MEMORIAL TO CHESTER R. DAVIS

Mr. Johnston presented the following:

The Board of Trustees of the University of Illinois records with profound sorrow the death on July 30, 1966, of Chester R. Davis, a former member of this Board.

Mr. Davis served his Country, his State, his University, and the Chicago metropolitan community for many years, in many ways. As a young man, just graduating from Lake Forest College in 1917 when the United States declared war on the central powers of Europe, he entered the Army and became a Captain of Infantry and served as a company commander in the 320th Infantry Regiment of the 80th Division in the American Expeditionary Forces in World War I. He was decorated with the Purple Heart. In later years, from 1940-47, he served as Brigadier General and Major General in the Illinois Reserve Militia.

Upon returning from military service in 1919, he enrolled in the University of Illinois College of Law. Following his graduation in 1922, he joined the Chicago Title and Trust Company serving in various posts until he retired as Senior Vice-President in 1960, but continued as a Director of the Company until 1963.

From 1955-57 he was Assistant Secretary of the Army for Financial Management; upon completion of that assignment he received the Exceptional Civilian Service Award from President Eisenhower.

His numerous civic activities in the Chicago area were concerned with mental health, the aged, crippled children, hospital planning, medical research, metropolitan planning, conservation, and numerous trusteeships.

He served on The Board of Trustees of the University of Illinois from 1940-49 and on several of its important committees. His membership on the Board was during a critical period in the University's history when it was called upon to serve in unprecedented ways both in wartime and in peacetime. He was a member of the University of Illinois Foundation and of the University's Citizens Committee which he helped to establish while he was a Trustee.

This Memorial is presented for the public record as a tribute to a former colleague and a devoted citizen, and as an expression of sympathy to his family.

This memorial was adopted by a standing vote.

BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

The Board took up consideration of the following reports and recommendations from the President of the University.

PRESIDENT'S REPORT

President Henry presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the Secretary of the Board.

NONSALARIED FACULTY OF THE COLLEGE OF MEDICINE, 1966-67

(2) Upon recommendations of the Dean of the College of Medicine and the Chancellor at the Medical Center, and with the concurrence of the Executive Vice-President and Provost, I have approved appointments and reappointments to the nonsalaried faculty of the College of Medicine for the academic year beginning September 1, 1966. The list of these appointments is being filed with the Secretary of the Board for record, and his office will issue the usual notices to the appointees.

The filing of the list of these nonsalaried appointments with the Secretary of the Board and filing of the appointment notices with all officials concerned should constitute an adequate record. Hence, it is proposed that the former practice of printing the names in the Board minutes be discontinued.

Following is a comparative summary of the number of appointments in each department for the years 1965-66 and 1966-67.

**REQUEST THAT ILLINOIS BUILDING AUTHORITY CONTRACT FOR
CONSTRUCTION OF UNDERGRADUATE LIBRARY, URBANA**

(11) On August 16, 1966, the Illinois Building Authority received bids on all work for the construction of the Undergraduate Library at the Urbana campus. The lowest bidder is McCarthy-Hathman Construction Company, a joint venture of McCarthy Bros. Construction Company and J. E. Hathman, Inc., doing business as McCarthy-Hathman Construction Company, Ladue, St. Louis County, Missouri, with a low bid of \$2,958,862. Six other proposals were received, with bids ranging from \$2,974,000 to \$3,425,000. The lowest bidder is deemed fully qualified and the sponsoring firm of the "joint venture" (McCarthy Bros. Construction Company) has performed satisfactorily under contract with the University in the past.

The project is one which the Board of Trustees on September 22, 1965, requested the Illinois Building Authority to provide. The Authority will finance construction and lease the facilities to the University for rental payments for which state appropriations are available. The University will transfer jurisdiction of the land on which the project will be constructed to the Authority.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board authorize the transfer of jurisdiction of the site and request the Illinois Building Authority to award a contract for the described work to the lowest bidder and proceed to procure this facility for the use of the University.

**COMMENDATION OF DEAN WILLIAM V. LAMBERT FOR SERVICES
AT UTTAR PRADESH AGRICULTURAL UNIVERSITY, INDIA**

(20) Since 1960, Dean William V. Lambert has played a central role in the establishment of the Uttar Pradesh Agricultural University in India. His services, as Advisor to the Vice-Chancellor of the University, as Group Leader, and more recently as Chief of Party, have been fundamental to the success of the new institution.

Some months ago Dean Lambert asked to be relieved of this assignment and with deep regret the University accepted his resignation. I have sought to express our appreciation to Dean Lambert for his extraordinary services in a letter which is attached herewith and which is reported to the Trustees as a matter of information.

On motion of Mr. Hughes, this report was received for record.

On motion of Mrs. Watkins, the Board endorsed the commendation and authorized the Secretary to prepare a statement of appreciation on behalf of the Board and convey it to Dean Lambert.

UNIVERSITY OF ILLINOIS
OFFICE OF THE PRESIDENT

August 18, 1966

DEAN W. V. LAMBERT
1890 Kipling, Lakewood
Denver, Colorado

DEAR DEAN LAMBERT:

I am most unhappy that we were unable to get together for fuller discussion of UPAU while you were on campus and that I was absent in Europe when you completed your task and departed. Among other subjects, I wanted to express the University's appreciation of the splendid service you rendered as Group Leader of the University of Illinois Team at the Uttar Pradesh Agricultural University, and I hope that this letter will reflect how deeply we feel about the importance of what you have done.

When I visited the UPAU in 1960, I was impressed with the progress being made. But, I was even more impressed with the difficult tasks you would face in your new duties. You were in charge of our staff members during most difficult times. Always you demonstrated qualities of genuine leadership. You were calm in crises. Your judgment was sound. You were inventive in working out solutions to problems and in implementing them. Throughout your tour of five and one-half years at the UPAU, we were always proud to have you as our chief representative. We feel that you did much to build in India the proper image of the University of Illinois and of higher education in the best academic tradition.

During your recent stay at Urbana, you have written a record which will be of great use to us and others who will be called upon to appraise this activity. We are hopeful that it can be made available to other universities engaged in institution building in underdeveloped countries.

As you leave our staff, we record our appreciation of a great task well done. We are also grateful for Mrs. Lambert's loyalty to the mission and her contribution to its effectiveness.

The subject of this letter will be brought to the attention of the Board of Trustees at the September meeting.

Our good wishes go with you and Mrs. Lambert, always.

Sincerely,
DAVID D. HENRY
President

**CAPITAL BUDGET REQUEST UNIVERSITY OF ILLINOIS
FOR THE BIENNIUM 1967-69**

(26) On July 27, 1966, the Board of Trustees approved a capital budget request for the biennium 1967-69 for the three campuses, as shown in the table on page 103. The total amount of state funds requested was \$163,246,000.

As directed by the Board of Trustees, this budget request was submitted to the Board of Higher Education for its review. The Board of Higher Education requested its staff to make an analysis and recommendations, and at a regular meeting of that Board on September 12 and 13, the staff recommended the sums shown in the table on page 103, for a total amount of state funds of \$99,698,788.

After hearing the objections of the representatives of the University of Illinois to the budget reductions recommended by the staff of the Board of Higher Education, the Board approved adding the sum of \$12,322,931. The restored amount was distributed as indicated in the table on page 103.

The difference between the final action of the Board of Higher Education and the earlier recommendation of the Board of Trustees is approximately \$51,000,000. The major changes are: (a) reduction in the size of the proposed College of Dentistry building at the Medical Center campus; (b) reduction in the size of the Science-Engineering Center, the omission of the Third Addition to the Library, the omission of the Art and Architecture Addition, and the omission of a greenhouse at the Chicago Circle campus; and (c) the omission of the Engineering Library, Nuclear Reactor Addition, Turner Hall Headhouse and Greenhouse, and the East Chemistry Addition (although planning funds for the last project were approved), and by reductions in land and utilities at the Urbana-Champaign campus.

The action of the Board of Higher Education represents a cut in the Trustees' budget of approximately 30 per cent. The Trustees' budget had reflected an earlier cut of approximately 33 per cent in the requests presented by departments and colleges.

Although the projects approved will enable the University to make considerable progress in several areas, the consequences of the budget reductions made by the Board of Higher Education are of substantial proportions. At the Medical Center, there will be a smaller increase in the production of dental graduates than was planned by the University. At the Chicago Circle campus, there will be several effects: a slower pace of development of graduate work than was contemplated, since there will be a sharp reduction in facilities requested for graduate work in Engineering; a slower rate of growth in Art and Architecture; a reduction in overall student capacity below the projections made for 1970 and 1971; increased overcrowding of the library; and inadequate research facilities in the field of botany. At Urbana-Champaign, the deletions will: postpone much-needed improvement in the library facilities for the College of Engineering, with continued impairment of instructional and study effectiveness in that College; eliminate the possibility of securing federal matching funds for a nuclear engineering facility, and hence limit the expansion of a rapidly-growing graduate program; delay the construction program for instruction and research in the College of Agriculture; delay the building of the Addition for the Department of Chemistry and Chemical Engineering and hence in the provision of up-to-date research facilities for one of the University's most distinguished departments; and cause an over-all reduction in enrollment capacity at the Urbana-Champaign campus below the estimates made for 1970.

From this inventory of omissions and reductions and their consequences, it is apparent that the deletions or reductions will have serious effect upon the enrollment of the University of Illinois, upon the degree of expansion of graduate and professional work and upon essential improvement of facilities to reduce serious space deficiencies.

On the positive side of the analysis, the budget, as approved by the Board of Higher Education, will have these results: a significant increase in enrollment capacity at Urbana-Champaign and Chicago Circle; the provision of facilities for the initiation and development of graduate work at Chicago Circle; provision for a long-needed library facility at the Medical Center campus; an increase in the output of graduates in law and in dentistry; the preparation of working drawings on three buildings which will speed up their completion when funds become available for their construction; and the completion of several projects already approved for the Medical Center and the Urbana-Champaign campuses, but for which the present resources are insufficient due to cost escalation.

I believe that the original budget adopted by the Board of Trustees was a prudent and conservative estimate of what is required for the University to be of maximum service to the people of Illinois through facilities to be authorized for the 1967-69 biennium. While I regret that the Board of Higher Education has not concurred in this objective, the fact that 70 per cent of the request has been approved is significant, and the availability of the facilities which have been recommended will mean much to the effectiveness of the University, to the enlargement of its service and to the extension of educational opportunity.

I believe that it would be unwise to endanger the unified support for the facilities included in the Board of Higher Education recommendations by any division which would occur if the University at this time unilaterally sought to have these recommendations enlarged by the General Assembly and the Governor. Accordingly, I recommend that the Board of Trustees modify its earlier action on the capital budget and accept the recommendations of the Board of Higher Education as enacted on September 13, subject to such adjustments within the total amount as may be recommended as a result of further study.

On motion of Mr. Johnston, these recommendations were approved.

The Chairman asked the Secretary to call the roll, and the following, constituting all members of the Committee, were present: Mr. Howard W. Clement, Chairman, Mr. Wayne A. Johnston, and Mrs. Frances B. Watkins. Also present were: Mr. Harold Pogue and Mr. Kenney E. Williamson, members of the Board of Trustees; President David D. Henry; Director C. S. Havens of the Physical Plant; Mr. James J. Costello, Legal Counsel; Vice-President Norman A. Parker, Chicago Circle; Vice-President Joseph S. Begando, Medical Center; Mr. Earl W. Porter, Assistant to the President and Associate Secretary to the Board; Mr. Donald C. Neville, Assistant to the Director of the Physical Plant; and Mr. A. J. HEADSHIP OF DEPARTMENT OF SOCIOLOGY AND ANTHROPOLOGY, CHICAGO CIRCLE

(1) The Dean of the College of Liberal Arts and Sciences, the Dean of Faculties, and the Vice-President at Chicago Circle recommend the appointment of Dr. Robert L. Hall as Professor of Sociology on indefinite tenure and as Head of the Department of Sociology and Anthropology at Chicago Circle beginning September 1, 1966, at an annual salary of \$17,500 on an academic year service basis.

This appointment is to replace Professor Peter P. Klassen who has been serving as Head of the Department and who has asked to be relieved of this administrative service so that he can devote full time to teaching and research.

The Dean of the Graduate College, the Executive Vice-President and Provost, and I concur.

On motion of Mr. Johnston, this appointment was approved.

REQUEST TO THE ILLINOIS BUILDING AUTHORITY TO CONTRACT FOR CONSTRUCTION OF THE EAST DENTISTRY-MEDICINE- PHARMACY BUILDING ADDITION

(2) On July 7, 1966, the Illinois Building Authority received bids on all work for the construction of the East Dentistry-Medicine-Pharmacy Building Addition at the Medical Center. The lowest bidder is Mayfair Construction Company, 5660 North Jersey Avenue, Chicago, Illinois, with a bid of \$3,088,600. One other bid of

\$3,219,000 was received from S. W. Nielsen Company, 3059 Augusta Boulevard, Chicago. (Another proposal received was rejected by the Illinois Building Authority because of an insufficient bid deposit.) The lowest bidder is deemed fully qualified and has performed satisfactorily under contract with the University in the past.

The project is one of those which the Board of Trustees on September 22, 1965, requested the Illinois Building Authority to provide. The Authority will finance the construction and lease the facilities to the University for rental payments for which state appropriations are available. The University will transfer jurisdiction of the land on which the project will be constructed to the Authority.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board authorize the transfer of jurisdiction of the site and request the Illinois Building Authority to award a contract for the described work to the lowest bidder and proceed to procure this facility for the use of the University.

I concur and recommend the adoption of the following resolutions.

Resolution

WHEREAS, The Seventy-fourth General Assembly of the State of Illinois has declared it to be in the public interest that the Illinois Building Authority construct, on behalf of The Board of Trustees of the University of Illinois, an East Dental, Medical and Pharmacy Building Addition on the Medical Center Campus of the University of Illinois, in Chicago, Illinois; and

WHEREAS, for that purpose it will be necessary for the Illinois Building Authority to acquire jurisdiction of the real estate upon which said Addition will be located; and

AND THERMAL INSULATION FOR THE UTILITIES
CENTER ADDITION AT CHICAGO CIRCLE,
PHASE II**

(3) On July 21, 1966, the Illinois Building Authority received bids for the installation of the piping system, miscellaneous equipment and thermal insulation for the Utilities Center Addition, Phase II, at the Chicago Circle. The lowest bidder is T. F. Hanley Corp., 1503 South Michigan Avenue, Chicago, with a bid of \$235,598. Four other bids were received as follows:

J. L. Cunningham & Company, Chicago.....	\$243 458 00
Great Lakes Plumbing & Heating Company, Chicago.....	269 645 00
Gallaher & Speck, Chicago.....	280 159 00
Utility Air Conditioning and Heating Co., Chicago.....	382 000 00

The lowest bidder is deemed fully qualified and has performed satisfactorily under contract with the University in the past.

The project is a part of Phase II construction which the Board acting through its Executive Committee on September 2, 1965, requested the Illinois Building Authority to provide. The Authority will finance the construction and lease the facilities to the University for rental payments for which state appropriations are available. The University will transfer jurisdiction of the land on which the project will be constructed to the Authority.

The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board request the Illinois Building Authority to award a contract for the described work to the lowest bidder, and proceed to procure this facility for the use of the University.

I concur and recommend the adoption of the following resolution.

Resolution

I concur.

On motion of Mrs. Watkins, this agreement was authorized by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

EMPLOYMENT OF DESIGN CONSULTANT FOR CHICAGO CIRCLE CAMPUS

(7) The Vice-President at Chicago Circle and the Vice-President and Comptroller recommend the employment of Earl L. Walls Associates, La Jolla, California, for programming and design work for the space needs of the Departments of Biological Sciences, Chemistry, Physics, and Geology in the proposed Science Complex, Phase III construction at Chicago Circle.

Billings for the service will be based on \$25 hourly rate for principal, \$20 hourly rate for associates, all other personnel at usual hourly rate plus 250 per cent, and allowable reimbursables including travel, telephone, and postage at actual cost, with total charges not to exceed \$11,000.

PURCHASES

(9) The President submitted, with his concurrence, a list of purchases recommended by the Director of Purchases and the Vice-President and Comptroller; also a list of purchases authorized by the President's Office.

The lists of purchases authorized and purchases recommended for Board approval were presented in two categories: purchases from appropriated funds (i.e., from state appropriations to the University) and purchases from institutional funds. The latter term designates funds received by the University under contracts with the United States government, contracts with private corporations and other organizations, funds from foundation grants, and grants from corporations and other donors, and University revolving funds authorized by law.

The total amounts of these purchases were:

From Appropriated Funds

Purchases Recommended	\$ 86 278 22
-----------------------------	--------------

From Institutional Funds

Purchases Authorized	23 811 72
Purchases Recommended	396 046 62

<i>Grand Total</i>	\$506 136 56

A complete list of the purchases authorized and purchases recommended, with supporting information, including the quotations received, was sent to each member

LEASE OF QUARTERS FOR DIVISION OF UNIVERSITY EXTENSION AND COOPERATIVE EXTENSION SERVICE

(10) The Dean of the Division of University Extension, the Director of the Co-operative Extension Service, and the Vice-President and Comptroller recommend authorization of a lease with the LaSalle Madison Hotel Company of rooms on the second floor of the LaSalle Hotel, 10 North LaSalle Street, Chicago, for offices for the period from September 1, 1966, through June 30, 1967, at a rental of \$13,060 for the period. The lessor will pay necessary remodeling and redecorating costs.

The additional area in the LaSalle Hotel will enable the people assigned to the new space to use some of the facilities available in the presently rented Illini Center, and will be highly desirable for the Cooperative Extension Service and Division of University Extension activities involved.

I concur.

On motion of Mrs. Watkins, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

CONTRACT FOR BUS SERVICE FOR URBANA-CHAMPAIGN CAMPUS

(11) The Director of Purchases and the Vice-President and Comptroller recommend authorization of a contract with the Champaign-Urbana City Lines, Inc., Champaign, Illinois, for a chartered bus service for students, faculty, staff, and other authorized personnel, for the period September 1, 1966, through August 31, 1967, at an estimated total expenditure of \$72,796. Bids were invited from five other transportation companies, but the Champaign-Urbana City Lines, Inc., is the only bidder, at prices of \$6.00 per hour, with fare collection, and \$5.85 per hour, without fare collection.

It is necessary to continue an orderly intra-campus transportation system to serve students in University housing in outlying areas (such as in Orchard Downs), and staff, to supplement the public transportation system in Urbana-Champaign. The charter bus service on regular schedules (Illi-Bus) will be provided at \$6.00 per hour, per bus; special chartered service and the Faculty-Staff bus will be provided, without fare collection, at \$5.85 per hour, per bus.

The total cost is based on:

An estimated 11,511 Illi-Bus hours, less an estimated \$22,000 in fares..	\$47 066 00
Estimated 3,800 bus hours for Faculty-Staff bus.....	25 730 00
<i>Estimated Net Total.....</i>	<i>\$72 796 00</i>

Funds are available in Housing Division and Auxiliary Services budgets and staff parking fees.

I recommended authorization of this contract.

On motion of Mr. Johnston, this contract was authorized by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

BEQUEST OF JOHN I. PARCEL

(12) John I. Parcel, a member of the University of Illinois Foundation, died in St. Louis, Missouri, on May 22, 1965. In his Will Mr. Parcel made a bequest to the University of Illinois to be invested in a trust fund, the income to be used "to prosecute research projects, either analytical or experimental, in the field of structural engineering." In the alternative it was provided that the income be used to advance "the educational status of the engineering school of said University." The estate is in probate and the probate is now nearing completion.

The Executors of the Estate have advised that a claim against the estate has been filed by the Zeta Psi Educational Foundation in the amount of \$6,500, and at

a recent hearing in the Probate Court the Executors contested this claim. Negotiations have been underway regarding the \$6,500 claim and as a result of these negotiations Zeta Psi Educational Foundation agreed to accept a payment of \$5,000 in lieu of the \$6,500 claim. The Finance Committee considered this matter at its July 27, 1966, meeting and recommended that the claim be settled for \$5,000. The Executors have requested that they be provided proper authorization by the University for presentation to the Probate Court of the City of St. Louis, Missouri, this payment of \$5,000 and an indication of a consent by the University to the entry of an Order by the Probate Court authorizing and directing the Executors to make such a payment.

The following resolution is offered for adoption.

Resolution

Be It, and It Is Hereby Resolved, by the Executive Committee of The Board of Trustees of the University of Illinois, upon the recommendation of the Finance Committee of said Board, that the Executors of the Estate of John I. Parcel, Deceased, be, and they hereby are, authorized, for and on behalf of, and in the name of, The Board of Trustees of the University of Illinois, a legatee under the Will of John I. Parcel, Deceased, to compromise and settle a claim of \$6,500 filed in the Probate Court of the City of St. Louis, Missouri, by Zeta Psi Educational Foundation in the amount of \$5,000, and said Board further consents to the entry by the Probate Court of the City of St. Louis, Missouri, of an Order authorizing and directing said Executors to make the aforesaid payment of \$5,000.

On motion of Mrs. Watkins, the foregoing resolution was adopted.

RENTAL OF SPACE IN BROMLEY HALL

(13) The Director of the Physical Plant and the Vice-President and Comptroller recommend authorization of the rental of approximately 150 housing unit spaces in Bromley Hall in Champaign, beginning September 11, 1966, at a rate of \$3.00 per student unit per day for the first week, excluding food service, and \$5.00 per student unit per day, including food service, for the next two weeks.

The necessity to rent these facilities is due to the delay in completion of construction of 180 to 350 spaces in the Florida Avenue Residence Halls, resulting from a shortage of labor and three work stoppages totaling twenty-nine days.

Funds for the rental are available from income under the University's housing contracts with these students and other funds of the Housing Division.

I concur.

On motion of Mr. Johnston, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

RECESS AND EXECUTIVE SESSION

Chairman Clement announced that an executive session has been requested and was being ordered for consideration of reports and recommendations relating to property acquisitions.

On motion of Mrs. Watkins, the Committee recessed.

When the Committee reconvened in executive session, the same members of the Committee, and of the Board, and officers of the University were present as recorded at the beginning of these minutes.

The Committee resumed consideration of reports and recommendations from the President of the University.

PURCHASE OF PROPERTY AT 905 WEST ILLINOIS STREET, URBANA

(14) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the University of Illinois Foundation be requested to purchase the property at 905 West Illinois Street, Urbana, at a price of \$41,000 and lease the property to the University at a rental sufficient to pay the interest costs on a loan to finance this purchase.

The property is east of the Krannert Center for the Performing Arts and is required for future academic expansion. The lot size is 65 feet by 150 feet (9,750

square feet) and is improved with a two-story and basement frame dwelling used as a rooming house.

I concur.

On motion of Mrs. Watkins, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

**PURCHASE OF PROPERTY AT 905 WEST CALIFORNIA AVENUE,
URBANA**

(15) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board request the University of Illinois Foundation to purchase the property at 905 West California Avenue, Urbana, at a price of \$75,000 and lease the property back to the University at a rental rate adequate to pay the interest on a bank loan to the Foundation to purchase the property.

The property is improved with a three-story and basement frame dwelling located on a lot 80 feet by 151 feet (12,080 square feet). This property is required for academic expansion east of the Krannert Center for the Performing Arts.

I concur.

On motion of Mr. Johnston, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

**PURCHASE OF PROPERTY AT 504 EAST DANIEL STREET,
CHAMPAIGN**

(16) The Director of the Physical Plant and the Vice-President and Comptroller recommend that the Board of Trustees request the University of Illinois Foundation to purchase the property at 504 East Daniel Street, Champaign, at a price of \$50,000 and lease the property to the University at a rental sufficient to pay the interest costs on a loan to the Foundation to purchase the property.

The property consists of a lot 49.5 feet by 129.1 feet (6,390 square feet), and is improved with a two-story and basement frame building which will be demolished. The area will be used for parking facilities.

I concur.

On motion of Mr. Johnston, this recommendation was approved by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

**PURCHASE OF PROPERTY AT 502 EAST DANIEL STREET,
CHAMPAIGN**

(17) On April 20, 1966, the Board of Trustees authorized condemnation proceedings for the acquisition of the property at 502 East Daniel Street, Champaign, and settlement at a price within University appraisals. The property consists of a lot 49.5 feet by 72.1 feet (3,569 square feet), improved with a two-story and basement frame dwelling and is needed as a site for parking facilities.

A judgment order of the Circuit Court has since been entered which provides for the vesting of title to the property in the Board of Trustees of the University of Illinois upon payment of \$30,500 as the fair market value of the property, which amount is within appraisals.

It is now recommended that the University of Illinois Foundation be requested to participate in this acquisition by paying the award, which will necessitate conveyance of title to the Foundation.

It is further recommended that the Foundation be requested to lease the property to the University at a rental sufficient to pay the interest on a bank loan to the Foundation to finance the payment of the award until the University has funds for its acquisition.

I concur and recommend adoption of the following resolution to implement the above.

**Resolution Regarding Timpone Property Located at
502 East Daniel Street, Champaign, Illinois**

WHEREAS the Judgment Order of the Circuit Court of the Sixth Judicial District, Champaign County, Illinois, entered in, the condemnation case entitled: "The

Board of Trustees of the University of Illinois, a public corporation, Petitioner vs. Raymond Timpone, Maxine Timpone, and the Commercial Bank of Champaign, a corporation of Illinois, Defendants" No. 66-L-345, under date of August 19, 1966, provides that upon payment to the County Treasurer of Champaign County, Illinois, of the amount of the award in the sum of Thirty Thousand Five Hundred Dollars (\$30,500.00) title to the Timpone Property hereinafter described shall vest in this public corporation; and

WHEREAS, this public corporation desires that the University of Illinois Foundation, a not-for-profit corporation of the State of Illinois, pay the amount of said award in accordance with the terms of said Judgment Order and lease said Timpone Property to this public corporation and under the terms of which lease this public corporation shall be granted an option to purchase said Timpone Property; and

WHEREAS, University of Illinois Foundation at a special meeting of its Executive Committee held on August 19, 1966, has authorized such payment to be made and such lease with option to be entered into upon title to said Timpone Property being conveyed by this public corporation to it.

Now, Therefore, Be It, and It Hereby Is, Resolved by The Board of Trustees of the University of Illinois, a public corporation of the State of Illinois, that upon payment of said award in accordance with the terms of said Judgment Order by the University of Illinois Foundation, that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized and directed, to execute, acknowledge, and deliver, in the name, and in behalf of, this public corporation and under its Corporate Seal, a Warranty Deed, and such other documents in connection therewith as said Comptroller and Secretary may deem necessary or desirable in order to convey to University of Illinois Foundation title to the property hereinabove referred to as Timpone Property and described as follows, viz:

On motion of Mrs. Watkins, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Johnston, Mrs. Watkins; no, none; absent, none.

RECESS AND EXECUTIVE SESSION

President Clement announced that an executive session had been requested and was being ordered to consider the following item of business concerning property acquisition.

On motion of Mr. Swain, the Board recessed.

When the Board reconvened in executive session, the same members of the Board, officers of the Board, and officers of the University as recorded at the beginning of these minutes were present.

The Board considered the following item of business presented by the President of the University.

REQUEST TO THE ILLINOIS BUILDING AUTHORITY TO ACQUIRE PROPERTY AT 1301 WEST MAIN STREET, URBANA

(27) The Board of Trustees at its meeting on April 20, 1966, authorized a request to the Illinois Building Authority to acquire by condemnation proceedings the property at 1301 West Main Street, Urbana, Illinois, to be used as part of the site for the Civil Engineering Building, Phase II. Subsequent negotiations with the owners of the property after the filing of the Condemnation Petition, have resulted in their agreement to a price of \$25,800, which is within the appraisals received on the property. Accordingly, the Director of the Physical Plant and the Vice-President and Comptroller recommend that the Illinois Building Authority be requested to acquire title to the property at this time by contract of purchase or Judgment Order in the Condemnation proceedings.

I concur and recommend adoption of the following resolution.

Be It, and It Hereby Is Further Resolved that the Comptroller and Secretary of this public corporation be, and they hereby are, authorized and directed, to execute in the name of, and on behalf of, this public corporation such lease agreement or other document or documents, and to secure and submit appraisals and such other documentation, as they may deem to be necessary or desirable in order to effectuate such conveyance of title to the Illinois Building Authority and to secure to this public corporation the beneficial use of said property.

On motion of Mr. Swain, the foregoing resolution was adopted by the following vote: Aye, Mr. Clement, Mr. Hughes, Mr. Johnston,

Mr. Jones; Mr. Swain, Mrs. Watkins, Mr. Williamson; no, none; absent, Mr. Dilliard, Governor Kerner, Mr. Page, Mr. Pogue.
