### BUSINESS PRESENTED BY THE PRESIDENT OF THE UNIVERSITY

#### Old and New Business

##### Resolution in the Light of the Bakke Case

On July 19, 1978, at a meeting of the Committee on Affirmative Action/Equal Opportunity, University Counsel J. J. Costello reviewed the recent decision of the U.S. Supreme Court on the *Bakke* case. In the course of that review it was suggested that the trustees might wish to reaffirm their commitment to the elimination of discrimination and to foster ameliorative programs. At the request of Mr. Neal, such a resolution was prepared and presented to the board for action at the September meeting. The text of the resolution is as follows:

*Resolved* by the Board of Trustees of the University of Illinois that it reaffirms its commitment and policy (a) to eradicate prohibited and invidious discrimination in all its forms; (b) to foster programs within the law which will ameliorate or eliminate, where possible, the effects of historic societal discrimination; and (c) to comply fully in all University activities and programs with applicable federal and state laws relating to nondiscrimination and equal opportunity.

On motion of Mr. Neal, the resolution as presented was approved unanimously. In the course of discussion it was pointed out that the statement and its substance should be viewed as a reaffirmation of a continuing, long-standing University policy.

#### Request for Hearing Concerning University Investments in United States Corporations Doing Business in South Africa

The president presented the following report:

As I indicated to the board in the spring of 1978, the subject of university investment policies as those policies relate to corporations doing business in South Africa is a subject of continuing interest.

On August 31, 1978, Vice President Brady and I met in my office with three members of the Champaign-Urbana Coalition against Apartheid. This meeting was held at the request of Diane Meisenhelter, a member of the coalition, to review the procedures through which investment decisions are made at the University of Illinois. Vice President Brady reviewed these procedures in great detail. Toward the end of the session, the sense of the coalition that divestiture of stocks in all corporations doing business in South Africa is the appropriate response of a university to apartheid was presented. I indicated that I doubted that divestiture was a step which I would recommend or which the board would adopt and suggested that perhaps some strengthening or other modification of our current policy would be a proposal with better chances for success. I also indicated a willingness to arrange for a presentation by the coalition to the Finance Committee. I mentioned that the committee might also wish to hear from those with differing viewpoints at this hearing.

The three coalition members indicated that they could not speak for the coalition and that they would respond to my twofold suggestion that they (1) appear before the Finance Committee and (2) indicate to me (in keeping with board policy) "the nature of the subject matter to be presented." There was also some discussion of location for such a presentation with the coalition members expressing the hope that the hearing be on the Urbana-Champaign campus — a hope which I find understandable.

On September 6 the enclosed letter from the coalition arrived in my office in Urbana while I was in Chicago. Subsequently, I talked with Steven Nadel, a member of the coalition, by phone and indicated that I found the letter not to reflect the tenor of the August 31 meeting — a meeting which Mr. Nadel had not attended. I suggested that I assumed that the coalition wished a hearing before the board rather than *vice versa*. I did indicate that I would simply forward the letter from the coalition to the board and that the board could then respond as it saw fit.

Following this telephone conversation, it was agreed that Mr. Nadel and two other members of the coalition would meet with me on September 11 to review this "request for an appearance" before the Finance Committee. I asked Earl Porter to join this meeting. I again stressed the points that it was the coalition rather than the board which wanted a hearing; that board policy provides that it is the board which establishes conditions for board hearings; and that a hearing is not a debate. I also made some gratuitous comments about my personal reaction to the words "demand" and "must."

It was agreed that I would place before the board this request from the coalition for a hearing and indicate that the members of the coalition with whom I have spoken seek a change in our investment policy to provide that the University divest its portfolio of all stocks in corporations doing business in South Africa. The coalition will want to demonstrate the inadequacies of the present policy and of any adjustments in that policy short of a divestiture policy. The coalition would hope that the hearing would be held on the Urbana-Champaign campus and after learning of the conditions and procedures which the board adopts for such a hearing, the coalition would decide if it wished to participate.

If it is the conclusion of the board that a hearing is appropriate, I would suggest that it not be held in conjunction with a board meeting, that sufficient lead time be provided so that representatives of various views could be alerted to the hearing, that fairly rigorous time limits for presentations be established and followed, and that debates or discussions among those testifying not be a feature of the hearing. To the extent that the views of those wishing to be heard can be determined in advance, presentations might be scheduled to permit differing views to be alternated. I have stated several times that I did not view a hearing as a debate between the board and members of the audience, and I assume that I am not misrepresenting you in that statement.

I have indicated to the members of the coalition that I would forward to them some response from the board following the September 20 meeting of the board. For your information, I am attaching copies of present board policy concerning appearances before the board and of the policy adopted last year concerning the exercise of proxies at annual meetings of corporations doing business in South Africa.

C-U Coalition against Apartheid  
Room 284 Illini Union

Dear President Corbally:

The C-UCAA wishes to inform you of our acceptance of a hearing before the Finance Committee of the Board of Trustees, concerning divestment of University holdings in corporations doing business in South Africa.

Our acceptance is contingent upon the following conditions:

- 1) The meeting must be open to all students, faculty, and community members wishing to attend.
- 2) It must be held on campus, in a room large enough to accommodate such a turnout.
- 3) The coalition shall choose its own witnesses, not to be limited to members of the University community.
- 4) The format of the hearings must allow us to reply to the contentions of opposing testimony.
- 5) The University shall make efforts to publicize the hearings in the University and the community.

We are available to discuss and negotiate any other details of the hearing, including format, publicity, etc. Hopefully such a meeting can be arranged for next week.

Finally, we again must reiterate our demand for an open debate. Our acceptance of the hearing is not to be construed as an abandonment of this demand. We demand once again that representatives of the University administration publicly justify and defend their investment policies.

Sincerely yours,  
C-U Coalition against Apartheid

In discussing this report and the request, the trustees agreed that a hearing would be in order, under a format determined by the chairman of the Finance Committee (Mr. Livingston) in consultation with President Corbally. The general understanding was that such a hearing might be scheduled within the next month or two and that at a later time the board might consider the subject to determine if any action was needed or desired by the board.

### **President's Reports**

President Corbally presented a report on selected topics of current interest, copies of which were distributed at the meeting, and a copy was filed with the secretary of the board.

### **REGULAR AGENDA**

The board considered the following reports and recommendations from the president of the University.

#### **Annual Operating Budget for Fiscal Year 1978-79**

(1) The University budget for operations for the fiscal year beginning July 1, 1978, is submitted herewith, including recommendations for: (a) academic and administrative appointments beginning August 21, 1978, at Urbana-Champaign and September 1, 1978, at Chicago; and (b) funds for the nonacademic personnel staff on a continuous basis. Authorization to pay salaries and wages for the period July 1, 1978, to the new contract dates was granted by the Board of Trustees on June 21, 1978.

For purposes of determining payments for a fractional year of academic service, the academic year at the Chicago Circle and Medical Center campuses is defined as September 16 through June 15, and the academic year at the Urbana-Champaign campus is defined as August 21 through May 20.

The budget has been prepared by the vice president for administration based upon recommendations of: (a) the chancellors at the three campuses (after con-

sultation with their respective deans, directors, and other campus officers) and (b) the president of the University. The allocation of funds follows general policies and priorities developed by these reviews and was recommended by the University Planning Council.<sup>1</sup>

Submitted herewith are two budget documents: "Budget Summary for Operations, 1978-79" and the "Personal Services Supplement" for 1978-79. (Copies of these documents have been filed with the secretary of the board for record.)

I recommend that this budget, covering the allocation of the estimated operating income from all sources for the year beginning July 1, 1978, be approved by the Board of Trustees, and that the president of the University be authorized in accordance with the needs of the University and the equitable interests involved and within total income as it accrues: (a) to accept resignations; (b) to make such additional appointments as are necessary subject to the provisions of the *University of Illinois Statutes* and the *Policy and Rules—Nonacademic*; and (c) to make such changes and adjustments in items included in the budget as are needed, such changes to be covered in periodic reports to the Board of Trustees.

The student advisory vote was: Aye, Miss Kooper, Mr. Sobotka, Mr. Watson; no, none.

On motion of Mr. Livingston, this recommendation was approved and authority was given as recommended by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Lenz, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none; absent, Governor Thompson.

### **Requests for Operating and Capital Appropriations, Fiscal Year (FY) 1980**

(2) As president of the University, I submit the attached requests for incremental operating funds, for new capital appropriations, and for new appropriations for the Food Production Research Program (Food for Century Three) for fiscal year (FY) 1980. (Copies of the complete budget documents are filed with the secretary of the board for record.)

The request for \$37,473,300 in incremental operating funds shown in Tables 1 and 2 differ somewhat from the preliminary request presented to the Board of Trustees on July 19, 1978, as follows. 1) The request for Space Realignment, Renewal, and Replacement funds (\$2,000,000) has been removed from the operating request. 2) The request for the Assistance to Students Program at Chicago Circle has been increased by \$120,000. 3) Two requests have been added to the Special Services/Funding category: \$50,500 for a teaching device, described as an "electronic blackboard," for the Public Service/Statewide Programming section of the Office of Associate Vice President for Public Service; and \$34,400 for Nonacademic Employees Reclassifications and Salary Adjustments for the Cooperative Extension Service. 4) Slight changes have been made in the calculation of the amounts necessary for the Salary Increase/Compensation Improvement and the Operation and Maintenance for New Areas increments.

The final request for operating funds also includes an increment of \$24,579,000 to bring the FY 1980 funding for retirement to the statutory level.

<sup>1</sup> The members of the University Planning Council for 1977-78 were as follows: Ronald W. Brady, vice president for administration, *chairman*; Harlan D. Bareither, associate vice president for planning, *secretary*; Werner H. Baur, professor of geological sciences and head of the department, Chicago Circle; David W. Bonham, vice chancellor for administrative services, Medical Center; William J. Grove, vice chancellor for academic affairs, Medical Center; Etta A. Hincker, professor of general nursing, Medical Center; Richard M. Johnson, acting vice chancellor for academic affairs, Chicago Circle; Walter W. McMahon, professor of economics, Urbana-Champaign; Alexander M. Schmidt, vice chancellor for health services, Medical Center; Richard H. Ward, vice chancellor for administration, Chicago Circle; Morton W. Weir, vice chancellor for academic affairs, Urbana-Champaign; Donald F. Wendel, vice chancellor for administrative affairs, Urbana-Champaign; Peter E. Yankwich, vice president for academic affairs.

The final FY 1980 request for capital appropriations totals \$33,123,995, as shown in Table 3, and has also been altered from the preliminary request, as follows. 1) The governor's approval of the FY 1979 capital appropriations for higher education as passed by the General Assembly has permitted three projects initially in the FY 1980 request to be included in the FY 1979 appropriation (English Building remodeling, English Building equipment at Urbana-Champaign, and SUDMP remodeling at Medical Center). 2) Major remodeling requests for the Medical Center have been restructured following a revision of the campus Major Remodeling Program. 3) Items 1 and 2 have resulted in a revised project priority order. 4) A variety of technical adjustments have resulted in elimination of three projects because they are not bondable (Exterior Campus Graphics and Landscape Improvement at Chicago Circle; Mathews Avenue Resurfacing at Urbana-Champaign), an increased cost estimate for one project (Convent Building purchase at the Medical Center), and decreased cost estimates for two projects (Landscape Improvements at Urbana-Champaign; SR<sup>1</sup> at Medical Center).

The Food Production Research (Food for Century Three) request shown in Table 4 now totals \$7,550,300 reflecting revised project cost estimates.

These requests have been prepared by the vice president for administration, based upon recommendations of the University Planning Council,<sup>1</sup> the chancellors at the three campuses, and the president of the University.

Approval of these requests by the Board of Trustees represents its endorsement of the highest priority needs of the University for FY 1980. Upon approval, the requests become the basis for submission of detailed budget requests for FY 1980 to the legislative and executive branches of state government and to the Illinois Board of Higher Education.

I recommend approval of these requests.

Following discussion of the recommendations by the trustees, Chancellor Gerberding presented a resolution approved by the Urbana-Champaign Senate on September 18, 1978, as follows:

Commensurate with maintaining its academic stature within the Big Ten, the Urbana-Champaign Senate requests the Board of Trustees to consider:

- (1) It would require at least a 12 percent to 14 percent increase in total compensation to move the University of Illinois into the top one-third of the Big Ten. Therefore, it is important to sustain the full 9.5 percent improvement in total compensation (i.e., salary plus fringe benefits) and to be aware of the effort that will be required to do that, and
- (2) The adoption for FY 1981 of a goal for the University of Illinois of not less than the *Top Third in the Big Ten*, rather than the average.

<sup>1</sup> Members of the University Planning Council which reviewed and recommended this request are as follows: Ronald W. Brady, vice president for administration, *chairman*; Harlan D. Bareither, associate vice president for planning, *secretary*; Werner H. Baur, professor of geological sciences and head of the department, Chicago Circle; David W. Bonham, vice chancellor for administration, Medical Center; Joseph A. Diana, associate vice president for business affairs; William J. Grove, vice chancellor for academic affairs, Medical Center; Etta A. Hincker, professor of general nursing, Medical Center; Richard M. Johnson, acting vice chancellor for academic affairs, Chicago Circle; Walter W. McMahon, professor of economics, Urbana-Champaign; Alexander M. Schmidt, vice chancellor for health services, Medical Center; Richard H. Ward, vice chancellor for administration, Chicago Circle; Morton W. Weir, vice chancellor for academic affairs, Urbana-Champaign; Donald F. Wendel, vice chancellor for administrative affairs, Urbana-Champaign; Peter E. Yankwich, vice president for academic affairs. Per action of the president on June 28, 1978, the University Budget Committee has been discontinued and one faculty member from each campus has been added to the membership of the University Planning Council.

Mr. Gerberding expressed his support for the resolution and presented Professor Kenneth Andersen, representing the senate. He expressed satisfaction in the emphasis on "compensation" in addition to salary in the budget request, and conveyed the willingness of the faculty in helping secure legislative support.

The student advisory vote was: Aye, Miss Kooper, Mr. Sobotka, Mr. Watson; no, none.

On motion of Mr. Hahn, the recommendations were approved as presented by the following vote: Aye, Mr. Hahn, Mr. Howard, Mr. Lenz, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, Mr. Forsyth; absent, Governor Thompson.

### Sabbatical Leave of Absence, 1978-79, Chicago Circle

- (13) On motion of Mrs. Rader, a sabbatical leave of absence recommended by the chancellor at Chicago Circle was granted. This leave will be included in an annual compilation of 1978-79 sabbatical leaves of absence to be made a part of the board *Proceedings* in March 1979.

### Reinstatement of Field of Concentration in Latin American Studies, Urbana

- (14) The Urbana-Champaign Senate recommends the reinstatement of the program in Latin American Studies and the updating of the old major-minor to the current field of concentration format.

On July 23, 1969, the Board of Trustees approved the discontinuance of the undergraduate major in Latin American Studies.

The request for discontinuance at that time was based on the opinion of the executive committee of the Center for Latin-American Studies that undergraduate students should major in a disciplinary department and be encouraged to take an interdisciplinary minor.

Reinstatement is now requested because of changes in the College of Liberal Arts and Sciences' organization of undergraduate specializations and because of increasing interest in Latin America on this campus and across the state and nation.

Since the Latin American Studies program was discontinued, more than thirty new courses on Latin America have been added to departmental offerings, and some forty Latin Americanists work in seven colleges and thirteen departments across the campus.

The field of concentration in Latin American Studies will consist of a minimum of 42 semester hours of course work, and the student must complete all requirements of the University and the College of Liberal Arts and Sciences for graduation.

The chancellor at the Urbana-Champaign campus and the vice president for academic affairs concur in this recommendation. The University Senates Conference has indicated that no further senate jurisdiction is involved.

I recommend approval.

On motion of Mr. Velasquez, this recommendation was approved.

### President's Report on Actions of the Senates

- (15) The president reported on the following actions of the senate.

#### General Requirement for a Second Bachelor's Degree, Chicago Circle

The Chicago Circle Senate has recommended the establishment of all-campus minimum requirements for a second bachelor's degree. The general requirements will

consist of the following provisions: 1) the student must complete a minimum of 45 quarter hours of credit beyond the requirements of the first degree in courses not offered for the first degree and must meet all requirements for the second degree as specified by the college and major department; 2) the student who has received a bachelor's degree at another institution must meet all residence and course requirements at Chicago Circle; and 3) the student who plans to earn two degrees concurrently in separate colleges must enroll in the first college and must receive written authorization from the dean of the second college at least one year prior to the intended graduation date.

Currently a policy which is acceptable in one college may contradict the policy of another college. Hence, a campuswide policy governing the minimum requirements for a second bachelor's degree would provide a consistency which is lacking in current policies.

### **Increase in the Minimum Grade-Point Average Required for Admission to the Graduate College, Chicago Circle**

The Chicago Circle Senate has approved an increase in the minimum grade-point average (GPA) required for admission to the Graduate College. The action will increase the minimum GPA from a 3.5 to a 3.75 for the final 90 hours of undergraduate study, effective with the fall quarter 1979.

A number of factors were taken into account in adopting the new requirement. Among them was the fact that all graduate units at Chicago Circle, with one exception, have already adopted higher minimal admission standards than the 3.5 GPA required by the Graduate College. In addition, raising the minimum grade-point average was felt to be a step toward appealing to greater numbers of academically well-prepared graduate school candidates.

### **Revision of the Bioengineering Curriculum, Chicago Circle**

In the past, the bioengineering curriculum has consisted of required courses totaling 27 hours and three areas of specialization from which each student chooses one. The Chicago Circle Senate has approved a revision calling for the adding of courses to the list of those required, so that a total of 39 hours is now required. In addition, the student still must choose an area of specialization, but is given a fourth option: premedicine, which is an honors track.

The revision adds from 4 to 5 credit hours to the number which must be completed by a student in the bioengineering curriculum. This is not a major change in the curriculum, but in most cases is a regrouping of the courses which must be taken in the areas of specialization, as well as a lengthening of the list of required courses.

### **Revision of the Curriculum in the Teaching of English, Chicago Circle**

The Chicago Circle Senate has approved a revision in the Curriculum in the Teaching of English which will add 8 hours of practicum in teaching English to the teacher education major. The new practicum will complement the required course work in the teaching of English and in the teaching of rhetoric and composition. In order to avoid overburdening the student with required hours for the major, the requirement in British literature has been reduced by 4 hours. The total major shows a net increase of 4 hours from 48 to 52 hours.

### **Establishment of the New Rubric: Archaeological Studies, Chicago Circle**

The Chicago Circle Senate, on recommendation of its Committee on Academic Programs has approved the establishment of an archaeological studies rubric. The proposal involves the Graduate College and the Departments of Anthropology,

Architecture, Art, Classics, Geological Sciences, History of Architecture and Art, and Materials Engineering. The establishment of this rubric is intended to facilitate the coordination of archaeological and technical studies and courses at UICC under a single Committee of Archaeological Studies.

#### **Revision in the Curriculum in Geology, Urbana**

The Urbana-Champaign Senate has approved a revision in the curriculum in geology for the degree of Bachelor of Science in Geology.

The changes will introduce more flexibility in preparing for the different areas of the geological sciences while maintaining and improving the quality of preparation. The essential features of the revision are: 1) wider latitude of choice of geology courses; 2) reduction in total hours required for graduation from 130 to 126 credit hours; 3) inclusion of a cognate course; 4) specific recommendation of life science courses; and 5) addition of an option in the fulfillment of the summer field camp requirement.

#### **General Curriculum in the College of Education, Urbana**

The Urbana-Champaign Senate has approved the establishment of a general curriculum in the College of Education.

The general curriculum is a two-year option available to new freshmen and to continuing students who have completed fewer than 60 semester hours. This curriculum is designed to accommodate students who are uncertain about the specific curriculum in the College of Education in which they wish to major and students who are unable to enter a specific curriculum until their junior year. Students in the general curriculum would be required to complete the 40 semester hours common to all undergraduate programs in the College of Education and the requirements for continuation established by the University and the College of Education.

#### **Discontinuance of the LAS Field of Concentration in Social Welfare, Urbana**

The Urbana-Champaign Senate has approved the discontinuance of the field of concentration in social welfare in the College of Liberal Arts and Sciences.

The School of Social Work began conferring the degree of Bachelor of Social Work in 1974. At that time, students enrolled in the LAS field of concentration in social welfare were permitted the option of completing the LAS degree program. Those students have now completed their degree programs; thus, the need for an overlapping degree has been eliminated.

#### **Discontinuance of Doctor of Library Science, Urbana**

The Urbana-Champaign Senate has approved the discontinuance of the Doctor of Library Science program and degree.

The Executive Committee of the Graduate College recommended that the Doctor of Library Science program be discontinued and that the Ph.D. in Library Science be retained and revised into a coherent high quality research degree. The strengthening of the Ph.D. in Library Science would be facilitated by the elimination of the Doctor of Library Science degree.

Students currently in the D.L.S. program will be permitted to complete the degree program.

#### **Use of the Ab Grade, Urbana**

The Urbana-Champaign Senate has approved a clarification of the use of the grade Ab.

Currently, the grade of Ab is given to a student who is absent from the final

examination without an acceptable excuse (counts as a failure). Situations have arisen in which the student has insisted upon receiving a grade of Ab even though taking a final exam would not have prevented receiving an E in the course in question. More and more grades of Ab are being given to students, and it is felt that students perceive the grade of Ab as more desirable than the grade of E.

The following language will apply to the Ab grade:

Ab = Absent from the final examination without an acceptable excuse (counts as failure). If a student is absent from a final examination and it is clear that taking that examination could not have resulted in a passing grade for the course, a grade of E may be given instead of Ab.

### **Change of Name, Department of Veterinary Anatomy, Physiology, and Pharmacology, Urbana**

The Urbana-Champaign Senate has approved a change in name of the Department of Veterinary Anatomy, Physiology, and Pharmacology to the Department of Veterinary Biosciences.

With the concurrence of the faculty of the College of Veterinary Medicine, the faculty of the Department of Veterinary Anatomy, Physiology, and Pharmacology voted unanimously to change the name of the Department to Veterinary Biosciences. The proposed name reflects the diversity of the faculty of the department and provides an alternative to the unwieldy current name of veterinary anatomy, physiology, and pharmacology.

This report was received for record.

### **Changes in Organization, School of Associated Medical Sciences, Medical Center**

(16) The Medical Center Senate has recommended that the School of Associated Medical Sciences now be organized as independent from the College of Medicine; that it be named the College of Associated Health Professions; and that the existing curricula be organized as departments, effective January 1, 1979.

The senate has also recommended that the directors of six curricula be appointed to department headships, retaining their present faculty ranks, on a twelve-months' service basis without change in salary, effective January 1, 1979. (The complete list of departments and heads is provided below.)<sup>1</sup>

The School of Associated Medical Sciences was established as a component of the College of Medicine by the Board of Trustees on July 2, 1963, with curricula in medical record administration, general medical technology (now medical laboratory sciences), and occupational therapy. Thereafter, additional curricula in medical art (now biocommunication arts), medical dietetics, and physical therapy were added. More recently, the Department of Medical Social Work was transferred from the Abraham Lincoln School of Medicine to the School of Associated Medical Sciences. The Board of Trustees in 1977 and the Illinois Board of Higher Education in 1978 approved the establishment of a Master of Associated Medical Sciences degree program. Head count enrollment in the school in the 1977 fall quarter was 342 students.

Because the academic program and mission of the school differ so materially from those of the College of Medicine, the school in fact presently functions rather

autonomously. It arranges for clinical and field work experience for its students in a variety of facilities offering health care services which differ markedly from those required by the college. Accreditation of its programs is also separate from that in medicine — all practices that are in accord with national trends.

The chancellor at the Medical Center and the vice president for academic affairs concur in the recommendations. The University Senates Conference has indicated that no further senate jurisdiction is involved.

I recommend approval, subject to further action by the Illinois Board of Higher Education.

On motion of Mr. Livingston, this recommendation was approved.

### **Changes in Policy and Rules — Nonacademic**

(17) In July 1970 the trustees authorized the University of Illinois to join other senior public institutions of higher education in Illinois in a Uniform Plan Relating to Employee Benefits, for nonacademic employees who serve under the State Universities Civil Service System. Since that time University policy has been consistent with the provisions of that plan.

The Civil Service Merit Board, which governs the State Universities Civil Service System, has recommended that the plan be amended to increase the number of relatives for whom paid funeral leave will be granted.

The university director of personnel services and the vice president for administration now have recommended that the University's *Policy and Rules — Nonacademic* be made consistent with the plan by the following revision in Chapter XI, University Policy, Section D:

#### ***Present***

Upon his/her request, an eligible employee shall be granted at his/her regular rate of pay Funeral Leave of up to three workdays for the death of a member of his/her immediate family or household, and of one day for the death of a relative outside his/her immediate family or household. Leaves beyond these amounts may be approved under special circumstances.

#### ***Proposed***

Paid leave of up to three work days will be granted to an eligible employee upon the death of a member of the employee's immediate family, household, in-laws, and/or grandparents of immediate family; and one day to attend the funeral of a relative outside the employee's immediate family or household. Leaves beyond these amounts may be approved under special circumstances.

Immediate family is defined as: father, mother, sister, brother, spouse, and children.

In-laws are defined as mother-in-law, father-in-law, brother-in-law, sister-in-law, son-in-law, and daughter-in-law.

I recommend approval.

On motion of Mr. Lenz, this recommendation was approved.

### **Grant for "Separation of Juveniles and Adult Offenders"**

(18) The University has been awarded a grant by the Law Enforcement Assistance Administration of the U.S. Department of Justice to support a research program entitled "Separation of Juveniles and Adult Offenders" under the auspices of the Department of Architecture, Urbana-Champaign campus. The grant will provide funds totaling \$1,134,544 for research to be conducted during the period July 12, 1978-July 13, 1980.

The research concerns methods and strategies to implement the removing of juveniles from adult jails and lockups. This removal is required by the Juvenile

Justice and Delinquency Prevention Act. The grant will make it possible for the Department of Architecture at Urbana to increase its efforts to understand this environmental and sociological problem; and to help institutions in Illinois and the United States increase their effectiveness in dealing with juvenile offenders.

I recommend that the secretary of the board report this grant to the Illinois Board of Higher Education.

On motion of Mr. Velasquez, this recommendation was approved.

### **Renewal of Contract for Bibliographic and Library Processing Services**

(19) By board action in June 1976, approval was granted to purchase certain terminal equipment and enter into an operating service contract for the University's libraries with the Secretary of State (Office of the State Librarian). This action enabled the University libraries to acquire through the state librarian an automated system developed by the Ohio College Library Center to provide a more efficient means of assisting in bibliographic search and cataloging processes at all campuses and to improve the service to the interlibrary loan program as well.<sup>1</sup>

Estimated expenditures for FY 1979 associated with the renewal of the program are \$221,000. Funds sufficient to procure the system services and maintenance are provided for in the FY 1979 budgets of the three campus libraries.

The vice president for administration, with the concurrence of appropriate administrative officers, has recommended that the comptroller and the secretary of the board be authorized to execute a renewal agreement for the Illinois/OCLC contract for FY 1979 with the Office of the Secretary of State (State Librarian).

I concur.

The student advisory vote was: Aye, Miss Kooper, Mr. Sobotka, Mr. Watson; no, none.

On motion of Mr. Neal, the recommendation was approved by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Lenz, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none; absent, Governor Thompson.

### **Agreement with Lincoln Trails Library System for Interlibrary Loan Services, Urbana**

(20) The chancellor at the Urbana-Champaign campus has recommended that the University execute a contract with the Lincoln Trails Library System<sup>2</sup> to provide interlibrary loan services to the patrons of the University Library at Urbana-Champaign. Such services will provide increased efficiency in borrowing from other institutions those library materials not available within the University of Illinois libraries. In addition to providing more and faster service to patrons of the University Library, the agreement proposed will free current reference department personnel for other much-needed professional activities such as searching and assisting with reference questions. The annual cost of this agreement is estimated to be \$11,500 in FY 1979. Funds are available in the operating budget of the Urbana-Champaign University Library.

The vice president for administration concurs.

I recommend approval.

<sup>1</sup> By use of the system requests for reference data or for catalog file cards for new publications are entered into a local terminal and passed to the center via dedicated telephone lines. Reference data is returned by the same method while catalog cards are produced automatically at the center and sent by mail to requesting library.

<sup>2</sup> The Lincoln Trails Library System is a unit established under the state's Library System Act to serve the eastern central portion of Illinois.

The student advisory vote was: Aye, Miss Kooper, Mr. Sobotka, Mr. Watson; no, none.

On motion of Mr. Forsyth, this recommendation was approved by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Lenz, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none; absent, Governor Thompson.

### **Procurement Policy for Education and Information Systems, Inc.**

(21) In July 1974 the Board of Trustees approved the purchase of the random access audio device, an accessory to the PLATO system, for which the low bidder was Education and Information Systems, Inc. (EIS), of Urbana. Because three officers of EIS were also University employees, the board's attention was drawn to the conflict of interest which would arise in such a purchase under the University's *Regulations Governing Procurement and Bidding at the University of Illinois*. The board's approval was sought and received as a specific exception for an "essential" purchase under those regulations, without commitment to similar transactions in the future. Each such future transaction was to be brought to the board on an individual basis.

Despite efforts to recruit other manufacturers, EIS remains the only manufacturer which can supply, economically, the audio disk system and another PLATO accessory, the slide selector system. Because of the technical intricacy of production and the limited market for these items, it is improbable that alternate sources of supply will soon be found.

Therefore, the chancellor at the Urbana-Champaign campus has recommended approval of a policy to be followed in procurement of such items from EIS. A copy of this policy is being filed with the secretary of the board for record.

The vice president for administration has recommended approval.

I concur.

On motion of Mr. Livingston, this recommendation was approved.

### **Student Legal Services Plan, Urbana**

(22) On June 21, 1978, the Board of Trustees adopted a Student Legal Services Plan which provides in part that "students' attorneys" are to be retained by the University on an annual basis under contracts which terminate on August 20 of each year. It has now been determined that more flexibility in establishing the commencement and termination dates of the annual contracts is desirable and that there should be some provision for interim or short-term engagement of students' attorneys.

It has been recommended by the chancellor at Urbana and the university counsel: (1) that the commencement and termination dates of the annual contract with each students' attorney be determined as appropriate in each case at the time of approval of the contract by the Board of Trustees; and (2) that, without further action of the board, upon recommendation of the university counsel and concurrence of the chancellor at Urbana, the University may enter into such short-term contracts (not to exceed ninety days) as may be necessary to engage students' attorneys to implement the provisions of the Student Legal Services Plan, provided that funds are available for such purposes in the plan. Any engagement of a students' attorney on an interim short-term basis will be reported to the Board of Trustees.

I concur.

The student advisory vote was: Aye, Miss Kooper, Mr. Sobotka, Mr. Watson; no, none.

On motion of Mr. Watson, these recommendations were approved by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Lenz, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none; absent, Governor Thompson.

### **Modification of the Claims Management Process, Risk Management Program**

(23) In the light of recent experience, the Risk Management Policy Committee has recommended modifications in the risk management procedures in order to review claims and make payments in a more timely way.

Currently, the guidelines approved by the Board of Trustees require the review of all claims by appropriate subcommittees; these are bodies advisory to the vice president for administration which have a review responsibility but do not have the authority to act on behalf of the University. At present there are daily obligations to make payments under the Workmen's Compensation Act and to settle promptly liability claims.

In the view of the policy committee, this administrative function will be facilitated by the following revisions in the present procedure: the authorization of the vice president for administration to make payments of \$1,500 or less in settlement of public or professional liability claims without prior review of a claims committee, and to make the following payments under the Workmen's Compensation Act without prior review of the Workmen's Compensation subcommittee: (1) six weeks or less of temporary total disability, (2) \$3,000 or less of medical expenses and, (3) \$1,500 or less for permanent partial disability.

Payments in excess of the amounts listed will be subject to prior review of the appropriate subcommittee. Any payment in excess of \$5,000 will be subject to further review by the Risk Management Policy Committee, and any payment in excess of \$10,000 will be subject to approval of the Board of Trustees.

The vice president for administration concurs in these recommendations.  
I recommend approval.

On motion of Mr. Livingston, these recommendations were approved.

### **Increase in the Construction Contract for Parking Structure Number Two, Chicago Circle**

(24) On October 19, 1977, the Board of Trustees authorized the award of a contract for general work for the construction of Parking Structure Number Two at the Chicago Circle campus to Walsh Brothers, Inc., Chicago.

The subsurface excavation has now been completed, and the additional cost to the contractor has been established at \$54,904.66. Accordingly, the president of the University, with the concurrence of appropriate administrative officers, recommends that the contract with Walsh Brothers, Inc., be increased in the amount of \$54,904.66.

Funds are available from the proceeds of Chicago Circle Union Revenue Bonds, Series 1977.

The contract will be for ventilation and distribution systems for conditioned air on projects where the total cost is less than \$25,000. The contractor bid on percentages to be added to estimated costs of material, labor, and subcontractors which may be furnished. The work will be done as ordered by the Operation and Maintenance Division and will be paid for on the basis of the actual cost of each job plus the contractor's fees as noted below:

### Contract for Repairs to Gymnasium Floor in the Physical Education Building, Chicago Circle

(37) The president of the University, with the concurrence of appropriate administrative officers, recommends award of a contract in the amount of \$44,325 to Donovan Equipment, Inc., Chicago, the low base bidder, for repairs to the gymnasium floor in the physical education building at the Chicago Circle campus.

This project consists of the repair of the floor in two gymnasiums damaged as the result of the failure of a flexible chilled water line. The failure caused warping to 4,950 square feet of floor and minor damage to an additional 5,100 square feet. The warped floor will be removed and replaced, and the other areas will be cleaned and refinished as required.

In order to avoid this type of failure in the future, the Physical Plant Department has replaced all known flexible connections with rigid pipe.

Funds are available in the operating budget of the Physical Plant at the Chicago Circle campus for 1978-79.

A schedule of the bids received for this project has been filed with the secretary of the board.

The student advisory vote was: Aye, Miss Kooper, Mr. Sobotka, Mr. Watson; no, none.

On motion of Mrs. Rader, this contract was awarded by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Lenz, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none; absent, Governor Thompson.

### RESIGNATION OF PRESIDENT JOHN E. CORBALLY

Mr. Howard:

"Under the topic 'Announcements,' I have the unhappy task to report to you a recent development that has greatly distressed this Board.

"President Corbally has submitted to me a letter which is one of the most carefully written and effective letters I have read.

"In it Jack advised this board of his resignation as president of the University of Illinois effective one year hence — September 1, 1979.

"If there were any persuasion this board could employ to change this decision, we would adopt it. Jack came to us in 1970. These years have been perhaps the most challenging and trying times higher education has known. Jack has led us through these years with great skill, determination, and wit. We have endured and even prospered in very large part because of his abilities. He has been the best person possible to lead this University in these times.

"However, as much as we would selfishly like to keep Jack as long as possible, he has persuaded me that his decision is based on sound reasons and the future happiness of Jack and Betty. Therefore, we have to put aside our own wishes and be glad we kept you this long.

"I think Jack would now like to describe to you the background for his decision, and his future plans."

At this point, President Corbally spoke to the subject of his resignation and distributed copies of his letter to President Howard dated September 1, 1978. The text of the letter is as follows:

Honorable G. W. Howard III  
Howard Building — Box U  
Mount Vernon, Illinois 62864

Dear Bill,

I have been contemplating my personal career plans for some time, particularly because of my belief that one's tenure in a chief executive's position in a major and comprehensive organization should not exceed six to eight years. By August 31, 1979, I will have served a total of ten years in university presidencies — two years at Syracuse University and eight years at the University of Illinois. While such a position always will contain more unfinished than finished business, there are a number of accomplishments at Illinois in which I take some pride. I do feel, however, an increasing sense of repetitiousness in the tasks of my position. It is, then clearly time for me to develop new career opportunities which I can undertake with renewed enthusiasm.

I have great respect and affection for the University of Illinois and I have explored with appropriate individuals the possibility that I might join the faculty at Urbana-Champaign. I am pleased to know that that possibility is available to me. The University of Illinois Foundation is about to undertake a major capital funds campaign. While the leadership of that campaign will need to come from the Foundation staff and especially from the president of the University, I believe that with the concurrence of the president and of the Foundation staff I can be of assistance in that effort. I could and would explore other ways in which I might be of assistance to the University, but my primary goal is to return to teaching, research, and outreach activities in the academic fields of educational administration, higher education, and educational policy. It was this work for which I pre-

pared myself through graduate work and to which I have devoted only about three years since joining the faculty at Ohio State in 1955.

I believe that under our policies I would be eligible for administrative or sabbatical leave which I would request for the academic year 1979-80. It is then my intention to accept a faculty position at Urbana-Champaign in August 1980. My resignation as president of the University of Illinois would be effective on August 31, 1979.

One of the difficult tasks facing a university president who is confident in and who enjoys the confidence of those with whom he works is to decide when the time has come that new leadership, new vigor, new ideas, and even a new personality will benefit the university. There is a strong tendency to develop a sense of well-being and of indispensability which persuades one to overlook clear signs that the time has come for a change of positions for the president and for a change of leadership for the institution. It is also clear that many will seek hidden motives or causes for such a decision because of their inability and unwillingness to understand the demands of such a position and the limits upon an individual's ability to meet those demands with the constant peak effort they require and deserve.

I want to assure you and my other colleagues on the Board of Trustees and my friends and colleagues within the University that there are no hidden motives for my decision. The Board of Trustees has been, is, and I am sure will continue to be supportive of me as an administrator and as a person. I sense a great deal of support from the faculty, staff, and students of our three campuses. I simply find myself in need of and ready for a change. In justice to what I consider to be the best position available in the administration of higher education — the presidency of the University of Illinois — I believe that the time for that change will be here on August 31, 1979. I intend to pursue my duties vigorously during 1978-79 and look forward to another excellent year for our University of Illinois.

With warm regards and with appreciation.

Sincerely,  
(s) Jack  
John E. Corbally

Mr. Howard said: "There will be many opportunities in the coming months for us to express to Jack and Betty our personal feelings. We have been and will continue to be not just colleagues but also good friends.

"The board now has before it the one duty and obligation, which it cannot delegate — the selection of Jack's successor, NOT replacement.

"Because this matter has just come to the board, there is a need to consult further within the University upon our procedures. The procedures followed in 1970 which resulted in Jack's selection, worked well but will undoubtedly require some modification. The board will undoubtedly wish to have advice in its search from the constituent elements within the University and a Consultative Committee to Assist in the Selection of a President will need to be established.

"Accordingly, I will ask Earl Porter to provide this board with background materials and we will promptly suggest to the full board (1) procedures, including procedures for a Consultative Committee; (2) a sug-

gested charge to the committee; (3) as soon as possible, the appointment of a committee within such procedures as the board may adopt; and (4) a suggested appropriation for anticipated expenses of the committee.

"I would suggest a time schedule along the following lines: the development of a statement of procedures and a charge to the Committee — no later than the October meeting (perhaps involving a special meeting); and the appointment of a Consultative Committee by October or early November.

"This board will devote prompt attention and every energy to this task — one of the most important we have. Let us close with expressing again our heartfelt thanks to Jack and our prayers for a happy next "phase" in his life.

"Please join me in a standing vote of appreciation to Jack Corbally."

### RECESS AND EXECUTIVE SESSION

Following a short recess, the board reconvened in executive session and considered the following items of business:

#### Litigation Initiated on Behalf of Karen Turner

(38) A complaint has been filed in the Circuit Court for Peoria County (Case No. 77 L 4936) by Willene Tetrev, as mother and next friend of Karen Turner, a minor, seeking damages for alleged conduct of a medical student at the Peoria School of Medicine. The defendants are Norman Powers, M.D., who is represented by counsel of his own selection, and the medical student, Nick Schlageter (designated in the complaint as Nick Schlater). One count in the complaint alleges that on February 8, 1977, at the professional offices of Dr. Powers in Peoria the medical student made an indecent assault on the minor when the student was present without authority in the examining room assisting Dr. Powers who was conducting a physical examination of the minor. In another count it is alleged that the medical student was assisting Dr. Powers without the consent of the minor or her parents at the time of the medical examination in question and that the student directed obscene language toward the minor.

Mr. Schlageter has stated that at all times alleged in the complaint he was acting in his capacity as a medical student, has denied he assaulted the minor or used obscene language, and has requested the University to provide representation for him in the matter under the University's self-insurance program. The Peoria School of Medicine has confirmed that at the times alleged in the complaint Mr. Schlageter was a student and that as a part of the student's regular course of instruction he was assigned to Dr. Powers' office to gain experience in the observation and practice of history taking and physical examination of patients.

Pursuant to previous delegations by the Board of Trustees, the university counsel has been given interim authorization to take such steps as are necessary or appropriate, including the employment of special counsel, to protect the interests of the University in this matter and to provide representation for Mr. Schlageter. The university counsel has recommended that such authorization be ratified, approved, and confirmed in all respects.

I concur.

The student advisory vote was: Aye, Miss Kooper, Mr. Sobotka, Mr. Watson; no, none.

On motion of Mr. Forsyth, authority was given as recommended by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Lenz, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none; absent, Governor Thompson.

**Complaint Issued by Illinois Fair Employment Practices Commission  
(Clayton Gray, Jr., Complainant), Urbana**

(39) The Illinois Fair Employment Practices Commission has issued a complaint against the University (Charge No. 1978TN0028) in connection with a charge of racial discrimination made by Clayton Gray, Jr., a former assistant professor in the Department of Germanic Languages and Literatures at the Urbana-Champaign campus. It is charged that the University denied Gray tenure and promotion because of his race and retaliation for his "opposition to practices forbidden by said (Fair Employment Practices) Act."

The commission is seeking an order requiring the University to reinstate the complainant and grant him tenure and promotion to the position of associate professor at a rate of pay comparable to what he would be receiving but for the alleged unfair employment practices. In addition, the order sought would require the University to pay a sum equal to his loss of wages, to restore all benefits and seniority status, to clear its personnel records of all references to the termination as well as the filing of the charges and the disposition thereof, and to cease and desist from discriminating on the basis of race in the application of terms and conditions of employment.

Pursuant to previous delegations by the Board of Trustees, the university counsel has been given interim authorization to take such steps as are necessary or appropriate, including the employment of special counsel, to protect the interests of the University in this matter. The university counsel has recommended that such authorization be ratified, approved and confirmed in all respects.

I concur.

The student advisory vote was: Aye, Miss Kooper, Mr. Sobotka, Mr. Watson; no, none.

On motion of Mr. Forsyth, authority was given as recommended by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Lenz, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none; absent, Governor Thompson.

**Litigation Initiated by James N. McElearney**

(40) A complaint has been filed in the United States District Court for the Northern District of Illinois (Case No. 78C 3184) by James N. McElearney, a former assistant professor of chemistry at the Chicago Circle campus. In addition to the University, the defendants include President Corbally and Chancellor Riddle.

The complaint asserts that jurisdiction of the court is invoked to redress deprivation by the defendants of plaintiff's civil and constitutional rights under the constitution and laws of the United States. The relief sought includes: (1) damages in the amount of \$14,000 plus costs in compensation for pain, suffering, and mental stress caused by the conduct of the defendants; (2) exemplary damages in the amount of \$40,000; and (3) an injunction requiring reemployment of the plaintiff at the position of tenured assistant professor of chemistry.

The complaint alleges that the head of the Department of Chemistry made misrepresentations concerning the plaintiff's probationary and tenure status, that the University did not follow its own procedural and substantive rules in connec-

tion with its determination to issue a notice of nonreappointment to the plaintiff and in connection with the plaintiff's grievance with respect thereto, that the plaintiff was not treated equally with other members of the faculty, and that the defendants violated substantive and procedural due process requirements in acting upon the plaintiff's employment status and grievance.

The university counsel has requested that he be authorized to take such steps as are necessary or appropriate, including the employment of special counsel, to protect the interests of the University in the matter and to provide representation for those University employees who request the same and represent that actions, if any, taken by them in connection with the matters alleged in the complaint were taken in their capacities as University employees.

I concur.

The student advisory vote was: Aye, Miss Kooper, Mr. Sobotka, Mr. Watson; no, none.

On motion of Mr. Neal, authority was given as requested by the following vote: Aye, Mr. Forsyth, Mr. Hahn, Mr. Howard, Mr. Lenz, Mr. Livingston, Mr. Neal, Mrs. Rader, Mrs. Shepherd, Mr. Velasquez; no, none; absent, Governor Thompson.

### **Litigation Related to Rice Foundation**

(41) The Board of Trustees has previously authorized the institution and defense of litigation relating to the Rice Foundation and to the estates of Daniel and Ada Rice, in which the University and other medical schools and their medical students may have interests.

The vice president for administration and the university counsel have been representing the University in settlement discussions with the various litigants. They report that there has been substantial progress and that the Appellate Court for the Second District has scheduled a conference at which the possibility of settlement will be discussed; it may become necessary for settlement decisions to be made on short notice.

Accordingly, I recommend that settlement of the litigation be authorized on such terms as may be approved by the members of the Executive Committee of the board.

On motion of Mr. Livingston, this recommendation was approved.

### **Litigation Initiated by Dr. Nicholas G. Grand**

(42) A complaint has been filed in the United States District Court for the Northern District of Illinois (Case No. 78C 3724) by Dr. Nicholas G. Grand, a former tenured professor of oral pathology at the Medical Center campus whose retirement at age sixty-eight was not deferred by the University. In addition to the University the defendants include the elected members of the Board of Trustees, President Corbally, Vice President Yankwich, Chancellor Begando, Vice Chancellor Grove, Dean Yale, and Department Head Waterhouse. Also named as defendants are the State Universities Retirement System, its trustees, and certain of its employees.

The suit purports to be a class action on behalf of the plaintiff and all members of the educational staff of the University of Illinois who have attained the age of sixty-eight and who have been or will be required to retire on September 1, 1978, and subsequent years immediately following their sixty-eighth birthday. It is alleged that the mandatory retirement provisions of the State Universities Retirement Act deprive the plaintiff of equal protection of law in that the age classification does not have a reasonable relationship to articulable and identifiable state purpose and does not justify the disparity in due process procedures between employees over age sixty-eight and those under age sixty-eight. The complaint seeks a

preliminary and final injunction enjoining the enforcement of the mandatory retirement provision and declaring the same unconstitutional and void as it applies to the plaintiff and his class. In addition the plaintiff seeks reasonable costs and expenses of the action, including attorney's fees.

The university counsel has requested that he be authorized to take such steps as are necessary or appropriate, including the employment of special counsel, to protect the interests of the University in the matter and to provide representation for those University trustees and employees who request the same and represent that actions, if any, taken by them in connection with the matters alleged in the complaint were taken in their respective capacities as University trustees or employees.

I concur.

#### **Acquisition of Property at 201 East John Street, Champaign**

(43) The president of the University, with the concurrence of appropriate administrative officers, recommends adoption of the following resolution authorizing acquisition of the property at 201 East John Street, Champaign, through condemnation proceedings. Funds for the acquisition are available from the bequest of Guy M. Beckwith. In addition, authorization for settlement of the condemnation suit is recommended if the acquisition can be completed at a price within the appraisals received by the University.

The property consists of a dormitory style building on a rectangular-shaped lot of 22,644 square feet. The University has been negotiating with the owner who has been advised that University representatives are willing to recommend to the Board of Trustees purchase of the property at a price of \$162,500 based on appraisals received by the University. However, while the owner desires to sell the property, this price is not acceptable. This site will be used to construct the Beckwith Living Center, a facility dedicated to serving permanently physically handicapped individuals who have the capability, the motivation, and the perseverance to benefit from a college education but do not have the physical ability, at least initially, to live in University residence halls facilities. This board approved the noninstructional campus improvement project on October 19, 1977.
