There being no further business, the executive session adjourned at 9:05 a.m.

**REGULAR SESSION RESUMED**

At 9:05 a.m., Mr. Kennedy announced that the regular meeting would resume. All Board members recorded as present at the start of the meeting were in attendance.

**PERFORMANCE OF THE STATE SONG**

Mr. Kennedy referred to the importance of the arts and introduced Ms. Denise Yates, a former student trustee from the Springfield campus and now associate director of the Office of Graduate Diversity Programs, College of Medicine at Chicago, to sing the State song, *Illinois*, which was written by C. H. Chamberlain and composed by Archibald Johnson.

**INSTALLATION OF STUDENT TRUSTEES**

Next, Mr. Kennedy asked Ms. Hasara to introduce the new student trustees. Ms. Hasara welcomed Ms. Ehrenberg, Mr. Thomas, and Mr. Tienken as new student trustees and invited them to join her at the podium. She introduced each new student trustee and provided some information about each. She then read them the responsibilities associated with their role and offered congratulations on behalf of the Board, which was followed by a round of applause.

**ANNOUNCEMENTS FROM THE CHAIR**

Mr. Kennedy thanked everyone for attending the meeting and provided a preview of the day's schedule. He referred to the incorporation of the

Illinois Industrial University in July 1867 and expressed appreciation for the Board's boldness in leadership at that time. He said that the Board provided a tribute the previous evening to Dr. Mrinalini Rao, vice president for academic affairs, who he said will return to teaching full time in the fall. He thanked her for the many lessons she provided to the trustees and said her input has helped shape the point of view and vision of the Board. He expressed appreciation for all she has done for the Board and for the University, which was followed by a round of applause.

### **INTRODUCTION OF UNIVERSITY OFFICERS AND SENATE OBSERVERS**

President Hogan thanked the University officers in attendance and introduced the senate observers and the representative of the academic professional staff: Dr. Donald Chambers, professor of physiology and biophysics and molecular biology, Chicago, vice chair of the executive committee of the Chicago Senate, representing the University Senates Conference; Ms. Mary Mallory, associate professor and head of the government document library, representing the Urbana Senate; Dr. Abolfazl (Kouros) Mohammadian, associate professor, Department of Civil and Materials Engineering, representing the Chicago Senate; Dr. John Martin, assistant professor of astronomy and physics, representing the Springfield Senate; and Ms. Deidre Rush, associate director, financial aid office, Chicago, representing the academic professional staff. Also in attendance were: Dr. Tih-Fen Ting, chair of the Senate executive committee and chair of the Springfield Senate; Dr. Joyce Tolliver, chair of the Senate executive committee, Urbana; and Dr. Matthew Wheeler, vice chair of the Urbana Senate executive committee and chair of the University Senates Conference.

Koch, vice president and chancellor, University of Illinois at Springfield; Dr. Rao; Dr. Lawrence B. Schook, interim vice president for research; Dr. Joe G. N. Garcia, vice president for health affairs; Dr. Avijit Ghosh, special assistant to the president; Ms. Katherine Laing, executive director for governmental relations; and Mr. Thomas P. Hardy, executive director for University relations.

### **WELCOME FROM THE CHANCELLOR AT CHICAGO**

Next, Mr. Kennedy asked Dr. Allen-Meares to comment briefly on the Chicago campus and the work that is occurring there. Dr. Allen-Meares welcomed everyone to the Chicago campus and began her presentation (materials on file with the secretary) with a list of recent faculty awards and grants. She stated that the campus is competitive in securing federal research funding, and she showed a chart depicting trends in sponsored program expenditures. She told the Board that Dr. Jason Leigh, professor, computer science, will be featured on the television show *Nova*, and she encouraged trustees to visit the Electronic Visualization Lab on the

campus. She said she is optimistic that student enrollment for the 2011-2012 academic year will set a new record at the campus, and she highlighted an award that was received recently by pharmacy students. Next, she discussed the Global Learning Certificate, and then invited two students, Ms. Rashida KhanBey, who is majoring in performing arts, and Ms. Alejandra Onate, a biological sciences major, to comment about the campus. Both students described their experiences with outstanding faculty at Chicago and listed some recent achievements among faculty members and alumni. They spoke favorably about their experiences as students at Chicago, and they discussed their plans for the future. Their comments were followed by a round of applause.

Next, Dr. Allen-Meares thanked Trustee Montgomery, President Hogan, Dr. Heather J. Haberaecker, executive assistant vice president for business and finance, and others at the University for their contributions to the MAFBE (Minority and Female Business Enterprise) conference, and she expressed appreciation for Mr. Montgomery's comments that conveyed the University's commitment to working with minority vendors and contractors. She also referred to an upcoming Health Summit and Expo, the new student convocation, and the dedication ceremony for the remodeled Stephen A. Douglas Hall, and she provided the dates for the chancellor's lecture series. She stated that the campus hopes to graduate its first UIC College Preparatory class in May 2013, from the charter high school affiliated with the Chicago campus.

There were no questions or comments regarding the presentation, which was followed by a round of applause.

#### **REPORT FROM CHAIR, AUDIT, BUDGET, FINANCE, AND FACILITIES COMMITTEE**

Mr. Kennedy then asked Mr. McMillan, chair of the Audit, Budget, Finance, and Facilities Committee, to provide a report from that committee. He said that Mr. McMillan serves on that committee with Trustees Montgomery, Oliver, and Strobel. Mr. McMillan stated that Mr. Oliver acted as chair in his absence at the last meeting, and he asked Mr. Oliver to provide the report.

Mr. Oliver stated that the Audit, Budget, Finance, and Facilities Committee last met on July 11, 2011, with Trustees Montgomery, Oliver, and Strobel in attendance. He said also present were Mr. McKeever, President Hogan, Mr. Knorr, and a number of staff members. He reported that the committee approved the minutes from the meeting held on May 31, 2011, and that the following presentations were also provided: Dr. Haberaecker reviewed purchase and renewal recommendations; Ms. Angela Cantillon and Mr. Brady O'Connell, representatives from Hewitt EnnisKnupp, made a presentation on University investments; Mr. Knorr made a presentation on the University's long-term debt and recent rating agency credit analyses, and he provided an update on the State appropriation receivable, the Fiscal Year 2012 appropriation, and the status of the transfer for the State surveys; Ms. Julia A. Zemaitis, executive director of University audits, presented the two-year internal audit plan for Fiscal Year 2012 and Fiscal Year 2013; Ms. Jackie Dippel, a representative from the external audit firm KPMG,

presented the Fiscal Year 2011 audit scope for the University's financial and federal and State compliance audits; and Dr. W. Randall Kangas, associate vice president for planning and budgeting, made a presentation on the preliminary Fiscal Year 2013 budget request. Mr. Oliver stated that the committee discussed Board agenda items within the purview of the committee, and he reported that the next meeting of the committee is scheduled for August 31, 2011.

### **Investment Update**

Mr. Knorr asked Mr. O'Connell and Ms. Cantillon to provide an investment update. Mr. O'Connell referred to the third slide in his presentation (materials on file with the secretary) and provided an update on capital markets in three major asset classes. Ms. Cantillon reviewed the allocation of operating pool assets and emphasized diversification, high credit quality, and liquidity. She then presented the operating pool performance through March 31, 2011, and reported that it has outperformed its benchmark over the quarter and the one-year period. She stated that its underperformance during the five- and 10-year period was due to the credit crisis, and she emphasized that \$23.8 million of income has been the average generated per year over the last 10 years. She stated that the preliminary returns from June 30, 2011, indicate that the operating pool outperformed its benchmark. She then presented a report on the endowment pool market value and asset allocations as of May 31, 2011, noted that these allocations will change in the upcoming year, and presented the endowment pool performance as of March 31, 2011. She stated that it has outperformed its policy benchmark during the quarter and one-year period and said that preliminary returns as of June 30, 2011, indicate that it will outperform its policy benchmark. She presented charts depicting the current asset allocation policy and the asset allocation policy that was approved by the Board in January 2011, and she reviewed the reasons for suggesting these changes and stated that these will likely result in a higher rate of return with lower risk and more diversification. Next, she reviewed the implementation schedule for these recommendations, which she said are divided into two stages and will be complete in December 2012. Mr. Montgomery asked why the recommendations will take so long to be implemented, and Ms. Cantillon described the time required for the request for proposal process, the State procurement code's requirements, and other additional required steps, stating that taken all together this is a methodical and deliberate process. Ms. Strobel noted that the timeline had been shortened since the presentation was made to the Audit, Budget, Finance, and Facilities Committee, where similar concerns were discussed. Additional discussion included the impact of the current asset allocation on the endowment pool in previous years and the selection and monitoring of equity managers. Mr. Kennedy inquired about the impact of requiring greater liquidity in the operating pool because of the State's lack of payments to the University, and he, Mr. Knorr, and Ms. Cantillon discussed the lower rate of return that results from the need for greater liquidity. Mr. Kennedy also asked for the investment models used at Ivy League institutions, and Mr. O'Connell provided some information on this topic and agreed to provide a summary

with additional information. Mr. Kennedy emphasized the impact and loss of financial gains due to the need for greater liquidity.

### **Financial Indicators**

Next, Mr. Knorr provided a report on financial indicators for the University (materials on file with the secretary). He showed the State general fund appropriations by sector for Fiscal Year 2011 and Fiscal Year 2012, which showed a 1.2 percent decrease to higher education, and provided a chart depicting higher education general fund appropriations by sector. He showed a 34 percent decline in the general revenue fund appropriation from Fiscal Year 2002 through Fiscal Year 2012 and presented the capital appropriations from Fiscal Year 2002 through Fiscal Year 2012. He then provided a chart depicting the Fiscal Year 2011 State appropriation revenue unrestricted funds that have been billed and collected through July 18, 2011, and stated that \$313.0 million, or 46 percent of the Fiscal Year 2011 appropriation for the University, has not been received. He showed that \$43.0 million of the Fiscal Year 2012 appropriation has been collected and said the State is paying this from an education assistance fund. He presented the unrestricted general revenue fund collections from July 1 through June 30 from Fiscal Year 2000 through Fiscal Year 2012, and he explained that the State has fallen behind in payments for the last three years. Next, he reviewed the month-end general revenue fund receivable from Fiscal Year 2007 through Fiscal Year 2011 and referred to a constant shortfall of payments.

Mr. Knorr then presented tuition revenue data and showed that collections are good. He provided graphs depicting the percentage of students who pay full tuition and fees and those who do not on each campus currently and for the past seven years, and Mr. Kennedy asked how these charts might appear if the data were restricted to only students who are residents of Illinois. A brief discussion followed, and Mr. Knorr stated that he would provide this at a later date. Next, he provided data reflecting the revenue, expense, and net income for the University Hospital. He provided information regarding the University's current long-term outstanding debt of slightly more than \$1.6 billion and stated that this is composed primarily of auxiliary facilities debt. He discussed the cost and interest rates of the University's debt with trustees, then reported on the University's credit rating and stated that it received a rating of AA- from Standard and Poor's and AA2 from Moody's, both with a negative outlook, which he said is reflective of current State finances. Discussion regarding the presentations that were made to the credit rating agencies followed, and Mr. Knorr provided additional details about visits from credit rating agencies and said he would provide the PowerPoint presentation that was used during these visits.

Mr. Kennedy thanked Mr. Oliver, Mr. Knorr, and others in the business and finance offices of the University for all their hard work.

This concluded the report from the Audit, Budget, Finance, and Facilities Committee, and Mr. Kennedy suggested that the Board take a short break.

At 11:11 a.m., the meeting resumed, with all trustees recorded as present at the start of the meeting in attendance.

**REPORT FROM CHAIR,  
GOVERNANCE, PERSONNEL, AND ETHICS COMMITTEE**

Mr. Kennedy then asked Ms. Strobel to provide a report from the Governance, Personnel, and Ethics Committee, and stated that Ms. Hasara and Mr. Montgomery also serve on the committee. Ms. Strobel stated that since the last Board meeting, the committee met on June 14, 2011, and July 15, 2011. She said that at the meeting that was held on June 14, committee members reviewed proposals to amend two sections of the *Bylaws* of the Board of Trustees. She stated that one proposal recommended changing the name of the Hospital Committee to the University Healthcare System Committee to better reflect the scope of the committee and the University's plans for organizing health-care related matters. She said there was also a proposal to amend the charter for this committee for consistency. She stated that the other amendment proposed changing the minimum time for the Board as a whole to review proposals to amend the *Bylaws* from 30 to 15 days. She explained that most amendments do not require 30 days to review and indicated that additional time can be recommended to review changes when deemed necessary. She reported that the committee had no disagreement with these proposals. She told trustees that the secretary also distributed the proposals to the entire Board for its review prior to this meeting and said they are included in the agenda for today's meeting.

Ms. Strobel continued reporting on the committee meeting that was held on June 14 and said that the committee also reviewed a draft agenda for the Board's retreat, which was held the previous day, and discussed University employment or appointment-related matters in an executive session.

She stated that at the meeting that was held on July 15, the committee reviewed several recommendations that are on the agenda for today's meeting and are within the purview of the committee. She listed those items and stated that Dr. Schook provided additional information about the item pertaining to the appointment of campus representatives to the board of managers of the University of Illinois Research Park and the appointment of representatives to the Research Park design review committee. She provided a summary of these comments. She also stated that Dr. Rao presented a description of the complex and thorough process for reviewing and recommending faculty members for promotion and tenure. Further, she said that committee members also participated in a final review of the draft agenda for the Board's retreat. She said the committee discussed University employment or appointment-related matters in an executive session.

Ms. Strobel concluded her report by stating that the next meeting is scheduled for August 25, 2011, and indicated it is likely to be the only meeting of the committee before the next Board meeting.

**REPORT FROM CHAIR,  
ACADEMIC AND STUDENT AFFAIRS COMMITTEE**

Mr. Kennedy then asked Ms. Hasara, chair of the Academic and Student Affairs Committee, to provide a report. Ms. Hasara stated that she serves on the committee with Mr. Estrada, Ms. Holmes, Dr. Koritz, Mr. Oliver,

Ms. Ehrenberg, Mr. Thomas, and Mr. Tienken. She stated that the committee last met briefly on July 20, 2011, and said that committee members approved the minutes of the meeting that was held on June 8, 2011. She said they discussed items on today's agenda that are within the purview of the committee, and she provided a brief overview of those items. She said the committee also discussed the process for promotion and tenure, and she asked Dr. Rao to comment on the item on the Board's agenda for today's meeting recommending promotion and tenure for some faculty members.

Dr. Rao stated that the promotion and tenure process is critical and said granting promotion and tenure is one of the most pleasurable aspects of her job. She described a thorough and deliberative process, and stated that this has been discussed at the Governance, Personnel, and Ethics Committee meeting and the Academic and Student Affairs Committee meeting. She said the quality of the University is dependent on the caliber and achievements of the faculty, and stated that the granting of promotion and tenure is a fundamental University function. She told the Board that the promotion and tenure item on the Board's agenda for today's meeting includes 335 recommendations for promotion and tenure.

Ms. Hasara then stated that Ms. Laing also provided a presentation on legislation and pension issues at the meeting. She thanked Dr. Rao for her help and service, and stated that she provided a good introduction to the world of academics to committee members. This concluded the report from the Academic and Student Affairs Committee.

#### **Comments on the Institute of Aviation from Vice President/Chancellor Easter**

Mr. Kennedy asked Dr. Easter to comment on the recommendation to close the Institute of Aviation at Urbana. Dr. Easter stated that it is a complex issue and said that after thorough review and consideration, campus administration is recommending the closure of the Institute of Aviation and the discontinuation of the Bachelor of Science degree in Aviation Human Factors and the professional pilot curriculum. He provided a brief history of the Institute of Aviation and presented data regarding applications and enrollment. He told the Board that the Institute of Aviation has come under review by campus administration several times, and he provided some details about these reviews, including one that was part of the Stewarding Excellence initiative. He said the Stewarding Excellence team considered the Institute of Aviation's fiscal difficulties and its fit within the University's mission, and reviewed its annual reports, enrollment data, and strategic plan. He said the team's members also considered the impact of its closure on Willard Airport in Champaign and concluded that eliminating or significantly reducing the Institute of Aviation would not greatly affect commercial airlines that operate there. He described consultation with many constituencies, including student advisory groups, and said that he and Dr. Richard Wheeler, interim vice chancellor for academic affairs and provost, Urbana, proposed closing the Institute of Aviation and ending its degree programs in the best interest of the campus and University. He said they

initially considered the creation of a self-supporting, non-degree program through the Institute of Aviation, but additional study indicated that there is insufficient demand, due in part to its anticipated high cost. He stated that the Educational Policy Committee, which is part of the Urbana Senate, received input and comments from the public and those involved with the Institute of Aviation, and performed an extensive review of the proposals recommending its closure. He said the Educational Policy Committee voted to support the proposal to close the Institute of Aviation, discontinue its undergraduate degree program, and continue offering the graduate degree program through the Graduate College. He said that the Urbana Senate voted 57 to 54 against this proposal, and stated that a resolution that followed proposed the creation of a task force to investigate alternatives throughout the summer but did not gain enough votes to be discussed on the Senate floor.

Dr. Easter then reviewed the key points that led to the proposal on the agenda for today's meeting. He said the Institute of Aviation is the smallest degree-granting academic unit with the highest cost per instructional unit; it has experienced decreased enrollment and applications; and it has the lowest academic profile for admitted students. He said the Institute of Aviation has ended each of the last five years with a deficit and stated that its closure would result in a cost savings. He asked for the Board's approval of this item and recommended delaying closure to allow currently enrolled students to complete their studies, estimating that this would occur at the end of the 2013-2014 academic year. He said that until that time, the campus will continue to discuss the creation of a flight training program with other higher education institutions. He stated that he respects the advisory role of the Senate, referred to the close vote of the Senate on this topic, and mentioned the support of many constituents.

Mr. Kennedy thanked Dr. Easter for his comments and said it was very helpful to be provided with additional information. Dr. Easter and Dr. Wheeler responded to questions from Board members, and trustees discussed the cost of tuition and fees for the undergraduate degree program and flight training program, University costs to maintain the program, and reasons for declining enrollment. They also discussed the impact of its potential closure on the Federal Aviation Agency's investment in a control tower at Willard Airport, the success of similar programs at other institutions, and the possibility of an increased need for pilots in the future. Additional discussion included the placement of the master's degree in the Graduate College, and trustees were informed that flight training is not required for the Master of Science degree in human factors.

#### **MOTION FOR EXECUTIVE SESSION**

At 11:50 a.m., Chair Kennedy asked for a motion for an executive session and stated: "A motion is now in order to hold an executive session to consider pending, probable, or imminent litigation against, affecting, or on behalf of the University."

The motion was made by Mr. McMillan, seconded by Mr. Montgomery, and approved.

**REGULAR MEETING RESUMED**

At 1:41 p.m., the regular meeting resumed. All Board members recorded as present at the start of the meeting were in attendance. Mr. Kennedy introduced two students from the Department of Performing Arts at Chicago to provide a short performance: Ms. Jordan Roulo, a junior who is a majoring in vocal performance, and Mr. Anthony Urgena, a senior working toward a Bachelor of Arts degree in Music. Their performance was followed by a round of applause.

**REPORT ON LEGISLATIVE SESSION, SPRING 2011**

Next, Mr. Kennedy asked Ms. Laing to provide a report on the spring legislative session of the Illinois General Assembly and other legislation pertinent to the University. Ms. Laing provided an update from the University Office of Governmental Relations and highlighted the work of Mr. Jonathan Pyatt, director of federal relations, who has been working in Washington, D.C., for the past three months. She discussed efforts within the Office of Governmental Relations to prevent the passing of legislation detrimental to the University and to support legislation that is beneficial, and mentioned specific legislation related to the University's ability to spend tuition funds. She also described efforts to prevent legislation that would have impacted the University's discretion to classify academic and professional employees. She recognized the efforts of Ms. DeShana Forney, associate director of governmental relations, and Ms. Dianna Barrows, director of State relations, and mentioned the successful passing of a bill regarding the University's ability to collect tuition and fees. She also described the successful passing of legislation related to the use of some restricted medicines in the College of Veterinary Medicine at Urbana. She thanked Ms. Forney and Ms. Barrows, which was followed by a round of applause. She discussed efforts to implement changes to the State's procurement regulations affecting the University and said there has been some progress, noting that there is a bill related to this that is currently in committee.

Ms. Laing then began her presentation (materials on file with the secretary), which she said would focus primarily on pension issues. She presented a slide depicting the State's estimated accumulated unpaid general revenue fund vouchers and showed that almost 20 percent of the general fund appropriation is allocated to pensions, noting that the General Assembly hopes to stop the growth of pension liability. She said that unfunded pension liabilities are an issue in most states throughout the nation and stated that the unfunded pension liability equals approximately \$85.0 billion. She discussed the lack of pension payments by the State, provided a timeline of pension changes, and compared the two tiers of the defined

benefit plan for University employees. She showed the pension changes impacting employees that were hired on or after January 1, 2011, and she described the proposed changes in Senate Bill 512. She also provided data regarding average annual pensions for retired State employees, showed charts comparing retirement benefits at the University of Illinois to its peers, and presented graphs regarding faculty average total compensation compared to peer groups at each campus. Next, she showed the faculty total compensation at Urbana compared to other Big Ten institutions, and she concluded her presentation with a brief summary of the current pension issue.

Board members discussed the presentation, and Ms. Laing responded to questions regarding the impact of recently proposed pension legislation. She said that the number of applications for retirement doubled since last year and indicated it may be a result of the proposed changes in Senate Bill 512.

### **PUBLIC COMMENT SESSION**

Next, Mr. Kennedy announced a public comment session and explained that the *Procedures Governing Appearances Before the Board of Trustees* allow for a maximum of six individuals to speak for five minutes each. He then introduced the first of three speakers, Mr. Dana Dann-Messier.

Mr. Dann-Messier stated that he is an alumnus of the Institute of Aviation and said that the Institute of Aviation should remain open. He told the Board that the Institute of Aviation fits within the mission of the University and has alumni support, and he stated that the faculty and students at Urbana do not want it to close. He referred to a future pilot shortage, emphasized the need for college-educated pilots, and stated that the administration has been detrimental to the growth of the Institute of Aviation. He outlined changes made by campus administration that he said negatively affected the Institute of Aviation, and emphasized its strong fit within the University. He urged the Board to allow its legacy to continue.

Mr. Kennedy then called on Mr. Tom W. Emanuel Jr., to comment. Mr. Emanuel stated that he is the interim director of the Institute of Aviation and said that the declining number of applications was caused in part by rumors that the Institute of Aviation may close. He said that the limit placed on enrollment and the transfer of the Institute of Aviation faculty to other colleges also affected enrollment, and he indicated that closing the Institute of Aviation would result in small savings and great damage. He said it would also result in job loss, and he reviewed changes implemented by campus administration that he said have had negative consequences. He said that aviation is the second-greatest revenue producer in the State, and he predicted an increase in the demand for pilots. He then stated that closing the Institute of Aviation would have a devastating effect on Willard Airport in Champaign, and he asked the Board to vote to keep the Institute of Aviation open or to delay their decision.

Next, Mr. Kennedy invited the last speaker, Mr. E. Allan Englehardt, to comment. Mr. Englehardt stated that he is a retired airline pilot who

worked for American Airlines and said that at a time where the aviation industry is unstable, the Institute of Aviation should be expanded rather than closed. He said that future pilot positions will require a college degree and predicted that the need for airline pilots will increase. He said that the flagship University in the State should offer an aviation program, and he urged the Board to keep the Institute of Aviation open.

When the public comment session ended, Mr. Kennedy suggested that the Board take a short break. At 2:33 p.m., he left the meeting, and Mr. McMillan served as chair *pro tem* for the remainder of the meeting.

### AGENDA

Mr. McMillan announced that the agenda for this meeting would now be considered. All Board members recorded as present at the start of the meeting were in attendance, with the exception of Mr. Kennedy. Mr. McMillan explained the items for which a voice vote of the Board is requested would be first, and that the secretary would read the titles of these items. He noted that several Board members had previously discussed concerns with President Hogan and other staff members regarding these items, and he said that he would welcome further discussion at this time.

Each trustee made comments regarding the agenda item no. 1, "Close Institute of Aviation and Eliminate the Bachelor of Science in Aviation Human Factors and the Professional Pilot Curriculum, Urbana."

Many expressed appreciation for the comments they had received regarding this issue and said it was a difficult decision. Ms. Strobel stated that financial issues dictate that the University cannot do everything it has in the past while maintaining a state of excellence, and some Board members agreed. Dr. Koritz and Ms. Holmes referred to their personal experiences with the Institute of Aviation, and some trustees expressed concern that alternatives had not been fully investigated. Discussion continued, and Board members referred to the cost and the need to keep tuition low and ensure access and affordability at the University. The student trustees stated that they would vote against the proposal and referred to the student resolution and comments from students against the closure. Other trustees mentioned their confidence in the administration and their recommendations, and all agreed it was a difficult decision. President Hogan commented briefly that he agrees with the chancellor's recommendation, and he referred to the impact of the ongoing deficit at the Institute of Aviation.

Mr. McMillan asked for a motion to move forward to a vote.

On motion of Mr. Montgomery, seconded by Ms. Holmes, this motion was approved.

On motion of Ms. Hasara, seconded by Ms. Holmes, the recommendation was approved by the following vote: Aye, Ms. Hasara, Ms. Holmes, Mr. McMillan, Mr. Montgomery, Mr. Oliver, Ms. Strobel; no, Mr. Estrada, Dr. Koritz; absent, Mr. Kennedy, Governor Quinn.

(The student advisory vote was: No, Ms. Ehrenberg, Mr. Thomas, Mr. Tienken.)

The recommendation follows.

**Close Institute of Aviation and Eliminate  
the Bachelor of Science in Aviation Human Factors  
and the Professional Pilot Curriculum, Urbana**

(1) The interim vice president, University of Illinois, and interim chancellor, University of Illinois at Urbana-Champaign, has recommended the closure of the Institute of Aviation and the elimination of undergraduate academic programs, including the Bachelor of Science in Aviation Human Factors and the Professional Pilot Curriculum.

The campus is proud of the Institute of Aviation's history and of the contributions its employees, students, and alumni have made to the field of aviation and to our University. Although the Institute degree programs were added relatively recently, the campus has provided flight training since the mid-1940s. The Bachelor of Science in Aviation Human Factors was added to the Institute in 1999, and the Master of Science in Human Factors was created in 2003. Notwithstanding this proposal to discontinue the degree programs and to close the Institute, the campus is actively investigating ways to keep flight training opportunities available for its students. Specifically, the campus is engaged in ongoing conversations with other institutions of higher education regarding how to support their possible interest in creating local flight training programs.

The campus has long examined how to support the Institute, its faculty, and students, while honoring our commitment to the broader student body, campus community, and the public. The campus has examined the Institute of Aviation within the context of our overall land-grant mission and the changing financial picture of this University. Because of its high cost, declining enrollments, adverse impact on the campus academic profile, and the relative weakness of the Institute's connection to the central missions of the campus, it is in the best interests of the campus to close the Institute of Aviation and discontinue its undergraduate academic programs.

The Institute of Aviation is uniquely situated as being the smallest degree-granting unit and the academic unit with the highest cost-to-educate per undergraduate instructional unit on the Urbana campus. Using the methodology created by the Illinois Board of Higher Education to determine instructional costs, the Institute's instructional cost ratio of approximately \$1,200 per undergraduate instructional unit is nearly four times the campus average. Over the past decade, the Institute has seen a trend in declining applications and enrollments that corresponds to the nationwide declining interest in aviation since 2001. Between 2002 and 2010, the Institute has seen decreases of 63 percent in applications and 52 percent in enrollment, enrolling only 34 freshmen in 2010.

Using the two key academic metrics of quality that the Board of Trustees has determined should be used to evaluate admissions, ACT score and high school rank, the Institute's freshman class has consistently been the lowest of any undergraduate-admitting unit. The academic profile of the Institute's freshman class improved noticeably when its admissions target was reduced in 2008, but even with an enrollment target reduced to 30 students, the Institute still retains its position as the admitting unit with the lowest profile.

Pursuant to Article VIII of the University *Statutes*, the advice of the Urbana-Champaign Academic Senate was sought regarding this proposal. On the Urbana campus, the Academic Senate delegates substantive review of such proposals to its Educational Policy Committee and Standing Rules of the Senate require that a faculty vote and public hearing occur when a proposal seeks the closure of an academic unit. The faculty vote (which included former faculty transferred to new tenure homes in August 2010, the president, vice president/chancellor, provost, and the director of the Institute) was as follows: two in favor of closing the Institute, four against closure, and three abstentions. The Educational Policy Committee received and considered public comment and feedback in the form of written submissions and at a public hearing on March 14, 2011. The Educational Policy Committee evaluated this matter at five meetings over the course of the 2011 spring semester.

After extensively reviewing the proposals, including review and debate of information submitted by the administration, the Institute, and the public, the Educational Policy Committee voted to support the proposals to close the Institute and eliminate the undergraduate academic programs. The vote of the Educational Policy Committee was as

follows: nine in favor of the recommendations set forth herein, three against the recommendations, and one abstention. The Educational Policy Committee's recommendation to close the Institute and eliminate the undergraduate academic programs was submitted to the Academic Senate, which voted 57 to 54 against the proposals. In light of the very close vote of the Senate and the broad support voiced for this proposal by the many bodies consulted as a part of the review of the Institute of Aviation (e.g., Council of Deans, Stewarding Excellence @ Illinois Steering Committee, Stewarding Excellence @ Illinois Campus Advisory Committee, and Senate and student leadership), it is appropriate and necessary to close the Institute and eliminate the undergraduate academic programs despite the absence of a favorable Senate majority vote.

The closure of the Institute, if approved by the Board, will be delayed until current students have had adequate time to complete their studies, which the campus anticipates will be at the end of Academic Year 2013-2014. During that time period, the campus will continue its active conversations with a local community college regarding its possible interest in creating a flight training program. The campus is committed to fully investigating avenues to support others' creation of a flight training program, including exploring the possibilities of a trial partnership with another institution during the next three years and the transfer of physical assets to facilitate the creation of such a program.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The president of the University concurs.

Mr. Tienken left the meeting at this time.

By consensus, the Board agreed that one vote would be taken and considered the vote on each agenda item nos. 2 through 9 inclusive. The recommendations were individually discussed but acted upon at one time.

### **Approve Minutes of Board of Trustees Meeting**

(2) The secretary presents for approval the minutes of the Board of Trustees meeting of June 9, 2011.

On motion of Ms. Hasara, seconded by Mr. Oliver, these minutes were approved.

### **Approve Resolution for Mrinalini C. Rao**

(3) To: Mrinalini (Meena) C. Rao

You will be remembered with gratitude for your notable contributions to the University and for serving in the role of vice president for academic affairs since July 2007. Working with the chancellors and provosts of the University, you have provided leadership in defining and shaping strategic academic priorities for the University, leading key academic initiatives, and guiding important academic policy.

Your work is distinguished by your efforts to increase diversity throughout the University, and this commitment to diversity, in all of its forms, has been soundly grounded in a fundamental belief of fairness and opportunity for all human beings. Particularly significant is your strong belief that an institutional commitment to diversity benefits all students.

Emblematic of your untiring efforts are: the leadership you provided to funding and operating the Diversifying Faculty Initiative through the Illinois Board of Higher Education; the Diversity Task Force you established, composed of representation from each campus and University Administration; the Diversity Summits you organized wherein the campuses' faculty, administration, staff, and student leadership were brought together for ongoing conversations about diversity and how the University might better support and foster it; and, finally the strategic changes you spearheaded to the President's Award Program to make it more effective for recruiting and increasing the success of its students.

One of the constants throughout your tenure as vice president for academic affairs was ensuring all parties affected had a voice in important discussions. Often you were the conduit for bringing faculty together for cross-campus discussions with administration. Your voice has been clear, as has your conviction that all constituencies must be engaged in crucial decisions.

In addition to your responsibilities as an administrator, you have continued to be a scientist and an educator as professor of physiology and biophysics and professor of medicine, College of Medicine at the University of Illinois at Chicago. Your teaching has been recognized with UIC's Award for Excellence in Teaching, the Teaching Recognition Program Award, and the Philip Hawley Distinguished Faculty Award from the Department of Physiology and Biophysics. Being an accomplished teacher, with an intense interest in students' success, you have personally been a mentor to innumerable grateful students. You have maintained an active research laboratory, conducting important research on cholera in an effort to discover better treatment and prevention of this deadly disease. You have committed yourself to expanding the knowledge base of the health sciences for application to the betterment of peoples' lives.

As a person, Dr. Rao, you are engaging, energetic, outgoing, articulate, well-informed, and interested in working collaboratively on projects. Atop your passionate belief in higher education's power to transform lives is a demeanor of respect, collegiality, and a quiet earnestness—plus a sense of humor—that make people happy to work with you. Meena, your unselfish caring, consideration, support, and nurturing of others is always in evidence.

Your life experiences, cross-cultural awareness, professional stature, and outstanding personal qualities continue to enrich and enliven the University. Your excellent sense of priorities and your persistence have produced meaningful change throughout the University.

It is noteworthy, Dr. Rao, that you have brought an extraordinary combination of commitment and effectiveness to the administration of academic affairs, to your research in the Department of Physiology and Biophysics, and to your teaching as a faculty member in the College of Medicine. The Board wishes to express its appreciation to you for your service as an exemplary administrator and faculty member of the University of Illinois.

At this time the Board of Trustees, President Michael J. Hogan, faculty members, students, and staff members extend warm wishes to you, Dr. Strohl, and your family.

On motion of Ms. Hasara, seconded by Mr. Oliver, this resolution was approved.

Park Design Review Committee**

**(8) Appoint Campus Representatives to the Board of Managers**

At its March 23, 2011, meeting, the Board of Trustees of the University of Illinois (Board of Trustees) approved amendments to the Operating Agreement of the University of Illinois Research Park, LLC (UIRP or Company). At the same time, the eight current managers of the Company were confirmed by the Board of Trustees as members of the Board of Managers. Confirmed as voting managers were the following six individuals: Edward L. McMillan (Board of Trustees representative); Patrick Daly, Roderick Johnson, and Rick Stephens (business and industry representatives); and the vice chancellors for research at the Urbana-Champaign and Chicago campuses (ex officios). Confirmed as nonvoting managers were the following two individuals: the vice president/chief financial officer and comptroller (ex officio) and vice president for research (ex officio). At the time, it was contemplated that two campus representatives (one each from the Urbana-Champaign and Chicago campuses) would be recommended at a future meeting of the Board of Trustees for appointment as additional voting members of the Board of Managers.

Having consulted with the vice presidents/chancellors of the Urbana-Champaign and Chicago campuses, the vice president for research now recommends the Board of Trustees appoint Sharon M. Donovan (Melissa M. Noel Endowed Chair in Nutrition and Health, Urbana) and Mark Donovan (vice chancellor for administrative services and executive director for facilities management and capital programs, Chicago) as additional voting managers of the Board of Managers of the UIRP. The addition of these two individuals will bring the total board composition to 10 managers (eight voting managers and two nonvoting managers).

The president of the University concurs with this recommendation.
