**SUPPLEMENT TO THE MINUTES OF THE BOARD OF TRUSTEES
OF THE
UNIVERSITY OF ILLINOIS**

October 20, 1971

Internal Operating Budget for 1971-72

SECRETARY'S NOTE

Only the summaries for the 1971-72 budget are printed in these minutes. The detailed budgets approved by the Trustees are on file with the Secretary. The funds originally appropriated by the General Assembly for 1971-72 did not provide funds for salary increases, consequently, nearly all salaries shown in the budget were identical to those paid in the prior year. Subsequent to approval of the budget, the General Assembly appropriated additional funds for salary increases, and these increases became effective on December 1, 1971, pursuant to authority delegated to the President of the Board of Trustees. In lieu of a detailed budget for 1971-72, the Supplement containing the 1972-73 budget will show the salaries paid at the end of 1971-72 in addition to the amounts approved for 1972-73.

UNIVERSITY OF ILLINOIS.
1972-73 BUDGET

EXPLANATORY NOTES

The budget details are presented in four volumes, each of which is in two sections beginning with the page numbers indicated:

- I. General University Units at Urbana (p. 193) and Urbana-Champaign Campus (p. 205) except for nonacademic salaries.
- II. Nonacademic Salaries - General University Units at Urbana (p. 482) and Urbana-Champaign Campus (p. 489).
- III. Medical Center Campus (including Division of Services for Crippled Children) - Academic (p. 366) Nonacademic (p. 581).
- IV. Chicago Circle Campus - Academic (p. 428); Nonacademic (p. 640) and General University Units at Chicago - Academic (p. 479); Non-academic (p. 662).

General Funds (Legislative Appropriations. Accounts beginning with "0") Departmental budgets from appropriated funds are established under four categories: "Salaries," "Wages," "Expense" and "Equipment." Transfers may be made between "Salaries" and "Wages," or from "Expense and Equipment" to "Wages" -- upon approval of the Chancellor. All requests for transfers should be submitted through the Office of Business Affairs with the reasons for the transfer. No transfers may be made from Salaries or Wages to Expense or Equipment. Funds for Salaries are available for the term indicated in each case but not for more than one year from September 1, 1972. For continuing staff, salary increases are effective November 1 for academic staff and September 1 for nonacademic staff.

When an appointment is made at less than the amount provided in the budget, the unused balance is transferred to the Chancellor's budget, resulting in a permanent reduction in the departmental budget. Unexpended balances in vacant positions at the close of each month are temporarily transferred to a Campus Salary Reserve unless previously assigned or encumbered.

Funds appropriated for individual positions in the salary budget which are not yet filled may be used for temporary appointments upon proper authorization by academic officers and by the campus Business Office or Personnel Services office, so long as such temporary charges do not exceed the amount of money or 120% of the time provided by the position. For the use of such balances for student wages, see Chapter IV of the Business Policy and Procedure Manual.

Appropriations for Expense and Equipment and for Wages are available for obligation for one year beginning July 1, 1972.

Assignments from accounts designated as "General" may be made by the Administrative Officer under whom the funds are budgeted upon notice to the Business Office unless special restrictions have been established for such approvals.

Institutional Funds (Accounts beginning with "40") Amounts budgeted are new assignments available July 1. Amounts appropriated may be used interchangeably for Salaries, Wages, Expense or Equipment. Transfers from institutional funds designated as "General" may be made in the same manner as for General Funds.

All Other Funds Budgets of auxiliary enterprises, cooperative investigations and other restricted funds are based on estimates. Expenditures are limited to actual income, but balances or receipts in excess of estimates may be expended for the operation of the activity. Subject to Statutes, salaried appointments may be cancelled if funds for cooperative investigations are withdrawn.
