

SUPPLEMENT TO THE MINUTES OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS

June 17, 1964

Internal Operating Budget for 1964-65

UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1964-65

(Approved by the Board of Trustees June 17, 1964, page 1238)

EXPLANATORY NOTES

This budget consists of three volumes:

- I. Summaries of all divisions: Urbana-Champaign divisions and general University administration — academic and administrative salaries, wages, expense, and equipment.
- II. Chicago Medical Center (including Division of Services for Crippled Children) and Chicago Undergraduate Division — academic and administrative salaries, wages, expense, and equipment.
- III. Nonacademic salaries, all divisions.

Appropriations for salaries are available for the term indicated in each case but not for more than one year from September 1, 1964.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may be used to hire employees temporarily engaged to do the work contemplated by the position upon proper authorization of the Bursar, Chicago Business Office, or Office of Nonacademic Personnel, so long as such temporary charges do not exceed the amount of time provided by the position.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries" and "Wages, Expense, and Equipment." Transfers may be made between "Salaries" and "Wages, Expense, and Equipment" upon approval of the Executive Vice-President and Provost, except that transfers between salaries and wages may be made by the Vice-President and Comptroller to the extent of the full-time equivalence of the salary positions. All requests for transfers should be submitted through the Vice-President and Comptroller, with the reason for the transfer. Nonrecurring unassigned items may be assigned to departments for equipment or minor remodeling projects, merely upon notice to the Accounting Division, except that any assignment of more than \$1,000 must first be approved by the Executive Vice-President and Provost.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1964. All balances and overdrafts in regular appropriations will be carried forward to 1965-66 unless otherwise notified by the Business Office.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds, and restricted budgets are on an estimated basis. Appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity. Salary appointments may be canceled if the funds for cooperative investigations are withdrawn.

Explanatory Notes on the Salary Budget

Services Required

1. The services required for members of the academic and administrative staff are in accordance with Section 37 of the University of Illinois Statutes and Section 26 of the General Rules Concerning University Organization and Procedure.

a. For positions or portion of positions indicated as "Y," services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as "Y."

b. For positions or portion of positions in the academic budget not indicated as "Y," services are required only during the academic year of two semesters (three terms at the Medical Center). Summer session teaching, if required,

will be covered by an additional appointment with salary at two-ninths of the annual rate for full-time service during the eight-week session.

2. Services of the nonacademic staff are in accordance with Civil Service regulations. All positions are for twelve months' service, less vacation, unless otherwise indicated.

Tenure Symbols (a number following indicates percentage of time)

- A—Indefinite tenure, payable in twelve monthly installments.
- B—Two years from September, 1963, payable in twelve installments annually (with changes effective September, 1964).
- D—One year, payable in twelve installments from September 1, 1964.
- E—The academic year 1964-65, payable during nine months from September 16.
- F—One year from effective date indicated (other than September 1).
- G—For the period indicated (less than one year and not on "Y" status).
- Y—Indicates that services are required throughout the year, except for allowable vacation, without additional compensation.
- N—In accordance with Civil Service regulations, effective July 1, 1964, with payments on a monthly basis.
- NS—Same as N, except work week is five and one-half days.
- H—Same as N, but with payments on an hourly basis. Amount indicated is estimated annual salary based on normal number of hours.
- P—Same as H, but at prevailing rates.
- Z—Indicates person's name appears in two or more budgets.
- X—Substitutes for Z (see below for explanation).
- R—On retirement annuity from University Retirement System.
- RA—Receiving retiring allowance from the University (old system).

Tenure Symbol X

The tenure symbol X is substituted for Z when percentage of time is different during the summer than during the academic year. Per cents shown are averages for the full twelve months. Most frequently used percentages are as follows:

<i>Time Spent</i>	<i>Equivalent Months</i>	<i>Per Cent Salary Charged*</i>	<i>Per Cent Shown in Budget</i>
1/2 9 months	4.5	40.91	41
1/2 9 months and summer	6.5	59.09	59
1/4 9 months	2.25	20.45	21
3/4 9 months and summer	8.75	79.55	79
3/4 9 months	6.75	61.36	61
1/4 9 months and summer	4.25	38.64	39
1/3 9 months	3	27.27	27
2/3 9 months and summer	8	72.72	73
2/3 9 months	6	54.55	54
1/3 9 months and summer	5	45.45	46

In Agriculture, an additional symbol is inserted to designate function and fund. In Engineering, "C" and "S" are also used.

- C—College (state and trust)
- S—Station (state and trust)
- H—Hatch (federal station fund 21)
- R—Regional Research (federal station fund 23)
- T—Agricultural Marketing Title II (federal station fund 28)
- E—Extension (state and trust)
- K—Research and Marketing Extension (federal fund 34)
- L—Smith-Lever (federal extension fund 36)

Perquisite Designation

PERQ UNIV—Perquisites for the convenience of the University.

PERQ EMPL—Perquisites for the convenience of the employee.

Meals may be abbreviated "M," or "MM" for two meals. "R" indicates room. Dollar amounts do not include any perquisites for the convenience of the University.

* Round to nearest \$10.
