WELCOME FROM THE CHANCELLOR AT URBANA

Mr. Kennedy asked Dr. Wise to comment briefly on the Urbana campus and the work that is occurring there. Dr. Wise played a video that welcomed students to the Urbana campus for the fall semester and highlighted the experience of attending the University of Illinois. She then reported on new student enrollment and said that early indicators show that the ACT scores and grade point averages of the incoming class have increased. Dr. Wise commented on those who are the first in their families to attend college and said that while the campus did not meet its diversity goals, it is a work in progress.

COMMITTEE REPORTS

Report from Chair, Audit, Budget, Finance, and Facilities Committee

At 10:41 a.m., Mr. Kennedy asked Mr. McMillan, chair of the Audit, Budget, Finance, and Facilities Committee, to provide a report from that committee. Mr. McMillan serves on the committee with Dr. Koritz, Mr. McKeever, Mr. Montgomery, and Ms. Strobel. Mr. McMillan reported that

the committee met Wednesday, September 3, 2014, at 1:00 p.m. and that committee members approved the minutes of the meeting that was held July 14, 2014. Mr. McMillan said that several presentations, including those related to Board items, were provided. He told the Board that Dr. Pierre presented the Operating Budget for Fiscal Year 2015; the Operating and Capital Budget requests for Fiscal Year 2016; and Academic and Administrative Appointments for Contract Year 2014-2015. Mr. McMillan stated that Dr. Pierre also presented the amendments to the Undergraduate Financial Aid Policy and Guidelines. Mr. McMillan reported that Mr. Michael B. Bass, senior associate vice president and deputy comptroller, presented three capital items for consideration; Dr. Heather J. Haberaecker, executive assistant vice president, Office of Business and Finance, presented three purchase and renewal recommendations; Mr. Bass presented amendments to the Energy Cost Management Policy; Mr. Pradeep K. Khanna, associate chancellor, corporate and international relations, Urbana, presented a banking resolution for Deutsche Bank AG, India; and Dr. Thomas J. Farrell, president of the University of Illinois Foundation, presented a report on University fundraising for Fiscal Year 2014. Mr. McMillan said Mr. Knorr updated the committee on the status of the State appropriation receivable, recent rating agency pronouncements, State of Illinois budget and credit matters, federal budget matters and the potential impact on the University, and the expected audit results of the University's National Science Foundation (NSF) grants for a two-year period. Mr. McMillan stated that committee members reviewed the items within the purview of the committee on the Board's agenda, and he listed these items. He stated that the next meeting of this committee will be held November 3, 2014, at 1:00 p.m.

Report from Chair, Governance, Personnel, and Ethics Committee

Mr. Kennedy asked Ms. Strobel, chair of the Governance, Personnel, and Ethics Committee, to provide a report from that committee. Ms. Strobel serves on the committee with Ms. Cave, Mr. Fitzgerald, Ms. Hasara, and Mr. Montgomery. Ms. Strobel stated that the Governance, Personnel, and Ethics Committee met on August 28, 2014, via videoconference at the Urbana, Chicago, and Springfield campuses, and that the committee approved the minutes of the last meeting that was held on July 10, 2014. She reported that they reviewed the items within the purview of the committee on the Board's agenda, and she listed those items.

Ms. Strobel stated that Dr. Nicholas C. Burbules, professor of education policy, organization and leadership at Urbana, provided a presentation on the University of Illinois *Statutes* revision process, and she provided a summary of his comments, noting that final approval is anticipated in May or July 2015. Ms. Strobel told the Board that the committee briefly discussed the July retreat, and said that the themes identified at the retreat will be shared with the incoming president. She said the committee also discussed the presidential search, which is on schedule. She reported that the search committee hopes to conclude the search in early November, and she said that the chancellor search is on a parallel track and should conclude several

weeks later. Ms. Strobel stated that the next meeting of the committee is scheduled for October 30, 2014, at 1:00 p.m.

**Report from Chair,
University Healthcare System Committee**

Mr. Kennedy then asked Dr. Koritz, chair of the University Healthcare System Committee, to provide a report. Dr. Koritz stated that he serves on the committee with Mr. Estrada, Mr. Fitzgerald, Mr. Frye, and Ms. Leibowitz. Dr. Koritz reported that the committee reviewed the items within the purview of the committee on the Board's agenda, and he listed those items. He referred to several reports that were presented at the meeting, and he commented on factors contributing to the decline in the bond rating of the hospital, including a reduction in Medicaid reimbursement rates. Dr. Koritz commented on the capitated Medicaid rate and said that efforts are underway to increase patient volume and reduce costs at the hospital. He then referred to quality and patient safety goals, including a reduction in the rate of unplanned readmissions. Dr. Koritz told the Board that President Easter made a presentation on the UIC College of Medicine's campus at Urbana, and that Dr. Wise and Dr. James C. Leonard, MD, president and chief executive officer of The Carle Foundation, provided a presentation on the proposed College of Medicine at Urbana, which they said would take advantage of the College of Engineering at Urbana. Dr. Koritz said Dr. Dimitri T. Azar, dean of the College of Medicine at Chicago, presented an alternative plan for the future College of Medicine at Chicago. Dr. Koritz stated that committee members expressed support for the chancellor moving forward with the proposal, noting that they did not endorse this plan due to the lack of authority of the committee. He told the Board that the committee's goal was to provide an opportunity for input. Dr. Koritz said the next meeting of the committee is scheduled for November 3, 2014.

Mr. Kennedy inquired about the cost of providing benefits to hospital employees, which are currently paid by the State. Mr. Kennedy and Dr. Koritz agreed that if the cost of benefits were included in the hospital's finances, the hospital would show a \$200.0 million deficit.

PUBLIC COMMENT

At 10:58 a.m., Mr. Kennedy announced a public comment session and explained that the *Procedures Governing Appearances Before the Board of Trustees* allows for a maximum of six individuals to speak for five minutes each. He then introduced the first speaker, Dr. Anna Westerstahl Stenport. Dr. Stenport stated that she is a tenured faculty member at Urbana and is dedicated to teaching and academic leadership. She commented on her work with advancement staff and efforts to secure funding for the University, and she said she is now reluctant to engage in these activities because the Board is perceived as not supporting academic freedom and freedom of speech. Dr. Stenport referred to controversial issues in the field of humanities and donor support for the field, and she expressed concern regarding interference from administration and the Board and its impact on the ability to recruit and retain faculty. She stated that the heart and soul of the University is at risk.

Mr. Kennedy then invited the next speaker, Mr. Ahmad Hamdan, to speak. Mr. Hamdan said he is a senior at Urbana studying chemical engineering and is the president of Students for Justice in Palestine. He stated that students in this organization come from a variety of backgrounds, and he commented on the negative consequences of not hiring Dr. Steven Salaita. Mr. Hamdan said the Board and University Administration have no regard for academic freedom, and he reported that scholars are boycotting the University. He said the decision to unhire Dr. Salaita has tarnished the University's name, and he referred to a vote of no confidence and online petition against the chancellor at Urbana. Mr. Hamdan said donors unjustly influenced this decision and urged that Dr. Salaita be reinstated in order to rebuild the campus.

Next, Mr. Kennedy invited Mr. David Beck to comment. Mr. Beck said he is a representative for AFSCME and discussed the positions at the University that include AFSCME members. He said the services provided by these employees are critical and told the Board that while these employees love the University, they do not feel respected. Mr. Beck said they are afraid to express their concerns and referred to pay disparities between these employees and those in highly paid positions at the University. He asked the Board to reverse this trend and make it a priority.

Mr. Kennedy then invited the next commenter, Dr. Robert Warrior, to speak. Dr. Warrior commented on the appointment of Dr. Salaita to the American Indian studies program and provided his perspective as the director of the program in which Dr. Salaita was to be hired to teach. He referred to an off-campus press conference held by Dr. Salaita a few days prior and reported that the gathering was a reflection of inclusivity. He said that Dr. Salaita was the first faculty member to be successfully recruited to the American Indian studies program with a degree focusing on Native American studies, and he discussed Dr. Salaita's area of scholarship. Dr. Warrior discussed the comments sent from Dr. Salaita via Twitter and advised that his teaching record, which he said is strong, should also be considered. He said his department reviewed Dr. Salaita's credentials and teaching record when they made the decision to hire him and asked that faculty expertise for hiring be respected. Dr. Warrior referred to academic freedom and the importance of shared governance and asked that the Board do their part in the journey to repair the University.

Next, Mr. Kennedy invited Mr. Josh Cooper to comment. Mr. Cooper stated he is a senior in Liberal Arts and Sciences at Urbana and is representing more than 1,300 students who are supportive of Dr. Wise. He said that these 1,300 students endorsed a statement supporting the chancellor, and that these signatures were collected in a 48-hour time period. Mr. Cooper stated that while he respects shared governance, the University is also accountable to the public. He said that hate speech and intolerance is unacceptable, and he urged the Board to uphold high standards.

Mr. Kennedy then called on the last commenter, Mr. David Downey. Mr. Downey referred to his experiences with the University as a student, alumni, and trustee, and he commended Dr. Wise for her brilliant leadership. He stated that votes of no confidence against the chancellor hurt the University rather than the chancellor, and he commended the Board for

its leadership. Mr. Downey spoke in support of the decision not to hire Dr. Salaita and said it is important to consider what is best for the University.

AGENDA

At 11:39 a.m., Mr. Kennedy announced that the agenda for this meeting would now be considered. All Board members recorded as present at the start of the meeting were in attendance. Mr. Kennedy explained the items for which a voice vote of the Board is requested would be first and that the secretary would read the titles of these items. He noted that several Board members had previously discussed concerns with President Easter and other staff members regarding these items, and he said that he would welcome further discussion at this time.

Dr. Wise commented that many on campus feel strongly regarding the decision not to hire Dr. Salaita and said that as chancellor, she accepts responsibility for unpopular decisions. She pledged her commitment to shared governance and said she cannot recommend approving the appointment of Dr. Salaita.

President Easter commented on the University's responsibility for educating the next generation of students and that he believes universities must be rooted in the open and frank discussion fundamental to a democratic society. He stated that progress is inhibited by polarization, bigotry, and hurtful dialogue, and that Dr. Salaita's approach indicates he would be incapable of fostering an environment where conflicting opinions be given equal consideration. President Easter expressed concern that Dr. Salaita's public statements would make it difficult to attract the best and brightest students, faculty, and staff to the University, and said he agreed with Dr. Wise that Dr. Salaita should not be hired.

Mr. Montgomery referred to a letter he signed sanctioning the withdrawal of the offer to hire Dr. Salaita and said he now believes this was a mistake. He stated that he supports the chancellor and has great love and respect for his colleagues and administrators at the University. Mr. Montgomery emphasized the importance of free speech and said Dr. Salaita's comments were not made in the context of the classroom, noting that he does not condone the statements made by Dr. Salaita. Mr. Montgomery expressed concern regarding the canceling of some academic events and boycotting of the University and emphasized the importance of academic freedom and shared governance.

Mr. Fitzgerald referred to the duty of the trustees to taxpayers and students. He expressed concern regarding new students that may reconsider applying to or attending the University because of Dr. Salaita's comments and said he cannot endorse Dr. Salaita's appointment.

By consensus, the Board agreed that one vote would be taken and considered the vote on each agenda item nos. A1 through 4 inclusive. The recommendations were individually discussed but acted upon at one time.

(The record of the Board action appears at the end of each item.)

The president of the University recommends approval.

On motion of Ms. Holmes, seconded by Ms. Strobel, this appointment was approved.

**Reappoint Member to the Advisory Board,
Division of Specialized Care for Children (DSCC)
in Springfield, Chicago**

(2) The Division of Specialized Care for Children (DSCC) is the Illinois Title V agency that provides care coordination for families and children with special health-care needs and financial assistance for those who meet financial and medical eligibility requirements. In 1957, the Illinois General Assembly created an advisory board for the DSCC to advise the administrators of the University of Illinois regarding DSCC. The Board of Trustees is charged with appointing members to this advisory board.

The chancellor, University of Illinois at Chicago, and vice president, University of Illinois, recommends the following reappointment to the DSCC Advisory Board for the term November 1, 2014, through October 31, 2017:

KEITH R. GABRIEL, MD, pediatric surgeon-in-chief, Children's Surgical Services, St. John's Hospital, Springfield, Illinois; residency director, Division of Orthopaedics and Rehabilitation, and clinical associate professor, Department of Surgery, SIU School of Medicine, Springfield, Illinois; member, American Academy of Orthopaedic Surgeons, Pediatric Orthopaedic Society of North America, American Academy of Pediatrics, and American Orthopaedic Association

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The president of the University concurs.

On motion of Ms. Holmes, seconded by Ms. Strobel, this appointment was approved.

Amend the Undergraduate Financial Aid Policy and Guidelines

(3) As a public institution, the University of Illinois makes a commitment to affordability for the people of Illinois whose taxes contribute substantially to the support of the

University. To enable access for all qualified Illinois residents, regardless of their income level, the University assists undergraduate students with a wide range of financial aid programs, including grants and loans from federal, State, and private sources; federal work study funds; and grants and loans from institutional resources. Financial aid is crucial for ensuring accessibility to students from families with limited means. A critical component of financial aid packages for Illinois residents is the Monetary Award Program (MAP) grants they receive from the Illinois Student Assistance Commission (ISAC). The University supplements State funding for the students in greatest need.

Under direction of the Board, a financial aid policy was adopted in 2004, and it was subsequently amended in 2008. In light of the ever-increasing importance of financial aid to enabling student access, and in response to a June 2013 University audit, the administration recently reviewed the policy. As a result of this review, it is recommended that the policy be further amended. The proposed changes satisfy the University audit recommendations, reduce restrictions on providing financial aid in order to address increased undergraduate student needs, ensure that financial aid increases at least at the same rate as tuition revenues, and introduce assessment and accountability requirements.

The amended undergraduate financial aid policy and guidelines are attached (materials on file with the secretary).

The undergraduate financial aid policy and guidelines were developed with the advice and counsel of the Academic Affairs Planning Council, were reviewed by the University Policy Council, and are recommended for adoption by the vice president for academic affairs.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The president of the University concurs with this recommendation.

On motion of Ms. Holmes, seconded by Ms. Strobel, this recommendation was approved.

Amend Energy Cost Management Policy

(4) The Energy Cost Management Policy (“Policy”) governs the cost management activities related to the purchase of natural gas, electricity, and coal. The Policy was originally approved by the Board at its September 2008 meeting, with subsequent modifications and clarifications approved at meetings in March 2009, September 2010, and December 2011. The vice president/chief financial officer and comptroller recommends that the Policy be further amended to: (i) provide explicit authority to the vice president/chief financial officer and comptroller to execute agreements between the University and Prairieland Energy, Inc., and guarantee agreements on behalf of Prairieland Energy, Inc.; (ii) modify membership requirements of the Energy Cost Management Committee; and (iii) allow for delegation of transactional authority by the vice president/chief financial officer and comptroller.

The University procures energy commodity and related energy services from market sources through Prairieland Energy, Inc., a University-Related Organization. Prairieland was authorized by the Board in September 1996 to provide low-cost energy for the benefit of the University and others. It provides an efficient vehicle for flexible, nimble, and real-time participation in wholesale energy markets, resulting in cost savings and other benefits to the University. Prairieland primarily uses forward purchase agreement to procure bulk energy commodity on behalf of the University and may use financial instruments to hedge energy price risk (as authorized by the Board in September 2010).

From time to time, new energy vendors are added to Prairieland’s pool of available energy suppliers to procure commodity or other energy services. New energy vendors generally require that the University guarantee payment by Prairieland. Therefore, it is recommended that the Board authorize the vice president/chief financial officer and comptroller to enter into guarantee agreements by the Board of Trustees of the University of Illinois in favor of energy vendors in consideration of those counterparties entering into contracts with the Prairieland Energy, Inc., for the procurement of energy commodities, related energy services, or energy risk management instruments. Each guarantee agreement with a vendor must have a guarantee limit appropriate for the transaction or transactions being contemplated with that vendor.

The Energy Cost Management Committee was established in March 2009 as part of the original Policy. The Policy specifically set out committee membership by title. Over time specific titles have changed or been eliminated and the framework for overall energy governance has evolved. Thus, the specified list of titles in the Policy is no longer appropriate. It is therefore recommended that the Policy be modified to specify committee membership as follows: the members of the committee will include, but not be limited to, the following personnel:

- vice president/chief financial officer (acts as committee chair)
- senior associate vice president of business and financial services and deputy comptroller (University Administration)
- representatives of campus facilities/utilities operations and the provost's office (Urbana campus)
- representatives of campus facilities/utilities operations and the provost's office (Chicago campus)
- representatives of campus facilities/utilities operations and the provost's office (Springfield campus)
- representatives of utilities administration (University Administration)

Procurement of energy commodities in volatile energy markets is critical to reducing University energy costs. However, participation in these markets is often very time sensitive. Therefore, it is recommended the Policy be amended to clarify that the vice president/chief financial officer and comptroller may delegate authority for transactional activities in order to effectively participate in the energy market.

Therefore, the following recommendations are submitted for Board approval:

1. Authorize the vice president/chief financial officer and comptroller, acting on behalf of the Board of Trustees of the University of Illinois to enter in to guarantee agreements on behalf of Prairie-land in favor of energy vendors, as required, with guarantee limits appropriate for the transaction or transactions contemplated with each vendor.
2. Approve a revision to membership of the Energy Management Committee to reflect current titles and governance structure.
3. Approve allowance for delegation of transactional authority by the vice president/chief financial officer and comptroller.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

Accordingly, the vice president/chief financial officer and comptroller recommends adoption of the proposed policy modifications.

The president of the University concurs.

On motion of Ms. Holmes, seconded by Ms. Strobel, these recommendations were approved.

By consensus, the Board agreed that one roll call vote would be taken and considered the vote on agenda item nos. 5 through 14 inclusive as listed below. The recommendations were individually discussed but acted upon at one time.

Approve Operating Budget for Fiscal Year 2015

(5) The vice president for academic affairs and the vice president/chief financial officer and comptroller recommend approval of the University's Fiscal Year (FY) 2015 operating budget, covering the allocation of estimated operating income from all sources. This recommendation follows the Board's adoption of a preliminary FY 2015 operating budget at the May 2014 meeting. The recommended \$4.5 billion operating budget, before

recognition of the value of payments on behalf, represents a \$35.0 million (1.7 percent) increase in unrestricted funds, a \$34.5 million (1.4 percent) increase in restricted funds, and a \$69.5 million (1.6 percent) increase in all operating funds from FY 2014. The recommended \$5.6 billion operating budget, inclusive of the value of payments on behalf, represents a \$35.0 million (1.7 percent) increase in unrestricted funds, a \$34.5 million (1.4 percent) increase in restricted funds, a \$-58.4 million (-4.9 percent) decrease in payments on behalf, and a \$11.1 million (0.2 percent) increase in all operating funds from FY 2014.

Consistent with Board of Trustees' directives on the configuration of the internal operating budget adopted by the Board at the March 13 and June 27, 2003, meetings, the vice president for academic affairs and the vice president/chief financial officer and comptroller prepared the budget based upon: (1) the policies and institutional priorities established by the Board of Trustees in consultation with senior academic leaders; (2) recommendations of the chancellors/vice presidents, after consultation with deans, directors, and other University officers on the methods and means of best executing the Board's policies and institutional priorities; and (3) recommendations from the president. The allocation of restricted funds is in accord with the terms and conditions of the restrictions, and the allocation of unrestricted funds follows the Board's policies and institutional priorities.

The attachment to this item is the *Budget Summary for Operations for FY 2015* (the BSO, or "Orange Book") (materials on file with the secretary), and presents all University-level budget amounts by source of funds and object of expenditure.

The BSO executive summary is divided into two major sections. The section titled "University Revenue Budget FY 2015" defines the sources of University operating revenue for FY 2015, details the budget by those revenue sources, and analyzes the change in revenue from FY 2014 to FY 2015. The section titled "University Expense Budget FY 2015" defines and details the budget by expenditure category. Detailed campus budget schedules follow the executive summary and provide budget year and prior year revenue and expense information:

- Schedule A: Details campus-level revenue by fund source (e.g., State, institutional, gift/endowment, etc.) and expense by fund type and function (e.g., instruction, research, student aid, etc.).
- Schedule B: Provides budgeted expenditures by college-level organization in the following categories: State; institutional; self-supporting; and gifts, grants and contracts.
- Schedule C: Lists budgeted expenditures by college-level organization and function (for budget year only).
- Schedule D: Provides department-level detail of State and institutional fund budgeted expenditures and presents a more detailed breakdown of college-level restricted fund expenditures than is available in Schedule B.

Schedule A, Schedule B, and Schedule C are campus-level schedules (one of each per campus) whereas Schedule D is college-level and each campus has multiple Schedule Ds.

Three appendices follow the campus budget tables: the first provides critical dates in the budget process; the second provides the delegation of authority for specified budgetary transactions, and the required Board reporting of budgetary activities; and the third provides a glossary of terms.

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The president of the University concurs.

On motion of Ms. Holmes, seconded by Mr. Fitzgerald, this recommendation was approved by the following vote: Aye, Mr. Estrada, Mr. Fitzgerald, Ms. Hasara, Ms. Holmes, Mr. Kennedy, Dr. Koritz, Ms. Leibowitz, Mr. McMillan, Mr. Montgomery, Ms. Strobel; No, none; Absent, Governor Quinn.

(The student advisory vote was: Aye, Ms. Cave, Mr. Frye.)

Approve Academic and Administrative Appointments for Contract Year 2014-15

(6) On May 14, 2014, the Board of Trustees approved a Preliminary Operating Budget for Fiscal Year 2015. Recommendations for academic and administrative appointments beginning August 16, 2014, have been completed within the funds available to the University reflected in the proposed preliminary operating budget.

Accordingly, the president of the University recommends approval of the document entitled *Academic Personnel, 2014-15* (copy filed with the secretary for record), and requests authorization, in accord with the needs of the University and the equitable interests involved, and within total budgeted income: (1) to accept resignations; (2) to make such additional appointments as are necessary and to approve the issuance of notices of nonreappointment, subject to the provisions of the University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure, and Policy and Rules*; and (3) to make such other personnel adjustments as needed, such adjustments to be covered in periodic reports to the Board of Trustees (Secretary's Report).

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes, The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

On motion of Ms. Holmes, seconded by Mr. Fitzgerald, this recommendation was approved and authority was given as recommended by the following vote: Aye, Mr. Estrada, Mr. Fitzgerald, Ms. Hasara, Ms. Holmes, Mr. Kennedy, Dr. Koritz, Ms. Leibowitz, Mr. McMillan, Mr. Montgomery, Ms. Strobel; No, none; Absent, Governor Quinn.

(The student advisory vote was: Aye, Ms. Cave, Mr. Frye.)

Approve Requests for New Operating and Capital Appropriations, Fiscal Year 2016

(7) Requests for incremental operating funds and for new capital appropriations for the University of Illinois for the fiscal year commencing July 1, 2015, are presented for action by the Board of Trustees. Following Board action, these requests will be submitted to the Illinois Board of Higher Education and State agencies for review. The accompanying tables summarize the major elements of each request, and the document, *Fiscal Year 2016 Budget Request for Operating and Capital Funds* (copy filed with the secretary for record), provides detailed descriptions of each program and project included in the request.

The Fiscal Year 2016 Operating Budget Request is outlined in Table 1. The University seeks \$40.3 million in new funds, an increase of 2.3 percent above the current year's state appropriation plus income fund base budget. The Fiscal Year 2016 request focuses primarily upon needs for salary competitiveness for faculty and staff. The Fiscal Year 2016 request also continues prior efforts to secure facilities maintenance resources in the operating budget, as well as resources to meet critical operating cost increases. The request presents the most urgent funding needs confronting the University.

Table 2 identifies the 10 projects in the Fiscal Year 2016 Capital Budget Request in priority order. Together, these projects represent an investment of \$452.1 million, devoted to preserving and extending facilities already in place at the campuses and to critically important new initiatives. Remodeling and renovation projects comprise a large part of the total funds requested with the highest priority given to repair and renovation projects at the three campuses. The request clearly emphasizes the importance the University places on maintenance and upkeep of existing facilities, highlighting the need to adequately fund multiple aspects of the facility plant assets. Due to the unique characteristic of health care, funding for Additional Medicaid Patient Activity at UI Health System will continue to be pursued independently from this request.

The operating and capital requests summarized here reflect the University's highest priority budget needs, focusing on the University's mission of instruction, research,

public service, and economic development. The priorities in both the operating and capital requests presented here are consistent with those in the preliminary requests presented to the Audit, Budget, Finance, and Facilities Committee in July 2014.

The University's operating and capital requests for Fiscal Year 2016 have been prepared by the vice president for academic affairs based upon advice from the University Policy Council.

The vice president for academic affairs and the vice president/chief financial officer recommend approval.

The president of the University concurs.

Authorize Banking Resolution for Deutsche Bank AG, India

(8) In July 2014, the Urbana-Champaign campus applied to the Indian government (the Reserve Bank of India) for approval to establish a liaison office in New Delhi. The liaison office would serve as a link between the campus and potential partner institutions, students, and alumni in India. Because the liaison office must be funded solely through authorized financial transfers from Illinois, the University must establish a non-interest bearing Indian rupees account with an Authorized Dealer bank. Deutsche Bank AG, India, performed the preliminary customer verification process required by the Indian government and submitted the University's application to conduct activities in India.

Accordingly, the vice president/chief financial officer and comptroller requests the authority to establish and maintain a banking relationship with Deutsche Bank AG, India, for the purposes of accepting and holding deposits of University funds, electronic processing of payments, and providing activity data, and recommends that the attached resolution in the form required by Deutsche Bank be adopted (materials on file with the secretary).

The Board action recommended in this item complies in all material respects with applicable State and federal laws, University of Illinois *Statutes*, *The General Rules Concerning University Organization and Procedure*, and Board of Trustees policies and directives.

The president of the University concurs.

On motion of Ms. Holmes, seconded by Mr. Fitzgerald, authority was given as requested and the foregoing resolution was adopted by the following vote: Aye, Mr. Estrada, Ms. Hasara, Mr. Kennedy, Dr. Koritz, Ms. Leibowitz, Mr. McMillan, Mr. Montgomery, Ms. Strobel; No, none; Absent, Governor Quinn. (Mr. Fitzgerald and Ms. Holmes asked to be recorded as not voting on this item.)

(The student advisory vote was: Aye, Ms. Cave, Mr. Frye.)

**Approve Project for Clinical Performance Center,
College of Medicine, Chicago**

(11) This \$6,986,200 project will construct a new center for the Clinical Performance Center suitable to serve expansion of the existing Dr. Allan L. and Mary L. Graham Clinical Performance Center (GCPC) and is proposed for build-out on the fourth floor of the Mile Square Health Center. The scope of work will consist of the construction of state-of-the-art interiors and finishes, complete with mechanical, electrical, plumbing, and fire protection infrastructure, furniture, fixtures, and audio visual, medical, and simulation equipment as necessary to operate the new center.

The main objective of the project is to provide a 21st-century space for educators to provide clinical instructional simulations to students and continuing professionals in the health professions. The proposed space will serve as the new headquarters for the GCPC which has outgrown the capacity of its current outdated location on the first floor of the Medical Sciences Building.
