Internal Operating Budget for 1968-69

UNIVERSITY OF ILLINOIS INTERNAL BUDGET FOR 1968-69

(Approved by the Board of Trustees June 19, 1968, page 1043)

EXPLANATORY NOTES

The budget details are presented in three volumes:

- I. General University Administration and Urbana-Champaign Campus
Part I - Academic and Administrative Salaries, Wages, Expense and Equipment.
Part II- Nonacademic Salaries .
- II. Medical Center Campus (including Division of Services for Crippled Children) .
- III. Chicago Circle Campus .

Appropriations for salaries are available for the term indicated in each case but not for more than one year from September 1, 1968.

When appointments are made at salary rates less than the amounts provided in the budget, the unused balance is lapsed at that time, resulting in a reduction in the budget.

Funds appropriated for positions in the salary budget which are not yet filled may be used for temporary appointments upon proper authorization of the campus Business Office or Office of Nonacademic Personnel, so long as such temporary charges do not exceed the amount of money or 120% of the time provided by the position. For the use of such balances for student wages, see Chapter IV of the Business Policy and Procedure Guide.

All unexpended balances remaining in the salary budget lapse at the close of each calendar month unless previously assigned or encumbered. Such lapses do not result in a reduction in the budget.

Departmental appropriations are made under the captions "Salaries" and "Wages, Expense and Equipment." Transfers may be made between "Salaries" and "Wages, Expense and Equipment" upon approval of the Chancellor. All requests for transfers should be submitted through the Business Office with the reason for the transfer. Nonrecurring unassigned items may be assigned to departments merely upon notice to the Accounting Division, with an indication of the type of equipment or minor remodeling project that the funds are to be used for.

Appropriations for expense, equipment and wages are available for one year beginning July 1, 1968. Balances not in excess of 5% and overdrafts in regular appropriations will be carried forward to 1969-70 unless otherwise notified by the Business Office.

All budgets of auxiliary enterprises, cooperative investigations, other trust funds and restricted budgets are on an estimated basis. Appropriations are limited to actual income, but any balances or receipts in excess of the estimate are appropriated for the operation of the activity. Salary appointments may be canceled if the funds for cooperative investigations are withdrawn.

Explanatory Notes on the Salary Budget and Budget Symbols

Services Required

1. The services required for members of the academic and administrative staff are in accordance with Section 37 of the University of Illinois Statutes and Section 26 of the General Rules Concerning University Organization and Procedure.
