### **Rename the Bachelor of Arts in Liberal Arts and Sciences in Rhetoric, College of Liberal Arts and Sciences, Urbana**

(10) The vice president, University of Illinois, and chancellor, University of Illinois at Urbana-Champaign, with the advice of the Urbana-Champaign Senate, recommends approval of a proposal from the College of Liberal Arts and Sciences to rename the Bachelor of Arts in Liberal Arts and Sciences in Rhetoric as the Bachelor of Arts in Liberal Arts and Sciences in Creative Writing.

The growth of the Creative Writing programs around the country has made the Creative Writing major a vital part of many English departments. The department recently discontinued the Professional Writing concentration within the Rhetoric major, leaving Creative Writing as the sole focus. The proposed major name is a clearer descriptor of the program currently offered.

The vice president for academic affairs concurs with this recommendation. The University Senates Conference has indicated that no further senate jurisdiction is involved.

**Establish the Nathalie P. Voorhees Center  
for Neighborhood and Community Improvement,  
College of Urban Planning and Public Affairs, Chicago**

(11) The vice president, University of Illinois, and chancellor, University of Illinois at Chicago, with the advice of the Chicago Senate and the College of Urban Planning and Public Affairs, recommends approval of the establishment of the Nathalie P. Voorhees Center for Neighborhood and Community Improvement.

The Nathalie P. Voorhees Center for Neighborhood and Community Improvement (Voorhees Center) is a technical assistance and applied research unit in the College of Urban Planning and Public Affairs. Its mission is to improve the quality of life for all residents in Chicago, the region, the State, and nationwide by engaging and working with community organizations, government entities, residents, and other stakeholders to assist in their efforts to revitalize the many and varied communities. The Voorhees Center has redefined its central focus on affordable housing through a new interdisciplinary approach that weaves the core issues of affordable housing into a new, holistic, and comprehensive community development “tapestry” of jobs, economic development, transportation, education, safety, health, and the environment.

The Voorhees Center was started in 1978 with an endowment of \$1.2 million by Mr. Alan Voorhees in the name of his wife, Mrs. Nathalie P. Voorhees. The Voorhees Center became a stand-alone center with its own director from 1981 through 1992. In 1992, it became a program within the Center for Urban Economic Development (CUED), sharing staff and facilities with CUED. Over the years, the activities of the center have been increasingly expanding, and its identity as an applied research and technical assistance public service center is widely recognized both in the Chicago region and nationwide. It is important that the unit be once again formally recognized as a center in order to continue as a strong entity, able to fulfill the purpose for which it was established by its benefactor. The Voorhees Center functions as a fully independent unit.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The vice president for academic affairs concurs with this recommendation. The University Senates Conference has indicated that no further senate jurisdiction is involved.

**Rename the Center for Pharmacoeconomic  
Research, College of Pharmacy, Chicago**

(12) The vice president, University of Illinois, and chancellor, University of Illinois at Chicago, with the advice of the Chicago Senate and the College of Pharmacy, recommends approval of a proposal from the College of Pharmacy to rename the Center for Pharmacoeconomic Research as the Center for Pharmacoepidemiology and Pharmacoeconomic Research.

The Center for Pharmacoeconomic Research (CPR) is an interdisciplinary research unit in the UIC College of Pharmacy established to promote and facilitate a more informed understanding of the clinical, humanistic, and economic impact of pharmaceutical products, contemporary pharmacy services, and medication use policy with respect to the health and safety of patients, organizations, and society.

The faculty and staff of the center proposed the revised name, which adds the term “pharmacoepidemiology” because it more accurately reflects the scope of work conducted by the center. The research conducted by the center has expanded since it was founded in 2001. A major area of research is pharmacoepidemiology, which focuses on drug effects (benefits and harms) across populations. The center is now nationally known for excellence in pharmacoepidemiology, particularly with respect to comparative effectiveness research.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The vice president for academic affairs concurs with this recommendation. The University Senates Conference has indicated that no further senate jurisdiction is involved.

On motion of Mr. Montgomery, seconded by Mr. McMillan, this recommendation was approved.

### **Approve Revisions to the University of Illinois Policy on Conflicts of Commitment and Interest**

(13) The *University of Illinois Policy on Conflicts of Commitment and Interest* was implemented in 1996 to provide a framework for measuring and monitoring the propriety and advisability of non-University activities of academic staff members. The policy was amended in January 2011 in response to the increasing complexity of conflict management as the University's research and technology transfer portfolios expand, and to ensure the policy was compliant with federal regulations.

The proposed revisions to the current policy are in response to the amended Department of Health and Human Services (HHS) regulations related to conflict of interest in federally funded research. All institutions receiving Public Health Service (PHS) funding from a grant cooperative agreement, or contract must be in full compliance with all of the HHS regulatory requirements by August 24, 2012.

(A copy of the amended policy is filed with the secretary of the Board for record. Also on file is comparison copy of the proposed revisions to the *University of Illinois Policy on Conflicts of Commitment and Interest* in a format to reflect all of the proposed changes.)

The University Senates Conference has approved the proposed revisions. The vice president for research, the president's designee on matters concerning conflicts of commitment or interest, recommends approval of the revised policy.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The president of the University concurs.

On motion of Mr. Montgomery, seconded by Mr. McMillan, this recommendation was approved.

### **Amend the University of Illinois at Urbana-Champaign Senate Constitution, Urbana**

(14) At the request of the Urbana-Champaign Senate, the vice president, University of Illinois, and chancellor, University of Illinois at Urbana-Champaign, recommends revisions to its Senate *Constitution*, pursuant to University of Illinois *Statutes*, Article II, Section 1.a ("a constitution and any amendments thereto shall take effect upon adoption by the senate concerned and approved thereof by the Board of Trustees"). Amendments to the Urbana-Champaign Senate *Constitution* were approved by action of the Senate on March 28, 2011, and April 25, 2011, respectively, to authorize alternative procedures for the election of faculty senators, and to clarify that student senators' terms commence at the beginning of the next academic year.

(A copy of the proposed changes is filed with the secretary of the Board of Trustees for record.)

The proposed changes to the Senate *Constitution* were reported to the University Senates Conference for record.

The president of the University concurs.

On motion of Mr. Montgomery, seconded by Mr. McMillan, this recommendation was approved.

By consensus, the Board agreed that one roll call vote would be taken and considered the vote on agenda item nos. 15 through 23 as listed below. The recommendations were individually discussed but acted upon at one time.

(The record of the Board action appears at the end of each item.)

### **Revise University of Illinois Investment Policy**

(15) The Investment Policy of the University is reviewed regularly to ensure that policies are up-to-date and best practices are being followed. Accordingly, the vice president/chief financial officer and comptroller and the University's investment consultant, Hewitt EnnisKnupp, Inc., have reviewed and recommended certain revisions to the Investment Policy.

The major revisions to the revised Investment Policy, presented in conjunction with this item and dated July 19, 2012, are summarized below:

1. Delegate investment authority to the comptroller.
2. Incorporate the asset allocations approved by the Board in January 2011.
3. Delineate the roles and responsibilities of the Board of Trustees; the Audit, Budget, Finance and Facilities Committee; the vice president/CFO and comptroller; Treasury Operations staff; the University's investment consultant; and investment managers.
4. Incorporate Uniform Prudent Management of Institutional Funds Act principles.

The first item delegates the authority to the comptroller to hire and terminate financial vendors and investment managers responsible for the University's Invested Assets. The second item refers to the asset allocation changes for the endowment and operating funds pools that were approved in January 2011. The third item reflects best practices of other higher education endowment policies outlining roles and responsibilities. The final item incorporates the Uniform Prudent Management of Institutional Funds Act (760 ILCS 51) principles.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

Accordingly, the vice president/chief financial officer and comptroller recommends adoption of the attached investment policy (on file with the secretary).

### **Replace Liquidity Facility Variable Rate Demand Certificates of Participation (Utility Infrastructure Projects), Series 2004**

(16) At its September 11, 2003, meeting, the Board approved the delegation of authority to the comptroller to advance refund certain utility-related certificates of participation. This led to the issuance of the Variable Rate Demand Certificates of Participation (Utility Infrastructure Projects), Series 2004 (the "Certificates"). The Certificates were supported by a liquidity facility provided by Bank of America, N. A. ("B of A"). On June 21, 2012, Moody's Investors Service downgraded B of A's long-term rating from A2 to A3 and its

short-term rating from P-1 to P-2. This downgrade is expected to result in a corresponding downgrade of the short-term credit rating of the Certificates and may affect whether the Certificates remain eligible to be owned by some money market funds, leading to higher interest rates paid on the Certificates. Since the announcement of the potential credit rating downgrade of B of A, the interest rates paid on the certificates have increased by approximately 30 percent, relative to other certificates of participation issued by the Board. The total impact of the June 21 downgrade on the interest rates paid on the Certificates has yet to be determined.

A competitive request for bid for a replacement liquidity facility was conducted by Public Financial Management, the Board's financial advisor. The Bank of New York Mellon ("BNYM") provided the winning bid. Therefore, it is the recommendation of the vice president/chief financial officer and comptroller that a BNYM liquidity facility be procured. It is recommended that the authority be delegated to the comptroller, or his designee, to negotiate the final terms and conditions of the replacement liquidity facility. In addition, it is further recommended that authority be delegated to the comptroller, or his designee, to execute and deliver all instruments and documents on behalf of the Board as may be deemed appropriate, including, without limitation, the replacement liquidity facility, any amendment of the existing documents relating to the Certificates as may facilitate the replacement of the liquidity facility or may otherwise be deemed appropriate, any fee agreement with the provider of the liquidity facility and any future renewal or replacement of the liquidity facility for the Certificates as the comptroller deems advisable.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

Funding will be available from the institutional funds operating budget.

The president of the University concurs.

On motion of Mr. McMillan, seconded by Ms. Holmes, this recommendation was approved by the following vote: Aye, Mr. Estrada, Ms. Hasara, Ms. Holmes, Mr. Kennedy, Dr. Koritz, Mr. McMillan, Mr. Montgomery, Mr. Oliver, Ms. Strobel, Mr. Tienken; No, none; Absent, Governor Quinn.

(The student advisory vote was: Aye, Mr. Pileski, Mr. Thomas.)

The \$29.9 million project consists of the construction of a Mile Square Health Center in the Illinois Medical District, which will provide health care to a far greater volume of patients in need of primary care. The project is currently a five-story building. Three shelled floors will be built-out as tenants are identified. Additional scope of work includes building out the tenant space on the first floor to provide an urgent care clinical area, a pharmacy, medical laboratory, administration space, and the entrance lobby. The second-floor tenant improvements will be for a physician's family practice, including 43 exam rooms, mental health room and telehealth rooms. #### **President's Report on Actions of the Senates**

(24) The president presented the following report:

Establish a Joint Master of Public Health and Doctor of Philosophy in Food Science and Human Nutrition, Human and Community Development (College of Agricultural, Consumer and Environmental Sciences); Nutritional Sciences (Graduate College); Kinesiology, Community Health (College of Applied Health Sciences) or Social Work (School of Social Work), Urbana

The Urbana-Champaign Senate has approved a proposal from the Graduate College; the College of Agricultural, Consumer and Environmental Sciences; the College of Applied

Health Sciences; and the School of Social Work to establish a joint Master of Public Health and Doctor of Philosophy in Food Science and Human Nutrition, Human and Community Development, Nutritional Sciences, Kinesiology, Community Health or Social Work.

The joint degree program is designed to create innovative, interdisciplinary, research-based degree programs. The programs will share a focus on interdisciplinary graduate training that prepares future leaders to develop, implement, and evaluate approaches to improving the health of communities. In particular, the new degree programs seek to emphasize improving the health of the most vulnerable community members: children, ethnic minorities, and low-income adults and families. The programs are intended for students who seek synergism between research skills and practitioner skills in public health.

The proposed joint PhD–MPH degree programs do not require a change in existing coursework, dissertation, or thesis requirements. The proposed program will allow students to apply up to 12 credit hours of coursework to both degrees and is expected to take five years to complete.

**Establish a Master of Social Work/Master of Public Health  
Joint Degree Program, Jane Addams College of Social  
Work and School of Public Health, Chicago**

The Chicago Senate, with the recommendation of the Jane Addams College of Social Work and the School of Public Health, has approved the establishment of the Master of Social Work (MSW)/Master of Public Health (MPH) Joint Degree Program.

The joint program integrates the fields of social work and public health. It combines the theoretical approaches and competencies of social work in understanding and responding to individual and community influences on patterns of health and illness, with the tools and applicability of public health approaches to real world health problems. The need for professionals trained in social work and public health is informed by several national and international trends to improve the health and well-being of urban populations. Social work and public health take highly complementary and often overlapping approaches to advancing individual and community health and well-being.

The joint degree provides interdisciplinary preparation in the fields of social work and public health, leading to the completion of both degrees, typically in less time than it would take to obtain these degrees independently. The number of shared hours, and thus total hours for the joint program, is dependent upon the student's area of concentration and advisor approval.

This report was received for record.
