Internal Operating Budget for 1970-71

UNIVERSITY OF ILLINOIS INTERNAL BUDGET 1970-1971

(Approved by the Board of Trustees August 12, 1970)

EXPLANATORY NOTES

The budget details are presented in four volumes, each of which is in two sections beginning with the page numbers indicated:

I. General University Administration (p.1) and Urbana-Champaign Campus (p.14) except for nonacademic salaries.

II. Nonacademic Salaries - General University (p.304) and Urbana-Champaign Campus (p.312).

III. Medical Center Campus (including Division of Services for Crippled Children) - Academic (p.197); Nonacademic (p.413).

IV. Chicago Circle Campus - Academic (p.254); Nonacademic (p.472).

General Funds (Legislative Appropriations. Accounts beginning with "0") Departmental budgets from appropriated funds are established under four categories: "Salaries," "Wages," "Expense" and "Equipment." Transfers may be made between "Salaries" and "Wages," or from "Expense and Equipment" to "Wages" -- upon approval of the Chancellor. All requests for transfers should be submitted through the Office of Business Affairs with the reasons for the transfer. No transfers may be made from Salaries or Wages to Expense and Equipment. Funds for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1970.

When an appointment is made at less than the amount provided in the budget, the unused balance is transferred to the Chancellor's budget, resulting in a permanent reduction in the departmental budget. Unexpended balances in vacant positions at the close of each month are temporarily transferred to a Campus Salary Reserve unless previously assigned or encumbered.

Funds appropriated for individual positions in the salary budget which are not yet filled may be used for temporary appointments upon proper authorization by academic officers and by the Campus Business Office or Personnel Services Office, so long as such temporary charges do not exceed the amount of money or 120% of the time provided by the position. For the use of such balances for student wages, see Chapter IV of the Business Policy and Procedure Guide.

Appropriations for Expense and Equipment and for Wages are available for obligation for one year beginning July 1, 1970.

Assignments from accounts designated as "General" may be made by the Administrative Officer under whom the funds are budgeted upon notice to the Business Office unless special restrictions have been established for such approvals.

Institutional Funds (Accounts beginning with "40") Amounts budgeted are new assignments available July 1. Amounts appropriated may be used interchangeably for Salaries, Wages, Expense or Equipment. Transfers from accounts designated as "General" may be made in the same manner as for General Funds.

All Other Funds Budgets of auxiliary enterprises, cooperative investigations and other restricted funds are based on estimates. Expenditures are limited to actual income, but any balances or receipts in excess of the estimate may be expended for the operation of the activity. Upon proper notice, salaried appointments may be cancelled if funds for cooperative investigations are withdrawn.

Explanatory Notes on the Salary Budget and Budget Symbols

Services Required

1. The services required for members of the academic and administrative staff are in accordance with Section 37 of the University of Illinois Statutes and Section 26 of the General Rules Concerning University Organization and Procedure.

a. For positions or portion of positions indicated as "Y" (or "X" or "S") following the tenure symbol, services are required for twelve months, with one month for vacation. No additional compensation is allowed for summer services for any salary or portion of salary indicated as Y, X or S.

b. For positions or portion of positions in the academic budget not indicated as Y, X or S, services are required only during the academic year of two semesters in Urbana or three terms in Chicago. Summer Session teaching, if required, will be covered by an additional appointment with salary at 2/9 of the annual rate for full-time service during an eight-week session and 3/9 of the annual rate for full-time service during a summer quarter. Summer research appointments are limited to two months at 2/9 salary unless the Chancellor approves a longer period in exceptional circumstances.

2. Services of the nonacademic staff are in accordance with Civil Service regulations. All positions are for twelve months' service, less vacation, unless otherwise indicated.
