Internal Operating Budget for 1965-66

UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1965-66

(Approved by the Board of Trustees July 21, 1965, page 675)

EXPLANATORY NOTES

This budget is presented in three sections:

- I. Urbana-Champaign divisions and General University Administration.
Part I. Academic and Administrative Salaries, Wages, Expense, and Equipment.
Part II. Nonacademic Salaries.
- II. Chicago Medical Center (including Division of Services for Crippled Children).
- III. Chicago Circle Campus.

Appropriations for salaries are available for the term indicated in each case but not for more than one year from September 1, 1965.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may be used to hire employees temporarily engaged to do the work contemplated by the position upon proper authorization of the Bursar, Chicago Business Office, or Office of Nonacademic Personnel, so long as such temporary charges do not exceed the amount of time provided by the position.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries" and "Wages, Expense, and Equipment." Transfers may be made between "Salaries" and "Wages, Expense, and Equipment" upon approval of the Executive Vice-President and Provost, except that transfers between salaries and wages may be made by the Vice-President and Comptroller to the extent of the full-time equivalence of the salary positions. All requests for transfers should be submitted through the Vice-President and Comptroller, with the reason for the transfer. Nonrecurring unassigned items may be assigned to departments merely upon notice to the Accounting Division, provided that the funds are used solely for equipment or minor remodeling projects.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1965. Balances not in excess of 5 per cent and overdrafts in regular appropriations will be carried forward to 1966-67 unless otherwise notified by the Business Office.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds, and restricted budgets are on an estimated basis. Appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity. Salary appointments may be cancelled if the funds for cooperative investigations are withdrawn.

Explanatory Notes on the Salary Budget

Services Required

1. The services required for members of the academic and administrative staff are in accordance with Section 37 of the University of Illinois Statutes and Section 26 of the General Rules Concerning University Organization and Procedure.

a. For positions or portion of positions indicated as "Y," services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as "Y."

b. For positions or portion of positions in the academic budget not indicated as "Y," services are required only during the academic year of two semesters in Urbana or three terms in Chicago. Summer session teaching, if required, will be covered by an additional appointment with salary at two-ninths of the

annual rate for full-time service during an eight-week session and three-ninths of the annual rate for full-time service during a twelve-week session.

2. Services of the nonacademic staff are in accordance with Civil Service regulations. All positions are for twelve months' service, less vacation, unless otherwise indicated.
