Internal Operating Budget for 1966-67

UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1966-67

(Approved by the Board of Trustees June 15, 1966, page 1190)

EXPLANATORY NOTES

The budget details are presented in three volumes:

- I. Urbana-Champaign divisions and General University Administration.
Part I - Academic and Administrative Salaries, Wages, Expense and Equipment.
Part II- Nonacademic Salaries.
- II. Chicago Medical Center (including Division of Services for Crippled Children).
- III. Chicago Circle Campus.

Appropriations for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1966.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may be used for temporary appointments upon proper authorization of the Bursar, Chicago Business Office, or Office of Nonacademic Personnel, so long as such temporary charges do not exceed the amount of money or 120% of the time provided by the position. For the use of such balances for student wages, see Chapter IV of the Business Policy and Procedure Guide.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries" and "Wages, Expense, and Equipment." Transfers may be made between "Salaries" and "Wages, Expense, and Equipment" upon approval of the Executive Vice-President and Provost. All requests for transfers should be submitted through the Vice-President and Comptroller or Business Manager, with the reason for the transfer. Nonrecurring unassigned items may be assigned to departments merely upon notice to the Accounting Division, with an indication of the type of equipment or minor remodeling project that the funds are to be used for.

Appropriations for expense, equipment, and wages are available for one year beginning July 1, 1966. Balances not in excess of 5% and overdrafts in regular appropriations will be carried forward to 1967-68 unless otherwise notified by the Business Office.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds and restricted budgets are on an estimated basis. Appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity. Salary appointments may be canceled if the funds for cooperative investigations are withdrawn.

Explanatory Notes on the Salary Budget

Services Required

1. The services required for members of the academic and administrative staff are in accordance with Section 37 of the University of Illinois Statutes and Section 26 of the General Rules Concerning University Organization and Procedure.

a. For positions or portion of positions indicated as "Y", services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as "Y".

b. For positions or portion of positions in the academic budget not indicated as "Y", services are required only during the academic year of two semesters in Urbana or three terms in Chicago. Summer Session teaching, if required, will be covered by an additional appointment with salary at $\frac{2}{9}$ of the annual rate for full-time service during an eight-week session and $\frac{3}{9}$ of the annual rate for full-time service during a twelve-week session.

2. Services of the nonacademic staff are in accordance with Civil Service regulations. All positions are for twelve months' service, less vacation, unless otherwise indicated.

Tenure Symbols (a number following indicates percentage of time)

- A - Indefinite tenure, payable in twelve monthly installments.
- B - Two years from September, 1965, payable in twelve installments annually (with changes effective September 1, 1966).
- D - One year, payable in twelve installments from September 1, 1966.
- E - The academic year 1966-67, payable during 9 months from September 16.
- F - One year from effective date indicated (other than September 1).
- G - For the period indicated (less than one year and not on "Y" status).
- Y - When added to A, B, D, or E, indicates that services are required throughout the year, except for allowable vacation, without additional compensation.
- N - In accordance with Civil Service regulations, effective July 1, 1966, with payments on a monthly basis.
- NN - Same as N, with salaries determined by negotiation.
- NS - Same as N, except work week is $5 \frac{1}{2}$ days.
- H - Same as N, but with payments on an hourly basis. Amount indicated is estimated annual salary based on normal number of hours.
- P - Same as H, but at prevailing rates.
- R - On retirement annuity from University Retirement System.
- RA - Receiving retiring allowance from the University (old system).
- Z - Prefix indicating that person's name appears in two or more budgets
