — resignation effective September 16, 1962.
- WILMS, ERNEST V., Research Associate in Theoretical and Applied Mechanics — resignation effective September 1, 1962.
- YOUNGWORTH, RANDOLPH J., Research Assistant in Civil Engineering — cancellation effective September 16, 1962.

LEAVES OF ABSENCE

- DEBOER, JOHN J., Professor of Education — leave of absence, with full pay, for the first semester of 1962-63, on account of illness.

COLLINS, WILLIAM R., Chief Pharmacist and Instructor in Hospital Pharmacy—retirement effective September 1, 1962.

HARTLEY, MILES C., Professor of Mathematics (Chicago Undergraduate Division)—retirement effective September 1, 1962.

OCTOBER DEGREES CONFERRED

The Secretary presented for record the list of degrees conferred at Urbana, Illinois, as of October 15, 1962, on recommendation of the Urbana-Champaign Senate.

Summary

Degrees in the Graduate College, conferred at Urbana:

Doctor of Philosophy.....	153
Doctor of Education.....	19
Doctor of Musical Arts.....	1
Doctor of Business Administration.....	3
Master of Arts.....	27
Master of Science.....	54
Master of Music.....	2
Master of Education.....	2
Master of Fine Arts.....	1
Master of Comparative Law.....	1
<i>Total, Graduate College.....</i>	<i>(263)</i>

Baccalaureate Degrees, conferred at Urbana:

Bachelor of Science, College of Agriculture.....	2
Bachelor of Science, College of Engineering.....	3
Bachelor of Arts, College of Liberal Arts and Sciences.....	5
Bachelor of Science, College of Liberal Arts and Sciences.....	7
Bachelor of Science, College of Education.....	6
Bachelor of Science, College of Commerce and Business Administration..	4
Bachelor of Science, College of Journalism and Communications.....	1
Bachelor of Fine Arts, College of Fine and Applied Arts.....	1
<i>Total, Baccalaureate Degrees.....</i>	<i>(29)</i>
<i>Total, Degrees Conferred at Urbana.....</i>	<i>292</i>

GRADUATE COLLEGE

Degree of Doctor of Philosophy

In Accountancy

WILLIAM BERNARD BARRETT, B.S., Arkansas Agricultural and Mechanical College, 1952; M.B.A., University of Arkansas, 1954

JAMES WILLIAM GIESE, A.B., University of Washington, 1947; M.S., 1959

WAYNE MELVIN HIGLEY, B.S., University of Omaha, 1958; A.B., State University of Iowa, 1958; M.S., 1960

GEORGE CLARENCE MEAD, B.S., M.S., 1957, 1959

In Agricultural Economics

ALBERT GAIL MADSEN, B.S., M.S., Utah State University, 1956, 1960

In Agronomy

RUSSELL STANLEY ADAMS, JR., B.S., M.S., Kansas State University, 1958, 1959

JERE EVANS FREEMAN, B.S., University of Tennessee, 1958; M.S., 1961

JACK CORUM SHANNON, B.S., University of Tennessee, 1958; M.S., 1959

In Animal Science

GEORGE WILLIAM BRENNIMAN, B.S., M.S., Colorado State University, 1949, 1959
HARLEY ALLEN JORDAN, B.S., Utah State University, 1957; M.S., Montana State College, 1959

In Botany

FRANCIS AUGUST UECKER, B.S., Quincy College, 1956; M.S., 1959

In Business

JAMES JUDSON CHASTAIN, B.S., University of Utah, 1948; M.B.A., University of Chicago, 1949
ATEF MOHAMED EBIED, B.Com., Cairo University, 1952; M.Com., Fouad University, 1956
FRANK JOHNSON, B.S., University of Utah, 1955; M.S., 1959
JEROME BERNARD KERNAN, B.B.A., University of Cincinnati, 1957; M.S., 1959
BERNARD SARACHEK, A.B., A.M., University of Kansas City, 1952, 1955

In Ceramic Engineering

RAJNIKANT BABUBHAI AMIN, B.S., Gujarat University, 1956; B.S.(Tech.), Banaras Hindu University, 1959; M.S., 1960

FUTURE MEETINGS OF THE BOARD

By vote of the Board of Trustees, the November meeting has been changed from the third Wednesday, November 21, to Friday, November 9, so that official action by the Board can be taken on the University's building program for 1963-65 and estimates of state capital appropriations needed in time for filing of said estimates with the State Department of Finance not later than November 15, as required by law.

President Clement reminded the Board that it has agreed to hold the November meeting in Danville to enable the Trustees to participate in the dedication of the University's Radio Telescope at the Vermilion River Observatory in the outskirts of Danville, the dedication to be sponsored jointly by the University and the Danville Chamber of Commerce. Official notice of the meeting and schedule will be sent by the Secretary.

RECESS

The Comptroller reported that bids on the Housing Revenue Bonds which will be issued to finance construction of the Illinois Street Residence Halls were opened at 11:00 a.m. today and are being evaluated. He asked that action on the recommendation relating to the revenue bond issue be deferred until later in the day.

President Clement stated that President Henry has requested a recess period to give representatives of the press an opportunity to ask questions and to secure further information concerning the biennial operating budget for 1963-65 which has been approved at today's meeting.

At 12:05 p.m., on motion of Mr. Dilliard, the Board recessed.

When the Board reconvened, at 1:40 p.m., the same members of the Board and officers of the University were present as recorded at the beginning of these minutes.

HOUSING REVENUE BONDS OF 1962, SERIES B AND C

(23) Eight bids were received at 11:00 a.m. today (October 17, 1962) in the Illini Center, LaSalle Hotel, Chicago, for the sale of \$2,400,000 of Housing Revenue Bonds of 1962, Series B, and six bids were received at the same time for certain maturities of \$4,300,000 Housing Revenue Bonds, Series C, to finance construction of the Illinois Street Residence Halls.

The Vice-President and Comptroller recommends that the Series B bonds be sold to Wertheim and Company, 1 Chase Manhattan Plaza, New York, New York, and L. F. Rothschild and Company, 120 Broadway, New York, New York, at a price of \$2,377,392 plus accrued interest and at an effective interest rate of 3.4867 per cent; that \$390,000 of Series C bonds maturing in 1965 through 1972 be sold to Smith, Barney, and Company and Associates at a price of \$390,287.82 plus accrued interest and at an effective interest rate of 2.7723 per cent; and that \$790,000 Series C bonds maturing in 1973 through 1982 be sold to Wertheim and Company and L. F. Rothschild and Company at a price of \$791,003.30 plus accrued interest and at an effective interest rate of 3.172 per cent. These bids represent the lowest interest cost to the University.

Submitted herewith are schedules of all bids received, copies of which have been filed with the Secretary of the Board for record.

The Vice-President and Comptroller presents a Loan Agreement (Contract No. H(402)-697) with the Federal Housing and Home Finance Agency and recommends that he be authorized to execute it. In accordance with the provisions of the Loan Agreement, he recommends that \$3,120,000 Series C bonds maturing in 1983 through 2002 be sold to the Housing and Home Finance Agency at par and accrued interest and at an interest rate of 3¾ per cent.

The Vice-President and Comptroller also presents the Sixth Supplemental Housing Bond Resolution supplementing the Resolution approved December 17, 1958, and creating \$2,400,000 Housing Revenue Bonds of 1962, Series B, and \$4,300,000 Housing Revenue Bonds of 1962, Series C, and recommends its adoption.

He further recommends that the Board (1) authorize the execution of the bonds by A. J. Janata, Secretary of the Board, by facsimile signatures of the President of the Board, and by the facsimile signatures of Frances B. Watkins and Timothy W. Swain, members of the Board, and (2) ratify and confirm all actions taken or to be taken by the officers and members of the Board in connection with the sale and delivery of the bonds to the purchasers indicated above.

The President of the University concurs in all the foregoing recommendations.

On motion of Mr. Johnston, these recommendations were approved and the Sixth Supplemental Housing Bond Resolution supplementing the Resolution approved December 17, 1958, and creating \$2,400,000 Housing Revenue Bonds of 1962, Series B, and \$4,300,000 Housing Revenue Bonds of 1962, Series C, was adopted, this action being taken by the following vote of record: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

Sixth Supplemental Housing Revenue Bond Resolution

A RESOLUTION CREATING AND AUTHORIZING THE ISSUE, AUTHENTICATION, AND DELIVERY OF \$2,400,000 HOUSING REVENUE BONDS OF 1962, SERIES B, AND \$4,300,000 HOUSING REVENUE BONDS OF 1962, SERIES C, AND FURTHER SUPPLEMENTING A RESOLUTION DULY ADOPTED BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS ON DECEMBER 17, 1958.

WHEREAS, The Board of Trustees of the University of Illinois, on due consideration and investigation, does now find and determine that it is advisable

and necessary and in the interests of the University of Illinois and the welfare of its students and faculty to construct and equip additional buildings and related facilities for the purpose of housing its students and staff; and

WHEREAS, in order to provide such facilities it is advantageous to the University and necessary that the University borrow money and issue and sell revenue bonds under the provisions of paragraphs 48.1 through 48.7 of Chapter 144 of the Illinois Revised Statutes 1961, and all laws amendatory thereof and supplemental thereto; and

WHEREAS, The Board of Trustees of the University of Illinois on December 17, 1958, did duly adopt a resolution (herein sometimes called "Original Resolution") providing for the issuance of revenue bonds; and

WHEREAS, The Board of Trustees of the University of Illinois on June 23, 1959, October 21, 1959, June 14, 1960, May 17, 1961, and May 24, 1962, respectively, duly adopted First, Second, Third, Fourth and Fifth Supplemental Resolutions for the purpose of supplementing the Original Resolution and providing for the issuance of additional revenue bonds thereunder, and

WHEREAS, there are now issued and outstanding under the Original Resolution as supplemented by the First, Second, Third, Fourth and Fifth Supplemental Resolutions thereto, \$24,296,000 aggregate principal amount of Bonds designated "The Board of Trustees of the University of Illinois Housing Revenue Bonds" and having the further designations of year and series in the respective principal amounts as follows:

<i>Year and Series</i>	<i>Principal Amount</i>
1958, Series A.....	\$1,570,000
1958, Series B.....	1,477,000
1959, Series A.....	90,000
1959, Series B.....	1,489,000
1959, Series C.....	3,410,000
1959, Series D.....	3,410,000

1960, Series B.....	5,000,000
1960, Series C.....	750,000
1962, Series A.....	2,100,000

WHEREAS, The Board of Trustees of the University of Illinois now desires to create and to authorize the issue, authentication and delivery of an additional issue of Bonds under and in accordance with the Resolution as supplemented by this Sixth Supplemental Resolution thereto which additional Bonds are to be limited to the aggregate principal amount of \$6,700,000 at any one time outstanding, \$2,400,000 of which shall be known as "The Board of Trustees of the University of Illinois Housing Revenue Bonds of 1962, Series B (hereinafter called "1962 Series B Bonds") and \$4,300,000 of which shall be known as "The Board of Trustees of the University of Illinois Housing Revenue Bonds of 1962, Series C" (hereinafter called "1962 Series C Bonds").

Now, Therefore, Be It Resolved by The Board of Trustees of the University of Illinois:

ARTICLE ONE

SUPPLEMENTARY PROVISIONS RELATING TO INCOME AND THE APPLICATION THEREOF

SECTION 1.1. *Pledge of Revenues.* The pledge of the revenues (including the revenues to be derived from the operation of Project G hereinafter mentioned) contained in Section 5.01 of the Original Resolution and Section 1.1 of each of the First, Second, Third, Fourth and Fifth Supplemental Resolutions is hereby ratified and confirmed and all revenues to be derived from the operation of Project G are hereby specifically pledged for the purposes mentioned in said Section 5.01 of the Original Resolution.

SECTION 1.2. *Supplementation of Revenues.* It is hereby determined by the Board of Trustees and it is hereby covenanted that in view of the additional issue of Bonds to be outstanding it is necessary to supplement the revenues to be derived from the facilities by a further use of student tuitions which are author-

ized by law to be retained in the Treasury of the University and therefore the limitation contained in clause (b) of Section 5.03 of the Original Resolution as supplemented by Section 1.2 of each of the First, Second, Third, Fourth and Fifth Supplemental Resolutions be and the same is hereby increased by an amount equal to \$250,000 so that such supplementation shall henceforth be an amount not to exceed in any one fiscal year the lesser of (a) an amount which when added to the revenues to be derived from the facilities will be sufficient to meet the annual operating expenses of the facilities and to provide for the payments required to be made into the Bond and Interest Sinking Fund established for the benefit of the Bonds in subsection (b) of Section 5.02 of the Original Resolution, or (b) \$1,110,000 plus such additional sums as may be specified in any other resolution supplemental to the Resolution as supplemented hereby, creating or authorizing the issuance of additional Bonds.

ARTICLE TWO

1962 SERIES B AND 1962 SERIES C BONDS AND THE ISSUANCE THEREOF

SECTION 2.1. *Project G and Purpose of Issue of Bonds.* The project (hereinafter designated "Project G") to be acquired, constructed, equipped and completed pursuant to this Sixth Supplemental Resolution is described in a general way as:

A residence hall to be located north of Illinois Street and east of the Student-Staff Apartments, consisting of two housing buildings, one food service building and a lounge-recreation building for approximately 1210 undergraduate students, sometimes known as the Illinois Street Residence Halls, plus parking lots near the Illinois Street Residence Halls and the Graduate Residence Halls.

The estimated cost of said Project G is \$6,700,000 exclusive of land and exclusive of any pro rata share of the University power and heating plant serving the Project, but including the cost of extending utilities to the Project. The estimated cost of each portion of said Project G is more fully set forth in the plans and specifications therefor on file with the Comptroller of the University.

It is hereby determined that in order to produce the funds necessary to construct and equip Project G that the University borrow the sum of \$6,700,000 and in evidence thereof to issue its Housing Revenue Bonds hereunder in said principal amount.

SECTION 2.2. *Terms of 1962 Series B Bonds and 1962 Series C Bonds.* There is hereby created and authorized two additional series of Bonds to be issued under the Resolution as supplemented by this Sixth Supplemental Resolution to be substantially in the form and of the tenor and purport hereinafter set forth and limited to the aggregate principal amount of Six Million Seven Hundred Thousand Dollars (\$6,700,000) at any one time outstanding, Two Million Four Hundred Thousand (\$2,400,000) of which shall be designated "The Board of Trustees of the University of Illinois Housing Revenue Bonds of 1962, Series B" (hereinafter called "1962 Series B Bonds") and Four Million Three Hundred Thousand (\$4,300,000) of which shall be designated "The Board of Trustees of the University of Illinois Housing Revenue Bonds of 1962, Series C" (hereinafter called "1962 Series C Bonds").

The 1962 Series B Bonds and the 1962 Series C Bonds shall be issued as negotiable coupon Bonds dated October 1, 1962, registrable as to principal in the denomination of \$1,000 or as fully registered Bonds without coupons, dated as of the interest payment date to which interest was last paid, next preceding the date of issue, unless issued on an interest payment date on which interest was paid, in which case they shall be dated as of the date of issue, or unless issued prior to April 1, 1963, in which case they shall be dated October 1, 1962. Each fully registered Bond without coupons shall be of a single maturity. Fully registered Bonds without coupons, shall be numbered in such manner satisfactory to the Trustee as may be designated by the Comptroller and shall be issued in denominations of \$1,000 or multiples thereof, shall bear interest from October 1, 1962, payable semiannually on the first days of April and October in each year until paid, commencing April 1, 1963, at the rates provided below and shall mature in the following amounts on October 1 of the following years:

October 1, 1992 through April 1, 1997.....	1%
October 1, 1997 or thereafter prior to maturity.....	None

provided, however, that the 1962 Series C bonds maturing in the years 1997 through 2002 shall be redeemable prior to their maturity at the option of the Board of Trustees, either in whole or in part, on any interest payment date at the principal amount thereof plus accrued interest to the date of redemption and without premium. All redemptions shall be made in the manner, upon the notice, and with the effect provided in Article Three of the Original Resolution.

SECTION 2.3. *Payment of Principal and Interest.* Both the principal of and the interest on the 1962 Series B Bonds and the 1962 Series C Bonds shall be payable in any coin or currency which, on the respective date of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, at The First National Bank of Chicago, or its successor, in the City of Chicago, Illinois, or, at the option of holders at The Chase Manhattan Bank, or its successor, in the Borough of Manhattan and City and State of New York.

SECTION 2.4. *Form of Bonds.* The definitive coupon Bonds of 1962 Series B and 1962 Series C, the interest coupons to be attached thereto, and the form of fully registered Bonds without coupons of 1962 Series B and 1962 Series C, shall be in substantially the following forms with appropriate insertions, omissions and variations to evidence differences in series, number, interest rate, maturity and like matters:

(Form of Coupon Bond)

UNITED STATES OF AMERICA
STATE OF ILLINOIS

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF
ILLINOIS HOUSING REVENUE BOND OF 1962

(Series)

Number..... \$1,000

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, a body corporate, created and existing under the laws of the State of Illinois, for value received promises to pay to bearer, but only out of the Housing Revenue Bond Fund, as hereinafter provided for, and not otherwise, the principal sum of ONE THOUSAND DOLLARS (\$1,000), on October 1, 19....., and to pay interest on said sum from the date hereof until paid at the rate of per cent (.....%) per annum, payable April 1, 1963, and semiannually thereafter on the first days of April and October in each year until the principal amount hereof has been fully paid. Interest accruing on this bond on and prior to the maturity date hereof shall be payable on presentation and surrender of the interest coupons hereto attached as they subsequently become due, but no interest shall accrue on this bond after the maturity hereof unless this bond shall be presented for payment and be not then paid.

Both principal hereof and interest hereon are hereby made payable in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, at The First National Bank of Chicago (hereinafter called "Trustee"), or its successor in trust under the Resolution hereinafter referred to, in the City of Chicago, Illinois, or at the option of the holder, at The Chase Manhattan Bank, in the Borough of Manhattan and City and State of New York.

This bond is one of an authorized series of Dollars (\$.....) principal amount of Housing Revenue Bonds of 1962, Series, which, with the 1962 Series Bonds constitute an issue of Six Million Seven Hundred Thousand Dollars (\$6,700,000), issued or to be issued pursuant to a Bond Resolution of The Board of Trustees of the University of Illinois duly adopted December 17, 1958, as supplemented by First, Second, Third, Fourth, Fifth and Sixth Supplemental Resolutions thereto duly adopted June 23, 1959, October 21, 1959, June 14, 1960, May 17, 1961, May 24, 1962, and October 17, 1962, respectively (said Bond Resolution as so supplemented being herein referred to as the "Resolution"), for the purpose of providing funds for paying the cost of constructing and equipping student and staff housing and related facilities. Said Resolution, among other things, provides for the issuance of additional bonds pursuant thereto in the manner and upon the terms and conditions more fully set forth therein.

The bonds of this Series are redeemable prior to maturity as a whole or in part on October 1, 1972, or on any interest payment date thereafter in the inverse order in which they mature at the option of The Board of Trustees of the University of Illinois at par and accrued interest to the date of redemption and a premium as follows: three per cent (3%) of the principal amount thereof if redeemed October 1, 1972 through April 1, 1977; two and one-half per cent (2½%) of the principal amount thereof if redeemed October 1, 1977 through

April 1, 1982; two per cent (2%) of the principal amount thereof if redeemed October 1, 1982 through April 1, 1987; one and one-half per cent (1½%) of the principal amount thereof if redeemed October 1, 1987 through April 1, 1992; one per cent (1%) of the principal amount thereof if redeemed October 1, 1992 through April 1, 1997; and without premium if redeemed October 1, 1997 or thereafter.

(1962 Series C Bonds Only)

The period at the end of the foregoing paragraph shall be deleted in the 1962 Series C Bonds and a semicolon substituted therefor and the following proviso added to the end of said paragraph.

[provided, however, that the bonds of this series maturing in the years 1997 through 2002 shall be redeemable prior to their maturity at the option of The Board of Trustees of the University of Illinois, either in whole or in part, on any interest payment date at the principal amount thereof plus accrued interest to the date of redemption and without premium].

Notice of redemption of any or all of said bonds shall be published once a week for two successive calendar weeks, the first such publication to be not less than thirty days prior to the date of redemption, such publication to be made in one daily newspaper printed in the English language and published and of general circulation in the City of Chicago, Illinois, and also in a financial newspaper printed in the English language and published and of general circulation in the Borough of Manhattan, City and State of New York, and when this bond or any of the bonds of such authorized issue shall have been duly called for redemption, interest thereon shall cease from and after the specified redemption date if redemption monies are available for the payment of all bonds called for redemption.

This bond and the series of which it forms a part is issued under the authority of The Board of Trustees of the University of Illinois to issue and sell revenue bonds under the provisions of paragraphs 48.1 through 48.7 of Chapter 144 of the Illinois Revised Statutes, 1961, and all laws amendatory thereof and supplemental thereto and the Resolution above referred to.

This bond is payable, both as to principal and interest, only from the revenues required to be credited to the Housing Revenue Bond Fund as provided in the Resolution, which revenues are to be derived from (1) the operation of the revenue producing facilities constructed, completed, and equipped with the proceeds of this bond issue, bonds heretofore issued pursuant to the Resolution and additional bonds which may hereafter be issued pursuant to the Resolution, (2) student tuitions authorized by law to be retained in the University treasury, but not in excess of \$1,110,000 annually plus such additional sums as may be specified in any supplemental resolution creating or authorizing additional bonds to be issued pursuant to the Resolution as so supplemented, and (3) certain existing revenue producing buildings of the University after the prior payment of other indebtedness to the extent set forth in the Resolution. This bond and the series of which it forms a part do not constitute an indebtedness of said University of Illinois, The Board of Trustees of the University of Illinois, or the State of Illinois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University, of said Board of Trustees or of the State of Illinois is pledged to the payment of this bond or the interest thereon.

This bond shall pass by delivery unless it is registered as to principal in the name of the holder on the books of registration of said University kept at the office of the Trustees in Chicago, Illinois, such registration to be noted on the back hereof. After such registration no transfer hereof shall be valid unless made on such books by the registered holder in person or by attorney duly authorized in writing and similarly noted hereon, but this bond may be transferred in like manner to bearer, and thereupon transferability by delivery shall be restored and it may again from time to time be registered or transferred to bearer as before. Such registration, however, shall not restrict the negotiability of the coupons hereto appertaining, but such coupons shall be transferable by delivery merely and payable to the bearer hereof.

Subject to the provisions for registration and transfer, this bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and during such time as this bond is payable to bearer, the same and each of

the coupons hereto appertaining may be negotiated by delivery by any person having possession thereof, and any holder who shall have taken this bond while so payable to bearer or any of said coupons from any person for value and without notice shall thereby acquire absolute title to this bond or to such coupons, as the case may be, free of any defenses enforceable against any prior holder and free from all equities and claims of ownership of any such prior holder, and The Board of Trustees of the University of Illinois, the Trustee, and any paying agent may deem and treat the bearer of this bond, or, if registered, the person in whose name it is registered, and the bearer of any interest coupons appertaining hereto as the absolute owner hereof for all purposes and shall not be affected by any notice to the contrary whether this bond or any coupon appertaining thereto be overdue or not.

The bonds of this series are issuable as coupon bonds registrable as to principal only in the denomination of \$1,000 and as registered bonds without coupons in the denomination of \$1,000 or a multiple thereof. Each fully registered bond without coupons shall be of a single maturity. The coupon bonds and the registered bonds without coupons are interchangeable for bonds of the same interest rate and maturity upon presentation thereof for such purpose by the holder or registered owner at the principal office of the Trustee in the City of Chicago, Illinois, and upon payment of charges and otherwise as provided in the Resolution.

The rights and obligations of the University and of the holders of the bonds may be modified or amended at any time with the consent of The Board of Trustees of the University of Illinois and of the holders of sixty-six and two-thirds per cent (66⅔%) in principal amount of outstanding bonds in the manner, to the extent, and upon the terms and conditions provided in the Resolution; provided that no such modification or amendment shall (i) extend the maturity of or reduce the interest rate on or otherwise alter or impair the obligation of the University to pay the principal, interest or redemption premiums, if any, at the time and place and at the rate and in the currency provided therein of any bond without the express consent of the holder, or (ii) permit the creation of any mortgage or pledge or lien on the facilities, or upon any income therefrom or other funds pledged or held under the Resolution, except as permitted by the Resolution, other than the lien and pledge created thereunder, or (iii) permit the creation by The Board of Trustees of the University of Illinois of any preference or priority of any bond or bonds over any other bond or bonds or coupon or coupons over any other coupon or coupons, or (iv) reduce the percentage in principal amount of bonds required for the affirmative vote or written consent to an amendment or modification without the consent of the holder of this bond; all as more fully set forth in the Resolution.

The Board of Trustees of the University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the Resolution adopted by it, authorizing the issuance of this bond and the series of which it forms a part, and hereby irrevocably obligates itself to administer the said income and revenue derived from the operation of said facilities, as provided for in and by said Resolution, and to establish from time to time parietal rules, rents, and charges for the use of said facilities and to maintain and collect rents and charges and to withhold student tuitions, sufficient to pay the reasonable cost of operating and maintaining said facilities, and pay the principal of and interest upon all revenue bonds which by their terms are payable from such revenues, until all of such bonds have been paid in full, both as to principal and interest.

It is hereby certified and recited and declared that all acts, conditions, and things required to exist, to happen, and to be performed, precedent to and in the issuance of this bond, have existed, have happened, and have been performed in due form, time, and manner, as required by law and the applicable resolutions of The Board of Trustees of the University of Illinois, and that provision has been made for setting aside the income and revenue to be derived from the operation of said facilities to be applied in the manner hereinabove set forth.

IN WITNESS WHEREOF, The Board of Trustees of the University of Illinois has caused this bond to be executed by the facsimile signatures of its President and two of its members, the corporate seal of the University of

Illinois to be hereto affixed (or a facsimile thereof to be reproduced hereon), and attested by its Secretary, and has caused the interest coupons hereto attached to be executed by the facsimile signatures of said President and Secretary, and this bond to be dated as of the 1st day of October, 1962.

Both principal hereof and interest hereon are hereby made payable in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, at The First National Bank of Chicago (hereinafter called "Trustee"), or its successor in trust under the Resolution hereinafter referred to, in the City of Chicago, Illinois, or at the option of the holder, at The Chase Manhattan Bank, in the Borough of Manhattan and City and State of New York.

This bond is one of an authorized series of Dollars (\$.....) principal amount of Housing Revenue Bonds of 1962, Series....., which, with the 1962 Series Bonds constitute an issue of Six Million Seven Hundred Thousand Dollars (\$6,700,000), issued or to be issued pursuant to a Bond Resolution of The Board of Trustees of the University of

Illinois duly adopted December 17, 1958, as supplemented by First, Second, Third, Fourth, Fifth and Sixth Supplemental Resolutions thereto duly adopted June 23, 1959, October 21, 1959, June 14, 1960, May 17, 1961, May 24, 1962, and October 17, 1962, respectively (said Bond Resolution as so supplemented being herein referred to as the "Resolution"), for the purpose of providing funds for paying the cost of constructing and equipping student and staff housing and related facilities. Said Resolution, among other things, provides for the issuance of additional bonds pursuant thereto in the manner and upon the terms and conditions more fully set forth therein.

The bonds of this Series are redeemable prior to maturity as a whole or in part on October 1, 1972, or on any interest payment date thereafter in the inverse order in which they mature at the option of The Board of Trustees of the University of Illinois at par and accrued interest to the date of redemption and a premium as follows: three per cent (3%) of the principal amount thereof if redeemed October 1, 1972 through April 1, 1977; two and one-half per cent (2½%) of the principal amount thereof if redeemed October 1, 1977 through April 1, 1982; two per cent (2%) of the principal amount thereof if redeemed October 1, 1982 through April 1, 1987; one and one-half per cent (1½%) of the principal amount thereof if redeemed October 1, 1987 through April 1, 1992; one per cent (1%) of the principal amount thereof if redeemed October 1, 1992 through April 1, 1997; and without premium if redeemed October 1, 1997 or thereafter.

(1962 Series C Bonds Only)

The period at the end of the foregoing paragraph shall be deleted in the 1962 Series C Bonds and a semicolon substituted therefor and the following proviso added to the end of said paragraph.

[provided, however, that the bonds of this series maturing in the years 1997 through 2002 shall be redeemable prior to their maturity at the option of The Board of Trustees of the University of Illinois, either in whole or in part, on any interest payment date at the principal amount thereof plus accrued interest to the date of redemption and without premium].

Notice of redemption of any or all of said bonds shall be published once a week for two successive calendar weeks, the first such publication to be not less than thirty days prior to the date of redemption, such publication to be made in one daily newspaper printed in the English language and published and of general circulation in the City of Chicago, Illinois, and also in a financial newspaper printed in the English language and published and of general circulation in the Borough of Manhattan, City and State of New York, and when this bond or any of the bonds of such authorized issue shall have been duly called for redemption, interest thereon shall cease from and after the specified redemption date if redemption monies are available for the payment of all bonds called for redemption.

This bond and the series of which it forms a part is issued under the authority of The Board of Trustees of the University of Illinois to issue and sell revenue bonds under the provisions of paragraphs 48.1 through 48.7 of Chapter 144 of the Illinois Revised Statutes, 1961, and all laws amendatory thereof and supplemental thereto and the Resolution above referred to.

This bond is payable, both as to principal and interest, only from the revenues required to be credited to the Housing Revenue Bond Fund as provided in the Resolution, which revenues are to be derived from (1) the operation of the revenue producing facilities constructed, completed, and equipped with the proceeds of this bond issue, bonds heretofore issued pursuant to the Resolution and additional bonds which may hereafter be issued pursuant to the Resolution, (2) student tuitions authorized by law to be retained in the University treasury, but not in excess of \$1,110,000 annually plus such additional sums as may be specified in any supplemental resolution creating or authorizing additional bonds to be issued pursuant to the Resolution as so supplemented, and (3) certain existing revenue producing buildings of the University after the prior payment of other indebtedness to the extent set forth in the Resolution. This bond and the series of which it forms a part do not constitute an indebtedness of said University of Illinois, The Board of Trustees of the University of Illinois, or the State of Illi-

nois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University, of said Board of Trustees, or of the State of Illinois is pledged to the payment of this bond or the interest thereon.

Subject to the provisions for registration and transfer contained herein and in the Resolution, this bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and shall be transferable by the registered owner at the principal office of the Trustee in the City of Chicago, Illinois, upon surrender and cancellation of this bond and thereupon a new registered bond without coupons of the same principal amount, interest rate and maturity will be issued to the transferee as provided in the Resolution, upon payment of the transfer charges therein prescribed. The Board of Trustees of the University of Illinois, the Trustee and any other person may treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment and for all other purposes and shall not be affected by any notice to the contrary whether this bond be overdue or not.

The bonds of this series are issuable as coupon bonds registrable as to principal only in the denomination of \$1,000 and as registered bonds without coupons in the denomination of \$1,000 or a multiple thereof. Each fully registered bond without coupons shall be of a single maturity. The coupon bonds and the registered bonds without coupons are interchangeable for bonds of the same interest rate and maturity upon presentation thereof for such purpose by the holder or registered owner at the principal office of the Trustee in the City of Chicago, Illinois, and upon payment of charges and otherwise as provided in the Resolution.

The rights and obligations of the University and of the holders of the bonds may be modified or amended at any time with the consent of The Board of Trustees of the University of Illinois and of the holders of sixty-six and two-thirds per cent ($66\frac{2}{3}\%$) in principal amount of outstanding bonds in the manner, to the extent, and upon the terms and conditions provided in the Resolution; provided that no such modification or amendment shall (i) extend the maturity of or reduce the interest rate on or otherwise alter or impair the obligation of the University to pay the principal, interest or redemption premiums, if any, at the time and place and at the rate and in the currency provided therein of any bond without the express consent of the holder, or (ii) permit the creation of any mortgage or pledge or lien on the facilities, or upon any income therefrom or other funds pledged or held under the Resolution, except as permitted by the Resolution, other than the lien and pledge created thereunder, or (iii) permit the creation by The Board of Trustees of the University of Illinois of any preference or priority of any bond or bonds over any other bond or bonds or coupon or coupons over any other coupon or coupons, or (iv) reduce the percentage of principal amount of bonds required for the affirmative vote or written consent to an amendment or modification without the consent of the holder of this bond; all as more fully set forth in the Resolution.

The Board of Trustees of the University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the Resolution adopted by it, authorizing the issuance of this bond and the series of which it forms a part, and hereby irrevocably obligates itself to administer the said income and revenue derived from the operation of said facilities, as provided for in and by said Resolution, and to establish from time to time parietal rules, rents, and charges for the use of said facilities and to maintain and collect rents and charges and to withhold student tuitions, sufficient to pay the reasonable cost of operating and maintaining said facilities, and pay the principal of and interest upon all revenue bonds which by their terms are payable from such revenues, until all of such bonds have been paid in full, both as to principal and interest.

It is hereby certified and recited and declared that all acts, conditions, and things required to exist, to happen, and to be performed, precedent to and in the issuance of this bond, have existed, have happened, and have been performed in due form, time, and manner, as required by law and the applicable resolutions of The Board of Trustees of the University of Illinois, and that provision has been made for setting aside the income and revenue to be derived from the operation of said facilities to be applied in the manner hereinabove set forth.

IN WITNESS WHEREOF, The Board of Trustees of the University of Illinois has caused this bond to be executed by the facsimile signatures of its President and two of its members, the corporate seal of the University of Illinois to be hereto affixed (or a facsimile thereof to be reproduced hereon), and attested by its Secretary, and this bond to be dated as the 1st day of _____, 19_____.

ARTICLE THREE

MISCELLANEOUS

SECTION 3.1. *Application of Bond Proceeds.* The Board of Trustees hereby determines that Project G will become revenue producing on or about September 30, 1964 and therefore that portion of the proceeds of the 1962 Series B Bonds and 1962 Series C Bonds representing the interest accrued on such Bonds to the date of payment therefor shall, together with an amount equal to the interest to accrue on such Bonds through September 30, 1964 be deposited with the Trustee in the Bond and Interest Sinking Fund account as required by Section 6.01 of the Resolution.

The balance of said proceeds of the 1962 Series B Bonds and 1962 Series C Bonds shall, as required by Section 6.01 of the Resolution, be deposited in a bank or banks which are members of the Federal Deposit Insurance Corporation and shall be accounted for as one or more separate funds. The application of the funds in such accounts and the disposition thereof shall in all respects comply with all the terms and provisions of Article Six of the Resolution, subject to the terms and provisions of any contract or agreement permitted by or contemplated in said Article Six between The Board of Trustees and any original purchaser of such Bonds.

SECTION 3.2. *Exchanges of 1962 Series B Bonds and 1962 Series C Bonds.* Notwithstanding the provisions of Section 2.08 of the Original Resolution the University may, in addition to any other charges permitted to be made upon the exchange or transfer of bonds, charge to the holders of any fully registered 1962 Series B Bonds and 1962 Series C Bonds presented for exchange for coupon Bonds, the actual costs of printing new coupon Bonds for the purpose of making such exchange. However, 1962 Series B Bonds and 1962 Series C Bonds originally issued in fully registered form at the time of initial delivery thereof may be exchanged without charge for coupon Bonds by the initial purchaser of such Bonds.

SECTION 3.3. *Interpretation and construction.* This Sixth Supplemental Resolution is supplemental to and is adopted in accordance with Sections 2.06 and 4.02 of the Resolution. In all respects not inconsistent with this Sixth Supplemental Resolution, the Resolution is hereby ratified, approved and confirmed, and all of the definitions, terms, covenants and restrictions of the Resolution shall be applicable to the additional Bonds authorized by this Sixth Supplemental Resolution and the proceeds thereof except as otherwise expressly provided. All of the terms and provisions of this Sixth Supplemental Resolution shall be deemed to be part of the terms and provisions of the Resolution, and the Resolution and this Sixth Supplemental Resolution shall be read, taken and construed as one and the same instrument. In executing or authenticating any Bond authorized by this Sixth Supplemental Resolution the Trustee and each officer, agent or employee of the University shall be entitled to all of the privileges and immunities afforded to them under the terms of the Resolution.

SECTION 3.4. *Resolution Effective on Passage.* This resolution shall become effective upon its passage.

STATE OF ILLINOIS }
 COUNTY OF CHAMPAIGN } ss.

I,, do hereby certify that I am the duly elected, qualified and acting Secretary of The Board of Trustees of the University of Illinois, and as such official have charge and custody of the minutes and records of said Board of Trustees.

I further certify that the attached resolution is a true, correct and exact copy of the original resolution adopted by The Board of Trustees of the University of Illinois at its legally convened meeting held on the 17th day of October, 1962, all as appears of record in my office.

IN WITNESS WHEREOF I have hereunto set my hand and the seal of said University this day of, 19.....

Secretary as aforesaid.

CONTRACTS FOR CONSTRUCTION OF ILLINOIS STREET
 RESIDENCE HALLS

(24) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of contracts for the construction of the Illinois Street Residence Halls (for 1,210 single undergraduate students) in the area between Illinois and Green Streets and east of the Student-Staff Apartments in Urbana, the award in each case being to the lowest bidder:

General — Kuhne-Simmons Company, Inc., Champaign.....	\$3 639 870
Base bid.....	\$3 669 870
Deductive alternates for omission of reflective pool in central court and substitution of top soil; replacement of all black walnut wall paneling in the food service building and the two residence hall buildings with painted plaster; substitution of enamel finish on ceilings in toilet rooms and shower rooms in the dormitory buildings for ceramic tiled ceilings	-30 000
Elevator — Otis Elevator Company Chicago.....	183 381
Food Service Equipment — Century Equipment Company, Chicago.....	190 696
Plumbing — Nu-Way Plumbing Service, Inc., Chicago.....	429 500
Base bid.....	\$ 436 000
Deductive alternate for omission of reflecting pool in the central court and substitution of a drain in the filled court and a storm sewer from the drain to a manhole in the court.....	-6 500
Heating, Piping, and Refrigeration — Borg, Inc., Chicago.....	353 730
Ventilating — R. H. Bishop Company, Champaign.....	197 844
Thermal Insulation — General Insulation, Inc., Peoria.....	69 900
Temperature Control — Minneapolis-Honeywell Regulator Company, Chicago.....	35 961
Base bid.....	\$ 51 627
Deductive alternate for omission of the central control center.....	-15 666
Electrical — Art-O-Lite Company, Inc., Galesburg.....	407 880
Base bid.....	\$ 419 200
Deductive alternates for omission of all electrical work for the reflecting pool fountain system; all wiring and equipment from communications sound system; secondary clocks in corridors and floor lounges in the two residence hall buildings and offices in the lounge building.....	-11 320
Total.....	\$5 508 762

Funds will be available from the proceeds of revenue bonds to finance the construction of these halls, which are being sold today.

Submitted herewith is a report from the Physical Plant Department on this project including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur in these recommendations.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

EXECUTIVE SESSION

At this point, on motion of Mr. Swain, an executive session was ordered for consideration of the following matters of business.

PURCHASE OF PROPERTIES

(1) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the following properties:

1111 West Springfield Avenue, Urbana, Illinois..... \$19 750

The property consists of a lot 52 feet by 132 feet and is improved with a two-story and basement frame dwelling.

1113 West Springfield Avenue, Urbana, Illinois..... 18 250

The property consists of a lot 37 feet by 132 feet and is improved with a two-story and basement frame dwelling.

The improvements of the above two properties will eventually be removed and the land will be a part of the site for the construction of the Coordinated Science Laboratory. Possession will be not later than January 1, 1963, and taxes will be prorated. As a further condition of the purchase agreement with the owners, their tenants may remain until July 1, 1963.

1208 West Oregon Street, Urbana, Illinois..... 33 600

The property consists of a lot 50 feet by 157 feet and is improved with a two-story and basement frame dwelling.

The improvement will eventually be removed and the land will be a part of the site for the construction of an addition to the East Chemistry Building. Possession will be not later than July 1, 1963, and taxes will be prorated.

The sale prices are within University appraisals and have been reviewed with the Buildings and Grounds Committee which recommends these purchases.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Pogue, purchase of these properties, at the prices indicated, was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Wilkins.

RECOMMENDATIONS OF THE UNIVERSITY PATENT COMMITTEE

(2) The University Patent Committee submits, with the concurrence of the University Research Board, the following reports and recommendations relating to patentable inventions by members of the staff.

Group A. It is the judgment of the Committee that the inventions in this group have little possibility of commercial development and the recommendation in each case is that the University's rights in the invention be released as indicated.

1. Flash light source—Robert K. Swank, Graduate Student in Physics, inventor. The purpose of the flash lamp is to produce a focused spot of light of high intensity and short duration, repetitive at about one flash per second, with

all flashes of equal intensity. The features of this arrangement are low stray inductance with high light gathering efficiency and operation in an atmosphere of nitrogen. In concurrence with various members of the Department of Physics, the Committee recommends that the rights in this invention be released to the sponsoring agency, the United States Air Force.

2. Contour-tracing pattern recognizer — Paul Weston, Research Assistant in Electrical Engineering, inventor. This device consists of an oscilloscope, a photomultiplier which receives light from the oscilloscope face and a special feedback circuit connecting the photomultiplier to the oscilloscope. It is impossible to exhaustively enumerate the methods which are applicable to this process. In concurrence with the head of the department and the inventor, the Committee recommends that the rights in this invention be released to the sponsoring agency, the United States Navy.

3. Agitator-incubator for aseptic culturing of virus-infected cells and tissue in liquid media — H. H. Thornberry, Professor of Plant Pathology, inventor. The apparatus was constructed to provide the growth of isolated plant tissue cultures under aseptic conditions in a chemically defined liquid medium with controlled temperature and aeration by agitation. In concurrence with the head of the department, the Committee recommends that the rights in the invention be released to the inventor.

4. Automatic recording light-scattering instrument — Hiroshi Mizukami, Graduate Student in Biophysics, inventor. The light-scattering instruments are designed so as to measure the ratio of the intensity of incident light I_0 and that of scattered light from a sample cell I . In general, the angular dependence of scattered light is measured with rotating either a photomultiplier or a minor system around the cell manually. After study and report by the University of Illinois Foundation, the Committee recommends release of the rights in this invention to the sponsoring agency, the United States Public Health Service.

5. Iron core electromagnet with windings of niobium — G. B. Yntema, Research Associate in Physics (1954), inventor. There are two potentially novel features in this design — the use of superconducting windings and the use of iron to augment the field possible with superconducting windings. After study and report by the University of Illinois Foundation, the Committee recommends the release of the rights of the University in this invention to the inventor.

6. Methods for generating hypersonic waves in liquids — Floyd Dunn, Associate Professor of Electrical Engineering, inventor. The novel features of the invention lie in the fact that the quarter wave matching sections of two methods considered enable a sufficiently high electric field gradient to be developed over the thickness of the piezoelectric plate such that the plate vibrates and thereby produces sound waves in the contiguous liquid. After study and report by the University of Illinois Foundation, the Committee recommends release of the rights of the University to the sponsoring agency, the United States Navy.

7. Non-contacting device for accurately locating the spin axis direction of a rotating object — Howard W. Knoebel, Research Associate Professor in the Coordinated Science Laboratory, and A. T. Nordsieck, Research Professor in the Coordinated Science Laboratory, inventors. The device employs two diametrically opposite photoelectric, magnetic, or electrostatic transducers which scan the surface of the rotating object and produce electrical signals in accordance with random surface texture or pattern material applied to the surface of the rotating object. After study and report by the University of Illinois Foundation, the Committee recommends that the rights of the University be released to the sponsoring agency, the United States Army Signal Corps.

Group B. In the judgment of the Committee, the inventions in this group are potentially patentable and may have some value. The Committee therefore recommends that the University's rights be released to the University of Illinois Foundation for further study, development, and possible patentable application.

1. Transistorized digital-to-analog converter — William J. Kopek, Research Assistant in the Coordinated Science Laboratory, and Jack Stifle, Research Assistant in the Coordinated Science Laboratory, inventors. This device utilizes switching techniques whereby constant voltage or constant current generators are switched into or out of a coupling network, and the sum of the voltages or currents produced by these generators at the output is the analog representation of the input digital level. (Under United States Army Signal Corps Contract.)

2. Internally reflecting confocal resonant system — Don F. Holshouser, Associate Professor of Electrical Engineering, inventor. This resonator is generally composed of two opposing reflecting elements with the active medium, either a crystal or a gas, filling the region between. It is useful for frequencies in which wavelengths are short compared to physical dimensions. (Under United States Air Force Contract.)

3. Magnetic pulse integrator — James L. Divilbiss, Research Associate in the Coordinated Science Laboratory, inventor. The principle advantages of this circuit are (1) very large count ranges are possible; (2) nondestructive interrogation; (3) greater independence of setting pulse amplitude for a specified count range; (4) greater temperature independence; (5) device can be incremented both positively and negatively; and (6) count range—i.e., the number of set pulses required to bring the output to a specified level—can be adjusted without changing the setting pulse amplitude. (Under United States Army Signal Corps Contract.)

4. High temperature, high vacuum brazeable electrical feedthrough — Nicholas Vassos, Electronics Technician in the Coordinated Science Laboratory, inventor. The electrical feedthrough is a molybdenum sheet and molybdenum pin isolated electrically with Corning 1720 or Corning 1723 alumina silicate glass. (Under United States Army Signal Corps Contract.)

5. Disposable tissue grinder — Deam H. Ferris, Associate Professor of Veterinary Pathology and Hygiene and Senior Member in the Center for Zoonoses Research, inventor. The novel feature is the disposability of the device since the time involved in cleaning and sterilizing the traditional mortar and pestle or tissue grinder greatly limits their use in multiple specimens or in the field. (Under United States Public Health Service Grant.)

Group C.

1. Passive element resonant levitation servo — Howard W. Knoebel, Research Associate Professor in the Coordinated Science Laboratory, inventor. This is a device to suspend objects in electric or magnetic fields without need of amplifiers. The principle is to use the characteristics of a resonant circuit to reverse the slope of the relationship between distance and field intensity. The technique is equally applicable to magnetic and electric field levitation devices.

The Committee has been advised by the University of Illinois Foundation that there is little likelihood of commercial development. The inventor does not wish to have the rights released to him and it is therefore recommended that the University's rights be released to the United States Army Signal Corps.

I concur in these recommendations.

On motion of Mr. Swain, these recommendations were approved.

REQUEST FOR RETURN OF GIFT

(3) Mrs. Nellie Voight Freeman of Mattoon, Illinois, a former member of the Board of Trustees, transferred a farm to the University by a deed recorded January 18, 1960, subject to the retention of a life estate in Mrs. Freeman and an additional life estate in her daughter, Mrs. Bernadine Freeman Bailey, 253 East Delaware Place, Chicago 11, Illinois. The land is located about seven miles north of Mattoon and includes approximately 218 acres. Mrs. Freeman passed away on October 14, 1962, and is survived by her daughter, Mrs. Bailey.

The deed provides that the farm is to be retained by the University for not less than fifty years after the deaths of the life tenants and is to be operated as an "example of good farming practice in the community in which it is located." During such period the income is to be used for educational purposes and thereafter the University may dispose of the property, retaining the proceeds of any sale of the farm as a perpetual endowment fund for the same purposes.

Prior to Mrs. Freeman's death, the University received the following request from the attorney for the two life tenants:

"Because of difficulties in leasing the land for farming, since prospective tenants are not interested in leasing the land and investing in improvements to farm the land because of the title which depends upon the uncertainty of the two life estates with the remainder in the University of Illinois, Mrs. Freeman would appreciate the return of her gift by the reconveyance of

the land to her, and will express her gratitude by making other gifts to the University of Illinois."

Subsequently the Legal Counsel advised the attorney that in his opinion compliance with the request for reconveyance was not within the power of the Board of Trustees as it would constitute a gift of public property without consideration other than an indefinite and unenforceable promise of future gifts. It was suggested to the attorney that the feasibility of the University joining with the life tenants in a lease to a prospective tenant be explored, but this alternative was not acceptable to the attorney, who requested that the matter be presented to the Board of Trustees for action, which request was repeated after the death of Mrs. Freeman.

The Legal Counsel states that he remains of the opinion that the Board has no legal right to comply with the request for reconveyance of the property since such would constitute a prohibited gift of public property. The Vice-President and Comptroller, and the Legal Counsel, therefore, recommend that the request be denied but that the attorney for the life tenants be advised of the University's continuing willingness to cooperate in solving the problem of securing tenants by joining in the negotiation of leases.

I concur.

On motion of Mr. Pogue, the foregoing recommendation was accepted and adopted as the action of the Board.

On motion of Mr. Swain, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

November 9, 1962

The November meeting of the Board of Trustees of the University of Illinois was held in the Wolford Hotel, Danville, Illinois, on Friday, November 9, 1962, beginning at 10:30 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Wayne A. Johnston, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Governor Otto Kerner, Mr. Earl M. Hughes, and Mr. George T. Wilkins were absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Professor Norman A. Parker, Vice-President, Chicago Undergraduate Division, Dr. Joseph S. Begando, Vice-President, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel; and the officers of the Board, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

BUILDING PROGRAM FOR 1963-65

(1) Submitted herewith is the proposed building program for the biennium of 1963-65, based upon the recommendations of the University Building Program Committee¹ and consultation with the University Council.

I recommend that the Board of Trustees approve this building program for presentation to the appropriate state officials and agencies, and committees of the Seventy-third General Assembly of Illinois; and I further recommend that the President of the Board, the Chairmen of the Board Committees on Buildings and Grounds, General Policy, and Finance, and the President of the University be authorized to represent the Board of Trustees in such conferences as may be required in discussing the program with state officials and agencies.

The building program and requests for state capital appropriations for 1963-65, as prepared by the Building Program Committee and recommended by the President of the University, were submitted to the members of the Board of Trustees in advance of today's meeting. The building program had also been studied in detail by the Committee on Buildings and Grounds in consultation with the President and other University officers at two meetings, on July 17 and November 8, 1962, in which other Trustees participated.

President Henry, Vice-President and Provost Lanier, and Comptroller Farber again reviewed the recommendations.

Following this presentation and discussion by the Trustees, on motion of Mr. Pogue, the building program and recommendations were approved, and authority was given as requested. This action was taken by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Wilkins.

The complete report of the Building Program Committee, including the schedules of capital funds to be requested in state appropriations for 1963-65, on which this action was taken, was filed with the Secretary of the Board for official record.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(2) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
ARTHUR LIEBER, JR.	University City, Missouri	Missouri
DONALD ALAN NAY	Lombard, Illinois	Indiana
ALFRED F. ROLFE	St. Louis, Missouri	Missouri

I concur.

On motion of Mr. Johnston, these certificates were awarded.

¹ Members of the Building Program Committee are: Executive Vice-President and Provost Lyle H. Lanier, Chairman; G. M. Almy, Associate Head of the Department of Physics; Vice-President Joseph S. Begando, Medical Center; Vice-President and Comptroller H. O. Farber; Kenneth M. Madison, Associate Professor of Biological Sciences, Chicago Undergraduate Division; John P. Marbarger, Professor of Physiology and Director of the Aeromedical Laboratory; Vice-President Norman A. Parker, Chicago Undergraduate Division; Dean Russell N. Sullivan of the College of Law; Dean F. T. Wall of the Graduate College.

APPOINTMENTS TO THE FACULTY

(3) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. BERNARD CENTURY, Assistant Professor of Biological Chemistry, College of Medicine, beginning September 1, 1962, without salary (DY).
2. RICHARD WILLIAM TIECKE, Lecturer with rank of Professor, Department of Oral Pathology, College of Dentistry, beginning September 1, 1962, on one-tenth time, at an annual salary of \$1,200 (DY10).
3. CLARA BEATRICE WEIMER, Assistant Professor of Psychology, Department of Psychiatry, College of Medicine, beginning September 17, 1962, at an annual salary of \$9,000 (BY100).
4. PENGH-CHIH CONSTANCE YANG, Visiting Assistant Professor of Civil Engineering, for the academic year 1962-63, at a salary of \$6,500 (E).
5. AVIVI I. YAVIN, Research Assistant Professor of Physics, beginning October 15, 1962, at an annual salary of \$11,000 (DY).
6. JAMES WEBB YOUNG, Visiting Professor of Advertising, College of Journalism and Communications, for one month from February 8, 1963, at a salary of \$2,000 (G).

On motion of Mr. Swain, these appointments were confirmed.

ADVISORY COMMITTEE FOR THE DIVISION OF UNIVERSITY EXTENSION

(4) The Dean of the Division of University Extension recommends the following appointments to the Division of University Extension Advisory Committee for two years beginning September 1, 1962, unless otherwise indicated.

Representatives of the University

PROFESSOR CHARLES K. BRIGHTELL, Head, Department of Recreation and Municipal Park Administration

PROFESSOR WARREN F. DOOLITTLE, JR., Department of Art

PROFESSOR KENNETH J. TRIGGER, Department of Mechanical Engineering

These appointees replace Professors Ross J. Martin, College of Engineering; R. Stewart Jones, College of Education; and Duane A. Branigan, Director, School of Music, whose terms have expired.

Other representatives of the University on the Committee are Professors Harvey W. Huegy, Head, Department of Marketing, and George W. White, Head, Department of Geology.

Non-University Representatives

Grand Total \$255 957

I concur.

On motion of Mr. Johnston, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Wilkins.

CONTRACTS FOR MODERNIZATION OF ELEVATORS

(6) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of contracts for modernization of elevators in three buildings, the award in each case being to the lowest bidder:

Montgomery Elevator Company, Chicago

David Kinley Hall.....\$24 398

Westinghouse Electric Corporation, Elevator Division, Chicago

Mumford Hall 30 367

Library..... 29 870

It is recommended that one contract be awarded to Westinghouse for the Mumford Hall and Library jobs at a total contract price of \$60,237.

Funds are available in the state capital appropriations to the University for 1961-63 and have been released.

Submitted herewith is a report from the Physical Plant Department on this project, including a schedule of the bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Wilkins.

CONTRACTS FOR CONSTRUCTION OF ADDITION ON BURNSIDES RESEARCH LABORATORY

(7) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for construction of a third floor addition on the Burnsidess Research Laboratory to provide additional usable space for seminar and office areas, the award in each case being to the lowest bidder:

General—A. F. Krall Construction Company, Inc., Decatur.....	\$32 343
Electrical—Square Deal Electrical Contracting, Inc., Urbana.....	3 100
Plumbing—Thomas Plumbing and Heating Company, Urbana.....	1 579
Heating and Temperature Control—David W. Reichard, Plumbing and Heating, Urbana	5 300
Ventilating—Reliable Plumbing and Heating Company, Champaign.....	4 095
<i>Total</i>	\$46 417

Funds are available in the original financing of the project.

Submitted herewith is a supporting memorandum from the Physical Plant Department including a schedule of the bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Dilliard, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Wilkins.

CONTRACT FOR LABORATORY EQUIPMENT FOR THE COLLEGE OF EDUCATION BUILDING

(8) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$62,701 to E. H. Sheldon Equipment Company, St. Louis, Missouri, the lowest bidder, for fixed laboratory equipment for the College of Education Building.

It is further recommended that this contract be assigned to Felmley-Dickerson Company, Urbana, Illinois, the contractor for general construction work on this building, making the total of his contract price \$2,795,023; and that an agreement be entered into with Felmley-Dickerson Company for the assignment of the contract with E. H. Sheldon Equipment Company to that firm without any adjustment in the original fee (\$27,000) for assignment of other contracts which amount has been included in the contract price, being the amount bid as a service charge for supervision of contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mrs. Watkins, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Wilkins.

CONTRACTS FOR REMODELING ILLINOIS SURGICAL INSTITUTE

(9) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for remodeling and construction of an addition to the fourth floor of the Illinois Surgical Institute, a unit of the Research and Educational Hospitals, the award in each case being to the lowest bidder:

General—Oman and Giden, Inc., Northfield.....	\$ 63 660
Base bid	\$61 300
Additive alternates	
Service charge for supervision of other contracts assigned to this contractor.....	2 000
Air conditioning	360
Laboratory Equipment—Browne-Morse Company, Chicago.....	16 574
Plumbing—Ewing Plumbing, Inc., River Forest.....	7 500
Heating—Louis Cutler Plumbing and Heating Company, Chicago.....	20 140
Base bid	\$11 400
Additive alternate for air conditioning.....	8 740
Ventilating—Byness, Inc., Chicago.....	14 653
Electrical—Divane Brothers Electric Company, Chicago.....	16 670
Base bid	\$15 940
Additive alternate for air conditioning.....	730
Total.....	\$139 197

The contracts are for remodeling of the present fourth floor and construction of an addition on the roof of the Illinois Surgical Institute for research laboratories for the Department of Orthopaedics.

It is further recommended that all contracts other than the contract for general work be assigned to the contractor for that work, making the total of his contract price \$139,197; and that an agreement be entered into with Oman and Giden, Inc., for the assignment of these other contracts for \$2,000 which amount is included in the contract price, being the amount bid by that company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released and from a matching National Institutes of Health Grant (RC-1069).

A schedule of all bids received is submitted herewith and is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Pogue, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Wilkins.

**CONTRACTS FOR REMODELING AND AIR CONDITIONING
IN FIRST UNIT OF DENTISTRY-MEDICINE-PHARMACY BUILDING**

(10) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for remodeling and air conditioning conference and lecture rooms in the first unit of the Dentistry-Medicine-Pharmacy Building, the award in each case being to the lowest bidder:

Heating—Utility Air Conditioning and Heating Company, Oak Park..	\$ 54 411
Base bid	\$52 811
Additive alternate for service charge for supervision of other contracts assigned to this contractor.....	1 600
Ventilating—Narowetz Heating and Ventilating Company, Chicago....	20 370
Plumbing—Ewing Plumbing, Inc., River Forest.....	705
Electrical—Midwest Interstate Electrical Construction Company, Chicago.....	13 872
General—Simpson Construction Company, Chicago.....	18 841
Total.....	\$108 199

It is further recommended that all contracts other than the contract for heating be assigned to the contractor for that work, making the total of his contract price \$108,199; and that an agreement be entered into with Utility Air Conditioning and Heating Company for the assignment of these other contracts

for \$1,600 which amount is included in the contract price, being the amount bid by that company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A schedule of all bids received is submitted herewith and a copy is filed with the Secretary of the Board for record.

I concur.

On motion of Mrs. Watkins, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Wilkins.

EMPLOYMENT OF ARCHITECTS AND ENGINEERS

(11) The Director of the Physical Plant and the Vice-President and Comptroller recommend the employment of architects and engineers for the following assignments and on the terms indicated:

Veterinary Medicine, Small Animal Clinic—Perkins and Will, Chicago, for architectural services including preliminary studies, working drawings, plans and specifications, and supervision of construction, at a fee of 6 per cent of the construction costs.

Physical Plant Service Building, Medical Center—Friedman, Alschuler, and Sincere, Chicago, for architectural services including design, working drawings, plans and specifications, and supervision of construction, at a fee of 6 per cent of the cost of construction.

Paving of Oak Street, Construction of Central Trash Disposal Depot, and Construction of Parking Facilities South of Florida Avenue, Urbana-Champaign—Clark, Daily, Dietz, and Associates, Urbana, for engineering services including surveys, estimates of cost, preparation of plans and specifications, and general supervision of construction, at a fee based on Schedule B of minimum fees of the Illinois Society of Professional Engineers.

These firms have been recommended for the specific assignments by the Advisory Committee on the Selection of Architects and Engineers. The Committee on Buildings and Grounds has also been consulted and recommends approval.

I concur in these recommendations.

On motion of Mr. Pogue, these recommendations were approved.

PURCHASES

(12) The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

I concur.

One photosommateur	Chemistry and Chemical Engineering	Engis Equipment Co., Chicago	3 244 00 f.o.b. Chicago
One measurement and recording system consisting of: Recording oscillograph, twelve-trace capacity, speeds 0.25 to over 100 inches per second, seven galvanometers, trace numbering, electronic flash timing (Group A) Two amplifiers, D.C., 20 KC, single channel, frequency response flat to ± 1 per cent (Group B) Amplifier, carrier, four-channel, 20 KC, rack mount (Group C)	Civil Engineering	Consolidated Electro-dynamics Corp., Chicago	10 001 75 f.o.b. delivered
One computer, digital, and data storage unit, 1 to 4 simultaneous discrete inputs, 400 ordinates One extra modulator set; 1-type-punch-read control unit One light bank	Civil Engineering	Mnemotron Corp., c/o Electronic Aides, Chicago	14 095 00 f.o.b. North Haven, Conn.
One recording system consisting of two eight-channel units, $1\frac{1}{4}$ and 60 ips, 0-10,000 cps, FM (Group A) One magnetic oscillograph, 18-channel, with 0-500 and 0-1000 cps galvanometers, rack mount (Group B) 16-amplifier modules and two-rack mounts and power supplies (Group C)	Civil Engineering	Minneapolis-Honeywell Regulator Co., Chicago (Group A) Consolidated Electro-dynamics Corp., Chicago (Group B) Dana Laboratories, c/o Pivan Engineering, Chicago (Group C)	22 090 00 5 430 20 6 900 00 (34 420 20)
Fifteen steel plates, size 4 ft. by 8 ft. by $\frac{3}{4}$ in. thick, produced from one heat under military specifications	Civil Engineering	United States Steel Corp., Chicago	3 876 63 f.o.b. delivered
One kerr-cell camera system, 5 nanoseconds to 10 microseconds exposure time	Coordinated Science Laboratory	Electro-Optical Instruments, Inc., Pasadena, Calif.	4 285 00 f.o.b. delivered
Print and bind 15,000 copies of <i>The Universe in Motion</i> , by J. Myron Atkin and Stanley P. Wyatt, approximately 96 pages per copy, trim size $8\frac{1}{4}$ in. by 11 in., to be printed by offset	Elementary Education	George Banta Co., Chicago	3 118 18 f.o.b. delivered
One counter, eight-digit, solid stage, 50 mc, sensitivity 0.1 volt, RMS time base stability ± 3 parts in 10^6 per day, with plug-in to extend range to 100 mc, and with time interval plug-in with 0.1 microsecond resolution One digital recorder for use with above and with analog output installed	Electrical Engineering	Hewlett-Packard Co., c/o Crossley Associates, Inc., Chicago	5 975 00 f.o.b. Palo Alto, Calif.
One slicing machine, crystal, manually indexed, 6 in. by 12 in. table area (this machine is used for precision slicing of wafers from semi-conductor materials such as germanium with a minimum amount of lost material; semi-conductor materials are used to make electronic devices such as transistors and diodes)	Electrical Engineering	DoAll Rockford Co., Rockford	3 904 36 f.o.b. delivered

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>
One analog computer including chassis, power supplies, amplifiers, pre-patch program system, variable function diode generator, patch-bay installation kits, pre-patch panel, and slaving cable	Electrical Engineering	Electronic Associates, Inc., Mount Prospect	\$ 8 391 00 f.o.b. Long Branch, N.J.
One liquid scintillation spectrometer with bench top electronics, one gas fraction collector, and one supply kit containing chemicals and standards to put the spectrometer and collector into operation	Food Technology	Packard Instrument Co., Inc., La Grange	13 190 50 delivered and installed
One high vacuum ultracentrifuge, preparative type and two rotors for use in the study of lipoproteins in the human blood stream	Food Technology	Spinco Division, Beckman Instruments, Inc., Palo Alto, Calif.	8 995 00 delivered
Laboratory equipment and apparatus for stock in the General Chemical Stores including one recording spectrophotometer, glass cutters, micro burners, rubber tubing, ring supports, rubber sheeting, hydron paper, razor blades, and neoprene filter adapters (this is an estimated six-month supply)	General Chemical Stores	Chicago Apparatus Co., Chicago	4 655 00 f.o.b. delivered
One lot laboratory glassware including flasks, distilling columns, condensers, stoppers, and thermometers for stock in the General Chemical Stores (this is an estimated six-month supply)	General Chemical Stores	Chatas Glass Co., Vineland, N.J.	2 564 01 f.o.b. delivered
Computer service for the period of October 5, 1962, to June 30, 1964	Physics	General Motors Corp. Research Laboratories, Warren, Mich.	30 000 00 total estimated cost
One monochromator, double pass quartz prism, including beam chopper, wavelength range 0.2 to 5.2 microns	Physics	The Perkin-Elmer Corp., Norwalk, Conn.	3 815 00 f.o.b. Norwalk, Conn.
One prism, mounted fused quartz, .60", 60 by 70 mm.			
One data read-out system consisting of new encoders, translators, and output control electronics for precision film reader	Physics	Nuclear Research Instruments, Berkeley, Calif.	10 090 00 f.o.b. delivered
One oscillograph, recording, 18 trace capacity, record speeds 0.25 to 64 inches per second, complete with trace numbering kit, magnet block heater kit, electronic flash timing, rackmount drawer slide, take-up reel assembly, four galvanometers, and galvanometer driver amplifier and case	Mechanical and Industrial Engineering	Consolidated Electrodynamics Corp., Chicago	5 176 00 f.o.b. delivered
One transistorized pulse height analyzer system, and two detectors with pre-amplifiers, designed to scan, on a simultaneous basis, random voltage pulses having a wide range of amplitudes and waveforms, and to sort them on an amplitude basis into one of 400 amplitude ranges	Nuclear Engineering	Radiation Instrument Development Laboratory, Inc., Melrose Park	19 193 50 f.o.b. delivered and installed
One ice rink resurfacing machine, rider type, self-propelled, powered by automotive type gasoline engine, designed to be operated by one man to shave the ice, pick up loose snow, wash and squeegee behind the blade; machine to be capable of completely resurfacing a 100 ft. by 200 ft. area in 15 minutes, for use in University of Illinois Ice Rink	Physical Education	Frank J. Zamboni & Co., Paramount, Calif.	8 328 90 f.o.b. delivered
Forty-one prints each of three films, "Point of View," Parts I and II, and "Biology Plus" from AB negative, 16mm., sound, black and white movie film, plus required reels and cans (total footage is 117,957)	University High School	Fischer Photographic Laboratory, Oak Park	4 980 81 f.o.b. Oak Park
Fifteen films, 16 mm., black and white and color	Audio-Visual Aids Service	Walt Disney Films, Educational Film Division, Park Ridge	2 570 00 f.o.b. delivered

<i>Item</i>	<i>Department</i>	<i>Vendor</i>	<i>Cost</i>

On motion of Mr. Williamson, the Committee's actions were confirmed, and the report was received for record.

EXTENSION OF CONTRACT WITH THE ATOMIC ENERGY COMMISSION

(16) On April 1, 1961, a contract was entered into with the Atomic Energy Commission for a research program, "Studies of Pattern Recognition and Data Handling Problems Arising in the Analysis of Bubble Chamber Photographs of High Energy Particle Events." The research work has been conducted in the Digital Computer Laboratory. The original contract was for an eight-month period, and provided payments to the University not to exceed \$99,743. Subsequently, the contract was amended to provide additional funds of \$223,034 for continuation of the research program through November 30, 1962.

A proposal has now been prepared requesting a total of \$978,109 of additional funds for a two-year period beginning December 1, 1962. The amended contract will provide for the purchase of equipment at an estimated total cost of \$558,940, which is required for assembling auxiliary units for the Digital Computer.

This proposal has been approved by all recommending officers in the Digital Computer Laboratory, the Graduate College, and by the Vice-President and Comptroller. Because of the amount of funds being requested, including funds for capital expenditures, approval must also be secured from the Illinois Board of Higher Education.

On motion of Mr. Swain, this proposal was authorized.

ASSOCIATION OF GOVERNING BOARDS OF STATE UNIVERSITIES AND ALLIED INSTITUTIONS

Mrs. Frances B. Watkins and Mr. A. J. Janata reported informally on the annual meeting of the Association of Governing Boards of State Universities and Allied Institutions at the University of Michigan, October 9-13, 1962, which they attended as official delegates of the Board of Trustees of the University of Illinois.

REPORT ON STUDENT HOUSING

Mr. V. L. Kretschmer, Director of Auxiliary Services, reported on current housing capacities for students at Urbana-Champaign in relation to the enrollment for the first semester of 1962-63. A copy of his report has been filed with the Secretary for record.

FIXED-BASE OPERATION AT UNIVERSITY OF ILLINOIS-WILLARD AIRPORT

President Clement reported he has received a request from Astro, Inc. — Aeronautical Sales, Training, and Research Organization — of Champaign, for a hearing on its application to the University for establishment of a fixed-base operation at the University of Illinois-Willard Airport. Mr. Clement stated that he will refer this request to the Committee on Buildings and Grounds for a hearing.

INSPECTION OF NEW BUILDINGS

The Secretary reported that Mrs. Watkins, Mr. Dilliard, and Mr. Williamson made an inspection on the afternoon of November 8 of three new buildings recently completed on the Urbana-Champaign campus: Student Services Building, Institute of Labor and Industrial Relations Building, and the Health Services Addition to McKinley Hospital.

DEGREES CONFERRED

The Secretary presented for record the list of degrees conferred at Urbana, Illinois, as of October 15, 1962, on recommendation of the Urbana-Champaign Senate, and requested authority to include them in the minutes of October 17, 1962.

On motion of Mr. Dilliard, these degrees were conferred, as recommended, and authority was given as requested.

RESIGNATIONS

- BISWAS, CHITRA S., United States Public Health Service Fellow (Trainee) in Animal Science — resignation effective October 1, 1962.
- BLUMENTHAL, JEROME S., Assistant in English (Chicago Undergraduate Division) — resignation effective September 16, 1962.
- CROW, SAMUEL E., Extension Specialist in Firemanship Training (Division of University Extension) — resignation effective October 6, 1962.
- FALEK, BARBARA M., Research Assistant in Preventive Medicine (Medicine) — resignation effective September 21, 1962.
- FITCH, BRIAN T., Instructor in French — resignation effective September 1, 1962.
- GERBER, QUENTIN N., Instructor in Accountancy — resignation effective September 1, 1962.
- HAYASHI, MARIE N., Research Assistant in Microbiology — resignation effective July 1, 1962.
- HAYDAY, ALEXANDER A., Assistant Professor of Mechanical Engineering — resignation effective September 1, 1962.
- MCCARTY, CHARLES G., Fellow in Chemistry — resignation effective October 12, 1962.
- McMULLEN, CARL, Research Assistant in Biological Chemistry (Medicine) — resignation effective August 15, 1962.
- MIZUKAMI, HIROSHI, United States Public Health Service Fellow (Trainee) in Biophysics — resignation effective October 16, 1962.
- PARSONS, MELVIN O., JR., Assistant Professor of Business Management — resignation effective September 1, 1962.
- RAO, PILLARISETTY J., Instructor in the Natural History Survey — resignation effective October 1, 1962.
- RODGERS, ROY A., Fellow in Finance — resignation effective October 27, 1962.
- SPILLMAN, CHARLES K., Assistant in Agricultural Engineering — resignation effective January 1, 1963.
- TSUCHIYA, GORO, Assistant in Neurology and Neurological Surgery (Medicine) — resignation effective July 1, 1962.
- VLES, EVERT J., Research Assistant in Chemistry — resignation effective September 1, 1962.
- YARWOOD, DEAN L., Charles E. Merriam Fellow in Political Science — resignation effective October 1, 1962.

LEAVES OF ABSENCE

- DAUTEN, PAUL M., JR., Professor of Management — leave of absence, without pay, from March 1 through August 31, 1963, so that he may accept an appointment as Visiting Professor of Management at Arizona State University.
- FALEK, ALFRED B., Clinical Associate Professor of Dermatology (Medicine) — leave of absence for eleven months from October 1, 1962.
- MCALLISTER, WALTER G., Associate Professor of Psychology — leave of absence, with pay, for the first semester of the academic year 1962-63, on account of disability.

OTIS, JACK, Psychiatric Social Work Supervisor and Associate Professor of Hygiene—leave of absence, without pay, for one year from September 1, 1962, so that he may accept a position at the University of California.

ROBERTSON, JAMES E., Research Professor of Electrical Engineering (College of Engineering) and in the Digital Computer Laboratory—leave of absence, without pay, from July 1, 1963, through December 31, 1963.

SINHA, RAMESH C., Research Associate in Botany—leave of absence, without pay, for one month from January 1, 1963.

MEMORIAL TO RALPH F. LESEMANN

Mr. Dilliard offered the following resolution:

The Board of Trustees of the University of Illinois records with deep sorrow the death on October 19 of Ralph F. Lesemann, former Legal Counsel and Professor of Law.

Mr. Lesemann was born in Nashville, Illinois, on December 9, 1899. He graduated from the University of Illinois with the degrees of Bachelor of Arts in 1922 and of Doctor of Jurisprudence in 1924. He was a teacher from 1920-21 and principal from 1922-23 in the Nashville High School. In 1924 he began practicing law and was with the firm of Kramer, Kramer, and Campbell, East St. Louis, from 1924-26. He subsequently served as First Assistant United States Attorney from 1926-31, and then returned to the private practice of law as a member of the firm of Baker, Lesemann, Kagy, and Wagner, East St. Louis.

On July 1, 1951, he became Legal Counsel and Professor of Law at the University, serving in that capacity until 1961 when, because of health, he asked to be relieved of these duties and was appointed Special Counsel on part time. During these eleven years he served the University with distinction and untiring devotion to the work of his office. His constructive and insightful analyses of University problems which were brought to him contributed in many ways to strengthening the University's procedures and position in matters of legal controversy, and he won numerous favorable court decisions in University litigation.

His death is indeed a great loss to the legal profession, to the University, and to his community as well as to his family.

The Board directs that this resolution be incorporated in the minutes of today's meeting as a memorial to Mr. Lesemann and as a public tribute to his services; and that a suitable copy be sent to the members of his family as an expression of the Board's sympathy with them in their loss.

This resolution was unanimously adopted.

EXECUTIVE SESSION

On motion of Mrs. Watkins, an executive session was ordered for consideration of the following items of business:

RECOMMENDATIONS OF THE UNIVERSITY PATENT COMMITTEE

(1) The University Patent Committee submits, with the concurrence of the University Research Board, the following reports and recommendations relating to patentable inventions by members of the staff. The Committee at a meeting held on September 14, 1962, agreed to recommend that the rights of the University in these inventions be released to the inventors if they indicated an interest within thirty days of notice or to the sponsoring agency if the inventors indicate no personal interest.

1. Plasma field displacement isolator and circulator—Joseph T. Verdeyen, Instructor in Electrical Engineering, inventor. It has been shown that the propagation of electromagnetic waves in a parallel-plane wave guide, which is filled with a magnetized plasma, exhibits a nonreciprocal behavior. The effect is similar to that found in a ferrite field displacement isolator.

The Patent Committee has heard nothing from the inventor after advising him of the action of September 14 and, therefore, recommends release of the rights of the University to the sponsoring agency, the United States Air Force.

2. Bent logarithmically-periodic zig-zag antenna—John William Greiser, Research Assistant in Electrical Engineering, inventor. These antennas are continuous structures of a single conductor formed in the shape of a planar logarithmically-periodic zig-zag which has been bent along its longitudinal axis.

The radiation pattern is unidirectional, coming off the small end of the antenna (backfire) and is essentially independent of frequency in the design bandwidth. An important feature is the ability of the horizontal elements to alter the active, radiating portion of the antenna.

The inventor has indicated that he will not file for a patent; and accordingly, the Patent Committee recommends release of the rights of the University to the sponsoring agency, the United States Navy.

3. Dipole propulsion and accelerator system—Shao Lee Soo, Professor of Mechanical Engineering, inventor. Systems utilizing force on a dielectric or ferroelectric particle or body, or dipole molecule or atom when such a material is placed in a non-uniform electric field.

The Patent Committee has heard nothing from the inventor after advising him of the action of September 14 and, therefore, recommends release of the rights of the University to the sponsoring agency, Project SQUID of the United States Government.

The Committee further recommends that the University's rights in an invention, photo current suppression ionization gauge, by Wilfred C. Schuemann, Electronics Technician II in the Coordinated Science Laboratory, be released to the University of Illinois Foundation for further study and possible patent application. This invention is an ionization gauge, which has been designed to remove the low pressure limitation, due to x-rays, which is found in conventional ionization gauges.

I concur.

On motion of Mr. Swain, these recommendations were approved.

RECESS

On motion of Mr. Williamson, the Board recessed.

DEDICATION OF THE UNIVERSITY OF ILLINOIS RADIO TELESCOPE

At this point, the members of the Board of Trustees, officers of the Board, and other officials of the University joined officials and members of the Danville Chamber of Commerce at a luncheon honoring the Trustees and representatives of the Department of the Navy at a ceremony in dedication of the University of Illinois Radio Telescope constructed southeast of Danville.

Following the luncheon and formal dedication program, Trustees and other guests made an inspection of the Radio Telescope.

The Board remained in recess.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

December 19, 1962

The December meeting of the Board of Trustees of the University of Illinois was held in the Morrison Hotel, Chicago, Illinois, on Wednesday, December 19, 1962, beginning at 10:00 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Wayne A. Johnston, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. George T. Wilkins, Mr. Kenney E. Williamson. Mr. Earl M. Hughes and Governor Otto Kerner were absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Professor Norman A. Parker, Vice-President, Chicago Undergraduate Division, Dr. Joseph S. Begando, Vice-President, University of Illinois at the Medical Center, Chicago, Mr. C. C. Caveny, Assistant to the President, Chicago Office, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary.

ADJOURNMENT OF NOVEMBER MEETING

The Board of Trustees at its meeting on November 9, 1962, recessed for luncheon and the program in dedication of the Radio Telescope in Danville, but did not reconvene.

On motion of Mr. Johnston, the November meeting adjourned.

INTRODUCTION OF MR. RAY PAGE

President Clement announced that Mr. Ray Page, Superintendent of Public Instruction-Elect, was present, having been invited to attend today's meeting as a guest of the Board of Trustees. Mr. Page was introduced by Mr. Wilkins.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees on June 20, 1962, press proof copies of which had previously been sent to the Board.

On motion of Mr. Swain, the minutes were approved as printed on pages 1499 to 1973, inclusive.

REPORT OF THE EXECUTIVE COMMITTEE

The Secretary presented the following report:

Contracts for Equipment for Heating Plant at Congress Circle

The Board of Trustees at its meetings on May 24 and June 20, 1962, awarded contracts for equipment for the heating plant to be constructed on the Congress Circle campus, but reserved the right of the University in each case to terminate the contract prior to September 15, 1962, and without cost to the University, by giving the contractor written notice of such termination. The Executive Committee was authorized to act for the Board on negotiations with contractors in exercising the University's right to terminate contracts or to extend the period during which they may be executed or terminated. The Executive Committee on August 16, 1962, extended the period in which the contracts may be executed or terminated to December 15, 1962.

Taking of bids for other construction on the Congress Circle Campus has now been postponed, so that it would be to the University's advantage to extend further the dates within which the University may execute or terminate the contracts for the heating plant. The Executive Committee reports that, on recommendation of the Director of the Physical Plant, the Vice-President and Comptroller, and the President of the University, it has authorized the extension of the period within which the following contracts may be executed, or terminated, to and including March 15, 1963. The contractors concerned have agreed to this extension.

High temperature water boilers, hot water pumps, and erection — International Boiler Works Company, East Stroudsburg, Pennsylvania...	\$235 597
Refrigeration equipment — T. F. Hanley Corporation, Chicago.....	185 859
Condenser water and chilled water circulating pumps — Allis-Chalmers Manufacturing Company, Chicago.....	20 493
Cooling tower — Floor Products Company, Oak Park.....	39 230
Switchgear and electrical equipment	
15 KV switchgear — Allis-Chalmers Manufacturing Company.....	38 200
5 KV switchgear — Allis-Chalmers Manufacturing Company.....	44 800
480 V substation — Allis-Chalmers Manufacturing Company.....	29 650
125-volt battery — Allis-Chalmers Manufacturing Company.....	5 794
Inverter-diverter and control panel — Allis-Chalmers Manufacturing Company	8 851

The Committee has also authorized termination of the following contracts with General Electric Company in view of the Company's policy that price escalation clauses would be applicable to these contracts if extended beyond December 15, 1963.

Switchgear and electrical equipment:

Motor control centers.....	\$ 7 025
D-C distribution cubicles.....	2 531

Termination of these contracts will not seriously affect progress of the work, assuming that the University may proceed with the construction program prior to March 15, 1963, since the equipment can be obtained under other contracts.

The Executive Committee action was taken on December 11 and official notices have been sent to the contractors.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>CPA From</i>
EUGENE HOWARD DEUTSCH	Gary, Indiana	Indiana
KENNETH THOMAS DUFON	Hammond, Indiana	Indiana
JAMES LYLE JOHNSON	Macomb, Illinois	Minnesota
CHARLES HERBERT LIBBY	Oak Park, Illinois	New York
CLINTON ARTHUR PRUST	La Grange, Illinois	Wisconsin
HAROLD HARUNOBU TSUKUNO	Elmhurst, Illinois	District of Columbia

I concur.

On motion of Mr. Johnston, these certificates were awarded.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. CHARLOTTE H. ALTMAN, Clinical Assistant Professor of Psychology, Department of Psychiatry, beginning September 1, 1962, without salary (DY).
2. JOSEPH H. DERIVERA, Research Associate Professor in the Institute of Communications Research, for the academic year 1962-63, on one-half time, at a salary of \$4,350 (E50).
3. PAUL DOLINKO, Clinical Assistant Professor of Psychology, Department of Psychiatry, beginning September 1, 1962, without salary (DY).
4. ROLLIN O. DUNSDON, Assistant Professor in the Bureau of Business Management, beginning October 15, 1962, at an annual salary of \$10,500 (BY).
5. FRIEDA H. ENGEL, Assistant Professor in the Jane Addams Graduate School of Social Work, beginning September 1, 1962, on one-fourth time, at an annual salary of \$2,025 (D25).

6. DUANE E. ERICKSON, Assistant Professor of Farm Management, Department of Agricultural Economics, beginning November 1, 1962, at an annual salary of \$9,000 (DY).
7. DAVID R. EVANS, Associate Professor of Entomology, Physiology, and Biophysics, for one month from August 1, 1963, at a salary of \$1,335 (G), and from September 1, 1963, at an annual salary of \$12,000 (A).
8. LYLE P. FETTIG, Assistant Professor of Agricultural Economics, beginning October 1, 1962, at an annual salary of \$8,500 (DY).
9. MORTIMER D. GROSS, Clinical Assistant Professor of Psychiatry, beginning October 1, 1962, without salary (DY).
10. HAROLD M. HYMAN, Professor of History, beginning September 1, 1963, at an annual salary of \$15,000 (A).
11. GUST A. LEDAKIS, Visiting Associate Professor of Law, for the second semester, 1962-63, at a salary of \$7,200.
12. ELISE E. LESSING, Clinical Assistant Professor of Psychology, Department of Psychiatry, beginning September 1, 1962, without salary (DY).
13. JOHN P. O'NEILL, Assistant Professor of Child Development, Department of Home Economics, beginning February 1, 1963, at an annual salary rate of \$7,000 (D).
14. THEODORE R. PECK, Assistant Professor of Soils Extension, Department of Agronomy, beginning December 1, 1962, at an annual salary of \$8,000 (DY).
15. ROBERT H. POLLACK, Clinical Assistant Professor of Psychology, Department of Psychiatry, beginning September 1, 1962, without salary (DY).
16. STEVEN P. QUIGLEY, Associate Professor in the Institute for Research on Exceptional Children, beginning December 1, 1962, at an annual salary of \$10,000 (D).
17. PAUL J. SANAZARO, Clinical Associate Professor of Medicine, beginning September 25, 1962, without salary (DY).
18. LESTER D. SAVAGE, JR., Assistant Professor of Mechanical and Industrial Engineering, beginning November 1, 1962, at an annual salary of \$9,000 (B).
19. MORRIS SCHEINMAN, Assistant Professor of General Engineering, beginning December 1, 1962, at an annual salary of \$8,400 (B).
20. PAUL W. SCHROEDER, Associate Professor of History, beginning September 1, 1963, at an annual salary of \$10,000 (A).
21. THOMAS G. SCOTT, Professor of Zoology, beginning September 1, 1962, without salary (DY).
22. PAUL H. SILVERMAN, Visiting Professor of Zoology, for five and one-half months from January 1, 1963, at a salary of \$7,639 (E).
23. ERIC W. SIMON, Visiting Associate Professor of Agronomy, for six months from April 1, 1963, at a salary of \$5,500 (G).
24. MARILYN VAN GOETHEM, Clinical Assistant Professor of Psychology, Department of Psychiatry, beginning September 1, 1962, without salary (DY).
25. JOHN S. WILLIS, Assistant Professor of Physiology and Biophysics, for nine months from December 1, 1962, at a salary of \$5,635 (B).

On motion of Mr. Dilliard, these appointments were confirmed.

SABBATICAL LEAVE OF ABSENCE

(3) I recommend that Dr. Norman A. Graebner, Professor and Chairman of the Department of History, be given a sabbatical leave of absence on one-half pay for one year beginning with the second semester, 1962-63, and continuing through the first semester, 1963-64, in accordance with the provisions of the University of Illinois Statutes. Professor Graebner has been offered a Fulbright award for a lectureship in American diplomatic history at the University of Queensland, Brisbane, Australia, and will also continue his research on American policies in the Far East.

On motion of Mr. Swain, this leave was granted.

CHAIRMANSHIP OF THE DEPARTMENT OF HISTORY

(4) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Professor Robert W. Johannsen as Acting Chairman of the Department of History for the second semester of the current academic year 1962-63, to succeed Professor Norman Graebner who will be on sabbatical leave

of absence for one year from the beginning of the second semester of this year, at an annual salary rate of \$11,800.

The Dean also recommends the appointment of Professor Johannsen as Chairman of the Department of History for two years from September 1, 1963, Professor Graebner having requested that he not be considered for reappointment as Chairman of the Department.

This recommendation is submitted after consultation with the Executive Committee of the Department and is concurred in by the Dean of the Graduate College and the Executive Vice-President and Provost.

I recommend approval.

On motion of Mr. Johnston, this appointment was approved.

HEADSHIP OF THE DEPARTMENT OF CERAMIC ENGINEERING

(5) The Dean of the College of Engineering recommends the appointment of Professor Arthur L. Friedberg as Professor of Ceramic Engineering on indefinite tenure and Head of the Department of Ceramic Engineering beginning September 1, 1963, to fill the vacancy which will occur with the retirement of Professor A. I. Andrews at the end of the current academic year. The salary of the position will be determined when the budget for 1963-64 is submitted to the Board of Trustees for approval.

The recommendation for this appointment was initiated by a special search committee¹ appointed by the Dean which canvassed possible candidates both within and outside of the Department and of the University; and subsequently all members of the Department were consulted by the Dean. The Dean of the Graduate College and the Executive Vice-President and Provost have also been consulted and concur.

I recommend approval.

On motion of Mrs. Watkins, this appointment was approved.

APPOINTMENT OF ASSOCIATE PROVOST FOR UNDERGRADUATE AFFAIRS

(6) The Executive Vice-President and Provost recommends the appointment of Professor Paul R. Shaffer of the Department of Geology as Associate Provost, effective February 1, 1963. Initially, this would be a half-time position for the academic year, and Professor Shaffer would continue his work in the Department of Geology on a proportionately reduced schedule.

As Associate Provost, Professor Shaffer would be primarily concerned with undergraduate affairs on the Urbana-Champaign campus, and with relationships between the undergraduate colleges on that campus and those on the other two campuses. His responsibilities would include problems related to undergraduate instruction, student services, regulations, housing, and other extracurricular affairs.

I concur.

On motion of Mr. Swain, this appointment was approved.

COLLEGE OF PHARMACY ADVISORY COMMITTEE

(7) The Dean of the College of Pharmacy recommends the appointment of Michael J. Mankowski, 32 West Randolph Street, Chicago, as a member of the College of Pharmacy Advisory Committee for a term of five years from July 1, 1962, succeeding Mr. Reed G. Henninger, Riverside, whose term has expired.

I concur.

On motion of Mrs. Watkins, this appointment was approved.

ADMISSION TO COLLEGE OF LIBERAL ARTS AND SCIENCES

(8) The Board on June 20, 1962, approved a recommendation from the Urbana-Champaign and Chicago Undergraduate Division Senates for revision of the minimum requirements for admission to the College of Liberal Arts and Sciences to include certain subjects.

¹J. W. Briscoe, Professor of Civil Engineering and Associate Head of the Department, Chairman; Alfred W. Allen, Professor of Ceramic Engineering; Ralph L. Cook, Professor of Ceramic Engineering; Harry G. Drickamer, Professor of Chemical Engineering and of Physical Chemistry; Robert J. Maurer, Professor of Physics; Victor J. Tennery, Research Assistant Professor of Ceramic Engineering.

The All-University Committee on Admissions and the two Senates concerned recommend, the Senate Coordinating Council concurring therein, addition of the following statement as a part of the minimum requirements for admission to the College of Liberal Arts and Sciences:

Students ranking in the upper 25 per cent of their high school graduating classes are eligible for admission with a deficiency in science, foreign language, or history. Such a deficiency must be compensated for by an equivalent amount of additional credit in the other subjects listed.

It is further recommended that these changes in requirements, including those approved June 20, 1962, become effective for students enrolling in June, 1965, and thereafter.

On motion of Mr. Wilkins, these recommendations were approved.

CHANGE IN GRADING SYSTEM

(9) On November 7, 1951, the Senate Committee on Student Discipline adopted a policy and procedures for dealing with student academic irregularities which directed that the grade of "DR" be recorded when a student is dropped from a course for dishonesty in an examination or other required work in the course. In the computation of scholastic averages, the grade of "DR" has been the equivalent of the grade of "E," indicating failure. This policy along with procedures for dealing with such cases was implemented by administrative action. Formal approval by the Board of Trustees was not deemed necessary under the 1936 University of Illinois Statutes then in effect.

The three Senates have now recommended, the Senate Coordinating Council concurring therein, that the grade of "DR" be discontinued, and that a grade of "E," indicating failure, be recorded when a student is dropped from a course for dishonesty. It is the opinion of the Senate Coordinating Council that this change in the grading system is a matter of educational policy which, under the present University Statutes, also requires approval by the Board of Trustees.

I recommend approval.

On motion of Mr. Johnston, this recommendation was approved.

Mr. Dilliard asked if the fact that a grade of "E" was being reported for academic irregularity would be entered in the student's record and expressed the opinion that such should be the practice. President Henry stated that a report in answer to the question would be made at a subsequent meeting.

UNDERGRADUATE REQUIREMENT IN GENERAL EDUCATION

(10) A special All-University Committee on General Education completed a comprehensive study of the requirements and programs of the undergraduate colleges in general education (courses in the humanities, the social sciences, and the natural sciences), during the second semester of 1961-62. Over a period of several years, the Committee had studied programs in other universities and had conducted extensive discussions of the means of improving the general education of undergraduates at the University of Illinois.

In addition to several proposals for improved administrative arrangements, the Committee submitted concurrently to the three Senates the following recommendation for a change in graduation requirements in general education:

"Effective for all undergraduate students entering the University on or after June 1, 1964, each Senate of the University of Illinois add to the present single all-University course requirement for graduation (English composition), a minimum of six hours each in the humanities, the social sciences, and the natural sciences, respectively. Approved sequences should be distributed over at least three years."

The three Senates and the Senate Coordinating Council have approved the Committee's recommendations. The deans of the colleges have also been consulted.

I concur.

On motion of Mrs. Watkins, these recommendations were approved.

The Committee has also recommended, the Senates and the Senate Coordinating Council concurring therein, that:

Faculties of the individual colleges take immediate action to establish sequences in each of the basic courses, subject to approval by the appropriate Senate Committee on Educational Policy.

After three years of experience with these requirements, consideration be given to increasing the minimum in each of the three basic areas to nine semester hours and to including a reading knowledge of one foreign language.

These two recommendations are to the colleges and are being reported for the information of the Board and for record.

CENTER FOR INTERNATIONAL EDUCATION AND RESEARCH IN ACCOUNTING

(11) The Dean of the College of Commerce and Business Administration recommends establishment within the Department of Accountancy of a "Center for International Education and Research in Accounting" for the extension and formalizing of the Department's work in accounting on an international scale.

A more complete statement of the proposal for such a Center is submitted herewith and a copy is being filed with the Secretary of the Board for record. As indicated in this statement, the Center will be a part of the Department of Accountancy, will be housed in the Department on a permanent basis, and the staff of the Department will serve the programs of the Center. No additional funds are being requested at this time and it is expected that publications and conferences will be underwritten by grants from outside sources. All recommending officers have been consulted and concur in the proposal.

I recommend approval.

On motion of Mr. Swain, this recommendation was approved.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(12) The Committee on Nonrecurring Appropriations recommends the following appropriations and assignments of funds from the University General Reserve:

Urbana-Champaign

1. College of Engineering, nuclear engineering equipment..... \$15 900

2. Physical Plant

Statistical Service Unit, remodeling and expansion of Computer Room in Arcade Building to accommodate additional new 1401 computer system 5 800

Department of Speech and Theatre in Illini Hall, additional remodeling for installing a Hearing Testing Chamber..... 5 727

Total, Urbana-Champaign \$27 427

Chicago Undergraduate Division

3. Physical Plant, College of Architecture and Art, remodeling of two rooms 4 500

Grand Total \$31 927

I concur in these recommendations.

On motion of Mr. Pogue, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

CONTRACTS FOR REMODELING IN THE FIRST UNIT OF THE DENTISTRY-MEDICINE-PHARMACY BUILDING

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for remodeling of space previously occupied by the Animal Hospital, before moving into its new quarters in the Medical Research Laboratory, converting an area formerly used for storage into research laboratories for the Departments of Pathology and Anatomy, the award in each case being to the lowest bidder.

General—Duggan-Karasik Construction Company, Skokie..... \$ 36 110 25

Base bid \$32 578 00

Additive alternate for service charge for supervision
of other contracts assigned to this contractor.... 3 532 25

Plumbing—Ashland Plumbing and Heating Company, Chicago.....	\$ 10 387 00
Heating and Process Piping—William Adams Engineers, Inc., Chicago	9 934 00
Ventilating—Corite-Reynolds Corporation, Des Plaines.....	13 710 00
Pipe Covering and Insulation—Chicago Pipe and Boiler Covering Company, Chicago	1 670 00
Electrical—Fries-Walters Company, Chicago.....	10 618 00
Laboratory Equipment—Browne-Morse Company, Chicago.....	24 326 00
<i>Total</i>	\$106 755 25

It is further recommended that all contracts other than the contract for general work be assigned to the contractor for that work, making the total of his contract price \$106,755.25; and that an agreement be entered into with Duggan-Karasik Construction Company for the assignment of these other contracts for \$3,532.25 which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released and from a matching National Institutes of Health Grant (RC-1068).

Submitted herewith is a schedule of all bids received and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

CONTRACTS FOR REMODELING IN RESEARCH AND EDUCATIONAL HOSPITALS

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for remodeling an area of the basement of the Research and Educational Hospitals (General Hospital) for use as locker rooms and for storage of medical records, the award in each case being to the lowest responsible bidder.

General—B. R. Abbot Construction Company, Chicago.....	\$49 914
Base bid	\$46 789
Additive alternates	
Service charge for supervision of other contracts as- signed to this contractor.....	1 800
Suspended ceiling, Medical Records area.....	1 260
Air conditioning, Medical Records area.....	65
Plumbing—Fettes, Love, and Sieben, Inc., Chicago.....	8 443
Heating—Phillips, Getschow Company, Chicago.....	5 215
Base bid	\$ 4 200
Additive alternate for air conditioning, Medical Records area	1 015
Ventilating—Narowetz Heating and Ventilating Company, Chicago...	20 946
Base bid	\$17 573
Additive alternate for air conditioning, Medical Records area	3 373
Electrical—Local Electric Company, Inc., Chicago.....	15 065
Base bid	\$15 000
Additive alternate for air conditioning, Medical Records area	65
<i>Total</i>	\$99 583

A low bid submitted by the Thunderbird Electric Company, Chicago, would have to be rejected because of the Company's admitted failure to meet the standard conditions in the Board of Trustees "Regulations Governing Procurement and Bidding at the University of Illinois." The Company has therefore been permitted to withdraw its bid, and the electrical contract is being awarded to the Local Electric Company, Inc., Chicago, as the lowest responsible bidder.

The remodeling will provide locker rooms and lounge facilities for nurses and other women employees and will up-grade an area being used for filing records.

It is further recommended that all contracts other than the contract for general work be assigned to the contractor for that work, making the total of his contract price \$99,583; and that an agreement be entered into with B. R. Abbot Construction Company for the assignment of these other contracts for \$1,800 which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

Submitted herewith is a schedule of all bids received and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Johnston, these contracts were awarded, as recommended by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

CONTRACTS FOR REMODELING RESEARCH AND EDUCATIONAL HOSPITALS ADDITION

(15) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for construction of an x-ray view room on a second floor setback of the addition to the Research and Educational Hospitals and for remodeling and extension of a special diet kitchen in the Hospitals, the award in each case being to the lowest bidder.

General — B. R. Abbot Construction Company, Chicago.....	\$ 62 390
Base bid	\$59 790
Additive alternate for service charge for supervision of other contracts assigned to this contractor.....	2 600
Plumbing — Ashland Plumbing and Heating Company, Chicago.....	4 640
Heating — Louis Cutler Plumbing and Heating Company, Chicago.....	16 675
Ventilating — H. S. Kaiser Company, Elk Grove.....	32 400
Electrical — Wadeford Electric Company, Chicago.....	12 568
Kitchen Equipment — Century Equipment Company, Chicago.....	15 587
<i>Total</i>	\$144 260

It is further recommended that all contracts other than the contract for general work be assigned to the contractor for that work, making the total of his contract price \$144,260; and that an agreement be entered into with B. R. Abbot Construction Company for the assignment of these other contracts for \$2,600 which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A schedule of bids received is submitted herewith and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

CONTRACTS FOR ELEVATOR REHABILITATION IN RESEARCH AND EDUCATIONAL HOSPITALS

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for the rehabilitation of two elevators in the Research and Educational Hospitals (General Hospital), the award in each case being to the lowest bidder.

General — Heller Construction Company, Inc., Chicago.....	\$ 34 203
Base bid	\$30 998
Additive alternate for service charge for supervision of other contracts assigned to this contractor.....	3 205
Elevator Equipment — Trimon Elevator Company, Inc., Chicago.....	\$ 59 996
Electrical — Divane Bros. Electric Company, Chicago.....	6 590
<i>Total</i>	<u>\$100 789</u>

The work will include removal of present obsolete equipment, revision of roof housing and shaftways and furnishing and installing two new passenger elevators, generator field control, two-way automatic leveling, duplex collective with and without attendant.

It is further recommended that all contracts other than the contract for general work be assigned to the contractor for that work, making the total of his contract price \$100,789; and that an agreement be entered into with Heller Construction Company, Inc. for the assignment of these other contracts for \$3,205 which amount is included in the contract price, being the amount bid by that Company as a service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A schedule of the bids received is submitted herewith and a copy is filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Pogue, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

CONTRACT FOR CONDUCTIVE FLOOR TILE IN THE RESEARCH AND EDUCATIONAL HOSPITALS

(17) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$6,320 to the C. E. Korsgard Company, Chicago, the lowest bidder, for installation of conductive floor tile in the surgical suites and auxiliary areas of the Research and Educational Hospitals to reduce explosion hazards and to comply with the National Fire Protection Association's "Safe Practices for Hospital Operating Rooms."

Funds are available from the Physical Plant maintenance budget.

The project was advertised in the "Illinois State Register."

I concur.

On motion of Mr. Swain, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

CONTRACT FOR DESIGN SERVICES FOR MOVABLE EQUIPMENT FOR BUILDINGS AT CONGRESS CIRCLE

(18) The Director of the Physical Plant, the Vice-President for the Chicago Undergraduate Division, and the Vice-President and Comptroller recommend award of a contract to Skidmore, Owings, and Merrill for design services, including layout, selection of materials, and fabrications for the movable equipment for the following buildings at Congress Circle: staff administration, classroom buildings, library, lecture center, and engineering and sciences laboratories. Fees for this service will be based on time-card charges for services of professional personnel at the firm's usual and customary hourly rates, plus 150 per cent for overhead and commission. The estimated total cost of such services is \$88,000.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, subject to release by the Governor. I recommend approval.

On motion of Mr. Johnston, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr.

Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

CONTRACT FOR FARM BUILDINGS

(19) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$39,450 to Casserly Construction Company, Champaign, the lowest bidder, for erection of three minor agricultural buildings to be located on the University's farms south of the main campus at Urbana-Champaign.

It is also recommended that assignments of funds for construction of these buildings be made from:

Dairy Science Income — for the Free Stall Dairy Barn on Lincoln Avenue
Universities Building Fund — for the Machinery Storage and Service Building on the Pell Farm

Federal Hatch Funds — for Machinery Storage Building on the Grein Farm
General Reserve, \$3,800 — to complete financing of the Grein Farm building

I concur.

On motion of Mr. Dilliard, this contract was awarded, and the recommended assignments of funds were authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

REMODELING OF QUARTERS AT 807 SOUTH LINCOLN AVENUE, URBANA, FOR UNIVERSITY RETIREMENT SYSTEM

(20) The University has been providing office quarters for the University Retirement System of Illinois since it was established in 1941. Presently the System offices are in a remodeled frame house owned by the University at 1210 West Oregon Street, Urbana.

With the normal growth of the operations of the System, the quarters now occupied are no longer adequate. Moreover, the land area at 1210 West Oregon Street will be needed as part of the site for an addition to the East Chemistry Building, scheduled for construction during the 1963-65 biennium.

Space leased by the University of Illinois Foundation in a brick, commercial, building at 807 South Lincoln Avenue, Urbana, formerly used by the Department of Art, is now vacant and, with remodeling, will provide adequate quarters for the University Retirement System. The University subleases the property at a rental of \$550 per month by authorization of the Board of Trustees on July 21, 1959.

The Foundation's lease of the property will expire in November, 1964. The owner has agreed to a five-year extension on the same terms and conditions. The Director of the Physical Plant and the Vice-President and Comptroller recommend that:

The Board of Trustees request the Board of Directors of the University of Illinois Foundation to extend the lease for an additional five-year period with the understanding that subleasing to the University will be continued; An assignment of \$19,000 be made from the General Reserve Fund for remodeling the property; and that

The remodeled facilities be assigned to the University Retirement System of Illinois.

I concur.

On motion of Mr. Swain, these recommendations were approved, and the requested assignment of funds was authorized, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

ADDITION TO CONTRACT FOR PLANT SCIENCES BUILDING

(21) The Director of the Physical Plant and the Vice-President and Comptroller

recommend an increase of \$2,999.70 in the contract with the W. E. O'Neil Construction Company, Chicago, for construction of the Plant Sciences Building (Jonathan Baldwin Turner Hall) to include installation of temperature controls for unit ventilators in the greenhouses.

Funds are available in the construction budget for this project.

I concur.

On motion of Mr. Dilliard, this change in contract was authorized.

ADDITION TO CONTRACT FOR ALTERATIONS IN THE RESEARCH AND EDUCATIONAL HOSPITALS ADDITION

(22) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$3,618.85 in a contract with Consumers Construction Company, 3748 West Montrose Avenue, Chicago, for alterations on the eighth floor of the Research and Educational Hospitals Addition.

The Department of Medicine has requested a change in the autoclave which is part of the contracts for these alterations. In the original planning, it was believed that a standard type of autoclave would be suitable; however, upon further study, it was concluded that an autoclave with a high vacuum system is needed. The new autoclave proposed increases materially the sterilization process as to the temperature at which sterilization takes place and thereby kills the bacteria faster and more completely than can be done in the standard autoclave. This is very important to the germ-free research work to be done in the area being remodeled.

Funds are available in a United States Public Health Service Grant (OG-21).

I recommend that the Comptroller be authorized to execute this change in the contract.

On motion of Mrs. Watkins, this change in contract was authorized.

BICYCLE LANE ON EAST SIDE OF URBANA CAMPUS

(23) The number of bicycles now on the campus, the heavy concentration of bicycles at the Natural History Building and the East Chemistry Building, and occupancy of the Pennsylvania Avenue Residence Halls have created a traffic hazard on the east side of the campus, particularly in Mathews Avenue, Urbana, parts of which are presently restricted to one-way traffic. Representative officials of the city of Urbana and of the University agree that a bicycle lane extending along the east side of the campus would be a greatly needed safety factor. Studies indicate that such lane should provide for two-way bicycle traffic, and that a portion of the lane should be located in Mathews Avenue.

Officials of the city of Urbana regard such lane as a needed public improvement and have approved, in principle, entering into negotiations with the University for construction and maintenance of the portion of the bicycle lane that would lie within the present right-of-way of Mathews Avenue.

The proposed construction would reduce the width of the street available to motor driven vehicular traffic by approximately two feet six inches, but would not reduce the number of parking meters between Springfield Avenue and Nevada Street. Construction of such a lane would include connections with existing bicycle lane systems. The total estimated cost is \$35,000.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees authorize:

Negotiations with the city of Urbana for the construction and maintenance, at University expense, of a bicycle lane approximately six feet wide on the right-of-way of Mathews Avenue from the south side of Nevada Street to Springfield Avenue, in return for which the City will adopt and enforce an ordinance permitting two-way bicycle traffic within the lane and prohibiting the use of the lane by any vehicle other than bicycles which are not motor driven.

The execution by the officers of the Board of an agreement or agreements with the City and such other documents as may be necessary, subject to approval of the University's Legal Counsel.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Swain, these recommendations were approved,

and authority was given as requested, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Wilkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner.

**AGREEMENT WITH DEPARTMENT OF MENTAL HEALTH
FOR OPERATION OF ILLINOIS EYE AND EAR INFIRMARY**

(24) The Medical Director of the Research and Educational Hospitals, the Vice-President for the Medical Center, and the Vice-President and Comptroller recommend authorization of an agreement with the Department of Mental Health providing for the operation of the Illinois Eye and Ear Infirmary jointly by the University and the State Department of Mental Health to replace an existing agreement entered into by the University with the former Department of Public Welfare (now the Department of Mental Health).

Relocation of the Illinois Eye and Ear Infirmary in a new building which the Department is constructing on a site adjacent to the Research and Educational Hospitals and which will be completed in 1964 makes it desirable to amend the existing agreement in certain respects.

The principal changes in the new agreement are: reference to the Infirmary being a "constituent unit" of the "Illinois Medical Center" is deleted; administrative and financial relationships between the two parties are clarified; and the joint management group is named the "Joint Executive Committee" with its composition reconstituted and its functions redefined.

I concur.

On motion of Mrs. Watkins, authority was given as requested.

**AUTHORIZATION OF FALLOUT SHELTER LICENSES
TO FEDERAL GOVERNMENT**

(25) The federal government has under way an accelerated program of civil defense, which includes plans for fallout shelters. The government has proposed that certain facilities throughout the country be designated and equipped, at no expense to their owners, as fallout shelters. A license must be issued to the federal government by the owner for use of any facility. State and local Civil Defense officials have requested the University to grant to the federal government such licenses for various buildings at Urbana-Champaign and at the Medical Center in Chicago.

The firm of Brown, Manthei, Davis, and Mullins, Consulting Engineers, Champaign, has been employed by the federal government to conduct a fallout shelter survey and determine which buildings can be used for fallout shelters and subsequently licensed at the Urbana campus.

The firms of Consoer Townsend and Associates, A. Epstein and Sons, Inc., and De Leuw, Cather, and Co., Chicago, have completed studies at the Medical Center campus.

Such licenses may be revoked by the University on giving ninety days' written notice, sent by registered mail, to the political subdivision and the federal government.

University officials will review the proposals for designations of shelters in order to minimize interference with educational programs.

To comply with the request of the federal government, it is recommended that the Comptroller and the Secretary of the Board be authorized to execute a license or licenses with the United States government for fallout shelters.

I concur.

On motion of Mr. Johnston, this recommendation was approved.

**LICENSING OF RECORDED PROGRAM OF INSTRUCTION
IN THEORETICAL AND APPLIED MECHANICS**

(26) The University has been requested by the United States Military Academy, West Point, to license the use of five two-hour lessons recorded on videotape from the course Theoretical and Applied Mechanics 223, Mechanical Behavior of Solids. It is proposed that a license be granted only for their use over closed-circuit television for the instruction of students at the Academy. A fee of \$600 will be charged for the license, in addition to the actual cost of the re-recording to duplicate tapes. This fee is a nominal one based largely on information

received from the National Educational Television and Radio Center which indicates that it approximates the typical rate charged for similar materials.

Releases will be obtained from Professor T. J. Dolan, Head of the Department of Theoretical and Applied Mechanics, and from Professors H. R. Wetenkamp and T. M. Elsesser who recorded the course.

The Executive Vice-President and Provost recommends granting of the license to the United States Military Academy on the basis of the above.

I concur.

On motion of Mr. Swain, this recommendation was approved.

COMPLIANCE REPORT REQUIRED UNDER NONDISCRIMINATION PROVISIONS OF U. S. GOVERNMENT CONTRACTS

(27) On March 6, 1961, President John F. Kennedy issued Executive Order No. 10925 requiring that a provision be inserted in all United States government contracts that the "Contractor will not discriminate between any employee or applicant for employment because of race, creed, color or national origin." The Order also requires that the Contractor submit information and reports as may be required by the President's Committee on Equal Employment Opportunity.

Shortly thereafter, the Department of Defense, the Atomic Energy Commission, the Public Health Service, and other government agencies with which the University has many contracts all requested a Compliance Report from the University for the use of the Committee. Parts I and II of the report requested information concerning the policies and practices of the University in connection with employment. This information was submitted to the Committee on June 30, 1962. Part III of the Compliance Report requested certain personnel statistics which were not available because of the University's policy of not requiring information as to race, creed, or national origin in the application form and other personnel records of employees. Accordingly, the information was not furnished.

The Committee has again requested this information and since compliance with a Federal Order is indicated, notwithstanding a University policy which precludes carrying such information in its official records, it is necessary to direct the University officers involved to obtain this information from department heads who will make a head count to determine the number of Negroes and other members of minority groups in their departments. This information will be submitted and included in the report without personal identification and no specific information will be transferred from the survey to the records of the individuals. The report containing information gathered under these conditions will then be submitted to the President's Committee.

This report was received for record.

PURCHASES

(28) The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

The recommendations are presented in two categories: purchases from Appropriated Funds (i.e., from state appropriations to the University) and purchases from Institutional Funds. The latter term is used in these recommendations to designate funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, from foundation grants and grants from corporations and other donors.

REPORT OF GIFTS AND FUNDS RECEIVED FROM OUTSIDE SOURCES

(30) Following is a report of gifts, grants, and contract funds received by the University during the fiscal year July 1, 1961, through June 30, 1962. This report includes funds from private donors and funds received from governmental agencies and covers all payments received during the fiscal year. A period of several months may elapse between the time an offer is received and accepted and final payment is made, which will account for the listing here of some gifts of funds, such as for scholarships and fellowships, for the academic year 1961-62 and others for 1962-63.

A number of these grants and gifts were previously reported to the Board when the offers were received, and likewise the Comptroller's monthly reports have included numerous research contracts for which funds had not been received at the time of reporting. These funds are being included here in order to present a complete report of all funds received from outside sources during the fiscal period 1961-62.

The contracts have all been properly executed by the Secretary and the Comptroller of the Board. All gifts and grants reported have been accepted and duly acknowledged by the President or other appropriate University officer with an expression of appreciation on behalf of the University and the Board of Trustees.

55. National Association of Home Builders Scholarship Foundation, Inc., Washington, D.C.: scholarships for students in a curriculum related to the home building industry, 1962-63....	1 000 00
56. National Merit Scholarship Corporation: scholarships, 1962-63 These are supplemental grants from sponsors of National Merit Scholarships in recognition of National Merit Scholars enrolled at the University of Illinois but are for scholarship aid to students who were not Merit Scholars.	2 475 00
57. National Secretaries Association, Champaign-Urbana Chapter: scholarship, 1962-63.....	150 00

58. Nonacademic Employees Council, University of Illinois, Urbana: scholarship for a son or daughter of a nonacademic employee at Urbana.....	440 00
59. Old Ben Coal Corporation, Chicago: scholarships in mining engineering, 1961-62	1 000 00
60. Owens-Corning Fiberglas Corporation, Toledo, Ohio: scholarships in engineering.....	1 000 00
61. Owens-Illinois Glass Company, Toledo, Ohio: scholarships in engineering	2 450 00
62. Pennsylvania Glass Sand Corporation, New York, New York: scholarship in ceramic engineering, 1962-63.....	500 00
63. Perine Development Corporation, Indianapolis, Indiana: scholarship for a student in the residential development option of the land economics curriculum in the College of Commerce and Business Administration.....	500 00
64. Estate of Helen Korte Phelps: three scholarships (\$250 each), known as the Korte Scholarships, second semester, 1961-62.....	750 00
65. Physical Education for Women Alumnae Association: an endowment to establish a scholarship fund for students enrolled in the physical education for women curriculum.....	1 000 00
66. Presser Foundation, Philadelphia, Pennsylvania: scholarship in music, 1961-62.....	400 00
67. Production Credit Association: three scholarships in agriculture (\$150 each), 1962-63.....	450 00
68. Ralston Purina Company, St. Louis, Missouri: scholarship in agriculture, 1961-62	500 00
69. Scully-Jones Foundation, Chicago: scholarship in mechanical and industrial engineering, 1961-62.....	300 00
70. Sears-Roebuck Foundation, Chicago: scholarships in agriculture and home economics, 1961-62.....	5 100 00
71. Alfred P. Sloan Foundation, New York, New York: annual stipends for five Alfred P. Sloan National Scholars, 1961-62..	3 200 00
72. A. O. Smith Foundation, Inc., Milwaukee, Wisconsin: scholarship in ceramic engineering, 1961-62.....	500 00
73. Stauffer Chemical Company, Victor Chemical Works Division, Chicago: three scholarships in chemistry in memory of the late August Kochs, founder of the Victor Chemical Works...	3 000 00
74. Student Organizations Executive Board, University of Illinois: scholarships, 1962-63.....	2 500 00
75. Texaco, Inc., New York, New York: scholarships in engineering, 1961-62	1 200 00
76. Trane Company, LaCrosse, Wisconsin: scholarships for seniors in mechanical engineering.....	1 500 00
77. Union Carbide Educational Fund, New York, New York: scholarships	1 495 00
78. United States Rubber Company Foundation, New York, New York: scholarship, 1962-63.....	1 400 00
79. Universal Oil Products Company, Des Plaines: scholarships in chemical engineering, 1962-63.....	1 500 00
80. Various donors: to the Undergraduate Scholarship Fund... J. D. Carrier.....\$ 10 00 Josephine Dennis, Chicago..... 5 00 James Vedder	100 00
81. Western Electric Company, Chicago: scholarships in engineering, 1961-62	1 200 00
82. Westinghouse Electric Corporation, Baltimore, Maryland: for the Westinghouse Air Arm Scholarships, 1961-62.....	1 500 00
83. Witt-Armstrong Equipment Co., Springfield: scholarship in engineering, 1961-62	450 00
84. Zeta Tau Alpha Foundation, Evanston: for the Shirley K. Strout Scholarship in journalism, 1962-63.....	250 00
<i>Total, Undergraduate Scholarships.....</i>	<i>\$ 305 614 13</i>

Miscellaneous Awards and Financial Aids to Students

85. Alschuler Philanthropic Fund, Inc., Chicago: to the Department of Architecture for a student award.....	\$ 25 00
86. American Society for Metals, Chicago: to the Department of Mining, Metallurgy, and Petroleum Engineering for student aid.....	100 00
87. Bradley and Bradley, Inc., Rockford: to the Department of Architecture for student awards.....	200 00
88. Deeter and Ritchey, Architects, Pittsburgh, Pennsylvania: traveling expense award for a student in architecture.....	500 00
89. Eugene Falk, Minneapolis, Minnesota: to the Department of French to add to funds to assist outstanding students in their studies of French.....	20 00
90. Kivett and Myers and McCallum, Kansas City, Missouri: to the Department of Architecture for a student award.....	200 00
91. Koppers Company, Inc., Pittsburgh, Pennsylvania: to the Department of Architecture for a student award.....	500 00
92. John Wiley and Sons, Inc., New York, New York: for the Fred B. Seely Award in Engineering (Mr. Seely is a retired Professor of Theoretical and Applied Mechanics).....	100 00
93. Contributions received by the Dean of Women from numerous donors to the Women Students' Aid Fund.....	5 812 90
<i>Total, Miscellaneous Awards and Financial Aids to Students.....</i>	<i>\$ 7 457 90</i>

Student Loans

94. Alpha Phi Omega, an honorary service organization: for the Alpha Phi Omega Student Loan Fund.....	\$ 750 00
95. DuPage County Health Improvement Association, Wheaton: loan fund for students in the health education curriculum...	1 000 00
96. Dr. and Mrs. Arthur L. Ennis, Decatur: for the Dr. and Mrs. Arthur L. Ennis Student Loan Fund.....	550 00
97. Ford Foundation, New York, New York: for Forgivable Predoctoral Loans to Future Engineering Teachers.....	100 000 00
98. Illinois Society of Professional Engineers, Capital Chapter, Springfield: for the LeSueur H. Hendrick Memorial Fund for loans to junior and senior students in engineering.....	500 00
99. Koppers Company, Inc., Pittsburgh, Pennsylvania: to add to the Koppers Student Loan Fund.....	500 00
100. Henry Strong Educational Foundation, Chicago: to add to the long-term student loan funds.....	3 000 00
101. Tau Delta Tau: to add to the student short-term loan fund..	15 00
102. Tile Council of America, Inc., New York, New York: for student loans	500 00
103. United States Department of Health, Education, and Welfare under the National Defense Education Act: for student loans for all campuses.....	250 000 00
104. Various fraternity alumni: for the Fraternity Alumni Emergency Loan Fund.....	525 00
<i>Total, Student Loans.....</i>	<i>\$ 357 340 00</i>

Funds for Graduate Fellowships and Research

105. Abbott Laboratories, North Chicago: Roger Adams Fellowship in organic chemistry, 1961-62 (\$3,000), and 1962-63 (\$3,400).....	\$ 6 400 00
106. Allied Chemical Corporation, Nitrogen and Plastics Divisions, Hopewell, Virginia: two fellowships in the Department of Chemistry and Chemical Engineering, 1961-62.....	6 013 03
107. American Cyanamid Company, New York, New York: fellowship in chemistry, 1961-62.....	2 980 00
108. Armco Steel Corporation, Middletown, Ohio: fellowship in ceramic engineering, 1961-62.....	2 200 00

109. Automotive Safety Foundation, Washington, D.C.: fellowship in highway engineering, 1961-62.....	2 000 00
110. Bell Telephone Laboratories, Murray Hill, New York: fellowship in physics, 1961-62.....	2 560 00
111. Campbell Soup Company, Camden, New Jersey: fellowships in food technology (\$3,500) and in plant sciences (\$3,500), 1961-62.....	7 000 00
112. Collins Radio Company, Cedar Rapids, Iowa: fellowship in electrical engineering, 1961-62.....	2 000 00
113. Continental Oil Company, Ponca City, Oklahoma: fellowship in mathematics, 1961-62.....	3 000 00
114. Corning Glass Works Foundation, Corning, New York: four fellowships, summer 1962 (\$500 each plus \$495 tuition and fees and \$1,000 for departmental expenses).....	3 495 00
115. Dow Chemical Company, Midland, Michigan: fellowships in chemistry (\$2,750) and in chemical engineering (\$2,750), 1962-63.....	5 500 00
116. E. I. du Pont de Nemours and Company, Wilmington, Delaware: postgraduate teaching assistantship in chemistry, 1962-63.....	1 700 00
117. Eastman Kodak Company, Rochester, New York: fellowship in engineering (\$1,520), in chemistry (\$1,000), and in physics (\$1,000), 1961-62.....	3 520 00
118. Esso Research and Engineering Company, Linden, New Jersey: fellowship in chemistry, 1961-62.....	3 630 00
119. Ethyl Corporation, Detroit, Michigan: fellowship in chemistry, 1961-62.....	3 160 00
120. Firestone Tire and Rubber Company, Akron, Ohio: fellowship in chemistry, 1961-62.....	2 080 00
121. Ford Foundation, New York, New York: fellowships as part of the Foundation's Experimental Engineering Faculty Recruitment and Development Program which includes funds for predoctoral fellowships and loans.....	106 000 00
122. General Dynamics Corporation, General Atomic Division, San Diego, California: fellowship in physics, 1962-63.....	4 000 00
123. General Electric Foundation, Ossining, New York: fellowships in chemistry (\$3,080), in physics (\$2,730), in electrical engineering (\$2,730), and in accountancy (\$5,000).....	13 540 00
124. General Telephone and Electronics Laboratories, New York, New York: fellowships in communications, Department of Electrical Engineering, 1961-62 and 1962-63.....	5 000 00
125. Gregory Industries, Inc., Lorain, Ohio: fellowship in civil engineering, 1961-62.....	3 750 00
126. Grolier Foundation, Inc., New York, New York: the Grolier-Americana award for a graduate student in library science, 1962-63.....	1 000 00
127. Inland Steel-Ryerson Foundation, Inc., Chicago: fellowship in mining and metallurgical engineering, 1961-62.....	3 600 00
128. International Business Machines Corporation, Yorktown Heights, New York: fellowships in social sciences and electrical engineering, 1961-62.....	5 110 00
129. Johnson and Johnson, New Brunswick, New Jersey: Roger Adams Fellowship in organic chemistry, 1962-63.....	3 400 00
130. Jones and Laughlin Steel Corporation, Pittsburgh, Pennsylvania: fellowship in metallurgical engineering, 1961-62.....	2 600 00
131. Lead Industries Association, New York, New York: fellowships in ceramic engineering, 1961-62 and 1962-63.....	6 000 00
132. Lilly Endowment, Inc., Indianapolis, Indiana: fellowships in economics.....	6 000 00
133. Lubrizol Foundation, Cleveland, Ohio: fellowship in chemistry, 1962-63.....	3 000 00
134. Minnesota Mining and Manufacturing Company, St. Paul, Minnesota: fellowships in chemistry, chemical engineering, and physics (\$3,000 each), 1962-63.....	9 000 00

135. Monsanto Chemical Company, St. Louis, Missouri: two fellowships, one each in chemistry and in chemical engineering, 1961-62	6 000 00
136. Motorola, Inc., Franklin Park: Paul V. Galvin Fellowship in electrical engineering, 1961-62	2 500 00
137. National Lead Company, Houston, Texas: fellowship in geology, 1962-63	4 400 00
138. Edward Orton Jr. Ceramic Foundation, Columbus, Ohio: two fellowships in ceramic engineering, 1961-62	3 600 00
139. Parke, Davis, and Company, Ann Arbor, Michigan: fellowship in biochemistry, 1961-62	3 100 00
140. Procter and Gamble Company, Cincinnati, Ohio: fellowships in chemistry (\$4,040) and in chemical engineering (\$2,920), 1962-63	6 960 00
141. Pullman Foundation on behalf of the M. W. Kellogg Company, New York, New York: M. W. Kellogg Company Summer Fellowships in chemistry, summer 1962	500 00
142. Pure Milk Association, Chicago: Lauterbach Memorial Fellowship in food technology, 1961-62	1 500 00
143. Radio Corporation of America, Princeton, New Jersey: fellowship in electrical engineering, 1961-62	2 850 00
144. Raymond Concrete Pile Company, New York, New York: A. E. Cummings Memorial Fellowship in civil engineering, 1961-62	2 100 00
145. Raytheon Company, Waltham, Massachusetts: fellowship in physics, 1961-62	3 150 00
146. Rohm and Haas Company, Philadelphia, Pennsylvania: fellowship in the Department of Chemistry and Chemical Engineering, 1961-62	3 000 00
147. Shell Fellowship Committee of the Shell Companies Foundation, Inc., New York, New York: fellowships in chemical engineering (\$2,760) and in geology (\$2,760), 1961-62	5 520 00
148. Sinclair Research, Inc., New York, New York: fellowship in organic chemistry, 1962-63	2 500 00
149. Alfred P. Sloan Foundation, New York, New York: fellowships for three first-year graduate students in engineering, 1961-62	9 620 00
150. Society of the Sigma Xi, Illinois Chapter: fellowship	500 00
151. Socony Mobil Oil Company, Inc., New York, New York: fellowships in chemistry, 1961-62 and 1962-63	6 830 00
152. Stauffer Chemical Company, Chicago: fellowship in chemistry and chemical engineering in memory of August Kochs, founder of the Victor Chemical Works, a Division of Stauffer Chemical Company	3 000 00
153. Sun Oil Company, Philadelphia, Pennsylvania: fellowships in chemical engineering (\$3,370) and in chemistry (\$3,530), 1961-62	6 900 00
154. Television Shares Management Corporation, Chicago: fellowship in electrical engineering to promote the development of new teachers in electronics, 1961-62	2 000 00
155. Toni Company, Division of the Gillette Company, Chicago: fellowship in chemistry, 1961-62	4 000 00
156. Union Carbide Corporation and its subsidiary divisions	15 140 00
Chemical Industries Council: two fellowships, summer 1962	\$1 000 00
Parma Research Laboratory: fellowship in physics, 1961-62	3 360 00
Visking Company: fellowship in chemical engineering, 1961-62	3 720 00
Union Carbide Plastics Company: fellowship in chemistry	3 680 00
Union Carbide Metals Company: fellowship in mining, metallurgy, and petroleum engineering	3 380 00

157. United States Rubber Company Foundation, New York, New York: fellowship in physical and engineering sciences, 1961-62.....	2 910 00
158. United States Steel Foundation, Inc., New York, New York: fellowship in physics, 1961-62 and 1962-63.....	7 200 00
159. Universal Match Corporation, St. Louis, Missouri: fellowship in chemistry and chemical engineering, 1961-62.....	2 500 00
160. Upjohn Company, Kalamazoo, Michigan: fellowship in microbiology, 1962-63	3 982 00
161. Various donors: fellowships in the Jane Addams Graduate School of Social Work.....	11 352 00
Gads Hill Center, Chicago.....	\$ 1 800 00
Hull House Association, Chicago.....	4 000 00
Wieboldt Foundation, Chicago.....	2 652 00
Woods Charitable Fund, Chicago.....	900 00
Young Men's Jewish Council, Chicago.....	1 800 00
Young Women's Christian Association of Chicago	200 00
162. Woodrow Wilson National Fellowship Foundation, Princeton, New Jersey: fifteen fellowships, 1961-62.....	30 000 00
163. Zeta Phi Eta: fellowship in speech.....	663 00
	(383 515 03)
164. Abbott Laboratories, North Chicago.....	12 900 00
To the Department of Animal Science for studies in swine nutrition.....	\$1 500 00
To the Department of Physiology for a study of calcium metabolism	5 000 00
To the Department of Physiology for a study of animal gastro-intestinal tract.....	4 000 00
To the Radiocarbon Laboratory for research.....	2 400 00
165. Allied Chemical Corporation, Hopewell, Virginia: to the Department of Animal Science for a study on ruminant nutrition with particular regard to energy and nitrogen utilization	3 000 00
166. American Bird Products, Inc., Chicago: to the Department of Veterinary Pathology and Hygiene for a study of epidemiology and control of psittacosis and psittacoid diseases..	2 000 00
167. American Cancer Society, Inc., New York, New York.....	22 522 00
To the Department of Microbiology for studies on viruses	\$19 572 00
To the School of Life Sciences for a study of hemoproteins	2 000 00
To the Department of Botany for research.....	950 00
168. American Chemical Products, Inc., Ambler, Pennsylvania: to the Department of Agronomy for studies on soybeans....	500 00
169. American Chemical Society, Washington, D.C.....	79 450 00
To the Department of Chemistry and Chemical Engineering:	
For a study of surface phenomena in phase contacting.....	\$ 7 250 00
For a study of catalysis in a stirred reactor...	4 350 00
For a study of mechanisms of radical reactions	6 200 00
For a study of diffusion mechanism: molecules in solution.....	6 450 00
For nuclear magnetic and electron spin resonance studies of hydrocarbons.....	12 900 00
For a study of ferrocene derivatives.....	8 000 00
For research on petroleum.....	15 000 00
For studies on mechanisms of organic reactions	6 300 00
To the Department of Geology:	
For mineralogical and chemical studies of ancient sediments	6 000 00
For petrographic investigations of silurian reefs.....	7 000 00

170. American Cyanamid Company, Princeton, New Jersey.....	2 000 00
To the Department of Agronomy for studies on field experiments with phosphoric acid.....\$ 1 000 00	
To the State Natural History Survey for study on systemic insecticides for control of insects on wheat.....	1 000 00
171. American Dairy Association: to the Department of Food Technology.....	24 000 00
For a study of the relationship between dietary fat and composition of blood lipids.....\$12 000 00	
For an investigation of the effects of butterfat and corn oil in relation to the development of atherosclerosis.....	8 500 00
For a study of the relationship of milk protein to serum cholesterol levels.....	3 500 00
172. American Foundation for Management Research, Inc., New York, New York: to the Department of Management for a study of the critical requirements of executive motivation..	480 00
173. American Gas Association, New York, New York: to the Department of Mining, Metallurgy, and Petroleum Engineering for a study of the effects of alternating current on the corrosion of steels buried in soils.....	18 000 00
174. American Heart Association: to the Department of Food Technology for a study of B-lipoprotein liability.....	9 900 00
175. American Iron and Steel Institute, New York, New York..	16 500 00
To the Department of Theoretical and Applied Mechanics for studies of welded wire fabric for reinforced concrete	\$ 3 500 00
To the Department of Theoretical and Applied Mechanics for a study of behavior of higher strength steel in columns.....	13 000 00
176. American Oil Company: to the Department of Agricultural Engineering for a study on accelerated drying of farm grains	7 500 00
177. American Petroleum Institute, New York, New York: to the Department of Mining, Metallurgy, and Petroleum Engineering.....	9 000 00
For research on seismic energy paths in velocity logging.....\$ 5 000 00	
For research on drillability and the surface energy of solids	4 000 00
178. American Psychological Association, Washington, D.C.: to the Institute of Communications Research for a research project on information exchange among and connotations of psychological journals.....	7 221 31
179. American Society of Heating, Refrigerating, and Air Conditioning Engineers, Inc., New York, New York: to the Department of Mechanical and Industrial Engineering.....	12 000 00
For a study of selection and application of air measuring devices	\$ 2 500 00
For a study of safety with high temperature water systems	2 500 00
For a study of steam and condensate flow in pipes	7 000 00
180. American Steel and Wire Company, Cleveland, Ohio: to the Department of Theoretical and Applied Mechanics for a study on behavior of deformed wire fabric in concrete.....	6 800 00
181. Amsted Industries, Inc., Chicago: to the Department of Mechanical and Industrial Engineering for research in the field of cast metals education.....	500 00
182. Archer-Daniels-Midland Foundation, Minneapolis, Minnesota: to the Department of Food Technology for studies on fats and oils.....	1 500 00

183. Armington Illinois Community Chest: to the Department of Food Technology for lipids research.....	392 16
184. Association of American Railroads: to the Department of Civil Engineering for a study of the performance of filter material in subdrains.....	2 800 00
185. Association of American Railroads and American Iron and Steel Institute: to the Department of Theoretical and Applied Mechanics for a study of the cause of failures in railroad rails in service.....	16 000 00
186. Armour Pharmaceutical Company.....	8 290 00
To the Department of Veterinary Physiology and Pharmacology for a study of pharmacological characterization of new drugs potentially useful in veterinary medicine with particular emphasis on drugs affecting the nervous system.....	\$ 6 440 00
To the Department of Health and Safety Education for a study of the effect of certain medications on the individual as to reaction time, steadiness, and visual acuity.....	1 850 00
187. Bear Hybrid Corn Company, Inc., Decatur: to the Department of Agronomy for corn research.....	5 000 00
188. Bendix Aviation Corporation, South Bend, Indiana: to the Department of Ceramic Engineering for a study of thermal diffusivity and elastic moduli of ceramic-metal combinations at elevated temperatures.....	26 276 25
189. California Chemical Company, Ortho Division, Richmond, California: to the Department of Plant Pathology for studies on control of diseases of turf grass.....	300 00
190. Carle Foundation, Urbana: to the Department of Physiology and Biophysics for a study of the contractile force of the heart muscle under varying situations of drug administration and myocardial ischemia.....	1 000 00
191. Carnegie Corporation of New York, New York: to the University High School.....	153 000 00
Development of a new elementary school arithmetic curriculum.....	\$71 300 00
Development of a new high school mathematics curriculum.....	81 700 00
192. Caterpillar Tractor Company, Peoria: to the Department of Civil Engineering for studies of the behavior of U-shaped structural members subjected to torsion and flexure.....	13 000 00
193. Ciba Pharmaceutical Products, Inc., Summit, New Jersey: to the Department of Physiology and Biophysics for a study of animal gastro-intestinal tract.....	4 000 00
194. Climax Molybdenum Company, New York, New York: to the Department of Agronomy for studies on trace elements..	1 500 00
195. Columbia University, New York, New York (from a Sloan Foundation grant): to the Department of Chemistry and Chemical Engineering for research in physical chemistry....	1 859 51
196. Commercial Solvents Corporation, Terre Haute, Indiana: to the Department of Animal Science.....	6 000 00
For a study on vitamins and growth factors in swine nutrition	\$ 3 000 00
For a study of destruction of vitamin A in the rumen.....	3 000 00
197. Consolidated Electrodynamics Corporation, Pasadena, California: to the Department of Ceramic Engineering for research in the area of hermetic seals and electrical properties of special glasses.....	5 500 00
198. Container Corporation of America, Chicago: to the Department of Agricultural Engineering for studies on storage of shelled corn.....	2 500 00

199.	Corn Industries Research Foundation, Inc., Washington, D.C.....	26 827 00
	To the Department of Agronomy for a study of the breeding and genetics of high oil corn.....	\$12 827 00
	To the Department of Home Economics for studies on behavior of starches in food products..	6 500 00
	To the Department of Chemistry and Chemical Engineering for studies on metal complexes of starch.....	7 500 00
200.	Council of Ten and the University of Chicago: to the Department of Broadcasting for studies of institutional cooperation.....	750 00
201.	Crop-Hail Insurance Actuarial Association, Chicago: to the State Water Survey to study factors producing hailstorms in Illinois.....	6 000 00
202.	Dawe's Laboratories, Inc., Chicago: to the Department of Animal Science for a study on animal and poultry nutrition	2 000 00
203.	Diamond Alkali Company, Cleveland, Ohio: to the Department of Plant Pathology for studies on soil fungicides.....	300 00
204.	Dow Corning Corporation, Midland, Michigan: to the Department of Chemistry and Chemical Engineering for research.....	500 00
205.	E. I. du Pont de Nemours and Company Inc., Wilmington, Delaware.....	25 000 00
	To the Department of Chemistry and Chemical Engineering for research in chemistry (\$15,000) and in chemical engineering (\$5,000).....	\$20 000 00
	To the Department of Physics for research.....	5 000 00
206.	Eisner Food Stores, Champaign: to the Department of Marketing for research.....	500 00
207.	Engineering Foundation, New York, New York: to the Department of Civil Engineering for a study of structural joints — riveted and bolted.....	26 395 00
208.	Ford Foundation, New York, New York.....	112 118 73
	To the Bureau of Economic and Business Research for the savings research project of the Inter-University Committee for Research on Consumer Behavior	\$12 500 00
	To the Department of Sociology for the systematic development of new concepts and practices of delinquency prevention.....	2 500 00
	To the Department of Sociology for expansion of a study of the effectiveness of the federal correctional system and dissemination of its findings to interested professionals in the fields of criminal law and corrections.....	22 500 00
	To the Office of Community Development for a project to help define the University's role in meeting urban problems and to develop a training program for services to Illinois' rapidly urbanizing communities (a partial payment of a total grant of \$125,000).....	60 000 00
	To the Department of Electrical Engineering for research in the behavioral sciences.....	1 178 73
	To the University Press to stimulate scholarly publication in the humanities and social sciences..	13 440 00
209.	Ford Motor Company, Dearborn, Michigan: to the Department of Animal Science for research into factors affecting the immunological response of the pig.....	2 000 00
210.	Foundry Educational Foundation, Cleveland, Ohio: to the Department of Mechanical and Industrial Engineering for research.....	250 00

211.	Geigy Chemical Corporation, Ardsley, New York: to the Department of Veterinary Pathology and Hygiene for a study of canine dermatitis.....	525 00
212.	General Electric Foundation, Ossining, New York: to the Department of Mathematics for research.....	5 000 00
213.	General Motors Corporation: to the Departments of Electrical Engineering and Theoretical and Applied Mechanics (\$500 each) for research.....	1 000 00

DEAN MARY K. MULLANE

At this point, Dean Mary K. Mullane of the College of Nursing was introduced and she addressed the Board briefly on the recent developments in education for nursing and on the state of the University of Illinois College of Nursing.

JANUARY MEETING

On motion of Mr. Swain, the Board voted to change the date of the January, 1963, meeting from Wednesday, January 16, to Thursday, January 17, 1963; and to hold this meeting in Springfield at a place and according to a schedule to be determined by the President and the Secretary of the Board.

ANNUAL MEETING

On motion of Mr. Johnston, the Board voted to change the date of the

next annual meeting from Tuesday, March 12, to Wednesday, March 20, 1963.

President Henry asked that the Trustees consider holding a special meeting, or meetings and conferences of Board committees, in January following the regular meeting. The dates of January 19 and 22 were suggested. It was the consensus of the Board that the Secretary of the Board, in consultation with the Committee Chairmen, canvass the Trustees to set a suitable date if the business of the University required such a meeting of the Board or of Board Committees.

TRIBUTE TO MR. WILKINS

Mr. Wilkins will leave office as Superintendent of Public Instruction of Illinois on January 14, so that today's meeting of the Board of Trustees of the University is the last he will attend as an *ex officio* member of the Board.

On motion of Mr. Swain, the Board of Trustees gave Mr. Wilkins a rising vote of thanks for his services as a member of this Board.

RECESS

At 12:15 p.m., on motion of Mrs. Watkins, the Board recessed for luncheon. Members of the Board of Trustees, officers of the Board, officers of the University, and representatives of the press were guests of officers of the First National Bank of Chicago at luncheon.

Following the recess, on motion of Mr. Pogue, the Board adjourned.

Secretary

HOWARD W. CLEMENT
President

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

January 17, 1963

The January meeting of The Board of Trustees of the University of Illinois was held in Room M-3, State House, Springfield, Illinois, on Thursday, January 17, 1963, beginning at 2:00 p.m. Prior to the meeting, the Trustees, officers of the University, and representatives of the press were guests of Governor and Mrs. Otto Kerner for luncheon at the Executive Mansion.

The following members of the Board were present at the meeting: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Governor Otto Kerner, Mr. Ray Page, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Mr. Harold Pogue was absent on account of illness.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Professor Norman A. Parker, Vice-President, Chicago Undergraduate Division, Dr. Joseph S. Be-gando, Vice-President, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. William H. Rice, Administrative Assistant (Legislative Relations), President's Office; and the officers of the Board, Mr. C. W. Weldon, Treasurer, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.

ANNOUNCEMENTS BY THE PRESIDENT OF THE BOARD

On behalf of the Board, President Clement welcomed the Governor to the meeting, and also Mr. Page, who was attending his first meeting as an ex officio member of the Board.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
RICHARD BYRON COLE	Birmingham, Michigan	Michigan
JAMES EVERETT COOK	Skokie, Illinois	Texas
MYRON RAYMOND HASS	Oak Lawn, Illinois	California
JEROME JOSEPH MCCARTHY	East St. Louis, Illinois	Missouri
HAROLD ELLSWORTH QUILL	Bettendorf, Iowa	Iowa
STUART ARTHUR SIMEL	East Williston, New York	New York
ROBERT L. VAN DE VOORDE	Rock Island, Illinois	Iowa

I concur.

On motion of Mr. Hughes, these certificates were awarded.

BUDGET FOR 1963 SUMMER SESSION AND FACULTY APPOINTMENTS

(2) Submitted herewith is the budget and appointments to the faculty for the 1963 Summer Session: at Urbana-Champaign from June 17 through August 10; at the Chicago Undergraduate Division from June 21 through August 16; and at the Medical Center from June 17 through September 7.

The distribution of the budgeted funds is as follows:

Salaries

Urbana-Champaign	\$ 862 919
Medical Center	11 803
Reserve	45 278
<i>Total, Urbana-Champaign and Medical Center</i>	(920 000)
Chicago Undergraduate Division	144 023
Reserve	977
<i>Total, Chicago Undergraduate Division</i>	(145 000)
<i>Total, Summer Session Salaries</i>	(1 065 000)

Wages, Expense, and Equipment

Urbana-Champaign	18 610
<i>Total, Summer Session Budget</i>	\$1 083 610

Salaries of members of the University faculty recommended for summer session appointments are computed on the basis of the standard formula: two-ninths of the salary of the academic year for eight weeks of service, with proportionate amounts for shorter periods or for part-time service. The appointments being recommended include a number of visiting lecturers from other colleges and universities at the salaries indicated.

I recommend that the appointments to the summer session staff be approved as submitted, and that the President of the University be authorized to accept resignations and make such changes and adjustments and additional appointments as are necessary in accordance with the needs of the University within the allocations of funds indicated.

On motion of Mr. Swain, these appointments and the Summer Session budget were approved, and authority was given as requested, this action being taken by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Pogue.

1. MARY RUE BUCHER, Assistant Professor of Sociology, Department of Psychiatry, College of Medicine, beginning January 1, 1963, at an annual salary of \$10,250 (DY).
2. HERBERT S. CARLIN, Chief Pharmacist and Assistant Professor of Hospital Pharmacy, College of Pharmacy, beginning January 1, 1963, at an annual salary of \$14,000 (DY).
3. HANS P. LAUBSCHER, Visiting Associate Professor of Geology, for the academic year 1963-64, at a salary of \$10,000 (E).
4. WILLIAM E. NEVILLE, Clinical Assistant Professor of Surgery, College of Medicine, beginning December 1, 1962, without salary (DY).

On motion of Mr. Williamson, these appointments were confirmed.

HEADSHIP OF THE DEPARTMENT OF AGRONOMY

(4) The Dean of the College of Agriculture recommends the appointment of Dr. Marlowe Driggs Thorne, Professor of Agronomy and Head of the Department at Oklahoma State University, as Professor of Agronomy on indefinite tenure and Head of the Department of Agronomy beginning March 15, 1963, at a salary of \$19,500 a year on a twelve-month service basis.

This appointment is to fill the vacancy created by the promotion of Professor M. B. Russell, former Head of the Department, to the position of Associate Director of the Agricultural Experiment Station.

A search committee¹ appointed by the Dean to consider candidates for the position of Head of the Department of Agronomy invited recommendations from all members of the Department and from other sources, and submitted the names of several candidates whom the committee felt possessed the necessary qualifications for the headship position. Dr. Thorne was among the top candidates in this list, and letters of recommendation and personal interviews with persons well acquainted with his competence and effectiveness as an administrator support the Committee's recommendation. All members of the Department of professorial rank have been consulted and the recommendation is supported by the Executive Committee of the College and Station, the Dean of the Graduate College, and the Executive Vice-President and Provost.

I recommend approval of this appointment.

On motion of Mr. Hughes, this appointment was approved.

PAYMENT OF UNIVERSITY FEES AND HOUSING CHARGES ON INSTALLMENTS

(5) The Vice-President for the Medical Center and the Vice-President and Comptroller recommend authorization of an optional installment plan effective in September, 1963, for payment of tuition, fees, and residence hall charges by students at the Medical Center; and extension of this plan with respect to payment of fees to the Chicago Undergraduate Division and to Congress Circle:

1. Tuition and fees for each quarter will be collected in three installments, one-third payable at registration, and one-third in each of the following two months.
2. Housing charges will be collected monthly in advance.
3. Students electing the installment plan for payment of tuition and fees will be assessed a \$2.00 service charge; however, there will be no service charge for payment of University housing accounts in installments.

This is similar to the installment plan in effect at the Urbana campus, approved by the Board of Trustees March 12, 1959.

I concur.

On motion of Mr. Swain, this recommendation was approved; and extension of this plan to include the Chicago Undergraduate Division and Congress Circle with respect to installment payment of fees when and if there is a need for the same was authorized.

CHANGES IN REQUIREMENTS FOR GRADUATION IN THE ADVERTISING CURRICULUM

(6) The Urbana-Champaign Senate has approved a recommendation from the faculty of the College of Journalism and Communications that two courses, Journalism 204, Typography, and Journalism 211, Newswriting, be dropped as requirements for graduation in the advertising curriculum of that College, effective immediately. This change is to enable students to take more elective courses in the humanities and social sciences.

The Senate Coordinating Council has indicated no other Senate jurisdiction is involved.

I concur.

On motion of Mr. Williamson, this recommendation was approved.

¹Walter O. Scott, Professor of Crops Extension, Chairman; Denton E. Alexander, Associate Professor of Plant Genetics; Wayne M. Bever, Professor of Plant Pathology and Head of the Department; Daniel F. Dayton, Associate Professor of Plant Breeding; John R. Laughnan, Professor of Plant Genetics and of Botany; Sigurd W. Melsted, Professor of Soil Chemistry; Fred W. Slife, Professor of Crop Production; Frank J. Stevenson, Professor of Soil Chemistry.

NEW CURRICULUM OPTION IN HOME ECONOMICS

(7) The Urbana-Champaign Senate has approved a recommendation from the College of Agriculture and the Department of Home Economics for authorization of a new option, foods and business, in the undergraduate curriculum in home economics. In addition to meeting the other requirements in the home economics curriculum, the following specific courses will be included in the new option: Home Economics 220, Dietetics; 231, Foods; and 330, Experimental Foods, are required. Six additional hours are to be selected from Home Economics 326, Demonstration Problems and Techniques; 331, Problems in Foods; and 375, Home Equipment. Journalism 211, Newswriting; Marketing 101, Principles of Marketing; Rhetoric 151, Business Letter Writing; and Speech 101, Principles of Effective Speaking, are required, and an additional twelve hours are to be selected from Accountancy 201, Fundamentals of Accounting; Advertising 281, Introduction to Advertising; Home Economics 240, Quantity Food Production and Service; 322, Physical Growth and Nutrition; Journalism 223, Photo-Journalism; 326, Magazine Article Writing; Management 248, Personnel Administration; Radio and Television 264, Radio and Television Performance; and Speech 111, Business and Professional Speaking.

No new courses are involved in this change as all those listed are now being offered. The option is being established to meet a student demand for such a program to provide training in various phases of the foods industry.

The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

I concur.

On motion of Mr. Johnston, this curriculum was approved.

CURRICULUM IN MEDICAL ART

(8) The three Senates recommend, the Senate Coordinating Council concurring therein, authorization, effective in September, 1963, of a new curriculum in medical art leading to the degree of Bachelor of Science in Medical Art, to be conferred by the College of Fine and Applied Arts at Urbana.

Requirements for admission to this curriculum will be the same as those for admission to other curricula in art. The curriculum in medical art will consist of five years of study, the first three years at Urbana-Champaign and the fourth and fifth years at the Medical Center. During the first three years, physical and biological sciences and art, particularly drawing, will be emphasized. A total of ninety-five semester hours, with a minimum scholastic average of 3.5, will be required for admission to the fourth and fifth years at the Medical Center. Study during the final two years will include work in the anatomy laboratories and in medical art studios to develop skills and techniques in all media of illustration.

The standard residence requirement will be applicable: a student must earn the first ninety semester hours or the last thirty hours in residence at Urbana. In this curriculum, the last thirty semester hours prior to study at the Medical Center may be used in lieu of the last thirty hours prior to receipt of a degree.

This new program involves no budgetary increases. The courses to be given are now being offered by the several departments at Urbana-Champaign and by the Department of Medical Art at the Medical Center.

This new, degree-granting curriculum will replace a present certificate program in medical art now offered at the Medical Center. Degrees in medical art are being offered at three of the seven medical art schools in the United States and the University of Illinois should continue to maintain leadership in the training of medical artists for whom there is an increasing demand.

Submitted herewith is a supporting statement giving the details of this new program, a copy of which is being filed with the Secretary of the Board for record.

I recommend approval, subject to further action by the Board of Higher Education.

On motion of Mrs. Watkins, this recommendation was approved.

CURRICULUM IN GENERAL MEDICAL TECHNOLOGY

(9) The three Senates recommend, the Senate Coordinating Council concurring therein, authorization, effective in September, 1963, of a new curriculum in general

medical technology leading to the degree of Bachelor of Science to be conferred by the College of Medicine.

The curriculum will cover four years of study, the first three years, or ninety semester hours, to be offered in the College of Liberal Arts and Sciences and the fourth year at the College of Medicine. Entrance requirements will be the same as those for admission to the general curriculum in the College of Liberal Arts and Sciences. Minimum requirements for admission to the fourth year will be ninety semester hours, exclusive of the general University requirements in physical education and military training, with a minimum scholastic average of 3.0.

Enrollment is expected to be moderate so that it is not anticipated additional staff will be required. One new course in veterinary medical technology must be added.

There are shortages of trained personnel in all health services, especially medical record librarians and laboratory technologists; not enough are currently available to meet the staffing requirements of hospitals in Illinois. By establishing educational programs for the allied professional health groups, the University will not only train personnel in these fields but will give leadership to other existing programs thus improving their quality.

I recommend approval, subject to further action by the Board of Higher Education.

On motion of Mrs. Watkins, this recommendation was approved.

CURRICULUM IN MEDICAL RECORD ADMINISTRATION

(10) The three Senates recommend, the Senate Coordinating Council concurring therein, authorization, effective in September, 1963, of a new curriculum in medical record administration leading to the degree of Bachelor of Science, to be conferred by the College of Medicine.

The curriculum will cover four years of study, the first three years, or ninety semester hours, in the College of Liberal Arts and Sciences and the fourth year in the College of Medicine. Requirements for admission to the preprofessional part of the curriculum will be the same as for admission to the general curriculum in the College of Liberal Arts and Sciences. Requirements for admission to the fourth year will be ninety semester hours of preprofessional work in liberal arts and sciences, exclusive of the general University requirements in physical education and basic military training, with a minimum scholastic average of 3.0 and including certain specified subjects:

One year of rhetoric, Rhetoric 101 and 102, Freshman Rhetoric and Composition; or one year of Verbal Communication, Division of General Studies 111 and 112;

A reading knowledge of a foreign language equivalent to that resulting from four semesters of college study; each year of foreign language completed in high school will be accepted as the equivalent of one semester in college;

General education sequences in the humanities and social sciences including: Physiology 103, Introduction to Human Physiology; Zoology 104, Elementary Zoology; Psychology 100, Introduction to Psychology; and Psychology 101, Human Nature and Social Relations;

Physiology 234, Human Anatomy and Physiology;

Electives sufficient to complete the ninety hours required.

A Committee on Admissions to be appointed by the Executive Vice-President and Provost and including representatives of the College of Medicine, the College of Liberal Arts and Sciences, and the Office of Admissions and Records, will select applicants for admission to the fourth year on the basis of scholastic records, aptitude, and personal qualifications for professional training in this field.

Enrollment is expected to be moderate and it is not anticipated that additional staff will be required. One new course, Veterinary Medical Technology, must be added. (It should be noted that this course will also service the proposed new program in medical technology.)

I recommend approval, subject to further action by the Board of Higher Education.

On motion of Mrs. Watkins, this recommendation was approved.

**CONTRACTS FOR AIR-CONDITIONING EAST
DENTISTRY-MEDICINE-PHARMACY BUILDING**

(11) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for air conditioning in the East Dentistry-Medicine-Pharmacy Building, the award in each case being to the lowest bidder:

General — Simpson Construction Company, Chicago.....	\$25 257
Ventilating — Reliable Sheet Metal Works, Inc., Chicago.....	46 477
Base bid	\$43 777
Additive alternate for service charge for supervision of other contracts assigned to this contractor.....	2 700
Heating and Temperature Controls — National Heat and Power Com- pany, Inc., Chicago.....	24 954
Plumbing — O'Callaghan Bros., Inc., Chicago.....	395
Electrical — Hatfield Electric Company, Chicago.....	2 763
<i>Total Contracts</i>	<u>\$99 846</u>

The work will include furnishing and installing equipment and supply systems to complete the air conditioning of the major areas in the East Dentistry-Medicine-Pharmacy Building.

It is further recommended that all contracts other than the contract for ventilating work be assigned to the contractor for that work, making the total of his contract price \$99,846; and that an agreement be entered into with Reliable Sheet Metal Works, Inc., for the assignment of these other contracts for \$2,700 which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the ventilating contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A schedule of bids received is submitted herewith and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Pogue.

**CONTRACTS FOR CONSTRUCTION OF COORDINATED
SCIENCE LABORATORY, PHASE I**

(12) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for the construction of Phase I of the Coordinated Science Laboratory, the award in each case being to the lowest bidder:

General — C. A. Petry and Sons, Inc., Champaign.....	\$101 495
Base bid	\$98 430
Additive alternates for loading dock and canopy, vinyl as- bestos floor tile on second floor, and painting.....	3 065
Electrical — G. L. Wilsky, an individual doing business as Downtown Electric, Urbana	18 675
Plumbing — Reliable Plumbing and Heating Company, Champaign.....	13 452
Heating, Piping, Refrigeration, and Automatic Temperature Control Systems — Reliable Plumbing and Heating Company, Champaign...	25 581
Base bid	\$23 684
Additive alternate for cooling cycle for the eight-room ven- tilating type units.....	1 897
Ventilating — Petry Roofing and Sheet Metal Company, Champaign....	2 625
<i>Total Contracts</i>	<u>\$161 828</u>

It is also recommended that a combined contract be awarded to the Reliable Plumbing and Heating Company in the amount of \$39,033, being the total of the amounts bid by that Company on the plumbing, and on heating, piping, refrigeration, and automatic temperature control systems.

Departmental funds are available for the construction.

Submitted herewith is a supporting statement from the Physical Plant Department, including the schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Johnston, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Pogue.

CONTRACT FOR REROOFING DAVENPORT HALL

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract to Lloyd Hitchins, an individual doing business as Hitchins Roofing Company, Urbana, the lowest bidder, for reroofing the west section of Davenport Hall, at a total price of \$36,692, being the amount of the base bid plus an additive alternate for flat seam copper roofing instead of built-up composition roofing.

Funds are available in the Physical Plant Department budget.

I concur.

On motion of Mr. Swain, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Pogue.

CONTRACT FOR ELECTRIC POWER SERVICE IMPROVEMENTS

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract to Square Deal Electrical Contracting, Inc., Urbana, the lowest bidder, for improvements in the electric power service in nine buildings on the Urbana-Champaign campus to correct electrical deficiencies, at a contract price of \$181,021, which is the base bid for improvements in six buildings plus alternate bids on improvements in three additional buildings.

The work will include improvement of transformer vaults and switchboard revisions in the Chemistry Annex, Dairy Manufactures Building, Transportation Building, Women's Gymnasium, Veterinary Clinic (Small Animal), Electrical Engineering Research Laboratory, George Huff Gymnasium, Smith Music Hall, and the English Building, and will provide for expansion and improvement of electrical power service in all these buildings.

Funds are available in the state capital appropriations to the University from the Universities Building Fund to take care of the base bid plus the alternates for Huff Gymnasium and Smith Music Hall. An assignment of \$23,814 from the University General Reserve is requested to provide for the work in the English Building.

I concur.

On motion of Mr. Hughes, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Pogue.

CONTRACT FOR FIRST ADDITION TO DIGITAL COMPUTER LABORATORY

(15) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for construction of the first addition to the Digital Computer Laboratory, the award in each case being to the lowest bidder:

General — C. A. Petry and Sons, Inc., Champaign.....	\$209 144 67
Base bid	\$192 270 00
Additive alternate for service charge for supervision of other prime contracts assigned to the general contractor, including 3 per cent charge for ac- cepted alternates	4 962 67

Additive alternates for vinyl flooring, acoustical ceilings, painting walls, painting ceilings, and installing perforated asbestos panels and insulation, all of the above work in certain rooms as covered by the plans and specifications.....	11 912 00	
Electrical—William H. Brunkow, an individual doing business as Brunkow Electric Company, Champaign.....		52 250 00
Base bid	\$ 51 800 00	
Additive alternates for surface mounting light fixtures in certain rooms and wiring automatic air conditioning filters	450 00	
Plumbing—David William Reichard and David Warren Reichard, a partnership doing business as David W. Reichard Plumbing and Heating, Urbana		22 800 00
Base bid	\$ 19 600 00	
Additive alternate for rerouting an existing storm sewer.....	3 200 00	
Heating and Air Conditioning—Burdick Plumbing and Heating Company, Decatur		63 775 00
Ventilating—R. H. Bishop Company, Champaign.....		26 617 00
Base bid	\$ 23 678 00	
Additive alternates for changes in ceiling diffusers and return air grills and installation of automatic air conditioning filters.....	2 939 00	
<i>Total Contracts</i>		<u>\$374 586 67</u>

It is further recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of his contract price \$374,586.67; and it is further recommended that an agreement be entered into with C. A. Petry and Sons, Inc., Champaign, for the assignment of these other contracts for \$4,962.67, which amount is included in the contract price being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

A National Science Foundation grant of \$188,900 has been received for this project. The Executive Vice-President and Provost recommends an assignment of \$287,100 from Indirect Costs (General University Account) for the matching funds.

Submitted herewith is a supporting statement from the Physical Plant Department, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Dilliard, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Pogue.

EASEMENT TO CITY OF URBANA FOR OPERATING AND MAINTAINING STORM SEWER

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend, and I concur, adoption of the following resolution granting the city of Urbana an easement for operating and maintaining a storm sewer on University property in the 1300 block of West Stoughton Street, Urbana, provided that the City will grant the University permission to reroute an existing storm sewer which crosses the site of the addition to the Digital Computer Laboratory.

Resolution

Be It, and It Is Hereby, Resolved by this Board of Trustees of The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that the Comptroller and the Secretary of this corporation be, and they hereby are, authorized, for and in behalf of said public corporation, to make, execute, sign, acknowledge, and deliver a Grant of Utility Easement to the City of Urbana, a municipal corporation, conveying to the City of Urbana an Easement

across, under, and through the property and premises described as Lot 3 of Block 54 of Seminary Addition to the City of Urbana, Illinois, for the purposes of operating and maintaining a twenty-four inch storm sewer across, under and through said property in the location more definitively shown on that drawing prepared by the University Architect's Office, entitled Digital Computer Laboratory—First Addition, New Storm Sewer, Sheet No. 1 of 1, dated November 27, 1962; this Easement to the City of Urbana to be limited to a strip of land across said property extending five feet on each side of the center line of said sewer, as set forth on said drawing together with ingress thereto and egress therefrom; for so long as the City of Urbana shall use said Easement for said storm sewer purposes for which it is given; the rights herein granted to revert to said public corporation whenever a storm sewer is erected or constructed to take the place of the storm sewer herein provided for; in consideration of the City of Urbana giving permission to said public corporation to re-route an existing storm sewer which crosses the building site for the proposed Addition No. 1 to Digital Computer Laboratory; and to execute, acknowledge and deliver such other papers and documents as may be necessary to effect the purposes herein set forth.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Kerner, Mr. Page, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Pogue.

ADDITION TO CONTRACT FOR CONSTRUCTION OF ILLINI UNION BUILDING

(17) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$15,308.80 in the contract with the Felmley-Dickerson Company, Urbana, Illinois, for construction of the Illini Union Addition to include remodeling of the existing Commons Dining Room to match the new cafeteria dining area adjacent thereto. Funds are available in the construction budget for the remodeling.

1 concur.

On motion of Mr. Hughes, this change in contract was authorized.

EMPLOYMENT OF ARCHITECTS FOR UNION AND RESIDENCE HALL FACILITIES AT MEDICAL CENTER CAMPUS

(18) The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of the firm of C. F. Murphy Associates, Chicago, for architectural services on the Illini Union and Residence Hall at the Medical Center, at a total fee not to exceed 6 per cent of building construction costs.

Preliminary design work up to preparation of working drawings and writing of specifications will be on the basis of actual salaries of personnel employed on this assignment, plus 100 per cent for overhead and commission, but not to exceed 1 per cent of construction costs. Remaining work, after approval of preliminary design, will be done on the basis of a fee of 5 per cent of construction costs, this fee to cover working drawings, plans and specifications, and supervision of construction.

It is further recommended that:

- C. F. Murphy Associates be authorized to employ Fred Schmid Associates as food service consultants for this project on the basis of hourly rates (drafting room time, \$10.00; principal associates' time, \$20.00; and principal's services; \$30.00) provided that the total cost shall not exceed 10 per cent of the final cost of all food receiving, storage, preparation, and service equipment they plan, detail, or specify; plus reimbursement at cost for long-distance telephone calls, out-of-town travel expenses, and reproduction costs of blueprints and specifications. The architect will be reimbursed only to the extent of the difference between the food consultants' fee and 6 per cent of the final cost of the equipment planned and specified in the final layout.
- C. F. Murphy Associates be employed for interior design services on planning of all interior spaces in detail, including furniture, textiles, draperies, carpeting, and other furnishings, and preparation of complete furnishings specifications and a final cost estimate.

The fee for these services to be on the basis of reimbursement of actual salaries of technical personnel assigned to this project plus 100 percent for overhead and commission.

I concur.

On motion of Mr. Swain, this recommendation was approved.

EMPLOYMENT OF ENGINEERS FOR AERIAL MAPPING

(19) Accurate topographic maps are helpful as basic planning tools in studies of long-range campus planning, particularly site selection and development. Partial topographic surveys are available for certain areas of the main campus but there are many gaps which do not permit large area or block studies for effective planning, including land acquisition, site selection, drainage, road improvements, and extension of utilities. Additional maps are particularly needed in planning expansion south of Florida Avenue as adequate maps for that area do not exist.

The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of the Chicago Aerial Survey Division, Chicago Aerial Industries, Inc., Franklin Park, for preparation of aerial photographic topographic maps for the Urbana-Champaign campus, at an estimated cost of \$18,930, based on unit prices. Their recommendation has been reviewed with and approved by the Committee on Aerial Photography and the Department of Civil Engineering, both having had considerable experience with aerial photographs for map making, and by the Advisory Committee on the Selection of Architects and Engineers. The Committee on Buildings and Grounds has also been consulted and approves the recommendation.

Funds are available in the Physical Plant Department budget.

I concur.

On motion of Mrs. Watkins, this recommendation was approved.

REPORT ON LAND ACQUISITIONS

(20) The Director of the Physical Plant and the Vice-President and Comptroller submit the following report of property purchases authorized by the Board and completed since the last report (January 11, 1962).

PURCHASES

(21) The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

The recommendations are presented in two categories: purchases from Appropriated Funds (i.e., from state appropriations to the University) and purchases from Institutional Funds. The latter term is used in these recommendations to designate funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, from foundation grants and grants from corporations and other donors.

EDUCATIONAL DIRECTIONS AT THE UNIVERSITY OF ILLINOIS

(23) The University Study Committee on Future Programs has issued its final report, "Educational Directions at the University of Illinois," completing five years of study dealing with present-day conditions which have created special problems in education, particularly higher education, due to the rapid increase in population and new knowledge to be taught resulting from advances in science and technology. The report attempts to answer such questions as:

What share of the college-age youth should the University be prepared to accept, and on what campuses?

How should choices be made if more apply than can be accommodated?

What new programs and courses of study need to be added and which of the old can be dropped?

What priorities in teaching, research, and service should govern use of University facilities and the engagement of faculty time?

The contribution of this Committee already has been well established as a catalyst in internal deliberations. The Committee's studies, coupled with the advice and cooperation of the faculty and administration, have accelerated a variety of new procedures and policies. The report will not be placed before any group for adoption as a whole but will have the force of informal acceptance and the logic and persuasiveness of its ideas.

No summary can do the report justice. The Committee has given a clear view of continuing obligations as well as new opportunities. . . . It has offered specific recommendations and the rationale for them. It has also suggested priorities in educational services, a recognition that today as never before universities must

make choices. The reader will find a suggested pattern of growth and an indication of intellectual resources and values at the University of Illinois.

There are some detailed recommendations, involving the need to study the process of undergraduate teaching; questions of admissions policy; the importance of maintaining a strong faculty and giving it the time and facilities to do its work; the growing international interests of the University. . . .

To its credit, the Committee has not been preoccupied with minutiae but rather has been concerned to lay down broad guidelines to educational policy.

It is appropriate to make a formal presentation of the report to the Board of Trustees at this time because it is a significant document in the University's educational planning for the future. (No action is recommended or required.) I also take this occasion to record the appreciation of the University administration to the members of the Committee, especially to its Chairman, Professor G. M. Almy of the Department of Physics, whose work as head of the twelve-member task force representative of all three campuses of the University deserves special commendation. The members of the Committee are:

GERALD M. ALMY, Professor of Physics, Chairman, who has served a full five years

H. KENNETH ALLEN, Professor of Economics

JOHN E. CRIBBET, Professor of Law

LEE J. CRONBACH, Professor of Education, Bureau of Educational Research, and Professor of Psychology

BERNARD J. DIGGS, Associate Professor of Philosophy

CECIL A. KRAKOWER, Professor of Pathology, Medical Center

MORELL B. RUSSELL, Professor of Soil Physics, Department of Agronomy

ALLEN S. WELLER, Dean of the College of Fine and Applied Arts

All the above have served full five-year terms.

HOLLIS W. BARBER, Professor of Political Science, Chicago Undergraduate Division, who served from 1957-59

A. DWIGHT CULLER, Professor of English, 1957-58

RUPERT M. PRICE, Associate Professor of Physics and Assistant Dean of Engineering, Chicago Undergraduate Division, 1959-62

ROBERT W. ROGERS, Professor of English, 1958-62

Serving from one to three semesters for members on leave were:

EDWARD W. CLEARY, Professor of Law

NORMAN A. GRAEBNER, Professor of History

GLENN W. SALISBURY, Professor of Dairy Science

It should also be noted that Professor Lee J. Cronbach of the College of Education headed a subcommittee which prepared one of two appendices to the report, "The Entering Undergraduate Student," a subject discussed at the 1960 Faculty Conference.

The second appendix presents individual statements from the colleges and other divisions of the University as to their recent developments and long-range plans—statements of what the Chairman calls "educational directions at the working level."

Copies of the printed report were distributed at the meeting, and a copy was filed with the Secretary of the Board for record.

ADDITION TO CONTRACT FOR ASSEMBLY HALL

(24) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$3,557.37 in the contract with Felmley-Dickerson Company, Urbana, for construction of the Assembly Hall to provide for relocation of two alternators from the projection booth in the theatre quadrant to a switchgear room located below the office level.

Funds are available in the construction budget.

I concur.

On motion of Mr. Williamson, this change in contract was authorized.

INSTITUTE OF LABOR AND INDUSTRIAL RELATIONS ADVISORY COMMITTEE

(25) The Director of the Institute of Labor and Industrial Relations recommends

the following appointments to the Institute's Advisory Committee for a term of three years, beginning with the current academic year, to fill vacancies in the management, public, and labor representation:

Management

MARC A. BUETTELL, President of Ideal Industries, Inc., Sycamore
 WILSON KIMMELL, Vice-President and Industrial Relations Manager, LeTourneau-Westinghouse Company, Peoria
 ROY L. ROLLINS, Vice-President, in charge of Manufacturing, Purchasing, Labor Relations, Personnel, and Facility Planning, Staley Manufacturing Company, Decatur

Public

SAMUEL C. BERNSTEIN, Assistant Director of the Illinois Department of Labor, Chicago
 JOSEPH BORUS, Regional Administrator of the Bureau of Employment Security, and Regional Director of the Office of Manpower Administration in the United States Department of Labor, Chicago Region
 JOHN D. LARKIN, Arbitrator of Labor Disputes, Chicago

Labor

LEE CHAPMAN, Grand Lodge Representative, International Association of Machinists in the Midwest Area, Springfield
 BUDDY W. DAVIS, President of Local Union 3643 of the United Steelworkers, Alton

I recommend approval.

On motion of Mr. Swain, these appointments were approved.

KIRK, SAMUEL A., Professor of Psychology and of Education, and Director of the Institute for Research on Exceptional Children — sabbatical leave of absence, on full pay, for six months from March 1, 1963.

CANCELLATION OF SABBATICAL LEAVE OF ABSENCE

THOMSON, ROBB M., Professor of Physical Metallurgy, College of Engineering — sabbatical leave of absence for the second semester of 1962-63 on full pay, cancelled, without prejudice.

FUTURE MEETINGS OF THE BOARD

President Clement announced that the February meeting of the Board will be held in Urbana on Wednesday, February 20, 1963; and that the annual meeting will be held on March 20, 1963, also in Urbana, the Board having previously voted to change the annual meeting from the second Tuesday (March 12) to the third Wednesday (March 20).

EXECUTIVE SESSION

An executive session was requested, and was ordered, for consideration of reports and recommendations relating to property acquisitions.

On motion of Mr. Dilliard the Board recessed.

When the Board reconvened in executive session, all members of the Board were present, as recorded at the beginning of these minutes, except Governor Kerner and Mr. Page, who asked to be excused.

LAND ACQUISITIONS

(1) The Director of the Physical Plant and the Vice-President and Comptroller recommend the acquisition of the following properties for the purposes and prices indicated:

- | | |

Funds for the purchase of these properties are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

907 West Nevada Street, Urbana — site for Single Undergraduate Student Residence Hall.....\$34 000

The property consists of a lot 65 feet by 147.4 feet and is improved with a two-story and basement frame dwelling. Possession will be delivered by July 1, 1963. The house will be used as a student cooperative rooming house until such time as it is needed for building.

Funds for the purchase of this property are available in the Housing Division Reserve Funds.

The recommendations for these property acquisitions have been reviewed with and approved by the Committee on Buildings and Grounds.

I concur.

On motion of Mr. Williamson, these property purchases were authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Page, Mr. Pogue.

On motion of Mr. Williamson, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

February 20, 1963

The February meeting of the Board of Trustees of the University of Illinois was held in the Illini Union, Urbana, Illinois, on Wednesday, February 20, 1963, beginning at 11:00 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Ray Page, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Governor Otto Kerner was absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Professor Norman A. Parker, Vice-President, Chicago Undergraduate Division, Dr. Joseph S. Begando, Vice-President, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. Earl W. Porter, Assistant to the President, Mr. V. L. Kretschmer, Director of Auxiliary Services; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. C. W. Weldon, Treasurer, and Mr. A. J. Janata, Secretary.

**REPRESENTATIVES OF BOARD OF TRUSTEES ON BOARD
OF HIGHER EDUCATION**

President Clement called attention to the following provisions in the Act of the General Assembly of Illinois creating a Board of Higher Education:

"the respective chairmen of the Board of Trustees of the University of Illinois, the Board of Trustees of Southern Illinois University, and the Teachers' College Board; one member of each of the three foregoing Boards selected by the members thereof; and the Superintendent of Public Instruction."

"The members of the Board appointed respectively by the Board of Trustees of the University of Illinois, the Board of Trustees of Southern Illinois University, and the Teachers' College Board shall each hold office for two-year terms expiring on January 31 of odd numbered years.

"The members of the Board shall continue to serve after the expiration of their terms until their successors have been appointed."

The term of Mr. Wayne A. Johnston having expired, the Board was asked to take action in the matter of its representation.

On motion of Mr. Williamson, Mr. Johnston was reelected as the member of the Board of Trustees of the University of Illinois to serve with the President of the Board on the Board of Higher Education; Mr. Johnston voted "No."

BIENNIAL OPERATING AND CAPITAL BUDGETS FOR 1963-65

Mr. Howard W. Clement and Mr. Wayne A. Johnston, members of the Board of Trustees of the University of Illinois who are also serving on the State of Illinois Board of Higher Education, submitted the following report.

On October 17, 1962, the Board of Trustees adopted a budget request, for the operation of the University of Illinois in the biennium 1963-65, to be presented to the Governor and the General Assembly, and authorized the President of the Board, the Chairman of the Finance Committee of the Board, and the President of the University to present the request to the appropriate offices, officials, and committees.

Similarly on November 9, 1962, the Board of Trustees adopted a capital budget with similar authorizations and instructions.

As a part of the budgetary review process, both budgets were submitted to the Illinois Board of Higher Education. The Board has reviewed both budgets and has made recommendations concerning them. The differences between the original budgets as presented by the Board of Trustees and the recommendations of the Board of Higher Education are reflected in the tables which follow this report.

In summary, for operations the Board of Trustees requested an increase of \$31,044,000, which amounted to an increase of 21.4 per cent over the amount available for the 1961-63 biennium. The Board of Higher Education approved a request for an increase of \$26,616,681, an 18.4 per cent increase. If the opening of the Congress Circle campus is deferred, further reductions will be made, subject to a maximum total reduction of \$3,232,000 if the Congress Circle campus does not open until September, 1965.

In the capital budget, the Board of Trustees approved a request of \$39,865,240, which included a reappropriation of unused bond issue funds, or an increase in new funds of \$33,893,740. The Board of Higher Education has approved a request of \$25,368,540, including unused bond issue funds, or a net amount of new money of \$18,968,540, to be increased subsequently by whatever additions to the power plant may be mutually determined as required by the new facilities approved.

Comment

Operating Budget

The major differences between the Trustees' request for an increase in operating funds and the amounts recommended by the Board of Higher Education are in two items: salary increases and the requirements for maintaining the present level of services with increased enrollments and increased costs.

The Board of Trustees, mindful of the University's position in relationship to salary levels at similar universities across the land, and resolving to improve the relative position of the University of Illinois, recommended an amount equal to 9 per cent of the academic personal service budget in the first year of the biennium and 5 per cent in the second. The Board of Higher Education recommended an increase in the academic salary budget of 6 per cent for the first year of the biennium and 5 per cent in the second.

The Board of Higher Education, no less than the Board of Trustees, is aware of the necessity for salary improvement. The difference here is one of judgment as to rate of progress and rate of improvement.

The other major difference is in the amount estimated as required for maintaining the present level of services. Here again, the difference is in judgment rather than on policy or objective, and a reconciliation of points of view should be possible in future years from studies of the specific items involved.

Capital Budget

The difference between the Board of Trustees' request and the Board of Higher Education's action on the capital budget may be accounted for largely in the omission of the following four building projects:

At Urbana-Champaign—office-classroom building and the addition to Smith Music Hall, and at the Medical Center, Chicago—addition to the East Dentistry-Medicine-Pharmacy Building and the Physical Plant Service Building.

It may be said that variations in estimates of enrollment capacity and enrollment projections account in part for the differences in point of view as to the urgency of the two buildings eliminated at the Urbana campus.

The two buildings eliminated at the Medical Center campus are, in the judgment of the administration and the Trustee members of the Board of Higher Education, of unquestioned importance to the improvement and development of that campus.

Nonetheless, the sense of urgency about the need for these four structures was not shared by our colleagues on the Board of Higher Education, and further discussions will no doubt be held concerning these items in the future.

Recommendation

We believe that the original budget requests of the Board of Trustees were fully justified, in the light of the total needs of the University, and of the needs of the state for University of Illinois services.

At the same time, we believe that the Board of Higher Education has an important role to play in the future welfare of higher education in the state of Illinois and that cooperative support from the governing boards of the state universities should be brought to the decisions of the Board of Higher Education at this time. We believe that most of the differences are in judgment, not objectives, and that these differences can be reconciled by additional studies during the next biennium, when there will be more time for interchange of ideas, consultation, and analysis of data. Further, the "master plan" studies which are now going forward under the auspices of the Board of Higher Education should be helpful in evaluations which are to be made in the future.

Accordingly, in the interest of encouraging coordination in higher education in the state of Illinois, we recommend that the recommendations of the Board of Higher Education with reference to the budgets for operation of the University of Illinois and for capital projects be endorsed as reflecting the official position of the Board of Trustees. We further recommend that the representatives of the Board of Trustees and the administration of the University be authorized to present this position to the appropriate state officials and members of the General Assembly, hence modifying the original budget requests as presented in November.

On motion of Mr. Williamson, the foregoing recommendations and the adjustments in the operating and capital budgets, as shown in the

tables which appear below, were approved and authority was given as requested; this action was taken by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

APPOINTMENTS TO THE FACULTY

(2) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. JAMES M. ALSOBROOK, JR., Visiting Assistant Professor of Psychology, beginning February 1, 1963, on one-third time, at an annual salary of \$2,400 (E33).
2. JOHN H. AUSTIN, Assistant Professor of Sanitary Engineering, in the Department of Civil Engineering, beginning September 1, 1963, at an annual salary of \$8,100 (B).
3. ROGER N. HANCOCK, Visiting Assistant Professor of Philosophy, for four and one-half months from February 1, 1963, at a salary of \$3,800 (E).
4. WALTER HIRSCH, Professor of Psychiatry, in the College of Medicine, beginning December 1, 1962, without salary (DY).
5. ELBERT R. JAYCOX, Associate Professor of Apiculture, in the Department of Horticulture, beginning April 1, 1963, at an annual salary of \$11,000 (DY).
6. FRITZ LÜTY, Visiting Associate Professor of Physics, for seven months from April 1, 1963, at a salary of \$9,800 (G).
7. WILLIAM E. MONTAGUE, Visiting Assistant Professor of Psychology, for four and one-half months from February 1, 1963, at a salary of \$5,000 (E).
8. HAROLD J. RHODES, Assistant Professor of Pharmacy, beginning January 1, 1963, at an annual salary of \$9,000 (D).
9. JOHN H. TALBOTT, Lecturer in Medicine with rank of Professor, beginning January 1, 1963, without salary (DY).
10. ROBERT A. WISE, Professor of Surgery, assigned to Faculty of Medicine, Chiangmai Hospital, Chiangmai, Thailand, for two years from January 7, 1963, at an annual salary of \$15,000 (FY).

On motion of Mr. Dilliard, these appointments were confirmed.

COLLEGE OF BUSINESS ADMINISTRATION AT CHICAGO UNDERGRADUATE DIVISION AND CONGRESS CIRCLE

(3) The Board of Trustees has authorized expansion of the educational program for the Chicago Undergraduate Division which includes, as major administrative units for the new Congress Circle campus during the initial stage of development, Colleges of Liberal Arts and Sciences, Engineering, Commerce and Business Administration, Fine and Applied Arts (now Architecture and Art); and Divisions of Education and of Physical Education.

The faculty of Commerce and Business Administration and the Vice-President for the Chicago Undergraduate Division recommend changing the name of the college to College of Business Administration.

I concur in this recommendation.

On motion of Mr. Swain, this recommendation was approved.

APPOINTMENT OF DEAN OF COLLEGE OF BUSINESS ADMINISTRATION AT CHICAGO UNDERGRADUATE DIVISION

(4) The Vice-President for the Chicago Undergraduate Division recommends the appointment of Dr. Raymond W. Coleman, presently Professor of Economics and Management at the University of West Virginia, as Professor of Economics and Management on indefinite tenure and Dean of the College of Business Administration at the Chicago Undergraduate Division and at Congress Circle, beginning June 16, 1963, at a salary of \$21,500 per year on a twelve-month service basis.

The nomination for this appointment was made by an *ad hoc* Committee,¹ and the recommendation is submitted after consultation with the faculty of Commerce and Business Administration, with the Vice-President's Advisory Council at the Chicago Undergraduate Division, and with the Dean and several department heads of the College of Commerce and Business Administration at Urbana-Champaign; and is concurred in by the Executive Vice-President and Provost and the Dean of the Graduate College.

I recommend approval.

On motion of Mrs. Watkins, this appointment was approved.

¹Norman A. Parker, Vice-President for the Chicago Undergraduate Division, Chairman; Jack W. Peltason, Dean, College of Liberal Arts and Sciences, Urbana; Dwight Flanders, Professor of Economics, Urbana; Lucile Derrick, Professor of Economics, Chicago Undergraduate Division; and Albert J. Schneider, Associate Professor of Accountancy, Chicago Undergraduate Division.

HEADSHIP OF THE DIVISION OF GENERAL STUDIES

(5) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Dr. Halbert E. Gulley as Professor of Speech on indefinite tenure and Head of the Division of General Studies, effective at the beginning of the second semester, at an annual salary of \$11,500.

Professor Gulley has been serving as Acting Head of the Division since September, 1962, succeeding Professor James M. McCrimmon who asked to be relieved of his administrative duties so that he could devote full time to teaching and to research in the teaching of English. In submitting his recommendation, the Dean states: "Professor Gulley has been an energetic and vigorous member of the Division, and under his leadership it will continue to make progress." The recommendation has the unanimous support of the Executive Committee of the College, the Head of the Department of Speech and Theatre, and is concurred in by the Dean of the Graduate College and the Executive Vice-President and Provost.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.

CHANGE IN ORGANIZATION OF DEPARTMENT OF BOTANY

(6) The Department of Botany is presently administered under a chairmanship organization. On the basis of a majority vote of the members of the department of professorial rank, the Dean of the College of Liberal Arts and Sciences recommends that the form of departmental organization be changed from a chairmanship to a headship, effective September 1, 1963.

The Dean also recommends that Dr. John Laughnan of the Department of Botany be appointed Professor of Botany and Professor of Plant Genetics in Agronomy, on indefinite tenure, and Head of the Department of Botany, effective September 1, 1963, at an annual salary of \$17,450, on a nine-month service basis.

The recommendation for this appointment is submitted after consultation with the members of the staff of the Department of Botany and is supported by the Director and Executive Committee of the School of Life Sciences, the Dean of the Graduate College, and the Executive Vice-President and Provost.

I concur in these recommendations.

On motion of Mr. Hughes, these recommendations were approved.

REVISIONS IN MAJORS AND MINORS IN THE COLLEGE OF LIBERAL ARTS AND SCIENCES

(7) The Urbana-Champaign Senate has approved recommendations from the College of Liberal Arts and Sciences for a major in biology sponsored by the School of Life Sciences; for changes in majors and minors in the sciences and letters curriculum; and for changes in majors and minors in music, classics, rhetoric, speech, and English.

A supporting memorandum giving the details of these revisions is submitted herewith and a copy is being filed with the Secretary of the Board for record.

The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

These changes are effective for students enrolling in September, 1963, and thereafter. Although Board approval is not required, the changes are nevertheless for official record.

On motion of Mrs. Watkins, these revisions were accepted for official records.

Fee for noncredit registrations of students in residence for thesis research only: \$10.00 a semester and \$5.00 for the summer session, reduced from \$15.00.

It will be noted that the changes are in the direction of reducing the fee charged students registered for partial programs of work, many of whom—usually school teachers—commute to the campus for a single course.

I concur.

On motion of Mr. Swain, the recommended changes were approved.

CONTRACT FOR SANITARY SEWER

(10) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contract to Cross Construction, Inc., Urbana, Illinois, the lowest bidder, for construction of a sanitary sewer to the new College of Education and College of Commerce buildings, and to other buildings in their area, at a total price of \$58,936.30, being the amount of the base bid plus additive alternates for rerouting existing sewers to the new sewer and providing granular fill for that portion of the sewer under Taft Drive.

Funds are available in the state capital appropriations to the University from the Universities Building Fund and have been released.

Submitted herewith is a report from the Physical Plant Department on this project, including a schedule of the bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Johnston, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACTS FOR LANDSCAPING OF SITES OF NEW BUILDINGS AT URBANA-CHAMPAIGN

(11) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of contracts for landscaping of areas of four new buildings recently constructed or now being completed on the Urbana-Champaign campus, the award in each case being to the lowest bidder:

Twin City Landscape Service, Inc., Urbana, Illinois—for complete landscape work in the Assembly Hall area.....	\$49 009 92
J. R. Ingels, an individual doing business as Henry Nurseries, Henry, Illinois—for complete landscaping at the Burnside Research Laboratory, Health Service Addition to McKinley Hospital, and Physical Plant Service Building.....	10 977 09

Funds are available in the construction budgets of the four buildings.

I concur.

On motion of Mr. Dilliard, these contracts were awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR CAMPUS TREE PLANTING

(12) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$15,926.04 to Wendell Bridges, an individual doing business as the Bray Landscape Service, Champaign, the lowest bidder, for the third phase of the campus tree-planting program in accordance with the plan approved by the Board of Trustees on January 11, 1962, for gradual replacement of trees lost by disease.

This contract is for planting trees on Burrill Avenue between Springfield Avenue and Green Street; on Florida Avenue from the Illinois Central Railroad east to Fourth Street; on the south side of Nevada Street from Goodwin Avenue east to Gregory Place extended; on the east side of Wright Street from University Avenue to Springfield Avenue; along the entrance walks on the east and west sides of the Memorial Stadium between Florida Avenue and Peabody Drive and on the south side of the Stadium.

Funds are available in the state capital appropriations to the University from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Swain, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

EMPLOYMENT OF ENGINEERS

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of the following firms on the terms indicated for projects at the Urbana-Champaign campus:

Engineering Service for Air-Conditioning University Library — Associated Engineers, Inc., Peoria, Illinois, at a fee of 6 per cent of construction costs of work designed and/or specified by the firm. The work will include preliminary design, working drawings and specifications, analysis of bids, and office and supplemental job supervision for air-conditioning installations in the University Library, excluding the stacks and the new wing (the seventh addition) now under construction. The latter will be air-conditioned as a part of the present construction contract.

Report on Improvements to Water Distribution System — Warren and Van Praag, Inc., Decatur, Illinois, at a cost of actual salaries of personnel employed on the project, plus 100 per cent for overhead and commission, and reimbursement for direct costs such as lodging and subsistence, long-distance telephone calls, and transportation; maximum cost to the University is not to exceed \$10,000. The firm will provide the University with: a complete report on the condition of the existing facilities — water mains, connections, and storage; and recommendations and estimates of cost for improvements to the water supply system to provide an adequate reliable supply for the present and proposed expansion programs developed for each biennium, based on capital improvements planned for the next ten years.

Funds are available for these projects in the state capital appropriations to the University from the Universities Building Fund, and have been released.

The recommendations have been approved by the Advisory Committee on the Selection of Architects and Engineers and the Committee on Buildings and Grounds.

I concur.

On motion of Mr. Williamson, these recommendations were approved.

BEQUEST OF IONE FISHER BEEM FOR SCHOLARSHIP IN MEDICINE

(14) The University has received from the executor of the estate of the late Dr. Ione Fisher Beem, a graduate of the College of Medicine, Class of 1913, \$10,000 representing in full payment of the following bequest: "I give and bequeath to the Board of Trustees of the University of Illinois, the sum of ten thousand dollars (\$10,000) to be used under the direction of the Board for a scholarship fund, the income of which shall provide a scholarship for a woman medical student. The woman medical student shall be selected through the Medical School Faculty."

I recommend that the fund be set up as an endowment to be known as the Ione Fisher Beem Scholarship, the income to be used for award of an annual scholarship to a woman medical student in accordance with the established procedures for awards of scholarships.

On motion of Mr. Swain, this recommendation was approved.

PURCHASES**Purchases Authorized**

(15) The following purchases were authorized by the President's Office on the recommendation of the Director of Purchases and the Vice-President and Comptroller. Unless otherwise specified, the purchase was recommended on the basis of the lowest acceptable bid.

These purchases were made from Institutional Funds, which term is used to designate funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, from foundation grants and grants from corporations and other donors, and University revolving funds authorized by law.

COMMITTEE ON INSTITUTIONAL COOPERATION

Graduate Student Exchange Program and Far Eastern Language Institutes
(19) The Committee on Institutional Cooperation (CIC), a group representing eleven major midwestern universities¹ and formed several years ago by their

¹ The Committee on Institutional Cooperation (CIC), working to strengthen higher education through voluntary cooperation . . . avoiding duplication . . . reducing costs . . . is made up of representatives of the: University of Chicago, University of Illinois, Indiana University, State University of Iowa, University of Michigan, Michigan State University, University of Minnesota, Northwestern University, Ohio State University, Purdue University, and University of Wisconsin.

presidents to stimulate voluntary cooperation, has inaugurated a plan to encourage graduate students to move freely from one institution to another.

The chief purpose of this plan is to enable a graduate student enrolled in one of the CIC universities to have the advantage, on a short-term basis, of special opportunities (such as laboratory facilities, a library collection, or working with a faculty member who is a highly qualified specialist in a particular field) available at another institution.

Under this graduate student exchange program, students will transfer from one institution to another for one semester (or two quarters). Their participation in the program will be initiated and directed by faculty advisers, approval of graduate deans of both institutions involved will be necessary, and each university will retain full control over the graduate program of its students. A visiting student will be registered at his own university and will pay his fees there. He will be exempt from payment of fees at the institution to which he transfers temporarily.

The central purpose of the graduate student exchange program is to avoid costly duplication of effort and expenditures whenever possible. Such exchanges will be particularly acceptable in areas where the costs of the best is high and duplication would not only be an unnecessary expense to an institution, but might result in inferior programs. It would also be applicable where resources of personnel, equipment, and materials are so limited that concentration offers the best hope for quality.

Each university will determine its own methods in serving as host to CIC scholars.

The exchange program will begin in September, 1963, and will run for a two-year trial period, with the expectation that graduate student exchanges will be more fully developed after that initial period.

Support for CIC operations since 1958 has come chiefly from the Carnegie Corporation of New York, but since July, 1962, the eleven member institutions have provided the basic support for the CIC staff office now located at Purdue University. It may be said that as a voluntary effort by eleven of the largest universities—both public and private—the CIC approach is a pioneer program in providing for free exchange of graduate students.

The Committee on Institutional Cooperation will also offer five rotating Far Eastern Language Institutes, the first of which will be held at the University of Michigan. The College of Liberal Arts and Sciences has recommended that for qualified University of Illinois undergraduate students who participate in the program, the courses taken at other institutions be considered on the same basis as though taken at this University, viz: the courses will count toward the degree at Illinois; they will count as residence credit; for students in Liberal Arts and Sciences, they will count as though taken in the college and not as part of the thirty-two hours of electives a student is permitted to take outside the college.

I request authorization of the participation of the University of Illinois in this program as outlined above.

On motion of Mr. Swain, authority was given as requested.

CANCELLATIONS OF SABBATICAL LEAVES OF ABSENCE

LATHROPE, DONALD E., Associate Professor of Social Work — sabbatical leave of absence for the second semester of 1962-63 cancelled, without prejudice.

STUDENT SENATE OFFICERS

Last year officers of the Student Senate were invited to be guests of the Board of Trustees at luncheon at one of the meetings held in Urbana. President Clement announced that the Student Senate officers would appreciate the opportunity of meeting with the Board and asked the Board's wishes.

It was the consensus of the Trustees that the Student Senate group should be invited to the April meeting, and the Secretary was instructed to make the necessary arrangements.

FUTURE MEETINGS OF THE BOARD

Mr. Clement reminded the Board that the annual meeting will be held in Urbana on Wednesday, March 20, 1963, the date of this meeting having been changed from the second Tuesday by vote of the Board.

The April meeting will be held on Wednesday, April 17, 1963, and President Clement announced that this meeting will be held in Urbana.

The May meeting is scheduled for Wednesday, May 15, 1963.

Mr. Williamson suggested that consideration be given to changing the date of the June meeting from the third Wednesday to Thursday, June 6, 1963, the date preceding the Commencement Exercises for the colleges of the Medical Center. Action on this suggestion was deferred, but it was the consensus of the Trustees that both dates should be held in reserve for the time being.

RECESS AND EXECUTIVE SESSION

President Clement announced that an executive session was requested for consideration of recommendations relating to property acquisitions.

On motion of Mrs. Watkins, an executive session was ordered, to be held after luncheon, and the Board recessed.

EXECUTIVE SESSION

The Board reconvened at 2:00 p.m. The same members and officers of the Board and officers of the University were present as recorded at the beginning of these minutes with the exception of Mr. Ray Page who asked to be excused.

PURCHASE OF PROPERTIES AT 51 EAST ARMORY AVENUE, 53 EAST ARMORY AVENUE, AND 1104-1106 SOUTH LOCUST STREET, CHAMPAIGN, ILLINOIS

(1) The Committee on Buildings and Grounds has approved the design of an addition to the University Press Building to be constructed north of the present Press Building east of Locust Street extended and south of Armory Avenue, Champaign. Architectural work is being completed and construction is scheduled to start in the spring of 1963 with occupancy approximately fifteen months later.

The Director of the Physical Plant and the Vice-President and Comptroller recommend purchase of the properties at 51 and 53 East Armory Avenue and 1104-1106 South Locust Street, these properties being owned by the same individual, at a total price of \$75,000 for all the parcels. The land is needed for the addition to the Press Building, further expansion of the Press functions, and other educational activities.

The properties consist of:

- 51 East Armory Avenue—a lot 48 feet by 120 feet improved with a two-story and basement frame house which has been converted into an apartment house of four units.
- 53 East Armory Avenue—a lot 48 feet by 120 feet improved with a two-story and basement frame house which has been converted into two apartments, and a three-car garage.
- 1104-1106 South Locust—a lot 40 feet by 140 feet improved with a one-story and basement duplex building, and two garages, one four-car and one one-car; access to this property is through the properties at 51 and 53 East Armory Avenue.

The Board of Trustees on December 19, 1962, authorized condemnation proceedings for acquisition of these properties. However, through subsequent negotiations, a price of \$75,000 has been agreed upon which is within the limit authorized by the Committee on Buildings and Grounds. It also appears to be the lowest price for which the properties can be acquired without condemnation proceedings and incurring the resulting costs. The owner will sell the properties at the price indicated on these conditions:

Possession of the property at 1104-1106 South Locust Street, and the land, including garages, south of the residential improvements at 51 East Armory Avenue and 53 East Armory Avenue, will be delivered to the University on or before April 30, 1963.

Possession of the remaining properties at 51 East Armory Avenue and 53 East Armory Avenue, will be delivered to the University on or before June 30, 1963.

The University will pay the taxes for the year 1963 payable in 1964. The owner will pay the taxes for the year 1962 payable in 1963 and will assume all expenses such as utilities and insurance, and will maintain the property in its existing condition as long as she remains in possession.

Funds are available in the state capital appropriations to the University from the Universities Building Fund and have been released.

I recommend authorization of this purchase on the conditions indicated; and I further recommend that the Board rescind its action of December 19, 1962, with respect to the acquisition of these properties.

On motion of Mr. Pogue, the purchase of these properties, at the price and on the conditions recommended, was authorized; and the Board voted to rescind its previous action of December 19, 1962, for the acquisition of these properties through condemnation.

ACQUISITION OF PROPERTY AT 402 EAST CHALMERS STREET, CHAMPAIGN, ILLINOIS

(2) The Committee on Buildings and Grounds has approved the design of a residence hall for single graduate students to be constructed in the block bounded by Daniel Street, Fifth Street, Chalmers Street, and Fourth Street, Champaign, Illinois. Architectural work is in process and construction is scheduled to start in the spring of 1964 with completion in time for occupancy in the fall of 1965.

Representatives of the University have been negotiating for the purchase of the property at 402 East Chalmers Street, included within the site. This property is a corner lot of 5,986 square feet (being 51.5 feet on Chalmers Street, by 116.24 feet on Fourth Street), improved with a three-story and basement frame dwelling converted into an eight-unit apartment house.

Based on appraisals received by the University, an offer of \$29,712 was made to the owner, who was advised that if he agreed to that amount, a recommendation would be made to the Board of Trustees for purchase of the property. The offer is not acceptable to the owner, whose asking price remains substantially in excess of the highest University appraisal.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees exercise its power to obtain the property by eminent domain and authorize condemnation proceedings.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur and recommend adoption of the following resolution.

**Resolution Authorizing Condemnation of Property at
402 East Chalmers Street, Champaign, Illinois**

Be It, and It Is Hereby Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, for a site for residence halls buildings for single graduate students and for related educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use; that funds have been appropriated by the General Assembly of the State of Illinois for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owners of said land through their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owner has refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owners of said property and they and it are unable to agree upon the purchase price to be paid to said owners for the sale and conveyance of said land by said owners thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owners thereof for such land cannot be agreed upon between them and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owners thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by this Board of Trustees of The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a pro-

ceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Page.

On motion of Mr. Johnston, the Board adjourned.

MINUTES APPROVED

The Secretary presented the minutes of the meeting of the Board of Trustees on July 18, 1962, press proof copies of which have previously been sent to the Board.

On motion of Mr. Swain, these minutes were approved as printed on pages 1 to 48, inclusive.

ELECTION OF TEMPORARY CHAIRMAN

The Board took up the special order of business for the annual meeting; President Clement asked if the Board desired to elect a temporary chairman.

Mr. Johnston nominated Mrs. Frances B. Watkins; Mr. Swain seconded the nomination.

On motion of Mr. Hughes, the nominations were closed and the Secretary was instructed to cast the unanimous ballot of the Board for the election of Mrs. Watkins as President, *Pro Tempore*. The ballot was so cast and Mrs. Watkins took the chair.

ELECTION OF OFFICERS**President of the Board**

Mrs. Watkins called for nominations for the office of President of the Board of Trustees.

Mr. Pogue nominated Mr. Howard W. Clement; Mr. Johnston seconded the nomination.

On motion of Mr. Johnston, the nominations were closed and the Secretary was instructed to cast the unanimous ballot of the Board for the election of Mr. Howard W. Clement as President, to serve until the next annual meeting of the Board of Trustees in March, 1964, or until his successor shall have been elected and qualified. The ballot was so cast, and he was declared elected as President of the Board.

Mr. Clement took the chair and expressed his appreciation of the confidence of the Board in re-electing him as its President. He also reviewed some of the significant matters of policy and decisions with which the Board was confronted during the preceding year and the actions taken.

Secretary of the Board

Mr. Swain nominated Mr. A. J. Janata; Mr. Johnston seconded the nomination.

On motion of Mr. Johnston, the nominations were closed and Mr. Janata was elected Secretary of the Board of Trustees to serve until the next annual meeting in March, 1964, or until his successor shall have been elected and qualified.

Comptroller of the Board

Mr. Hughes nominated Mr. H. O. Farber as Comptroller; Mr. Pogue seconded the nomination.

On motion of Mr. Pogue, the nominations were closed and the Secretary was instructed to cast the unanimous ballot of the Board for the election of Mr. Farber as Comptroller of the Board of Trustees, to serve until the next annual meeting in March, 1964, or until his successor shall have been elected and qualified. The ballot was so cast and Mr. Farber was declared elected as Comptroller of the Board.

Executive Committee

Mr. Swain nominated Mr. Wayne A. Johnston and Mrs. Frances B. Watkins to serve as members of the Executive Committee, with the President of the Board as Chairman, for one year; Mr. Hughes seconded the nominations.

On motion of Mr. Hughes, the nominations were closed and the Secretary was instructed to cast the unanimous ballot of the Board for Mr. Johnston and Mrs. Watkins as members of the Executive Committee of the Board of Trustees, to serve until the next annual meeting in March, 1964, or until their successors shall have been elected. The ballot was so cast and Mr. Johnston and Mrs. Watkins were declared elected as members of the Executive Committee.

Treasurer of the Board

Mr. Swain nominated Mr. Robert R. Manchester, a Vice-President of the First National Bank of Chicago, as Treasurer of the Board; Mr. Hughes seconded the nomination.

On motion of Mr. Hughes, the nominations were closed and the Secretary was instructed to cast the unanimous ballot of the Board for the election of Mr. Manchester as Treasurer of the Board of Trustees for a two-year term, to serve until the second Tuesday in March, 1965 (March 9, 1965), or until his successor shall have been elected and qualified, in accordance with the statutory provision of a biennial term for Treasurer. The ballot was so cast and Mr. Manchester was declared elected as Treasurer.

TRIBUTE TO MR. C. W. WELDON

On motion of Mr. Swain, the Board recorded its appreciation of the services of Mr. C. W. Weldon as Treasurer during the past twelve years and the Secretary was instructed to send him an appropriate message on behalf of the Board.

TREASURER'S BOND

On motion of Mr. Swain, the amount of the Treasurer's Bond was fixed at \$6,000,000.

On motion of Mr. Swain, seconded by Mr. Hughes, the Finance Committee was instructed to see that the Treasurer presents a satisfactory bond in the amount specified above and to report the same to the Board.

AUTHORITY TO RECEIVE MONEYS

Mr. Johnston offered the following resolution and moved its adoption:

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois be, and he hereby is, authorized to receive and receipt for all moneys, and to endorse all orders, drafts, and checks due and payable to the Board of Trustees or to the University of Illinois, and especially all drafts drawn by the Treasurer of the United States payable to the Board of Trustees or the University of Illinois.

This resolution was adopted.

DELEGATION OF SIGNATURES

Mrs. Watkins offered the following resolution:

Resolved, that the President and the Secretary of the Board of Trustees of the University of Illinois are authorized to delegate the signing of their names as President and Secretary, respectively, to vouchers to be presented to the Auditor

of Public Accounts, and to warrants drawn on the Treasurer of the University, under the following conditions.

The President of the Board of Trustees is authorized to delegate to L. M. Dahlenburg and to W. D. Green in Urbana, and to J. E. Osborn, to W. E. Cowart, and to H. O. Albers in Chicago, and to Edward F. Lis and to Helen Culbertson in Springfield, authority to sign his name as President of the Board of Trustees to vouchers against the Auditor of Public Accounts; and to C. C. DeLong, to R. W. Zimmer, and to R. F. Wood in Urbana, and to J. E. Osborn, to W. E. Cowart, and to H. O. Albers in Chicago, authority to sign his name to warrants on the University Treasurer covering vouchers approved in accordance with regulations approved by the Board.

The Secretary of the Board of Trustees is authorized to delegate to Maude Archdeacon, to George H. Bargh, to Earl W. Porter, and to Everett G. Smith in Urbana, and to G. R. Moon, to Velma M. Davis, to Helen Wyle, to Margaret Mayer, and to Ann Feryanchik in Chicago, authority to sign his name as Secretary of the Board of Trustees to vouchers against the Auditor of Public Accounts and to warrants on the University Treasurer, covering vouchers approved in accordance with regulations of the Board. The Secretary of the Board of Trustees is authorized to delegate to Addalein C. Hawk and to Lean C. Ryan in Springfield, authority to sign his name as Secretary of the Board of Trustees on vouchers against the Auditor of Public Accounts approved in accordance with the regulations of the Board. These authorizations are to continue in effect until the Auditor of Public Accounts has been supplied with specimen signatures of succeeding officers of this Board. And be it further

Resolved, that the First National Bank of Chicago as a designated depository of R. R. Manchester, Treasurer of this corporation, be and it (including its correspondent banks) is hereby requested, authorized, and directed to honor checks, drafts, or other orders for the payment of money drawn in this corporation's name, including those drawn to the individual order of any person or persons whose name or names appear thereon as signer or signers thereof, when bearing or purporting to bear the facsimile signatures of the two following: Howard W. Clement, President, and A. J. Janata, Secretary; and the First National Bank of Chicago (including its correspondent banks) shall be entitled to honor and to charge this cooperation for all such checks, drafts, or other orders, regardless of by whom or by what means the facsimile signature or signatures thereon may have been affixed thereto, if such facsimile signature or signatures resemble the facsimile specimens duly certified to or filed with the First National Bank of Chicago by the Secretary or other officer of this corporation. And be it further

Resolved, that the Auditor of Public Accounts is hereby authorized and directed to honor vouchers bearing facsimile signatures of the President and Secretary of the Board of Trustees of the University of Illinois if such facsimile signatures resemble the facsimile specimens duly certified to or filed with the Auditor of Public Accounts by the Secretary.

This resolution was adopted.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
ROBERT HENRY ASBURY	St. Louis, Missouri	Missouri
CLETUS FRANK CHIZEK	South Bend, Indiana	Indiana
NATHAN HOWARD RODBART	New York, New York	New York

I concur.

On motion of Mr. Johnston, these certificates were awarded.

HEADSHIP OF DEPARTMENT OF ENTOMOLOGY

(2) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Professor Clyde W. Kearns as Professor of Entomology on indefinite tenure and Head of the Department of Entomology beginning September 1, 1963, to replace Professor Leigh E. GRADUATE PROGRAM IN NURSING

(6) The Medical Center Senate and the Graduate College recommend authorization of a graduate program leading to the degree of Master of Science in Nursing (M.S.N.) to be inaugurated at the beginning of the academic year 1963-64. The program will cover five quarters of study and will offer advanced preparation for supervisors and teachers in medical-surgical nursing, pediatrics nursing, and psychiatric nursing. Required courses will include advanced clinical nursing, related social and natural sciences, instruction in management of nursing services, and research. Students will be encouraged to elect courses in other areas of individual need or interest.

Admission Requirements

Completion of a program in nursing substantially equivalent to the baccalaureate degree program of the College of Nursing, University of Illinois.

Minimum scholastic average of 3.5¹ in undergraduate work.

A license to practice as a professional nurse in at least one state or other political jurisdiction.

Passing, with satisfactory grades, examinations specified by the Graduate College and the College of Nursing.

Potential for professional practice in the elected field of specialization.

Graduation Requirements

Completion of the approved curriculum.

Satisfactory completion of thesis on subject approved by professor in charge of major work and oral examination upon the thesis.

Satisfaction of the requirements of the Graduate College for units and grades, or minimum grade-point average as required by the Graduate College.

Study in residence for the equivalent of at least three quarters.

Completion of all requirements for the degree within five calendar years after first registration in Graduate College.

The Senate Coordinating Council has indicated that no other Senate jurisdiction is involved.

I concur, subject to further action by the Board of Higher Education.

Submitted herewith is a supporting statement from the College of Nursing on the need for this program, the resources of the University of Illinois for offering the same, and the details of the proposed curriculum, a copy of which is being filed with the Secretary of the Board for record.

On motion of Mrs. Watkins, this recommendation was approved.

GRADUATE PROGRAM IN HOME ECONOMICS

(7) The Urbana-Champaign Senate has approved a new graduate program option in family and consumption economics leading to the degree of Master of Science in Home Economics.

Submitted herewith are supporting memoranda giving the details of this option, a copy of which is being filed with the Secretary of the Board for record.

The Senate Coordinating Council indicates that no other Senate jurisdiction is involved.

I recommend approval.

On motion of Mr. Swain, this recommendation was approved.

CHANGE IN GRADING SYSTEM

(8) At its meeting on December 19, 1962, the Board of Trustees approved a recommendation from the University Senates for a change in the grading system whereby the grade of "DR" (the equivalent of a grade of "E," indicating failure), formerly recorded when a student has been dropped from a course for dishonesty in an examination or other required work, shall be discontinued and a grade of "E" will be recorded. Following approval of this recommendation, the question was asked if the fact that a grade of "E" is being reported for academic irregularity would be entered in the student's record, and the Board was informed that a report in answer to the question would be made at a subsequent meeting.

I now report that the change in practice recommended by the Senates does not include the recording of information as to the reason for which the grade of "E" is imposed as a consequence of academic irregularity. No such notation or explanation has been recorded in the case of the grade "DR."

This report was received for record.

UNIVERSITY OF ILLINOIS CENTENNIAL

(9) The University of Illinois was established by an Act of the General Assembly of Illinois which was approved by Governor Richard J. Oglesby on February 28,

¹ An average of 3.5 is the numerical equivalent of an average half way between B and C in the University's grading system of A, B, C, D, and E, with A the highest grade and E indicating failure.

1867. The first meeting of the first Board of Trustees was held in Springfield on March 12, 1867. The University opened on March 2, 1868. The name of the Illinois Industrial University was changed to "The University of Illinois" in 1885.

In order that the University may undertake the formulation of plans for the observance of the Centennial of its founding, I recommend that the Board of Trustees at this time officially designate the period February 28, 1967, to March 2, 1968, as the Centennial Year and that the President be authorized to make appropriate and suitable plans for its observance.

I further recommend that the class which will enroll in the fall of 1963 be designated as the "Centennial Class of the University of Illinois."

On motion of Mr. Swain, this recommendation was approved.

AUTHORITY TO EXECUTE CERTAIN CONTRACTS

(10) The General Rules Concerning University Organization and Procedure provide that contracts involving payments by the University in one fiscal year in excess of \$2,500 shall be specifically authorized by the Board of Trustees, except that when an emergency exists the President is authorized to act, but must report his action to the Board of Trustees.

In the operation of the Assembly Hall, it will be necessary to enter into contracts for concerts, entertainments, and productions to be offered in the Assembly Hall. Expenditures under such contracts will be from funds received through sale of tickets or from other income of the Assembly Hall. There will be no commitment of the general University funds involved. In most cases, the fee will be the standard fee charged for the production.

Problems of scheduling and negotiation for such events and timing make it difficult to secure advance approval of the Board of Trustees on such contracts. It is therefore recommended that the Vice-President and Comptroller and the Secretary of the Board of Trustees be authorized to execute such contracts when approved by the President of the University.

I concur.

On motion of Mr. Hughes, authority was given as requested.

ATHLETIC ASSOCIATION ASSEMBLY HALL FURNITURE

(11) The Board of Directors of the Athletic Association has approved an assignment of \$5,790 for the purchase of equipment for the Athletic Association offices to be located in the Assembly Hall.

Confirmation of this appropriation is requested.

On motion of Mr. Pogue, this assignment of funds was confirmed.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(12) The Committee on Nonrecurring Appropriations recommends the following appropriations and assignments of funds from the University General Reserve:

Urbana-Champaign

1. College of Engineering

Department of Civil Engineering, equipment to match a \$25,000 grant from the National Science Foundation.....	\$ 35 100
Departments of Mechanical and Industrial Engineering and Aeronautical and Astronautical Engineering, to match a \$25,000 grant from the National Science Foundation for construction of a low-density, high-enthalpy, hypervelocity wind tunnel.....	35 000

2. College of Veterinary Medicine

Department of Veterinary Pathology and Hygiene, building for additional animal holding facilities.....	2 850
--	-------

3. Physical Plant

Building for physiological and nutritional research of sheep for the Department of Animal Science.....	23 265
Buildings and equipment for a milking parlor and a milk-handling room for the Department of Dairy Science.....	22 500

<i>Total</i>	\$118 715
--------------------	-----------

I concur.

On motion of Mr. Swain, these recommendations were made by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Kerner.

CONTRACT AND APPROPRIATION FOR REROOFING ICE SKATING RINK

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$44,894 to Petry Roofing and Sheet Metal Company, Champaign, for replacing the present wood sheathing and roofing with new metal deck, insulation, and roof surfacing and incidental roof work at the Ice Skating Rink.

An assignment of \$49,750 from the General Reserve is requested for this improvement. This figure includes, in addition to the contract price, architectural and engineering services, superintendence, insurance, and other administrative costs.

I concur.

On motion of Mr. Johnston, this contract was awarded; and on motion of Mr. Williamson, the requested assignment of funds was approved. These actions were taken by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Kerner.

CONTRACT FOR WIDENING AND REALIGNING OF BURRILL AVENUE BRIDGE

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$58,921.32 to Whetzel Construction Company, Champaign, the lowest bidder, for the reconstruction, including widening and realignment, of the Burrill Avenue Bridge over the Boneyard.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A proposed budget indicating the sources of funds is submitted herewith and a copy is filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Kerner.

CONTRACTS FOR EXTENSION OF UTILITIES DISTRIBUTION SYSTEM

(15) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of contracts for an extension of the utilities distribution system to provide for diversion of steam conduit and electrical manholes and duct runs to service the Materials Research Laboratory, and steam conduits to service the new buildings for the Colleges of Commerce and Business Administration and Education, the award in each case being to the lowest bidder.

Construction of duct runs and manholes for diversion of utilities for Materials Research Laboratory (Division "QQ") — Cross Construction, Inc., Urbana	\$48 302
Steam conduit for Commerce and Education Buildings (Division "KK") — William Adams Engineers, Inc., Chicago.....	35 390
Steam conduit diversion for Materials Research Laboratory (Division "RR") — The J. A. Julian Company, Chicago.....	56 995

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

Submitted herewith is a report from the Physical Plant Department on this project, including a schedule of bids received, a copy of which is being filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Hughes, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Kerner.

**CONTRACT FOR RESETTING OF STONEMWORK ON ILLINOIS
NEUROPSYCHIATRIC INSTITUTE BUILDING**

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$10,700 to Oman and Giden, Inc., Northfield, Illinois, the lowest bidder, for resetting of stonework along the ambulance drive on the Illinois Neuropsychiatric Institute building.

The work will include removing and resetting an extensive area of Indiana limestone used as facing along the ambulance drive which has been loosened by the weather, creating a hazardous condition.

Funds are available in the Physical Plant maintenance budget.

I concur.

On motion of Mr. Williamson, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Kerner.

**CONTRACTS FOR REMODELING VARIOUS AREAS IN
ILLINOIS NEUROPSYCHIATRIC INSTITUTE**

(17) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for miscellaneous remodeling in the Illinois Neuropsychiatric Institute, the award in each case being to the lowest bidder.

The work will include general remodeling in the patient care areas on the second, third, fourth, and fifth floors, including improvements in lighting, relocation of nurses' stations, and rehabilitation of toilet and bath facilities to improve patient care.

It is further recommended that all contracts other than the contract for general work be assigned to the contractor for that work, making the total of his contract price \$77,944; and that an agreement be entered into with Ashland Construction Company for the assignment of these other contracts for \$1,000 which amount is included in the contract price, being the amount bid by that Company

for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A schedule of all bids received is submitted herewith.

I concur.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Kerner.

ADDITION TO CONTRACT FOR POWER SUPPLIES FOR MEDICAL CENTER CAMPUS

(18) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$6,288 in a contract with C & H Electric Company, Chicago, awarded by the Board on October 17, 1962, for new power supplies for buildings on the Medical Center campus.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, and have been released.

I concur.

On motion of Mr. Johnston, this change in contract was authorized.

ADDITION TO CONTRACT FOR ARCHITECTURAL SERVICES

(19) The firm of Graham, Anderson, Probst, and White, Inc., was employed for complete architectural services for the Electrical Engineering Building addition.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the work covered by that contract be expanded to include professional services for preparation of construction documents, obtaining bids, and general supervision of the contractors' work to complete the air conditioning system for the original building, at an estimated cost of \$5,000.

I concur.

On motion of Mr. Swain, extension of this contract was authorized.

PURCHASES

(20) The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

The recommendations are presented in two categories: purchases from Appropriated Funds (i.e., from state appropriations to the University) and purchases from Institutional Funds. The latter term is used here to designate funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, from foundation grants and grants from corporations and other donors, and University revolving funds authorized by law.

UNIVERSITY OF ILLINOIS ASSEMBLY HALL NAME

(22) Following discussions in newspapers of proposals for a change in the name of the University of Illinois Assembly Hall, the Student Senate on the Urbana-Champaign campus sponsored a poll of student preferences as to several new names suggested. The report of this poll has been submitted to the President of the University and copies have been sent to the members of the Board of Trustees by the Secretary. The report made no recommendation except to point out that the poll would indicate a preference, of the students who voted, for a prefix to the name "Assembly Hall." (Off campus, the present prefix is, of course, "The University of Illinois.")

It will be recalled that the name "Assembly Hall" was given to this multipurpose building by the Board of Trustees when it approved the project several years ago; later, the Committee on Buildings and Grounds formally confirmed the name. Among the points made to the Committee at that time, from a staff report on the subject, were:

Since the building is to serve a variety of needs, the name should reflect such multiple use.

In discussions by the Board of Trustees concerning naming of University buildings, emphasis has been given to the desirability of functional names instead of names for individuals.

Since the Assembly Hall is financed by fees and income-producing events, it would seem inappropriate to adopt a name which would indicate that the building is a memorial to one person.

Experience has indicated that names of buildings may be changed if there are sufficient reasons to warrant such action. As the functional uses of the Assembly Hall may develop in the future, the name selected first may need to be changed later.

This project, identified as "Assembly Hall," has received nationwide publicity because of its design. There is considerable value in this publicity, particularly in view of the fact that every effort must be made to attract large conferences and conventions to increase the revenue available for operating costs.

Reactions to the name "Assembly Hall" appear to have been favorable and no objections have been raised to this name which implies a multiple purpose building.

The naming of University buildings is a function of the Board of Trustees. Under the Board's procedures, recommendations are received from the President of the University. In arriving at recommendations, the President consults the Executive Committee of the University Council and other committees and officers whose responsibilities may be involved.

I have no recommendation on this subject at this time but if the Board of Trustees wishes to have further study of the desirability of a change and a specific recommendation in connection therewith, I shall be glad to submit a report following the usual consultations.

Mr. Pogue asked that consideration be given to naming the Assembly Hall in memory of the late Coach Robert C. Zuppke, but added that he would not present a formal motion for such change in name if it was the consensus of the Board that no change be made at this time.

Mr. Johnston and Mr. Williamson expressed their opinions that any action to change the name be deferred.

On motion of Mr. Johnston, the President's report was accepted and received for record. Mr. Pogue asked to be recorded as not voting.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: appointments made by the President; graduate fellows; cancellations, declinations, resignations, and terminations; leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ASGAR, MOHD. ALI, Assistant in Ophthalmology (Medicine), one year from July 1, 1962, without salary (3-4-63).

BASS, ALAN R., Research Associate in Psychology, $\frac{1}{3}$ time, \$800; and Research Associate in Recreation (College of Physical Education), $\frac{1}{2}$ time, \$1,200, February 1-May 31, 1963 (2-18-63).

BAY, EDWIN, Adviser to Director of Extension U. P. Agricultural University, Pantnager, India, for service under Contract ICA-1258, two years from April 1, 1963, \$13,255 a year (2-12-63).

BLAU, ZENA, Assistant Professor of Nursing, $\frac{3}{4}$ time, December 15, 1962-August 31, 1963, \$372 a month, supersedes leave of absence without pay (2-15-63).

BLOUNT, WILBUR C., Assistant in Ophthalmology (Medicine), six months from January 1, 1963, without salary (3-4-63).

BOKENKAMP, ROBERT W., Instructor in General Engineering (C), $\frac{1}{3}$ time, June 16-August 15, 1963, \$592; this is in addition to his present appointment and to his Summer Session appointment on $\frac{1}{2}$ time (3-4-63).

BOS, WILLIAM G., Research Associate in Chemistry, February 16-August 31, 1963, \$6,300 a year (2-27-63).

CARTER, CLIFFORD E., Research Engineer in the Digital Computer Laboratory, six months from March 1, 1963, \$9,300 a year, supersedes his nonacademic appointment (2-20-63).

- CHACKO, CHERUVATHUR I., Research Assistant in Plant Pathology (S), one month from February 1, 1963, \$416.67, supersedes (2-14-63); and six months from March 1, 1963, \$5,850 a year, supersedes (2-8-63).

- NISHIDA, MRS. HIRO I., Lauterbach Memorial Fellow in Food Technology — resignation effective February 1, 1963.
- NIXON, JAMES E., Resident-Manager, Single Graduate Halls — resignation effective March 1, 1963.
- PALMER, JERRY L., United States Public Health Service Fellow (Trainee) in Microbiology — resignation effective February 1, 1963.
- PAUL, M., Visiting Research Associate in the Digital Computer Laboratory — resignation effective March 16, 1963.
- PLAMENAC, DRAGAN, Professor of Music, Summer Session of 1963 — declination effective June 17, 1963.
- PURDY, RICHARD R., United States Public Health Service Fellow (Trainee) in Psychology — resignation effective February 1, 1963.
- PUSZTASZERI, STEPHEN F., Research Assistant in the State Water Survey — resignation effective February 20, 1963.
- SIMONSEN, ELAINE, Assistant in Education (University High School) — resignation effective January 1, 1963.
- SLOTNICK, BURTON, Research Assistant in Physiology — cancellation effective June 16, 1962.
- SMITH, RICHARD K., Instructor in History (Chicago Undergraduate Division), Summer Session of 1963 — declination effective June 21, 1963.
- STAMBAUGH, MARY K., Research Assistant in Microbiology — resignation effective February 9, 1963.
- WALKER, DONALD E., Assistant Professor of Animal Science — resignation effective April 20, 1963.
- YUSEM, MILTON, Assistant Professor of Physical Science (Chicago Undergraduate Division), Summer Session of 1963 — declination effective June 21, 1963.

LEAVES OF ABSENCE

- ALEXANDER, CHARLES S., Associate Professor of Geography — leave of absence, without pay, from March 1, 1965, through February 28, 1966, so that he may accept a lectureship on the faculty at the University of Cape Town.
- BAYLOR, CALVIN E., County Extension Staff Member in Shelby and McHenry Counties — leave of absence, with full pay, for six months from March 1, 1963, for the purpose of study.
- BRENNAN, MRS. HELEN B., Assistant Professor of English and Chairman of English for Foreign Students — disability leave of absence, with full pay, March 1, 1963, through June 30, 1963, and leave without pay from July 1, 1963.
- FIEDLER, FRED E., Professor of Psychology — leave of absence, without pay, September 1, 1963, through August 31, 1964, so that he may accept a Ford Foundation Faculty Fellowship.
- GILLETTE, MRS. NEDRA A., Instructor in Occupational Therapy, in the College of Medicine — leave of absence, without pay, from April 6 through June 30, 1963, so that she may travel to England.

- GLASER, DANIEL, Professor of Sociology—leave of absence, without pay, for one year from September 1, 1963, so that he may serve as a visiting professor at Arizona State University.
- HEINS, MAURICE H., Professor of Mathematics—leave of absence, without pay, for one year from September 1, 1963, so that he may accept an appointment as a Visiting Professor of Mathematics at the University of California in Berkeley.
- O'CONNOR, DENNIS M., Assistant Professor of Law—leave of absence, without pay, for one year from September 1, 1963.
- PRICE, LEONARD H., Assistant Professor of Art—leave of absence, without pay, for one year from September 1, 1963, for the purpose of study at the Rochester Institute of Technology of Rochester, New York.
- SMOOT, RONALD L., Instructor in Mechanical Engineering, in the College of Engineering—leave of absence, without pay, extended to September 1, 1963, so that he may continue to devote full time to his graduate studies under a National Science Foundation Science Faculty Fellowship.
- SPENCE, CLARK C., Associate Professor of History—leave of absence, without pay, for one year from September 1, 1963, so that he may accept a faculty fellowship for Social Science Research on Business offered him by the Ford Foundation.
- VANBORTEL, DOROTHY G., Research Associate in Pedodontics, in the College of Dentistry—leave of absence, without pay, from February 18 through March 24, 1963.
- WALKER, LEONARD D., Professor of General Engineering—disability leave of absence, with full pay, for the second semester of 1962-63.

TRIBUTE TO CLARENCE W. WELDON

Following the election of Robert R. Manchester as the new Treasurer of the Board to succeed Mr. C. W. Weldon, on motion of Mr. Swain, the Board voted to enter in its records an expression of appreciation of Mr. Weldon's services as Treasurer during the past twelve years. Mr. Kenney E. Williamson now offered the following resolution:

TO MR. CLARENCE W. WELDON:

The Board of Trustees of the University of Illinois expresses and records its grateful appreciation of your services as an officer of this Board.

In your twelve years as Treasurer of the Board of Trustees and of the University, you have had the respect and confidence of all members of the Board, past and present, and of other officers in the University Administration for your devotion to your post, for your judgment, your patience, and complete integrity in all relationships. You have served the Board and the University with distinction and with generosity of your time.

The President and other administrative officers of the University desire to join the Trustees in this expression of appreciation of your service as an officer of the Board of Trustees of the University of Illinois. We look forward to your continued interest in the affairs of your Alma Mater and we extend to you and Mrs. Weldon our best wishes for the years ahead.

The Board of Trustees directs that this resolution be incorporated in the minutes of today's meeting to become a part of the official public record, and that a suitable copy be given you as a permanent reminder of the esteem and affection in which you are held.

The resolution was unanimously adopted.

REQUEST OF ELIZABETH KROHNE

Miss Elizabeth Krohne, an undergraduate student, appeared before the Board and distributed an open letter from twenty-five students addressed to the Board of Trustees concerning the case of Dr. Leo F. Koch, former Assistant Professor of Biological Sciences, and requested an opportunity to address the Board on the subject.

On motion of Mrs. Watkins, the Board voted that its action be

limited to receiving the letter, a copy of which has been filed with the Secretary.

FUTURE MEETINGS

President Clement announced that the April meeting will be held in Urbana, as previously scheduled, on Wednesday, April 17.

The May meeting is scheduled for Wednesday, May 15. It was the consensus of the Board that this meeting be held in Chicago at the Medical Center and it was so ordered by the President of the Board.

The June meeting is scheduled for Wednesday, June 19. On invitation of Mr. Swain and Mr. Williamson, the Board agreed to hold this meeting in Peoria and it was so ordered by the President of the Board.

MEETING OF ASSOCIATION FOR HIGHER EDUCATION

Mrs. Watkins presented a report on the meeting of the Association for Higher Education in Chicago, March 3 to 6, which she attended as one of the representatives of the University of Illinois and also as a Regional Director of the Association of Governing Boards of State Universities and Allied Institutions.

RECESS

On motion of Mrs. Watkins, the Board recessed for luncheon. During the recess, Dean Theodore Peterson of the College of Journalism and Communications addressed the Board on the programs in radio and television of the College. Mr. Frank E. Schooley, Director of Broadcasting, was also present and was introduced.

Following luncheon, the Board reconvened for consideration of a committee report. The same members of the Board, officers of the Board, and officers of the University were present during this session as recorded at the beginning of these minutes with the exception of Mr. Johnston and Mr. Williamson, who had asked to be excused.

PURCHASE OF FILM INSPECTION MACHINES

At a meeting of the Board of Trustees held on March 14, 1961, the Board considered a number of recommendations for purchases of equipment, including two film inspection machines for the Audio-Visual Aids Service. The Board voted to refer the recommendation for the purchase of these two machines to a special committee to be appointed by the President of the Board. Mr. Kenney E. Williamson, then President of the Board, appointed as this special committee: Mr. Howard W. Clement, Chairman, Mr. Richard A. Harewood, Mrs. Frances B. Watkins. Subsequently, Mr. Timothy W. Swain was appointed to replace Mr. Richard A. Harewood on the Committee when he resigned as a Trustee.

Mr. Clement now presented the following:

Report of the Special Committee of the Board of Trustees on Purchase of Film Inspection Machines for Visual Aids Service

To increase productivity in the servicing of rental movie units, in 1960 the Purchasing Division, at the request of the Visual Aids Service of the University of Illinois, invited sealed bids for the University's purchase of two 16 millimeter movie film inspection machines. Films which have been rented from and returned to the Visual Aids Service are inspected by such machines in order to detect any breaks or other flaws in the films. Funds for the purchase of the inspection machines are not appropriated by the state but come from film rentals paid to the University by outside organizations.

The University received sealed bids from two companies: The Harwald Company, Inc., and Paulmar, Incorporated. The lower bid submitted by the Harwald Company was evaluated by the staff of the Visual Aids Service and the Purchasing Division and it was concluded by them that the equipment offered by the Harwald Company did not meet the bid specifications and the needs of the Visual Aids Service. Accordingly, a recommendation for purchase of the two Paulmar units was then presented to the Board of Trustees. The Board took no action on the recommendation because of objections raised by Mr. Grunwald, President of the Harwald Company, and a special committee of the Board of Trustees was appointed to consider the matter further. Subsequently the recommendation for the purchase was withdrawn.

An analytical report on the equipment offered by the Paulmar Company and the Harwald Company in response to the bids was prepared and presented to the special committee by two members of the staff of the College of Engineering: Professor H. N. Hayward, of the Measurement Service Program of the College of Engineering, and Professor George F. Schrader, an expert in the field of time-motion study. The special committee thereafter concluded that the specifications issued for the purchase of the equipment included some requirements which were not essential to the performance of the intended function and that, while the equipment offered by the Harwald Company did not meet the specifications as listed, bids should be taken on broader specifications.

Before new bids were invited, the film inspection industry offered a new type of machine which provided for the simultaneous review of more than one reel of film. It appeared that the advancement in the design might offer further savings in the operation of the film inspection function, and that the new machine should be studied.

For this purpose, Mr. John R. Miles, a consulting engineer, was employed to make an independent study to determine whether the use of the new "stacked unit" type of film inspection equipment was desirable, and to compare the merits of such equipment produced by the Harwald Company and the Paulmar Company.

Mr. Miles submitted his report which indicated that, in his opinion, the purchase of the stacked unit was desirable, and recommended that the equipment manufactured by the Paulmar Company be acquired. A copy of this report was submitted to both vendors. Mr. Grunwald of the Harwald Company objected to the conclusions in the Miles report and requested a further hearing before the special committee of the Board, which was held on October 17, 1962.

In the course of the original bidding process, the Supervisor of the Visual Aids Service of the University reported that Mr. Grunwald had offered him a sum of money if he would submit a favorable report on the Harwald equipment. The offer was made in a private conversation and was not brought before the Board in view of the fact that at that time there was no substantiating evidence. During the hearing before the special committee of the Board on October 17, 1962, Mr. Grunwald was asked whether or not he had made such an offer and he admitted doing so, although he stated it was for the purpose of "testing" the University employee.

On the basis of Mr. Grunwald's statements to the Committee, it is concluded that he offered to give a University employee something of value with an intent to influence such employee within the meaning of the University's regulations which provide that "No person on a bidders' list or who submits or intends to submit a bid shall give or offer to give, directly or indirectly, any money, article, or other things of value to any officer or employee of the University of Illinois, with an intent to influence said officer or employee of the University of Illinois." The regulations further provide that if any person makes such an offer, "all bids, submitted by him, will be rejected and the bidder will be barred from further bidding for a period of time fixed by the Purchasing or Physical Plant Department."

It is recommended that the University notify Mr. Grunwald and the Harwald Company that they are barred from bidding on University business for a period of one year and that the University proceed to secure sealed bids for stacked unit film inspection equipment.

At the conclusion of the presentation, and following discussion, on motion of Mr. Swain, the report was accepted and the recommendation of the Committee was adopted without dissent.

At the conclusion of the business meeting following the luncheon program, on motion of Mr. Pogue, the Board again recessed.

INSPECTION OF STUDIOS OF WILL-TV

During the second recess members of the Board inspected the new studios of Station WILL-TV at 302 North Goodwin Avenue, Urbana. Professor C. J. McIntyre, Coordinator of Instructional Television, addressed the Board at the studio, illustrating his presentation with showings of educational television programs.

EXECUTIVE SESSION

Prior to the recess, President Clement announced that an executive session had been requested and was being ordered in the afternoon for consideration of recommendations relating to property acquisitions and patentable inventions.

When the Board reconvened in executive session, the following members were present: Mr. Clement, Mr. Hughes, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; Mr. Page and Mr. Johnston had previously asked to be excused. The same officers of the University and officers of the Board were present as recorded at the beginning of these minutes.

LAND ACQUISITIONS

(1) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the following properties for the purposes and at the prices indicated:

- | | |
|---|----------|
| 1302 West Stoughton Street, Urbana — as a site for the new Civil Engineering Building | \$23 650 |
| The property consists of a corner lot 48 feet by 133 feet and is improved with a two-story and basement frame dwelling. Possession will be delivered by July, 1963. | |
| 911 South Fifth Street, Champaign — as part of the site for a residence hall for single graduate students..... | 28 000 |
| The property consists of a corner lot 59.24 feet by 70 feet and a two-story and basement brick dwelling and garage. Possession will be delivered by November, 1963. | |
| 411 East Daniel Street, Champaign — as part of the site for a residence hall for single graduate students..... | 33 000 |
| The property consists of a lot 70.5 feet by 111.8 feet and a two-story and basement frame dwelling. Possession will be delivered by July, 1964. | |

Funds for the purchase of these properties are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

The prices are consistent with appraisals secured by the University and recommendations for the acquisition of these properties have previously been submitted to the Committee on Buildings and Grounds which concurs. On February 20, 1963, the Board authorized condemnation proceedings for the acquisition of the property at 411 East Daniel Street, Champaign, but through subsequent negotiations, a price of \$33,000 has been agreed upon which is within the limits authorized by the Committee on Buildings and Grounds.

I recommend authorization of the purchases of these properties at the prices indicated; and I further recommend that the Board rescind its action of February 20, 1963, with respect to condemnation proceedings for acquisition of the property at 411 East Daniel Street.

On motion of Mrs. Watkins, purchase of these properties for the prices recommended was authorized; and the resolution of the Board authorizing condemnation proceedings for the acquisition of the prop-

erty at 411 East Daniel Street, Champaign, was rescinded. This action was taken by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Johnston, Mr. Kerner, Mr. Page.

**ACQUISITION OF PROPERTY AT 206 NORTH
ROMINE STREET, URBANA, ILLINOIS**

(2) Representatives of the University have been negotiating for the purchase of the property at 206 North Romine Street, Urbana, Illinois, required as part of the site for construction of the new Civil Engineering Building. Architectural work is in process and construction is scheduled to start in the spring of 1964 with completion in time for occupancy in the fall of 1965.

The property consists of a lot 66 feet by 66 feet (4,356 square feet) and is improved with a two-story frame dwelling with basement. An offer of \$21,000, based on appraisals secured by the University, was made to the owners, who were advised that if they agreed to that amount a recommendation would be made to the Board of Trustees for the purchase of the property. The offer is not acceptable to the owners whose asking price remains substantially in excess of the highest University appraisal.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees exercise its power to acquire the property by eminent domain and authorize condemnation proceedings for its acquisition.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur and recommend adoption of the following resolution:

**Resolution Authorizing Condemnation of Property at
206 North Romine Street, Urbana, Illinois**

Be It, and It Is Hereby Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

The South One-half (S½) of Lot Five (5) in Block Fifty-one (51) of the Seminary Addition to Urbana, situated in the City of Urbana, in the County of Champaign, in the State of Illinois

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, for a site for a Civil Engineering Building and for related educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use; that funds have been appropriated by the General Assembly of the State of Illinois for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owners of said land through their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owner has refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owners of said property and they and it are unable to agree upon the purchase price to be paid to said owners for the sale and conveyance of said land by said owners thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois

that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owners thereof for such land cannot be agreed upon between them and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owners thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by this Board of Trustees of The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Williamson, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Johnston, Mr. Kerner, Mr. Page.

ACQUISITION OF PROPERTY AT 909-909½ SOUTH FIFTH STREET, CHAMPAIGN, ILLINOIS

(3) Representatives of the University have been negotiating for the purchase of the property at 909-909½ South Fifth Street, Champaign, Illinois, required as part of the site for a residence hall for single graduate students to be constructed in the block bounded by Daniel, Fifth, Chalmers, and Fourth Streets.

The property consists of a lot 57 feet by 140 feet and is improved with a three-story and basement frame house.

An offer of \$36,000, based on appraisals secured by the University, was made to the owners, who were advised that if they agreed to that amount a recommendation would be made to the Board of Trustees for the purchase of the property. The offer is not acceptable to the owners whose asking price remains in excess of highest University appraisals.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees exercise its power to acquire the property by eminent domain and authorize condemnation proceedings for its acquisition.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur and recommend adoption of the following resolution:

Resolution Authorizing Condemnation of Property at 909 and 909½ South Fifth Street, Champaign, Illinois

PURCHASE OF PROPERTY AT 1305 WEST MAIN STREET, URBANA

(4) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the property at 1305 West Main Street, Urbana, Illinois, at a price of \$30,250, required as part of the site for construction of the Civil Engineering Building.

The property consists of a lot 66 feet by 132 feet, and a five-room brick dwelling with basement and garage. Possession will be delivered by September, 1963.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

The recommendation for acquisition of this property has been reviewed with the Committee on Buildings and Grounds.

I concur.

On motion of Mr. Pogue, the purchase of this property for the price recommended was authorized by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Mr. Johnston, Mr. Kerner, Mr. Page.

RECOMMENDATIONS OF THE UNIVERSITY PATENT COMMITTEE

(5) The University Patent Committee submits, with the concurrence of the University Research Board, the following reports and recommendations relating to patentable inventions by members of the staff.

1. System for removing free electrons—Shao L. Soo, Professor of Mechanical Engineering, inventor. The invention consists of two parts: Part one is on the removal of electrons from an ionized gas. Such removal is effected by injecting positively charged solid particles in micron or submicron size by, for instance, corona charging; and injected into ionized gases in the jet of a rocket or high temperature gas layer on an artificial satellite during re-entry. The function of removal of electrons is to reduce attenuation of radio waves by free electrons in the ionized gas layer or jet. Part two is the deliberate inclusion of solid particles in a hot gas system as in a magneto-hydrodynamic generator, to serve two functions; (1) to increase the electrical conductivity of a gas for a given temperature, and (2) to reduce the temperature drop of the mixture passing through the MHD section.

It is reported that further study is required and that there is some possibility that a patent application will be filed. Accordingly, it is recommended that the rights of the University in this invention be released to the University of Illinois Foundation, with full recognition of the rights of the sponsoring agency, the Department of the Navy.

2. Liquid helium level indicator—Cameron B. Satterthwaite, Associate Professor of Physics, and Roger P. Ries, Electronics Technician II, inventors. This device makes use of a superconducting transition which will (1) indicate by a meter or indicator light whether or not a sensing element is immersed in liquid helium or not making it possible to determine whether the liquid helium level is above or below the sensing element, or (2) in a different modification display on a meter a reading that is proportional to the liquid helium level above a certain fixed point.

It is reported that further study is required and that there is some possibility that a patent application will be filed. Accordingly, it is recommended that the rights of the University in this invention be released to the University of Illinois Foundation, with full recognition of the rights of the sponsoring agency, the Department of the Army.

3. Phase and vibration simulator—Roy B. Perkins, Associate Professor of Mechanical Engineering at the Chicago Undergraduate Division, inventor. This simulator is used to generate two or more time displacement wave forms. In its simplest form, it consists of a driving member reciprocated by a crank mechanism and attached to a recording pen to describe a reference curve. The driven member describes the second curve by use of a pen attached to a spring mass component.

Studies indicate that there will not be sufficient value to justify the cost of further development work on this invention; and accordingly, it is recommended that the rights of the University be released to the inventor.

4. Internally reflecting confocal resonant system—Don F. Holshouser, Associate Professor of Electrical Engineering, inventor. The system is a resonator generally composed of two opposing reflecting elements with the active medium, either a crystal or a gas, filling the region between, and is useful for frequencies in which wave lengths are short compared to physical dimensions. The Board of

Trustees has released its rights to this invention to the University of Illinois Foundation, and the latter requests that a percentage of the net income which may be received from the royalties be assigned to the inventor.

The Patent Committee recommends a distribution of 15 per cent of any net income to the inventor.

I concur in these recommendations.

On motion of Mr. Swain, these recommendations were approved.

On motion of Mr. Hughes, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

April 17, 1963

The April meeting of the Board of Trustees of the University of Illinois was held in the Illini Union, Urbana, Illinois, on Wednesday, April 17, 1963, beginning at 10:30 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Ray Page, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Governor Otto Kerner was absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Professor Norman A. Parker, Vice-President, Chicago Undergraduate Division, Dr. Joseph S. Be-gando, Vice-President, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. Earl W. Porter, Assistant to the President, Mr. George H. Bargh, Administrative Assistant, President's Office, Mr. Fred H. Turner, Dean of Students, Associate Provost Paul R. Shaffer, Mr. V. L. Kretschmer, Director of Auxiliary Services; and the officers of the Board, Mr. R. R. Manchester, Treasurer, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

<i>Name</i>	<i>Address</i>	<i>State from Which They Obtained Certificates</i>
JAMES WILLIAM FRANCISSEN	Chicago, Illinois	District of Columbia
FRANK LEONARD SCHOPPET	Bethalto, Illinois	Missouri
ALFRED A. WEBER	St. Louis, Missouri	Missouri

I concur.

On motion of Mrs. Watkins, these certificates were awarded.

CHAIRMANSHIP OF THE DEPARTMENT OF ECONOMICS

(2) At the end of the current academic year, 1962-63, Professor J. F. Bell of the Department of Economics will have completed his third two-year term as Chairman of the Department. He has asked to be relieved of further service in this administrative assignment so that he can devote full time to teaching and research. He will be on sabbatical leave of absence during the second semester of 1963-64.

With the concurrence of the Executive Committee of the Department of Economics, the Dean of the College of Commerce and Business Administration recommends the appointment of Professor John F. Due as Chairman of the Department for two years beginning September 1, 1963. The salary of this position will be determined when the budget for 1963-64 is submitted to the Board for approval.

The Dean of the Graduate College and the Executive Vice-President and Provost also concur.

I recommend approval.

On motion of Mr. Johnston, this appointment was approved.

ASSOCIATE DEAN OF THE GRADUATE COLLEGE

(3) The Dean of the Graduate College recommends the appointment of Dr. Marvin Frankel, Research Professor in the Bureau of Economic and Business Research, as Associate Dean of the Graduate College on one-half time beginning September 1, 1963. He will continue as Research Professor on one-half time. The total salary of this dual position will be \$17,000 on a twelve-month service basis.

The appointment of Dr. Frankel is to replace Dr. Ivan D. Steiner, Professor of Psychology, who has been serving as Associate Dean since September 1, 1961, and who has asked to be relieved of this administrative assignment so that he may devote full time to teaching and research.

The appointment of Dr. Frankel as Associate Dean is concurred in by all recommending officers involved—the Head of the Department of Economics, the Director of the Bureau of Economic and Business Research, the Dean of the College of Commerce and Business Administration, and the Executive Vice-President and Provost.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.

**DIRECTOR OF DIVISION OF EDUCATION,
CHICAGO UNDERGRADUATE DIVISION**

(4) The Vice-President for the Chicago Undergraduate Division recommends the appointment of Dr. Victor E. Ricks, presently Professor of Education in Social Sciences at the Chicago Undergraduate Division, as Professor of Education on indefinite tenure and Director of the Division of Education, beginning May 1, 1963, and continuing until September 1, 1965, at an annual salary of \$14,500 on a twelve-month service basis.

This appointment will establish the new Division of Education, within the new organizational framework of the University of Illinois at Congress Circle as previously authorized by the Board of Trustees (January 18 and February 15, 1961). The recommendation is submitted after consultation with the Academic Advisory Council at the Chicago Undergraduate Division and the Dean of the College of Education at Urbana, and is concurred in by the Dean of the Graduate College and the Executive Vice-President and Provost.

I recommend approval.

On motion of Mr. Johnston, this appointment was approved.

**ACTING DEAN OF COLLEGE OF ENGINEERING,
CHICAGO UNDERGRADUATE DIVISION**

(5) The Vice-President for the Chicago Undergraduate Division recommends the appointment of Rupert M. Price, Assistant Dean of Engineering and Associate Professor of Physics at the Chicago Undergraduate Division, as Associate Professor of Physics on indefinite tenure and Acting Dean of the College of Engineering, beginning May 1, 1963, on an annual appointment and twelve-month service basis, and at an annual salary rate of \$16,200.

This recommendation is endorsed by a search committee appointed to nominate a Dean for Engineering, and by the Academic Advisory Council at the Chicago Undergraduate Division. It is concurred in by the Dean of the Graduate College and the Executive Vice-President and Provost.

I recommend approval.

On motion of Mr. Swain, this appointment was approved.

**DIRECTOR OF DIVISION OF PHYSICAL EDUCATION AND DIRECTOR
OF ATHLETICS, CHICAGO UNDERGRADUATE DIVISION**

(6) The Vice-President for the Chicago Undergraduate Division recommends the appointment of Sheldon L. Fordham, presently Assistant Dean of Physical Education and Associate Professor of Physical Education for Men at the Chicago Undergraduate Division, as Associate Professor of Physical Education for Men on indefinite tenure and Director of the Division of Physical Education and Director of Athletics for two years, beginning September 1, 1963, at an annual salary of \$13,500 on a twelve-month service basis.

This appointment will also implement the Division of Physical Education within the new organizational framework of the University of Illinois at Congress Circle, Chicago, as previously authorized by the Board of Trustees (January 18 and February 15, 1961), and will fill the vacancy created by the retirement at the end of the current academic year of John O. Jones, Associate Dean of Physical Education for Men and Director of Athletics. The recommendation is submitted with the support of a Consultative Committee appointed to nominate a Director, and after consultation with the faculty of Physical Education. It is concurred in by the Dean of the Graduate College and the Executive Vice-President and Provost.

I recommend approval.

On motion of Mr. Hughes, this appointment was approved.

APPOINTMENTS TO THE FACULTY

(7) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. PETER J. COURI, Clinical Assistant Professor of Obstetrics and Gynecology, beginning March 1, 1963, without salary (DY).

2. ARTHUR J. DERBYSHIRE, Associate Professor of Otolaryngology, beginning March 1, 1963, at an annual salary of \$15,000 (DY).
3. GUIDO FRIZZI, Visiting Professor of Zoology, for six and one-half months from May 16, 1963, at a salary of \$10,108 (G).
4. MAX M. FROCHT, Visiting Professor of Theoretical and Applied Mechanics, for the academic year 1963-64, at an annual salary of \$15,000 (D).
5. R. JERALD HAMILTON, Associate Professor of Music, beginning September 1, 1963, at an annual salary of \$10,700 (D).
6. CHARLES E. HAMM, Professor of Music, beginning September 1, 1963, at an annual salary of \$11,000 (A).
7. ELIO MAGGIO, Assistant Professor of Otolaryngology, College of Medicine, from March 25 to August 31, 1963, at a salary of \$1,000 per month.
8. WILLARD A. MAINORD, Visiting Assistant Professor of Psychology, for four and one-half months from February 1, 1963, on one-fourth time, at a salary of \$1,000 (E25).
9. WILLIAM L. MCDANIEL, Assistant Professor of Applied Materia Medica and Therapeutics, College of Dentistry, on four-tenths time, beginning March 25, 1963, at an annual salary of \$4,000 (DY40).
10. WILLIAM S. MILLER, Clinical Assistant Professor of Obstetrics and Gynecology, beginning March 1, 1963, without salary (DY).

On motion of Mr. Dilliard, these appointments were confirmed.

APPOINTMENTS TO CENTER FOR ADVANCED STUDY

(8) Upon recommendation of the Executive Committee of the Center for Advanced Study, and with the concurrence of the Dean of the Graduate College and the Executive Vice-President and Provost, I submit the following nominations for appointments to the Center for Advanced Study for the period and for the program of research or study as indicated in each case.

Member (for a five-year period from September 1, 1963)

- H. G. DRICKAMER, Professor of Chemical Engineering and of Physical Chemistry. Professor Drickamer's research contributions represent a high degree of technical skill and inventiveness combined with the ability, originality, and theoretical insight to obtain results of fundamental and general significance. His work has ranged widely, from physical chemical studies of engineering processes and of molecular interactions in condensed phases to the development of high-pressure techniques and their application to a number of basic problems in solid state physics and geology.

His most recent and probably most important accomplishments are concerned with the effects of very high pressure on solid state and molecular electronic structure. In particular he has developed a unique optical apparatus which permits spectroscopic measurements in the ultraviolet, visible, and infrared regions of the spectrum to pressures of 200,000 atmospheres and at temperatures of over 400° C. He has developed a device for measuring electrical resistance in substances subject to pressures in excess of 500,000 atmospheres.

Associate Members

- SAMUEL ADLER, Visiting Professor of Art, for the second semester. As artist-in-residence, to paint and to advise graduate students in painting.
- BEI-TSE CHAO, Professor of Mechanical Engineering and of Nuclear Engineering, for one year from September 1, 1963. To conduct investigations in the field of two-phase fluid flow and heat transfer.
- D. J. GEANAKOPOLOS, Professor of History, for the second semester. To do research in libraries and archives of America and Europe on the relations of the Byzantine Orthodox Church with Roman Catholicism and the Russian Church, and also on the influence of Byzantine and Venetian-dominated Crete in the Renaissance of Western Europe.
- W. J. HALL, Professor of Civil Engineering, for one year from September 1, 1963. To complete a monograph on the brittle fracture of fabricated steel structures, and to conduct further studies in the areas of fracture mechanics and structural analysis.
- D. R. HODGMAN, Professor of Economics, for two years from September 1, 1963. To conduct quantitative studies of commercial bank behavior, with emphasis on micro-analytic computer simulation of the commercial banking system.

J. R. KELLY, Professor of Music, for one year from September 1, 1963. To compose an opera based on the conquest of Aztec Mexico by Cortez and provisionally entitled *Conquistadore*.

SHERMAN PAUL, Professor of English, for one year from September 1, 1963. To complete his final volume of studies of the tradition of the "American Scholar."

C. P. SLICHTER, Professor of Physics, for one year from September 1, 1963. To conduct investigations of electron and nuclear magnetic resonance.

P. A. WADSWORTH, Professor of French, for one year from September 1, 1963. To complete work on his study of the writings of La Fontaine.

J. H. WALTER, Associate Professor of Mathematics, for one year from September 1, 1963. To continue his research into the theory of finite groups.

F. L. WILL, Professor and Chairman of the Department of Philosophy, for the second semester. To complete his book on the Problem of Induction.

Provisions for the salaries of these staff members during the period of their membership in the Center will be included in the budget of the Graduate College and the Center.

On motion of Mr. Hughes, these appointments were approved.

SABBATICAL LEAVES OF ABSENCE, 1963-64

(9) I recommend that the following members of the staff be given sabbatical leaves of absence during the academic year 1963-64 in accordance with the provisions of the University of Illinois Statutes and on the terms and for the periods indicated. This recommendation is supplementary to the applications recommended to the Board of Trustees on March 20, 1963. (It was reported at that time that a number of applications for sabbatical leaves during 1963-64 were still under administrative consideration and that additional recommendations would be submitted at a subsequent meeting.)

College of Commerce and Business Administration

WILLIAM EDGAR THOMAS, Professor of Accountancy, second semester, full pay.

College of Education

CECIL H. PATTERSON, Professor of Education, second semester, full pay.

College of Fine and Applied Arts

KENNETH M. LANSING, Associate Professor of Art Education, second semester, full pay.

Graduate School of Library Science

DONALD E. STROUT, Professor of Library Science, first semester, full pay.

Chicago Undergraduate Division

NICHOLAS C. SCHOLOMITI, Assistant Professor of Mathematics, second semester, full pay.

On motion of Mr. Johnston, these leaves were granted as recommended.

HONORARY DEGREES

(10) The University Senate at the Medical Center has recommended that the honorary degree of Doctor of Science be conferred upon:

DETLEV W. BRONK, former President of Johns Hopkins University and now President of the Rockefeller Institute. Dr. Bronk will give the Commencement address for graduates of the colleges at the Medical Center on June 7, 1963.

The Urbana-Champaign Senate has recommended honorary degrees be conferred upon the following at the Commencement exercises at Urbana-Champaign on June 15, 1963:

HENRY TOWNLEY HEALD, Doctor of Laws (LL.D.). Former Chancellor of New York University, now President and a Trustee of the Ford Foundation. Dr. Heald will give the Commencement address at Urbana-Champaign on June 15.

GEORGE WELLS BEADLE, Doctor of Science (D.Sc.). Chancellor of the University of Chicago.

CARL SHIPP MARVEL, Doctor of Science (D.Sc.). Research Professor of Organic Chemistry, *Emeritus*, University of Illinois.

CLARENCE SAMUEL ROSS, Doctor of Science (D.Sc.). Principal Geologist, United States Geological Survey.

I concur in the recommendations of the Senates.

On motion of Mr. Swain, these degrees were authorized.

INVITATION TO VISIT BRITISH UNIVERSITIES

(11) I request the Board of Trustees to authorize my acceptance of an invitation to attend meetings of the Association of Universities of the British Commonwealth at the University of London, a conference of Vice-Chancellors of British universities and Presidents of American universities at St. Andrews University, and to visit British universities following these programs. The official visitation would be during the period from July 10 until August 1, exclusive of travel time.

The invitation has been presented through the Association of American Universities. The Presidents of twelve member institutions of that Association will constitute the delegation.

The members of the delegation will have unusual opportunity to receive and discuss authoritative reports on higher education in many countries and to bring back to their own institutions comparative information and insights from the experience.

The travel expense will be underwritten by the Association and the mission will involve no expense to the University of Illinois.

On motion of Mrs. Watkins, authority was given as requested.

AMENDMENT OF POLICY FOR INVESTMENT OF FUNDS AND INVESTMENT PROCEDURES

(12) On recommendation of the Finance Committee, the Board of Trustees on June 20, 1962, adopted a policy for investment of funds and investment procedures, including a resolution authorizing the Treasurer of the Board of Trustees to exercise certain functions. In view of the change in the Treasurership, it is necessary to amend the resolution and it is therefore requested that the following resolution be adopted to replace the resolution which appears on page 1519 of the minutes of the Board of Trustees meeting of June 20, 1962.

Resolution

Resolved, that the Treasurer of the Board of Trustees of the University of Illinois, a public corporation, is authorized in his discretion to sell, assign, or transfer to any assignee or transferee for or on behalf of this corporation and in its name any and all shares of capital stock or any voting trust certificates representing the right to receive shares of stock or any registered bonds or other securities of any other corporation owned by this corporation and for the purpose of effecting any such sale or transfer, R. R. Manchester, the Treasurer of this corporation, be and he hereby is authorized to execute in the name of this corporation and on its behalf all assignments which may be necessary and that A. J. Janata, Secretary of this corporation, be and he hereby is authorized to attest to the authority of R. R. Manchester, Treasurer, to execute the aforesaid documents.

The Treasurer will exercise the authority granted by such resolution only after being notified by the Comptroller of the approval of the Finance Committee for the sale as provided in the established procedure. The Secretary of the Board will attest to the validity of the resolution and to the authority of the Treasurer to sign the documents.

On motion of Mr. Williamson, this amendment was adopted.

POLICY AND PROCEDURE CONCERNING COPYRIGHTS AND RECORDINGS

(13) *The General Rules Concerning University Organization and Procedure* include regulations governing patents on inventions (Sections 17 and 18, pages 59-60) and copyrights on printed material (Section 19, page 60). In both cases it is made clear that when such inventions or writings have been produced with the

use of University facilities, resources, or financial support, these productions belong to the University. In the case of patents, detailed administrative procedures and guide lines are outlined for the determination of the University's rights and for deciding what share, if any, of the net income realized from patents should go to the inventor. No such administrative procedures or guide lines are specified in the case of copyrights, although Section 10 (on the University Press, page 49) does refer to contracts with authors concerning royalties and other conditions related to the publication and copyrighting of manuscripts.

No reference is made in *The General Rules Concerning University Organization and Procedure* concerning recordings of lectures and other content on such media as film and magnetic tape; yet the rapid increase in the use of these media—especially in the form of videotaped recording of instruction for presentation by television—has raised serious questions concerning University, departmental, and faculty rights relative to the production, ownership, and use of such material. Typically, an instructor develops a set of videotaped lectures for his own course, as part of his regular departmental duties and usually with a substantial reduction in teaching load. Since he is paid to do the work, and since University facilities are used, the University's right to ownership of the recordings could hardly be questioned.

After a lengthy study, the University Committee on Instructional Television has recommended policies and general procedures for the resolution of questions and issues which may arise in determination of the equitable interests involved. The Committee's proposals have been reviewed and approved in principle by the Academic Advisory Council. In the light of these studies, the Executive Vice-President and Provost recommends the following revisions in Section 19 of *The General Rules Concerning University Organization and Procedure* (the new material below is in italics).

COPYRIGHTS AND RECORDINGS

Sec. 19. (a) The right to copyright a work or to assign this right to a publisher normally belongs to the author of the work. However, when the author is specifically commissioned by the University or one of its departments to prepare a manuscript or report, the manuscript and all rights to it shall belong to the University.

(b) Research and service pamphlets and bulletins may or may not be copyrighted, at the discretion of the department issuing the work.

(c) Books published by the University Press are copyrighted as provided in Section 10.

(d) *All rights in recordings of lectures, of demonstrations, and of other content—such as films and videotapes—that have been produced with the use of University facilities, resources, or financial support shall belong to the University.*

(e) *If the University uses or markets copyrighted or recorded material produced by a staff member under the conditions outlined in the second sentence of (a) and (d), and if such disposition is made on a basis that yields a net income to the University, a proportion of the net income may be assigned to the author(s) or developer(s) of the material.*

(f) *A University Committee on Copyrights and Recordings, appointed by the President, will review the circumstances involved in each case that might arise under the principle stated in (e), and make recommendation concerning it to the President and Board of Trustees. It is expected that the Committee will be guided in its recommendations by standards analogous to those stated in Section 18 (c) (page 60) concerning patents.*

I concur.

On motion of Mr. Swain, these revisions were approved.

CLINICAL TRAINING FOR LICENSED PRACTICAL NURSE PROGRAM

(14) The Chicago Public Schools have been providing a training program for "Licensed Practical Nurse" since 1948. Students in this program receive clinical training in a number of hospitals in Chicago. The Chicago Board of Education has requested the University to provide the clinical setting for ward experience in obstetrics and pediatrics in the Research and Educational Hospitals for a limited number of these practical nurse students.

Over 95 per cent of the licensed practical nurses now employed in the Research and Educational Hospitals are graduates of this program and they always have been found to be competent and well selected. Therefore, the Hospitals staff has had considerable experience with the program and considers it well organized and executed.

It is proposed that the clinical training program be started May 1, and will continue for the next three years.

The Medical Director of the Research and Educational Hospitals, the Director of Nursing in the Hospitals, and the Vice-President for the Medical Center have requested authority to negotiate an agreement with the Chicago Board of Education covering this training program. Formal action by the Board of Trustees is not necessary as the proposal can be approved administratively but because it is a new area of public service, it seemed appropriate to bring the matter to the Board for its information and for the record.

On motion of Mrs. Watkins, this program was approved.

MIDWEST ELECTRONICS RESEARCH CENTER

(15) The College of Engineering has proposed establishment of a Midwest Electronics Research Center within the College of Engineering and the Engineering Experiment Station to provide for close association between University research programs and industrial research and development laboratories and to promote programs which will stimulate productive University-industrial relationships. In general, the Center's purpose would be to assist midwest electronics firms in the task of handling the greater amount of sophisticated research required for military and space programs and for new areas of civilian technology and product development.

The initial activities of the Center will include a program for "Industrial Research Visitors" as well as seminars and short courses in electronics and related topics of solid state physics. The Center will also serve in the establishment of cooperative research contracts sponsored by industry, the dissemination of information and interpretative publications, and the coordination of activities leading to the organizing of company-sponsored research laboratories.

Submitted herewith is a statement giving further details of the proposal, a copy of which is being filed with the Secretary of the Board for record.

Approval of this program and authorization to negotiate and execute the necessary contractual agreements with industries which may be interested and selected for participation is requested.

I concur, subject to further action by the Board of Higher Education.

On motion of Mr. Johnston, this program was approved, in principle, and authority was given as recommended to negotiate and enter into contracts, and additional authorization was given to modify the plan before it is set up in final form to take into account such changes as may be indicated after further internal administrative consideration and consultation with the officers of the colleges and departments concerned; provided that any substantive changes shall be reported to the Board for confirmation; and provided further that final approval shall be subject to approval of the program by the Board of Higher Education. This action was taken without dissent.

PRODUCTION ENGINEERING EDUCATIONAL AND RESEARCH CENTER

(16) The College of Engineering and the Engineering Experiment Station submit a proposal for a new Production Engineering Educational and Research Center to be established within their administrative organization. The main objective of this Center will be to conduct a broad interdisciplinary program of technical assistance to industry. The rapid expansion of knowledge concerning new materials and the technology for their fabrication have created complex problems for industry, and particularly for small industries which do not have the technical and research personnel to cope with them. The Center would assist these industries to upgrade their technical competence through organized programs for the

dissemination of knowledge concerning materials fabrication, machine structures, machine controls, automated manufacturing, and the economic-sociological aspects of industrial organization.

Representatives of the Department of Mechanical and Industrial Engineering have been conferring with representatives of the Colleges of Commerce and Business Administration, Liberal Arts and Sciences (social science departments), and other engineering departments on methods of attacking problems dealing with the social as well as technical and financial aspects of modern industry. The Center would provide educational programs and "problem clinics" for groups outside the University, graduate educational programs within the University, and would conduct research. With the exception of regular graduate studies, each area of specialized education and research would be fully supported by interested companies or other agencies through contracts or grants.

Submitted herewith is a statement giving further details of the proposal, a copy of which is being filed with the Secretary of the Board for record.

I concur, subject to further action by the Board of Higher Education.

On motion of Mr. Swain, this program was approved, in principle, and authority was given as recommended to negotiate and enter into contracts, and additional authorization was given to modify the plan before it is set up in final form to take into account such changes as may be indicated after further internal administrative consideration and consultation with the officers of the colleges and departments concerned; provided that any substantive changes shall be reported to the Board for confirmation; and provided further that final approval shall be subject to approval of the program by the Board of Higher Education. This action was taken without dissent.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(17) The Executive Vice-President and Provost and the Vice-President and Comptroller recommend the following appropriations and assignments of funds from the University General Reserve:

Urbana-Champaign

1. College of Agriculture	
Department of Animal Science, repairs to the Swine Nutrition Farm	\$18 200 00
2. College of Liberal Arts and Sciences	
Department of Mathematics, equipment.....	2 582 00
3. Physical Plant Department	
Agricultural Engineering Building, remodeling.....	7 190 00
Photographic Laboratory, air conditioning.....	8 000 00
Davenport House, air conditioning.....	7 076 65
Total.....	\$43 048 65

I concur.

On motion of Mr. Pogue, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

SETTLEMENTS WITH ECONOMY PLUMBING AND HEATING COMPANY, INC. AND BLOOMER HEATING AND VENTILATING COMPANY

(18) In December, 1949, the University entered into separate contracts with Economy Plumbing and Heating Company, Inc. (hereinafter called "Economy") and Bloomer Heating and Ventilating Company (hereinafter called "Bloomer") for the furnishing of certain materials and work in the construction of the University's Research and Educational Hospitals Addition in Chicago. The building was not completed for more than two years after the scheduled date. Economy, Bloomer, and other contractors on the project, including Patrick Warren Construction Company, the general contractor, contended that the delays were caused by the University and asserted claims for damages by reason thereof. The University

has consistently denied liability on such claims and has maintained that the delays were caused by the contractors. By special agreement with the University, Economy (in 1954) and Bloomer (in 1953) were paid and accepted the balances due under their respective contracts, which agreement preserved the contractors' rights to assert at a later date claims for delay, and also acknowledged the University's right to deny liability thereon.

On November 28, 1961, the Board of Trustees approved a settlement with Patrick Warren Construction Company which settlement included a payment for release of Warren's claims for delay. Subsequent negotiations have been conducted with counsel for Economy and counsel for Bloomer, the details of which are more fully stated in a letter from the Legal Counsel to President Henry, a copy of which is being filed with the Secretary for record. Economy has now agreed to accept the sum of \$6,431.25 in full payment and satisfaction of all of Economy's claims against the University, and to deliver to the University a complete release. Bloomer has now agreed to accept the sum of \$3,875.00 in full payment and satisfaction of all of Bloomer's claims against the University, and to deliver to the University a complete release.

These amounts represent substantial reductions in the original claims submitted by these contractors, have been arrived at on the same basis as the settlement of the Warren claims for delay approved by the Board in November, 1961, and provide a means whereby expensive and protracted litigation between these contractors and the University will be avoided. For these reasons, the Vice-President and Comptroller, the Director of the Physical Plant, and the Legal Counsel recommend that a final settlement between the University and Economy, and between the University and Bloomer, on the above-mentioned basis be authorized and made, subject to the release by the Governor out of funds appropriated to the University for the construction of the Research and Educational Hospitals Addition of the sums of \$6,431.25 and \$3,857.00 for payment to Economy and Bloomer, respectively.

I concur.

On motion of Mr. Johnston, these settlements were authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACTS FOR INSTALLATION OF FUME HOODS IN EAST DENTISTRY-MEDICINE-PHARMACY BUILDING

(19) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of contracts for furnishing and installing fume hoods in the East Dentistry-Medicine-Pharmacy Building, the award in each case being to the lowest bidder:

Ventilating—Anderson and Litwack Company, Hillside.....	\$31 653 00
Base bid	\$22 338 00
Additive alternates	
Service charge for supervision of other contracts assigned to this contractor.....	2 346 00
Installation of eleven additional fume hoods in various rooms	6 969 00
Heating and Temperature Control—T. F. Hanley Corporation, Chicago.....	9 921 00
Base bid	\$ 9 000 00
Additive alternates for installation of heating and temperature controls for eleven additional fume hoods.....	921 00
Plumbing—Ashland Plumbing and Heating Company, Chicago.....	3 409 00
Base bid	\$ 2 232 00
Additive alternates for plumbing installations for eleven additional fume hoods.....	1 177 00
Electrical—Wadeford Electric Company, Chicago.....	3 427 00
Base bid	\$ 2 709 00
Additive alternates for electrical installations for eleven additional fume hoods.....	718 00

General — Gerhardt F. Meyne Company, Chicago.....	9 665 00
Base bid	\$ 5 640 00
Additive alternates for remodeling work required for installation of eleven additional fume hoods.....	4 025 00
Fume Hoods — Browne-Morse Company, Chicago.....	20 595 60
Base bid	\$13 043 88
Additive alternate for eleven additional fume hoods...	7 551 72
Total	\$78 670 60

The contracts will provide for the furnishing and installation of thirty fume hoods in chemistry laboratories on the third and four floors of the East Dentistry-Medicine-Pharmacy Building to expand facilities for teaching and research. The hoods were originally designed for installation when the building was constructed, but due to insufficient funds the installation was postponed. The base bid in each case is on installation of nineteen fume hoods; alternates were taken on the installation of eleven more, all of which are needed. The base bids were low enough to permit inclusion of the eleven additional hoods.

It is further recommended that all contracts other than the contract for ventilating work be assigned to the contractor for that work, making the total of his contract price \$78,670.60; and that an agreement be entered into with Anderson and Litwack Company for the assignment of these other contracts for \$2,346 which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the contractor for ventilating work.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A schedule of all bids received is submitted herewith and a copy is filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACT FOR WEATHERPROOFING ROOF DECKS ON BUILDINGS AT THE MEDICAL CENTER

(20) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$4,955 to the Hascek-Melville Corporation, Maywood, for weatherproofing the tile roof decks on the Research and Educational Hospitals and the Dentistry-Medicine-Pharmacy Building, first unit.

Bids were requested both for weatherproofing and for completely removing and replacing the roofs; considering the price differential, it is recommended that the bid for weatherproofing only be accepted.

Funds are available in the Physical Plant maintenance budget.

I concur.

On motion of Mr. Williamson, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACTS WITH DEPARTMENT OF MENTAL HEALTH FOR STEAM SERVICE

(21) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of amendments of four existing contracts and two additional contracts with the State Department of Mental Health for steam service from the Medical Center Steam Company to two new buildings being constructed in the Medical Center District.

The Medical Center Steam Company was chartered by the state to construct and operate a central steam plant to provide service to the University and to other institutions in the Medical Center District on a contract basis. The University operates the plant under a contract with the Company. The consumers pay for the

costs of steam, maintenance of utility lines, and a pro rata share of the capital costs of the plant and of extensions of steam lines.

The details of the proposed new contracts and amendments of existing contracts with the Department of Mental Health are submitted herewith and are filed with the Secretary of the Board for record.

I concur.

On motion of Mr. Swain, these contracts and amendments were authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

CONTRACTS FOR OAK STREET IMPROVEMENT, PARKING LOT CONSTRUCTION, AND TRASH COLLECTION DEPOT

(22) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of the following contracts, the award in each case being to the lowest bidder:

Oak Street Improvement—General Paving Company Incorporated, Champaign, Illinois	\$105 665 45
Paving of Oak Street from Florida Avenue to Stadium Drive, including concrete curb and gutter, drainage, lighting, and the completion of a five-foot sidewalk on the west side of the street.	
Parking Lot Construction—Parro Construction Corporation, Urbana, Illinois.....	166 891 80
Base bid for construction of a 399-space asphalt lot, complete with drainage and lighting, on the south side of Florida Avenue east of Oak Street extended.....	\$136 653 00
Additive alternate for construction of an eight-foot wide concrete sidewalk on the south side of Florida Avenue from First Street to Oak Street....	4 657 80

It is further recommended that the awards to General Paving Company Incorporated be combined in one contract at a total price of \$162,664.40.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A supporting report from the Physical Plant Department with a schedule of bids received is submitted herewith and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

AMENDMENT TO CONTRACT FOR CONGRESS CIRCLE CAMPUS SITE

(23) The Board of Trustees has authorized a contract with the Chicago Land Clearance Commission for the acquisition by the University of the site for the Congress Circle Campus in Chicago. Pursuant to enabling statutes passed by the 1961 General Assembly, the city of Chicago has since succeeded to the position of the Chicago Land Clearance Commission under the contract.

Under the terms of the agreement the total site was to be conveyed to the University in five stages, the first conveyance to be accomplished by June 30, 1962. The city of Chicago has experienced delays in its land acquisition program, principally by reason of litigation affecting the site, and the conveyancing schedule in the contract is no longer realistic. The City has requested an amendment to the contract to provide new dates for transfers of various portions of the site to the University, the first conveyance to be made prior to May 1, 1963. The proposed new dates have been reviewed by the Director of the Physical Plant and he states that they are compatible with the University's current construction schedule.

The Vice-President and Comptroller and the Director of the Physical Plant recommend that execution of the amendment be authorized.

I concur.

On motion of Mr. Swain, this amendment of the contract was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

EASEMENTS ON CONGRESS CIRCLE CAMPUS SITE

(24) The contract by which the University is acquiring title to the Congress Circle Campus site provides that the City will convey title subject to easements for necessary underground public or private utilities. Most of the existing easements lie in city streets and alleys to be vacated prior to the conveyance to the University. These easements appear to be more extensive than they would have been if originally granted over private property. In a few cases the utilities will require new easements on the site, principally for relocation to accommodate the University's construction and to service the University buildings.

Negotiations have been conducted with the public and private utilities for the purpose of narrowing existing easements to the areas reasonably required for the utilities' function, defining the scope of required new easements, securing releases by the utilities of existing easements no longer required by them, authorizing encroachments by the University on existing easements as reflected by the University's present construction specifications, and establishing criteria for permissive encroachment by future University construction. These negotiations are continuing and may be completed prior to the regular May meeting of the Board. It would be desirable to formalize the easement arrangements as soon as possible.

The Vice-President and Comptroller and the Director of the Physical Plant recommend that the Board of Trustees authorize its Executive Committee to take action for the Board in any negotiations with public and private utilities for easements relating to the Congress Circle site in Chicago, including approval of the execution of necessary easement and release documents.

I concur.

On motion of Mr. Johnston, these easements were authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

**AGREEMENT WITH COMMONWEALTH EDISON COMPANY
ON VERNON PARK SUBSTATION**

(25) To complete the Congress Circle Campus plan and to avoid the necessity of relocating Commonwealth Edison Company's Vernon Park Substation, and all its underground facilities in the area, the University will construct a screening wall around the Substation. As a result of discussions with Edison representatives, the Vice-President and Comptroller and the Director of the Physical Plant recommend that an agreement with Commonwealth Edison Company be authorized, which agreement would provide for the following:

1. The University may erect on land owned by it a suitable screening around Edison's Vernon Park Substation at the Congress Circle Campus site which will preserve to Edison easy access to the Substation and its facilities in the surrounding area.
2. The University may also reface Edison's Substation building in a manner deemed appropriate by the University, so long as the refacing does not impair the utility of the building to Edison.
3. Edison will permit the University to erect and use an enclosed walkway over the Substation, subject to Edison's reasonable requirements for clearance, access, and liability.
4. Edison will pay the University \$100,000 to be applied toward the cost of this project.

In the placement of the screening wall, an exchange of certain land areas between the University and Edison may be indicated. When and if such exchange is desired, specific Board approval will be requested therefor.

Funds are available in the state capital appropriations to the University from the Universities Building Fund for the Congress Circle Campus and have been released.

I concur.

On motion of Mr. Dilliard, this agreement was authorized.

HOUSING AND HOME FINANCE AGENCY LOAN FOR CONSTRUCTION OF MEDICAL CENTER STUDENT UNION AND HOUSING FACILITY

(26) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of:

- An application to the Housing and Home Finance Agency for a loan of \$2,000,000 for construction of a new Student Union and Housing Facility at the Medical Center in Chicago, this amount representing approximately two-thirds of the estimated cost, the loan to be repaid from student fee income and operations;
 An issue of \$1,000,000 of revenue bonds to be sold publicly to finance part of the construction cost, the bonds to be amortized from student fee income and operations;

Employment of Chapman and Cutler, Chicago, as counsel for the bond issue;

Advertisements for bids on the construction of the building and for the sale of bonds at times deemed most appropriate by the Vice-President and Comptroller.

I concur.

On motion of Mr. Swain, these recommendations were approved, and authority was given as requested by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner.

ADDITION TO CONTRACT FOR FIRST ADDITION TO ORCHARD DOWNS APARTMENTS

(27) The Director of the Physical Plant and the Vice-President and Comptroller recommend an increase of \$9,800 in a contract with Shapland Construction Company, Champaign, for construction of the first addition to Orchard Downs for modifications and installation of insulated panels in the living room window wall panels to provide for added temperature control.

Funds are available in the Housing Division budget.

I concur.

On motion of Mr. Johnston, this change in contract was authorized.

EMPLOYMENT OF ARCHITECTS

(28) The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of Richardson, Severns, Scheeler, and Associates, Champaign, for architectural services on the University's Research and Training Building at the Mental Health Center at a fee not to exceed 6 per cent of construction costs, which will include preliminary design, working drawings and specifications, preliminary studies for future expansion, and job supervision.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Pogue, this recommendation was approved.

COLLEGE OF EDUCATION BUILDING

(29) The Dean of the College of Education and its Executive Committee recommend that the new building for the College now under construction be officially designated as "The College of Education Building."

I concur.

On motion of Mrs. Watkins, this name was approved.

ILLINI GROVE

(30) A group of residents of Urbana-Champaign have submitted a petition addressed "To the President and the Board of Trustees of the University of Illinois" that Illini Grove "be maintained in its present condition as a beautiful wooded area for use by the students, faculty, and alumni of the University and the citizens of Urbana-Champaign for recreational purposes," and that in the event a change in the use of Illini Grove is contemplated, they be given an opportunity to appear at a meeting of the Board of Trustees.

I submit the petition, as requested. In replying to those representing the petitioners, I have pointed out that there is no formal recommendation before the Board for the use of Illini Grove as a building site in the near future or for any change in the present use of that facility.

The petition has already been answered and no further action is required.

PURCHASES

(31) The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

The recommendations are presented in two categories: purchases from Appropriated Funds (i.e., from state appropriations to the University) and purchases from Institutional Funds. The latter term is used here to designate funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, from foundation grants and grants from corporations and other donors, and University revolving funds authorized by law.

ANNUAL REPORT OF THE TREASURER

(34) In accordance with the By-Laws of the Board of Trustees, the Treasurer of the University has submitted a report of receipts and disbursements of University funds in his custody for the period March 1, 1962, to February 28, 1963, certified by the Comptroller. A copy of this report was sent to each member of the Board

of Trustees prior to today's meeting, and a copy is filed with the Secretary of the Board.

This report was received for record.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: appointments to the faculty made by the President; appointments of fellows; resignations, declinations, and terminations; leaves of absence.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

- ANDERSON, TRUMAN O., Assistant Professor of Medicine and of Microbiology (Medicine), six months from March 1, 1963, \$9,000 a year, supersedes (3-13-63).
- BIGGS, CARLETON W., Associate Professor of Art, 27/100 time, June 21-August 9, 1963, \$359, additional (3-11-63).
- BUINAUSKAS, PETER, Research Associate in Surgery (Medicine), $\frac{2}{3}$ time, six months from March 1, 1963, \$3,000 a year, supersedes (3-13-63).
- CAIRNS, STEWART S., Research Professor of Mathematics, two months from June 16, 1963, \$3,668; this is in addition to his present appointment (3-18-63).
- CURNYN, ARNOLD D., Assistant in Ophthalmology (Medicine), nine months from October 1, 1962, without salary (3-4-63).
- DIPERT, ARNOLD W., Instructor in Electrical Engineering, Summer Session of 1963, June 17-August 10, 1963, \$1,112 for the period, supersedes previous Summer Session appointment (3-8-63).
- DIXIT, SARYU NARAIN, Research Associate in Chemistry (Pharmacy), five months from April 1, 1963, \$500 a month (4-2-63).
- DUDLEY, JAMES, Assistant in Education, Summer Session of 1963, July 15-August 10, 1963, \$545 for the period (3-28-63).

LEAVES OF ABSENCE

- APPLEQUIST, DOUGLAS E., Associate Professor of Organic Chemistry—leave of absence, without pay, for six months from March 1, 1964, so that he may accept a visiting professorship at Harvard University.
LÜSCHER, EDGAR, Research Associate Professor of Physics, and in the Coordinated Science Laboratory—leave of absence, without pay, from August 1, 1963, through August 31, 1964, so that he may spend that time in research at the Max Planck Institute for Astrophysics in Munich, Germany.

SCOTT, ROBERT E., Professor of Political Science — leave of absence, without pay, for one year from September 1, 1963, so that he may do research work at the Brookings Institution in Washington.

TOMASSON, RICHARD F., Assistant Professor of Sociology, and in the Division of General Studies — leave of absence, without pay, for two years from September 1, 1963, so that he may spend that period in research at universities in Sweden.

EX OFFICIO ASSIGNMENTS OF PRESIDENT OF THE BOARD

President Clement announced that in view of his duties as President of the Board he is asking to be relieved of the following assignments:

University of Illinois Foundation. The President of the Board of Trustees or a member of the Board designated by him is ex officio a member of the Board of Directors of the University of Illinois Foundation. Mr. Clement announced that he is designating Mr. Williamson as his replacement, to serve until further notice.

University Retirement System. Mr. Clement asked that some other member of the Board be elected to replace him on the Board of Trustees of the University Retirement System of Illinois.

On motion of Mr. Johnston, Mr. Pogue was unanimously elected as a member of the Board of Trustees of the University Retirement System of Illinois. The other previously elected representatives are Mr. Hughes and Mr. Williamson.

STANDING COMMITTEES FOR 1963-64

President Clement called attention to the fact that standing committees of the Board are usually appointed by its President shortly after the March meeting. He stated that he had deferred making appointments for 1963-64 in anticipation that the vacancy on the Board, vice Judge Richard A. Harewood, would soon be filled so that the new Trustee could be included in committee assignments. He further stated that he would make the appointments in the near future after consultation with Trustees concerning their preferences.

USE OF UNIVERSITY FACILITIES FOR ADDRESSES BY CANDIDATES FOR PUBLIC OFFICE

President Clement requested the Committee on General Policy to review the University's current policy governing the use of campus facilities by candidates for election to public office to determine if the policy should be revised and to make a recommendation to the Board.

EXECUTIVE SESSION

President Clement announced that an executive session has been requested, and was being ordered, for consideration of reports and recommendations relating to property acquisitions and certain faculty appointments, and that this session would be held following a recess.

On motion of Mrs. Watkins, the Board recessed at 12:00 noon.

The Board reconvened at 1:30 p.m., and the same members and officers of the Board were present at the executive session as recorded at the beginning of these minutes, with the exception of Mr. Ray Page and Mr. R. R. Manchester, who asked to be excused; the same officers of the University were present as recorded at the beginning of these minutes with the exception of Mr. George H. Bargh, Mr. Fred H.

Turner, and Mr. Paul R. Shaffer. The Board considered the following recommendations for land acquisitions.

PURCHASE OF PROPERTY AT 1307 WEST MAIN STREET, URBANA

(1) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the property at 1307 West Main Street, Urbana, Illinois, at a price of \$29,000, required as part of the site for construction of the new Civil Engineering Building.

The property consists of a lot 66 feet by 132 feet (8,712 square feet) and is improved with a two-story and basement frame dwelling.

The Committee on Buildings and Grounds has been consulted regarding this purchase and recommends approval.

Funds are available in the state capital appropriations to the University from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Swain, the purchase of this property, at the price recommended, was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Page.

**ACQUISITION OF PROPERTY AT 208 NORTH
ROMINE STREET, URBANA**

(2) Representatives of the University have been negotiating for the purchase of the property at 208 North Romine Street, Urbana, Illinois, required as a part of the site for construction of the new Civil Engineering Building.

The property consists of a lot 66 feet by 66 feet (4,356 square feet) and is improved with a two-story and basement frame dwelling.

A price of \$25,000, based on appraisals secured by the University, was suggested to the owner who was advised that if the price is agreed to, a recommendation would be made to the Board of Trustees for purchase of the property. The price is not acceptable to the owner, whose asking price remains substantially in excess of the highest University appraisal.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees exercise its power to acquire the property by eminent domain and authorize condemnation proceedings for its acquisition.

Funds are available in the state capital appropriations to the University from the Universities Building Fund and have been released.

I concur and recommend adoption of the following resolution.

**Resolution Authorizing Condemnation of Property at
208 North Romine Street, Urbana, Illinois**

Be It, and It Is Hereby Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

The North one-half ($\frac{1}{2}$) of Lot Five (5) In Block Fifty-one (51) of the Seminary Addition to Urbana, situated in the City of Urbana, in the County of Champaign, in the State of Illinois

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, for a site for a Civil Engineering Building and for related educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use; that funds have been appropriated by the General Assembly of the State of Illinois for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owners of said land through their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said

owner has refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owners of said property and they and it are unable to agree upon the purchase price to be paid to said owners for the sale and conveyance of said land by said owners thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owners thereof for such land cannot be agreed upon between them and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owners thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by this Board of Trustees of The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Johnston, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Page.

APPOINTMENTS TO THE ACADEMIC STAFF

President Clement recalled to the attention of the Board suggestions which have been made and discussed at meetings of Board committees that special consideration be given to appointments to the faculty and permanent tenure positions of qualified Negroes. He stated that he will appoint a special committee to consider the matter in consultation with appropriate University officers.

On motion of Mr. Johnston, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

May 15, 1963

The May meeting of the Board of Trustees of the University of Illinois was held in Chicago, Illinois, on Wednesday, May 15, 1963, in two sessions: in the Chicago Illini Union Building at the Medical Center, beginning at 11:00 a.m.; and in the LaSalle Hotel, beginning at 7:30 p.m. The evening session was scheduled for the award of contracts for the construction of Congress Circle and was held in the LaSalle Hotel for the convenience of the public and particularly representatives of contractors and others interested in the Congress Circle projects.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Earl M. Hughes, Mr. Ray Page, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Mr. Wayne A. Johnston and Governor Otto Kerner were absent. Mr. Johnston joined the meeting for the evening session and Mr. Page asked to be excused following the recess at the conclusion of the forenoon session.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Vice-President Norman A. Parker of the Chicago Undergraduate Division, Vice-President Joseph S. Begando of the University of Illinois at the Medical Center, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. Donald C. Neville and Mr. Edward S. Sefcik, Assistants to the Director of the Physical Plant; and the officers of the Board, Mr. R. R. Manchester, Treasurer, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY
The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

(1) The Committee on Accountancy recommends that the certificate of Certified Public Accountant be awarded, under Section 5 of the Accountancy Act of 1943, as amended, to the following candidates who have presented evidence that they are holders of valid and unrevoked Certified Public Accountant certificates obtained by passing a standard written examination in another state or territory of the United States and who qualify in all other respects under this provision of the law:

APPOINTMENTS TO THE FACULTY

(4) The following new appointments to the faculty of the rank of Assistant Professor and above, and involving tenure, have been approved since the previous meeting of the Board of Trustees.

1. CLARENCE C. LEVERENZ, Director of Union and Housing, in the Physical Plant Department, Medical Center Campus, beginning May 16, 1963, at an annual salary of \$10,700 (DY).
2. ELBERT EUGENE OLIVER, Associate Dean of Admissions and Records, for two years beginning September 1, 1963, with rank of Associate Professor on indefinite tenure, at an annual salary of \$15,000 (BY, AY).
3. KAMAL NATH SHARMA, Visiting Research Assistant Professor of Psychology and of Physiology, beginning May 1, 1963, at an annual salary of \$8,940 (DY).
4. ANTONIO TOVAR, Professor of the Classics, beginning September 1, 1963, at an annual salary of \$13,500 (A).
5. HERBERT C. QUAY, Associate Professor of Psychology and Special Education, on indefinite tenure, and Research Director of the Children's Research Center, from September 1, 1963, at an annual salary of \$16,500 (AY, BY).

On motion of Mr. Pogue, these appointments were confirmed.

HEADSHIP OF THE DEPARTMENT OF MICROBIOLOGY

(5) The Dean of the College of Liberal Arts and Sciences recommends the appointment of Dr. L. Leon Campbell as Professor of Microbiology on indefinite tenure and Head of the Department of Microbiology beginning September 1, 1963, to succeed Professor Kimball C. Atwood who has asked to be relieved of his administrative responsibilities to devote full time to teaching and research. The salary of this position will be determined when the budget for 1963-64 is submitted to the Board of Trustees for approval.

This recommendation is submitted after consultation with all members of the Department of Microbiology and is supported by the Executive Committee of the School of Life Sciences, the Dean of the Graduate College, and the Executive Vice-President and Provost.

I recommend approval.

On motion of Mr. Hughes, this appointment was approved.

DEPARTMENT OF INDUSTRIAL ADMINISTRATION

(6) After consultation with the members of the two departments concerned, and with the concurrence of the Executive Committee of the College, the Dean of the College of Commerce and Business Administration recommends that the Department of Management and the Department of Business Law be merged into a single Department of Industrial Administration which will more nearly meet the requirements of present day education for business. The present Acting Head of the Department of Management, Professor Irvin L. Heckmann, is leaving the University to become Dean of the College of Business Administration at Creighton

University, and Professor Kenneth U. Flood, Acting Head of the Department of Business Law, has asked to be relieved of his administrative assignment to devote full time to teaching and research.

The Dean also recommends the appointment of Dr. E. Joe DeMaris, Associate Professor of Accountancy, as Head of the Department of Industrial Administration for two years from September 1, 1963. The salary of this position will be determined when the budget for 1963-64 is presented to the Board of Trustees for approval.

The Executive Vice-President and Provost and the Dean of the Graduate College concur in these proposals.

I recommend approval.

On motion of Mr. Swain, these recommendations were approved.

DEANSHIP OF COLLEGE OF LIBERAL ARTS AND SCIENCES CHICAGO UNDERGRADUATE DIVISION

(7) The Vice-President for the Chicago Undergraduate Division recommends the appointment of Dr. Glenn Terrell, Jr., presently Professor of Psychology and Associate Dean of Arts and Sciences at the University of Colorado, as Professor of Psychology on indefinite tenure and Dean of the College of Liberal Arts and Sciences at the Chicago Undergraduate Division for two years, beginning September 1, 1963, at an annual salary of \$21,000 on a twelve-month service basis.

This appointment is within the new organizational framework of the University of Illinois at Congress Circle as previously authorized by the Board of Trustees. The recommendation is submitted after consultation with the Academic Advisory Council at the Chicago Undergraduate Division and the Dean of the College of Liberal Arts and Sciences at Urbana, and is concurred in by the Dean of the Graduate College and the Executive Vice-President and Provost.

I recommend approval.

On motion of Mrs. Watkins, this appointment was approved.

CERTIFICATE OF ADVANCED STUDY IN LIBRARIANSHIP

(8) The Urbana-Champaign Senate recommends authorization of a proposal from the Graduate School of Library Science approved by the Executive Committee of the Graduate College to grant a Certificate of Advanced Study in Librarianship for those persons who wish to take specialized courses in librarianship beyond the master's degree but are not seeking a doctor's degree.

The requirements are: (1) a master's degree from an accredited library school; (2) successful completion of at least two years' work in a library subsequent to receiving the master's degree; and (3) completion of eight units of graduate courses at the University of Illinois at least half of which shall be in the Graduate School of Library Science with grades meeting the Graduate College standards.

The Senate Coordinating Council has advised that no other Senate jurisdiction is involved.

I concur, subject to further action by the Board of Higher Education.

On motion of Mr. Swain, this recommendation was approved.

SUMMER SPEECH CLINICS

(9) The Director of the Division of Services for Crippled Children and the Vice-President of the Medical Center Campus recommend, and I concur, that the Division be authorized to continue speech clinics during the summer of 1963 at the following institutions of higher education in Illinois on a reimbursable cost basis:

	<i>Estimated Cost</i>
Augustana College, Rock Island.....	\$ 9 585 00
Northern Illinois University, DeKalb.....	12 265 00
Southern Illinois University, Carbondale.....	11 215 00
Illinois State Normal University, Normal.....	11 576 66
	\$44 641 66
A similar clinic at the University of Illinois at Urbana.....	\$14 305 00

Funds are available in the budget of the Division of Services for Crippled Children.

On motion of Mr. Williamson, authority was given as requested.

UNITED STUDENT AID FUNDS, INCORPORATED

(10) United Student Aid Funds, Incorporated (USAF) is a private non-profit corporation established to assist needy students at institutions of higher education to obtain low-cost loans from local banks. It raises, holds, and invests reserve funds which are used to match institutional funds to underwrite these bank loans. Its national center endorses the loans; it serves other agencies interested in endorsing student loans, both private and public in character; and it offers consulting services at no cost to banks, foundations, and others interested in providing low-cost student loans.

Under the plan, the first \$1,000 deposited by an educational institution for this purpose is matched by USAF in an equal amount, and the total is placed in its reserve fund. Based upon this reserve of \$2,000, the sum of \$25,000 in student loans may be obtained by eligible students from local banks at a 6 per cent simple interest rate, such loans being endorsed by USAF. Deposits placed in the reserve by the educational institution in addition to the original \$1,000 may be matched in whole or in part, and the aggregate sum creates a reserve for endorsed loans of twelve and one-half times the reserve. At any time that a deposit by an educational institution is not being used for guaranteeing loans, it may be withdrawn from USAF upon thirty days' notice.

The educational institution has no responsibilities or obligations in making or collecting the loans other than to certify that the student is enrolled and is in good academic standing, and to report any change in his status. The responsibilities of making, recording, and collecting the loan are assumed by the lending bank. USAF receives grants from foundations, industrial corporations, and other sources, which make it possible to match contributions by educational institutions in whole or in part. At the present time USAF has several hundred thousand dollars which have been earmarked for this purpose. All contributions by educational institutions in excess of the basic \$1,000 (which is matched dollar for dollar) will be matched to some degree if made prior to May 31, 1963. USAF advises that the Illinois Bankers Association has indicated that it will recommend to its member banks that they participate in this program.

It is proposed that on a trial basis an initial deposit of \$2,000 be made, which, if matched dollar for dollar, would make possible the endorsement of loans totaling \$50,000. The University of Illinois has no funds which it may use for this purpose. However, the Board of Directors of the University of Illinois Foundation has allocated \$2,000 from uncommitted gifts for this purpose, and the allocation may be increased to \$5,000 or more if the program works out satisfactorily. It will make available very substantial sums for student loans under conditions which can not be met by funds presently available to the University of Illinois or the University Foundation.

The University must, however, be a party to setting up this program of student loans, and it is recommended that the Board of Trustees authorize execution of a contract with United Student Aid Funds, Incorporated, to deposit up to \$5,000 of funds allocated by the University of Illinois Foundation for this purpose.

On motion of Mr. Swain, this recommendation was approved.

The work will include furnishing and installation of equipment and supply systems to air condition the lounge, dining room, recreation room, offices, and kitchen areas.

It is further recommended that all contracts other than the contract for heating, refrigeration, and temperature controls be assigned to the contractor for that work, making the total of his contract price \$81,321; and that an agreement be entered into with the National Korectaite Company for the assignment of these other contracts for \$1,231, which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the contractor for heating, refrigeration, and temperature controls.

Funds are available in the Operation and Maintenance account of the University of Illinois Colleges of Dentistry, Medicine, and Pharmacy Revenue Bonds, Series of 1951, which were issued to finance Chicago housing projects and remodeling of the second unit of the Dentistry-Medicine-Pharmacy Building.

A schedule of all bids received is submitted herewith and a copy is being filed with the Secretary of the Board for record.

I concur.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Johnston, Mr. Kerner.

LEASE WITH CHICAGO CHAPTER, AMERICAN RED CROSS, FOR DIVISION OF SERVICES FOR CRIPPLED CHILDREN, CHICAGO OFFICE

(15) The Chicago Office of the Division of Services for Crippled Children has occupied 4,700 square feet of space in the State of Illinois Building at 160 North LaSalle Street, Chicago, Illinois, since July 1, 1951. Due to additional space needs of the State Department of Finance, the Division has been requested to vacate the building. Sufficient space is not available in University facilities, so it is necessary to lease in a commercial building.

Suitable space consisting of 4,800 square feet has been located in the building of the Chicago Chapter, American Red Cross, at 43 East Ohio Street, Chicago, Illinois. The lessor agrees to pay for the necessary remodeling and to furnish heat, water, air conditioning, decorating, and janitor service for a rental charge of \$4.25 per square foot per year, or an annual charge of \$20,400. This rate is reasonable considering the location and standard of quality of the quarters.

For the period July 1, 1951, through June 30, 1955, the Division made a rental payment to the state of Illinois of \$12,900 per year. Subsequently, the state appropriations to the Division for contractual services were decreased by that amount and the Division has occupied the space rent free.

The Director of the Division of Services for Crippled Children, the Vice-President at the Medical Center, and the Vice-President and Comptroller recommend authorization of a lease with the Chicago Chapter, American Red Cross, for space at an annual rental of \$20,400 for the period July 1, 1963, through June 30, 1965, with the option to renew for two successive two-year periods from July 1, 1965, to June 30, 1969; with the lessor having the right to increase rent for the period July 1, 1967, to June 30, 1969, if the operating expenses of the building should increase, such increase in rent to be limited to 4.8 per cent of the total increase in operating costs of the building.

I concur.

On motion of Mr. Swain, this lease was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Johnston, Mr. Kerner.

**ANNEXATION OF LAND BY THE URBANA AND CHAMPAIGN
SANITARY DISTRICT**

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of annexation of the following described area of University property by the Urbana and Champaign Sanitary District:

The South 264 feet of the area bounded by Florida Avenue, First Street, St. Mary's Road, and the Illinois Central Railroad;
All University-owned land between First Street and the Illinois Central Railroad, south of St. Mary's Road and north of the south line of Section 24 R8E (Shapland Road extended).

The area to be annexed includes the site of the proposed Firemanship Training College and the Mental Health Center. The University is requesting legislation to transfer the Mental Health Center site to the State Department of Mental Health, which concurs in the proposed annexation. Annexation is necessary to provide for the treatment of sewage from these sources. A plat of the area including the legal description is being filed with the Secretary of the Board for record as part of this recommendation.

I recommend that the Secretary and the Comptroller be authorized to execute the petition and any other documents necessary to effect the annexation, subject to approval of the Legal Counsel.

On motion of Mr. Swain, this annexation was approved by the fol-

lowing vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Page, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Johnston, Mr. Kerner.

EMPLOYMENT OF ARCHITECTS AND ENGINEERS

(17) The Director of the Physical Plant and the Vice-President and Comptroller recommend employment of architectural and engineering firms for the projects and on the terms as indicated below.

Berger-Kelley-Unteed and Associates, Champaign, Illinois, on Mathematics Office Building, at a fee of 6 per cent of the amount of the construction contracts, work to include preliminary planning, working drawings, specifications, and supervision of construction.

Frazier, Raftery, Orr, and Fairbank, Geneva, Illinois, on restoration of Hull House Mansion and Dining Room, at a fee of actual cost of authorized renderings and actual cost of professional personnel employed on a time card basis, plus 150 per cent of time card representing overhead and commission, work to include development of exploratory designs and renderings, working drawings, specifications, and supervision of construction. The University will have the right to limit the work to development of exploratory designs and renderings at a cost not to exceed \$1,500.

Waldron Associates, Inc., Haddonfield, New Jersey, on critical path scheduling services for Congress Circle Campus, at fees as follows:

Conducting a three-day contractor-University workshop, \$1,800.

Consulting services at a per diem of \$200, plus travel costs to develop a skeleton network, a multiproject control system and integration with monthly progress reports and accounting payments, a transfer network (moving of equipment, library, etc., to new facilities), and updating for two monthly periods.

Funds are available in the state capital appropriations to the University from the Universities Building Fund, subject to release by the Governor on the two Congress Circle projects; funds for the Mathematics Office Building have already been released.

I concur.

On motion of Mr. Pogue, these recommendations were approved.

CONTRACT FOR MECHANICAL AND ELECTRICAL ENGINEERING SERVICES

(18) By authority of the Board, the consulting engineering firm of Brown, Manthei, Davis, and Mullins, Champaign, has been employed by the University for incidental mechanical and electrical engineering services to the Physical Plant Department in planning new construction and remodeling work on a standing contract through which change orders have been issued for specific assignments, mostly small jobs best handled by a local firm.

The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of a new contract with Brown, Manthei, Davis, and Mullins for consulting services for a period of two years beginning July 1, 1963, on the same terms and conditions as in previous contracts: a rate of \$7.50 per hour for the time of the four partners, services of other personnel to be billed at actual hourly standard rates paid by the firm, plus 100 per cent for overhead costs and commission.

The cost of this consulting service will be charged against construction budgets of projects for which the firm is employed.

I concur.

On motion of Mr. Hughes, this recommendation was approved.

PURCHASES

(19) The Director of Purchases has proposed and the Vice-President and Comptroller recommends the following purchases. Unless otherwise specified, the purchase in each case is recommended on the basis of lowest acceptable bid.

The recommendations are presented in two categories: purchases from

Appropriated Funds (i.e., from state appropriations to the University), and purchases from Institutional Funds. The latter term is used here to designate funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, from foundation grants and grants from corporations and other donors, and University revolving funds authorized by law.

QUARTERLY REPORT OF THE COMPTROLLER

(21) The Comptroller presented his quarterly report to the Board as of March 31, 1963.

This report was received for record, and a copy has been filed with the Secretary of the Board.

EMPLOYMENT OF AUDITORS

(22) Mr. Williamson, for the Finance Committee, presented the following recommendation and moved its approval.

The firm of Lybrand, Ross Brothers, and Montgomery was employed to audit the accounts of the University of Illinois for the year ended June 30, 1961, with the understanding that the firm would be employed for additional years, subject to annual review. The Board retained the firm for the audit for the year ended June 30, 1962.

The services of Lybrand, Ross Brothers, and Montgomery have been very satisfactory. The firm proposes to complete the audit for the year ending June 30, 1963, at the prevailing hourly rates for college and university audits, plus cash expenses, with the understanding that the aggregate charges will not exceed the following amounts, which are the same as were approved for the audit for the preceding year:

University of Illinois, including reports on revenue bond funds.....	\$22 300
University Retirement System of Illinois.....	2 200
University of Illinois Alumni Association.....	600
University of Illinois Athletic Association, including Retirement System..	1 000
University of Illinois Foundation.....	1 500

In accordance with the usual practice, the auditing firm will submit its reports jointly to the Board of Trustees and to the Auditor General. The firm of Lybrand, Ross Brothers, and Montgomery is acceptable to the Auditor General.

The Finance Committee recommends the employment of Lybrand, Ross Brothers, and Montgomery for the audit of University accounts for the fiscal year ending June 30, 1963.

This recommendation was approved without dissent.

ACTION BY AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS

(23) President Henry presented the following report:

For the information of the Board of Trustees, I report the receipt of the following letter dated April 30, 1963, addressed to me by the General Secretary of the American Association of University Professors, confirming an earlier telegram:

The Forty-Ninth Annual Meeting of the American Association of University Professors today voted censure upon the administration of the University of Illinois, Urbana, Illinois, by approval of a Committee A recommendation which reads:

On April 7, 1960, President David D. Henry of the University of Illinois wrote a letter concurring in the recommendation of the Executive Committee of the College of Art and Sciences that Professor Leo F. Koch be suspended immediately from his academic duties. President Henry's letter also said: "His appointment will terminate at the end of the current academic year." Professor Koch was under contract through August of 1961.

Subsequently, in accord with normal academic due process, Professor Koch was given a hearing before a standing committee of the faculty Senate. That hearing group found that Professor Koch had committed a breach of academic responsibility but also held that the University administration had failed to use proper procedures and thereby lessened the teacher's power to make a proper defense. The Senate committee recommended that Professor Koch be reprimanded, that the Statutes of the University be revised, and that the University make clear that the expression of views by a faculty member which might be contrary to prevailing opinion in the community is not a violation of academic responsibility.

The Board of Trustees held a hearing on the case on June 14, 1960, and dismissed the teacher.

Committee A concludes that the prejudgment embodied in the President's letter, the failure of the Board of Trustees, without adequate declared reason, to support the unanimous recommendation of the Senate committee and, most important, the imposition of the drastic sanction of discharge for Professor Koch's public expression of opinion constitute violations of academic due process and academic freedom.

Committee A recommends that the University of Illinois be placed upon the Association's list of Censured Administrations.

While I do not feel that a full response to the Association's communication is in order at this time because there is still pending before the courts of this state litigation instituted by Mr. Koch, I take this occasion to comment on the issues cited in the AAUP action and to correct certain statements appearing therein. All of the materials upon which the following statements are based were before Committee A of the AAUP and were authorized by the University for distribution to the AAUP convention delegates.

A. REFERENCES TO REPORT OF THE URBANA SENATE COMMITTEE ON ACADEMIC FREEDOM

The Committee A recommendation adopted by the Association and quoted above states that the Urbana Senate Committee on Academic Freedom, after finding that Mr. Koch had committed a breach of academic responsibility, (1) held that the University "had failed to use proper procedures and thereby lessened the teacher's power to make a proper defense"; (2) recommended that Mr. Koch be reprimanded; (3) recommended that the Statutes of the University be revised; and (4) recommended that the University state that "expression of views by a faculty member which might be contrary to prevailing opinion in the community" does not constitute a violation of academic responsibility.

(1) *The procedural issues raised by the Senate Committee.* The Urbana Senate Committee on Academic Freedom did state in its report dated May 13, 1960, that the actions of the administrative officers of the University were regarded as being in some respects "contrary to the standards of proper procedure in dismissal cases." However, conformity with the dismissal procedures established in the University Statutes was questioned only on the point of my informing Mr. Koch in the April 7, 1960, letter that his contract would be terminated, when the power to discharge was reserved to the Board of Trustees in the University Statutes.

It is important to note that at no time in the proceedings did Mr. Koch or his attorneys assert they were being denied a full opportunity to present all of his defenses. Even the AAUP communication acknowledges that "Subsequently, in accord with normal academic due process, Professor Koch was given a hearing before a standing committee of the faculty Senate" and "The Board of Trustees held a hearing on the case on June 14, 1960. . . ."

The Senate Committee's suggestion that Mr. Koch could be subject to prejudice in the final outcome of his case by certain procedural steps was directed mainly to the wording of my April 7, 1960, letter and its public release and the lack of a formal hearing prior to suspension.

It is clear, as noted above, that the letter did not in any way diminish Mr. Koch's powers to present a defense, nor did it in fact compromise his position before the Board of Trustees. Both in the Board's Findings and Conclusions entered on June 14, 1960, in the Koch proceedings, and in the later September 21, 1960, report of the Board's Committee on General Policy in response to an Open Letter from certain members of the faculty, the Board of Trustees found that the exceptional circumstances existing in the Koch situation justified the public statement of charges in advance of hearing and that such public release and the language of my April 7, 1960, letter did not operate to his prejudice in the Board's consideration of his case. You will recall that your findings in the Koch matter on June 14, 1960, included the following:

30. This Board of Trustees further finds that the action of the President of the University in releasing to the public press on April 7, 1960, the press release . . . was rendered desirable, appropriate, and proper in view of the publicity which Assistant Professor Koch's above mentioned letter to *The Daily Illini* and its publication in that newspaper had received . . . and this Board of Trustees further finds that the making of said release to the public press did not violate or infringe upon Assistant Professor Koch's academic freedom or operate to his prejudice in the consideration and disposition which this Board of Trustees is making of the charges preferred against Assistant Professor Koch by the President of the University and the recommendation submitted by the latter to this Board of Trustees that action be taken by it terminating Assistant Professor Koch's appointment at and employment by the University on August 31, 1960.

Whether the April 7, 1960, letter was framed in terms of "dismissal" or "recommendation for dismissal" was of no real significance in this case. Further, once it was decided that charges should be submitted to the Board of Trustees, their ultimate publicity was inescapable, as was the necessity of a Board decision on the gravity of Mr. Koch's action.

As to the lack of a formal hearing before suspension, Mr. Koch did not ask for one even though his department head informed him of the seriousness of his action nor did he at any time contend that the facts upon which suspension was made were in dispute.

(2) *The Senate Committee's recommendation for reprimand.* The telegram correctly states the Senate Committee's unanimous recommendation that Koch be reprimanded. My comments on this point are contained in Part B below.

(3) *Revision of University Statutes.* The Senate Committee's recommendation that the University Statutes on academic freedom be amended is in the process of implementation. On March 29, 1963, the Senate Coordinating Council forwarded to me its recommendations for amendments to these sections of the University Statutes, which include, among other proposals, modifications of existing hearing procedures. Informational copies of the recommendations were transmitted to AAUP under date of April 9, 1963. Pursuant to our existing Statutes I have referred these Council recommendations to the Senates at the three campuses so that each may express whatever objections it wishes to record. In the near future I will present to you for your consideration these proposed statutory amendments, any objections which may be recorded by a Senate, and my recommendations for action.

(4) *Senate Committee's request for clarification of academic responsibility.* As to the Senate Committee's recommendation for the University to indicate that "expression of views by a faculty member which might be contrary to prevailing opinion in the community" does not violate academic responsibility, the June 14, 1960, Findings and Conclusions of the Board in the Koch proceeding, and the September 21, 1960, report of the Board's Committee on General Policy, make it abundantly clear the Board recognizes that the limits of academic freedom can not be defined by the test of conformity or nonconformity between views expressed by a member of the University's faculty and views, beliefs, and standards commonly accepted. The Board stated its position that any *responsible* expression of views by the faculty, even though unpopular and, possibly, untenable, is in order. Guide lines for "responsible expression" were there indicated by the Board of Trustees but it cautioned that they did not include "incitement to, or condonation or encouragement of subversion, fraud or immoral conduct, and that the application of this exception is a matter of judgment under established procedures."

B. CONCLUSIONS OF AAUP AND ITS COMMITTEE A

The conclusions of the AAUP, as expressed in the approved recommendation of its Committee A, were that "academic" due process and academic freedom were violated by (1) "the prejudgment embodied in the President's letter, (2) the failure of the Board of Trustees, without adequate declared reason, to support the unanimous recommendation of the Senate Committee and, (3) most important, the imposition of the drastic sanction of discharge for Professor Koch's public expression of opinion."

(1) *The prejudgment issue.* I have previously commented on the fact that the wording and publicity of the charges was not and could not have been the central "academic due process" question. My April 7, 1960, letter was recognized and treated by Mr. Koch, his counsel, and the Board of Trustees as a preferment of charges and a recommendation for his dismissal. There was never any dispute as to the basic facts in the Koch matter. He freely admitted (even stipulated) that he wrote the letter to *The Daily Illini*, that he signed it as "Assistant Professor of Biology," and that he desired the same published in that newspaper, the subscribers and readers of which were primarily, though not exclusively, University students and faculty members and townspeople of Champaign-Urbana.

Under our present Statutes the President alone has the duty and responsibility for preferring charges against a member of the faculty. Once the decision is made to prefer charges and recommend discipline, there is an element of "prejudgment" by the President in the sense that he has exercised and announced his

decision on the facts before him in advance of the hearings before the Senate Committee on Academic Freedom and the Board of Trustees, to which the faculty member is entitled. This type of prejudgment exists in every disciplinary case, regardless of the language used in framing the charges or recommendations.

If, as the AAUP seems to say, any prejudgment constitutes a violation of "academic" due process and academic freedom, it would be impossible to prefer charges in any case, even when there are undisputed or admitted facts which demonstrate that a faculty member has committed an offense involving the most repugnant kind of moral turpitude.

The AAUP's conclusion as to prejudgment can not be explained in terms of the effect of the wording of my April 7, 1960, letter on the Board of Trustees at the time it held its hearing and reached its decision in the Koch matter. The Board's Findings and Conclusions are unequivocal on the point that my letter was being treated as a specification of charges and a recommendation for dismissal. The Board explicitly found that the charges and their publicity did not operate to prejudice Mr. Koch before them. Surely the AAUP's conclusion on prejudgment can not and should not be read as saying that the Trustees were not being honorable and truthful in making these statements. Even Mr. Koch's counsel in his arguments before the Board stated:

President Henry has referred this matter to you, and I know you have come here with open minds, to listen to the evidence that you have gotten in the stipulation, to listen to whatever arguments we have brought to you, and to make your decision earnestly and fairly.

I also note that the Senate Committee on Academic Freedom was not so prejudiced or influenced by my purported "prejudgment" that it regarded itself bound to support my recommendation for dismissal as the appropriate sanction for the academic irresponsibility it found inherent in Mr. Koch's activities.

Nor can the AAUP's conclusion on the prejudgment issue be related to the warning in the Urbana Senate Committee's report, rendered after affording a hearing to Mr. Koch, that the letter and its publicity "may well have prejudiced the final outcome of his (Koch's) case." That Senate Committee report (May 13, 1960) with its warning was a part of the record before the Board (June 14, 1960) when it reached its decision and specifically denied the fact of such prejudice in the final outcome of his (Koch's) case.

(2) *The Board's failure to adopt the Senate Committee recommendation for reprimand.* The AAUP Committee concluded that a violation of academic due process and academic freedom occurred by reason of "the failure of the Board of Trustees, without adequate declared reason, to support the unanimous recommendation of the Senate Committee." In both the Findings and Conclusions in the Koch proceeding and the September 21, 1960, report of the General Policy Committee it is acknowledged that the recommendations and judgment of the members of the Executive Committee of the College of Liberal Arts and Sciences, the Urbana Senate Committee on Academic Freedom, and the President of the University were taken into consideration by the Board and substantial weight was attached to them. The September 21, 1960, report of the Board's General Policy Committee (adopted and approved by the entire Board) contains the following passage:

Having concluded that Dr. Koch was guilty of conduct constituting a grave breach of his academic responsibility and duty which was clearly prejudicial to the best interests of the University, it became incumbent upon us to decide whether the action to be taken by us concerning him should be that recommended by the members of the Senate Committee on Academic Freedom, that recommended by the Executive Committee of the faculty and the Dean of the College and the President of the University, or some other action. In considering that question we were not unmindful of the recommendation of the Senate Committee on Academic Freedom and the reasons which prompted it, of considerations of academic freedom and constitutional guarantees of freedom of speech, of Dr. Koch's interest, or of the reputation and welfare of the University. Each and all of these considerations weighed heavily upon us. We deemed ourselves to be under the duty and obligation to accord, and gave the most thoughtful and conscientious consideration to them. By virtue of the public office we hold, we are charged with the responsibility,

are under the sworn duty, and are vested with the final authority to decide what action should be taken in such matters. That responsibility and that duty is owed to the University's faculty, its students, their parents, the University itself, the citizens of the State of Illinois who support and maintain the University, and those who represent them in the General Assembly. We must exercise that authority in accordance with what we are convinced is in the best interests of all of them and can not abdicate it and transfer it to any group however important and however vitally interested it may be in the proper exercise of it. It was then, and still is our considered and conscientious judgment that Dr. Koch's breach of his academic and professional responsibility was "so flagrant and serious, and has been so clearly prejudicial to the best interests of the University" that it could be "properly met and dealt with only by terminating his appointment at and contract with the University," much though we regretted the necessity of taking that action.

The foregoing and the portion of Conclusion 1 of the Board's Findings and Conclusions quoted under (3) below are clearly "adequate declared reason(s)" why the Board did not support the unanimous recommendation of the Urbana Senate Committee, and these reasons remain as compelling today as they were at that time of the Board's pronouncements in 1960.

(3) *The Board's sanction of discharge.* The AAUP has further concluded that there was a violation of academic due process and academic freedom because of "the imposition of the drastic sanction of discharge for Professor Koch's public expression of opinion," and this conclusion is characterized as "most important." The Board's concern with and consideration of the sanction it decided to impose is reflected by the above quoted portion of the report of the General Policy Committee and also by the following excerpt from Conclusion 1 of the Findings and Conclusions adopted and entered by the Board on June 14, 1960, in the Koch proceeding:

We do not condemn Assistant Professor Koch's actions in issue here merely because he expressed in his letter views contrary to commonly accepted beliefs and standards. We condemn it because of the manner in which he expressed those views in his letter. We do not consider that letter as a "responsible" and proper expression of the views stated in it. This judgment upon our part is confirmed by the unanimous judgment of the members of the Executive Committee of the College of Liberal Arts and Sciences, including the Dean of that College, the members of the University Senate Committee on Academic Freedom, at the Urbana-Champaign campus of the University, and the President of the University. We reiterate here what we have said in our foregoing findings and conclusions as constituting the reasons why we have concluded that Assistant Professor Koch's action in writing and securing the publication of his letter in *The Daily Illini* exceeded the limits of the protection afforded him by his academic freedom.

We appreciate and commend the careful and conscientious consideration given by the members of the Senate Committee on Academic Freedom to Assistant Professor Koch's claim that the disciplinary action taken and recommended against him by the President of the University would violate his academic freedom. As we have just stated their appraisal of his letter to *The Daily Illini* accords with ours. As they concede in their Report, once it has been determined that Assistant Professor Koch's actions are not protected by his academic freedom, the question of what action should be taken against him because of his breach of his academic and professional responsibility and duty to the University is one which we have the responsibility, duty, and authority to determine. In our considered judgment that breach of his academic and professional responsibility, and of his duty to the University, was so flagrant and serious, and has been so clearly prejudicial to the best interests of the University, that, notwithstanding the recommendation of the Senate Committee on Academic Freedom that the action taken against him for it be limited to reprimand and not extend to discharge, we are convinced that it can be properly met and dealt with only by terminating his appointment at and contract with the University in accordance with the recommendation of the President of the University, much though we regret the necessity, resulting from his own irresponsible and improper conduct, of taking such drastic, but proper and essential, action against him.

C. CONCLUDING OBSERVATIONS

From the public discussion of the Koch case and the references to "academic due process" in the action of the AAUP, some have inferred that Mr. Koch was dismissed without a hearing. In accord with the Statutes of the University of Illinois, Mr. Koch had formal hearings before the Senate Committee on Academic Freedom and before the Board of Trustees; further, these hearings were preceded by conferences between Mr. Koch and his department head and by a review of his case by the faculty-elected Executive Committee of the College of Liberal Arts and Sciences. These points are repeated so that it will be clear to all concerned that Mr. Koch was given hearings, and that the appraisal of his case was not precipitous but stretched over several months.

I want there to be no doubt, within the academic community as well as before the public, that as President of the University of Illinois, I share the concern that the tradition for academic freedom at this University should at no time be impaired to the slightest degree. The Statutes of the University and the University's long history of intellectual freedom speak for themselves. Here, and in other authoritative expressions on the subject, however, academic freedom is not dissociated from academic responsibility. The teacher has responsibilities to his students and to the University. It is a distortion of academic freedom to stretch its application to the Koch case. What may be regarded as incitement to or condonation of immoral conduct can not be treated merely as the presentation of an unorthodox point of view or an intellectual exercise in social criticism. The encouragement of youth to violate the usually accepted moral code and the laws pertaining to that code undermines the very concept of academic freedom.

I fully subscribe to the position which has been unequivocally stated by the Board of Trustees in its action of June 14, 1960:

We subscribe to and intend to maintain these principles (of academic freedom) unimpaired. We recognize that the limits of academic freedom can not be defined by the test of conformity or non-conformity between views expressed by a member of the University's faculty and views, beliefs, and standards generally and commonly entertained and accepted. We believe that any responsible expression of views by members of the faculty, even though unpopular and even, possibly, untenable, is in order. In determining what is "responsible expression," we accept the guidelines set down in the statutory references cited above (Statutes of the University) and the 1940 Joint Statement of Principles on Academic Freedom and Tenure.

In the foregoing report and observations on the action of the AAUP, restricted as they are to an analysis of that organization's view of facts surrounding the Koch proceeding and its conclusions thereon in terms of "academic due process and academic freedom," I have attempted to avoid commenting on the issues presented in the litigation being pursued by Mr. Koch against the University. Mr. Koch is now in the process of seeking review by the Supreme Court of Illinois of the January 22, 1963, decision of the Appellate Court of Illinois in favor of the University. A decision of the Supreme Court of Illinois on whether or not Mr. Koch may take such an appeal is anticipated later this year.

On motion of Mrs. Watkins, the Board accepted the foregoing report; there were no dissenting votes.

Mr. Clement read the following letter received by members of the Board of Trustees from two members of the University faculty transmitting a copy of a letter addressed to the President of the University and signed by twenty-six members of the faculty, which he also read to the Board.

*To the Members of the Board of Trustees
of the University of Illinois*

The signed original of the accompanying letter has been sent to President David D. Henry. We feel that each of you will want to know of its existence and the support it indicates.

We believe that a large number of faculty members on the Urbana campus feel as we do. Although several who saw the letter suggested the names of others they thought would want to participate in this expression, we deliberately refrained from any effort to obtain a long list of names. It is our feeling that this expression by a limited number of faculty members who are well known in academic circles and throughout the state is sufficient to indicate that the American Association of University Professors does not speak for the entire faculty.

President David Dodds Henry
355 Administration Building (W)

DEAR PRESIDENT HENRY:

The recent actions of the local chapter of the American Association of University Professors and the censure resolution of the national organization indicate there are some who are critical of the action of the University in dismissing Dr. Leo Koch. We wish to disassociate ourselves from these people and their views.

We feel that the action taken by the University Administration at the time of this unfortunate affair reflected a concern for the best interests of the University and was in no way a serious threat to academic freedom. We deplore the action of the American Association of University Professors, both locally and nationally. In our opinion, only those who confuse academic freedom with academic license would find the action of the University Administration offensive.

In view of the varied and extreme pressures exerted upon you in your office as President of the University, we feel your own actions in this case have been honorable and forthright. We therefore take this means of expressing our support to you and the Board of Trustees.

Very truly yours,

Mr. Dilliard inquired what procedure may be followed by the University in seeking removal from censure. President Henry stated that one of the steps which may have an effect and which has long been in process is the proposed amendment of the sections of the University of Illinois Statutes which deal with academic freedom and tenure.

SECRETARY'S REPORTS

The Secretary presented for record the following lists: appointments to the faculty made by the President; appointments of fellows; resignations, declinations, and terminations; leaves of absence; retirements.

APPOINTMENTS MADE BY THE PRESIDENT

(The date in parentheses is the date on which the appointment was made by the President of the University. C = College; S = Station; E = Extension.)

ABRAHAMS, JEROME E., Clinical Instructor in Surgery (Medicine), five months from April 1, 1963, without salary (4-10-63).

- ANDERSON, TRUMAN O., Assistant Professor of Medicine and of Microbiology (Medicine), July 1, 1963-August 31, 1965, \$10,800 a year, supersedes (4-10-63).
- ANTENEN, WAYNE W., Research Associate in Education Administration (College of Education), to render service during the second semester of the academic year, March 1-August 31, 1963, \$5,400 a year (4-9-63).
- BABB, DANIEL S., Professor of Electrical Engineering (C), two months from June 16, 1963, \$2,400; this is in addition to his present appointment (4-8-63).
- BABLER, BERNARD J., Professor of Chemistry (Chicago Undergraduate Division), Summer Session of 1963, June 21-August 16, 1963, \$2,667 for the period (4-15-63).
- BACH, GERHARD L., Research Assistant in Medicine (Medicine), six months from March 1, 1963, \$4,900 a year (4-10-63).
- BARAZANI, MORRIS, Assistant in Art (Chicago Undergraduate Division), five months from February 1, 1963, \$2,500 (4-10-63).

- WEISS, BERNARD J., Visiting Lecturer in History (Chicago Undergraduate Division), Summer Session of 1963, $\frac{2}{3}$ time, June 21-August 16, 1963, \$750 for the period (4-19-63).
- WHITMER, ROGER G., Lecturer on Materials and Methods of Construction, Department of Architecture (Chicago Undergraduate Division), $\frac{1}{3}$ time, five months from February 1, 1963, \$1,500 (4-8-63).
- WOLF, WILLIAM E., Assistant in Anesthesiology, Department of Surgery (Medicine), four months from March 1, 1963, without salary (4-10-63).
- WYATT, STANLEY P., JR., Professor of Astronomy, June 17-August 23, 1963, \$3,445; this is in addition to his present appointment (4-22-63).
- YOCKEY, RAYMOND L., Clinical Assistant in Medicine (Medicine), six months from March 1, 1963, without salary (4-10-63).

GRADUATE FELLOWS

(The following appointments made by the Dean of the Graduate College were approved on the date indicated in parentheses.)

- ABDEL-SAMAD, SANA R., Fellow in Civil Engineering, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (3-30-63).

- ABEL, WILLIAM R., Xerox Corporation Fellow in Physics, nine months from September 16, 1963, \$2,000 (4-10-63).
- ABU-SALIH, MUHAMMAD S., Summer Fellow in Mathematics, two months from June 16, 1963, \$375 (4-16-63).
- ADAMS, RALPH E., Summer Fellow in English, two months from June 16, 1963, \$375 (4-16-63).
- AGASHE, SADANAND D., General Electric Foundation Fellow in Electrical Engineering, nine months from September 16, 1963, \$2,500 (3-30-63).
- ALTSCHUL, D. ROBERT, Summer Fellow in Geography, two months from June 16, 1963, \$375 (4-16-63).
- ANDERSON, EDWARD A., Summer Fellow in Chemistry, two months from June 16, 1963, \$375 (4-17-63).
- ANDERSON, FLOYD D., Fellow in Speech, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (3-30-63).
- ANDREWS, ALAN R., Fellow in Communications, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (3-30-63).
- ARMSTRONG, ROBERT J., Hackett Fellow in Horticulture, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (4-15-63).
- AVNER, ELAINE S., Fellow in Astronomy, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (3-30-63).
- AYEN, RICHARD J., Fellow in Chemical Engineering, September 16, 1963-January 31, 1964, \$900 (3-30-63).
- BAILEY, RONALD B., Summer Fellow in Political Science, two months from June 16, 1963, \$375 (4-16-63).
- BAIN, ROBERT A., Summer Fellow in English, two months from June 16, 1963, \$375 (4-16-63).
- BALBACH, HAROLD E., Summer Fellow in Botany, two months from June 16, 1963, \$375 (4-16-63).
- BARDOS, ANDRAS M., Teaching Fellow in Physics, nine months from September 16, 1963, \$1,800 (3-30-63).
- BARROWS, JOHN T., Summer Fellow in Electrical Engineering, two months from June 16, 1963, \$375 (4-17-63).
- BARRY, LYNETTE F., Fellow in English, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (3-30-63).
- BELDEN, C. ROBERT, Fellow in Landscape Architecture, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (3-30-63).
- BELL, ROBERT F., Teaching Fellow in German, nine months from September 16, 1963, \$1,166, and two months from June 16, 1963, \$375 (3-30-63).
- BELZER, EDWIN G., JR., Summer Fellow in Health and Safety Education, two months from June 16, 1963, \$375 (4-16-63).
- BENARD, EDMUND F., Fellow in Civil Engineering, nine months from September 16, 1963, \$2,000, and two months from June 16, 1963, \$500 (3-30-63).
- BERGER, JACK S., Shell Companies Fellow in Chemical Engineering, nine months from September 16, 1963, \$1,800 (3-30-63).
- BERNETT, WILLIAM A., Fellow in Chemistry, nine months from September 16, 1963, \$1,800 (3-30-63).
- BERRY, THOMAS E., Fellow in Russian, nine months from September 16, 1963, \$1,500, and two months from June 16, 1963, \$375 (3-30-63).
- BOQUIREN, DAISY T., Summer Fellow in Botany, two months from June 16, 1963, \$375 (4-16-63).
- BORNHOFEN, JOHN O., Fellow in Economics, nine months from September 16, 1963, \$1,500, and two months from June 16, 1963, \$375 (3-30-63).
- BOUMA, FREDERICK J., Fellow in Spanish, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (3-30-63).
- BOWERS, MICHAEL T., Ethyl Corporation Fellow in Chemistry, nine months from September 16, 1963, \$2,100 (4-19-63).
- BOWERS, PATRICIA G., Fellow in Psychology, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (3-30-63).
- BRADY, MARY A., Fellow in French, nine months from September 16, 1963, \$1,500, and two months from June 16, 1964, \$375 (3-30-63).

DECLINATIONS, RESIGNATIONS, AND TERMINATIONS

- ALLEMAN, MRS. WINIFRED, Assistant Agriculture Librarian, with rank of Instructor—resignation effective June 16, 1963.
- BAGBY, ROLAND M., United States Public Health Service Fellow (Trainee) in Physiology—termination effective April 1, 1963.
- BARBER, DENNIS, Instructor in Operative Dentistry (Dentistry)—resignation effective April 1, 1963.
- BAULING, DOUGLAS B., Teaching Fellow in Agricultural Engineering—resignation effective June 16, 1963.
- BELL, CHARLES L., Assistant Professor of Chemistry (Pharmacy), Summer Session of 1963—declination effective July 29, 1963.
- BOND, JAMES A., Assistant Professor of Biological Sciences (Chicago Undergraduate Division), Summer Session of 1963—declination effective June 21, 1963.
- BOWMAN, CLETUS E., Professor of Theoretical and Applied Mechanics, Summer Session of 1963—declination effective June 17, 1963.
- CHABOT, ANDRE, Assistant Professor of Pediatrics (Medicine)—resignation effective May 7, 1963.
- CHIHARA, CHARLES S., Assistant Professor of Philosophy—resignation effective September 1, 1963.
- CORDELL, HOWARD W., Instructor in Library Science—resignation effective September 1, 1963.
- CRILEY, BRUCE B., Teaching Fellow in Zoology—resignation effective June 16, 1963.
- DIESING, PAUL R., Assistant Professor of Philosophy—resignation effective September 1, 1963.
- DIVILBISS, JAMES L., Research Associate in the Coordinated Science Laboratory—resignation effective May 1, 1963.
- DOCKRILL, MICHAEL L., Fellow in History—resignation effective June 16, 1963.
- EXUM, MRS. DOLORES B., Instructor in Medical Social Work (Medicine)—resignation effective April 28, 1963.
- FEINSTEIN, AMIEL, Assistant Professor of Mathematics—resignation effective April 1, 1963.
- FISHER, BARBARA N., Research Assistant in Chemistry—resignation effective September 16, 1962.
- FOGHT, MRS. MARTHA, Research Assistant in Zoology—resignation effective April 1, 1963.
- FROCHT, MAX M., Visiting Professor of Theoretical and Applied Mechanics—declination effective September 1, 1963.
- GALLAGHER, ROBERT E., Assistant Professor of English (Chicago Undergraduate Division), Summer Session of 1963—declination effective June 21, 1963.
- HEILIGER, EDWARD M., Librarian in the Chicago Undergraduate Division and Professor of Library Administration—resignation effective September 1, 1963.
- HOLLON, GEORGE W., Associate Professor of Civil Engineering—resignation effective September 1, 1963.
- JOHNSON, CHARLES E., Associate Professor of Education, Summer Session of 1963—declination effective June 17, 1963.
- MADSEN, ALBERT G., Research Associate in Marketing—resignation effective May 9, 1963.

- MEAGHER, GEORGE B., Assistant in Dermatology (Medicine) — resignation effective March 1, 1963.
- MOWRER, WILLIE MAE, Assistant Professor of Home Economics, Summer Session of 1963 — declination effective June 17, 1963.
- NARASINGA-RAO, K. V., Research Associate in Electrical Engineering — resignation effective May 8, 1963.
- OSMAN, ELIZABETH M., Associate Professor of Home Economics — resignation effective September 1, 1963.
- RANGA RAO, R., Instructor in Mathematics, Summer Session of 1963 — declination effective June 17, 1963.
- RUBINSTEIN, MRS. VIRGINIA, Serials Cataloger in the Library, with rank of Instructor — resignation effective April 15, 1963.
- RYAN, DAVID G., Professor of Mechanical Engineering — declination effective June 16, 1963.
- SCOTTON, DONALD W., Associate Professor of Marketing, Summer Session of 1963 — resignation effective June 17, 1963.
- SHEA, JAMES H., Fellow in Geology — resignation effective June 16, 1963.
- SKOLEN, THORALF A., Visiting Professor of Mathematics — resignation effective April 15, 1963.
- SMITH, JAMES O., Professor of Theoretical and Applied Mechanics, Summer Session of 1963 — declination effective June 17, 1963.
- SWALLOW, RONALD J., United States Public Health Service Fellow (Trainee) in Biophysics — resignation effective February 1, 1963.
- THORNTON, HUBERT R., Research Associate in Ceramic Engineering — resignation effective May 16, 1963.
- THUN, EDWARD H., Research Assistant in Pharmacognosy and Pharmacology (Pharmacy) — resignation effective April 16, 1963.
- WEIDERT, JOHN F., Assistant Extension Editor, with rank of Instructor — resignation effective April 19, 1963.
- WEIMER, CLARA B., Assistant Professor of Psychology, Department of Psychiatry (Medicine) — resignation effective March 1, 1963.

LEAVES OF ABSENCE

- ELAZAR, DANIEL J., Assistant Professor in the Institute of Government and Public Affairs — leave of absence, without pay, for one month from July 1, 1963, so that he may take advantage of a research fellowship for study in the Huntington Library, San Marino, California.
- FREUND, ERIC C., Research Associate in the Bureau of Community Planning — extension of leave of absence, without pay, for continued service to the Illinois Board of Economic Development, from January 1 through August 31, 1963.
- FRITH, DONALD E., Associate Professor of Art — leave of absence, without pay, for one year from September 1, 1963, so that he may accept a Danforth Fellowship for advanced study.
- HENNESSEY, JAMES J., Instructor in Art — additional leave of absence, without pay, for one year from September 1, 1963, so that he may continue his studies at the American Academy in Rome under a Prix de Rome Fellowship.
- KARSH, BERNARD, Associate Professor of Sociology, and in the Institute of Labor and Industrial Relations — leave of absence, without pay, for one year from September 1, 1963, for the purpose of study at Stanford University.
- KASKE, ROBERT E., Professor of English — leave of absence, without pay, beginning September 1, 1963, and continuing through February 29, 1964, so that he may accept a visiting professorship at Cornell University.
- NICHOLS, J. ALDEN, Associate Professor of History — leave of absence, without pay, for one year from September 1, 1963, so that he may accept a Senior Fulbright Fellowship for study and research in Germany.
- PALMER, JOHN D., Assistant Professor of Biological Sciences (Chicago Undergraduate Division) — leave of absence, without pay, for one year from September 1, 1963, so that he may study and do research at the University of Bristol, in England, under a postdoctoral fellowship.
- PERLMUTTER, MRS. SHIRLEY, Instructor in Occupational Therapy (Medicine) — leave of absence, without pay, from June 24 through August 31, 1963.

- ROSEN, SIDNEY, Associate Professor of Physical Science, in the Division of General Studies — leave of absence, without pay, for one year from September 1, 1963, so that he may serve as a Visiting Professor in Colombia, South America, under sponsorship of the Ford Foundation.
- SAYRE, ROBERT F., Instructor in English — leave of absence, without pay, for one year from September 1, 1963, so that he may accept a Fulbright lectureship for lectures and studies in Sweden.
- SPARGO, MRS. GLADYS R., Acquisition Assistant in the Library (Chicago Undergraduate Division) — leave of absence, without pay, beginning June 17 and continuing through July 31, 1963, so that she may attend the Graduate Library School in Urbana.
- SPERA, FRANK X., Instructor in Fixed Partial Prosthodontics (Dentistry) — leave of absence, without pay, beginning March 22 and continuing through August 31, 1963, on account of illness.
- STARR, CHESTER G., Professor of History — leave of absence, without pay, for one year from September 1, 1963, so that he may accept a visiting professorship at the University of Washington.
- THOMAS, GARTH J., Professor of Physiology and Research Professor of Electrical Engineering — leave of absence, without pay, from July 15 through August 31, 1963, so that he may accept an invitation to teach in the Department of Psychology during the summer session at the University of Washington, Seattle.
- WESTMEYER, PAUL, Assistant Professor of Education — leave of absence, without pay, for one year from September 1, 1963, so that he may accept a visiting assignment as staff member in the Science Education Center of the University of Texas.

RETIREMENTS

- LENDRUM, FREDERICK C., Associate Professor of Medicine (Medicine) — retirement effective February 13, 1963.

JUNE AND JULY MEETINGS

President Clement reminded the Board that it had previously voted to hold its June meeting on Wednesday, June 19, in Peoria, and asked if any of the Trustees desired to offer suggestions concerning arrangements for the meeting. It was the consensus of the Trustees that the President and Secretary of the Board of Trustees should decide upon the place and the schedule of the meeting.

Consideration was also given to holding the July meeting on Tuesday, July 2, if the internal operating budget for 1963-64 can be prepared for presentation to the Board at that time.

EXECUTIVE SESSION

President Clement announced that an executive session had been requested and was being ordered for consideration of recommendations relating to property acquisitions and that this session would be held following a recess for luncheon.

At 12:45 p.m., on motion of Mr. Swain, the Board recessed.

Student representatives of the colleges and departments at the Medical Center, members of the Vice-President's Advisory Council, and members of the Medical Center Committee on Educational Policy were guests of the Board at luncheon and were introduced.

Following luncheon the Board reconvened, in executive session. The same members of the Board, officers of the University, and officers of the Board were present as recorded at the beginning of these minutes except for Mr. Ray Page, who asked to be excused.

The Board considered the following reports and recommendations.

PURCHASE OF PROPERTIES

(1) The Director of the Physical Plant and the Vice-President and Comptroller recommend purchase of the following properties for the purposes and at the prices indicated:

- 1114 West Oregon Street, Urbana, for temporary housing..... \$34 000
 A two-story and basement frame dwelling on a lot 65 feet by 157 feet;
 possession will be delivered by June 15, 1963.
- 909-909½ South Fifth Street, Champaign, as part of the site for a residence hall for single graduate students..... 37 500
 A three-story and basement frame house on a lot 57 feet by 140 feet;
 possession will be delivered by July 1, 1963.

Funds are available in the state capital appropriations to the University from the 1961-63 Bond Issue and have been released.

The prices are consistent with appraisals secured by the University and with the recommendations for the acquisition of these properties which have previously been submitted to and concurred in by the Committee on Buildings and Grounds.

The Board of Trustees on March 20, 1963, authorized condemnation proceedings for acquisition of the property at 909-909½ South Fifth Street, Champaign. However, through subsequent negotiations, the price indicated has been agreed upon, which is within the limit authorized by the Committee on Buildings and Grounds. This price also appears to be the lowest price for which the property can be acquired without condemnation proceedings.

I recommend authorization of these purchases, and further recommend that the Board rescind its resolution of March 20, 1963, with respect to condemnation proceedings for acquisition of the property at 909-909½ South Fifth Street, Champaign.

On motion of Mr. Pogue, the purchase of these properties, at the prices recommended, was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page.

**ACQUISITION OF PROPERTY AT 1306 WEST STOUGHTON STREET,
 URBANA, ILLINOIS**

(2) University representatives have been negotiating for the purchase of the property at 1306 West Stoughton Street, Urbana, Illinois. The property is a lot 44 feet by 132 feet (5,808 square feet) with a two-story and basement frame building now used as an apartment by the owner and for student rooms. The land is needed as part of the site for College of Engineering buildings, and specifically for the new Civil Engineering Building.

On the basis of University appraisals, the owners have been advised that a recommendation would be made to the Board of Trustees for the purchase of the property at a price of \$22,000, but the offer is not acceptable and the asking price remains substantially in excess of the highest University appraisal.

Accordingly, the Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees authorize condemnation proceedings for the acquisition of the property.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

I concur and recommend adoption of the following resolution:

**Resolution Authorizing Condemnation of Property At
 1306 West Stoughton Street, Urbana, Illinois**

Be It, and It Is Hereby Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois, a body corporate and politic and a public corporation of the State of Illinois, that the following-described real estate situated in the County of Champaign, in the State of Illinois, to-wit:

The West Forty-four (44) feet of Lot Nine (9) in Block Fifty-one (51) of the Seminary Addition to Urbana, and all of Lot Nine (9) except the East

Twenty-two (22) Feet thereof in Block Fifty-one (51) in the Seminary Addition to Urbana, situated in the City of Urbana, in the County of Champaign, in the State of Illinois:

is needed by the University of Illinois, an educational institution established and supported by the State of Illinois, for expansion of the facilities of the College of Engineering, as a site for a Civil Engineering Building addition, and for related educational purposes conducted and to be conducted by said University of Illinois and for the further expansion of the educational facilities of said University of Illinois and to enable said University of Illinois to discharge its duty to the people of said State and for public use; that funds have been appropriated by the General Assembly of the State of Illinois for the purchase of said land for said educational purposes; that this Board of Trustees has negotiated with the owners of said land through their duly authorized representatives for the purchase of said land at a price which this Board of Trustees considers fair and reasonable and which it finds constitutes the present market value of said land, but that said owner has refused to sell and convey said land, or any portion thereof, to said The Board of Trustees of the University of Illinois for such price and continues to refuse to sell and convey the same to it except for a consideration and price which this Board of Trustees deems unreasonable and excessive and is, therefore, unwilling and has refused to pay; and

Be It, and It Is Hereby Further Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois that the compensation to be paid by it for said land cannot be agreed upon between this Board of Trustees and the owners of said property and they and it are unable to agree upon the purchase price to be paid to said owners for the sale and conveyance of said land by said owners thereof to said The Board of Trustees of the University of Illinois; and

Therefore, Be It, and It Is Hereby Further Resolved, Found, and Declared by this Board of Trustees of The Board of Trustees of the University of Illinois that because of said need of the University of Illinois for said land for the purposes hereinabove set forth and because the compensation to be paid to the owners thereof for such land cannot be agreed upon between them and this Board of Trustees, it is necessary for The Board of Trustees of the University of Illinois to take said land and acquire title thereto through the exercise by it of the right of eminent domain conferred upon it by law and to have the compensation to be paid by it to the owners thereof and any and all other persons who may have any right, title or interest in and to said land determined in the manner provided by law for the exercise of said right and power of eminent domain; and

Be It, and It Is Hereby Further Resolved by this Board of Trustees of The Board of Trustees of the University of Illinois that the necessary and appropriate action be taken for the acquisition of title to said property by said The Board of Trustees of the University of Illinois and to have the compensation to be paid therefor determined by the institution and prosecution to completion of a proceeding in eminent domain in a court of competent jurisdiction and that the Legal Counsel of the University be, and he is hereby, authorized to proceed accordingly, to institute and prosecute an eminent domain proceeding in the name and on behalf of The Board of Trustees of the University of Illinois for the acquisition of said land and the determination of the compensation to be paid by it therefor, and to employ such special legal counsel, appraisers, and others as he may deem necessary or desirable to assist him in the institution and prosecution of said proceeding.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page.

**PURCHASE OF PROPERTY AT 1310 WEST STOUGHTON STREET,
URBANA, ILLINOIS**

(3) The Director of the Physical Plant and the Vice-President and Comptroller recommend the purchase of the property at 1310 West Stoughton Street, Urbana,

Illinois, at a price of \$20,000, required as part of the site for construction of the new Civil Engineering Building.

The property consists of a lot 50 feet by 132 feet (6,600 square feet) and is improved with a one-story and basement frame dwelling.

The Committee on Buildings and Grounds has been consulted regarding this purchase and recommends approval.

Funds are available in the state capital appropriations to the University from the Universities Building Fund and have been released.

I concur.

On motion of Mr. Hughes, the purchase of this property at the price recommended was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Johnston, Mr. Kerner, Mr. Page.

At 3:00 p.m., on motion of Mr. Hughes, the Board recessed until 7:30 p.m.

EVENING SESSION

Pursuant to the schedule announced in the official notice of today's meeting of the Board of Trustees of the University of Illinois, the Board reconvened at 7:30 p.m. in the Illinois Room of the LaSalle Hotel, Chicago. This session was held at the LaSalle Hotel for the convenience of the public and especially representatives of the contractors interested in the awards of the Congress Circle construction contracts.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Earl M. Hughes, Mr. Wayne A. Johnston, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Mr. Ray Page and Governor Otto Kerner were absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Vice-President Norman A. Parker of the Chicago Undergraduate Division, Vice-President Joseph S. Begando of the Medical Center, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. Edward S. Sefcik and Mr. Donald C. Neville, Assistants to the Director of the Physical Plant, Mr. Richard Kreutz of the firm of Skidmore, Owings, and Merrill, Architects and Engineers, Chicago; and the officers of the Board, Mr. H. O. Farber, Comptroller, and Mr. A. J. Janata, Secretary.

CAPITAL BUDGET AND BUILDING PROGRAM FOR 1963-65

President Clement announced that Mr. Williamson as Chairman of the Finance Committee desired to present a resolution with respect to the University's capital budget for 1963-65 in the event that some action may need to be taken prior to the June meeting of the Board of Trustees and it is not feasible to call a special meeting of the Board. Mr. Williamson offered the following:

Resolved: That the Executive Committee of the Board of Trustees is empowered to take whatever action it deems necessary to modify the form of the University's capital budget request for 1963-65, as heretofore approved, to adjust the capital needs expressed in that budget to any funding arrangement which

supplies such capital from sources other than state appropriations, such as the Illinois Building Authority.

This resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Kerner, Mr. Page.

CONTRACTS FOR CONSTRUCTION OF THE CONGRESS CIRCLE CAMPUS

At the request of the President of the University, Director C. S. Havens of the Physical Plant presented a report he had made to the President on May 13, 1963, on the bids received on April 11 and 18, 1963, for all construction at the Congress Circle Campus with the exception of the Heating Plant and the Congress Circle Union Building. Copies of the report were distributed to all the Trustees at the meeting (and subsequently were sent to the absentees), and a copy was filed with the Secretary for record. Following this report, Director Havens presented specific recommendations made by him and the Vice-President and Comptroller for the award of contracts for construction of buildings, and other improvements, on the Congress Circle Campus including: the Staff and Administration Offices Building, Classroom Complex Building, Library Building, Site Development — Lecture Center, Engineering and Sciences Laboratories Building, Physical Plant Building, and landscaping, the award in each case being to the lowest bidder.

Director Havens announced that recommendations will be submitted later for awards of contracts for the Heating Plant and the Union Building, which will complete construction of the first phase of the Congress Circle Campus.

The specific recommendations for the awards of contracts follow.

It is also recommended that an agreement be executed with the Gust K. Newberg Construction Company, Chicago, for the assignment to this Company of all contracts other than the general contract and the

contract for landscaping at a fee of \$150,000, which is the amount bid by that Company for a service charge for supervision of other contracts assigned to the general contractor. This will make the total contract with the Gust K. Newberg Construction Company \$32,670,839.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, subject to release by the Governor.

Copies of the foregoing recommendation were distributed to the Trustees at the meeting with a supporting report from the Physical Plant Department, including a summary of bids received, a copy of which was filed with the Secretary of the Board for record.

The President of the University stated that he concurs in these recommendations.

At the conclusion of this presentation, representatives of some of the bidders requested, and were granted permission by the Board in each case, to ask questions and to present statements. Representatives of the following firms were heard:

P. Nacey Company, Chicago, with respect to awarding this Company all contracts in Division III;

Corbetta Construction Company, Inc., New York, with respect to the contract for Division I (general work on the Site Development—Lecture Center);

Modine Manufacturing Company, a subcontractor, with respect to supplying equipment for Division III.

Replies to the questions raised were made by Director Havens and Mr. Richard Kreutz of the firm of Skidmore, Owings and Merrill, Architects and Engineers, Chicago.

On May 16, the day following the Board of Trustees meeting, a telegram was received from a representative of the George A. Fuller Company, Chicago and New York, with respect to that Company's bid for the general work for the Staff and Administration Offices Building. A copy of that telegram and the reply has been filed with the Secretary of the Board for record.

Copies of correspondence, subsequent to the Board of Trustees meeting, concerning the questions raised by the representatives of the Modine Manufacturing Company and the representatives of the Corbetta Construction Company, Inc., have also been filed with the Secretary for record.

At the conclusion of the discussion of the questions raised, on motion of Mr. Johnston, the recommendations for the awards of the contracts as presented were approved by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Hughes, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Governor Kerner, Mr. Page.

On motion of Mr. Johnston, the Board adjourned.

MEETING OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

June 19, 1963

The June meeting of the Board of Trustees of the University of Illinois was held in the Pere Marquette Hotel, Peoria, Illinois, on Wednesday, June 19, 1963, beginning at 10:30 a.m.

The following members of the Board were present: Mr. Howard W. Clement, Mr. Irving Dilliard, Mr. Wayne A. Johnston, Mr. Harold Pogue, Mr. Timothy W. Swain, Mrs. Frances B. Watkins, Mr. Kenney E. Williamson. Mr. Earl M. Hughes, Governor Otto Kerner, and Mr. Ray Page were absent.

Also present were President David D. Henry, Executive Vice-President and Provost Lyle H. Lanier, Vice-President Joseph S. Begando, University of Illinois at the Medical Center, Chicago, Director C. S. Havens of the Physical Plant, Mr. C. E. Flynn, Assistant to the President and Director of Public Information, Mr. James J. Costello, Legal Counsel, Mr. V. L. Kretschmer, Director of Auxiliary Services, Mr. Donald C. Neville, Assistant to the Director of the Physical Plant; and the officers of the Board, Mr. H. O. Farber, Comptroller, Mr. R. R. Manchester, Treasurer, and Mr. A. J. Janata, Secretary. Professor Charles H. Bowman of the College of Law was present for a part of the meeting.

MINUTES APPROVED

The Secretary presented the minutes of the meetings of the Board of Trustees on September 19, October 17, and November 9, 1962, press proof copies of which have previously been sent to the Board.

On motion of Mr. Johnston, these minutes were approved as printed on pages 49 to 261, inclusive.

REPORT OF EXECUTIVE COMMITTEE ON CHANGE IN CONTRACT FOR CONSTRUCTION OF CONGRESS CIRCLE

The Secretary presented the following report:

On recommendation of the Director of the Physical Plant and with the concurrence of the President of the University, the Executive Committee has authorized an increase of \$56,000 in the contract with Gust K. Newberg Construction Company, General Contractors, Chicago, for the construction of buildings at Congress Circle to include removal of buildings I, II, III, IV, and V of parcel No. 13-216 which are part of the Hull House group. The contractor is willing to undertake this additional work to expedite construction and has submitted a quotation under the same conditions on which bids were received by the Department of Urban Renewal. It is not practicable for the Department to attempt to demolish these buildings within the period of time available without serious danger of delay to the University's construction program and also because of the possibility of complications arising between the University's contractor and the City's demolition contractor working in the same area. The City will reimburse the University for this work.

THE EXECUTIVE COMMITTEE
MR. WAYNE A. JOHNSTON
MRS. FRANCES B. WATKINS
MR. HOWARD W. CLEMENT

On motion of Mrs. Watkins, the action of the Committee was confirmed.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

AWARD OF CERTIFIED PUBLIC ACCOUNTANT CERTIFICATES

55. JOSEPH W. WENZEL, Assistant Professor of Speech and Theatre, beginning September 1, 1963, at an annual salary of \$7,800.
56. DUANE H. WHITTIER, Visiting Assistant Professor of Philosophy, for the academic year 1963-64, at a salary of \$8,000.
57. BRIAN F. WILKIE, Assistant Professor of English, beginning September 1, 1963, at an annual salary of \$7,500.
58. MARTIN L. ZEIGLER, Assistant Provost and Director of Institutional Studies, with rank of Associate Professor, in the Office of the Executive Vice-President and Provost, beginning July 1, 1963, at an annual salary of \$18,500.

On motion of Mr. Dilliard, these appointments were confirmed.

DEPARTMENT OF FOOD TECHNOLOGY

- (3) The Department of Food Technology, the Executive Committee, and the Dean of the College of Agriculture recommend a change in the name of the Department to Department of Food Science. This change will apply only to the name of the Department and will not change the curricula, courses, or degrees. Food Technology courses will become Food Science courses and the degrees granted will be in Food Science instead of Food Technology.

I concur.

On motion of Mr. Williamson, this recommendation was approved.

HOSPITAL-MEDICAL SERVICE PLAN. CHICAGO UNDERGRADUATE DIVISION

- (4) Based on a recent survey of the academic staff by the Chicago Undergraduate Senate Committee on Retirement, Hospitalization, and Insurance, this Committee recommended to the Chicago Undergraduate Division Senate that the Blue Cross-Blue Shield program be discontinued and that the University of Illinois Hospital and Medical Service Plan be adopted effective October 1, 1963. The Chicago Undergraduate Division Senate approved this recommendation at their meeting on April 9, 1963.

The Nonacademic Employees Council of the Chicago Undergraduate Division also approved the adoption of the University of Illinois Hospital and Medical Insurance Plan. This approval was based upon the results of a questionnaire sent to all nonacademic employees by the Nonacademic Employees Council under date of April 23, 1963.

The Vice-President in charge of the Undergraduate Division and the Vice-President and Comptroller concur in recommending adoption of the University of Illinois Hospital and Medical Service Plan at the Chicago Undergraduate Division effective October 1, 1963.

On motion of Mr. Swain, this recommendation was approved.

WORKING CASH FUNDS, CHICAGO DIVISIONS

- (5) The Board of Trustees has authorized a working cash fund for the University of Illinois at the Medical Center, Chicago, and petty cash funds for the Medical Center and for the Chicago Undergraduate Division. The working cash fund is used for processing vouchers drawn on state appropriations in cases when there is inadequate time to follow the normal procedures of payment through the State Auditor. Reimbursements of expenditures made from the working cash funds are by vouchers processed against state appropriations.

Petty cash funds are used for the establishment of small cash funds in departments, advances to staff traveling on University business, and payment of salaries which are due but which, because of state processing schedules, were not included on regular payrolls. For the latter, reimbursement of the petty cash fund is secured through processing routine payrolls.

It has been found that the amount allocated for working cash funds in Chicago has been greater than that needed and that petty cash funds have been inadequate. The Vice-President and Comptroller recommends the following changes in these fund authorizations:

	<i>From</i>	<i>To</i>
Medical Center Working Cash Fund.....	\$100 000	\$ 50 000
Medical Center Petty Cash Fund.....	30 000	60 000
Undergraduate Division Petty Cash Fund.....	15 000	35 000
	<u>\$145 000</u>	<u>\$145 000</u>

I concur.

On motion of Mr. Pogue, this recommendation was approved.

APPROPRIATIONS FOR NONRECURRING EXPENDITURES

(6) The Executive Vice-President and Provost and the Vice-President and Comptroller recommend the following appropriations and assignments of funds from the University General Reserve:

Urbana-Champaign

1. Health Service	
McKinley Hospital, overbed tables and wall closets.....	\$ 5 852

Renovation of ventilation system in Chemistry Annex laboratories for Department of Chemistry and Chemical Engineering (this assignment is in addition to \$16,900 presently available).....	28 510
<i>Total</i>	<u>\$322 485</u>

I concur.

On motion of Mr. Swain, these appropriations were made by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

ASSIGNMENT OF FUNDS BY ATHLETIC ASSOCIATION

(7) The Board of Directors of the Athletic Association has approved an assignment of \$5,000 to supplement the contribution of the Athletic Association to the Grants-in-Aid Fund of the University of Illinois Foundation for athletic grants.

Confirmation of this action is requested.

On motion of Mr. Pogue, this action was confirmed.

CONTRACTS FOR MINOR BUILDING ALTERATIONS AND REPAIRS

(8) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of cost-plus contracts with the following contractors

for minor building alterations, repairs, and construction work for the period July 1, 1963, through June 30, 1964.

General — Clarence H. Siems, doing business as Clarence H. Siems Company, Urbana

Electrical — Brunkow Electric Company, Champaign

Plumbing — Willis H. and W. C. Thomas, a partnership doing business as Thomas Plumbing and Heating Company, Urbana

Heating and Ventilating — R. H. Bishop Company, Champaign

These contracts are for work which does not justify the cost of preparing separate drawings and specifications and of separate bidding procedures on each project. The several contractors bid on percentages to be added to actual material, labor, and subcontract costs, depending in many cases on the size of the particular division of work with specified limits of four ranges.

Work will be done as ordered by the Physical Plant Department and will be paid for on the basis of the actual cost of each job plus contractors' fees. A schedule of bids taken showing the percentages to be added for work to be executed under these cost-plus contracts is submitted herewith, and a copy of the schedule is being filed with the Secretary of the Board for record as the basis for the contract awards recommended. No assignment of funds is requested and each job will be covered by a contract change order charged against funds allocated for the project.

It is further recommended that the Vice-President and Comptroller be authorized to approve orders under these contracts up to \$25,000 on each project provided that any orders exceeding this amount shall be submitted to the Board of Trustees for approval in advance, in accordance with previous practice and authorization.

I concur.

On motion of Mrs. Watkins, these contracts were authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

CONTRACT FOR PLASTERING, PLASTER PATCHING AND REPAIRS, AND ACOUSTICAL WORK

(9) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a cost-plus contract to George S. Grimmert, doing business as George S. Grimmert and Company, Springfield, the lowest bidder, for plastering, plaster patching and repairs, and acoustical work during the fiscal year ending June 30, 1964, on the basis of a contractor's fee of 13.9 per cent of all actual job costs as determined by itemized billing.

I concur.

On motion of Mr. Johnston, this contract was authorized by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

CONTRACT FOR CONSTRUCTION OF DAIRY HERDSMAN'S COTTAGE ADDITION

(10) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$7,081 to C. P. Bauman and Son, Champaign, the lowest bidder, for construction of an addition to, and minor remodeling in, the Dairy Herdsman's Cottage on the South Lincoln Avenue Farm.

Dairy Science Department funds are available for this improvement.

I concur.

On motion of Mr. Pogue, this contract was awarded by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

**CONTRACTS FOR CONSTRUCTION OF VETERINARY MEDICINE
RESEARCH ANNEX ADDITION**

(11) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for construction of an addition to the Veterinary Medicine Research Annex, the award in each case to the lowest bidder:

General—Pathman Construction Co., Chicago.....	\$194 281
Base bid	\$186 981
Additive alternate for revisions on the first floor.....	2 700
Additive alternate for assignment of other contracts.....	4 600

Heating, Piping, and Refrigeration—R. H. Bishop Company, Cham- paign	44 453
Base bid	\$ 43 700
Additive alternate for installation of distilled water still...	753
Ventilating and Sheet Metal Work—Petry Roofing and Sheet Metal Company, Champaign	27 237
<i>Total</i>	<i>\$332 170</i>

It is also recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of his contract \$332,170, and it is further recommended that an agreement be entered into with Pathman Construction Co., Chicago, for the assignment of these other contracts for \$4,600, which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available from a grant to the University from the National Institutes of Health, state capital appropriations to the University for 1961-63 from the Universities Building Fund, which have been released, and from indirect costs on government contracts for research related to this project.

Submitted herewith is a report from the Physical Plant Department, including a summary of bids received, a copy of which is being filed with the Secretary of the Board.

I concur.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

CONTRACTS FOR CONSTRUCTION OF REHABILITATION CENTER

(12) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for construction of the first phase of the Rehabilitation Center Building to be erected at the northwest corner of Stadium Drive and Oak Street, Champaign, the award in each case being to the lowest bidder:

General — A. F. Krall Construction Company, Inc., Decatur.....	\$526 030
Base bid	\$496 247
Additive alternate for assignment of other contracts.....	14 000
Additive alternate for extension of basement under un-	
excavated areas	19 883
Deductive alternate for substituting painting for vinyl cov-	
ering on wall surfaces.....	— 4 100
Electrical — Square Deal Electrical Contracting, Inc., Urbana.....	72 035
Base bid	\$ 71 000
Additive alternate for extension of basement under un-	
excavated areas	1 035
Plumbing — David William Reichard and David Warren Reichard, a	
partnership doing business as David W. Reichard Plumbing and	
Heating, Urbana	77 800
Base bid	\$ 76 000
Additive alternate for extension of basement under un-	
excavated areas	1 800
Heating — Healy Plumbing and Heating Company, St. Paul, Minnesota	99 412
Base bid	\$ 98 235
Additive alternate for extension of basement under un-	
excavated areas	1 177
Ventilating — R. H. Bishop Company, Champaign.....	81 136
Base bid	\$ 75 800
Additive alternate for extension of basement under un-	
excavated areas	5 336
<i>Total.....</i>	<i>\$856 413</i>

It is also recommended that all contracts other than the general contract be assigned to the contractor for general work, making the total of his contract \$856,413 and it is further recommended that an agreement be entered into with A. F. Krall Construction Company, Inc., Decatur, for the assignment of these other contracts for \$14,000, which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

If the foregoing recommendations are approved, the Director of the Physical Plant and the Vice-President and Comptroller also recommend an increase of \$3,456 in the contract with A. F. Krall Construction Company, Inc., Decatur, for the purchase and installation of lockers for dressing rooms. This change in the contract was negotiated after the receipt of bids; one-third of the cost of this installation will be paid from a federal grant for the project.

Funds are available in a grant from the United States Public Health Service (Public Health Service III. 164), from private donations, and in the state capital appropriations to the University for 1961-63 from the Universities Building Fund, and have been released.

I concur in the foregoing recommendations, subject to final approval of the federal grant by the United States Public Health Service.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, and the increase in the general contract was authorized, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

**CONTRACT FOR CONSTRUCTION OF MATERIALS
RESEARCH LABORATORY, PHASE I**

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of a contract for \$167,163 to the Pathman Construction

Co., Chicago, the lowest bidder, for Phase I construction of the Materials Research Laboratory. Phase I will consist of sheet piling the sides of the Boneyard Creek through the site and the provision of additional supporting piles for and the construction of slabs over the Boneyard to support a three-story connecting link between the Materials Research Laboratory and the present Physics Building. The contract will also include construction of a paved delivery and service area over another part of the Boneyard Creek.

Initiating Phase I at this time will meet the construction time schedule proposed in the prospectus submitted to the Advanced Research Projects Agency (ARPA) and the United States Atomic Energy Commission, which agencies will participate in amortizing the costs of the laboratory. Construction on Phase II is tentatively scheduled to start in October, 1963.

The Board has approved a proposal to the Illinois Building Authority to finance construction of the Materials Research Laboratory, but in the event that this first phase of the project can not be so financed, funds will be available from the state capital appropriations to the University for 1963-65 subject to release, or from indirect costs received from materials research contracts.

I concur and recommend that \$210,000 from undistributed indirect costs derived from Materials Research Laboratory contracts be reserved to finance the construction of Phase I, as needed. The difference between this figure and the Pathman contract is to cover other construction costs.

On motion of Mr. Swain, this contract was awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

CONTRACTS FOR EXTENSION OF UTILITIES DISTRIBUTION SYSTEM, URBANA

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend awards of contracts, subject to availability of funds, for extensions of the utilities distribution system for additional services to the Materials Research Laboratory, the Electrical Engineering Building, the Education Building, and the Illinois Street Residence Halls, the award in each case being to the lowest bidder:

Steam Tunnel to Materials Research Laboratory

Underground Steam Tunnel Extension—Dean Evans Company, Champaign.....	\$149 900
Tunnel Piping Work for Extension of Steam Service—The J. A. Julian Company, Chicago.....	132 378

Thermal Insulation for Piping for Steam Services—Sprinkmann Sons Corporation of Illinois, Peoria.....	14 179
Base bid	\$ 7 242
Additive alternate for thermal insulation for additional 8-inch utility pressure steam main.....	6 937

Electrical Work for Steam and Electric Service — Kuhne-Simmons Company, Inc., Champaign.....	11 660
<i>Total, Illinois Street Residence Halls.....</i>	<i>\$295 641</i>

Funds for the additional utilities distribution system servicing the Illinois Street Residence Halls have been requested in the 1963-65 capital appropriation to the University. In the event funds are not made available and released, a subsequent recommendation will be submitted to the Board on the funding of these projects.

Attached are reports from the Physical Plant Department of these projects, including schedules of bids received, copies of which are being filed with the Secretary of the Board.

I concur in the above recommendations.

On motion of Mr. Williamson, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

CONTRACTS FOR REMODELING RESEARCH AND EDUCATIONAL HOSPITALS

(15) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for the remodeling of the surgery areas on the fourth floor of the Research and Educational Hospitals, the award in each case being to the lowest bidder:

General — Mutual Contracting Company, Chicago.....	\$103 153
Base bid	\$100 919
Additive alternate for service charge for supervision of other contracts assigned to this contractor.....	2 234
Plumbing — Peter H. Smith Company, Chicago.....	10 666
Heating — National Korectaire Company, Chicago.....	56 738
Ventilating and Air Conditioning — Manor Sheet Metal, Inc., Skokie...	20 445
Electrical — Fries-Walters Company, Chicago.....	38 497
<i>Total.....</i>	<i>\$229 499</i>

The work will consist of the improvement of the surgical facilities on the fourth floor of the General Hospital and in the adjacent areas of the Hospitals Addition. With only six major operating rooms in the Hospitals Addition supplemented by a major and a minor operating room in the Illinois Neuropsychiatric Institute and two minor operating rooms in the General Hospital, there is a major requirement for an increase in surgical facilities. This project will provide three additional operating rooms with the necessary auxiliary facilities.

It is further recommended that all contracts other than the contract for general work be assigned to the contractor for that work, making the total of his contract price \$229,499; and that an agreement be entered into with Mutual Contracting Company for the assignment of these other contracts for \$2,234, which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

A schedule of all bids received is submitted herewith and a copy is being filed with the Secretary of the Board.

I concur.

On motion of Mrs. Watkins, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

CONTRACTS FOR REPLACEMENT OF EXISTING DUCTWORK IN MEDICAL RESEARCH LABORATORY

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of contracts for replacement of existing ductwork in the

Virology Laboratories (Systems E2, E3, and E6) of the Medical Research Laboratory, the award in each case being to the lowest bidder:

General — Mutual Contracting Company, Chicago.....	3 699
Base bid	1 867
Additive alternate for replacement of existing ductwork in System E6	1 832
Ventilating — Zack Company, Chicago.....	\$15 549
Base bid	\$5 631
Additive alternate for service charge for supervision of other contracts assigned to this contractor.....	596
Additive alternate for providing bypass connection between Systems E2, E3, and E6.....	745
Additive alternate for replacement of existing ductwork in System E6	8 577
Heating, Refrigeration, and Temperature Controls—North Town Refrigeration Corporation, Chicago.....	4 600
Base bid	1 600
Additive alternate for providing bypass connection between Systems E2, E3, and E6.....	4 000
Electrical — Hyre Electric Company, Chicago.....	3 609
Base bid	1 843
Additive alternate for providing bypass connection between Systems E2, E3, and E6.....	231
Additive alternate for replacement of existing ductwork in System E6.....	1 535
Total.....	<u>\$27 457</u>

The work will consist of replacing the ductwork on three exhaust systems from three Virology Laboratory rooms to their respective air incinerators. The new ductwork will be of stainless steel and airtight construction. The improvement will prevent the escape of disease bacteria contagious to humans and permit chemical sterilization of the exhaust systems.

It is further recommended that all contracts other than the contract for ventilation work be assigned to the contractor for that work, making the total of his contract price \$27,457; and that an agreement be entered into with the Zack Company for the assignment of these other contracts for \$596, which amount is included in the contract price, being the amount bid by that Company for service charge for supervision of other contracts assigned to the contractor for the ventilation work.

Funds for this work are available from a Board appropriation, Medical Research Laboratory, Replacement of Ducts.

A schedule of all bids received is submitted herewith and a copy is being filed with the Secretary of the Board.

I concur.

On motion of Mr. Pogue, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

CONTRACTS FOR CONSTRUCTION OF HEATING PLANT AT CONGRESS CIRCLE

(17) The Director of the Physical Plant and the Vice-President and Comptroller recommend award of the following contracts for construction of the Heating Plant at the Congress Circle campus, the award in each case being to the lowest bidder:

General (Division I) — Ragnar Benson, Inc., Chicago.....	\$956 353
Base bid	\$969 963
Additive alternate for assignment of plumbing work and ventilating and air-conditioning systems.....	2 500
Deductive alternate for changing basement walls and floor in base bid from construction designed to withstand water pressure to regular construction and added drainage to relieve water pressure.....	— 16 110

Plumbing (Division II) — O'Callaghan Bros., Inc., Chicago.....	23 980
Piping, Miscellaneous Equipment, Thermal Insulation (Division III) — S. J. Reynolds Company, Inc., Cicero.....	497 675
Ventilating and Air-Conditioning Systems (Division IV) — Zack Com- pany, Chicago	17 500
Electrical (Division V) — Fischbach, Moore, and Morrissey, Inc., Chi- cago.....	143 300
<i>Total</i>	<u>\$1 638 808</u>

It is also recommended that the plumbing contract and the ventilating and air-conditioning systems contract be assigned to the contractor for general work, making the total of his contract \$997,833; and it is further recommended that an agreement be entered into with Ragnar Benson, Inc., Chicago, for the assignment of these other contracts for \$2,500, which amount is included in the contract price, being the amount bid by the Company for service charge for supervision of other contracts assigned to the general contractor.

Funds are available in the state capital appropriations to the University for 1961-63 from the Universities Building Fund and have been released.

Submitted herewith is a supporting report from the Physical Plant Department, including schedules of all bids received, a copy of which is being filed with the Secretary of the Board.

I concur.

On motion of Mr. Swain, these contracts were awarded, as recommended, by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

CONGRESS CIRCLE UNION BONDS

(18) Five bids were received at 11:00 a.m. June 18, 1963, in the Illini Center, LaSalle Hotel, Chicago, for the sale of \$6,800,000 of Congress Circle Union Bonds of 1963, Series A. Bids were received at the same time for certain maturities of \$4,000,000 Congress Circle Union Bonds of 1963, Series B, to finance construction of the Congress Circle Union Building and parking lots.

The Vice-President and Comptroller recommends that the Series A bonds be sold to White, Weld, and Company and associates, Chicago, at a price of \$6,759,326, plus accrued interest and at an effective interest rate of 3.50423 per cent; that \$2,780,000 of Series B bonds maturing in 1969 through 1988 be sold to Halsey, Stuart, and Company, Inc., and associates at a price of \$2,780,695, plus accrued interest and at an effective interest rate of 3.48892 per cent. These bids represent the lowest interest cost to the University.

A schedule of all bids received, a copy of which is being filed with the Secretary of the Board for record, is presented.

The Vice-President and Comptroller presents a Loan Agreement [Contract No. H(402)-868] with the Federal Housing and Home Finance Agency and recommends that he be authorized to execute it. In accordance with the provisions of the Loan Agreement, he recommends that \$1,220,000 Series B bonds maturing in 1989 through 1993 be sold to the Housing and Home Finance Agency at par and accrued interest and at an interest rate of 3½ per cent, since no equal or more favorable bid was received for these maturities.

The Vice-President and Comptroller also presents the Congress Circle Union Bond Resolution authorizing \$6,800,000 Congress Circle Union Bonds of 1963, Series A, and \$4,000,000 Congress Circle Union Bonds of 1963, Series B, and recommends its adoption.

He further recommends that the Board (1) authorize the execution of the bonds by A. J. Janata, Secretary of the Board, by facsimile signatures of the President of the Board, and by the facsimile signatures of Frances B. Watkins and Timothy W. Swain, members of the Board, and (2) ratify and confirm all actions taken or to be taken by the officers and members of the Board in connection with the sale and delivery of the bonds to the purchasers indicated above.

I concur in all the foregoing recommendations.

On motion of Mr. Williamson, these recommendations were approved and the Congress Circle Union Bond resolution was adopted

by the following vote: Aye, Mr. Clement, Mr. Dilliard, Mr. Johnston, Mr. Pogue, Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Hughes, Mr. Kerner, Mr. Page.

Resolution Authorizing \$10,800,000 Congress Circle Union Bonds,

Series A and B of 1963

\$6,800,000 Congress Circle Union Bonds of 1963, Series A

\$4,000,000 Congress Circle Union Bonds of 1963, Series B

A RESOLUTION AUTHORIZING AND PROVIDING FOR THE ISSUANCE OF REVENUE BONDS FOR THE PURPOSE OF PAYING THE COST OF ACQUIRING, CONSTRUCTING, AND EQUIPPING THE CONGRESS CIRCLE UNION BUILDING AND PARKING FACILITIES IN THE CITY OF CHICAGO, ILLINOIS, BY THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, SETTING FORTH THE TERMS UNDER WHICH SUCH REVENUE BONDS ARE TO BE ISSUED, PROVIDING FOR THE RIGHTS OF THE HOLDERS THEREOF, AND PROVIDING FOR THE ACQUISITION, CONSTRUCTION, AND EQUIPMENT OF SUCH FACILITIES, AND THE MANAGEMENT, MAINTENANCE, IMPROVEMENT, AND OPERATION THEREOF.

WHEREAS, The Board of Trustees of the University of Illinois on due consideration and investigation does now find and determine that it is advisable and necessary and required for the good and benefit of the University of Illinois and the best interests of its students and faculty to construct and equip a Union Building, and to construct parking facilities on the Congress Circle campus of the University. (Said Union Building and parking facilities are hereinafter sometimes called the "building," "facilities" or "Project"); and

WHEREAS, in order to produce the funds necessary to construct and equip said Project it is advantageous to the University and necessary that the University borrow money and issue and sell revenue bonds under the provisions of paragraphs 48.1 through 48.7 of Chapter 144 of the Illinois Revised Statutes, 1961, and all laws amendatory thereof and supplemental thereto;

Now, Therefore, Be It Resolved by The Board of Trustees of the University of Illinois:

ARTICLE ONE

DEFINITIONS

Unless the context otherwise requires, the terms defined in this Article One shall for all purposes of this Resolution and of any resolution supplemental hereto, have the meanings herein specified, the following definitions to be equally applicable both to the singular and plural forms of any of the terms herein defined:

The term "*Authorized Officer*" shall mean the President, Secretary, Treasurer or Comptroller of the Board of Trustees, or any other person authorized by resolution of the Board of Trustees, to perform the act or sign the document in question.

The term "*Board of Trustees*" and the term "*University*" shall mean The Board of Trustees of the University of Illinois, a body corporate, created and established under the laws of the State of Illinois.

The term "*Bonds*" shall mean and include any and all bonds of all series, issued under this Resolution.

The term "*Comptroller*" shall mean the Comptroller of the University or such other person as may at the time be the acting chief fiscal officer of the University.

The terms "*facilities*," "*Project*," and "*building*" shall mean all facilities financed pursuant to this Resolution, the cost of which is paid in whole or in part through the issuance of Bonds.

The term "*fiscal year*" shall mean the twelve month accounting period established by the University for its academic operations, which currently is the period from July 1 through the following June 30.

The term "*Net Income Available for Debt Service*" shall mean at any date as of which the amount thereof is to be determined the sum of

(a) the net income for the preceding fiscal year of all revenue producing facilities pledged for the payment of Bonds; plus

(b) the estimated annual net income of all revenue producing facilities for the account of which Bonds have been issued and delivered but which

are under construction or for which a full fiscal year's operating experience is not available; plus

(c) the estimated annual net income of revenue producing facilities not then completed, the cost of which is to be financed through the proceeds of the sale of additional Bonds at the time proposed to be issued; plus

(d) the net income during the preceding fiscal year from investments of funds in the Congress Circle Union Bond and Interest Sinking Fund Account.

For the purpose of this definition net income shall be determined by deducting from the gross revenues or estimated gross revenues for the period in question (which revenues shall include student service charges for the use of the facilities pledged for the payment of all Bonds then outstanding and then to be issued at an amount adjusted as hereinafter provided) all operating expenses or estimated operating expenses for such period and the amounts required to be credited to the Improvement and Replacement Reserve. Also, for all purposes of this definition, student service charges shall be included in net income at an amount which is based on the reasonable estimate of anticipated student enrollment for the year for which the computation is made, that is to say that in computing Net Income Available for Debt Service for any future year, the amount of student service charges included in gross revenues shall (regardless of actual receipts for any current or preceding fiscal year) be appropriately adjusted for each such year to reflect the reasonable estimate of anticipated student enrollment for each such year but shall assume that such student service charges will remain unchanged from the then current rate per student. Other revenues and operating expenses of facilities to be constructed shall be estimated in writing by an independent consulting engineer. All computations of Net Income Available for Debt Service shall be made by the Comptroller of the University who shall certify thereto, and whose certificate shall be accompanied by a certificate signed by a nationally recognized firm of independent public accountants (which accountant's certificate may state that it is made in reliance on information supplied by the University and that they have made no independent examination of the books and records of the University in connection therewith) stating that they know of no reason why such computation is incorrect.

The term "*operating expenses*" shall mean and include all reasonable expenses of operation and maintenance of the facilities, including without limiting the generality of the foregoing, salaries, wages, cost of materials, supplies, insurance, light, heat, power, reasonable repairs necessary to properly maintain such facilities (including reasonable reserves therefor), taxes (if any), fees and expenses of the depository and paying agents and any expenses required to be paid pursuant to this Resolution but excluding depreciation, provisions for the Improvement and Replacement Reserve hereinafter provided, and all general administrative expenses of the University.

The term "*student service charge*" shall mean any student fee or portion thereof assessed against students enrolled at the Congress Circle campus of the University for the general use of the facilities (whether assessed as a separate charge or as a specific allocation of a multi-purpose fee or charge), but shall not include general student tuitions or student fees assessed for any other purpose.

The term "*owner*" or "*holder*" whenever employed herein with respect to a Bond which shall be registered as to principal or fully registered without coupons shall mean the person, firm or agency in whose name such Bond shall be registered and, whenever employed herein with respect to a coupon Bond which shall not be registered as to principal or a coupon, shall mean the bearer of such Bond or coupon.

The term "*Paying Agent*" shall mean the Continental Illinois National Bank and Trust Company of Chicago or its successors in the City of Chicago, Illinois, and shall also mean the Morgan Guaranty Trust Company of New York or its successors in the Borough of Manhattan and City and State of New York and shall also mean the Bank of America N.T.&S.A. in the City of San Francisco and State of California.

The term "*depository*" and the term "*Registration Agent*" shall mean the Continental Illinois National Bank and Trust Company of Chicago or its successor in the City of Chicago, Illinois.

The term "*Resolution*" shall mean this Resolution as originally adopted or as it may from time to time be supplemented, modified or amended by any resolution supplemental hereto, pursuant to the provisions hereof.

ARTICLE TWO

AUTHORIZATION, DESIGNATION, FORM, EXECUTION,
EXCHANGE AND REGISTRATION OF BONDS

SECTION 2.01. *Limitation of Issue and Equality of Bonds.* This resolution shall constitute a continuing agreement to secure the full and final payment in the manner herein provided for the principal and interest on all Bonds which may from time to time be delivered and issued hereunder. The aggregate principal amount of Bonds which may be so delivered and issued hereunder is not limited except as restricted by law or by the provisions hereof. All Bonds at any time issued and outstanding hereunder, regardless of series, shall be equally and ratably secured hereby without preference, priority or distinction.

SECTION 2.02. *Project and Purpose of Initial Issue of Bonds.* The initial project (hereinafter called the "Project") to be acquired, constructed, equipped and completed hereunder is described in a general way as:

1. The Congress Circle Union, consisting of a four-story building and a ten-story building with a connecting link at the three lower floors and located west of Halsted Street near Polk Street in the City of Chicago, Illinois; and
2. Parking lots for approximately 2,400 cars.

The estimated cost of said Project is \$13,460,000, including land, and the estimated cost of each portion of said Project is more fully set forth in the plans and specifications therefor on file with the University Architect.

It is hereby determined that in order to produce the funds necessary to construct and equip the Project, that the University borrow the sum of Ten Million Eight Hundred Thousand Dollars (\$10,800,000) and in evidence thereof to issue its Congress Circle Union Bonds hereunder in said principal amount. It is hereby determined that the cost of the project in excess of the amount to be borrowed can be provided from appropriations made by the General Assembly of the State of Illinois for the construction of buildings on the Congress Circle Campus of the University.

SECTION 2.03. *Terms of Series A and B of 1963 Bonds.* The Bonds to be initially issued hereunder shall be substantially in the form and of the tenor and purport hereinafter set forth and limited to the aggregate principal amount of Ten Million Eight Hundred Thousand Dollars (\$10,800,000) at any one time outstanding, Six Million Eight Hundred Thousand Dollars (\$6,800,000) of which shall be designated "The Board of Trustees of the University of Illinois Congress Circle Union Bonds of 1963, Series A" (hereinafter called "1963 Series A Bonds") and the remaining Four Million Dollars (\$4,000,000) principal amount thereof shall be designated "The Board of Trustees of the University of Illinois Congress Circle Union Bonds of 1963, Series B" (hereinafter called "1963 Series B Bonds").

The Series A Bonds and the Series B Bonds shall be issued as negotiable coupon bonds dated April 1, 1963, registrable as to principal in the denomination of \$5,000 or as fully registered Bonds without coupons, dated as of the interest payment date to which interest was last paid, next preceding the date of issue, unless issued on an interest payment date on which interest was paid, in which case they shall be dated as of the date of issue, or unless issued prior to October 1, 1963, in which case they shall be dated April 1, 1963. Each fully registered Bond without coupons shall be of a single maturity. Fully registered Bonds without coupons shall be numbered in such manner as may be designated by the Comptroller and shall be issued in denominations of \$5,000 or multiples thereof. Bonds shall bear interest from April 1, 1963, payable semi-annually on the first days of April and October in each year until paid, commencing October 1, 1963, at the rates provided below and shall mature in the following amounts on October 1, of the following years:

The 1963 Series A and B Bonds shall also be redeemable (under circumstances not included in the foregoing paragraph), either in whole or in part, prior to their maturity at the option of the Board of Trustees on any interest payment date on and after, but not prior to April 1, 1973, in inverse order in which they mature, at the principal amount thereof, together with the interest accrued thereon to the date fixed for redemption plus a premium of the following percentages of such principal amount if redeemed during the following periods respectively:

<i>Period of Redemption</i>	<i>Applicable Premium</i>
April 1, 1973 through October 1, 1977.....	3%
April 1, 1978 through October 1, 1982.....	2%
April 1, 1983 through October 1, 1987.....	1%
April 1, 1988 and thereafter without premium.	

SECTION 2.04. *Payment of Principal and Interest.* Both the principal of and the interest on the 1963 Series A and B Bonds shall be payable in any coin or currency which on the respective date of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, at the Continental Illinois National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, or at the Morgan Guaranty Trust Company of New York in the Borough of Manhattan and City and State of New York or at the Bank of America N.T.&S.A. in the City of San Francisco, California.

SECTION 2.05. *Form of Bonds.* The definitive coupon 1963 Series A and B Bonds, the interest coupons to be attached thereto, the form of fully registered

1963 Series A and B Bonds without coupons, the form of registration endorsement to appear on all coupon Bonds, the form of principal payment record and the form of assignment to appear on all fully registered Bonds shall be in substantially the following forms with appropriate insertions, omissions and variations to evidence differences in number, amount, interest rate, maturity and like matters:

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS
CONGRESS CIRCLE UNION BOND

Series of 1963

Number..... \$5,000

THE BOARD OF TRUSTEES OF THE UNIVERSITY OF ILLINOIS, a body corporate, created and existing under the laws of the State of Illinois, for value received promises to pay to bearer, but only out of the Congress Circle Union Bond Fund, as hereinafter provided for, and not otherwise, the principal sum of FIVE THOUSAND DOLLARS (\$5,000), on October 1, 19....., and to pay interest on said sum from the date hereof until paid at the rate of per cent (.....%) per annum, payable October 1, 1963, and semiannually thereafter on the first days of April and October in each year until the principal amount hereof has been fully paid. Interest accruing on this bond on and prior to the maturity date hereof shall be payable on presentation and surrender of the interest coupons hereto attached as they subsequently become due, but no interest shall accrue on this bond after the maturity hereof whether by lapse of time, call for redemption, or otherwise unless this bond shall be presented for payment and be not then paid.

Both principal hereof and interest hereon are hereby made payable in any coin or currency which, on the respective dates of payment of such principal and interest, is legal tender for the payment of debts due the United States of America, at the Continental Illinois National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, or at the Morgan Guaranty Trust Company of New York in the Borough of Manhattan and City and State of New York or at the Bank of America N.T.&S.A. in the City of San Francisco, California.

This bond is one of an initial authorized series of Dollars (\$.....) principal amount of Congress Circle Union Bonds of 1963, Series, which with the 1963 Series Bonds constitute an issue of Ten Million Eight Hundred Thousand Dollars (\$10,800,000) issued and to be issued pursuant to a Bond Resolution (herein called "Resolution") of The Board of Trustees of the University of Illinois duly adopted June 19, 1963, for the purpose of providing funds for paying the cost of constructing and equipping a Union Building and parking facilities at the University of Illinois at Congress Circle (herein called the "Project") as set forth in the Resolution. Said Resolution, among other things, provides for the issuance of additional bonds pursuant thereto in the manner and upon the terms and conditions more fully set forth therein.

The bonds of this series are redeemable prior to their maturity at the option of the Board of Trustees, either in whole or in part on any interest payment date on or after, but not prior to April 1, 1971, solely from surplus moneys in the Congress Circle Bond Fund, after the debt service reserve provided in Section 5.02 of the Resolution has been fully established and all provisions of Section 5.02 of the Resolution have been met and all deficiencies made up, in the inverse order in which they mature, at the principal amount thereof, together with interest accrued to the date of redemption plus a premium equal to the following percentages of such principal amount if resumed during the following periods respectively:

<i>Period of Redemption</i>	<i>Applicable Premium</i>
April 1, 1971 through October 1, 1972.....	3%
April 1, 1973 through October 1, 1977.....	2%
April 1, 1978 through October 1, 1982.....	1%
April 1, 1983 and thereafter without premium.	

The bonds of this series are also redeemable (under circumstances not included in the foregoing paragraph), either in whole or in part, prior to their

maturity at the option of the Board of Trustees on any interest payment date on and after, but not prior to April 1, 1973, in the inverse order in which they mature, at the principal amount thereof, together with the interest accrued thereon to the date fixed for redemption plus a premium of the following percentages of such principal amount if redeemed during the following periods respectively:

<i>Period of Redemption</i>	<i>Applicable Premium</i>
April 1, 1973 through October 1, 1977.....	3%
April 1, 1978 through October 1, 1982.....	2%
April 1, 1983 through October 1, 1987.....	1%
April 1, 1988 and thereafter without premium.	

Notice of redemption of any or all of said bonds shall be published once a week for two successive calendar weeks, the first such publication to be not less than thirty days prior to the date of redemption, such publication to be made in one daily newspaper printed in the English language and published and of general circulation in the City of Chicago, Illinois, and also in a financial newspaper printed in the English language and published and of general circulation in the Borough of Manhattan, City and State of New York, and when this bond or any of the bonds of such authorized issue shall have been duly called for redemption, interest thereon shall cease from and after the specified redemption date if redemption monies are available for the payment of all bonds called for redemption.

This bond and the series of which it forms a part is issued under the authority of The Board of Trustees of the University of Illinois to issue and sell revenue bonds under the provisions of paragraphs 48.1 through 48.7 of Chapter 144 of the Illinois Revised Statutes, 1961, and all laws amendatory thereof and supplemental thereto and the Resolution above referred to.

This bond is payable, both as to principal and interest, only from the revenues required to be credited to the Congress Circle Union Bond Fund as provided in the Resolution; which revenues are to be derived from (1) the operation of the revenue producing facilities constructed, completed, and equipped with the proceeds of this bond issue and additional bonds which may hereafter be issued pursuant to the Resolution, (2) the operation of any other revenue producing facilities which may subsequently be pledged pursuant to any supplemental resolution creating or authorizing additional bonds to be issued pursuant to the Resolution and (3) student service charges (as defined in the Resolution) for the use of the facilities. This bond and the series of which it forms a part do not constitute an indebtedness of said University of Illinois, The Board of Trustees of the University of Illinois, or the State of Illinois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University, of said Board of Trustees, or the State of Illinois is pledged to the payment of this bond or the interest thereon.

This bond shall pass by delivery unless it is registered as to principal in the name of the holder on the books of registration of said University kept at the office of the Registration Agent in the City of Chicago, Illinois, such registration to be noted on the back hereof. After such registration no transfer hereof shall be valid unless made on such books by the registered holder in person or by attorney duly authorized in writing and similarly noted hereon, but this bond may be transferred in like manner to bearer, and thereupon transferability by delivery shall be restored and it may again from time to time be registered or transferred to bearer as before. Such registration, however, shall not restrict the negotiability of the coupons hereto appertaining, but such coupons shall be transferable by delivery merely and payable to the bearer thereof.

Subject to the provisions for registration and transfer, this bond and all other bonds of this issue shall have all of the qualities of negotiable instruments, and during such time as this bond is payable to bearer, the same and each of the coupons hereto appertaining may be negotiated by delivery by any person having possession thereof, and any holder who shall have taken this bond while so payable to bearer or any of said coupons from any person for value and without notice shall thereby acquire absolute title to this bond or to such coupons, as the case may be, free of any defenses enforceable against any prior holder and free from all equities and claims of ownership of any such prior holder, and The Board of Trustees of the University of Illinois, any paying agent, the Registration Agent and any other person may deem and treat the bearer of this bond, or, if registered, the person in whose name it is registered, and the bearer of any

interest coupons appertaining hereto as the absolute owner hereof for all purposes and shall not be affected by any notice to the contrary whether this bond or any coupon appertaining thereto be overdue or not.

The bonds of this series are issuable as coupon bonds registrable as to principal only in the denomination of \$5,000 and as registered bonds without coupons in the denomination of \$5,000 or a multiple thereof. Each fully registered bond without coupons shall be of a single maturity. The coupon bonds and the registered bonds without coupons are interchangeable for bonds of the same interest rate and maturity upon presentation thereof for such purpose by the holder or registered owner at the office of the Registration Agent in the City of Chicago, Illinois, and upon payment of charges and otherwise as provided in the Resolution.

The rights and obligations of the University and of the holders of the bonds may be modified or amended at any time with the consent of The Board of Trustees of the University of Illinois and of the holders of sixty-six and two-thirds per cent (66 $\frac{2}{3}$ %) in principal amount of outstanding bonds in the manner, to the extent, and upon the terms and conditions provided in the Resolution; provided that no such modification or amendment shall (i) extend the maturity of or reduce the interest rate on or otherwise alter or impair the obligation of the University to pay the principal, interest or redemption premiums at the time and place and at the rate and in the currency provided therein of any bond without the expressed consent of the holder or (ii) permit the creation of any mortgage or pledge or lien on the facilities, or upon any income therefrom or other funds pledged or held under the Resolution, except as permitted by the Resolution, other than the lien and pledge created thereunder, or (iii) permit the creation by The Board of Trustees of the University of Illinois of any preference or priority of any bond or bonds over any other bond or bonds or coupon or coupons over any other coupon or coupons or (iv) reduce the percentage in principal amount of bonds required for the affirmative vote or written consent to an amendment or modification without the consent of the holder of this bond; all as more fully set forth in the Resolution.

The Board of Trustees of the University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the Resolution adopted by it, authorizing the issuance of this bond and the series of which it forms a part, and hereby irrevocably obligates itself to administer the said income and revenue derived from the operation of said facilities, as provided for in and by said Resolution, and to establish from time to time rules, rents, student service charges and other charges for the use of said facilities and to maintain and collect rents and student service charges and other charges sufficient to pay the reasonable cost of operating and maintaining said facilities, and pay the principal of and interest upon all bonds which by their terms are payable from such revenues, until all of such bonds have been paid in full, both as to principal and interest.

It is hereby certified and recited and declared that all acts, conditions, and things required to exist, to happen, and to be performed, precedent to and in the issuance of this bond, have existed, have happened, and have been performed in due form, time, and manner, as required by law and the applicable resolutions of The Board of Trustees of the University of Illinois, and that provision has been made for setting aside the income and revenue to be derived from the operation of said facilities to be applied in the manner hereinabove set forth.

IN WITNESS WHEREOF, The Board of Trustees of the University of Illinois has caused this bond to be executed by the facsimile signatures of its President and two of its members, the corporate seal of the University of Illinois to be hereto affixed (or a facsimile thereof to be reproduced hereon), and attested by its Secretary, and has caused the interest coupons hereto attached to be executed by the facsimile signatures of said President and Secretary, and this bond to be dated as of the 1st day of April, 1963.

The Board of Trustees of the University of Illinois, a body corporate, created and existing under the laws of the State of Illinois, for value received promises to pay (but only out of the Congress Circle Union Bond Fund as hereinafter provided for, and not otherwise) to

..... or registered assigns, on October 1, 19....., the principal sum of Dollars (\$.....) and to pay interest thereon (which shall be paid by check or draft mailed to the registered owner at his address as it appears on the bond registration books of the University), at the rate of per cent (.....%) per annum, payable October 1, 1963, and semiannually thereafter on the first days of April and October in each year from the date hereof until the principal amount hereof has been fully paid.

Both principal hereof and interest hereon are made payable in any coin or currency which on the respective dates of payment of such principal and interest is legal tender for the payment of debts due the United States of America, at the Continental Illinois National Bank and Trust Company of Chicago, in the City of Chicago, Illinois, or at the Morgan Guaranty Trust Company of New York in the Borough of Manhattan and City and State of New York or at the Bank of America N.T.&S.A. in the City of San Francisco, California.

This bond is one of an initial authorized series of principal amount of Congress Circle Union Bonds of 1963, Series, which with the 1963 Series Bonds constitute an issue of Ten Million Eight Hundred Thousand Dollars (\$10,800,000), issued and to be issued pursuant to a Bond Resolution (herein called "Resolution") of The Board of Trustees of the University of Illinois duly adopted June 19, 1963, for the purpose of providing funds for paying the cost of constructing and equipping a Union Building and parking facilities at the University of Illinois at Congress Circle (herein called the "Project") as set forth in the Resolution. Said Resolution, among other things, provides for the issuance of additional bonds

pursuant thereto in the manner and upon the terms and conditions more fully set forth therein.

The bonds of this series are redeemable prior to their maturity at the option of the Board of Trustees, either in whole or in part on any interest payment date on and after, but not prior to April 1, 1971, solely from surplus moneys in the Congress Circle Bond Fund, after the debt service reserve provided in Section 5.02 of the Resolution has been fully established and all provisions of Section 5.02 of the Resolution have been met and all deficiencies made up, in the inverse order in which they mature, at the principal amount thereof, together with interest accrued to the date of redemption plus a premium equal to the following percentages of such principal amount if redeemed during the following periods respectively:

<i>Period of Redemption</i>	<i>Applicable Premium</i>

April 1, 1973 through October 1, 1977.....	2%
April 1, 1978 through October 1, 1982.....	1%
April 1, 1983 and thereafter without premium.	

The bonds of this series are also redeemable (under circumstances not included in the foregoing paragraph), either in whole or in part, prior to their maturity at the option of the Board of Trustees on any interest payment date on and after, but not prior to April 1, 1973, in the inverse order in which they mature, at the principal amount thereof, together with the interest accrued thereon to the date fixed for redemption plus a premium of the following percentages of such principal amount if redeemed during the following periods respectively:

<i>Period of Redemption</i>	<i>Applicable Premium</i>
April 1, 1973 through October 1, 1977.....	3%
April 1, 1978 through October 1, 1982.....	2%
April 1, 1983 through October 1, 1987.....	1%
April 1, 1988 and thereafter without premium.	

Notice of redemption of any or all of said bonds shall be published once a week for two successive calendar weeks, the first such publication to be not less than thirty days prior to the date of redemption, such publication to be made in one daily newspaper printed in the English language and published and of general circulation in the City of Chicago, Illinois, and also in a financial newspaper printed in the English language and published and of general circulation in the Borough of Manhattan, City and State of New York, and when this bond or any of the bonds of such authorized issue shall have been duly called for redemption, interest thereon shall cease from and after the specified redemption date if redemption monies are available for the payment of all bonds called for redemption.

This bond and the series of which it forms a part is issued under the authority of The Board of Trustees of the University of Illinois to issue and sell revenue bonds under the provisions of paragraphs 48.1 through 48.7 of Chapter 144 of the Illinois Revised Statutes, 1961, and all laws amendatory thereof and supplemental thereto and the Resolution above referred to.

This bond is payable, both as to principal and interest, only from the revenues required to be credited to the Congress Circle Union Bond Fund as provided in the Resolution; which revenues are to be derived from (1) the operation of the revenue producing facilities constructed, completed and equipped with the proceeds of this bond issue and additional bonds which may hereafter be issued pursuant to the Resolution, (2) the operation of any other revenue producing facilities which may subsequently be pledged pursuant to any supplemental resolution creating or authorizing additional bonds to be issued pursuant to the Resolution and (3) student service charges (as defined in the Resolution) for the use of the facilities. This bond and the series of which it forms a part do not constitute an indebtedness of said University of Illinois, The Board of Trustees of the University of Illinois, or the State of Illinois within any constitutional or statutory limitation, and neither the taxing power nor the general credit of said University, or said Board of Trustees, or the State of Illinois is pledged to the payment of this bond or the interest thereon.

Subject to the provisions for registration and transfer contained herein and in the Resolution, this bond and all other bonds of this issue shall have all of the

qualities of negotiable instruments, and shall be transferable by the registered owner at the office of the Registration Agent in the City of Chicago, Illinois, upon surrender and cancellation of this bond and thereupon coupon bonds or a new registered bond without coupons of the same principal amount, interest rate and maturity will be issued to the transferee as provided in the Resolution. The Board of Trustees of the University of Illinois, any paying agent, the Registration Agent and any other person may treat the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment and for all other purposes and shall not be affected by any notice to the contrary whether this bond be overdue or not.

The bonds of this series are issuable as coupon bonds registrable as to principal only in the denomination of \$5,000 and as registered bonds without coupons in the denomination of \$5,000 or a multiple thereof. Each fully registered bond without coupons shall be of a single maturity. The coupon bonds and the registered bonds without coupons are interchangeable for bonds of the same interest rate and maturity upon presentation thereof for such purpose by the holder or registered owner at the office of the Registration Agent in the City of Chicago, Illinois, and upon payment of charges and otherwise as provided in the Resolution.

The rights and obligations of the University and of the holders of the bonds may be modified or amended at any time with the consent of The Board of Trustees of the University of Illinois and of the holders of sixty-six and two-thirds per cent ($66\frac{2}{3}\%$) in principal amount of outstanding bonds in the manner, to the extent, and upon the terms and conditions provided in the Resolution; provided that no such modification or amendment shall (i) extend the maturity of or reduce the interest rate on or otherwise alter or impair the obligation of the University to pay the principal, interest or redemption premiums at the time and place and at the rate and in the currency provided therein of any bond without the express consent of the holder or (ii) permit the creation of any mortgage or pledge or lien on the facilities, or upon any income therefrom or other funds pledged or held under the Resolution, except as permitted by the Resolution, other than the lien and pledge created thereunder, or (iii) permit the creation by The Board of Trustees of the University of Illinois of any preference or priority of any bond or bonds over any other bond or bonds or coupon or coupons over any other coupon or coupons or (iv) reduce the percentage of principal amount of bonds required for the affirmative vote or written consent to an amendment or modification without the consent of the holder of this bond; all as more fully set forth in the Resolution.

The Board of Trustees of the University of Illinois hereby covenants with the holder of this bond that it will keep and perform all the covenants and agreements in the Resolution adopted by it, authorizing the issuance of this bond and the series of which it forms a part, and hereby irrevocably obligates itself to administer the said income and revenue derived from the operation of said facilities, as provided for in and by said Resolution, and to establish from time to time rules, rents, student service charges and other charges for the use of said facilities and to maintain and collect rents and student service charges and other charges sufficient to pay the reasonable cost of operating and maintaining said facilities, and pay the principal of and interest upon all revenue bonds which by their terms are payable from such revenues, until all of such bonds have been paid in full, both as to principal and interest.

It is hereby certified and recited and declared that all acts, conditions, and things required to exist, to happen, and to be performed, precedent to and in the issuance of this bond, have existed, have happened, and have been performed in due form, time, and manner, as required by law and the applicable resolutions of The Board of Trustees of the University of Illinois, and that provision has been made for setting aside the income and revenue to be derived from the operation of said facilities to be applied in the manner hereinabove set forth.

IN WITNESS WHEREOF, The Board of Trustees of the University of Illinois has caused this bond to be executed by the facsimile signature of its President and two of its members, the corporate seal of the University of Illinois to be hereto affixed (or a facsimile thereof to be reproduced hereon), and attested by its Secretary, and this bond to be dated as of the 1st day of

SECTION 2.06. *Bonds of Additional Series.* Subject to the conditions and limitations set forth in Article Four hereof and provided that the University shall not at the time be in default under any of the terms, covenants or provisions of this Resolution, additional Bonds of equal rank with the 1963 Series A and B Bonds may be issued from time to time under this Resolution having such maturities, providing for the payment of such rates of interest and having such other characteristics as shall be determined by the Board of Trustees and set forth in a resolution to be supplemental hereto; provided, however, that each issue of additional Bonds, when so issued, shall be differentiated from all previous issues by appropriate designation inscribed thereon.

SECTION 2.07. *Execution of Bonds.* All of the Bonds shall be executed by the facsimile signatures of the President and any two members of the Board of Trustees and shall have the seal of the University affixed thereto (or a facsimile thereof to be reproduced thereon) and shall be attested by the Secretary of the Board of Trustees, the coupons to be attached to the Bonds shall bear the facsimile signatures of the President and Secretary of the Board of Trustees.

In case any person who shall have signed, sealed or attested any Bond issuable under this Resolution as an officer or member of the Board of Trustees, shall have ceased to be such officer or member before the Bond so signed, sealed or attested shall have been actually delivered, such Bond nevertheless may be delivered and issued as though the person who signed, sealed or attested such Bond had not ceased to be such officer or member of the Board of Trustees.

Any Bond issuable hereunder may be signed, sealed or attested on behalf of the Board of Trustees by any person who at the actual date of execution of such Bond is the proper person, although at the date of such Bond such person shall not have been an officer or member of the Board of Trustees.

SECTION 2.08. *Registration and Transfer of Bonds.* The University shall keep at the office of the Registration Agent in Chicago, Illinois, books for the registration and transfer of Bonds issued hereunder, which, at all reasonable times, shall be open for inspection by the holder of any Bond issued hereunder, and upon presentation for the purpose at such office, the University will register or transfer or cause to be registered or transferred herein, as hereinafter provided, and under such reasonable regulations as it may prescribe, any Bonds issued under this Resolution and entitled to be so registered or transferred.

The holder of any coupon Bond issued hereunder may have the ownership of the principal thereof registered on said books of the University at the office of the Registration Agent in Chicago, Illinois, and such registration shall be noted on the Bond. After such registration no transfer shall be valid unless made on

the said books by the registered owner in person, or by his duly authorized attorney, and similarly noted on the Bond; but the same may be discharged from registration by being in like manner transferred to bearer, and thereupon transferability by delivery shall be restored; and such Bond may again, from time to time, be registered or transferred to bearer as before. Such registration, however, shall not affect the transferability of the coupons, but every such coupon shall continue to be transferable by delivery merely, and shall remain payable to bearer. The University shall make no charge for such registrations and discharges from registration.

Any registered Bond without coupons may be transferred at the office of the Registration Agent in the City of Chicago, Illinois, by surrender of such Bond for cancellation, accompanied by delivery of a written instrument of transfer in form approved by the Comptroller, duly executed by the registered owner of such Bond or his duly authorized attorney, and thereupon the University shall issue in the name of the transferee or transferees a new registered Bond or Bonds of like form and maturity and for a like aggregate principal sum.

A registered Bond without coupons, upon request of the registered owner, may be exchanged at said office of the Registration Agent for several such Bonds, of like form and maturity but of lesser authorized denominations, in the same name and for a like aggregate principal sum, and several registered Bonds without coupons, in the same name, may, upon request of the registered owner, be exchanged at such office or agency for one registered Bond without coupons or several such Bonds, of like form and maturity, but of greater authorized denominations and for the same aggregate principal sum.

Whenever any coupon Bonds in aggregate principal amount equal to one or more registered Bonds without coupons of authorized denominations, with all unmatured coupons thereto attached, shall be surrendered at such office for exchange for a registered Bond or Bonds without coupons, the University shall issue, and, in exchange for such coupon Bonds, shall deliver registered Bonds, or one registered Bond, of authorized denominations without coupons, of the same maturity and for a like aggregate principal sum.

Whenever any registered Bond without coupons shall be surrendered for cancellation, accompanied by delivery of a written instrument or transfer in a form approved by the Comptroller, duly executed by the registered owner of such Bond or his duly authorized attorney, at the office of the Registration Agent in the City of Chicago, Illinois, for exchange for coupon Bonds, the University shall issue, and, in exchange for such registered Bond, shall deliver coupon Bonds for a like aggregate principal sum and like maturity, with coupons thereto attached representing interest from the interest payment date on which interest was last paid on such registered Bond without coupons.

As to all registered Bonds without coupons and all coupon Bonds registered as to principal, the person in whose name the same shall be registered shall be deemed and regarded as the owner thereof, for all purposes, and thereafter payment of or on account of the principal of such Bond, if it be a registered coupon Bond, and of the principal and interest, if it be a registered Bond without coupons, shall be made only to such registered owner thereof but such registration may be changed as above provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bonds to the extent of the sum or sums so paid. The University may deem and treat the bearer of any coupon Bond which shall not at the time be registered as to principal, and the bearer of any coupons for interest on such Bond, whether such Bond shall be registered or not, as the absolute owner of such Bond or coupon for the purpose of receiving payment thereof, and for all other purposes whatsoever, and the University shall not be affected by any notice to the contrary whether the Bond or coupon be overdue or not.

In every case of exchange or transfer of Bonds under this Section, the surrendered Bond or Bonds shall be presented to the University for cancellation.

Upon every such exchange of coupon Bonds for registered Bonds, without coupons, or of registered Bonds without coupons for coupon Bonds or for other registered Bonds without coupons, and upon any transfer of registered Bonds without coupons, the University, except as otherwise provided in any agreement between the University and any original purchaser of Bonds, may require the payment of such charge therefor as it may deem proper, not exceeding Two Dollars (\$2.00) plus actual expenses, including printing costs of new bonds, in-

current in connection therewith for each Bond issued upon such exchange, payment of which, together with any taxes or other governmental charges required to be paid with respect to such exchange or transfer, shall be made by the party requesting such exchange or transfer as a condition precedent thereto.

The University shall not be required to make exchanges or transfers of bonds as provided in this Section 2.08 during a period of ten (10) days next preceding any interest payment date, or for the period of ten (10) days next preceding the first publication of notice of redemption of any Bond or at any time of any Bonds which have theretofore been duly called for redemption.

SECTION 2.09. *Lost, Stolen, Destroyed or Mutilated Bonds.* Upon the receipt by the University of evidence satisfactory to it of the loss, theft, destruction or mutilation of any outstanding Bond hereby secured, and of indemnity satisfactory to it, and upon surrender and cancellation of such Bond if mutilated, the University may execute and deliver, upon the lapse of such period of time as they may deem advisable, a new Bond of like tenor and maturity bearing the same or a different serial number, to be issued in lieu of such lost, stolen, destroyed or mutilated Bond. Such new Bond may bear such endorsement as may be prescribed by the University and which at the time is necessary to conform to the requirements of any securities exchange or of any governmental body having jurisdiction. The University may require the payment of a sum not exceeding Two Dollars (\$2.00) for each new Bond issued under this Section 2.09, plus expenses, including printing costs of new bonds, which may be incurred by the University in the premises.

SECTION 2.10. *Registration Agent.* The depository in the City of Chicago, Illinois, is hereby appointed as the Registration Agent for the purpose of registering, transferring and exchanging the Bonds as in this Resolution provided and the University agrees to take all legal action necessary or proper to constitute said depository as the Registration Agent hereunder.

ARTICLE THREE

REDEMPTION OF BONDS

SECTION 3.01. *Publication of Notice.* Whenever the University shall determine to exercise its right to redeem any Bonds issued hereunder and by their terms subject to redemption, notice of such redemption shall be published by the University in one daily newspaper printed in the English language and published and of general circulation in the City of Chicago, Illinois, and in a financial newspaper printed in the English language and published and of general circulation in the Borough of Manhattan, in the City and State of New York, not less than 30 days prior to such redemption date. Such notice shall (a) designate the time and place of such redemption; (b) if the Bonds to be redeemed are less than all of the Bonds of any series or maturity, designate the numbers, the maturity date or dates and the aggregate principal amount of such Bonds; and (c) state that on the designated date of redemption such Bonds will be redeemed by payment of the principal amount thereof (or for the portion thereof to be redeemed) and all unpaid interest accrued thereon to the date of redemption plus the applicable premium, if any, and that from and after such designated redemption date interest in respect of the Bonds (or portions thereof) so called for redemption shall cease. A copy of said notice shall be mailed by the University, postage prepaid, at least 30 days prior to the redemption date to all registered owners of Bonds so to be redeemed at their last addresses appearing on the registration books of the University, but such mailing shall not be a condition precedent to the validity of the redemption of any Bond.

In case any fully registered Bonds are to be redeemed in part only, said notice shall specify the respective portions of the principal amounts thereof to be redeemed (which shall be \$5,000 or any multiple thereof) and shall state that payment of the redemption price shall, except as hereinafter specifically provided, be made only upon presentation of such fully registered Bonds for surrender in exchange for a coupon Bond or Bonds or a fully registered Bond or Bonds of the same series and maturity, of authorized denominations in aggregate principal amount equal to the unredeemed portion of the principal amount thereof; and in such case, if coupon Bonds or fully registered Bonds are so to be delivered in exchange, the University shall execute and deliver to or upon the written order of the registered owner of any fully registered Bonds, a portion only of which is to

be redeemed, and at the expense of the University, a new Bond or Bonds of the same series and maturity for the principal amount of the surrendered fully registered Bond less the principal amount thereof paid on surrender.

In the event of the payment of a portion of the principal amount of any fully registered Bond registered in the name of any initial purchaser in whose name Bonds of that series were first registered and named in a written order of an Authorized Officer filed with the depository and stating that the provisions of this paragraph shall be applicable thereto, or registered in the name of any subsequent holder for the benefit of whom University shall elect that the provisions of this paragraph shall be applicable thereto (which election shall be subject to the condition that such subsequent holder shall first agree not to make any sale or transfer of any Bond or Bonds registered in its name without presentation of such Bond or Bonds for transfer and exchange), then in such event the University shall make payment to such Bond holder without requiring presentation of such Bond and, in lieu of delivering a new Bond or Bonds of an aggregate principal amount equal to the unredeemed portion of the principal amount of such Bond, the University shall, in its letter transmitting payment to such Bond holder, instruct such holder to endorse such payment on such Bond and a written representation from such holder to the University that such payment has been so endorsed shall be conclusive evidence of such endorsement and payment.

SECTION 3.02. *Pro Rata Redemption Among Series.* In any case of the redemption at the option of the University of less than all of the outstanding Bonds then subject to redemption, no Bonds of any series may be redeemed unless Bonds of each other series then subject to redemption are redeemed at the same time in proportion to the amount of each such Series originally issued; provided, however, that in any case of the redemption of all of the outstanding Bonds of any one or more series, as a result of or in anticipation of the refunding or refinancing of one or more such series by the application of funds derived from other borrowings or the issuance of additional Bonds hereunder, no Bonds of any other series need be redeemed unless so required in the resolution supplemental hereto, creating or authorizing any additional series of Bonds. Nothing in this section shall be deemed to restrict the redemption by the University of a portion of the Bonds of any Series out of surplus funds remaining in a Construction Fund Account held for the account of Bonds of such series in any case where the University is required or permitted to redeem such Bonds out of such surplus funds.

SECTION 3.03. *Selection of Bonds for Redemption.* In case the University shall have elected to redeem less than all of the outstanding Bonds of a single series and maturity, the Bonds to be redeemed shall be selected by lot except as herein otherwise expressly provided. In each such instance the University shall, at least five days before the date upon which the first publication of the notice of redemption hereinbefore mentioned is required to be made (or the mailing of such notice in case no publication is required as hereinafter specified), draw by lot, from the outstanding Bonds of such series and maturity, in any manner deemed by it proper, the identifying numbers of the Bonds to be redeemed. In any such selection by lot each Bond of a denomination in excess of \$5,000 shall be given a separate number for each \$5,000 of the principal amount thereof.

SECTION 3.04. *Deposit of Funds for Redemption.* Said notice having been given, as above provided, the Bonds designated for redemption shall, on the date specified in such notice, become due and payable, at the then applicable redemption price, and on or before the day preceding the date fixed for redemption the University shall deposit with the Continental Illinois National Bank and Trust Company of Chicago, or its successor in the City of Chicago, Illinois, as depository, the redemption price of the Bonds called for redemption and accrued interest thereon to the date fixed for redemption. Upon such deposit having been made and on presentation, if required, of such Bonds in accordance with such notice at the place at which the same are expressed in such notice to be redeemable, with all appertaining coupons, if any, maturing after said redemption date, such Bonds shall forthwith after the making of such deposit be paid by the depository, on behalf of the University, at such redemption price. Such payment of the redemption price shall be made to the bearer of any such Bonds, unless it shall then be registered, in which case such payment shall be made to the registered owner. All unpaid interest installments represented by coupons which

shall have matured on or prior to the date of redemption specified in such notice, shall continue to be payable to the bearers, severally and respectively, and the redemption price payable to the holders of Bonds presented for redemption shall not include such unpaid installments of interest unless coupons representing such installments shall be attached to the Bonds presented for redemption.

SECTION 3.05. *Effect of Redemption.* If the amount necessary to redeem all of the Bonds called for redemption as aforesaid shall have been deposited with the paying agent, for the account of the holder or holders of such Bonds on or before the day preceding the date specified for such redemption, and the notice hereinbefore mentioned shall have been duly given, and all charges and expenses of the paying agent in connection with such redemption, or otherwise hereunder, shall have been fully paid or provided for, the University shall be privileged to consider such Bonds redeemed from the holder or holders thereof, and interest on such Bonds shall cease on the date specified for such redemption, and the University shall thereupon (subject to the provisions of Article Ten hereof) be discharged from and after the redemption date specified in such notice from further liability in respect of the Bonds so called for redemption, and thereafter such Bonds shall not be entitled to any benefit of or from this Resolution. In case any question shall arise as to whether any such notice shall have been sufficiently given, or such redemption effected, such question shall be decided by the paying agent, and the decision of the paying agent shall be final and binding upon all parties in interest. No holder of any Bond shall be entitled to any interest on money deposited for the redemption of Bonds.

SECTION 3.06. *Cancellation of Bonds.* All Bonds redeemed and paid, as provided in this Article Three, shall, together with all coupons appertaining thereto, if any, be cancelled by the University and no Bonds or coupons so redeemed shall be reissued, nor shall any Bonds or coupons be issued in lieu thereof.

ARTICLE FOUR

ISSUANCE OF BONDS

SECTION 4.01. *Issuance of 1963 Series A and B Bonds.* Series A Bonds in the principal amount of Six Million Eight Hundred Thousand Dollars (\$6,800,000) and Series B Bonds in the amount of Four Million Dollars (\$4,000,000) shall be executed on behalf of the Board of Trustees and delivered to or upon the written order of the Comptroller.

SECTION 4.02. *Issuance of Additional Bonds.* Subject to the conditions and limitations hereinafter set forth and provided the University shall not at the time be in default under any of the terms, covenants or provisions of this Resolution, additional Bonds of equal rank with the 1963 Series A and B Bonds may be issued from time to time under the terms of this Resolution having such maturities, providing for the payment of such rates of interest and having such other characteristics as shall be determined by the Board of Trustees and set forth in a resolution to be supplemental hereto; *provided* such additional Bonds shall be issued only for one or more of the following purposes:

A. To provide funds necessary to pay the cost of completing the Project herein provided for in accordance with the plans and specifications now on file in the office of the Physical Plant Department, Navy Pier, Chicago, Illinois; or

B. Paying the cost of equipping, enlarging or improving the Project, provided that no Bonds may be issued for paying the cost of enlargements or improvements which would increase the size of the Congress Circle Union Building (as measured in gross square feet of floor space) by more than twenty-five per cent (25%); or

C. Paying the cost of construction or improvement of parking lots or parking structures for the Congress Circle campus;

provided further that the following conditions precedent are complied with at or prior to the time of issuance of such additional Bonds:

(i) In the event additional Bonds are issued for the purposes indicated in clause A above to provide additional funds necessary to pay the cost of completing the Project, the Architects employed by the University for the construction of said Project have submitted a certificate to the Board of Trustees setting forth an itemized statement of the work completed to the

date of said certificate, the cost thereof and an itemized statement of the work yet to be completed and the estimated cost of the work to be completed and such certificate of estimate shall be presented to and approved by said Board of Trustees preceding the adoption of any resolution authorizing the issuance of additional Bonds for such purpose, and

(ii) In the event additional Bonds are issued for the purpose of paying the cost of equipping, enlarging or improving the Project as provided in clause B and/or C above, the Net Income Available for Debt Service shall be equal to or greater than one and thirty-five hundredths (1.35) times the amount to become due in each succeeding fiscal year for the payment of principal and interest on the Bonds then outstanding hereunder and the Bonds then to be issued; provided that for any bonds issued prior to January 1, 1974, the income from student service charges shall not be based upon fall term student enrollments greater than 8,200 in 1965, 9,500 in 1966, 14,000 in 1967, 16,200 in 1968, 17,600 in 1969, 18,700 in 1970, 19,000 in 1971, 19,700 in 1972 and 20,000 in 1973 and each year thereafter, except that the most recent fall term enrollment figure may be substituted for the enrollment estimate for any year or years.

All such additional Bonds shall be issued pursuant to a resolution supplemental hereto, duly adopted by the Board of Trustees, setting forth the form of such additional Bonds and the terms and conditions applicable thereto. For the purpose of this Section any computation of Net Income Available for Debt Service prepared and certified by the Comptroller, setting forth in detail the computation thereof and demonstrating that it is equal to or greater than the amount required above shall be binding and conclusive upon the Board of Trustees and the holders of all Bonds then outstanding hereunder and then to be issued.

ARTICLE FIVE

PROVISIONS RELATING TO INCOME AND APPLICATION THEREOF

SECTION 5.01. *Congress Circle Union Bond Fund.* All revenues derived from the following sources are hereby pledged and shall be held in trust for the benefit of the Bond holders for the purpose of making the payments or deposits required to be made under subsections (a), (b) and (c) of Section 5.02 of this Resolution:

- (1) the operation of the Project,
